METHODIST CHURCH TO ADD TO BUILDING.

The Methodist Church is planning to build an annex to the Church building, at a meeting of the Trustees Sunday afternoon the following soliciting committee were appointed, Mrs. C. E. Conner, Mrs. Bert Page, Mrs. J. L. Neill and Mr. R. P. Hinyard. The annex will cost between \$1,500 and \$2,000, with a little repair in the main auditorium. The annex is badly needed for Sunday School purposes, and when the soliciting committee calls on you meet them with a smile if not a good contribution.

These estimable young people will make their home on the ranch east of El Dorado.

Friday, December 1.

The Success will come out a little early this week, so as to let The Success force enjoy a Thanksgiving, as there is a program in the forenoon, also one for the afternoon and night.

Another reason that denotes prosperity in our midst is, that, Bust-Smith Co., the local Ford Dealers, have sold 96 Fords this year to date, and over 90 of them sold since August 1st, and they could have sold more if they could have gotten them. Besides these there is other makes of cars sold here.

We are glad to see our own people buying homes in Schleicher County, a home owner is generally better satisfied.

When people living in Schleicher County for eight or ten years and farm, then step right up and pay \$30 per acre for undeveloped land, it is evident that the fruitfulness of the soil there is most enticing.

Moral: Buy you a home and become satisfied.

After reading the write up of the El Dorado-Menard Basket Ball game, in the Menard Messenger by the team reporter, we are confident that the people of Menard will wake up and buy the girls there some nice New Suits, if they don't they are dead in the shell. We suggest that our friend Fred T. Neill pass around the subscription list.

We understand that C. C. Doty has been appointed sheep scab inspector for Schleicher County, and from street reports an inspector is badly needed.

Other Counties appear to be effected also, a united effort by all should be made to stamp out the scab, and especially the sheepmen.

We have some extra good work horses for sale. See us if interested. First National Bank.

The monthly meeting for the membership of the Schleicher County Chamber of Commerce will be Friday night, December 1st. If you have not yet sent in your application and dues, do so and be there Friday night with something good to offer, there is much to be done for Schleicher County.

One of the things the organization has set out to do is to secure a tourist camp ground or a park, on this proposition they expect to work in connection with the Woman's Club, this is already under way, other things have been suggested.

Let's do it now.

"Establishment of a chain of Sanatoria throughout the United States for members of the Masonic order suffering from tuberculosis—the whole enterprise to involve an estimated expenditure of \$12,500,000 for construction and the care of 5,000 sufferers with an annual expenditure of \$5,000,000 for operation will be recommended to the Masonic Grand Lodge of Texas at its annual meeting at Waco on December 5, 6 and 7 by the Tuberculosis Sanatoria Commission of the Grand Lodge of Texas, Arizona and New Mexico.

Frequent Headaches

"I suffered with chronic constipation that would bring on very severe headaches," says Mrs. Stephen H. Kincer, of R. F. D. 1, Cripple Creek, Va. "I tried different medicines and did not get relief. The headaches became very frequent. I heard of

Thedford's

BLACK-DRAUGHT

and took it for a headache, and the relief was very quick, and it was so long before I had another headache. Now I just keep the Black-Draught, and don't let myself get in that condition."

Thedford's Black-Draught (purely vegetable) has been found to relieve constipation, and by stimulating the action of the liver, when it is torpid, helps to drive many poisons out of your system. Biliousness, indigestion, headache, and similar troubles are often relieved in this way. It is the natural way. Be natural! Try Black-Draught.

Why Freight Rates Cannot Be Reduced

Railroads Under Public Control

Transportation Charges Must Stay Up Until Costs Come Down, President Storey of the Santa Fe Explains

United States Senator Capper, through his various publications, has been demanding a reduction of freight rates; but his attitude on the general subject of railroads has not blinded him to the main facts about government control, which have been clearly presented in the following editorial from one of his papers, the Topeka Daily Capital:

"The railroad cannot fix its own rates and charges.

"It cannot name the wages it will pay.

"It cannot enter into combinations and deals.

"It cannot shut down when business goes to the bad.

"It cannot buy or sell a railroad system.

"It cannot make capitalistic profits and dividends.

"It cannot even determine how much capital it shall issue on its property, or issue any without previous approval of the public.

"It is, in fact, an agency of the public, controlled completely by the government."

The fact is, rates cannot be reduced unless costs are reduced. Costs cannot be reduced so long as the present scale of wages and the prices of fuel, materials and other supplies are maintained, and in these matters the hands of the Santa Fe are tied.

What is particularly needed at this time is better transportation service, more cars, locomotives, and other facilities necessary for moving the business, and the Santa Fe is doing everything in its power to provide these.

Says Calomel Salivates and Loosens Teeth

The Very Next Dose of this Treacherous Drug may Start Trouble

You know what calomel is. It's mercury; quicksilver. Calomel is dangerous. It crashes into your bile like dynamite, cramping and sickening you. Calomel attacks the bones and should never be put into your system.

If you feel bilious, headachy, constipated and all knocked out, just go to your druggist and get a bottle of Dodson's Liver Tone for a few cents which is a harmless vegetable substitute for dangerous calomel. Take a spoonful and if it doesn't start your liver and straighten you up better and quicker than nasty calomel and without making you sick, you just go back and get your money.

Don't take calomel! It makes you sick the next day; it loses you a day's work. Dodson's Liver Tone straightens you right up and you feel great. No salts necessary. Give it to the children because it is perfectly harmless and can not salivate.
