### LIMAN WILLIAMS DIES OF PNEUMONIA

Liman Williams, son of Mr. and Mrs. T. M. William, of Ozona but for many years residents of this place, died last Monday night at San Angelo, of pneumonia and his remains were brought to Eldorado, after being

enballed by Chas Roberson Undertaker, of San Angelo Thursday, and the remains were laid to rest in the Eldorado Cemetery besides that of a sister who had preceded him several years ago. ### PRESIDENT CHARGES HE USURPED POWERS

On February 12 Robert Lansing Secretary of State, resigned at the request of President Wilson, there seems to have been a difference between these two men since before entering the war.

Mr. Lansing denies that he had sought or intended to usurp the presidential authority.

### JOE RILEY FOUND DEAD.

Joe Riley, a ranchman east of Eldorado left home Sunday February 8th to look after some traps he had set for wolves and not returning home when time for return was due some of his neighbors were called in to help hunt for him. The party spent all night in the woods Sunday but failed to locate the body until the next morning when it was found in the Bevans and Russle pastures under a large oak tree. Those visiting the scene report that death came from natural causes.

Mr. Riley was about 70 years old and has resided in Schleicher County for many years. He leaves a wife and several children to mourn his departure. The remains were laid to rest Monday night in the Eldorado Cemetery. The Success extends condolence to the bereaved relatives.

All business is strictly Cash or 30 days unless special arrangements are made. All Bills are due at end of month.

Friday February 20.

Last week The Success failed to make its appearance, as the editor and household were all in with the flu, and we were compelled to miss an issue. Help is in printing office is almost impossible to secure this far off the railroad. We are glad to be able to report back on the job again and hope we won't have to miss another issue soon.

We were not the only family in town that had flu, the doctors called on as many as 35 people each some days and nights last week.

Joe Bailey is now running for Governor, something is going to happen, the woods is going to be shelled, the boys from the forks of the creek will toss up their hats in the old fashioned way, the meeting started at Gainsville Thursday, Joe will do the shouting and the boys will do voting, if Cone Johnson would announce the game would be interesting,

Pretty weather is blessing West Texas again and helping to preserve fuel.

Only a Cold.

Are you ill? is often answered "Oh! it's only a cold," as if a cold was a matter of little consequence, but people are beginning to learn that a common cold is a matter not to be trifled with, that some of the most serious diseases start with a cold. As soon as the first indication of a cold appears take Chamberlain's Cough Remedy. Remember that the sooner you get rid of your cold the less the danger, and this remedy will help you to shrow it off.

Calomel loses you a day! You know what calomel is. It's mercury; quicksilver. Calomel is dangerous. It crashes into your bile like dynamite, cramping and sickening you. Calomel attacks the bones and should never be put into your system.

## Take "Dodson's Liver Tone" Instead!

When you feel bilious, sluggish, constipated and all knocked out and believe you need a dose of dangerous calomel, just remember that your druggist sells for a few cents a large bottle of Dodson's Liver Tone, which is entirely vegetable and pleasant to take and is a perfect substitute for

calomel. It is guaranteed to start your liver without stirring you up inside, and can not salivate. Don't take calomel! It makes you sick the next day; it loses you a day's work. Dodson's Liver Tone straightens you right up and you feel great. Give it to the children because it is perfectly harmless and doesn't gripe.

## RACING HORSE-SHOE TIRES

ALL new tires look much the same on the outside, but experience has proven them to be mighty different on the inside.

That is why many corporations are today buying tires only on performance. The makes of tire that gives the most miles per dollar get the business.

Horse-Shoe Tires are today specified exclusively by some states as well as by many of the world's largest corporations.

Thus they have "proven" their comparative merit under the severest test that could be given an automobile tire.

## Carrying a Ton a Mile for less than a Cent

Freight rates have played a very small part in the rising cost of living.

Other causes—the waste of war, under-production, credit inflation—have added dollars to the cost of the necessities of life, while freight charges have added only cents.

The average charge for hauling a ton of freight a mile is less than a cent.

A suit of clothing that sold for \$30 before the war was carried 2,265 miles by rail from Chicago to Los Angeles for 16½ cents.

Now the freight charge is 22 cents and the suit sells for \$50.

The cost of the suit has increased 20 dollars.

The freight on it has increased only 5½ cents.

Other transportation charges enter into the cost of the finished article—carrying the wool to the mills and the cloth to the tailors—but these other charges amount to but a few cents more.

The \$10 pair of shoes that used to sell for \$5 goes from the New England factory to the Florida dealer for a freight charge of 5½ cents—only one cent more than the pre-war rate.

Beef pays only two-thirds of a cent a pound freight from Chicago to New York.

American freight rates are the lowest in the world.

### EASES A COLD

### WITH ONE DOSE

"Pape's Cold Compound" then  
breaks up a cold in  
a few hours

Relief comes instantly. A dose taken  
every two hours until three doses are  
taken usually breaks up a severe cold  
and ends all the gripe misery.

The very first dose opens your clogged-  
up nostrils and the air passages in the  
head, stops nose running, relieves the  
headache, dullness, feverishness, sneez-  
ing, soreness and stiffness.

Don't stay stuffed-up! Quit blowing  
and sniffing! Clear your congested  
head! Nothing else in the world gives  
such prompt relief as "Pape's Cold Com-  
pound," which costs only a few cents at  
any drug store. It acts without anas-  
thesia, tastes nice, contains no quinine—  
Insist upon Pape's!

Bad breath, bitter taste diz-  
ziness and a general "no account"  
feeling is a sure sign of a torpid  
liver. HERBINE is the medicine  
needed. It makes the liver active  
vitalizes the blood, regulates the  
bowels and restores a fine feel-  
ing of energy and cheerfulness.

### TAKE

## CARDUI

The Woman's Tonic

"I took four bottles,"  
Mrs. Jones goes on to  
say, "and was not only  
greatly relieved, but can  
truthfully say that I have  
not a pain. . . ."

"It has now been two  
years since I took Cardui,  
and I am still in good  
health. . . I would ad-  
vise any woman or girl  
to use Cardui who is a  
sufferer from any female  
trouble."

If you suffer pain caused  
from womanly trouble, or  
if you feel the need of a  
good strengthening tonic  
to build up your run-down  
system, take the advice  
of Mrs. Jones. Try Car-

believe it will help you.

Ten thousand little victims of

of Connecticut as the result of ap-

### Cardinal Gibbons Asks Aid For Starving Armenians

This is the  
message from  
James (Cardi-  
nal) Gibbons  
read at the  
big meeting in  
Washington in  
aid of the  
Near East Rel-  
ief. The ven-  
erable primate  
of the Catholic  
Church in  
America is in-  
tensely inter-

ested in the  
appeal which  
the Near East  
Relief will make to the country in  
February for funds to support its  
work among the starving peoples of  
that stricken land. To the Wash-  
ington meeting he wrote:

"Advices and information coming  
from the Near East cannot be doubt-  
ed. There is great actual suffering  
and famine. These people, recently  
become independent and released  
from bitter thralldom, cannot sup-  
port themselves. And the Christian  
and common instincts of humanity  
which have prompted the people of  
the United States during the last  
two years to relieve the distress  
and needs, especially of the Near  
East, must not be allowed to grow  
cold and be diminished.

"I hope we shall all unite in this  
present emergency and be able to  
collect sufficient funds to enable  
these peoples to live and work until  
next summer brings them perman-  
ent relief and subsistence. I call  
upon all to respond generously to  
the appeal now being made and

### LIFT CORNS OR CALLUSES OFF.

Doesn't hurt! Lift any corn or  
callus off with fingers

Don't suffer! A tiny bottle of  
Fruzeone costs but a few cents at any  
drug store. Apply a few drops on the  
corns, calluses and "hard skin" on bot-  
tom of feet, then lift them off.  
When Fruzeone removes corns from the  
toes or calluses from the bottom of feet,  
the feet are left pink and healthy.
