Number 34

Bishop Assigns Resident Priest To Local Church

After careful consultation with diocesan personnel committee, the priests involved, and the diocesan board of consultants in the San Angelo Diocese, Bishop Stephen A. Leven last week announced many new appointments, including the designation of Eldorado for the first time as a new parish with a resident priest.

Fr. Richard Gagnon arrived here a week ago and has been busy establishing living quarters, and assuming priestly duties of Our Lady of Guadalupe Church here in Eldorado.

Sunday Mass will be celebrated at 10:00 a.m.; in addition Father Gagnon will have a Mass in English each Wednesday at 4:30 for all children of school age as well as a Mass in Spanish each Wednesday at 8:00 p.m. There will be an English Mass each Friday at 9:00 a.m. and a Spanish Mass each Saturday at 9:00 a.m.

At the present time Father is living in the church and may be contacted at his office there on Tuesday, Wednesday, and Thursday from 8:30 a.m. until 11:00 a.m.

Fr. Gagnon will also serve the Catholic churches at Mertzson and Knickerbocker.

But More Needed . . .

Finally, Some Rain!

Thunder and lightning awakened residents at about 6:00 Wednesday morning, and a shower set in that dumped about half an inch of rain on the town of Eldorado.

The firemen answered a call to grassfires at S. D. Harper's and Northern Nat. Gas, but both blazes were extinguished by the rains.

The moisture was welcomed, but of course we need more following many weeks of 100-plus temperatures, and hot, drying winds.

Reserve Seal Tickets Go On Sale This Week

Reserve Tickets for the 5 home football games will go on sale this Friday, August 21, in Guy Whitaker's office at the High School. The price of each ticket will be \$7.50 and they are to be used for all five home games.

The individual cost of this ticket will be \$1.50 per game, while reserve seats at the gate will be \$1.75. The cost of general admission at the gate will be \$1.50 for adults. Individuals who wish to take up their options on the seats they had last year, have until Tuesday, September 2 to do so. After that date, seats will be offered on the first-come first-serve basis.

Local Golf Club To Host First Tourney

The Eldorado Golf Club is hosting its first invitational golf tournament this week end, Aug. 22-23. This is a men's partnership, 54 holes, low ball. Entrance fee is \$15 per team. The field is limited to 36 teams.

Teams will be flighted from one of the three nine hole scores of Saturday. Golfers from San Angelo, Sonora, Ozona, Rankin and Eldorado have already paid entrance fees. Others wanting to enter may contact Ralph Waldron, tournament chairman, at 2491, or Jack Halbert, phone 2805.

VISIT WITH MRS. MONTGOMERY

Guests in the home of Mrs. Nan Montgomery the last several days, have been: Mrs. Billie Edmiston and children from Richardson, Texas; Mont, Dale, and Scott Montgomery from Angleton; Mrs. Joe A. Perry, two daughters and Jim Townsend, Waco; Mr. and Mrs. John Girvin from San Angelo.

Monty Montgomery recently returned from Vietnam and after a 30-day leave will be stationed in Massachusetts.

Post Script

For many years, the school year was launched with an opening day assembly for all parents of the school children and other school patrons. Now, this event has been done away with.

When the students go to school Monday morning, they will go directly to classes at 8:10. Except for students transferring in, all were pre-registered at an earlier time.

Beta Sigma Phi sorority members are collecting clothing and non-perishable food items to be sent to the Hurricane Celia victims in the Corpus Christi area.

If you have such things to donate call 2814 or take them by Tooter's Beauty Shop.

It's not news to local residents that this area has been very hot and dry for many weeks, but the July rainfall report turned in last week by Lloyd Johnson of the Soil Conservation Service made it official. For July we had a big fat zero. Also for August, now two-thirds gone, we have had about the same. Barely a trace of rain recorded here.

At least we have not had to resort to rationing of water as San Angelo has.

And with the approach of early Fall, maybe things will change for the better.

This Success issue is the final one in which we will be proposing amendments to the State Constitution. They are printed as usual for this final time on page 7.

Since they will not be voted on until the General Election in November, we urge our readers to tear out the page and put it away so that just before you go to vote next Fall, you can refresh your memory on the proposals. Most interest is expected to center on Amendment 2, which would repeal Texas' ban on open saloons and allow the sale of mixed drinks.

We were down at the Mikeska Gin Monday morning and found Kenith Homer on the job as manager, having succeeded Wayne Mikeska.

The gin workmen are tuning up the equipment for the coming 1970 season. They expect the first bale to be late this year, as it was a year ago, because the planting season started later than usual.

The firemen made three grass-fire runs recently.

Last Wednesday they were called to the lot south of Eagle Chevrolet, on South Divide.

Last Thursday they were called to the Lawrence Dannheim place north of town and on Sunday they were called to the Latin-American community.

No major damage reported.

With our subscribers: The Jack Stanford family have moved from Stillwater, Okla., to 2406 First Street, Brownwood, Tex.

"Heavily and I have enjoyed the summer in San Marcos where we have been attending graduate school at Southwest Texas State," wrote Jerry Doyle recently. They have moved back to 504 E. Florida in Pearsall, Texas 78061.

Eldorado is pleased to welcome Father Richard Gagnon to this community to serve as the first resident priest of the Catholic Church.

This speaks well for the growth of the local church and its new designation as a parish.

H. G. Smith of San Angelo brought us a few more copies of his book, "Cattle Trails To Trenches" and these are on sale for \$6.95 each at our office.

Response has been good the past week or two since the sale began, and the Success has sold several copies.

Older young people will soon be starting their annual trek to the colleges and universities of the state.

The Success is once again putting on our annual offer of nine-month subscriptions for college students. There is a handy coupon for this use on page 6.

We start these subscriptions after they are ordered and paid for, and the student is settled at school and has a mailing address established.

Sept. 4 & 5 are dates for the First Annual Amateur Rodeo. We will announce further arrangements are they are worked out.

School Doors Open Monday Morning

Administrators Report Everything In Readiness For Another School Year

C. T. HUMPHRIES
Superintendent

GUY WHITAKER
High School Principal

WALTER WALLIS
Elementary Principal

Superintendent C. T. Humphries this week released tentative faculty assignments for Eldorado Public Schools for the coming year.

School will open doors Monday morning, August 24, with classes getting under way then; however, teachers reported to work a week earlier, Monday, August 17, for In-Service Training due to the state's new 10 month work law.

There will be no assembly Monday morning for school patrons, for the first time in many years.

Buses will run at the regular time Monday morning and at 2:30 p.m., and classes will begin at 8:10 a.m. In Elementary school all students who were enrolled at the end of last school year will be pre-registered and will report to their room assignments. All new students in grades one through six are to report to Mr. Walter Wallis, Elementary Principal, for room assignment. Kindergarten students will report to the Kindergarten building across the street from High School.

In High School all students who have pre-registered will report to home rooms. Any students who have not registered will report to the High School Principal, Mr. Guy Whitaker.

Lunches will be served in the Cafeteria on the same schedule as last year. Prices for lunches will be as follows:

Kindergarten thru Sixth Grade, 35c;
Grades 7 thru 7, 45c;
Adults, 50c.

In the Elementary School tentative assignments are as follows:

Miss Judy Hardin, music.
Kindergarten, Mrs. Joann Edmiston.

First Grade, Mrs. Imogene Newport, Miss Allene Ledbetter.

Second Grade, Mrs. Billie Jones, Miss Nancy Blount.

Third Grade, Mrs. Evelyn Stigler, Miss Peggy Schrank.

Fourth Grade, Mrs. Ora Deal, Mrs. Dixie Bell.

Fifth Grade, Mrs. Imogene Edmiston, Mrs. Beth Whitaker.

Sixth Grade, Mrs. Alta Cain, Mrs. Estelle Humphries.

High School assignments are:

Mr. James Ball, Voc. Agriculture.

Mr. Sherwood Barker, Biology and Football Coach.

Mr. Jack Bell, Junior High Science and Girls Basketball Coach.

Mr. Donald Brim, Jr. High math.

Mrs. Shannon Harbor, Elementary and High School P. E.

Mr. Robert Helmers, Elementary P. E. and Junior High coach.

Miss Katherine Hill, English.

Mr. Robert Jay, Science and mathematics.

Mrs. Jean Kuykendall, English and Spanish.

Mrs. Judy Meador, librarian and social studies.

Mr. Lynn Meador, Social studies and Junior High Coach.

Mr. Wayne McDonald, Band director.

Miss Dana Ray Owens, Home ec.

Mr. Norman Roberts, social studies, P. E. & basketball coach.

Mr. Kenneth Thomas, High Sch. mathematics.

Mr. Gary Wallace, Social Studies & speech.

Mr. Doyle Williams, commercial.

Mrs. Frances Edmiston, school nurse.

Miss Blaylock Awarded Doctor of Ed. Degree

Miss Jerry Blaylock has been awarded the Doctor of Education degree from Teachers College, Columbia University, in New York City.

Dr. Blaylock, whose special field of study is teaching in Baccalaureate Programs of Nursing, took her undergraduate degree at Baylor University, Waco, Texas.

Dr. Blaylock is presently employed as Associate Professor with The University of Texas Nursing School in Austin.

Dr. Blaylock is the daughter of Mr. and Mrs. W. A. Blaylock of Eldorado.

Dr. Blaylock has had an article on pain published in Nursing Forum, a widely circulated journal in nursing.

Start Football Practice

The most boys, possibly ever, to come out for first football practice, presented themselves this past Wednesday, August 12, to Coaches Sherwood Barker, Norman Roberts, Jack Bell, Bobby Helmers, and Lynn Meador to begin conditioning exercises for the 1970 football season. These lads totaled 45. This same time in 1969 saw 35 lads out.

Seniors reporting numbered 12 and are made up of the following: Charles Adams, Jerry Baty, Victor Belman, Robert Hibbits, Roy Jones, Dobbie Lively, Jimbo Overstreet, Walter Speck, Steve Sykes, Billy Tampe, Bob Whitten, and Keith Williams.

Juniors numbered eight and are as follows: Gary Danford, Mike Mikeska, Terry Clingan, Rickie Griffin, Billy Hubble, Archie Nixon, Willie Manning, and Felipe Pena.

These sophomores reported: Hunter Henderson, Mark Bland, Len Mertz, Karl McCormack, Chris Pena, John R. Powell, John Rosford, Barry Roger, and Oscar Martinez.

Freshmen numbering 16 are making their first appearance on Eagle Field. These lads include Ken Peters, Mike Manning, Gene Nixon, Ray Lloyd, Mort Mertz, Tim Parris, Benjie Jay, Tim Edmiston, Robert Parker, Joey Jones, Garry Wester, David Yocham, Mike Nikolausk, Steve Tuckness, Mike Rieken, and Wayne Joiner.

Head Coach Sherwood Barker said that the 45 boys who reported were to his recollection the most ever out for a first workout and that there was considerable probability that others might report before school actually started. He continued that the conditioning schedule had called for two-day workouts until this past Monday,

August 17, when real "work" clothes including pads were issued and conditioning exercises began to include some mild body contact and reasonably gentle head bumping.

He went on that these increasingly vigorous workouts also call for two-day sessions but because of the heat are conducted early in the mornings and in late afternoon and early evening. These will continue until classes begin Aug. 24.

Coach Barker remarked that most of the Eagle coaching staff had attended the annual Texas High School Coaches Convention and School at Houston this year. He continued that 9A Football District was greatly honored in that Jerry Hopkins of Sonora High School had coached and won the annual exhibition game between players selected from the northern part of Texas and another team selected from the southern part of Texas.

Coach Barker remarked that the South Team had exhibited the usual Hopkins tactics by piling up a good first half lead and then presenting an impenetrable defense to turn back the desperation attacks by his northern opposition.

Coach Barker concluded that for the first time in several years, Coach Hopkins's 1970 Sonora Bronco aggregation was not picked to win District 8-A championship honors, Mason being selected by area coaches by a 3-2 vote margin.

Phillips Is Enco Distributor In Angelo

John Phillips is the Enco (Humble) distributor in San Angelo serving this area. He is a son of Mr. and Mrs. Paul Phillips of this place and is well remembered by Eldoradoans as a player on the winning football team we had back in the early 1950's, when Ted Kirby was coach.

Phillips has been here this week assisting Earl Parker in setting up his new dealership for the Enco line.

Hunting Leases Sought By C of C

Again this fall, the local Chamber of Commerce is handling the listings of available hunting leases over the county.

Any rancher with hunting leases to list, please call Buddy White, the president of the C of C.

Did You Know That--

Ninety-five years ago Company D of the Texas Rangers commanded by Captain Dan Rebets, passed near the present site of Eldorado while in hot pursuit of a band of Apache Indians.

In 1895, William L. Black, a prominent early ady rancher in this county, published a 15 page pamphlet on the "History Of The Angola Goat". Black was the first Schleicher County rancher to raise Angola Goats.

On August 22, 1901, Samuel A. Williams became Eldorado's second postmaster.

Eagle Booster Club To Meet Tonight

Pres. Billy Alan has set Thursday, August 20, at 8:00 p.m., as the first meeting for the Eagle Booster Club. The meeting will be held at the high school building. The club would like to extend an invitation to all people to attend and become a member as our club is one that supports all girls and boys sports.

We would also like to invite the Eldorado business places to join our club. We are extremely proud of these places in the past for their support.

The highlights of this meeting will be Coach Barker giving a summary of this year's football team.

Let's all plan on attending the meeting and giving our boys and girls our support.—Rep.

BSP Pledges To Receive Degree

After their period of study and completion of their test on August 13th the following pledges will receive their Ritual of Jewels Degree sometime in September: Edith Collins, Juanice Orr, Flora Hubble, Barbara Nail and Cecilia Zly.

The pledge book, "Invitation To Life" is a study of Beta Sigma Phi. Each pledge must complete the book and take the test before she is eligible for sisterhood in BSP.

Vice-Pres. Anne Doyle honored the five pledges with a "Salad n' Sandwich" supper following the exam in her home at 5:00 on Thursday. She also presented a star charm to be placed on their sorority bracelet to each new pledge as a token of friendship and sisterhood.

With Fort Worth Braves

Bob Halbert, eldest son of Mr. and Mrs. Jack Halbert, Jr. is currently with the Fort Worth Braves professional football team.

The team played in San Antonio recently and Halbert was named defensive middle linebacker of the Continental League of the Texas Division.

Hospital Notes

Patients admitted

Between Aug. 11 and 18:
Carole Simmons
C. L. Martin, Jr.
Tom Jones
Alice Kreklow
Lupe Gauna
Basilio Gauna, Jr.
Sally Heinen
Cindy Lou Heinen
Minnie Ashmore
Edgar Spencer.

Patients Discharged:

Alfred Dooley
Mary Joiner
Leo Jeffrey
Benito Ramon
Carole Simmons
Mary Ola Hall
Guy Rodriguez
C. L. Martin, Jr.
Lupe Gauna
Basilio Gauna, Jr.

Bulletin Board

EAGLE WORKOUT PERIODS:

7:00-9:00 in the mornings.
6:00-8:00 afternoons and evenings.

How The Coaches Picked The District Teams To Finish In 1970:

Mason—3 votes for first
Sonora—2 votes for first
Eldorado—1 vote for first

Menard
Bangs.

Possible Pre-Season Scrimmage Schedule:

Aug. 28: Eldorado at Winters
Sept. 4: Ballinger at Eldorado.

Important Booster Club Meeting Tonight:

Thursday, Aug. 20, at 8:00 P. M. at Eldorado High School.

Austin, Tex.—More than 2.7 million Texas students soon will be heading back to public schools.

There will be a lot of changes in store for them, although most probably will fast adjust or barely recognize the differences.

—Teachers will begin work a little earlier, and classes in some areas will start earlier.

—School year will stretch out from 175 classroom days to 180.

—Teachers will be on duty 10 more days of non-teaching work for in-service training and to help with school opening and closing.

—For 224,500 little ones, the school experience will be brand new. They are the first graders and (30,000) five-year-olds in a new state-supported kindergarten program.

—A drug education program also will be initiated, seeking an effective two-way communication between youth and adults. Utilized in the effort will be modern techniques and teaching methods which encourage students to express themselves rather than relying on lectures, preaching or moralizing.

Training of local teaching teams in 1,206 school districts is slated to start in September and October.

—Twenty-two school districts in major population and geographic areas will be pilot testing three key facets of the state's emerging plan for special education. These districts will serve as proving ground for efforts in comprehensive special education, early childhood programs for exceptional children and teaching tailored for children with language and/or learning disabilities.

Even broader changes may be in store for pupils of 16 school districts sued in federal courts at Austin and Tyler for racial segregation. Districts held conferences at Texas Education Agency last week to prepare plans for conversion to non-discriminatory systems. Plans are due to go to courts by Friday (Aug. 21). Hearings may begin Monday.

Eagle May Be Out

A Railroad Commission examiner has prepared a report recommending Missouri Pacific Railway Company be permitted to discontinue its St. Louis Eagle passenger train.

Finding came after extensive hearings in several cities. Opponents of shutting down the train have 30 days to reply and restate their case.

Eagle was one of the last three passenger trains on a regular run across the state from Texarkana to Laredo and back once a day.

MP claimed a revenue loss and asked permission to cut it off its routes.

Draft Call Up

September draft call for Texas is 704—a considerable increase from 560 in August. But no man will be ordered for induction with a random sequence number higher than 195.

Col. Charles M. Duncan, deputy state Selective Service director, said it appears unlikely the ceiling will go higher than 195 for the rest of the year. Duncan said new man-

TYPEWRITER RIBBONS, for Royal, Underwood, and Remington—available at the Success.

MEMORIAL PROGRAM

Your Memorial Gift is a fitting tribute to a loved one. This remembrance helps support the research, education and service programs of the American Cancer Society.

Memorial gift funds may be sent to your local Unit of the Society.

AMERICAN
CANCER
SOCIETY

We have the appropriate cards to send to the family and to the donor, and will send your check to the American Cancer Society in Austin.

HELEN CARLMAN
Memorial Chmn. Schleicher County

power, mainly from formerly-deferred students, helped hold the level on sequence numbers.

September quota for pre-induction physical and mental examinations is 7,171, an increase from 1,490 in August. Texas' induction quota of 704 is the state's share of a national call of 12,000 men, all for the Army.

Parks Advanced

Outstanding new Lyndon B. Johnson State Park near Stonewall, and across Ranch Road 1 from the famed LBJ Ranch, will be officially dedicated on August 29 at 2:00 p.m.

Former president will attend the festivities which include a reception and luncheon in Stonewall.

Parks and Wildlife Department also announced approval of a \$355,050 federal grant for a development project in Abilene State Park.

Funds will be matched by the state on a 50-50 basis in the \$710,000 project which includes building of a headquarters, visitors' center, campsites, a group shelter, wading pool, playground equipment, roads, and parking.

Inspection Time Again

Another auto inspection deadline is approaching for vehicles with red stickers and the large numeral "9".

These cars, warned Col. Wilson E. Speir, director of the Texas Department of Public Safety, must be reinspected before midnight September 30.

Texas now has a 12-month inspection system. Sticker in the lower left-hand corner of each automobile windshield contains a large numeral showing the month of inspection and expiration.

Speir said cars with red stickers and a number "10" must be reinspected before midnight on the last day of October, those with an "11" by the end of November and those with a "12" by Dec. 31. Fee remains at \$2, with adjustments or repairs extra if required.

Land Recovery Suit Sought

Land Commissioner Jerry Sadler has called on Atty. Gen. Crawford C. Martin to take whatever legal steps are necessary to recover lands of Calhoun County Navigation District not being used for navigation purposes.

Sadler noted that 47,000 acres were purchased by the district from the state in 1956 for \$1 an acre. In 1961, Sadler said, he refused to approve the district's application to buy additional lands, after officials admitted 20,000 acres of the original purchase were considered surplus acreage not needed for navigation purposes. Some of this land was sold, and has gone into private real estate development.

Commissioner said he urged the attorney general's office as far back as December 28, 1961, to take steps to recover the 20,000 acres for the permanent school fund but got no action. School Land Board, he related, has now requested that the land be recovered.

Grants Approved

Gov. Preston Smith has approved a federal grant for \$114,389 for operation of a family planning program for migrant farm workers in 26 Texas counties and six other states where they migrate.

Counties benefitting are Val Verde, Kinney, Uvalde, Bexar, Jim Wells, Maverick, Zavala, Dimmit, Frio, LaSalle, McMullen, Duval, Webb, Live Oak, Bee, Refugio, San Patricio, Nueces, Kleberg, Zapata, Jim Hogg, Brooks, Starr, Willacy, Hidalgo, and Cameron.

Smith also announced approval of a demonstration grant of \$72,344 to Las Colonias Del Valle Inc. in San Juan, Hidalgo County, for youth development program.

A state regional planning assistance grant of \$14,930 went to the South Plains Association of Governments (SPAG) serving 33 cities, eight special purpose governments and 11 counties.

AG Opinions

An off-duty policeman may not

conduct a private enterprise, employing other off-duty policemen or officers, to perform guard duty or patrol without securing a license, says Attorney General Martin.

In other opinions, Martin ruled that:

—An alarm agency, approved by the State Board of Insurance, may perform certain activities—send their representative to answer the alarm, furnish a key to police officers for entrance to the premises, assist the police as they may request in their check of the premises, and reset the alarm after the police have finished their work—without its personnel having obtained a license.

—Commission on Fire Protection Personnel Standards and Education has authority to hire an executive director, provided that his duties are solely administrative or ministerial, and do not call upon him to exercise discretion or judgment concerning the powers and duties required to be performed by the members of the Commission.

Short Snorts . . .

Judge Joe Frazier Brown of San Antonio, executive director of the Texas Criminal Justice Council, has been named to the national executive committee and chairman of the committee on discretionary grants for heads of state criminal justice planning agencies.

Drug use among children committed to Texas Youth Council has increased from 5 to 70% during last three years, according to new report of State Program on Drug Abuse.

South Texas groups (United Farm Workers, PASA, MAYO and Colonias del Valle) have filed suit against the governor and the Department of Public Safety, claiming they are being spied on by state police.

Mrs. Gwendolyn Craddock of Austin is new administrative technician in Texas Office of Economic Opportunity.

Don't drop out of school!

IF YOU DROP OUT

YOUR EDUCATION AND JOB

OPPORTUNITIES WILL DROP

OUT TOO!

Today, more than ever before, a high school diploma is vital if a young man or woman wants a career. In fact, it's difficult to obtain any job without completing high school. When a job is available to the non-graduate, it is often one that stops where it starts. There is little chance for advancement. Look beyond the promise of an immediate salary—look to the future and don't drop out of School!

SHE TEACHES TRUTH...

Today's teacher faces not only a room full of new faces but also a host of complex personalities . . . young people from diverse backgrounds, but with common needs. It's a great responsibility and a challenging task to mold these young minds. Sometimes a thankless position, but satisfying to those who are dedicated to the teaching profession.

The dedicated teacher recognizes this challenge, knowing that such dedication transmits to students a desire to learn, to excel, and to become better people. Our Eldorado teachers ably meet this challenge, and through them, tomorrow's citizens emerge.

We at Southwest Texas Electric Co-Op are proud of the Eldorado schools and of our area teachers, who work with inspiration and dedication to build better citizens for West Texas. We, too, are proud to have a part in the growth and development of this area.

Field Day—Plant Materials Center Knox City, Texas

A public field day will be held on September 30 at the Soil Conservation Service plant materials center at Knox City, State Conservationist Clyde W. Crum announced this week.

New grasses, forbs, legumes and other plants under evaluation at the center will be discussed during the day, Graham said. The center, known officially as the James E. "Bud" Smith Plant Materials Center, serves both Texas and Oklahoma.

Some 675 strains of 164 different plants are being grown at Knox City to try to find superior strains that will solve specific soil and water conservation problems. The more promising ones are then grown and evaluated under field conditions on farms of soil and water conservation district cooperators under a wide variety of conditions. Selections that prove superior to other strains available are then released by conservation districts to commercial seed growers. These producers then grow seed and sell it to the public.

A new grass variety, Selection 75 Kleingrass, was certified and released last year as a result of work done at the center in cooperation with the Texas Agricultural Experiment Station. Other grass strains proved and put into use by SCS include El Reno, Uvalde, and Vaughn sideoats grama; King Ranch bluestem; green sprangle-top; and Grenville switchgrass.

Some of the groups who cooperate with SCS in its plant materials work in Texas include Agricultural Research Service, Texas Agricultural Experiment Station, Texas A&M University, Texas Tech University, Prairie View A&M, Abilene Christian College, U. S. Air Force, U. S. Corps of Engineers, Texas Parks and Wildlife Dept., and soil and water conservation districts.

COUNTY AGENT'S COLUMN

by Ting Godwin

Schleicher County Agricultural Agent

As we shift from the decade of the 60's into the 70's, we find ourselves preoccupied with the condition of our environment. Our concern encompasses the physical, economic and social environment in which we live.

Suddenly, we seem caught up in a great paradox. Great smokestacks of factories, giant furnaces of steel mills, huge refineries or chemical complexes, multi-jet passenger planes and shiny new automobiles—all the things which we admire as symbols of our superior technology are, as currently operated, being recognized as major pollution sources of our air, water and soil.

Inflation and the need to provide our rapidly increasing population with the same high level of living we currently enjoy poses a challenge to our economy in the decade ahead.

Perhaps our deepest concern is over the social problems of our day. War, rapidly rising crime rates, racial values have resulted in a serious divisiveness among us.

As it is with most problems of mankind, education is the logical process by which desirable changes occur. It is the process by which we can truly "share our environment."

The above was the theme and aim of Extension agents in the logical process that will bring into focus the problems and opportunities of "shaping our environment" at a week's conference—Aug. 10-14 at College Station, Texas attended by this agent.

Yep! The decade of the 70's should be great and rather exciting.

An elephant is a mouse built according to government specifications.

Plant swapping often gives the intended beneficiary a great deal more than realized in the original bargain.

Root-Knot nematodes and a whole host of root-rots may hitch a ride on the newly acquired plants and come as an "extra bonus" with the bargain. This in turn may serve to infest a complete flower bed or an entire farm.

New plants should be carefully inspected before planting to make sure that all parts appear normal. If doubt exists, the plant should be sacrificed in the interest of protecting existing plants. Most plant disease organisms are difficult to eliminate once they become established.

Root-Knot nematodes are probably the most commonly transported plant problem. The life cycle occurs inside plant root tissues with egg, larval, and male forms present in the soil. Transport of fill

soil may also move the organism from one place to another. Once established, growers are faced with the control alternatives of using resistant plants or nematicide chemicals to reduce nematode populations in the soil.

The grower's best protection lies in being able to recognize symptoms of plant diseases and then carefully observing newly acquired plant materials. The smart gardener doesn't let plant swapping turn into a nematode and plant disease exchange.

An unwelcome guest is one of the best things going.

As late sorghum begins to bloom, producers should consider the possibility of damage by the sorghum midge. This insect is one of the most damaging pests of grain sorghum in the state. Loss estimates have exceeded \$10 million in Texas several years since 1950.

Midge control is not required where early uniform planting of grain sorghum is carried out. However, when grain sorghum is planted late, control of the sorghum midge is often needed. The sorghum midge attacks grain sorghum, sweet sorghum, johnsongrass, sudangrass, broomcorn and certain wild grasses. By mid-summer midge populations begin to reach the levels that are capable of causing economic damage in late grain fields.

Inspections should be made in sorghum fields as blooming begins. The female midge deposits eggs in individual florets during the blooming period. Once 5 or more sorghum midges are found per head, control measures are needed.

Control measures should be applied when about 50% of the heads have begun to bloom where adults are present in the field. If adults are present 3 to 5 days later, immediately apply a second treatment. Where the yield potential is high and midge are abundant, three applications may be justified at 3-day intervals.

Additional information is available at your county extension office on the sorghum midge in the form of a Fact Sheet, L 342, The Sorghum Midge and Its Control, and MP-339, Texas Guide For Controlling Insects and Mites on Corn, Sorghum and Small Grains.

It's not a cheaper car people want—it's an expensive car that costs less.

Mr. and Mrs. Jim Head and three children are new in Eldorado and are living in the Mattocks house on Field Ave. The Heads are from Wisconsin.

CARD OF THANKS

We wish to thank our many friends for their flowers and cards and expressions of sympathy following the death of our brother, Mr. At Trentham, who passed away at Big Spring August 7th, followed by burial at Hobart, Okla. J. R. Trentham and Family

In Those Days

Compiled From Success Files

ONE YEAR AGO

Aug. 21, 1969—Ed Meador resigned from the school board. Albert T. Bureson died at 76. His funeral was held here with burial at Ft. McKavett. Remodeling was going on at the clinic building to convert it to new office quarters for Atlantic-Richfield.

FIVE YEARS AGO

Aug. 19, 1965—Verna Ann Lux graduated from the nursing course at Shannon School of Nursing in San Angelo. Jane Cain and Steve Whitten were leaving for Austin to attend the Attorney General's Youth Conference on Crime. Rev. George M. Slayton of Brownwood was evangelist at a Revival getting under way at the First Baptist church. A son, William Franklin, was born to Mr. and Mrs. J. F. Cawley. A daughter was born to Mr. and Mrs. Myrl Sudduth. Mrs. C. E. Cogswell, wife of the pastor of the 1st Christian Church, returned from a stay in Clinic-Hospital.

Frank O'Banion tendered his resignation as music-education director of the First Baptist church, effective Sept. 5th. He was going to Ft. Worth to do more college work.

A big celebration was going on at Sonora in observance of the 75th anniversary of Sutton county's founding.

Mrs. Doris Logan was having her house in Glendale remodeled. Jerry Doyle accepted a teaching position in the schools at Plains.

12 YEARS AGO

Aug. 21, 1958—The 32nd annual Texas Home Demonstration meet was held in Austin and those attending from here were: Mrs. Victor Sauer, Mrs. M. H. Woodward, Mrs. Arch Edmiston, and Mrs. Leonard Lloyd. Alfred Lawrence, 32, was killed in a one-car accident three miles north of Sonora. He had lived here several years.

The Girl Scout Day Camp was getting under way at the Wagley ranch. The City Council had a public hearing coming up on the Urban Renewal plan. The First National put their new refrigerated air conditioning system into use.

Mrs. C. T. Humphries was to receive her Master of Education degree from Howard Payne at Brownwood on August 22nd. Some building was going on in the south part of town. Mikeska Gin was nearing completion, Tom Dempsey had a shop building laid out, and Lum Davis had foundation laid for his new service station.

35 YEARS AGO

Aug. 23, 1935—Coach Don Q. Adams planned to be here in the near future to start pre-season football workouts by the Eagle team.

Wiley Ratliff moved here from San Angelo to be Gulf consignee for Schleicher and Sutton counties. He and his family moved to the Cope house in the north part of town.

A. B. Grimes, former local resident, was crushed to death in a gravel pit accident near Maryneal. His funeral was held at Sweetwater.

Miss Lola Farnsworth, the Home Demonstration agent, left on a 10-day vacation trip to visit her parents, Mr. and Mrs. J. M. Farnsworth at Paint Rock and was also planning to visit in Dallas before returning here.

Wallace Davis, formerly of Eldorado, but now manager of the Palace theater in Ballinger, was married to Miss Isabel Wink Sunday evening.

Little Ted Bruton entertained with a party on his 9th birthday Aug. 17. The friends present were Baby Faye King, Elizabeth Graves, Sarah Sweatt, S. E. Jones, Ollie Alexander, Nelva June Bolt, Happy Curry, Virgil Farris, Thelma Morgan, T. P. Robinson, Jack Bruton, and Floyd and Lloyd Spurgers.

Celeste Tisdale is leaving Sept. 16 for Denton to enroll at Texas State College for Women.

Mrs. J. N. Davis announced that her daughter, Mrs. Lelah Belle Muller, was married in July to Mr. J. Gordon Bird of Andrews, Texas.

Arrangements On for Diabetes Testing

Arrangements are continuing for Diabetes Testing of local residents on Sept. 10-11-12, at the Schleicher County Medical Center.

Who Gets Diabetes? Diabetes strikes people of all ages. The prevalence of diabetes increases from about 2% at age 25 to about 20% at age 75.

Blood sugar levels tend to run a little higher in women than in men and a higher percentage of women develop diabetes than men. Two out of three diabetics in the United States are women.

High risk groups who are particularly apt to develop diabetes are: 1. Persons who are overweight. 2. Persons who are over age 40. 3. Persons who are blood relatives of diabetics. 4. Women who have delivered large babies.

Symptoms of Diabetes

The symptoms of diabetes are often vague. Sometimes it is just a feeling of being below par. Sometimes there are no symptoms at all. Thus, at its onset, persons usually do not know they have diabetes. As the diabetes progresses the person may develop some common symptoms: excessive thirst, frequent urination, extreme hunger, loss of weight, changes in vision, slow healing of cuts or bruises, intense itching, pain in the fingers and toes, drowsiness and fatigue.

Be tested in September! Mrs. Nita Darden of Stamford and Joe Hale of Midland visited here recently with Mr. and Mrs. L. Martin Sr. in the nursing home, and also with the Kinsers and other relatives. John Gilmore and Dean Day started work Wednesday morning on the front of the Success building.

Weldon Davis has returned from Quincy, Ill., where he visited the headquarters of Moorman Mfg. Co. He reports 11 inches of rain in St. Louis and saw a baseball game between the St. Louis Cardinals and San Diego Padres.

BRIDGE RESULTS For Aug. 13th: Melissa O'Harrow, Rose Doyle, 1st; Ruthie Dacy, Beverly Childers, 2nd; Carol Love, Ethel Olson, 3rd.

Thursday, 6th, results: Sara Hall, Elnora Love, 1st; Blakeways, 2nd; Diane Barfield, Bev Childers, 3rd.

Community Calendar

Aug. 20, Thursday, Eagle Booster Club meets 8:00 p.m. at the high school building.

Aug. 24, Monday, School starts with assembly at 9:00 a.m.

Aug. 26, Wednesday, Lions Club meets 12:05, Memorial Building.

Aug. 27, Thursday, Social Security man at court house, 9:30 to 11:30 a.m.

Returns From Tour

Henry Moore has returned home after attending a National Angus tour and judging seminar in Kansas and Oklahoma. The tour covered three days, Thursday, Friday, and Saturday, August 13, 14 15. On the closing day in Oklahoma Mr. Moore gave a demonstration of the freeze method of branding. He was accompanied on the trip by Jean S. Johnson of Veribest.

The firemen were called Monday evening to a grassfire at Ford Oglesby's southwest of town.

R. V. Sheppard sustained a mashed middle finger while at work last Friday. He had it treated but is still wearing a bandage.

OLSON'S LAUNDRY LAUNDROMAT AND LINEN SERVICE

Now open down town next to the Bank. Alterations Available. We do finished work. Walk-off Mats, Dust Control Mops, Towels and Rags for Rent. OPEN DAILY 7:30 to 6:00. For Pick Up and Delivery Call 853-2801.

Bill Oglesby Given M-System Scholarship

Bill Oglesby of San Angelo was recently awarded a scholarship to Angelo State University by the M-System grocery store chain with whom he is employed. He is a son of Richard and Jerry Boyles who operate an upholstery business in San Angelo, and grandson of Mrs. Bertha Oglesby of Eldorado and Mr. and Mrs. C. C. Henderson of Marble Falls.

The scholarship is awarded each year by M-System to the boy who shows the most outstanding ability and progress.

The award was presented Thursday, Aug. 6, at a luncheon for all candidates and their managers.

Final Days Set At Swimming Pool

Fred and Flora Riley announce that the county swimming pool will be open through this week and through Sunday, the 23rd. The pool will be closed the 24th thru the 27th.

The final days for the pool to be open will be the 28th, 29th, and 30th, after which time the pool will be closed until next Spring.

Tightening the purse strings? Tired of meat loaf? Try this new recipe to spark interest in penny-saving menus. Italian Herb Meat Loaf is a basic ground beef loaf with the addition of parsley flakes, oregano and basil — seasonings popular in many tasty Italian dishes. And you can be sure this meat loaf will be juicy and flavorful because quick or old fashioned oats lock in all those good natural meat juices.

Try Italian Herb Meat Loaf soon; it's especially delicious topped with your favorite tomato sauce. And the kids will really go for this pizza-flavored meat loaf!

ITALIAN HERB MEAT LOAF

Makes 8 servings 1 1/2 lb. ground beef 1/4 teaspoon pepper 3/4 cup quick or old fashioned oats, uncooked 1 cup tomato juice 2 tablespoons instant minced onion 1 egg, beaten 1/2 teaspoons salt 1 tablespoon parsley flakes 1 teaspoon oregano 1/2 teaspoon basil

Heat oven to moderate (350°F.). Combine all ingredients thoroughly. Pack firmly into an ungreased 8 1/2 x 4 1/2 x 2 1/2 inch loaf pan. Bake in a preheated oven (350°F.) about 1 hour. Let stand 5 minutes before slicing.

Nearly Two Million Expected At Six Flags By Close Of Season

Arlington, Tex.—With the tourist travel season just getting into full swing, Six Flags Over Texas has already counted its millionth guest of 1970.

The huge theme park between Dallas and Fort Worth began the year's operation April 11. The one-million mark was hit on Wednesday, July 15.

Before the Park closes for the season, November 29, the total attendance figure is expected to be near the two million mark.

Six Flags will be on daily operation through Labor Day, and then will go on a Saturday-Sunday-only schedule through closing day, November 29.

C. E. Pafford, the entertainment center's vice president and general manager, said, "We have been exceptionally pleased with the great number of out-of-state guests who have made Six Flags a part of their vacations this year." He said approximately 40% of all guests have come from outside Texas, with many coming from foreign countries.

Pafford said a sharp increase in camper travel is thought to be one of the factors in the increasing number of visitors from distant points. He said there has been a marked increase in the number of campers and camper trailers on the Six Flags parking lots this year.

Pafford said the Spring season was one of the best in the park's history. He noted that school groups from throughout the nation helped swell the crowds inside the 145-acre facility during the weeks just prior to the close of school.

A single-day attendance record was set May 16, when 34,381 persons passed through the turnstiles. Pafford said the number of guests counted thus far has substantially exceeded projections made prior to opening.

ASU Degrees To Be Awarded Aug. 22

San Angelo, Tex.—Three Eldorado students are among 133 candidates for degrees at Angelo State University this summer.

They are Norma K. Halbert, a candidate for an Associate of Science in Nursing degree, and Richard Edward Preston, II, and Gordon Dabney Schrank, both candidates for Bachelor of Science degrees.

ASU's graduation exercises are scheduled for 9:30 a.m. Saturday, Aug. 22, on the Academic Mall between the two High Rise Residence Halls. Dr. Billy Howard Amstead, president of the University of Texas of the Permian Basin, will be commencement speaker.

Mr. and Mrs. Grover Lee Johnson were here during the week end visiting her mother, Mrs. Bertha Wilson. They were on their way home to Goldsmith after a three-week vacation trip to Cheyenne, Wyoming; Colorado, the Dakotas, and Kansas. They also visited with friends in Dallas. They were accompanied on part of their trip by the Applegate family of Illinois.

PAR-TEE

Excitement over our first invitational tournament to be played Saturday and Sunday is certainly mounting. Qualifying rounds (27 holes) will be played Saturday—you make up your own game—no specified teeing time. One of Saturday's 9 hole scores will be used to flight teams, but all 27 holes will be counted for total score. Flights and pairings for Sunday's Shot Gun Start will be posted Saturday night.

As of today (Tues.) we have 22 local players signed up. Some of them have out of town partners—such as Bob Bland is playing with Wayman Burns; Jack Hannes is paired with Squibb Carruthers; Ronnie Sauer and Lowell Wilks have teamed up. The championship flight may turn in some record breaking scores as George Finley and Ron Laidley and the Wardlaw Brothers tour the course. Our local boys may have to put forth an extra effort to make the championship flight—but we know you can do it boys!

We still are not at capacity for the tournament so any of you interested in playing get your name in the pot. We have several local teams participating that have not played tournament golf before. We do thank you guys for "jumping in" and helping make this tournament a success. W. L. Kinser has talked to so many players that I think he can just barely whisper now. Kinser is paired with A. G. McCormack for the tournament. Others taking the plunge for the first time are Eldon Calk-T. Short; Penfield Barker-E. C. Peters; Pat Enoch-Pat Wester (I believe Pat Wester played in the West Texas Utilities tournament in Abilene—so he is a veteran); Ronnie Sauer-Lowell Wilks.

The women golfers are playing at 8:30 on Thursday mornings. Melissa O'Harrow has charge of the special play for this Thursday morning so let's all make a special effort to participate.

We want to especially thank Howard Derrick, W. L. Kinser, Geo. Finley, Jack Hext and Ralph Waldron for the goats for the Barbecue Saturday night. These generous contributions are appreciated and certainly help to make a tournament more successful.

We all are missing the Wilson Humphrey family at the golf course since their return home to Singapore. It was certainly a pleasure to have them participate in activities at the local club.

We are glad to have John Garlington playing the course as well as Nick Andrews. John and Nick are each visiting their families (the Gordon Garlingtons, Jr., and the Curtis Andrews) before enrolling in college this fall.

Congratulations to Dot Ratliff for winning the First Flight in the Sonora Women's Club Championship tournament. Sammie Espy is the new Club Champion in Sonora.

Miss Robinson Named To Baylor Dean's List

Waco, Texas.—Academic achievement of 492 Baylor University students has been recognized with the inclusion of their names on the university's Dean's List and Dean's Distinguished List.

Dean of Instruction George M. Smith released the names of those students who were selected for recognition during the 1970 spring semester.

From Eldorado, Kathy Ann Robinson, daughter of Mr. and Mrs. T. P. Robinson, Jr., earned a 4.00 rating, or straight A. She is a Journalism-speech major, and is a Sophomore this coming year.

Mr. and Mrs. Ken Richardson and Gav Lynn met Danny Richardson Saturday in Midland upon his return from Fort Ord, California, where he spent the past four months in National Guard training.

Miss O'Harrow Bride Of Jimmy Mercer

The First Baptist Church was the setting for the marriage of Carolyn O'Harrow, daughter of Pat O'Harrow, granddaughter of Mr. and Mrs. Van O'Harrow, to Jimmy Mercer, son of Mr. and Mrs. Harry Mercer Saturday evening. The vows were solemnized by Steven Mercer, brother of the groom, assisted by Rev. Kenneth Vaughan in a setting of yellow gladioli and candlelight.

Wedding music was presented by Mrs. Evelyn Stigler, organist. Soloist Danny Boyer was accompanied by Tommy Welk of Melvin and San Angelo.

Buddy Calk was best man and Allen Corbell served as groomsman. Ushers, both Howard Payne College friends of the groom, were Don Hancock of Freer, and Randy Crosland of Haltom City. Ft. Worth Candles were lighted by Randall O'Harrow, the bride's brother, and Mark Calk.

Miss Kay Mann of Okla. City, maid of honor, was dressed in yellow and Mrs. Darrel Mason of Hobbs, N. M., wore an identical dress in blue. They carried nosegays of yellow and blue flowers.

The bride's formal gown, designed and made by her great-aunt, Mrs. G. S. Cathey of San Angelo, was of white silk organza over brocade, featuring scooped neckline, long fitted sleeves, Empire waistline and softly gathered skirt. The dress was appliqued with Chantilly lace which also edged the chapel length train. The bridal bouquet was yellow roses centered with a glabella; she also carried two long stemmed yellow roses, one she presented to her grandmother immediately before the ceremony began and the other to the groom's mother after the vows were made.

Serving in the houseparty for the reception in the church basement were Mrs. Joe Logsdon of Clarksville, Tenn.; Mrs. G. S. Cathey, Mrs. Sam Rountree and Mrs. Jerry Wooten of San Angelo, Miss Sue Ann Morris, Miss Vicki Preston, Miss Gene Newport and Mrs. B. L. Blakeway, all of Eldorado.

The bride, a 1970 graduate of Eldorado High School, was salutatorian of her graduating class, a member of the National Honor Society, band president and band sweetheart. She will be a freshman at Howard Payne College this fall.

The groom, salutatorian of the 1969 Eldorado High School graduating class, is a sophomore at Howard Payne where he is a member of the Yellow Jacket Band, a member of Phi Mu Alpha fraternity and Gamma Beta Phi National Honor Society.

For her wedding trip the bride chose a two piece suit of orchid and white cotton.

Mr. and Mrs. Mercer will be at home in Brownwood.

Out of town guests at the wedding were: Rex Galloway, Fort Worth; Miss Patricia Mann, Oklahoma City; Miss Marlene Ballard, and Mrs. Jimmy Ballard of Hobbs, New Mexico; Miss Bunny Lester, Colorado City; Mrs. Joe Logsdon, Clarksville, Tenn.; Mrs. Roy Shilling Sr., San Antonio; Mrs. Johnnie Gibbs, Victoria; Dr. and Mrs. H. W. Van Cleave and Diana of Texas A&M and College Station; Mr. and Mrs. Lester Smith, Sunray; and Mr. Jack Halbert Sr., of Tow, Tex. And Miss Sue Green, Mrs. Allen Bishop, Mr. and Mrs. Jerry Wooten, Mrs. Sam Rountree, Mr. and Mrs. C. L. Hall and Sherril and Christy, Mr. and Mrs. Durward Rutland, and Lynn and Craig, Mr. and Mrs. Bill Sharkey and George, Mr. and Mrs. John D. Stanton and family and Mr. and Mrs. John Stanton and baby, all of San Angelo.

Prior to her marriage Mrs. Mercer was honored with a shower in the Bob Sykes home with Mrs. T. P. Robinson, Mrs. Joe Griffin, Mrs. Damon Wagoner, Mrs. Earl Yates, Mrs. Carroll Ratliff, Mrs. Evelyn Stigler, Mrs. Kenneth Doyle, Mrs. E. L. Carlman, Mrs. Clovis Taylor and Mrs. Delbert Taylor. She was also honored with a

kitchen shower in the H. G. White home, Mrs. White hostess, with classmates and school friends as invited guests.

Miss Shelton In Brady After Brother's Funeral

Miss Jewel Shelton was called to El Paso July 30 to the funeral of her brother, Brig Gen. (retired) Quinton Shelton, who was buried there Aug. 3rd. Gen. Shelton's survivors include a son, Lt. Col. Quinton Shelton and two grandsons. Miss Shelton returned to San Angelo Aug. 10, and moved to Brady Aug. 14 to a duplex owned by the Carrol Whites.

Miss Shelton was a teacher and librarian in the Eldorado schools for many years before her retirement. Her mailing address is now: Miss Jewel A. Shelton 104 East 5th Street Brady, Texas 76825

New Vehicles For Month Of July

A son, named Basilio Perez Gauna Jr., was born to Mr. and Mrs. Basilio Perez Gauna at Schleicher County Medical Center at 1:25 a. m., August 15, 1970. Weight of the baby was 7 lbs. 4 oz.

Mrs. B. O. Bridgeman has been visiting her sons in Midland for the past week.

Mr. and Mrs. Johnny Hamm have moved in from the cemetery caretaker's house to the Hignight house here in town.

Mrs. Thelma Childers has returned after a weeks's visit with her family. At Cameron she visited Mr. and Mrs. K. G. Willy and new daughter, at Carrollton with the C. W. Sudduths, and in Dallas with her sons, David and Pat. Her other daughter, the J. W. Phillips family, returned recently to their home at Los Alamos, New Mexico.

Kenith Homer and family have moved back to Eldorado and he is now manager of Mikeska Gin.

Gill Reports Fisher Performance Record Drops Again

San Antonio, Tex.—Republican Congressional candidate Dick Gill today released the second in a series of box score reports on the performance of his opponent, Ovie Clark Fisher, and noted that the report reflected an even further drop in Mr. Fisher's 28-year record of lack of accomplishment.

"At the date of my last report," Gill said, "Mr. Fisher had a career batting average of .023; that average has now dropped off to .022. Basically, this means that Mr. Fisher is becoming less effective the longer he stays in Congress. He can be expected to get his job done just over 2% of the time."

Gill also took the occasion to point out a number of inaccuracies in Mr. Fisher's own claims of accomplishment. Among them: —The Amistad Dam, for which Mr. Fisher takes credit, was authorized by legislation sponsored by former Texas Rep. Joe Kilgore.

—The San Angelo Reclamation Project, claimed by Mr. Fisher as being his work, was authorized by a bill sponsored by Sen. Lyndon Baines Johnson.

—The National Wool Act of 1954, for which Mr. Fisher takes credit, was in fact part of the 1954 Agriculture Act which was sponsored by Kansas Rep. Clifford L. Hope. (Mr. Fisher did introduce one amendment to the section of the Act dealing with wool, but it was defeated.)

—The Anti-Smut Mail bill, recently passed by the House and claimed as his own by Mr. Fisher, was in reality a bi-partisan bill sponsored by 24 members of the House Post Office Committee—none of whom were named Fisher.

"Considering his pitiful record of ineffectiveness, I can imagine why Mr. Fisher would feel it necessary to 'pad' his account," Gill concluded. "But the day is long gone when Mr. Fisher can get away with it. The 600,000 Texans who live in the 21st District have been saddled with ineffective representation for too many years—28 years too many—and in November, they are going to demand the active, effective voice in Washington they deserve and need."

McGinnes Reunion Held At Christoval

The past week end, the annual McGinnes family reunion was held at Christoval Park with the usual large crowd of relatives and friends in attendance.

Attending from Eldorado were Mr. and Mrs. Elton McGinnes, Mr. and Mrs. Sam McGinnes, and Mrs. L. T. Wilson.

Army Sgt. Wayne McGinnes was also on hand. He is still undergoing treatments at Brooke army hospital in San Antonio. He is now at home on a two weeks leave.

Calf Creek Homecoming Set For September 6th

The Annual Calf Creek Homecoming will be held Sunday, Sept. 6th, at Richards Park in Brady. Bring a basket lunch and come!

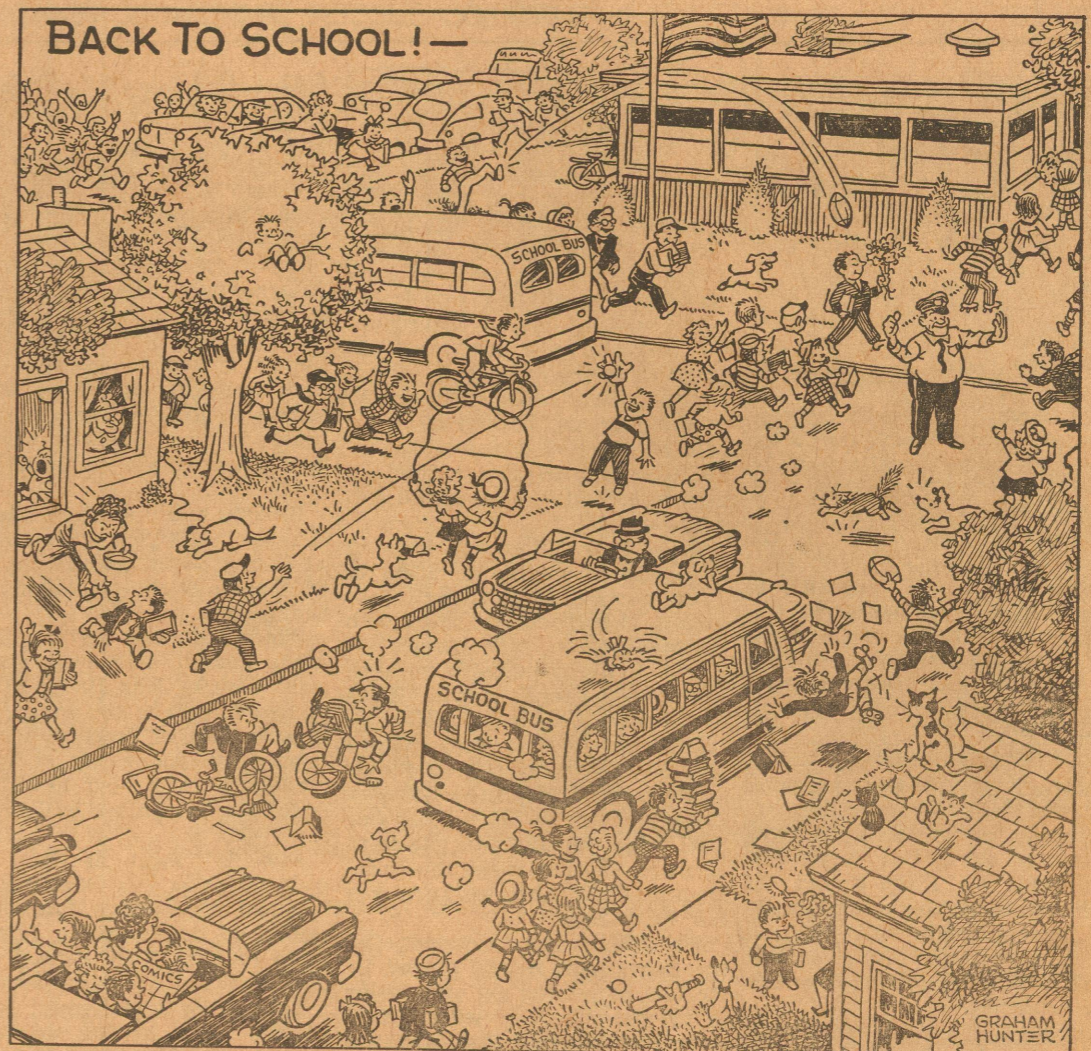

The Calf Creek Cemetery Association reports \$927.25 in Treasury for Chain Link fence for Cemetery. Goal is \$1600.

There will be a Cemetery Working Saturday, August 22nd. The greatest need is dirt hauled to fill in graves. —Mrs. John Bradshaw, Secretary and Treasurer.

Visiting Miss Jewel Shelton in Brady Sunday afternoon were Mrs. F. M. Bradley, Mrs. R. F. Frost and Mrs. R. L. Ballew. Miss Shelton had moved to Brady only the day before, and now lives at 104 East 5th Street.

Attending the Mitchell, Finlay & Bradley family reunion at Richards Park in Brady on Sunday, August 16th, were Mrs. F. M. Bradley, Mrs. Robt. F. Frost, Mrs. R. L. Ballew and Mrs. E. Otto Williams.

To Bus Or Not To Bus Question Brought Out By HEW

By O. CLARK FISHER
U. S. Representative
21st Congressional District

To Bus Or Not To Bus—That is the question. The integrity of the neighborhood school—with freedom of choice of parents to send children to local schools—is directly involved.

That issue has popped up afresh by an invasion of HEW and Department of Justice functionaries, threatening lawsuits.

Under the equal protection of the law provision of the Constitution, the Supreme Court decided in 1954 that state segregation laws were invalid. In simple terms that meant a child could not be denied admission to any public school because of race.

In 1955 the Congress directed that children shall not be assigned to a particular school "in order to overcome racial imbalance."

But the new President's Secretary of HEW, Robert Finch, seemed to think—and act—otherwise. He insisted on policies which in order to comply would force cross-busing, solely for the purpose of obtaining a better mixture of races.

Finch carried his battle to the Senate on two or three occasions, successfully opposing the House-approved riders to annual HEW appropriations bills which again spelled out in clear and positive terms that Congress opposed policies which would compel school districts to bus in order to get federal school aid funds.

In the face of that, Vice President Agnew spoke out against busing, the headline saying: "Agnew

Opposes Busing for Racial Balance.

The next day (Sept. 13, 1969) another headline announced that: "White House Backs Agnew on Busing."

And now, after all this, HEW and the Department of Justice are threatening lawsuits against school districts which practice no segregation whatever—solely because there is not enough mixture in races in certain schools to suit the fancy of HEW braintrusters.

This is really not a civil rights issue at all. The anti-neighborhood school policy adversely affects parents and children of all races alike. The simple solution would be: Allow parents of any race to send their children to their own local neighborhood school if they choose to do so.

One tragic aspect of federal lawsuits against schools is that it forces local districts, already hard-pressed for money to educate children, to divert substantial amounts for use in defending such litigation.

Lt. Bosmans Completes Army Helicopter Course

Ft. Wolters, Texas—(AHTNC)—Army Second Lieutenant Jessie J. Bosmans, son of Mr. and Mrs. Manuel Bosmans of Eldorado, Texas, recently completed a 16-week helicopter pilot course at the Army Primary Helicopter School, Fort Wolters, Texas.

During the course, he was trained to fly Army helicopters and learned to use them in tactical maneuvers.

He will next undergo advanced flight training at the Army Aviation School, Ft. Rucker, Alabama. His wife, Rosita, is with him in Texas.

Oil News

New oil was being swabbed at the rate of one barrel per hour from the Canyon lime through perforations at 4,651 to 4,619 feet in Fortune Drilling Corp., San Angelo, No. 1 Robinson, section 52, block I, GH&SA survey, a northeastern Schleicher County wildcat drilled by McClure Oil Co., Alma, Mich., to 5,575 feet and later taken over by Fortune Drilling. It is 14 miles northeast of Eldorado and 1 1/4 miles west of dual Canyon sand and Strawn gas production in the Otto area.

A location northeast extension and third Canyon sand oil producer has been indicated in the West Velrex pool of Schleicher at Tucker Drilling Co., Inc., San Angelo, No. 1-A Ruby D. Fowler, section 34, HE&WT survey, 15 miles northwest of Eldorado. A two-hour drillstem test at 6,819 to 6,836 feet surfaced gas in 27 minutes and returned 140 feet of 40 gravity oil, plus 40 feet of oil-cut mud. Drilling continued below 6,836 feet.

Constitutional Amendments For General Election Ballot

PUBLIC NOTICE
Proposed **CONSTITUTIONAL AMENDMENT**
NUMBER ONE ON THE BALLOT (HJR30)
General Election Nov. 3, 1970

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:
Section 1. That Subsections (5), (6), (7), (8), (9), (11), (12), and (13), Section 1-a, Article V, Constitution of the State of Texas, be amended to read as follows:
“(5) The Commission may hold its meetings, hearings and other proceedings at such times and places as it shall determine but shall meet at Austin at least once each year. It shall annually select one of its members as Chairman. A quorum shall consist of five (5) members. Proceedings shall be by majority vote of those present, except that recommendations for retirement, censure, or removal of any person holding an office named in Paragraph A of Subsection (6) of this Section shall be by affirmative vote of at least five (5) members.
“(6) A. Any Justice or Judge of the Appellate Courts and District and Criminal District Courts, any County Judge, and any Judge of a County Court at Law, a Court of Domestic Relations, a Juvenile Court, a Probate Court, or a Corporation or Municipal Court, and any Justice of the Peace, and any Judge or presiding officer of any special court created by the Legislature as provided in Section 1, Article V, of this Constitution, may, subject to the other provisions hereof, be removed from office for willful or persistent conduct, which is clearly inconsistent with the proper performance of his said duties or casts public discredit upon the judiciary or administration of justice; or any person holding such office may be censured, in lieu of removal from office, under procedures provided for by the Legislature.
“B. Any person holding an office named in Paragraph A of this subsection who is eligible for retirement benefits under the laws of this state providing for judicial retirement may be involuntarily retired, and any person holding an office named in that paragraph who is not eligible for retirement benefits under such laws may be removed from office, for disability seriously interfering with the performance of his duties, which is, or is likely to become, permanent in nature.
“(7) The Commission shall keep itself informed as fully as may be of circumstances relating to the misconduct or disability of particular persons holding an office named in Paragraph A of Subsection (6) of this Section, receive complaints or reports, formal or informal, from any source in this behalf and make such preliminary investigations as it may determine. Its orders for the attendance or testimony of witnesses or for the production of documents at any hearing or investigation shall be enforceable by contempt proceedings in the District Court.
“(8) After such investigation as it deems necessary, the Commission may in its discretion issue a private reprimand, or if the Commission determines that the situation merits such action, it may order a hearing to be held before it concerning the removal or retirement of a person holding an office named in Paragraph A of Subsection (6) of this Section, or it may in its discretion request the Supreme Court to appoint an active or retired District Judge or Justice of a Court of Civil Appeals as a Master to hear and take evidence in any such matter, and to report thereon to the Commission. If, after hearing, or after considering the record and report of a Master, the Commission finds good cause therefor, it shall issue an order of public censure or it shall recommend to the Supreme Court the removal, or retirement, as the case may be, of the person in question holding an office named in Paragraph A of Subsection (6) of this Section and shall thereupon file with the Clerk of the Supreme Court the entire record before the Commission.
“(9) The Supreme Court shall review the record of the proceedings on the law and facts and in its discretion may, for good cause shown, permit the introduction of additional evidence and shall order public censure, retirement or removal, as it finds just and proper, or wholly reject the

recommendation. Upon an order for involuntary retirement for disability or an order for removal, the office in question shall become vacant. The rights of an incumbent so retired to retirement benefits shall be the same as if his retirement had been voluntary.”
“(11) The Supreme Court shall by rule provide for the procedure before the Commission, Masters and the Supreme Court. Such rule shall afford to any person holding an office named in Paragraph A of Subsection (6) of this Section, against whom a proceeding is instituted to cause his retirement or removal, due process of law for the procedure before the Commission, Masters and the Supreme Court in the same manner that any person whose property rights are in jeopardy in an adjudicatory proceeding is entitled to due process of law, regardless of whether or not the interest of the person holding an office named in Paragraph A of Subsection (6) of this Section in remaining in active status is considered to be a right or a privilege. Due process shall include the right to notice, counsel, hearing, confrontation of his accusers, and all such other incidents of due process as are ordinarily available in proceedings whether or not misfeasance is charged, upon proof of which a penalty may be imposed.
“(12) No person holding an office named in Paragraph A of Subsection (6) of this Section shall sit as a member of the Commission or Supreme Court in any proceeding involving his own retirement or removal.
“(13) This Section 1-a is alternative to and cumulative of, the methods of removal of persons holding an office named in Paragraph A of Subsection (6) of this Section provided elsewhere in this Constitution.”
Sec. 2. The foregoing constitutional amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on the first Tuesday after the first Monday in November, 1970, at which election the ballots shall be printed to provide for voting for or against the proposition: “The constitutional amendment relating to the removal, retirement, or censure of Justices, Judges, and Justices of Peace under prescribed circumstances.”

PUBLIC NOTICE
Proposed **CONSTITUTIONAL AMENDMENT**
NUMBER TWO ON THE BALLOT (SJR10)
General Election Nov. 3, 1970

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:
Section 1. That Subsection (a), Section 20, Article XVI, Constitution of the State of Texas, be amended to read as follows:
“(a) The Legislature shall have the power to enact a Mixed Beverage Law regulating the sale of mixed alcoholic beverages on a local option election basis. The Legislature shall also have the power to regulate the manufacture, sale, possession and transportation of intoxicating liquors, including the power to establish a State Monopoly on the sale of distilled liquors.”

“(Should the Legislature enact any enabling laws in anticipation of this amendment, no such law shall be void by reason of its anticipatory nature.”
Sec. 2. The foregoing constitutional amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on November 3, 1970, at which election the ballots shall be printed to provide for voting for or against the proposition:
“Repeal of the prohibition against open saloons found in Section 20, Article XVI of the Constitution of the State of Texas.”

PUBLIC NOTICE
Proposed **CONSTITUTIONAL AMENDMENT**
NUMBER THREE ON THE BALLOT (SJR15)
General Election Nov. 3, 1970

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:
Section 1. That Section 1-d, Article VIII, Constitution of the State of Texas, be amended to read as follows:
“Section 1-d. The Legislature shall have the power to provide by law for the establishment of a uniform method of assessment of ranch, farm and forest lands, which shall be based upon the capability of such lands to support the raising of livestock and/or to produce farm and forest crops rather than upon the value of such lands and the crop growing thereon.”
Sec. 2. The foregoing constitutional amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on the first Tuesday after the first Monday in November, 1970, at which election the ballots shall be printed to provide for voting for or against the proposition:
“The constitutional amendment to provide by law for the establishment of a uniform method of assessment of ranch, farm and forest lands, which shall be based upon the capability of such lands to support the raising of livestock and/or to produce farm and forest crops.”

roads and turnpikes, or in aid thereof.
“(c) Notwithstanding the provisions of Subsection (b) of this Section, bonds may be issued by any county in an amount not to exceed one-fourth of the assessed valuation of the real property in the county, for the construction, maintenance, and operation of macadamized, graveled, or paved roads and turnpikes, or in aid thereof, upon a vote of a majority of the resident property taxpayers voting thereon who are qualified electors of the county, and without the necessity of further or amendatory legislation. The county may levy and collect taxes to pay the interest on the bonds as it becomes due and to provide a sinking fund for redemption of the bonds.”
Sec. 2. The foregoing constitutional amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on the first Tuesday after the first Monday in November, 1970, at which election the ballots shall be printed to provide for voting for or against the proposition: “The constitutional amendment authorizing any county, on the vote of a majority of its qualified property taxpaying electors, to issue road bonds in an amount not to exceed one-fourth of the assessed valuation of the real property in the county.”

PUBLIC NOTICE
Proposed **CONSTITUTIONAL AMENDMENT**
NUMBER FIVE ON THE BALLOT (HJR28)
General Election Nov. 3, 1970

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:
Section 1. That Section 52, Article III, Constitution of the State of Texas, be amended to read as follows:
“Section 52. (a) Except as otherwise provided by this section, the Legislature shall have no power to authorize any county, city, town or other political corporation or subdivision of the State to lend its credit or to grant public money or thing of value in aid of, or to any individual, association or corporation whatsoever, or to become a stockholder in such corporation, association or company.
“(b) Under Legislative provision, any county, any political subdivision of a county, any number of adjoining counties, or any political subdivision of the State, or any defined district now or hereafter to be described and defined within the State of Texas, and which may or may not include towns, villages or municipal corporations, upon a vote of two-thirds majority of the resident property taxpayers voting thereon who are qualified electors of such district or territory to be affected thereby, in addition to all other debts, may issue bonds or otherwise lend its credit in any amount not to exceed one-fourth of the assessed valuation of the real property of such district or territory, except that the total bonded indebtedness of any city or town shall never exceed the limits imposed by other provisions of this Constitution, and levy and collect taxes to pay the interest thereon and provide a sinking fund for the redemption thereof, as the Legislature may authorize, and in such manner as it may authorize the same, for the following purposes to wit:
“(1) The improvement of rivers, creeks, and streams to prevent overflows, and to permit of navigation thereof, or irrigation thereof, or in aid of such purposes.
“(2) The construction and maintenance of pools, lakes, reservoirs, dams, canals and waterways for the purposes of irrigation, drainage or navigation, or in aid thereof.
“(3) The construction, maintenance and operation of macadamized, graveled or paved

PUBLIC NOTICE
Proposed **CONSTITUTIONAL AMENDMENT**
General Election Nov. 3, 1970
NUMBER FOUR ON THE BALLOT (HJR15)

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:
Section 1. That Article III, Section 51-b, Subsection (a), Constitution of the State of Texas, be amended to read as follows:
“(a) The State Building Commission is created and succeeds to the powers and duties heretofore vested in the agency of the same name by this Constitution and to the powers and duties the Legislature has vested or may vest in the Commission. Its membership shall consist of three Texas citizens appointed by the Governor with the advice and consent of the Senate. The term of each member shall be six years except in the first appointments to the Commission the Governor shall appoint one member for two

years, one for four years, one for six years, and thereafter one member biennially. The Governor shall biennially designate one member as Chairman. Vacancies in the Commission shall be filled by appointment by the Governor for the unexpired term. The provisions of this paragraph shall be self-enacting.”
Sec. 2. The foregoing constitutional amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on the first Tuesday after the first Monday in November, 1970, at which election the ballots shall be printed to provide for voting for or against the proposition: “The constitutional amendment reconstituting the State Building Commission as a three-member appointive commission.”

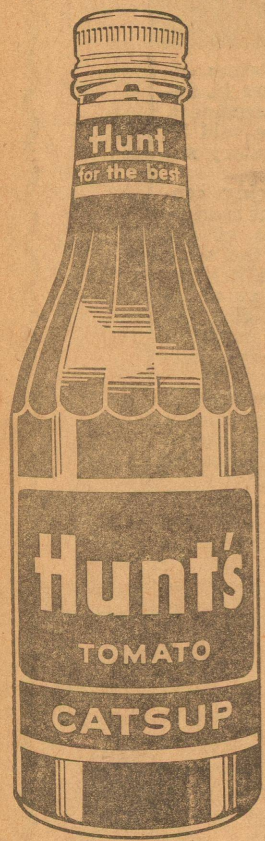

PUBLIC NOTICE
Proposed **CONSTITUTIONAL AMENDMENT**
NUMBER SIX ON THE BALLOT (SJR32)
General Election Nov. 3, 1970

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:
Section 1. That Section 51, Article XVI, Constitution of the State of Texas be amended to read as follows:
“Section 51. The homestead, not in a town or city, shall consist of not more than two hundred acres of land, which may be in one or more parcels, with the improvements thereon; the homestead in a city, town or village, shall consist of lot, or lots, not to exceed in value Ten Thousand Dollars, at the time of their designation as the homestead, without reference to the value of any improvements thereon; provided, that the same shall be used for the purposes of a

PUBLIC NOTICE
Proposed **CONSTITUTIONAL AMENDMENT**
NUMBER SEVEN ON THE BALLOT (HJR 22)
General Election Nov. 3, 1970

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:
Section 1. That Subsection (a), Section 64, Article III, of the Texas Constitution, be amended to read as follows:
“Section 64. (a) The Legislature may by special statute provide for consolidation of governmental offices and functions of government of any one or more political subdivisions comprising or located within any county. Any such statute shall require an election to be held within the political subdivisions affected thereby with approval by a majority of the voters in each of these subdivisions, under such terms and conditions as the Legislature may require.”
Sec. 2. The foregoing constitutional amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on the first Tuesday after the first Monday in November, 1970, at which election the ballots shall be printed to provide for voting for or against the proposition: “The constitutional amendment authorizing the Legislature to provide for consolidating governmental offices and functions and allowing political subdivisions to contract for performance of governmental functions in any county.”
