J. B. Murrah passed through our city Saturday in route to his ranch in Val Verde county. Mr. Murrah had been to San Angelo after some supplies, and spent Friday night with his mother and father in our city.

The San Angelo Press-News has again gotten its business affairs straitened out and the Sunday morning paper carried a good line of ads, that shows that the business men of San Angelo wish the paper to live on.

A SCHLEICHER COUNTY STOCKFARM MAKES OVER \$1,700 IN ONE SEASON.

E. A. Nail, one of Schleicher's prosperous stockfarmers, tells us that he made on his 640 acres stockfarm above all expenses and a living something over \$1,700 in cash. Mr. Nail paid \$1,700 on his place and this amount came from the proceeds of his farm. If every section of land in the Grand Domain of Schleicher, had a farmer on it like Mr. Nail, this county would be many times better off. Mr. Nail tells us that he has as much stock or more than he had a year ago, and in better shape in every way. We are now writing this for an advertisement to sell the Nail farm, for we don't believe the farm is for sale, but we wish to let the outside world know where the Garden of Eden is, there are many other places that has done equally as well as Mr. Nail's farm, and there is lots of good land that is to day used for grazing purposes that should be in a farm in this county. The Nail Stockfarm is two miles out east of town, and will probably be worth \$40 per acre in a few more years.

BIG HEREFORD SALE.

In this issue of THE SUCCESS will be found an add, inviting you to come to Brady on Monday, March 22nd, to a big Registered Hereford sale, given by Boog-Scott Brothers and Babington, of Coleman, Texas, also Lee Brothers of San Angelo will have a bunch of bulls ready for service. If you are interested in the stock business you should attend this sale as neither of the above named herds need any introduction to the stockraisers of West Texas, don't for get the date.

A. H. Schuesler who ranches about 20 miles east of town on the Fort McKave't road was in the city Saturday shaking hands

A CHRISTOVAL CITIZEN, 93 YEARS OF AGE AND STILL ABLE TO DO WORK.

W. S. Crawford, the father of Mrs. D. Q. McCarty of San Angelo, did on March 11th 1909 celebrate his 93 birth day. Mr. Crawford was born on March 11th 1816 in the State of Indiana in which state he resided until 1850 when he went to California and spent two years, from there he moved to Missouri. In 1854 he joined with the Christian Church, to do the work of a Christian, which he has faithfully preformed and there he remained until he came to Texas about 7 or 8 years ago and came to his son William Crawford where he has made scores of friends. He was seen on the morning of March 5th 1909 in the yard of his son's chopping wood, he is full of life and energy and still able to do light work. Grandpa Crawford lives with his son at Christoval who is Postmaster and a merchant of Christoval and is widely known through this portion of Texas.

J. P. HODGES BUY'S A HOME.

J. P. Hodges was in the city Saturday and reports buying 320 acres of land from J. E. Eates at \$150 per acre bonus, the land joins the O. A. Rice land and Mr. Hodges will fence same in the Rice pasture. We predicted when Mr. Hodges went on a western trip prospecting that he would return to old Schleicher and buy a home, and we are glad to say he has at last bought some property in the best county in Texas, and again we say, Oh! Where, Oh! Where, is her equal. Our answer is not in Texas.

B. J. Montgomery was in from his ranch in the Rudd neighborhood Saturday, and was initiated into the mysteries of woodcraft Saturday night at the regular meeting of the Eldorado Camp.

Letter to FORD & WEST Eldorado, Texas.

Dear Sirs: A few years ago a New York dailly got-up a great agitation for dollars gas, and got it. The State passed the law, and the people liked it, of course, till the bills came-in. The bills were bigger, not less; the law didn't say what the gas should be.
The price of a gallon of honest paint is \$1.75; but there's "paint" all the way from 35 cents to \$1.75. A popular price is \$1.25; there scores of "paints" at that price. Like dollar gas.
If \$1.75 is the price of a gallon of honest paint, you may be quite sure there are scores of "paints" at all prices from that down, with paint enough in them to pass for paint. And what are you going to do about it?
It takes from \$2 to \$4 a gallon to pay the painter for doing his work. Is it worth while to pay \$2 to \$4 a gallon for brushing-on paint that whitewash.
No; the expense of that extra and useless labor makes counterfeited paint cost more than true.
The remedy is Devoo. There are eight honest paints; Devoo is the strongest one of the eight.
Yours truly
F. W. Devoo & Co.
P. S. I. H. Elder & Son sell our paint.

A merchant doesn't realize who reads their advertisement until they advertise some goods that they expect on a wagon the day the paper comes out, and the goods doesn't come, T. L. Benson Co's. shoes did not reach the city as soon as expected, as they were advertised to be in on Friday last, those who were needing shoes rushed to the store on the day the shoes were to be opened only to be told that the big shipment of shoes had not arrived, the shoes reached our city on Monday however and we presume that the advertisement will yet bring results.

To The Success.

I must tell you about the school we are going to have. We are in the Mertzon Independent District and have voted to issue bonds to the amount of \$20,000, to build school houses and repair old one. We wish to build up the country and we know of no better means of doing it. A man will stop and stay in a place if it has a good school when he would not for any thing else.

J. L. Stuard who is employed by the W. H. Bachelor Auto, Co. of San Angelo, past here on a new auto which he was taking to parties in Ozona, the writer had a very pleasant trip from Sherwood to Monument with Mr. J. L. Stuard who is a very pleasant gentleman and an expert at his business.

Several real estate deals are reported, among them are Hayden and Rucker, also Fayette Tankersles, we have not learned who the Purchasers are. We regret to see the good men leave us.

Ben Hur, I am with you on the bounty question, also the Mail Order question.

The bill appropriating \$100,000 was finally passed by the Senate. Yet the small farmers and stock raiser is grateful to Mr. Hudspeth and those who assisted him in put-

ting the bill through. We are enjoying the best of health over this way, and the warm spring days we are having just now, makes one feel like he could do any amount of work. We are putting in the time turning the soil, too. Ben we will join you in the fall with an exhibit for the fair.

J. E. Mills has bought the telephone system at Alpine and will move to that city about May 1st, the price paid for this system was \$13,000. Mr. Mills and family have long been residents of Schleicher county, and we regret very much to learn that they will move from our midst, but we wish them abundant success in their new home.

Carpenter John White informs us that he has ordered lumber for several different parties to do some repairing and building, in addition to several residences, this shows that our little city is ever on the improve, and very addition added to a house in town and an idea in the other fellows head.

Loab Campbell and wife left Sunday for Houston to attend the Women and Woodmen Circle meetings that met in that city March 9th. Mr. Campbell was the delegate from the Eldorado camp, and his wife accompanied him to attend the circle.

J. F. McKee and wife were shopping in the city Saturday.

Prof. A. Howell, of a new university, recommends Chamberlain's Cough Remedy.

"As long ago as I can remember my mother was a faithful user and friend of Chamberlain's Cough Remedy, but never in my life have I realized its true value until now," writes Prof. A. Howell, of Howell's American School Havana, Cuba. "On the night of Feb. 3rd our baby was taken sick with a very severe cold; the next day was worse and the following night his condition was desperate. He could not sleep and it was necessary to have him in the arms every moment. After then his breathing was difficult. I did not think he would live until morning. At last I thought of my mother's remedy, Chamberlain's Cough Remedy, which we gave, and it afforded prompt relief, and now three days later he has fully recovered. Under the circumstances I would not hesitate a moment in saying that Chamberlain's Cough Remedy, and that only, saved the life of our little boy." For sale by B. E. Earle.

The Success,

Remarkable Story

The story of Mrs. Matilda Warwick, of Kokomo, Ind. below, proves the curative properties of the famous female remedy, Wine of Cardui.

She says:

CARDUI

Will Help You

"I suffered from pains in my head, shoulders, and stomach low down, dizziness, chills, nervousness, fainting spells and other female troubles. I almost died. Three doctors did not help me. I took Cardui, and with the first bottle obtained relief. Now I am cured. But for Cardui I should have been dead." Try Cardui.
