W. F. POWERS OF INDIANNA visits our city and is well pleased with our country.

W. F. Powers of West La Fayette Indiana was in our city last Friday in company with Mr. Johnson of San Angelo. Mr. Powers came to Texas in February and is now stopping at San Angelo, he has been putting in the time since his arrival in San Angelo in looking at the country that surrounds the Queen City, he has been in Coke, Sterling, Iron Creek, Ragen and Sutton, before his arrival here, he said while here that he had the looks of Schleicher better than any he had previously seen. Mr. Powers is a Real Estate Agent and should be a good judge of a fine scope of country, he said that he would probably return to our city in the near future, with the view of looking at the surrounding country with a prospect of locating some of his clients here.

Ben Cushman of Sonora was in our city Saturday enquiring about town property, he contemplates moving here.

Saturday a crowd of young folks composed of the following, Miss Fannie Johnson, Jinnie Alexander, Olga Benton, Lottie Hill, May McCorkick, Lillie Berry, Dolie Murphy and Allis Pool, Messrs. John and Orval Connor, Herman West and Steve Wright, all went to the Honig ranch picnicing, the crowd was joined by Miss Stella Bird after reaching the ranch, and to say all had an enjoyable time is not enough, for every one expresses the selves as having the time of their lives. They spent the evening in swinging, and on their return home they eat supper making it back to town just after dark.

Jessie McKee and Mrs. Fulcher passed through our city Saturday in route to Christoval, Mr. McKee is a brother to Jim McKee who farms near town, and has just left the Editorial chair in the Ft. R-A-T-H-E-R.

When little Ethel, aged four, was told by the mother to go to the parlor and entertain some lady callers until she should be ready to appear, the little miss primly seated herself in a stiff high backed chair prepared to obey.

After the usual commonplace phrases in opening a conversation one lady remarked to the other, "She isn't very pretty, is she." The answer was "No, not a bit." Ethel broke abruptly in, "I may not be very pretty, but I'm awful smart."—Ex.

Brother Mathews of San Angelo preached at the Methodist church Sunday morning and at night and made a splendid talk on temperance at Sunday School.

Entered as Second Class matter July 9th, 1906, at the Post Office at El Dorado, Texas, under Act of Congress of March 3rd, 1879.

Our city has employed another avenger man, and the town is being cleaned up again, this is something badly needed and this man will be kept all through the warm seasons, so when you are called upon to dig up and help pay this man don't refuse, help keep your city in decency and a fit place to live.

Monday was another day for the moving of real estate, but we are glad that we were fortunate enough to live in schleicher county for there is less dust in this place than any city in the West. The reason for this is attributed to the fact that the soil of this county is a heavy black waxy soil and does not pulverize like the light chalky land of some other sections. The idea is to move to schleicher while the land is cheap and build you a home in the chosen land of the West.

We can't boast of our fine public buildings like our neighboring towns can, but just wait, it isn't the fault of the people, because they are not here, for they have never had an opportunity to say whether they wanted them or not, but we feel sure before the first of 1910 there will be a \$20,000 school building on our school ground, and probably a \$50,000 court house will be started, and from what we can learn our commissioners court is going to spend some money in repairing the roads in the county, when this is all done schleicher county citizens will feel as good as their neighbor, and will probably have four times the population.

An editor relates the following. "When first he came to see her, he showed a timid heart; and even when the lights were low they sat like this far apart but as their love grew warmer, they learned its joys and bliss and sat up close like this."

Very Serious
It is a very serious matter to ask for one medicine and have the wrong one given you. For this reason we urge you in buying to be careful to get the genuine—
THEDFORD'S BLACK-DRAUGHT Liver Medicine
The reputation of this old, reliable medicine, for constipation, indigestion and liver trouble, is firmly established. It does not imitate other medicines. It is better than others, or it would not be the favorite liver powder, with a larger sale than all others combined.

GOOD EXAMPLE FOR BOYS.
Uncle George Murchison dropped in our office Tuesday and gave us a pleasant chat. Their is very few men lying today that can say what Uncle George can. He has been a member of the M. E. church all his life, a member of the Masonic order 56 years, he says that during all his life he has never been a witness in court, never was summoned as a juror, never summoned to worked a public road, the last, but not the least, but many times the greatest, he has never sworn an oath nor taken a drink of whiskey, yet he has lived on the frontier most all his life and served as a soldier.

Uncle George is now about 85 years of age and can walk all over our town, he frequently visits our office, he is always a welcome guest for we love to here him tell of his frontier days. Boys when you get grown can you say what Uncle George has said.

A. C. Lohmann who has been over in Crockett drilling wells, came in Thursday and was busy shaking hands.

Arthur Oliver was in from his ranch Thursday buying supplies.

S. L. Stanford was trading in town Thursday.

AUCTION SALE OF FINE CATTLE
At San Angelo April 12th and 13th Will Be Sold Under The Hammer.

There will occur in San Angelo on April 12th and April 13th two big auction sales of thoroughbred cattle to be conducted by prize-winning breeders whose names are the synonyms for the success in cattle raising in Texas.
April 12th 65 head of Durham-Pole Durhams and Herefords belonging to the well known breeders, William Anson, D. T. Yaws and Lee Brothers will be sold under the hammer. Some of these cattle will also come from picturesque Bismarck farm.

This sale of April 12th will be held at the San Angelo Fair Grounds. It will begin promptly at 12 o'clock on the day mentioned. Preceding it however, there will be a grand barbecue which begins at 11 o'clock. Tallyhos will be furnished gratis to all who wish to attend the sale. These tallyhos will gather the crowds at the Linden Hotel and Nimz House.

There will be another sale next day, April 13th when 75 head of thoroughbred, aristocratic Herefords will be sold under the hammer. At this sale J. L. Ely will disperse his entire herd of high class Herefords including his Benjamin Wilton cows, his Premier Bull and Champion Steers. C. H. and J. C. Powell will also contribute to his sale four thoroughbred Hereford Bulls, and Lee Brothers, the well known proprietors of Leedale Stock farm, will sell eight bulls. All of these cattle are registered, and come from the ribbon winning herds of the Southwest. This sale of April 13th will be conducted at the Ely farm, known as the old J. M. Cox place, and located six miles east of San Angelo. This sale will also begin at noon April 13th, and will be preceded by a grand free barbecue. Transportation to tallyhos from the Linden Hotel and the Nimz House will be furnished free.

It is hardly necessary to dwell at any length upon the manifold advantages of this double sale of thoroughbred cattle. All of the offerings will be in the best condition and ready for immediate use. Buyers who are needing bulls at this time, will find that these two sales of April 12th and 13th will afford them just what they want. Be sure to be in and Angelo on those days and attend the two sales.

HILL'S BUSINESS COLLEGE

stands in the forefront of Texas institutions. Twenty-six years of successful work are behind. Other schools are new and untried in comparison. It has seen every other business college in the state start, and many of them, give up the ghost. Hill's stands today, and holds its commanding position, because it started right. The standard was set high at the beginning, and has never been lowered. Thoroughness and efficiency in everything—this explains the remarkable history of this school. The South is filled with men of affairs whose large success is attributable to the training received in Hill's Business College. You can do as well. The same standard, the same excellence, are still to be found. You will have the same advantages, and better. The opportunities in the world of business are still as great, and greater. The young men who get ready for these opportunities will reap the harvest. By the scores they are coming to Hill's Business College to make the preparation. Why not you? As fast as our students are ready, they are placed in good positions. Three placed last week. We could place YOU today, were you ready. Don't delay, not even for a day. Marlin

.22 Caliber Repeating Rifle

Model No 20

The safety, comfort and convenience of the **Marlin** solid top, closed breech and side ejection features are combined with the quick, easy manipulation of the popular sliding fore-end or "pump" action in the new Model 20 **Marlin** rifle.

Vermont Items.
No Uncle Williams we will not plant in the dust as it is still very dry over here in the Vermont, past experience has taught us that our seed is better in our barns than it is in the dust, while some of us are getting quite impatient, we naturally have to stand by our seed. We have our land in splendid condition and will give a water-berry in five or six weeks when the blessed rain does come.

Bedford Caperton of San Angelo was here this week attending to some business.

Mr. Bell of San Angelo was here this week selling fruit trees. Bro. L. J. Kilnon filled his appointment Sunday at the Vermont school house.

Martin Estes is building a cottage this week.

Ben Hur did not get off with Teddy on his famous skunk hunt have been informed that K. Lamity did not go either, however I am sure that the whole outfit will be a complete failure with neither of us along, when Teddy sees what he has missed he will probably turn back and entirely abandon the trip all together.

C. B. Enuchs has just returned from delivering a wind-mill outfit to R. U. Taylor. Mr. Taylor is a bustling little fellow and has a beautiful 5 section ranch.

Our bustling all-around stock man, farmer and trader W. P. Evans has bought him a nice flock of angora goats.

Halbert Garland spent last Sunday with his friend Mr. J. M. Baugh.

Mr. Jim Mackin our energetic and go ahead butcher has been here hunting for fat cattle, fat stuff is hard to find just now, while some of us could have fattened several head very easily, which would of supplied their home market, did you ask why we didn't, well just didn't and that's all, I am sure another year these needs will be promptly looked after.

Ben Hur.

Prof H. A. Howell, of Havana Cuba, R comments Chamberlain's Cough Remedy.

"As long ago as I can remember my mother was a faithful user and friend of Chamberlain's Cough Remedy, but never in my life have I realized its true value until now," writes Prof. H. A. Howell, of Howell's American School, Havana, Cuba. "On the night of Feb 3rd our boy was taken sick with a very severe cold; the next day was worse and the following night his condition was desperate. He could not lie down and it was necessary to have him in the arms every moment. Even then his breathing was difficult. I did not think he would live until morning. At last I thought of my mother's remedy, Chamberlain's Cough Remedy, which we gave, and it afforded prompt relief, and now three days later he has fully recovered. Under the circumstances I would not hesitate a moment in saying that Chamberlain's Cough Remedy, and that only, saved the life of our dear little boy." For sale by B. E. Earle.
