THE RAILROAD MEETING.

As was announced in last weeks SUCCESS that there would be a meeting held at the court house on Saturday at 3:30 for the purpose of discussion, railroad matters. The meeting was held with M. B. McKnight Chairman and J. E. Connor Secretary, and after some brief discussions the following five men were appointed or elected to serve as a committee, M. B. McKnight, W. W. Barbee, W. B. Silliman, W. F. Ford and E. A. Nall this committee will correspond with the different prospective roads and show them the route through this section if they can be interested enough to come look at the route. There is a good route from San Angelo, to San Antonio via Eldorado, and we believe that Eldorado would give a handsome bonus to any road that would ensure it coming, and this committee will correspond with the Morgan and Jones road at once.

"Entered as Second Class matter July 9th, 1906, at the Post Office at El Dorado, Texas, under Act of Congress of March 3rd, 1879."

County Court met Monday and adjourned Tuesday. The county court docket was very light.

A Booster Edition of The Dalhart Texan, reached our office the first of the week. The Texan is a splendid news Journal and carries with it a fine advertisement for the Panhandle country. It also calls the attention to the people of Texas that W. H. Fuqua of Amarillo is being urged by friends to make the race for Governor, and The Texan pays a high tribute to the prospective candidate.

The trustees will set a time in the near future to hear any complaints that any of the school patrons here desire to make against any of the present teachers, if you have anything to say for or against any of the teachers, you should make your wishes known to the trustees when the time comes, it is impossible to get a lot of teachers that can please as many patrons as is in this school.

Joe Bailey is getting to be a very prominent man in the U. S. Senate, and if Joe would make the race for President he would run like "greased lightning" as he is kinder oily any way. Let's make a President out of Joe and give his seat in the Senate to Tom Campbell.

The Methodist meeting that is going on is doing lots of good, and if you have not received any good out of it, it is because you have not attended, come to every services for the next two day.

Rev. F. A. Barns has withdrawn his announcement at this place on Saturday night, but will fill his regular appointments for day services.

A large turkey gobbler came to my house some 8 week ago, owner can have same by calling at my residence. If not called for pretty soon the Editor is going to have a dinner.

J. D. Ramsey received a message the first of the week from his father stating that his father who was stricken with paralysis a few days ago was considerable better.

Dear Sir: Mrs. S. O. Ashe's house in Yorkville, S. O. was painted Devoe 21 years ago and hadn't been painted since; It is a handsome house and the paint was in good condition when we were three years ago.

Do we therefore say that Devoe wears 21 years in South Carolina? No; on the sandy coast, where the sun is hot and the flying sand cuts the bark off trees, Devoe is the only paint that wears more than one year.

Localities differ; Devoe doesn't differ. It is the paint that takes least gallons to cover a job and makes least cost and wears longest; how long depends on sun wind sand etc.

Yours truly

The Most Common Cause of Suffering.

Rheumatism causes more pain and suffering than any other disease, for the reason that it is the most common of all ills and it is certainly gratifying to sufferers to know that Chamberlain's Liniment will afford relief, and make rest and sleep possible. In many cases the relief from pain, which is at first temporary, has become permanent, while in old people subject to chronic rheumatism, often brought on by dampness or changes in the weather, a permanent cure cannot be expected; the relief of pain which this liniment affords is also worth many times its cost. 25c and 50c containers for sale by B.
