New Officer At First National Bank

RICHARD A. STERLING

Now on the job here, Richard A. Sterling, who most recently served as vice president and cashier at the Commercial State Bank, Palmer, Texas, has joined the official family of the First National Bank here in Eldorado. He has moved here with his family and resides at 214 Dixie, the former John Callison home.

Mr. Sterling has been elected as vice president of First National and will serve as loan officer and in general executive capacity.

Richard Sterling and his wife, Becky, have two children, Ginger, age 5, and Tana, 2 years old. The family are members of the Baptist Church.

Mr. Sterling graduated from Ira High School near Snyder in 1966. He attended Texas Tech University where he was a member of Saddle Tramps and was an Agricultural Economics major. He was on the Deans List and graduated in 1970.

He worked 1½ years for the U.S.D.A. in Washington, D. C., and worked for three years for the Federal Land Bank of Houston.

The Sterling family have the welcome of the entire Eldorado community as he comes into this responsible job.

Mrs. Essa Hoover Buried Monday

Mrs. Essa Hoover, 84, died Sunday morning at 6:30 in the Sonora Nursing Home where she had been a resident for several years.

Funeral services were held Monday afternoon in the First Baptist Church with Rev. Gene Stark, pastor, in charge.

Interment was made in Eldorado cemetery. Pall bearers were James Page, T. P. Robinson, Bob McWhorter, Raymond Hall, Jo Ed Hill, all of Eldorado; and R. L. Hardgrove of Sonora.

Mrs. Hoover was born Essa Alexander on May 2, 1892, in Brown county. She came to this county as a teenager.

She was married to L. M. Hoover in 1920. He was a long time prominent Eldorado businessman and operated a drug store before retiring. He died in 1955.

Mrs. Hoover was a member of the Baptist Church, the DAR, and Eastern Star.

She is survived by one daughter, Miss Mary Hoover of Dallas, and several nieces and nephews.

C-B'ers To Meet

The C-B Club will meet at 7:00 p.m. Thursday, April 7th, in the Corral Room of the Memorial Building.

Plans will be made for activities in the coming months.

ATTEND FUNERAL

Mr. and Mrs. Ben L. Fatheree went to Chickasha, Okla., recently to the funeral of his father, Ben L. Fatheree, Sr.

TO CONDUCT SERVICE

The West Side Church of Christ will conduct the service this Sunday afternoon, April 10th, at the Nursing Home.

Mr. and Mrs. Jerry Jones, Joey and Chuck, visited Paul Jones and family at Lewisville, and Jerry's sister, Millard Cagle, also at Lewisville.

Post Script

I was surprised that the forces that wanted to do away with the city corporation got as many votes as they did. The vote was close. For: 202;

Against: 244. The Againers won by only 42 votes.

This reporter thought that the Againers would win by a vote of at least 2 to 1, but it did not. The vote was close.

The senior editor was Against from the beginning and I am glad we won, even if by a narrow margin.

I hope that this vote will settle the problem once and for all, that the City of Eldorado will continue to go on as an incorporated city and cease to be divided.

We have a lot of things going for us.

Congratulations to the new mayor, Pat Ragsdale!

I met A. W. Keys Friday as he was at the grocery store. He said that he and his wife are now located on his farm 12 miles out in Bailey Ranch, and are happy to be at home.

This is Easter season and we urge everyone to support the special services and other activities of the church of your choice at this time.

The Ministerial Alliance will put on an Easter Sunrise Service at 7:00 Sunday morning at the Presbyterian Church.

Other area events include the outdoor Pageant at Junction, put on the night before Easter Sunday, and more fully described inside this Success issue. Also, on Easter Eve, the traditional fires will be at Fredericksburg and a tour of old homes will be Saturday afternoon. Those will be among the events for persons wishing to take an outing during this time. School is out all this week and will reconvene Monday morning.

Mrs. Blakeway Is New County Clerk

HELEN BLAKEWAY

In a special session of the County Commissioners Court last Friday Mrs. Helen Blakeway was named County Clerk, to fill out the unexpired term of Jim Thornton, who had resigned effective the end of March.

Mrs. Blakeway's coming term will extend through the end of 1978.

Mrs. Blakeway has considerable experience in the County Clerk's office, having worked for several years in that office under the late H. T. Finley.

This is the first time the County Clerk's office has been held by a woman. In Sutton county the Clerk position has been held by a woman for several years.

The Success congratulates Helen as she takes this new job.

Improvements Set For County Road

San Angelo, Tex.—Ranch to Market Road 915 in Schleicher County is to receive 19.9 miles of seal coat under the 1977 Rehabilitation Program recently approved by the State Highway and Public Transportation Commission. This special program, aimed at repair of winter road damage, will cost \$80 million statewide, and is a result of Texas' worst winter in years.

Highway damage across the state has ranged from flood damage in the more northern areas.

Contrary to what might be expected Texas' winters may actually cause more damage than colder winters in northern states. This is caused by the rapid freeze-thaw cycle usually experienced in Texas. Moisture may penetrate the roadbed, freeze, thaw, and freeze again within a 24 hour period. Each of these freeze-thaw cycles causes expansion and contraction, which, coupled with pounding traffic, can cause base material failures and extensive surface damage.

The 1977 Rehabilitation Program exceeds normal maintenance, but does not include any project that requires additional right of way.

The Schleicher County project begins at US 277 in Eldorado, and proceeds along RM 915 northwesterly to the Iron County line. The new surface will be an asphalt seal coat varying from 20 to 68 feet wide, varying to match the existing surface width. Estimated cost of the project is \$92,200.

Journalism Contests Held At Junction

The District #4 A UIL journalism contests were held last week in Junction with Eldorado students taking two first places, two second places and two third places.

In Newswriting, Gynna Jay took first, and in feature writing Willie Day placed second. Jim Bob Byrd was first in editorial writing, and 2nd in headline writing, in which Gynna Jay was 3rd.

Eldorado To Retain City Corporation With Pat Ragsdale As New Mayor

Eldorado voters turned out Saturday and rejected the Unincorporation proposal, 244 to 202, and elected Pat Ragsdale as new Mayor, giving him 245 votes to 210 for D. D. (Burro) Griffin. Ragsdale was to be sworn in as new Mayor at a special meeting Monday night of the City Council, at which time the votes were canvassed in Saturday's election.

In the Aldermen's race, incumbents Bobby Sykes and Billy McCravy were re-elected with 243 and 183 votes, and Richard Kent with 180 was named to the unexpired term of Ben Joiner. The other two contenders were Allen Kuykendall who got 118 votes and James McWilliams who received 117.

City Council Meets With New Mayor

The City Council met in a special session Monday night in City Hall to canvass the votes in the Saturday election, and to formally install the newly elected officials.

Pat Ragsdale was installed as new Mayor succeeding Raymon Mobley who did not seek re-election. Ragsdale was winner over Burro Griffin.

Richard Kent came onto the City Council as newly elected Alderman.

The Council had discussion on how to conduct City of Eldorado business in the period ahead since voters rejected the Unincorporation proposal.

Ragsdale has been a member of the City Council as Alderman, and the group tabled for the present the appointment of a successor to serve out his unexpired term as alderman.

Pay Hikes Set By County Commissioners

An across-the-board hike in salaries for elected officials of Schleicher county will come up for vote of 10:00 this coming Monday, April 11th.

The listing of the present and proposed salaries was given in last week's Success issue in a Legal Notice.

School Trustees Are Re-Elected

The only contested election other than that for City, was election of the two trustees of the Schleicher County Independent School District.

The two incumbents, Lynn Meador and Billy Williams, received 230 and 196 votes respectively to win re-election.

The other two contenders were Ted Short who got 90 votes and Kay Patton who received 57.

Austin, Tex.—In a surprise move, the State Board of Insurance ordered a 2.8% statewide reduction in property coverage rates starting July 1.

New rates will cut premiums across the state about \$18.9 million, according to board estimates. Insurance companies requested a \$44.5 million rate increase.

But Board Chairman Joe Christie said evidence indicated no increase was justified and a cut was in order.

Most of the reduction, however, would go to commercial building and apartment owners carrying fire and extended coverage rather than homeowners policies.

About 80% of homeowners policies actually are sold at premiums lower than specified by the board due to rate deviations permitted under 1973 law.

Homeowners policy rates will go up 2% on a statewide average, compared with 8% sought by the insurance companies and 6.6% initially recommended by the state agency's own statisticians.

The rates vary by territories based on loss experience.

Fire insurance rates will go down on an average of 5.7% — 3.4% on homes, 6.3% on businesses and 17.5% on farm buildings.

Extended coverage will be 11.1% cheaper statewide—16.8% less on the seacoast, 7% less in central inland territory and 9.5% cheaper in the north-northwest.

Homeowners rates will increase 1.3% in the seacoast and 4.2% central inland and will decline 2.4% in the north-northwest.

Short Snorts . . .

The Senate passed amendments to the open meetings law to allow official meetings by telephone conference call and to exempt discussions of any property lease or sale.

Coal slurry pipeline legislation went to conference committee for adjustment of differences in House and Senate bills.

The Senate approved creation of a new Human Rights Commission to process job discrimination complaints.

Gov. Dolph Briscoe named Leslie B. Vance of Clifton 220th district attorney in Hamilton, Comanche and Bosque counties.

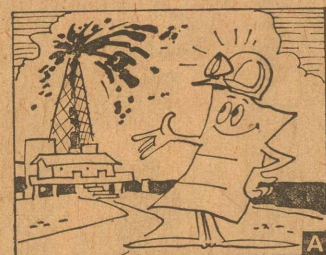

The House has now passed its own version of legislation to exempt newspapers from the sales tax. The Senate passed an earlier version, but House leaders noted tax measures are supposed to originate in the House.

North Texas salt domes and salt bed formations in the Permian Basin and northern Panhandle have priority status for testing as possible nuclear waste repositories.

FACTS & FIGURES

It is nine times as profitable for companies in the forest products industry to use a tall straight tree as a treated pole as it is to use it for making paper.

Paper is in competition with other materials, such as plastics, glass and tin, which are not as labor intensive as paper. Plastic companies spend only 5 to 15 percent of their costs on labor while a vertically integrated paper company will spend as much as 30 per cent. The outcome of the competition depends partly on the relative efficiency of the competitors.

Land that's used to grow trees for paper can also be used in other ways. International Paper, for instance, is developing oil and gas resources on some of its land. In one year, over 70 oil wells were drilled, and 4,400 test drillings were made for coal deposits.

One-third of the hospital care products made available by the Davol division of International Paper were created in the last five years.

Nugent To Be Here On April 16th

Austin, Tex.—State Rep. James E. (Jim) Nugent announced this week that he will hold another in a series of district-wide Community Meetings in Eldorado on April 16th, 1977. The meeting will be in the District Court Room from 10:00 to 11:30 a.m.

Rep. Nugent stated, "As the State Representative for Schleicher County, I am concerned with the need for a continuing exchange of ideas between myself and my district. Bills affecting every facet of our lives are under consideration in this session of the Legislature, and I feel it is important that I receive direct input from my constituents before I cast my vote."

Rep. Nugent further stated, "I urge all citizens of Schleicher County to come on April 16th and voice their opinions on such issues as the new highway financing plan, property tax reform, refinery tax proposals, ordinance power for county government, public school financing, teacher retirement benefits, and any other matter of concern to them."

Consumer Food News

College Station, Tex.—Less Lenten demand for beef is prompting more beef Specials at Texas grocery markets, but a light supply of lamb for Easter will keep its prices from dropping—in fact, they will climb as the holiday nears, one forecaster says.

Good beef buys include chuck cuts, round steak, shoulder steaks, ground beef and liver—and specials appear on T-bone, sirloin and rib steaks, Mrs. Gwendolyn Clyatt, a consumer marketing information specialist, says.

Lamb is more available in meat counters—with leg of lamb and crown roast being the two Easter traditionals. In buying lamb, plan to get about three servings from one pound of the meaty cuts, but remember it takes about three-fourths of a pound to get one serving from cuts with a large proportion of bone and other waste, such as riblets or spareribs, the specialist advised.

Mrs. Clyatt is with the Texas Agricultural Extension Service, The Texas A&M University System.

In poultry buying, egg prices have dropped slightly, and consumers may find budget prices on fryer chickens and turkeys.

At pork counters, prices are steady—with possible specials on loin cuts (both roast and chops), boneless butt roasts, quarter-loin sliced into chops, semi-boneless and canned hams, bacon, sausage and liver.

Vegetables with lower prices are asparagus, broccoli, mustard, collards, turnips and greens, head lettuce and carrots. Other economical vegetables are potatoes and cabbage.

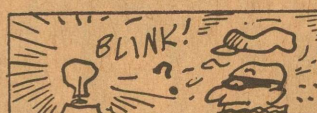

At fruit counters, avocado prices are lower, and strawberries promise to follow suit. The smaller navel oranges offer a best buy, and grapefruit prices are steady, Mrs. Clyatt said.

Consumer Watchwords: Watch for specials on canned and frozen vegetables and fruits—since higher prices for many fresh items are increasing consumer and retailer interest in processed items.

27th Pageant Is Scheduled For Easter Eve In Junction Amphitheatre

Kimble County residents are ready for the 27th annual Easter Pageant to be held April 9. Sponsored by the Men's Bible Class, the pageant is traditionally presented on Easter Eve in the natural amphitheatre below the everburning cross on Lover's Leap.

Starting at 10 p.m., the story of the last week in the life of Christ in earth will conclude shortly after midnight with the climaxing of scenes of the resurrection on Easter morning.

More than 100 amateur performers, most of them experienced in their roles, will pantomime the story in 13 acts on 14 stages of varying levels supported by changing lights, script readers, and background music.

Twenty-one actors presented the first pageant on three stages the year the pageant and its sponsor, the Men's Bible Class, were formed.

Mrs. Jo Ella Whitworth is director, the fourth in the history of the pageant, which draws spectators from over the nation and foreign countries. She and all other participants are volunteers. Fred Porter is general chairman. P. T. McReynolds is president of the Men's Bible Class. Grounds chairman is Frank Hubbell.

Thousands of spectators will watch from their cars, which will be parked in the valley under direction of Boy Scouts. Free programs will be distributed. No admission is charged.

Bobby Jetton, who oversees the parking operation, stressed that there will be no reserved parking areas. Spaces will be on a first come, first serve basis, he said. Persons wanting to be sure of a good view are welcome to park

their cars early, however, Jetton added. He will be assisted by members of Boy Scout Troop 420.

Free coffee is served from the chuckwagon of the late Ranger Captain Gully Cowsert, starting at 4:00 p.m. Food and soft drinks will be available at a concession stand operated by Leti Study Club.

Many spectators arrive in time for a picnic supper in the parking area along Cedar Creek in the Hill Country Fairgrounds.

The public is cordially invited.

Let us go into the
House of The Lord...

Good News About
Things That Affect Us

The next time you take a trip through a forest planted on land belonging to a major paper company, you might consider that the road and camp grounds you're enjoying might not be there if the forest products industry were not efficiently run.

PEOPLE WHO WORK for major paper companies help make America's forests better places to play.

Because a company such as International Paper has workers who do their jobs well and is operated efficiently, it's able to attract the capital investments that enable it to continue to hire good workers, operate modern paper-making facilities and continue to work the land. Trees belonging to a paper company are often healthier than those in virgin forests. Modern forestry methods help the paper company care for its trees and for its properties, building roads and campsites for everyone to enjoy.

Heating Tips

Our deep-freeze weather has made the family fireside the most popular spot in the house. Manufacturers of factory-built fireplaces are reporting a banner sales year as are purveyors of firewood.

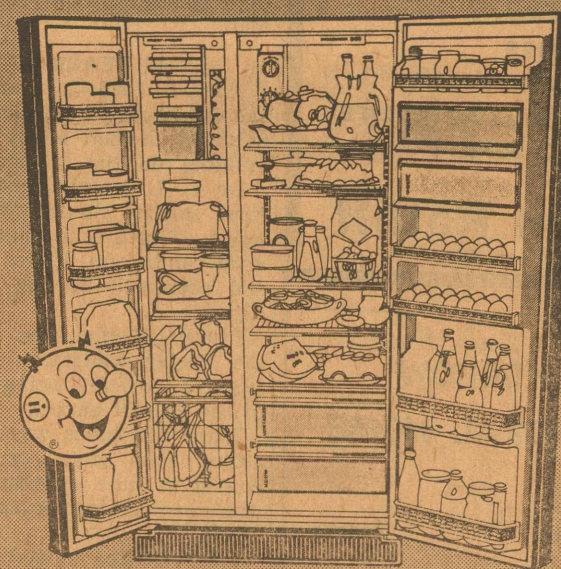

A cheery blaze in the fireplace makes keeping the thermostat turned down bearable, but does it save on fuel consumption? There are opinions pro and con, but little research has been done on energy conservation in home heating, say the experts. The Fireplace Institute, an association of fireplace manufacturers, takes the pro side, naturally, but they point out that a fireplace should be used correctly.

According to the Institute, a fire in the fireplace should be considered "auxiliary" heat, an aid to keeping a room comfortable rather than a supplementary heat source. For example, when the family gathers to read or watch TV in the evening with the house a chilly 65 degrees, a fire can provide extra heat and comfort and will save fuel that might be used in bringing the entire house up to a temperature that's comfortable for sedentary activities. Keep a fireplace fire burning briskly. More heat will radiate into the room and less go up the chimney.

A firescreen with glass doors which can be closed at bedtime will prevent the loss of heat as the fire dies. When the fireplace is not in use, the damper should be kept closed so warm air is not drawn up the chimney.

Reddy's Energy Saving Tips

- ★ Opening your Refrigerator Door as few times as possible keeps Heated Air from getting inside. So Saves Energy.
- ★ Condenser Coils in Refrigerators, like in Air Conditioners, tend to collect Dust and Dirt (especially in Carpeted Kitchens), when they are Dirty, they use more Energy, so your Refrigerator Coils Should Be Cleaned Once a Year.
- ★ Choose a Refrigerator/Freezer based on the real Capacity needs of your family. A Refrigerator or Freezer Operates at Peak Efficiency when Filled to Capacity but not overfilled.
- ★ Insulation Gaskets sometimes Leak and Cost Much Wasted Energy. Check your Refrigerator Gaskets for Wear and Replace if Necessary.

ORDER OF THE COMMISSIONERS' COURT OF SCHLEICHER COUNTY, TEXAS, TO SELL AND AUTHORIZING OF NOTICE OF INTENTION TO SELL OIL GAS AND MINERAL LEASE

On this 28th day of March, 1977, at a Special Meeting of the Commissioners' Court of Schleicher County, Texas, all members of the court being present, came on for consideration the matter of the sale of oil, gas and mineral lease covering the following described tract of School Lands situated in Gaines County, Texas, to-wit:

All of Labor 11 in League 283, Schleicher County School Lands, in Gaines County, Texas, and containing 177.12 acres, more or less.

It is therefore ordered that the Commissioners' Court of Schleicher County, Texas, will meet at the Courthouse in Eldorado, Texas at 10 o'clock A. M. on Monday, the 25th day of April, 1977 to receive and consider all bids submitted, the bids to be submitted on the tract above described, and the Court will award oil and gas lease on said tract herein listed to the highest and best bidder, after hearing and consideration; such lease to be executed on the usual Texas Standard Revised 88-form providing for not more than a five year primary term and for a royalty of not less than one-eighth; and providing that the Commissioners' Court reserves the right to waive technicalities and reject any and all bids submitted.

It is further ordered that the County Judge give notice of the intention to lease and offer said lands for lease for oil, gas and mineral development by publication in a newspaper of general circulation and which has been regularly published for a period of more than one year in Schleicher County and in Gaines County, Texas, once a week for three consecutive weeks prior to the date of receiving bids, and according to the terms of this order.

The above order read, passed and approved the date first above written.

Society To Sponsor County History Book

The Historical Society met in the Museum Monday night with a large crowd of 30 or more people on hand.
Mrs. Margaret Frost presided at the business session in which she assigned individuals to write histories of the various phases of the county. This is for the county history book to be compiled.
A copy of the Crockett history book was passed around and plans are for a similar one to be worked up for Schleicher county. It would be published by a San Angelo firm and would contain write-ups and photos of local families, organizations, and facilities.
Mrs. Frost is currently assigning chairmen to the various aspects of the county history.

Student Teaching Agreement Established

(Special to The Eldorado Success)
San Angelo, Apr. 5.—The Schleicher Independent School District has recently entered into an agreement with Angelo State University to serve as a student teaching center.

The student teaching agreements provide opportunities for students enrolled in teacher education programs to gain firsthand experience in public school classrooms. Although most student teaching done by ASU students is in San Angelo schools, the expansion to nearby areas in West Texas provides a broader base for the program.

Student teaching agreements between Angelo State and 17 school districts are awaiting formal approval of the Board of Regents, Texas State University System, at its May 20 meeting.

Mr. and Mrs. Paul Page Sr. made a business trip to Midland Tuesday.

Potato-Ham Dinner In A Crust

Dinner in a pastry shell is just what this handsome Hash Browns and Ham Pie offers. And it's so easy on the cook. Tender, frozen southern style hash browns need no peeling or dicing and can be used just as they tumble from the bag. For a quick thaw, run hot water over them and drain well. Mix potatoes with other ingredients and spoon into prepared shell. Bake until crust is golden and the cheese hovers over the potatoes in a tempting melted state.

- Hash Browns and Ham Pie**
- 1 9" unbaked pastry shell
 - 1 1/2 cups frozen southern style hash browns
 - 4 tablespoons butter or margarine
 - 1/2 cup frozen chopped onions
 - 1 large egg, beaten
 - 1 teaspoon salt
 - 1 teaspoon prepared mustard
 - 1 1/2 cups grated Cheddar cheese
 - 1 1/2 cups slivered cooked ham
- Make up favorite pastry recipe for 1 crust pie, adding 1/4 teaspoon marjoram to flour. Fit prepared dough into 9" pie plate. Thaw potatoes by rinsing under hot water; drain well. Melt 3 tablespoons butter. Add onions and saute lightly. Beat egg with 1 teaspoon salt and mustard. Add to onions; pour over potatoes. Mix in 1 cup cheese. Put 2 cups potato mixture into prepared pastry shell. Top with ham. Add rest of potatoes. Melt remaining butter and drizzle over top. Cover top with round of foil. Bake in 375°F. oven for 35 minutes. Remove from oven. Sprinkle over remaining cheese. Return to oven; bake, uncovered for 15 minutes longer. Cool for 10 minutes before cutting. Serve plain or with a mushroom sauce. Makes 6 servings.

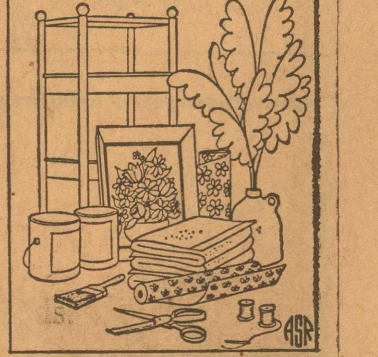

Beautify Your Bathroom —Without Remodeling

For years the bathroom was a neglected room when homes were planned or remodeled. Now, even professional decorators agree that the bathroom presents a challenge for interesting use of space, color and design. Whether your bathroom is simply showing signs of wear or needs an overhaul to transform it from boring to beautiful, there are dozens of easy, effective ways to make improvements — even on a limited budget.

Start with basic, inexpensive decorating ideas, advises the Scott Paper Company Home Service Center. A coat of paint can brighten a small, dark bathroom and may also make its limited dimensions seem larger. You might paint one wall (the far one as you enter) your favorite color, and paint the other three a pale tint of the same — this trick will create the illusion of a larger room. Or cover walls with an attractive wall covering — and don't forget the ceiling!

Create a total room decorator look with no-iron printed sheets. Select your favorite design — and "paper" the walls with the sheets, using a heavy duty or electric staple gun. Make matching curtains out of the same design, or choose a different color-coordinated pattern. Sheets are great as shower curtains, too — make buttonholes for the shower hooks and back the sheet with a plain plastic liner.

Bath towels can be made into decorative and practical bathroom accessories. Stitch a lush and unusual shower curtain using bath towels, and camouflage the seams with grosgrain ribbon. Make a matching toilet seat cover in the same way. A skirt for the sink is easily made using more towels — glue a strip of Velcro around the basin and sew matching strips to the towels to attach them.

Storage space is at a premium in most bathrooms, and shelves are one way to solve the problem. Hang strategically placed painted or decorated shelves for often used toiletries, cosmetics and a box of Scotties facial tissues — choose the decorator box that complements your spruced up decor. Don't overlook the decorative potential of shelves. Rejuvenate wrought iron units with spray paint.

You can be hooked on convenience, too. Hooks on bathroom or closet doors will come in handy for laundry bags, clothing, brooms, mops and other utility items. For further convenience, hang a roll of Viva paper towels on the door to put clean-up help within arm's reach.
If you find yourself short of money, but willing to invest some energy and effort, put your creativity to work. Discover countless easy ways to improve, revamp, renew, decorate and beautify your bathroom yourself without spending a lot of time — or money.

Mrs. Andrews Honored On 85th Birthday

Mrs. Bess Andrews

Andy Andrews is 85! Yep! Bessie Annie Melvina McDonald Andrews has done it again. With a Song Fest she celebrated her 85th birthday a day early on Saturday afternoon, April 2nd, at 3:00 p.m., in the Nursing Home Dining Room.

The opening prayer led by Gordon Mitchell followed the Birthday Lady herself playing the piano for numerous religious songs.

After practically dragging her away from the piano to open her gifts, cake and lemonade, brought and served by Elnora, was enjoyed by all, with singing continuing. Soon, Guess who was back at the piano. Right! Playing and singing with a group of folks that had been there before and a few new domino and bingo buddies who are all waiting to help celebrate the next one.

Those attending were: Mr. Aubrey

rey Baugh, Mr. and Mrs. Rocky Meador, Tom Carroll, Liburn and Corda Hazelwood, Mrs. Dee Love, LaVita Brooks, Mary Oglesby, Edith Shaw, Beulah Harris, Sally Head, Erna Rexroat, Flossie Crawford, Lorena Casbeer, Verda Parker, Lorena Heffernan, Mabel Freitag, Carrie Blakeway, Mae Mercer, Hottie Blaylock, Maggie Sluder, Myrtle Wade, Pearl Edmiston, Elva Daniels, Zelma Henderson, Mr. and Mrs. Rance McDonald, Mr. and Mrs. Vernal Sudduth, Ronda and Kelly Kerr, Gene Edmiston, Susie Wagoner, Lum Davis, and Darrell McDonald.

Out of town visitors were Douglas Peterson and Gordon Mitchell of Goodfellow Air Base, Mrs. B. Griffin, Odessa; Mrs. Preston Dudley, Mertzon; Vivion and Annie Hight and Allie Wilson of London and Mrs. Sam Calhoun of Christ-

NURSING HOME NOTES

There were Big Doings here in the Dining Room last Saturday afternoon. Elnora Love, daughter of Bess Andrews, celebrated Bess's 85th birthday with a lovely party.

As we all know, Bess has relatives, as the old saying goes, Under Every Rock, in Schleicher county, and quite a few were here for the party.

There were many of her Eldorado friends here, also, to wish her many happy returns of the day. The dining room was full. For many years, Bess has invited friends to her home, on her birthday, and they would spend the time singing old familiar songs and Gospel Hymns with Bess at the piano, so this Birthday was no different.

With Bess at the piano, we all sang many Gospel hymns, and some of them dated away back, and we all enjoyed it very much.

We all hope that she can enjoy many more just such happy birthdays as this one was.

Delicious cake and punch was served.

Lizzie McAngus is still recovering from her recent illness.

Frank Reed is gradually improving from his recent illness.

Ebbie Donaldson is feeling so better than he was recently, and we all hope that he can continue to improve.

I don't remember whether I have reported that Lester Garret, from Roosevelt, Texas, area, has been here in the Home for two or three weeks, and also Andrew Campbell, who has lived here for many years, is a resident here now.

Bingo winners last week were: Bess Andrews, Flossie Crawford, Carrie Blakeway, 2 games; Beulah Harris, 2 games; Erna Rexroat, 2 and Ella Casbeer one game.

Last Friday the winners were: Carrie Blakeway, 2 games; Beulah Harris, 2; Bess Andrews, Ella Casbeer, and Erna Rexroat.

Visitors last week were: Carrie Blakeway's sister, Mrs. W. F. Statnam of Elbert, Texas; Mrs. Ethel McAngus visited Lizzie McAngus; Hixie Potter's nephew, Allan Striegler from Sonora visited her; Pearl Edmiston's daughter, Mrs. Marjorie Pope, of Andrews, Texas, came to see her. Maxine Locklin visited Bertha Oglesby.

All of us enjoy visitors so very much, so come to see us. —LaVita Brooks, rep.; Beulah Harris, rep.

Mr. and Mrs. Ken Peters of San Angelo visited here with home folks during the week end.

This week I have some information for you on freezing foods.

Freezing Eggs
Frozen eggs will keep in good condition from 9 to 12 months. Freeze fresh, clean, chilled eggs. Freeze in quantities in which eggs are likely to be used at one time. Eggs are broken out of the shell for freezing.

Add sugar, salt or syrup in proportions given below according to the kind of recipe in which the eggs are likely to be used. For example, add salt to eggs for scrambling, sugar or syrup to those to be used in desserts.

Whole eggs. Break eggs into bowl; stir with a fork to break yolks and mix them well with the whites. Do not beat. Strain thru a sieve. To 1 cup whole eggs (about 5 medium-sized eggs) add one of the following:

- 1/2 teaspoon sugar;
- 1/2 teaspoon corn syrup;
- 1/2 teaspoon salt.

Egg yolks. Separate eggs. Stir yolks with a fork to break them. Strain through a sieve. To 1 cup of egg yolks (about 16 eggs) add one of the following:

- 1 tablespoon sugar;
- 1 tablespoon corn syrup;
- 1/2 teaspoon salt.

Egg whites. Strain through a sieve. Freeze without stirring, and do not add anything. Package and freeze immediately.

Thawing. Place containers in cold running water, in refrigerator or thaw at room temperature. Mix contents of package thoroughly before using. Plan to use thawed eggs within 24 hours. Do not refreeze.

Mobley Company Purchases Sonics

Negotiations leading to the sale of Sonics Transports, Inc. to Kilgore based Mobley Company, Inc., have been finalized, President Tom Mobley has announced.

Mobley Company, Inc., which has 34 years' experience in the oil field tank truck business, purchased all divisions of Sonics—the Haley Division of Eldorado and Sonora, C&W Division of Breckenridge and Kennedy Division of McCamey.

"We are taking immediate steps to ensure that the quality of our customer services will become the best obtainable anywhere," Mobley said. "Other Mobley operations are number one in the markets we serve and we fully expect for our new company to reach this position also."

Mobley went on to say that J. C. Berry of Sonora has joined the company as division manager.

Commenting on his new position, Berry said, "I am very pleased to be a part of the Mobley team. I have visited with the officers for several weeks now and am impressed with their experience and leadership in oil field services."

The company, now operating under the name of Mobley Transports, Inc., will be headquartered in Austin, with John Mobley serving as president.

Other Mobley concerns include Applied Chemical Division, offering contract weed spraying services to railroads in 28 states; Tiger Corporation, a solid waste disposal company; and Mobley Chemicals, a distributor of industrial herbicides.

A Gift To Keep

Don't give your children baby rabbits, chicks or ducks for Easter, urges the American Veterinary Medical Association (AVMA). Not only is it cruel to give these animals as gifts, in many states and cities it is illegal.

Rabbits, chickens and ducks are farm animals; they rarely survive in the home. A young child's enthusiasm over the new pet often results in unknowing cruelty as legs are broken and wings crushed. If the animal dies or is injured, it is a traumatic experience for the child. If the animal survives, it generally ends up in an animal shelter.

Because so many thoughtless people continue to give baby rabbits, chicks and ducks as gifts, shelters are unable to handle them and most have to be destroyed. Even if the animal should live to maturity, many local ordinances would prohibit a family from keeping it.

These are outdoor animals. They can not be housebroken and may cause serious house-keeping and health problems. Many are disease carriers. The National Center for Disease Control in Atlanta and other public health authorities warn that children and adults in close contact with these animals may be exposed to salmonellosis, a severe gastrointestinal infection. While the disease is rarely fatal, it requires medical treatment, often including hospitalization. In addition to the family, other pets in the household may become ill.

Because of the problems surrounding Easter "Pets," the AVMA suggests that you give youngsters stuffed toys instead.

Easter and the coming of spring should be a time of joy and rebirth, not a period of physical illness, psychological trauma and the needless deaths of young animals.

Governor Proclaims Defensive Driving Week

Reminding Texans that traffic safety is ultimately the responsibility of each individual driver, Governor Dolph Briscoe proclaimed April 3-9 Defensive Driving Week. The week is a national observance designed to focus public attention on the need for safer driving habits as well as to encourage enrollment in the National Safety Council's Defensive Driving Course.

"Last year 3,200 Texans died in car accidents," noted Hugh L. Scott, president of the Texas Safe-

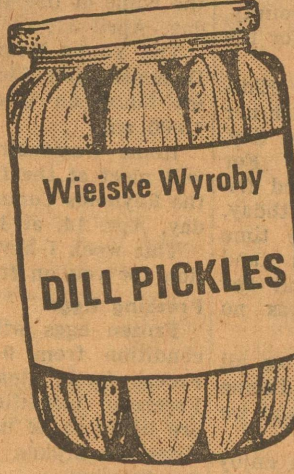

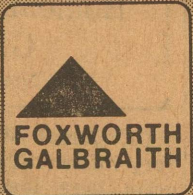

ty Association. "Had they been Defensive Driving Course graduates, that figure COULD have been one-third lower."

An eight-hour, classroom course, DDC teaches crash avoidance techniques used by professional drivers. Studies show that DDC graduates had 32% fewer accidents the year after taking the course as they did before.

APRIL

The following events, selected by the Texas Tourist Development Agency, are but a few of the many excellent recreational opportunities offered by communities across the state. A more complete listing of Texas events may be obtained free of charge by writing TTDA, Box 12008, Dept. C, Austin 78711.

March 26-27, April 2-3 Highland Lakes Bluebonnet Trail, Austin, Buchanan Dam, Burnet, Kingsland, Llano and Marble Falls. Arts and crafts shows will be held in these communities, and visitors will be directed to the best field of bluebonnets. For a brochure, write the Bluebonnet Trail, Box 1967T, Austin, Tex. 78767.

April 9 Easter Fires Pageant & Homes Tour, Fredericksburg. Held at the Gillespie County fair grounds, the Easter Fires event is perhaps the nation's most unusual Easter celebration. According to legend, settlers' children were frightened by Indian fires on the hills at night. To calm the children, a pioneer mother told a charming story of the Easter Bunny making the fires for Easter-egg dye pots. For well over 100 years the Easter Fires celebration has been passed from generation to generation in this German community. Fires are lighted in the hills, and starting at 8:15 p. m., that Easter event is reenacted. Reserved seats are \$2.50. General admission \$2 adults, \$1 children. The homes tour featuring 10-15 historic homes is scheduled from 2-5 p. m. For additional information write the Gillespie County Fair Association, Box 526T, Fredericksburg, Tex. 78624.

April 15-24 Fiesta, San Antonio. One of the top events in the state, Fiesta features three elaborate land and water parades, "Night in Old San Antonio" (19-22) and many, many more events. For a complete schedule write Fiesta San Antonio Commission, Inc., 306 North Presa, Suite 8T, San Antonio, Tex. 78205.

April 17 Texas Trek Annual Homes Tour, Montgomery. Sponsored by the Montgomery County Historical Commission, this event opens ten vintage homes and the old First State Bank of Montgomery to the public. Admission is \$3, or .50 at the door of each home. Hours 9 a. m. - 6 p. m.

April 23-24 Liberty Historic Tours, Liberty. With three major features, this event, sponsored by the Libertad Chapter of the Daughters of the American Revolution, has something for everyone. The famous Plantation Ranch, owned by Bill Daniel, former governor of Guam, will be open to the public for the first time. Included in the tour will be the plantation house and a 30-building restored village. Gov. Daniel, his family, D. A. R. members and husbands, all dressed in period costumes, will serve as guides and hosts. Hours 2-5 p. m. Admission \$2. A second tour, riding in air conditioned vans, includes historic sites, buildings, homes, businesses, cemeteries and churches. A running commentary of colorful and amusing facts will be provided by D. A. R. hostesses. The tour departs at regular intervals from the Geraldine D. Humphreys Cultural Complex. Cost \$2 per person. Hours April 23 are 10 a. m. - noon and 1 p. m. - 5 p. m.; April 24, 2 - 5 p. m. The third tour, open the same hours as the second, includes three of Liberty's best known historical homes. Admission is \$1 per person for all three homes. For additional information contact Mrs. E. W. Pickett, Sr., 1402 Sam Houston, Liberty, Tex. 77575 (714-336-6250).

April 21-May 1 Buccaneer Days, Corpus Christi. Parades, carnivals, sailboat regatta, tennis tournament, music festival, art, band contest, dancing and many other events make up a full schedule. For complete information write Buccaneer Days, Box 1200T, Corpus Christi, Tex. 78403.

HALLELUJAH

Eddie was the smallest one in the choir today. He stood at the end of the front row, stretched tall as he could, and sang with his whole heart.

I looked up at his round freckled boy-face and wondered what he was thinking as the Easter anthem rose in crescendo and blessed the April air. Were his thoughts on chocolate bunnies and rainbow-colored eggs, or on the stirring story he was singing — "He is not here, but is risen"?

Of one thing I am certain. When he is grown and thinks of Eastertime back home, it won't be the candy eggs and Easter baskets he'll remember; but the smell of lilies at the chancel rail, the joy of joining his voice to a Hallelujah chorus.

Give your child a lifetime gift. Celebrate special Sundays and every Sunday by going to your church and taking him with you.

**THE CHURCH FOR ALL . . .
. . . ALL FOR THE CHURCH**

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
