Austrian Student Adjusting To Life in United States

Monica Kristan is a foreign exchange student from Corinthia in Austria. She is sixteen years old and will be attending High School in Eldorado this year.

Miss Kristan has a variety of hobbies and interests. "I like to play the guitar very much but I do not have mine here," she mentioned. Monica keeps a daily diary in which

she writes her thoughts and feelings but she also writes poetry and prose. She enjoys reading poetry, also. Even though she is artistic and creative, she loves sports and out-

door activities as well. Monica enjoys snow skiing and ice skating during the winter since Austria is mountainous. "Some of the mountains are snow-capped all year," stated Miss Kristan.

Austria's educational system is somewhat different from our system because students attend school six days a week, yet some days they may be through with classes by noon and others not until late afternoon. Said Monica, "Languages are required in elementary school, especially English."

"We also have many electives such as other languages along with our basic study requirements." "One way our school is not so strict as in Eldorado is the dress code. We could wear anything we chose to school."

Monica added, "I would like to have a career related to languages someday. I hope that this experience will be an important part of my understanding of other cultures and the way people live. Also, I would like to travel to many other countries in future years."

Monica's educational system is somewhat different from our system because students attend school six days a week, yet some days they may be through with classes by noon and others not until late afternoon.

Said Monica, "Languages are required in elementary school, especially English."

"We also have many electives such as other languages along with our basic study requirements." "One way our school is not so strict as in Eldorado is the dress code. We could wear anything we chose to school."

Monica added, "I would like to have a career related to languages someday. I hope that this experience will be an important part of my understanding of other cultures and the way people live. Also, I would like to travel to many other countries in future years."

Her major goal is to

make many friends here.

Dating is unfamiliar to her because as she said, "It is not unusual or improper for girls to go to the movies alone." Most of the young people just gather or meet somewhere and go places together. Even when a boy and a girl go together, it is not improper for the girl to pay her own way."

She likes her American family, the Whitakers.

Said Monica, "They are always very kind and helpful."

Monica has several close friends in Austria, yet her main goal while she is here in Eldorado is to make many new friends.

She has a nine year old brother named Andreas. Her mother and father operate a business. Their apartments and supermarket are only open during the summer months because their patrons are primarily tourists from the neighboring countries. Their business is located beside a lake where many tourists spend the summer. Her family closes for the winter and

Monica Studies for exam

Shift Seen In Local Taxes

It looks as if Schleicher County homeowners will feel the same pinch homeowners all over the state are feeling when it comes to paying taxes.

County appraisal district manager Ray Lewis Ballew explained that is because of the new appraisals done in the summer which were required by law. The appraisals were required by the tax relief amendment or the Peveto bill which required all property to be reappraised so that all taxing jurisdictions would use the same value on the same property to evaluate taxes.

He explained that there are two rolls from which to collect taxes. One is for oil property which has been revalued each year by an appraisal firm. The other roll is for real estate, which has not been kept up to date as the last appraisal done in this county was on city property in 1958.

This new reappraisal pick up \$4 million in rural improvements which primarily includes houses and barns. It increased the school roll by \$21,710,000, the county's roll by \$24,900,000 and the city's by \$9,300,000. These pickups, however, made the tax rate drop for all four taxing jurisdictions (school, city, county and hospital district.)

The county dropped from 45 cents to 41 cents, the hospital dropped from 22 to 16 cents and the city dropped from 48 to 27 cents all on a 100 percent assessment. The school rate dropped from \$1.50 on a 50 percent assessment to 63 cents per 100 percent assessment.

Although these lower tax rates will help taxpayers a little, all taxing jurisdictions have larger budgets for the coming year so taxpayers generally will have to pay higher taxes after all.

The biggest change, because of the new appraisals and because of skyrocketing market values on real estate, will be felt by the owners of single family residences.

What this means, noted Ballew, is that there will be a shift in making homeowners pay more of the taxes and local property owners paid for 15 percent last year, the oil companies will pay 80 percent of the taxes and property owners will pay 20 percent.

Although it is too late to apply for them now, there are two avenues to help taxpayers. One is to apply for the homestead exemption and the other is to apply for the productivity value of ranch land.

Ballew stressed that this is a statewide trend.

Meals for Friends Program Beginning Its Third Year

Meals for Friends, a locally operated and funded program will help senior citizens, is beginning its third year of operation by taking more applications.

The program began when a small group of townspeople realized several senior citizens were unable to provide themselves a hot meal on a regular basis.

They inquired about programs in surrounding cities, but because of red tape connected with state and federal programs, they formed their own program. As a result, they have an organization that is totally funded and controlled on a local basis.

Funds come from the city and county governments as well as

donations from individuals and civic organizations. Also, some recipients pay for their own meals.

The program is strictly a volunteer one. There are now 17 volunteers headed by one coordinator. They serve 22 persons in the city a hot noon meal on Tuesday, Wednesday, and Thursday of each week.

The meals are prepared by the school cafeteria staff and follow the same menu as the school lunch menus.

Recipients must be 60 years of age or older who find it difficult to have at least one hot meal per day.

Anyone wishing to receive the meals should fill out forms on page 4 and return them to Meals For Friends,

Box 678, Eldorado, Texas.

They must agree to take meals on a regular and consistent basis. Those who are able to pay will pay weekly or monthly. Those who are not financially able to pay will have a place provided by the "Meals for Friend" committee and are solicited on a voluntary basis.

After the forms are received, they are kept in confidence. A member of the committee will visit with applicants and report back to the program board.

Ina Lambert is serving as temporary coordinator for the program. Volunteers in the program will meet at 10 a.m. Sept. 30 in the Presbyterian Church to discuss scheduling.

Eagle dense holds Bronco charge

Eagles Eyeing the McCamey Badgers

By Mike Wilks

The Eldorado Eagles lost their third consecutive game to the tough Sonora Broncos, 38-0 last Friday in Eldorado.

Sonora started their scoring campaign early in the first quarter when David Bruiton sprinted 79 yards and the PAT was good. After an unsuccessful series by the Eagles, Sonora got the ball back and drove it down to the Eagle 10 yard line. But they had to settle for a field goal because the green defense held them right there. That made the score 10-0 at the end of the first quarter.

In the second period the Broncos drove seventy yards in ten plays for their next score. Then with 43 seconds left in the half they scored again. Both PATS were good and Sonora led

24-0 at the intermission.

Mid-way through the third quarter the Broncos scored again, this time by Allen Stewart on a three yard run. Again the point after was good and Sonora led 31-0.

Then the Eagles made their only threatening drive of the game. First quarterback Gregg Davidson hit split-end Lamar Hardee with two passes for 20 yards apiece which put the ball on the Bronco 25 yard line.

Next Davidson connected with Brad Thomas for 12 yards. Then Davidson himself ran the ball to the two yard line, but all this effort was in vain, for Sonora Broncos showed no mercy.

Sonora's final touchdown came late in the fourth quarter, that made it final 38-0.

The Eagles will have McCamey. Kick-off is at tomorrow off but resume 8:00 p.m. This will be the action next Friday against Eagle's last non-district the McCamey Badgers, in game.

Cheatham Funeral Held on Friday

Funeral services were held at the First Baptist Church of Eldorado Friday for Richard Edward Cheatham, 75. The Rev. Don Williford, pastor, officiated. Burial was in Eldorado Cemetery under direction of Kerbow Funeral Home.

Mr. Cheatham died Sept. 16 in Schleicher County Medical Center.

He was born Jan. 21, 1906 in Rockwood to Samuel Hobson and Mattie Virginia Cheatham. He married Allie Trotter in Rockwood Jan. 8, 1923 and

moved to Eldorado from Rockwood in November of 1925. He was a retired farmer and county employee and a member of the First Baptist Church.

He is survived by his wife; one son, Tony Cheatham of Eldorado; one sister, Atla Taylor of Palm-dale, Calif.; five grandchildren and five great-grandchildren.

Pallbearers were Johnny Mayo, Earl Dean Clark, Hensel Matthews of Sonora, O.B. Singleton, Sam A. Whitten and David Griffin.

JV Keeps On Winning

The Eldorado junior varsity edged Wall by one point to earn their tenth straight victory last Thursday in Wall.

All of the scoring was done in the first half. In the first quarter tailback Douglas Ussery made the Eagle's only touchdown. He also kicked the extra point. Wall's score came in the

second quarter. The PAT was no good.

The J.V. Eagle's defense had an excellent night, with Sonny Dean, Minor, and Tim McAngus all getting several quarterback sacks. Also Mark Nikolauk had an interception and Dean blocked a punt.

Tonight our undefeated

J.V. will try to win their third victory of the season and their eleventh straight.

The seventh grade rolled over the Hawks by the sum of 22-0. The eighth grade won by a 6-6 margin.

Both J.V. and junior high teams will face the Ozona Lions today starting at 5 p.m. in Eldorado.

1981 TWIRLERS--These are the 1981 twirlers sporting their new sequined decorated outfits. From left to right, they are Dannette Dunagan, Jeanne Redwine, Shelly Squyres and Lori Patton. For a new routine, they are also twirling rifles this year.

School News

Class Officers

By Lamar Hardee

The student body elected their class officers and student council representatives for 1981-82 during the first week of classes.

The senior class will be led by president, Eddie Harris; vice-president, Eddy Montalvo; secretary, Kim Payne; treasurer, Cindy Hausenluck; Student Council representatives, Linda Gentry and Shane Wells.

The junior class elected Danny Pina as president; vice-president, Victoria Powell; secretary, Shanna Swift; treasurer, John Griffith; Student Council representatives, Julie Cash and James Woodward.

In the sophomore class, the "men" dominated with the only girl being the council representative. As president Steve Minor was chosen with vice-president, Bill Clark; secretary, Ricky Cathey and treasurer, David Corbell. Council representatives elected were Tammy Faries and Bill Cawley.

This year's freshmen picked president, Roxanne Pina; vice-president, Sonny Dean; secretary, Brett Nikolauk; treasurer, Bobby Williams; Student Council representatives are Michelle Walker and Houston Taylor.

Flag Corps

By Lamar Hardee

A flag corps, flashy uniforms, and twirling rifles are new additions to the EHS Goin' Band for this year.

Eight girls raising, lowering and twirling flags give a new dimension to the band.

The percussion section, already well known for its outstanding cadences, are even more spectacular in special uniforms.

Drum major Jennie Day, senior, said, "If these things help band morale, then I am for it. Last year's attitude wasn't nearly as good as it should have been."

Wayne McDonald, director, said, "The morale is good and members have more enthusiasm. The first two performances were good."

Alcoholism

By Jennie Day

Ten to twenty million Americans are affected by it. Heart disease and cancer are the only diseases that have more victims. It is a disease in which the drinking of alcoholic beverages is a compulsion. This disease is alcoholism, and it affects Eldorado High School.

Counselor Ken Newman surveyed the high school students last spring. Out of 79 students, only seven had never used alcohol at the time of the survey and eleven were drinking everyday.

Excessive drinking costs the US more than a billion dollars a year. It is also the cause of one-third of suicides, one-half of all rapes, three-fourths of all robberies and one-half of all fatal car accidents. Despite these frightening statistics, people still drink. Last year, an average American drank 22.4 gallons of beer and two gallons of hard liquor.

To try to stop some of the excessive drinking among the young, Texas has raised the legal drinking age from 18 to 19. But according to the Newman survey, this will not make a big difference; sixty-two of the students surveyed said someone out of school bought it for them. Of those surveyed only 22 bought it legally.

We believe that only closer parental supervision, stricter law enforcement and greater self-discipline will steer the drinking pattern of Eldorado's young people off its self-destructive course.

Yearbook Work

By Beckie Simmons

Work on the 1982 Talon is well underway even though the 1981 yearbook has not been delivered. According to adviser Ruth Anne Callihan, Newsfoto Publishing Company has promised delivery on September 25; they should be distributed to the student body the following Monday. She said that there will be a few extra yearbooks priced at \$15 for people who did not place an order last year.

The Talon staff attended a workshop at ASU in August where work on the 1982 yearbook got underway.

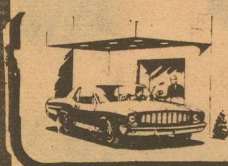

The staff received awards for the best developed subject matter theme and for the most thorough preparation. For the latter award, they scored 199 out of a possible 200 points.

Staff photographers Matthew Nixon and Stephanie Thomas also won several awards. Matthew placed first for mood, second for group, and honorable mention for special effects. Stephanie placed second in sports, second in technical knowledge and honorable mention for group.

This year's yearbook staff consists of editor, Shelly Squyres; assistant editor, Kamie Hunter; and business manager, Lori Patton.

THE FIRST NATIONAL BANK OF ELDORADO
Serving Eldorado and Schleicher County since 1907
TAX FREE INTEREST on a deposit that is FULLY INSURED BY FDIC
Beginning October 1, 1981

Ask one of our experienced financial advisors about the "All Savers Certificate" Remember, your deposit is ALWAYS FULLY INSURED, up to \$100,000.00 per depositor, by F.D.I.C. In addition, we have a sound financial structure to further protect your deposit dollars. Your deposit dollars help provide funds that are reinvested in LOCAL loans to help Eldorado and Schleicher County continue to grow.

Drive-In Banking

FIVE YEARS AGO--Charles Harris became manager of the Foxworth Galbraith Store here.

Clay Meador became manager of the Kwik Thrift Store.

Junior high cheerleaders were Anna Robledo, Shelly Cavanness, Cissi Cavanness and Lillia Martinez.

Carrie Dacy was fatally wounded in an accidental shooting.

Valerie Jo Geer became the bride of Michael Benjamin Michalski.

Mr. and Mrs. Charles Schrier became parents of a baby girl, Holly Marie. Mary Jo Parker returned from a trip to Florida.

12 YEARS AGO--Mrs. Delbert Taylor was elected temporary chairman for the hospital auxiliary during

the organizational meeting.

Carolyn O'Harrow was elected president of the Eagle band.

Joan Doyle was married to Allen Bishop.

Arthur Estrada was serving a tour of duty in Viet Nam and his brother, Robert, had returned from his tour of duty in Viet Nam.

They were the grandsons of Mrs. Mercedes Pena of Eldorado.

35 YEARS AGO--A subterranean stream was struck at 80 feet by a seismographic crew on the Virge Tisdale ranch.

Hamburger Bill, well known cafe owner here, sold his business building and residence to Pat Finley who re-sold it to Ernest

Sellers.

Farmers B.T. Williams, E.C. Parker and Ovid and Jack Wade were busy building terraces on their fields.

Jack Hext announced plans to add on the Eldorado Frozen Foods Co.

Mrs. H.W. Wiedemann, 45 died in San Angelo.

A house warming was held for Mrs. O.L. Woodward whose ranch had recently burned. Hostesses were Mrs. Jerome Mitchell and Mrs. Jim Smith.

Mr. and Mrs. Edwin Jackson were honored on their silver wedding anniversary with a celebration in Bertram.

Eagles Have A Week Off

Eagles continue to organize their attack game plan as they prepare to battle McGamey, October 2, 1981. The Eagles have not as yet won a game in their first three match-ups but Spirit is high as support continues for our High School football team.

The Junior Varsity has continued to excel since the first game against Big Lake. The Junior Varsity displayed aggressive defense in an easy victory, 40-0. The squeaker against Wall lead to a 7 to 6 win as the Junior Varsity team approaches this weeks game against Ozona on September 24, 1981, at 5:00 pm.

At half-time Jenny Day and Laurence Brame lead band.

FFA Members Begin New Year

The first period Vocational Agriculture I class at EHS elected Greenhand officers last week. They are president, Wade Wallace; vice president, Archie Huckabee; secretary, Houston Taylor; treasurer, Lonnie Garrett; and FFA emblem, colors, and symbols. They must explain the proper use of the FFA jacket and blazer. They must personally own a FFA membership card or have access to the Office of the FFA National Office.

Each qualification has been met, each member must submit a written application for the degree for chapter records. Then the degree is conferred by the FFA chapter. The Greenhands will also study parliamentary procedure. The members will learn how to conduct a meeting in an orderly manner. Each one will learn how to make a motion, second it, and then vote. In November the members will go to the district contest and compete against other schools in the Concho District. The Concho District consists of Eldorado, Mertzon, Ozona, Bronte, San Angelo Central, San Angelo Lakeview, Robert Lee, Wall, Sterling City, and Water Valley.

Fashions Featured In Club Meeting

The Good Neighbor Home Demonstration Club met Sept. 15 at the home of Marguerite Gillaspay. The roll call was answered with each woman naming her favorite fabric.

Nancy Lester, extension agent, gave the program on fall fashions showing fashion fabrics of every description and modeling several. Nine members attended the commissioner's appreciation dinner Monday in the Memorial building. Sixteen entries of food were the four winners and they gave their recipes.

Winter gardens
 Don't shut down your vegetable garden just because summer is about over. There's another gardening season ahead.

Fall and winter gardens can be just as productive as those in the spring and summer.

Texans can fight rapidly rising costs of fresh vegetables by gardening the year round. A typical backyard vegetable garden or flower bed can supply a family with fresh vegetables throughout the winter.

For a wide variety of winter vegetables, gardeners need to sow seeds or set out transplants in late summer or early fall. Among cold hardy crops are cabbage, carrots, greens, broccoli, cauliflower, lettuce, onions, beets and spinach.

We suggest locating the garden in an area that has fertile, well-drained soil, does not have competition from nearby trees and shrubs, receives full or near full sunlight, and has some protection from winter winds.

As far as garden size is concerned, a 400-square-foot garden is large enough for the average family.

Maximum yields can be obtained by spacing plants properly and grouping various types of crops.

When it comes to crop selection, plant only those vegetables which family members like and which will produce heavily for the amount of space required. Avoid over-planting and over-crowding.

For information of specific varieties of vegetables to plant as well as other details to help you get the most from your garden, contact the county Extension office.

Mulberry Leaf Spot

Many people have called and dropped by the County Extension Office to seek an explanation why their fruitless mulberry trees are raining spotted leaves. This is a common occurrence when weather conditions are ideal for development of the cercospora fungus.

Cool nights and high humidity associated with fall months produced a rapid spread of the fungus.

Trees suffering from lead drop caused by Cercospora rarely die or show long term effects. Controlling

this disease requires a chemical spray using Benomyl or Maneb a the first sign of infection in August. Repeat applications at 14-21 day intervals for approximately 3 sprays. If trees

are not sprayed, they will defoliate early, but will not die if maintained properly through the year.

Winterizer Fertilizer

Mid September through October is the time for the third and final lawn fertilization. At this time of year a fertilizer containing Nitrogen-Phosphorus-Potassium in a 2-1-1 ratio will give good results. Researchers have found that potassium (the last element in the ratio) is mainly responsible for winter hardiness and growth tolerance. A good complete fertilizer such as 16-8-8, 12-6-6 or 10-5-5 applied now will keep lawns green up to frost and allow for a quicker greenup in spring.

Winterizer fertilizers prepared by companies will usually provide the necessary nutrients. Chemical insecticides include in the fertilizer now may do more harm than good. Beneficial insects will be killed while

many pests such as grub worms have past the stage of control.

Peachtree Borers

Area fruit trees are coming under attack of peach tree borers. These include apricot, plums, nectarines and peaches. Purple-leaf plum trees can also become infested with borers.

If untreated these trees can become extremely short lived. If you have noticed an amber colored substance oozing out of the trunk or major limbs of your fruit trees, you have become witness to the larval stage of the Peachtree borer.

Adult borers fly from tree to tree depositing eggs on the bark near the soil line. Eggs hatch in about 10 days and the larvae enter the tree and feed for 10 to 14 months between the bark and the cambium layer.

New products to homeowners called LORBAN has given excellent control with on application in early September. This product may not be available in the San Angelo area until 1982 so Lindane can be substituted.

Treatment is made by thoroughly wetting the trunk, major limbs and base of each tree. Once borers have entered the trees control is difficult so a preventive treatment is most effective.

Heart O' Texas SAVINGS ASSOCIATION

A State-Chartered Association

NOW OPEN IN ELDORADO

EFFECTIVE October 1, 1981:

The new All Saver's tax-exempt certificate allows you to earn up to \$1,000 worth of tax-exempt interest per individual \$2,000 if you file a joint tax return. Minimum deposit - \$500.

Citation By Publication

The State of Texas,
To: Bailey Ranch Baptist Church and all persons claiming any title or interest

claiming any title or interest in land under deed heretofore given to deacons of Bailey Ranch Baptist Church and their successors in office, or Schleicher County, Texas, as grantee, Defendants in the herein-after styled and numbered cause.

You and each of you are hereby commanded to appear before the District Court of Schleicher County, Texas, 51st Judicial District, to be held at the Courthouse of said County in the City of Eldorado, Schleicher County, Texas, at or before 10:00 a.m. on the first Monday after expiration of forty-two days from the date of issuance hereof; that is to say, on or before 10:00 a.m. on Monday, the 9 day of November 1981, and answer the petition of Mrs. J.E. (Jesse Lee) Spencer in Cause No. 1644, styled Mrs. J.E. (Jesse Lee) Spencer v. Bailey Ranch Baptist Church and all persons claiming any title or interest in land under deed heretofore given to deacons of Bailey Ranch Baptist Church and their successors in office, of Schleicher County, Texas, as grantee, in which Mrs. J.E. (Jesse Lee) Spencer is Plaintiff and the parties herein named as Defendants are Defendants, which petition was filed in said Court on the 4th day of September, 1981, and the nature of such suit is as follows:

Plaintiff brings this suit to remove a cloud and quiet title to a parcel of real property and all the improvements on that property, consisting of a five acre parcel of land, described as follows:

Being Five acres of land in Schleicher County, Texas, out of the North one-half (N 1/2) of Section No. 164, Abstract No: 803, in Block "A", originally surveyed for the Common School

Fund by the HE & WT RY CO., by virtue of Certificate No. 84, and sold by the State of Texas to John Hutto. Said Five acres described by metes and bounds as follows: to wit: Beginning at a large fence post in the North line of said survey 164 766-3/10 vrs from its NE Corner,

Thence South 103 vrs. to a mesquite stake for the S.E. Corner of this tract;

Thence West 274 vrs. to an iron pin for the S.W. Corner of this tract;

Thence North 103 vrs. to a large mesquite gate post in the North line of said Survey No. 164 for the N.W. Corner of this tract;

Thence East 274 vrs. with the North line of said Survey 164 to the place of beginning.

This five acre parcel was conveyed to Deacons of Bailey Ranch Baptist Church by a deed dated January 19, 1924. The Bailey Ranch Baptist Church ceased holding services in the early 1950's, and since that time, Plaintiff (and her predecessors in interest) have been in adverse possession of the real property involved here, under Articles 5509, 5510, 5519, 5518, and 5519a of Texas Revised Civil Statutes.

If this citation is not served within ninety (90) days after date of 1st issuance, it shall be returned unserved.

WITNESS Mrs. Helen Bebee, Clerk of the District Court of Schleicher County, Texas.

Given under my hand and seal of said Court at office in the City of Eldorado, this 21 day of September, 1981.

Mrs. Helen Bebee,
Clerk of the District Court of Schleicher County, Texas

Issued this the 21 day of September, 1981.

Mrs. Helen Bebee,
Clerk of the District Court of Schleicher County, Texas

Spotlight on Business

Meador Company Opens Office

Meador Land Company announces the opening of additional offices at 800 Davis Building, Dallas, TX. John D. "Rusty" Meador, vice president, business development, will head this new division of the independent land and oil and gas development firm.

Meador is a 1972 graduate of Southern Methodist University, majoring in public communications and has been associated with the company in his present position for the past three years.

Meador Land Company is involved in oil and gas lease purchasing in Texas and New Mexico, and in exploration and production of oil and gas in the Permian Basin of West Texas.

A family held corporation organized in 1978 with home offices in Eldorado, other members of the firm include Ed Meador, president, Lynn Meador, vice president, operations, and Dale F. Lipsett, secretary treasurer.

Long-term credit that's productive.

Conservation District Plans Range Tour

Prescribed burning for prickly-pear and mequite control and cell grazing systems will be the topic of a Range Tour on October 1. The tour will leave from the courthouse square at 3 p.m.

Following the tour will be a barbeque and district director election for zone 3 of the Eldorado - Divide Soil Conservation District. This zone is in the northeast quarter of the county between the San Angelo and Menard Highways.

All ranchers and interested agricultural people are invited to attend.

Brown Named To Outstanding Young Women of America

Sharon Brown, youth director for First Baptist Church of Eldorado, has been nominated as one of the Outstanding Young Women of America for 1981. This is an honor that recognizes young women throughout the nation for professional achievement and community service.

The purpose of the award is to recognize the many young women whose talents and education have enriched the quality of American life.

Miss Brown's biography and picture will be included in the annual awards volume, Outstanding Young Women of America.

She has been youth director and involved with young people in the Eldorado area for two years. She was nominated by the Rev. Eugene Stark of Ballinger.

former pastor of the First Baptist Church of Eldorado.

Ratliff Bebee Wins At Bridge

Tom Ratliff and Jack Bebee won first in Duplicate Bridge Club play last week. Second went to Ina Lambert and Clay Porter. Helen Bebee and Pete Finley won third while Evelyn Wimer and Bernice Sweat won fourth.

Two weeks ago, Vivian Miers of Sonora and Mary Christian won first. Mary Lois Brown of San Angelo and Anne Parker of Ozona won second.

Imogene Edmiston and Helen Bebee tied for fourth with Lunetta Morgan and Muriel Brown of Sonora.

Churches Form Youth Group

Adult and church leaders from the Methodist and Presbyterian Churches in Eldorado have formed a joint youth group of about 18 youngsters.

Leaders and participants met for supper at the Jimmy Powell residence

Sunday and discussed their plans.

They are planning a retreat at Mo Ranch near Kerrville the weekend of Oct. 31 and will meet each third Sunday of the month.

Wedding Is Planned

Trinity Lutheran Church in San Angelo will be the setting for the Nov. 7 wedding of Dianna Spieker and Jimmy Dan Doyle.

The bride-elect is the daughter of Mr. and Mrs. W.A. Spieker of San Angelo. The bridegroom is the son of Mrs. Ann Davidson of San Angelo and Jimmy Doyle of Eldorado.

Miss Spieker and her fiance are both graduates of San Angelo Lakeview High School.

Notes From Nancy

By Nancy Lester

Young people and adults too are invited to become involved in the Schleicher County 4-H program.

What is 4-H

4-H is an exciting youth program that helps young people learn how to do new and interesting things through learn-by-doing projects.

Members may be found in urban, suburban, and rural areas. 4-H is a non-profit, educational program which is open to all youth regardless of race, color, religion, or national origin.

You Can Be In 4-H

In Schleicher County you can participate in the sub-junior club if you are younger than 9 years old.

Boys and girls 9-19 take part in 4-H club. A 4-H club is a group of boys and girls who participate in 4-H projects, run their own club, elect officers, and develop their own program with the help of adult volunteer leaders. Improving leadership and citizenship are two of the greatest benefits of 4-H club membership. Above all, 4-H is educational. 4-H explores everything from livestock to public speaking, from canning to camping, from square dancing to veterinary science.

There is no membership fee but each member is usually responsible for financing his or her own projects. 4-H is the youth phase of the Texas Agricultural Extension Service.

Things You Can Do In 4-H

4-H projects help you learn better ways of doing things in the sciences, agriculture, home economics, and recreation. There are many things you can do in 4-H:

- Discover new ideas and skills
- Make things you can use
- Learn to keep records of your projects
- Take part in club meetings and activities with friends
- Learn to present educational demonstrations
- Have fun at 4-H parties, camps, fairs, picnics, and tours
- Make new friends

4-H Leaders and Advisors

Adults in the community who are interested in helping young people serve a 4-H leaders or advisors. These adults--

- Enjoy working with young people
- Are concerned about the future of our youth
- Can be:
- Organization leaders who help coordinate 4-H clubs
- Project leaders who help 4-H members plan and conduct various 4-H activities.
- Can help in an already organized club or can start a new 4-H club

There are great personal rewards as a 4-H leader or advisor in working with youth. They have a profound impact on the lives of their 4-H members.

To Find Out About 4-H

Telephone or write your county Extension agents, Jerry Swift or Nancy Lester, or stop by the county Extension office. It is located in the county courthouse. The county Extension office numbers are 853-2610 and 853-2312. They will be happy to talk with you about 4-H.

CHEVY'S PROUDEST ACHIEVEMENT For 1982 6.2 Litre V-8 Diesel Engine!

NEW DIESEL POWER FOR CHEVY PICKUPS, BLAZERS AND SUBURBANS

Giving truck buyers economy is not easy. A light-truck buyer can't always downsize his load. He needs a tough, full-size truck to put it in and the power to move it. Yet he still wants and needs fuel economy.

For 1982, you can now offer power plus economy with the first domestic diesel engine designed specifically for light-duty trucks... the 6.2.

6.2-LITER DIESEL ENGINE AVAILABILITY					6.2-LITER DIESEL MAINTENANCE INTERVALS	
Model	2-Door	4-Door	4-Door	4-Door	Oil and Oil Filter Change	12 months or 15,000 miles
Pickup	X	X	X	X	Air Cleaner Change	15,000 miles
Blazer	X	X	X	X	Fuel Filter Change	15,000 miles
Suburban	X	X	X	X	Check Engine Air Speed	From 5,000 miles and every 20,000 miles
