

WIDESPREAD INTEREST IN RURAL ELECTRIFICATION; BAILEY RANCH 100 PCT.

SECOND GUESSING

(By L. T. Barber)

All reports from the McCamey front were encouraging. The boys seemed to take care of themselves very well. McCamey almost took the spotlight from the Arkansas Radorbacks in the Southwest conference as the passingest team in the world. They did not toss quite as many passes but the spectators thought for awhile it was an air raid. Twenty nine passes were thrown by the Badgers, besides the laterals, which would run the total up to fifty or more.

Heavyweight Jackie Halbert gave the customers a thrill, and almost caused some of them to lose their hats when he intercepted an enemy pass on his own one yard line and returned it 99 yards for a touchdown. Another outstanding feat of this runback was Tuffy McCormick, playing with a sprained ankle, grabbed up his crutches and did some classy blocking for the race.

Bob Williams was the big exposition on the offense. Breaking away early in the game to cross pay dirt from the 30 yard line. And then later to make the game sure gave the fans another exhibition of sidestepping and hip shaking. We know the tacklers do not know where Bob is going to step next and we really don't believe he does either.

The loss of James Hendrson in th tackle spot will hurt the Eagles suite a bit but we believe that Joe Reynolds will be able to hold down that hole very well. Lacking experience is the only handicap for Joe He is a fighter and a hard player but this being his first year there he might have some trouble from the Del Rio tackle slants.

It looks like a battle to the last at Del Rio tonight. They boast considerable weight, some speed and shifty backs. From the reports from the McCamey game, we believe the boys from the Divide can take care of the Border boys. (No points to give away.)

We are still on the same subject of equipping the grammar school boys with football equipment. Mr. Reynolds, principal of the grammar school is trying to match some games with other junior teams in the district and the boys here with no uniforms run a

Sonora Lions Visit Club Here Wednesday

Wallace Damron, President of the Sonora Lions club and John Eaton, Secretary, were visitors at the weekly luncheon of the local club at Eldo Hotel Wednesday. Both the visitors spoke briefly before the Eldorado civic body.

Following the regular meeting, a meeting of the advisory committee, composed of Presidents and Secretaries from clubs in this district was called by Zone Chairman Dave Williamson. The purpose of these meetings is to exchange ideas on civic improvement projects and discuss plans of promotion.

Stock Pens To Be Remodeled

Loading schutes at the stock pens on the Santa Fe railroad tracks in Eldorado will be remodeled and repaired in the near future it was announced this week by W. A. Mullett, local Agent.

The loading schutes will be straightened and facilities made for loading double-decks. The road leading from the highway to the pens is also expected to be repaired and conditioned for all-weather travel.

J. A. Whitten, chairman of a Lions club committee appointed to work on the project, stated this week that the commissioners' court would be contacted in an effort to have the road repaired.

SUNDAY IS "RALLY DAY" AT PRESBYTERIAN CHURCH

The annual "Rally Day" in the Sunday School will be observed at the Presbyterian Church next Sunday morning, it was announced this week by Rev. N. P. Wilkinson. A special Rally Day program, beginning at 10:30, will take place at the regular Sunday School exercises and morning preaching service.

The theme of the program will be "Neighbors Neglected," emphasizing the fact that there are multitudes in our southland with no religious instruction, and how these may be reached and helped through Sunday School extension work. Examples of the fruits of such work will be told. The offering received at the service will be devoted to such work.

Pupils ready to advance to other classes will be promoted at this service; also officers and teachers will be formally installed for another year's work.

The school has set an attendance goal for the service of 125, and we are told by the pastor that such interest has been manifested that he confidently expects the goal to be reached. The public is invited.

ELOISE WHITTEN ENTERS SAN ANTONIO COLLEGE

Mrs. D. C. Royster and Miss Eloise Whitten went to Fredricksburg last Friday to visit Mr. and Mrs. Chandler Whitten. The group went from there Saturday to San Antonio where Miss Whitten enrolled in Draugh's Business college.

A man who crashed a police picnic at Fort Wayne, Ind., when he did not have the price of admission, later sent a coil to the chief.

On account of taking a wrong highway, a truck-carried circus showed in Perryburg, O., instead of Adrian, Mich., where it was billed.

The buggy whip industry is not entirely dead, as nearly half a million dollars worth were made and sold last year.

After breaking a window to rob the home of H. W. Albright in Londonville, N. Y., the thief picked up the broken bits of glass and placed them in a dish before leaving.

Mrs. Homer Day and children of Merton visited in the home of Mr. and Mrs. R. J. Page and Mr. and Mrs. W. J. Creech last Saturday and Sunday.

Mr. and Mrs. J. D. Jones and Mr. and Mrs. Clyde Chandler of Midland spent last week-end with Mr. and Mrs. Hank Bowman. Mrs. R. E. Jones returned home with them for a two weeks visit.

Traffic Light For City Being Sought

A stop light for the three-way intersection at the end of Main street near the postoffice, is being sought for the city, it was announced last week. H. B. Rees is chairman of a committee appointed by the Lions club to investigate the project.

Mr. Rees stated this week that the State Highway Department had been contacted and that negotiations were being carried out to secure the light.

The stop light is being sought in order to eliminate a major traffic hazard here. Since the construction of the new postoffice building, traffic thrown on this street has tremendously increased and resulting in a hazard to both pedestrians and motorists at the intersection.

Motorists and pedestrians are urged to approach the hazardous corner cautiously in the meantime, until a stop light can be erected, thus affording greater protection.

Band Parents To Have Cakewalk Saturday Night

For the purpose of raising money to purchase uniforms for the school band, parents of band members have planned a band concert and cake walk to be held Saturday evening near the Rees Red & White grocery store, Mrs. Tom Jacoby, president of the band parents club, announced this week.

The committee in charge of arrangements includes Mrs. Tom Jones, Mrs. Sam Oglesby, and Mrs. Norman Hodges. Others who are assisting are Bertram Geeslin, band director, Mrs. G. L. Ballew, secretary of Band Parents' and Mrs. Jessie Smith, member of the expansion committee of the organization.

The band uniforms have been ordered and are expected to arrive here by October 14.

A window will be reserved in the Rees Red and White grocery for anyone who wishes to bring cakes beforehand, announced Mrs. Jacoby.

Methodist W.M.S. Meets Monday

"Christ and the World Community," was studied by the Methodist Woman's Missionary Society when they met Monday for their regular meeting at the church.

The study was given by Mrs. Dave Williamson, Mrs. M. V. Williams and Mrs. V. G. Tisdale.

Mrs. Tisdale, hostess, served refreshments to 15 members and two visitors, Mrs. Dan Berry and Mrs. Orville Berry.

Lynn Alexander Overturns Car; No Serious Injuries

Blinded by a match while lighting a cigarette, Lynn Alexander ran into a 12 foot ditch on the Merton road Wednesday night and overturned the car in which he was riding.

No serious injuries were reported. Damage to the car was a badly smashed top.

Woman's Club Further Plans For Planting Trees

A committee was appointed to consult with high way officials in regard to a project to plant trees along the high way in Eldorado city limits when the Woman's club met Tuesday afternoon in the home of Mrs. W. N. Ramsey. The committee includes Mrs. V. G. Tisdale and Mrs. Dave Williamson.

The program, a study of William Cullen Bryant, was led by Mrs. F. B. Gunn. Roll call was answered with quotations from Bryant and Mrs. Ernest Hill told the history of the origin and the publication of "Thanatopsis". Mrs. J. B. Edens gave a brief sketch of Bryant's life, Mrs. D. E. DeLong read and discussed two of Bryant's poems which was followed by a discussion of Bryant's distinction in American Poetry.

Mrs. R. O. Smith and Mrs. S. D. Harper were appointed as publicity committee during the business session.

Those present include Mrs. L. P. Haynes, guest of Fredricksburg, Mrs. Edens, Mrs. Gunn, Mrs. Harper, Mrs. D. C. Hill, Mrs. C. M. McWhorter, Mrs. Bert Page, Mrs. R. J. Page, Mrs. Smith, Mrs. J. E. W. H. Parker Passes 80th Birthday

Mrs. W. H. Parker, Mrs. Mable Parker, Mrs. Thorp Parker and Mrs. Bill Davis entertained at an open house Tuesday afternoon honoring W. H. Parker on his 80th birthday anniversary.

Garden flowers were used at vintage points in the rooms and a color scheme of orchid, green and white was used in decorations and refreshments.

Mr. Parker, in the grocery business here from 1912 to 1934, is now retired. Though blind for several years, he keeps up with news of world affairs, enjoys the radio, telephone calls and visits from friends.

The story of his grandfather's death at the hands of Indians who scalped and stripped him of his clothes is often told by Mr. Parker.

He was a stock farmer in Burnett County until 1909 when he sold his holdings and headed west with two wagons and a buggy. He farmed in the Bailey ranch community a couple of years and entered the grocery business in 1912.

Friends who called Tuesday afternoon include Mr. and Mrs. J. B. Christian, Mr. and Mrs. G. A. Neill, Mrs. Bert Page, Mrs. V. G. Tisdale, Mrs. L. M. Hoover, Mrs. J. E. Tisdale, Mrs. J. B. Campbell, Miss John Alexander, Miss Ruth Baker, Mrs. W. E. Baker, Mr. and Mrs. Frank Bradley, Mrs. W. M. Bearce, Mr. and Mrs. J. L. Ratliff, Mr. and Mrs. J. A. Whitten, Carl McWhorter, A. T. In what appears to be the hardest game so far this season, the Eldorado Eagles will try to successfully invade Del Rio tonight. This is the third non-conference tilt for the year. The first with Crane, where they padded to a 6-6 tie then taking McCamey 20 to 6 last week end.

Del Rio will boast a considerably heavier team and many reserves. They have a fast bunch of backs that are capable of doing tricks with a football, and are dangerous from any point on the field.

The local boys have been improving in jumps over the short period of practice and will be in there trying their best to keep their undefeated record up-to-date.

The crowd from here will be larger than the one going to McCamey and that will practically empty the capitol. Very few were left on the streets last Friday. At any rate the Eagles will have the support of the town tonight.

The strong Eldorado met and downed the McCamey Badgers 20 to 6 in McCamey Friday night. The Eagles weren't long in taking advantage of a bad punt which went out of bounds on the Badgers 29 yard line early in the second quarter. On the first play, Bob Williams cut back inside of his right end and behind good down field blocking combined with good running on his part scored the Eagles first touchdown.

The highlight of the game came just before the first half ended. McCamey, seriously threatening to score, passed to the one yard line where Jack Halbert intercepted and ran 99 yas. for the Eagles next score. The third score came in the third quarter from mid-field. Again Bob Williams came over his right tackle and made a beautiful run for the third and last Eagle score.

McCamey score early in the fourth quarter on passes and drives through the line. They drove the ball over from the five yard line.

For the winners a good game was played by all, with Bob Williams shining in the ball carrying department. For the losers Smith was the outstander.

BELL SAMPLE EMPLOYED AT DALLAS AIR PORT

Mr. and Mrs. Bell Sample have moved to Dallas from Austin, and has accepted a position with the Love Field Air Port. Mr. Sample recently received his B.B.A. degree from University of Texas.

He is a son of Mr. and Mrs. R. L. Sample of Eldorado and is well known here, having graduated from the local High School.

Jim Danford Elected F. F. A. President

Jim Danford was elected president of the L.L.A. chapter at a meeting of the chapter last Thursday.

Other officers elected include Joe Reynolds, Vice President; Ernest Sweatt, Secretary; Willie Bridgeman, Treasurer; Jack Montgomery, reporter; Bob Reynolds, parliamentary and watch dog; Calvin Henderson, Historian; and E. O. Nevills, advisor.

A total of 36 boys are enrolled in Vocational Agriculture I, II, and III, Mr. Nevills stated this week. Chapter enrollment is 50 members.

NEW MENACE TO COTTON

Another insect pest well known in Schleicher county and which threatens to do more damage to cotton than any with which the South has had to contend in the past is the pink bollworm, which entered Texas from Mexico in 1936, and unless checked will infest the entire cotton belt.

In two years this destructive insect spread over a large area and reached points more than 130 miles above the Rio Grande. Its ravages are more menacing than those of the boll weevil, cotton flea hopper or any of the other pests which attack the cotton crop.

Appropriations made by Congress for the control and eradication of the pink bollworm are said to be inadequate, and an additional appropriation is needed for the next fiscal year, in order to

SEPTEMBER HISTORY

Among the anniversaries of September, several are of historic importance, and worth compiled list includes the following:

- 3rd, Treaty ending the Revolutionary War signed, 1783.
- 4th, Hudson River discovered, 1609.
- 6th, President McKinley shot, 1901.
- 7th, Boston settled, 1630.
- 8th, St. Augustine settled, 1565.
- 11th, Battle of Lake Champlain, 1814.
- 13th, General Winfield Scott entered Mexico City, 1847.
- 14th, "The Star Spangled Banner" written by Francis Scott Key, 1814.
- 17th, United States Constitution adopted, 1787.
- 21st, First daily newspaper in the United States, the Pennsylvania Packet, published in Philadelphia, 1784.
- 22nd, Nathan Hale, Revolutionary patriot, executed as a spy by the British, 1776.
- 24th, "Black Friday" in Wall Street, 1869.
- 26th, Balboa discovered the Pacific Ocean, 1531.
- 27th, British under General Howe captured Philadelphia, 1777.

To these must be added the most sinister date of all, the beginning of the present war on September 1, 1939.

A 15-ton American bombing plane built for the British government was flown from San Diego, Calif., to England, instead of being shipped by steamer.

Stepping aside politely to allow two ladies to pass on a dark street, L. J. Hanna of Madison, Wis., fell into an open manhole and suffered minor losses of skin.

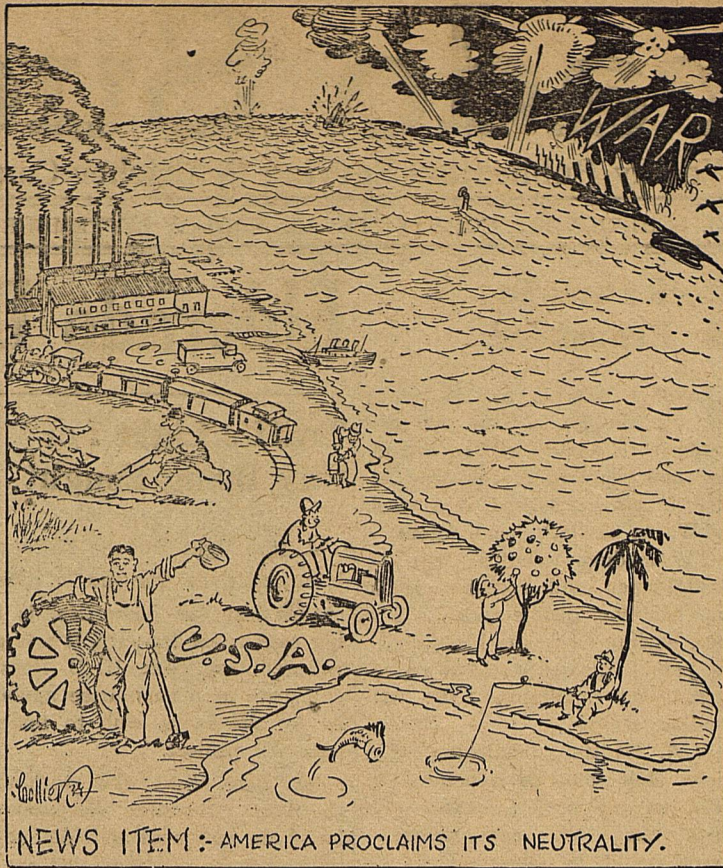

At the annual twin party given by the summer colony near Skowhegan, Me., 150 pairs of twins were present.

Rats and mice are multiplying alarmingly in New Zealand, where an epidemic of influenza killed most of the cats.

Thieves gave a hambone to Mrs. Elsie Engels' watch dog at Quincy, Mass., and ransacked her home while the dog gnawed contentedly.

Charles Conklin of Great Falls, Mont., saved Dwight Fisher from drowning by casting his fly line to him, the hook catching in Fisher's coat.

BUSINESS AS USUAL

Nobody's Business

By Julian C. Capers

Nobody's Business

AUSTIN—The real test of the popularity of W. Lee O'Daniel with the voters of Texas, about which there has been much speculation and conjecture, probably will be cleared up during the next few months, political observers here believe, as they prepared to watch for the first reaction to a wholesale slash in pension payments.

The State Welfare Board, in an all-day session during which its members futilely sought some way to avoid the pension cut, announced that a \$6 horizontal slash will be made in October payments. This means that at least 1500 pensioners who have been receiving less than \$6 monthly, will be cut entirely from the rolls; those receiving \$15 will be cut to \$8, etc. It may also remove additional hundreds, if the Board carries out a policy it has heretofore followed, of issuing no check for less than \$5. In other words, if a pensioner has been getting \$9 for instance, the cut will reduce him to \$3, and the board has been granting at least \$5, or nothing. So if this plan is continued, it may remove many hundreds of additional beneficiaries.

PENSIONS IN A MESS

The pensions set-up is in a fairly terrible state all around. The Board, under an act of the last Legislature, had to begin payments of approximately \$200,000 a month to a group of Dallas banks, repaying money borrowed for pension purposes. This \$200,000 has been matched by the Federal government, so the total reduction of revenues will be \$400,000 a month. Meanwhile, the pension roll, which for October will be about \$119,000 will be steadily increased, as the work for investigating thousands upon thousands of new applicants, who sought relief under the "liberalized" law, can be completed.

Meanwhile, due to the fact the pension investigation section has been continuously understaffed since 1936, there are literally thousands of new applications, as well as more thousands of re-investigations, which remain to be made. The Federal Social Security Board has been tightening up on its requirements, and now insists that all pensioners on the rolls be re-investigated at least once a year. Many Texas pensioners have never been re-investigated since they originally began receiving aid, in 1936.

Typical of this situation is one Central Texas county. Five hundred persons in that county are receiving pensions, and must be re-investigated before the Federal auditor gets around again, or the State will lose the Federal aid on these cases. In addition, 300 new applications have been made under

the liberalized law, and have not yet been checked. New applications in that county come in at an average rate of 80 per month, to swell the total job that is being done by two investigators, who cannot handle more than 100 cases per month. This is a thrifty German County, where the ratio of pension-seekers is supposed to be below normal. A worse condition probably prevails in many other counties.

PROMISES HAUNT W. LEE

Gov. O'Daniel promised elimination of investigators. He promised everybody \$30 a month, later cutting this promise in half, to \$15 a month. He promised a liberalized pension law. He got the latter. Today, there are more investigators on the payroll than ever before, and informed persons admit the present staff simply cannot handle the job and meet the rigid Federal requirements, necessary to get Federal aid. The average pension payment drops in October from \$14.24 in September to \$8.24 for October, with prospects of further cuts during the next few months, as the rolls grow longer under the liberal law.

Whether O'Daniel, who has firmly rejected all suggestions for a revenue-raising special session, can resist the pressure which the politicians feel certain will commence immediately among the pensioners—the group which gave him his greatest strength in his election—is the question being asked here. The large corporate and special interests which backed O'Daniel's sponsorship of a sales tax to pay pensions—written into the Constitution to protect them against increases—are bitterly opposed to a special session, because a constitutional amendment cannot be acted upon except at a regular session. So far, O'Daniel has heeded their pleas for no special session. But Austin observers, having seen the Governor change his mind often and quickly in the past, feel that such change will come as soon as he sees a definite threat to his reelection in the dissatisfaction of the pension seekers. The best informed observers here believe a special session must come before the campaign opens up next Spring.

THOMPSON CAMPAIGNING

Meanwhile, Ernest Thompson, railroad commissioner and runner-up in the Governor's race last year, is making hay of his proposal for

a 5-cent tax on oil to raise pension money. Thompson this weekend spoke to county officials of Texas, meeting in Temple, and urged his "nickel for Grandma" program, asking the county officials to help him get the folks behind it. Jerry Sadler, railroad commissioner, also issued one of his hasty statements, declaring unless O'Daniel abandoned his sales tax idea, and adopted "something like an omnibus tax program" to raise pension revenue, Sadler himself would enter the race for governor. In Austin, however, Sadler's statement was not taken very seriously, as the fiery East Texan has been known to talk hastily before, and change his mind next day.

It was announced during a business session that a district conference will be held at the local church October 6 including Sterling City and San Angelo churches.

Mrs. Mullett and Mrs. B. O. Bridgeman were hostesses for the occasion. During the social hour gifts were exchanged among the members. A game called capsule is being played by the Auxiliary that works something like Pollyanna. They draw names for three months giving gifts to the person whose name they draw.

Miss Elizabeth Martin Honored With Gift Shower; Tea

The ranch home of Mr. and Mrs. Sam Williams was the scene of a shower given September 16 honoring Miss Elizabeth Martin, bride-elect of William F. Lynch of Dallas, Texas. Mrs. Williams and her daughter, Mrs. H. G. Howell of San Antonio were hostesses for the occasion.

White flowers and green ferns were used throughout the house to carry out Miss Martin's chosen colors, green and white.

Piano selections were played by Mrs. R. K. McKinney.

Misses Patsy Martin and Betty Sue Williams presented Miss Martin with a chest decorated with a miniature cottage and figures of a bride and groom. After reading the scroll given her by little Miss Williams the honoree opened the chest to find her miscellaneous gifts.

The lace covered tea table presided over by Mrs. Myrtle Williams and Mrs. Oliver Teel held a similar motif.

Miss Bina Sue Martin was in charge of the Bride's book.

Guests present were Mrs. Myrtle Williams, Betty Sue Williams, Mrs. Oliver Teel, Lottie Reynolds, Mrs. M. M. Reynolds, Mrs. Luke Robinson, Mrs. Arnie Westbrook, Mrs. Will Montgomery, Maxine Montgomery, Mrs. Silas Burk, Mrs. Johnnie Webster, Julia Fay Webster, Mrs. W. F. Wilson, Mrs. J. W. Billie B. Steward Is Member Of All-Girls' Band

Billie B. Steward of this city and a graduate of the local high school last spring has been selected as a member of the all-girls' band at John Tarleton college. Unusual in the respect that there are few similar bands in the country, this organization is likewise unique in that it serves also as a social organization.

The band was organized last year by Horald J. Blum, professor of music at Tarleton. It is planned, this year, for them to make several trips, giving concerts in many towns of West Texas.

Mrs. Willoughby Entertains With Bridge Luncheon

Mrs. J. O. Willoughby entertained with a luncheon and bridge party Tuesday afternoon at Hotel Eldorado. Duplicate bridge was played at two tables.

A color scheme of white and rose pink was used, the table was centered with a bowl of gladioli. Favors of christmas night perfume were given guests.

GAS ORDINANCE

An Ordinance Regulating Gas Piping, Appliances, Fixtures and Apparatus in All Building and Structure of Gas Consumers, and the Installation, Construction, Reconstruction, and Repair Thereof Provided for Bonds to be Given by Those Who Do Such Work, Providing for Permits and Providing Penalties and Declaring an Emergency.

BE IT ORDAINED BY THE CITY OF ELDORADO:

SECTION 1. CITY PLUMBING INSPECTOR AND HIS ASSISTANTS:

That the City plumbing inspector and his assistants be and they are hereby authorized, empowered and directed to supervise all gas piping, appliances, fixtures and apparatus whether now or hereafter existing, placed in or in any manner connected in any building or tent or structure of any character whether used for business or residence purpose, in the City of Eldorado, and the installation, construction, reconstruction, adjustment and repair thereof, and to see that all the rules and regulations of said City of Eldorado with respect thereto are properly complied with and to inspect and re-inspect all such gas piping, appliances, fixtures and apparatus and the installation, construction, reconstruction, adjustment or repair thereof when ever and as often as they shall deem it desirable or necessary, and to do so in order to prevent fires, accidents or injuries to persons or property.

SECTION 2: AUTHORITY VESTED IN THE CITY PLUMBING INSPECTOR:

That the said City plumbing inspector and his assistants shall be subject to the order and direction of the Mayor and the City Council, of the City of Eldorado, and they are hereby vested with full authority to enter any building or premises or structure, or other places either public or private at any time in the discharge of their duties.

SECTION 3. PLUMBERS LICENSE AND BOND:

No person, firm or corporation shall enter upon the installation, construction, reconstruction or repair of such gas piping, applian-

ces, fixtures or apparatus or any change thereof, until the said individual, firm or corporation shall have secured a LICENSE as hereinafter provided and shall have executed and delivered to the City of Eldorado a good and sufficient BOND in the sum of ONE THOUSAND (\$1,000.00) DOLLARS having thereon or more sureties, approved by the City Council, one of which said Sureties shall be a surety Company duly authorized to do business in the State of Texas or one of which shall be a land owner in Schleicher County, Texas, conditioned for the faithful performance of all such work entered upon or contracted for in strict accordance and compliance with the terms, requirements and provisions of this ordinance and such further and future ordinances of the City of Eldorado as may be hereafter passed. Said bond shall be further conditioned that such person, firm or corporation shall, without additional cost to the person for whom the work is done, remedy any defect therein due to faulty workmanship or incorrect construction, due to the faulty material furnished or used by such person firm or corporation and that such person firm or corporation shall reconstruct or repair such work to the satisfaction of the City Plumbing Inspector of the City of Eldorado at any time within ONE (1) year after the construction, repair or installation thereof, and after forty-eight (48) hours notice from the City Plumbing Inspector to reconstruct or repair the same.

The said Bond shall with all the foregoing purposes be in force for one year after any such work in the installation, construction, reconstruction or repair of such gas piping, is done and one recovery shall not exhaust said bond but said bond shall be a continuing obligation against the sureties thereon until the entire amount thereof shall have been exhausted.

The said Bond herein required shall expire on the first day of January, next following the date of the approval of such bond by the City Council and thereafter on the first day of January a new bond in form and substance as herein required shall be given by any such person, firm or corporation to cover all work as shall be done during the year beginning on such January 1st.

That upon the approval of said bond by the City Council, the individual, firm or corporation, desiring to do such work shall secure from the City Tax Collector of the City of Eldorado, a LICENSE which shall run until the first day of January next succeeding its issuance and shall not be transfereable. That the names of each and every member or representative of any firm or corporation obtaining the LICENSE shall be given to the City Tax Collec-

tor, and all such names shall be inserted in said license. The person, firm or corporation obtaining such LICENSE shall pay to the City Tax Collector, the sum of TEN (\$10.00) DOLLARS as an annual license fee therefor.

EXCEPTION TO THE FOREGOING PARAGRAPH NUMBER THREE (3):

That the foregoing paragraph number three (3) shall not be subject to the individual property owner who is desirous of installing, constructing or repairing HIS own gas system.

SECTION 4. INDIVIDUAL PERMIT:

No person, firm or corporation shall install, construct, reconstruct or repair of such gas piping, appliances, fixtures or apparatus or any change thereof, until the said individual, firm or corporation shall have secured from the City Plumbing Inspector a written PERMIT for the same. Said PERMIT shall name the person firm or corporation and a description of the desired changes, alterations, or work to be done, and a blank space for the signature of the City Plumbing Inspector, to be signed by him upon the completion, approval and date of the inspection of the same. The person, firm or corporation obtained said permit shall pay to the City of Eldorado, FIFTY CENTS (\$.50) per each permit, until January 1, 1940; then after said date the fee shall be ONE (\$1.00) DOLLAR per each permit.

SECTION 5. SPECIFICATIONS:

The size of pipes shall not be less than what is called for in the following tables:

For Gas Ranges:	
3-4 inch	40 feet
1 inch	70 feet
Instantaneous Water Heaters:	
3-4 inch	40 feet
1 inch	70 feet
1-1/4 inch	100 feet

Automatic Water Heaters:		
Heater No.	Size	Greatest length allowed
3	1 inch	70 feet
4	1-1/4 inch	100 feet
6	1-1/2 inch	100 feet
8	2 inch	125 feet

For Fires and Small Heaters Etc.:		
Number of fires	Size	Greatest length allowed
1	1-2 inch	10 feet
1	3-4 inch	40 feet
1	1 inch	125 feet
1	1-1/4 inch	400 feet
2	3-4 inch	30 feet
4	1 inch	100 feet
5	1-1/4 inch	120 feet
10	1-1/4 inch	40 feet
10	1-1/2 inch	90 feet
10	1-1/4 inch	30 feet
12	1-1/2 inch	75 feet
12	1-1/4 inch	15 feet

For hot air furnaces, boilers etc., using burners having two or three air mixers, 1-1/4 inch pipe, same with 4 or 5 mixers 1-1/4 inch pipe, for larger installations approval of size shall be secured from the City Plumbing Inspector.

No branching for cooking stove shall be less than 3-4 inch pipe.

Use as few elbows as possible, elbows not absolutely necessary will be condemned. When impossible to get through an obstruction, such as a beam, offset the pipe rather than use an elbow.

The use of cast iron bushing will be condemned, use bell reducers, steel bushings or reducing tees and ells instead.

Gas is never to be supplied from a smaller pipe to a larger one.

Unions and valves must not be used in concealed work.

Long runs of horizontal pipes should be firmly supported at short intervals by metal fasteners to prevent sagging.

All branch outlet pipes should be taken from the sides or tops of running lines, never from below.

The piping must be tight under a pressure of TEN (10) inches of mercury column.

The use of gas fitters cement for repairing leaks is strictly prohibited.

Any additional piping or outlets installed after a permit is granted must be reported to the City

Plumbing Inspector, for inspection and test.

Plumbers or as fitters shall consult Gas Company for location of gas meters and height of riser for same, before starting job.

Any gas installation not specifically covered by this ordinance must be approved by the City Plumbing Inspector.

SECTION 6. CONNECTION AND DISCONNECTION OF GAS SUPPLY:

It is further ordained that it shall be unlawful for the GAS COMPANY, which is supplying the gas, to connect to any consumer, until the said consumer's gas system has been inspected and approved by the City Plumbing Inspector as is set out in the ordinance.

In the case of gas leaks of any nature, upon order of said City Plumbing Inspector or any of his assistants, the gas shall be cut off immediately from the premises forthwith without notice and likewise the said City Plumbing Inspector or any of his assistants may in the interest of the public safety order the gas supplied to any customer cut off immediately without notice.

SECTION 7. PENALTY:

That any person, firm or corporation who shall violate any of the provisions of this ordinance, or who shall fail to comply with the requirements of this ordinance, shall be deemed guilty of a misdemeanor and upon conviction shall be fined in any sum not exceeding ONE HUNDRED (\$100.) DOLLARS, and each and every day's continuance of any violation of the provisions of this ordinance shall constitute and be deemed a separate offense.

SECTION 8. DECLARING AN EMERGENCY:

The fact that from improper and unsuitable gas work, already constructed and being constructed, danger constantly arises both to persons and property, creates an emergency on account of the immediate preservation of the public safety requiring that this ordinance shall take effect at once and it is accordingly ordained that this ordinance shall take effect

immediately after its passage and approval.

PASSED AND APPROVED this 19th day of September, A.D. 1939.

- Leslie L. Baker, Mayor.
- R. O. Smith, Alderman.
- Henry Mittel, Alderman.
- W. R. Jones, Alderman.
- A. J. Roach, Alderman.

D. Finley and Clay Kitchens Are Brilliant Leaders

Performing an outstanding service to the people of San Angelo and the surrounding territory, the Finley-Kitchens Comm. Co. has achieved an enviable reputation for the progressive policies of business operation pursued by its executives. We believe that most of the credit for this splendid institution is due to the brilliant management of Mr. D. Finley and Mr. Clay Kitchens. Mr. Finley and Mr. Kitchens are men of ideas. They are as practical as they are aggressive in putting those ideas to beneficial use in furthering the service their company renders to the people of this district. Their sound business judgment and unweaving honesty are characteristics which place them in the front rank of the business leaders of San Angelo. And Mr. Finley and Mr. Kitchens are unassuming and modest in their personal contact with the people; always ready to listen to their ideas and desires. We are glad to pay tribute to business leaders of this type for it is such men who are making San Angelo a city to which prospective investors and residents turn with increasing favor.

Wool Growers Central Storage Company Is Business Builder

A firm that may be truly said to lead its field is the Wool Growers Central Storage Co. This company has become a West Texas institution. It has served the people of this vicinity for many years and over that period of time has established a reputation for reliability for which everyone may be proud. The Wool Growers Central Storage Co. has contributed greatly to the growth of the city of San Angelo and West Texas. They continue year after year to serve the district in a manner which merits the support of every civic minded citizen. It is firms of this kind that have based their activities on a policy of honest service which become assets to any community. Mr. J. S. Allison the president and Mr. N. D. Blackstone and Mr. J. W. Johnson, vice presidents are the men who are responsible for the kindly feeling held by the citizens of San Angelo and West Texas towards their company. They are men who won the respect and admiration of everyone. We congratulate them on their splendid record and trust they will continue to enjoy many more years of success.

C. C. McBurnett Is Civic Booster

There are a number of business and professional men in San Angelo who stand head and shoulders over the crowd. This especially is true in the case of Mr. C. C. McBurnett, manager of the St Angelus Hotel in San Angelo. Mr. McBurnett has always been in the front rank of the business and civic life of San Angelo and the surrounding trade area. He is a dominant person, yet one whose genial

H. G. Wendland Constructive Citizen

The city of San Angelo has assumed its place of importance in state affairs because of the efforts of the far seeing business and professional men who have developed the natural resources and extended the trade advantages of the locality. One of the men who has taken a very important part in all progressive movements is H. G. Wendland, proprietor of the Wendland Mfg. Co. Mr. Wendland has devoted a great deal of time and energy to the general welfare of this district, and it is fitting at this time that we attempt to express in a small way our appreciation for his unselfish contributions to the general welfare. Mr. Wendland is a man of wide acquaintance, whose many friends admire and respect in him those virtues which inspire confidence and promote good feeling. His upright business methods are a credit to his high sense of honor. We congratulate Mr. Wendland on a splendid record of service and wish for him continued success.

Ralph "Babe" Hearrell Prominent

There are plenty of men in their chosen fields who are prominent, but who will not permit much to be said about it. It is, however, public property every time a man reaches a position in any community where he is generally recognized as a leader. Mr. Ralph Hearrell, manager of the West Texas Butane Gas Co., has always done his work effectively, even though it has been accomplished in an unobtrusive manner. His many friends would think it a strange omission were we not to say a word about him. Mr. Ralph Hearrell, busy as he is, always manages somehow or other to do his bit in any movement calculated to benefit the community as a whole. Mr. Hearrell's modesty will not permit him to say the things about himself which are said by his friends. This paper is merely performing a civic duty when it pays this small tribute to a man who so richly deserves more profuse compliments. We do not hesitate to recommend "Babe" Hearrell to our readers as one who continues at all times to work to the advantage of the people of San Angelo and West Texas.

personality has earned for him a host of friends and admirers. Mr. McBurnett's intuitive understanding of the needs of the city are a valuable and important factor in the successful promotion of many civic activities. As a result San Angelo is firmly established in the minds of the people, for many miles around, as a growing metropolis which they regard as the logical trading center for this district. We compliment Mr. C. C. McBurnett for his success in business and public affairs and say without fear or contradiction that he will continue for many years to enjoy that success which he has so justly earned.

R. F. Wallace And R. C. Wilson Leaders

Mr. R. F. Wallace and Mr. R. C. Wilson of the Wallace-Wilson Wholesale Meats, are those substantial type of citizens upon whom this community depends a great deal for leadership and guidance. They have in the past and no doubt will continue in the future to give more than their share of time and energy for the welfare of others than themselves. They are the type of men who make friends and friendships once formed by them are never broken by an unfriendly action on their part. Their success in business is directly attributed to their application of these principles which guide their business dealings. They spare no effort in order that their services to the people of San Angelo and surrounding territory shall be commendable.

Mr. R. F. Wallace and Mr. R. C. Wilson have never been known to inject themselves into a situation for the mere purpose of gaining publicity. They proceed in a calm, unostentatious manner and accomplish their objective with a quiet dignity for that reason the true estimate of their worth is sometimes missed.

This newspaper sincerely wishes to offer them this small evidence of heart-felt esteem.

Applaud Prominent Rank of F. Taylor Silliman

Those who advocate the winning of laurels by the application of tireless efforts have a splendid demonstration of their theory in the case of Mr. F. Taylor Silliman, a man who has won his way upward on a basis of sheer merit.

At the head of one of the district's most prominent concerns and a leader of recognized ability in community life, he stands out today as one of the best liked men on the panorama of San Angelo activity. His friends are numbered by the thousands in this locality and all of them are of the lasting fibre which comes of worth-while associations, both in the world of business and in the realms of neighborhood life.

The Texas Property Agency, dealing in Livestock, land and loans, of which Mr. Silliman is manager, has been a strong factor in recent upturns shown by business here and Mr. Silliman's efforts have been the stimuli behind this splendid work by the firm. The case is a fine example of the man at its head weaving his own personal prominence into the concern's life with lasting benefits to both organization and individual.

The record of Mr. Silliman's life offers a fine galaxy of accomplishments and consistent progress.

Jess Elrod Has Outstanding Record

The honors that come to any man bring him equal responsibilities. Mr. Jess Elrod, prominent livestock and Real Estate man, has discharged worthily the many responsibilities that have come to him with many honors.

He has lived in Angelo a part of a life that has been marked by public and civic service, and a strikingly successful business career.

The prominent part that Mr. Jess Elrod has played in the building and the development of San Angelo and West Texas mirrors the character and ability of this man. Mr. Elrod has at all times been steadfast in his devotion to his city and on many occasions has turned his

talents and resources to the successful promotion of meritorious civic projects.

San Angelo and this district are fortunate to have such a man as Mr. Elrod in a position of responsibility and service.

Local Woman Shows Faith In Community

To be a consistent and persistent booster of the home community very often takes courage and plenty of optimism. It is because of her unflinching faith in San Angelo and the future of West Texas, and her unflinching efforts to promote its development that Mrs. L. C. Goodwin, manager of Ma Goodwin's Tavern, is selected now for this brief tribute.

Mrs. L. C. Goodwin has always

followed the policy of building her business ahead of the community, and thus setting a pace that has brought an ever-increasing number of people to make San Angelo their trading center. She is a woman of keen business judgement, whose ideas have been the inspiration of many who know her. Her personality and energy in directing the operation of her place are important factors in its outstanding success as an outstanding entertainment center.

chance of getting injured and at any rate they can not lay their best in their old ducks. It is up to merchants and the sports fans to see that these boys are well cared for. We want a future football team and now is the time to prepare.

Southwest Conference teams get in action in a big way this weekend. Guessing among the conierence competition has been a little bit rough for the past few years, with the exception of last year when T.C.U. took everything by storm. This week may be somewhat easier on most fronts.

We will try our hand at the few games played Saturday and see what lusk comes along.

A. & M. should take Centenary by a couple of touchdowns. Arkansas to win over Mississippi State. Baylor to defeat Southwestern with ease. Rice, with Lain and Cordill should take Vanderbilt at Houston. S.M.U. and Oklahoma will have trouble with each other. Oklahoma should win by a narrow margin. T. C. U. over UCLA in California. They have always had

a jinx over the coast teams. Texas, the weaker siter in the outhwest conference the past few years might find itself this year and win some games. We will stick our necks out and take them over Florida Saturday at Austin.

METHODIST CHURCH

Rev. Marvin Williams, Pastor
Burden-Bearer: "I have made and I will bear." Isa. 46:4.
When a parent sees his own evil nature reappearing in his child, he does not cast the child aside, point out its faults for disowning it, he draws near to it, filled with a great pity, and murmurs, "I have made, and I will bear." Christ, who was with out sin, yet for our sake, took upon Himself the form of sin, will not cast away His people, but draws nearer to us, saying, "I have made and I will bear."

May I express my appreciation for the co-operation of the members of our Church, and the members of the other Churches, and the community as a whole, during our revival meeting.

Subject Sunday morning, "Misionary Cause."

Subject Sunday evening, "These are They."

Notice! all leagues, meeting 7:00. Church service, 7:30 p.m.

Mrs. Grace Sherrod returned home Thursday from Fort Worth where she has been visiting for the last five weeks with Mr. and Mrs. J. J. Tinsley. Mrs. Tinsley is a sister-in-law to Mrs. Sherrod.
