State Library Official In Muleshoe

Says Library Plans Ahead Of Schedule

Texas State Library's Lee B. Brawner of Austin credited the Muleshoe library's new construction project planning as "moving ahead of schedule" following the Wednesday pre-design conference held in City Council chambers.

Brawner, Assistant State Librarian, administers the Federal Library Services and Construction Act program which provides annual federal grants to extend and improve Texas public library services.

The local library's project has received approval of part one and at the Wednesday conference, is readying part two for submission. At state is a matching \$50,000 Federal financial assistance grant to the local library.

Library consultant and long-time friend of the Muleshoe library, Ray Janeway, head of Texas Tech's University li-

brary, and Architect Bill Cantrell, both of Lubbock, and Brawner, met with Mayor Irvin St. Clair, City Manager Albert Field, Library Board chairman Dave Sudduth, Librarian Anne Camp and Friends of the Library president Mrs. Larry Hall, all members of the city's library building committee.

The all-afternoon conference included a review of preliminary design studies, specifications and floor plans as they relate to the State Library Program. The purpose of this stage was to demonstrate Muleshoe's ability to meet its share of the costs, establish legality of the project and provide a more detailed description and planning of the proposed facility.

Architect Cantrell tentatively scheduled July 24 for a meeting to go over details of the schematic architectural plans. Following approval of final plans, approximately 60 days will be needed before the project will be advertised and placed up for bidding. State contract award procedure also

ALMO All-Stars Win Region Title

To Try For State Against San Antonio

It had all the ingredients for a 'smashing' evening . . . a tight game . . . tense action . . . an unfamiliar ball field . . . and a title at stake! And . . . the four small towns making up the ALMO Senior Babe Ruth Baseball League came through with flying colors to take the northern region baseball title. The towns represented in the tense game at Lubbock were Amherst, Littlefield, Muleshoe and Olton.

The ALMO Senior Babe Ruth All-Stars downed the Lubbock Senior Babe Ruth All-Stars for two straight games to take the championship and win the right to challenge the winner of the San Antonio-Graham Senior Babe Ruth All-Stars for the state championship.

The first game of the best two-out-of-three series was played Thursday night on the Olton ballfield, with the ALMO team downing the Lubbock team 1-0 behind the powerhouse pitching of Monte Barnes of Lazbuddie, who plays with the Muleshoe team. Gary Robinson of Amherst was Barnes' catcher.

Baseball fans and parents traveled to Lubbock Friday night for the second, and possibly third game to determine the winner of the championship for the north half of Texas.

Should Lubbock have won the first game Friday night, there would have been a second game to determine who met the San Antonio-Graham team for the state championship. But, not so, the ALMO team won 10-9, playing on Lubbock's Lowery Field.

BR All-Stars Lose Series To Spearman

The Muleshoe Babe Ruth All-Stars lost their second game during the 1970 All-Star season to end up out of the picture. They played the Spearman Babe Ruth All-Stars at 8:30 Wednesday in Dumas.

Monday night, the local All-Stars lost out to the Dumas All-Stars so returned to Muleshoe until Wednesday.

Team Coach Harold White said that even though the boys did not win, he was quite proud of the composure and sportsmanship they displayed throughout the series. He said, "I will take our boys over most of the other boys we saw at any time. They are controlled and polite and show more sportsmanship than you usually see in the pressure of a game such as the All-Stars series."

Creston Favor was team manager and White and Carl White were coaches for the series.

SPECIAL GUESTS AT LIBRARY BOARD MEETING--Several special guests attended a planning session at the Muleshoe City Hall Wednesday afternoon. Standing from left are Dave Sudduth, Library Board Chairman; Mayor Irvin St. Clair and City Manager Albert Field. Seated, from left are Mrs. L.B. Hall, Friends of

the Library president; Lee B. Brawner of Austin, Assistant State Librarian; Bill Cantrell, Lubbock architect; Ray Janeway, head of Texas Tech Library at Lubbock and Anne Camp, Muleshoe Librarian. The group discussed the proposed library plans for Muleshoe.

Rotary Sweetheart In Beauty Contest

Becky Sain, 17-year old Rotary Sweetheart and pianist, has been entered in the Miss Grain Sorghum Contest in Dimmitt, according to a spokesman for the Muleshoe Rotary Club.

The contestant is the daughter of Mr. and Mrs. Walter Sain, and will be a senior in Muleshoe High School this fall. She is five feet, six inches tall and lists her favorite sports as swimming and bicycle riding. An accomplished pianist, she is pianist for the Rotary and is associational pianist for the Baptist Youth Rallies. She is active in the Trinity Baptist Church in Muleshoe.

She said she also enjoys folk singing and is with a folk singing group and likes craftwork. Part of her pastime is working with the older people at the retirement home in Muleshoe.

In school she is a member of the high school band and is an officer; she is a member of the Future Homemakers and an officer on Student Council. She

is past sweetheart of the Vocational Industrial Club at high school and was a Miss Muleshoe

Becky Sain

contestant in 1969.

When she graduates from high school, she plans to attend college and major in home economics and her minor will be music.

For her talent in the Miss Grain Sorghum contest on August 7 in Dimmitt, she plans to play a medley of patriotic songs arranged for the piccolo.

First prize offered during the pageant is a \$1,000 college scholarship, second prize a \$500 college scholarship and the third prize is a \$300 college scholarship.

The scholarships will be applicable to any accredited Junior College or four-year college where the winner will be pursuing a full academic course leading to a degree.

Becky, who is a popular, outgoing student at Muleshoe High School, is the first local contestant in the annual Miss Grain Sorghum pageant.

Bob Henderson Wins Shot At State Title

"Bobby and Jimmy Henderson did exceptionally well at the District II 4-H Club Horse Show at Post on Wednesday, July 15," said Bailey County Agent J.K. Adams. The two sons of Mr. and Mrs. Bobby Don Henderson have proven to be formidable opponents in any

horse show competition they enter, according to the county agent.

Jimmy Henderson took the blue ribbon on his grade mare and eighth in showmanship, while his brother, Bobby Henderson, took fourth in the reining class and at the same time accumulated six merits points which merit him a trip to the state horsemanship contest in August.

Other big winners in the big district horse show included a second prize by John Gunter III on his grade mare and a third prize by Laverne Carpenter for her grade mare.

Tim Wheeler took sixth in a strong class of registered mares and Terry Wheeler was seventh in the reining class and eighth on his horse in the registered gelding class. Lizan Gunter took tenth in the reining class.

"We may well be proud of the county group winning fourth, seventh and 10th in this class of 47 entries," continued Adams.

Other contestants meeting with strong competition at the district horse show included Jolie Carpenter, Brent Gunter and Tim Sooter.

Tani Murrah represented district council and awarded ribbons to winners.

Old Highway Building Bid Not Accepted

O.L. Crain, district engineer for the Texas Highway Department from Lubbock, told The Journal Thursday morning that only one bid was received in the auction for the former location of the Muleshoe Texas Highway Department of West Highway 84.

The one sealed bid was opened on Monday, July 13 at 10 a.m. in the Lubbock office and Crain said he had recommended to the Texas Highway Commission that the bid be rejected, because he felt the bid was too low for the 1,997 acres of land and improvements. He said a Muleshoe businessman had submitted the one bid.

The Texas highway commission will consider the bid and make final action on the bid, but it will be rejected and offered again on a bid basis in the fall of 1970 or early in 1971, according to Crain.

He further said that future bidding should be better because of much interest that has been shown in the building and location at the corner of West 8th Street and West American Blvd.

Farm Safety Week Begins On July 19

COLLEGE STATION--"The efficiency of American agriculture and the quality of life for agricultural workers is threatened today by the continued high rate of farm accidents. Both the human and the financial costs of these accidents are intolerable," noted President Nixon in his proclamation designating the week of July 19-25 as Farm Safety Week in the United States.

He added that a quarter century of experience in organizing for rural safety has shown that most farm accidents could be prevented through the use of sensible practices and protective devices. Safety information and mechanical safeguards are readily available and their consistent use should be

actively encouraged, he said. "I urge all farm families, and every person and group allied with agriculture, to make every effort permanently to reduce the number of accidents which occur at work, in homes, at recreation, and on the roads," emphasized the President.

Texas Governor Preston Smith in his proclamation calls on Texans to reverse the farm accident trend. He urges all farm and ranch families to become more safety conscious--to take advantage of modern technology designed to remove many of the hazards in agricultural enterprises and to make use of the Slow Moving Vehicle emblem on their equipment when moving it on the

state's rural highways.

The Texas Farm and Ranch Safety Council notes that the theme for this year's national week is -- "Protection Make it Work for Safety." What can individuals do to observe the event? Do as the theme suggests and use all protection available to make life safer. Encourage your neighbors to do likewise, advises the Council. For your own life depends upon how carefully you carry out your work, warns the Council.

Commodity Food Distribution Set For Wednesday

Commodity food will be issued on Wednesday, July 22, between 8:30-11 and 2-4 p.m., and each weekday thereafter during the month of July, according to the local representative of the Bailey County Commodity Distribution Program. Distribution will be made at the commodity warehouse located at 603 East American Blvd. This is the former Leal's Restaurant and Tortilla Factory.

Persons who have been issued identification cards since June 22 have been asked to bring the cards with them to receive their commodities. According to the local representative, anyone who is presently receiving state aid, such as old age assistance, aid to dependent children, aid to the totally and permanently handicapped, or aid to the blind, are entitled to receive commodities. Others in low income brackets may also be eligible for commodities and applications will be taken during office hours on weekdays.

Clean Towns

One of the criticisms voiced about American cities is that they're unclean. Too often this is true. One needs only visit some of our larger cities to see how dirty a community can be.

Europeans, although their living standard is much lower than that in the United States, are quite proud of the way they maintain a state

of cleanliness and orderliness in their cities and towns.

Even the larger cities in Europe are often kept scrupulously clean. Early each

morning one can see men during the day and night. The result is clean and beautiful streets every day.

A match is a little thing but it can start a big fire.

NATIONAL FARM SAFETY WEEK JULY 19-25

Each year accidents kill and cripple, drain money and time away. Don't let farming be blighted by this threat. Let's put a stop to farm accidents by practicing farm safety at all times.

Farm safety week is observed every year to call attention to farm and home safety. This week, and every week, action must be taken to stop the needless loss of life and limb on our farms.

Jaycees Boost Title...

Miss Muleshoe During Pageant

By Leroy Maxwell Reporter

The Muleshoe Jaycees met Monday at noon at Leal's cafe, Derrell Oliver conducted the regular order of business.

Bob Stovall reported that Miss Treena Bryant, Miss Muleshoe, has left with Darlene Henry and Mr. and Mrs. Clarence Christian to go to the Miss Texas Pageant, Bob said that the Muleshoe Chamber of Commerce donated \$100 to help finance the trip. The Jaycees would like to give thanks to the chamber of commerce for their help. Anyone who wishes to send flowers to tell Miss Bryant that they are backing her may contact Derrell Oliver to get the address.

Jeff Smith gave a report on the Regional Visitation held in Plainview last Saturday, July 11th. Five Muleshoe Jaycees and their wives attended the visitation.

Ken Petree reported on the Drive-In Theater Project. The Muleshoe Jaycees would like to say thanks to Cox Drive-In Theater for their support. The money made by the Jaycees on this project went to support Miss Bryant at the Miss Texas Pageant.

A new project was proposed to the Jaycees in which they will be collecting all aluminum beverage cans. If you have any aluminum beverage cans and would like to get rid of them contact Derrell Oliver and he will have someone pick them up.

Another project was proposed for a family picnic for all Jaycees and their families.

One guest was present at the meeting—Shorty Kelly of the Muleshoe Police Department. The newest member present was Gary Shipman. Other members present were Derrell Oliver, Duane Seay, Jeff Smith, Leon Wilson, Roger Gorrell, Marshall Lee, Marlin Mills, Charles Smith, John Blackwell, Dick Johnson, Cecil Campbell, Raymond Schroeder, Delbert Barry, Jerry Hutton, Donald Shanks, Leroy Maxwell, Ken Henry, Bill Dale, Bob Stovall and Ken Petree.

pitcher. He pitched through until the seventh inning, when Monte Barnes took over as reliever.

After the first inning, the ALMO team trailed 5-3. They picked up a couple of runs to tie the game up until the bottom of the sixth, when the score stood at 10-7, with ALMO slightly edging the the Lubbock team.

Adding to the tenseness was a protest in the fifth, when the Lubbock coaches protested an action by home umpire, Spudder Thomason. With two men on base, a batter walked. Then, the third base runner came in to home plate to be tagged out. The player and Lubbock coaches alleged that Tomason motioned for the runner to come into home plate. The protest committee, which had previously been named, met and voted to disallow the protest, resuming the interrupted play.

In the seventh and final inning, Lubbock brought in two more runs to make the final

score of 10-9.

Excited fans poured onto the field immediately following the final 'yer out' from the umpires to congratulate tired but happy 16-18 year olds.

On Monday night, the ALMO Senior Babe Ruth Players will meet San Antonio, at San Antonio, for the best two out of three series to name the state champion. Tuesday night will decide the winner who will go to Cheyenne, Wyo. for national championships.

The Senior Babe Ruth All-Stars and the towns represented include: From Muleshoe, Monte Barnes, Derrell Matthews, Bobby Burge, Don Heathington, Randy Field and Mike Riley; from Amherst, Eddie Moates, Gary Robinson, Roy Lee Young, Tony Barton, Roger Boyles and Mickey Johnson; from Olton, Steve Sanderson, Joe Dale Chitwood, Terry Bridge and Favian Menjarez and from Littlefield are Larry Birkelbach and Gary Nace. Alternates include Chuck Blevins, Littlefield; Douglas Cummings, Amherst and Kent Parish, Olton.

Manager of the Senior Babe Ruth All-Star team is Arthur Hedges of Amherst. Coaches are Kenny Heathington of Muleshoe and A.J. Spain of Olton. Bill Darnell of Muleshoe is business manager.

states that the maximum time to enter into a construction contract after bidding is 45 days. Such a project will take approximately six months before completion.

The proposed planned structure is octagonal in shape, of brick and concrete block construction. The atmosphere of the interior will be "uncluttered by structure, open and inviting; furniture arrangement and shelving will denote interior divisions," according to the program plans.

Sufficient office space and workroom areas for librarian and bookmobile headquarters are included, as well as a public meeting room.

Brawner stated during the meeting that "Community survival is has always been en-

hanced by the addition of a new library expansion; conveniently located and attractively appointed. Such a library facility as planned for Muleshoe will attract and serve an increasingly large number of persons, as the 'big city' type of advantages are viewed and known," he continued.

"Such community library facilities will attract not only children and students, housewives and club members, but business, professional and industrial people who will find the library more convenient to their needs as well as of added assistance. The tie-in with the Texas Inter-library network system, of which the Muleshoe library is already a member, continually brings within reach of all library patrons any statistic, reference and specialized material. Through the inter-library loan system, the "stacks" and reference materials of any cooperating Texas library can be brought directly to the local library upon request." This system has proven highly successful since it began in 1968.

Through Federal Fiscal Year

1970, the Title II Program of the Library Services and Construction Act, has been in operation for six years. The Muleshoe library made application following the passage of the library bond issue Sept. 10, 1968. Application, tentative plan and waiting for federal approval of state funds for the fiscal year 1970 have been "in the works" for some two years,

with optimism for the future library plans now paying off "the patient wait", one committee member remarked.

"This State library program has contributed significantly to area library development since 1963 with the establishment of the four-county bookmobile services and move and improvement of library facilities to the present Ash Street building. The increased local and area library support and improved area library service in the four-county area is indeed a credit to the State Library representatives who have assisted many and varied groups and persons who have worked diligently for seven years to further library expansion for the people of the Muleshoe area," the spokesman added.

The best way to get somewhere in life is to know where you are going and get sufficient steam for the journey.

MRS. TERRY LEON OBEHHAUS, the former Miss Betti Baker

Miss Baker, Obenhaus United In Marriage

Miss Betti Arrawanna Baker became the bride of Terry Leon Obenhaus July 18 at 7:30 p.m. in the home of the bride's parents, Brother J.R. Manning officiated at the double ring ceremony.

Parents of the couple are Mr. and Mrs. Dexter Baker, Sr., Sudan, and Mr. and Mrs. Virgil Obenhaus, Muleshoe.

Blue and white gladiolas with blue and white tapers decorated the home. Musical selections "Oh Promise Me", "Whiter Thou Goest" and "Wedding Prayer" were provided by Miss Sharon Wilson, pianist and Mrs. J.R. Manning, soloist.

Presented in marriage by her father, the bride wore a formal

length princess gown of white angelskin peau de sole featuring re-embroidered alecon lace overlaying the bodice and front panel of the flaring A-line skirt. The lace formed a Sabrina neckline and outlined the shoulders and cuffs of the camelot designed sleeves and repeating on the border of the hemline and wide chapel train. Her mantilla veil was of re-embroidered Alecon lace.

Mrs. Kay McCollum, Galveston, was matron of honor. She wore a formal length blue crepe gown featuring empire waist, round neckline and puff sleeves. Allen Groom, Sudan, served as best man.

Following the ceremony, a reception was held in the home of the bride's parents. Serving were Mrs. Allen Groom, Miss Connie Lance and Miss Nancy Fields. Miss Rene Markham registered guests.

The bride attended Sudan High School and the groom is a graduate of Muleshoe High School and is serving in the U.S. Marine Corp. The couple will make their home at Polk Village, South Carolina.

Down To The Sea or out to the pool go summer's newest beachwear looks, the coordinated ensembles. Neat and nifty knits made of Creslan acrylic fiber go into swimsuits,

Miss Jaquess, Thomas Wed

A double ring ceremony united Miss Judy Fern Jaquess and James Dustin Thomas in marriage Monday, July 13, at seven o'clock in the First Baptist Church of Earth. David Hartman officiated at the ceremony.

Parents of the bride are Mr. and Mrs. Travis W. Jaquess of Earth. Mr. and Mrs. Clarence I. (Spud) Thomas, Muleshoe are the parents of the groom.

The Kelly Trio, Annita, Donita and Connie Kelly sang "The Hawaiian Wedding Song", "Wither Thou Goest" and "The Lord's Prayer". Mrs. Larry Tunnell accompanied them on the organ.

A wedding arch decorated the church. It was entwined with emerald greenery and heather fern with white miniature mums. The center of the arch featured a large white bow and wedding bells. The kneeling bench was covered with white satin. Flanking the archway and kneeling bench were double black wrought iron candelabras with pink lighted tapers. The windows and aisle of the church were decorated with pink lighted tapers and greenery.

Given in marriage by her father, the bride wore a full length satin dress with a lace covered empire bodice and full length tulle sleeves with lace at the wrists. She wore a veil flowing from roses made of satin and lace. Her bouquet was a cascade, atop a white Bible,

of white carnations and white roses centered with gardenias accented with satin leaves, tulle and pink and white satin streamers tied in love knots. As she went down the aisle, she presented her mother with a long stemmed pink rose and exiting she presented her mother-in-law with an identical rose. For her something old, she carried her grandmother's lace handkerchief. It was white with yellow roses and was attached to her Bible. Something new was her dress; something borrowed was her Bible from her sister; a blue garter was something blue; and she carried pennies in her shoe that were minted in the year of her birth.

Attendants were Mrs. Alice Patterson, sister of the bride, matron of honor, Miss Lauren Kay Earnest, bridesmaid and Miss Becky Sue Sanders, bridesmaid. They wore identical street length dresses of dotted swiss fashioned after the bridal gown. Their bouquets were nosegays of circled pink and white carnations, pink lace and satin bows and streamers.

Best man was Donnie Thomas, brother of the groom, from Muleshoe. Groomsmen were Garry Shipman and Gene Atkins both of Muleshoe. David Jaquess, brother of the bride, and Phil Middleton seated the guests.

A reception was held after the ceremony in the Fellowship Hall of the church. The linen covered table was adorned

Miss Sunnerheim Shows Slides To Rotary Club

Miss Karstin Sunnerheim, Fannbyn 4056 Ostersund, Sweden, spoke July 14 to the Muleshoe Rotary Club.

She showed slides of her native Sweden and told of her life there.

Miss Sunnerheim is staying in the home of Judge and Mrs. Don Chak for her last two weeks in Muleshoe. She is sponsored by the Lions Clubs of Texas and Sweden. She arrived here June 29 with Claes Nyberg of Fagersta, Sweden, who was a guest at the meeting, for a months visit in Muleshoe. Claes is staying with the Bert Blairs. They formerly stayed with Mr. and Mrs. Ernest Kerr and Mr. and Mrs. Buck Johnson.

She will return to Sweden where she hopes to enter college and become a teacher. She taught in primary school last year but does not hold a teachers degree. Because of the teacher shortage in Sweden she was allowed to teach.

the bride's bouquet and the bridesmaids nosegays. Miss Tanya Cherry of Muleshoe registered the guests. Miss Brenda Robertson and Miss Vicky Gregory served the cake and punch.

The bride traveled in a pink A-line dress with sheer long sleeves and a full length sleeveless coat. White accessories and a corsage from the bridal bouquet completed her suit.

For the wedding the bride's mother chose a two piece tucked powder blue dress with white accessories and the groom's mother dressed in blue and white with white accessories. They both wore corsages of pink roses accented with pink satin and tulle.

The bride is a 1970 graduate of Springlake-Earth High School and plans to work in Lubbock. The groom is a 1965 graduate of Muleshoe High School and attended South Plains College for two years. He plans to continue his education at

Texas Tech. After July 13 the couple will be at home at 2511 Cornell Apt. C., Lubbock.

IN CONCERT... A music led revival featuring Dale and Ann Coody in concert will be held at the First Baptist Church in Lazbuddie July 22-26, Wednesday through Saturday, at eight p.m. They will sing each night. Johnny Tims, pastor, will preach on Sunday. There will be a nursery provided. Everyone is invited to attend.

MR. AND MRS. STEVE JONES, she is the former Rita Black

Miss Black Bride Of Steve Jones

A double ring ceremony, June 20 at eight p.m. in the First Baptist Church of Muleshoe, united Miss Rita Carol Black and Vernie Steve Jones in marriage. Rev. Charles Murray, Ft. Worth, brother-in-law of the bride, officiated.

Parents of the couple are Mr. and Mrs. L. R. Black, Muleshoe, and Mrs. Weldon Wilmet, Lubbock.

Organist, Mrs. Gene Paul Jarman, presented musical selections, "Wither Thou Goest" and "Oh Perfect Love". Soloist was Judy Willingham, Whiteface, sister of the groom.

A large fern tree, flanked by twin brass candelabras with

lighted tapers and groupings of brass candle holders draped in white satin formed the setting for the bridal party. A white satin aisle cloth was used as the bride entered on the arm of her father. She wore a formal length gown of white Peau de Soie. It featured an empire waist, rounded neckline and the bodice was covered with Chantilly lace which was accented with scoops and seed pearls.

Her finger tip veil was of silk illusion attached to a crown of pearls. She carried Japet orchids surrounded by Ping Pongs and stephonits entwined with piquot streamers, love knots and lilly of valley designed in

a cascading bridal bouquet.

Mrs. J.C. Pearson was matron of honor. Bridesmaids were Miss Kathy Seymore and Miss Daria Kendall both of Muleshoe. They were dressed identically in formal length gowns of blue satin with empire waist accented with white lace. They each carried a single white carnation with white steamers. Their head pieces were of blue silk illusion attached to three satin roses.

Starla Black, niece of the bride, was flower girl. Her dress was identical to the bridesmaids. She carried a white lace basket with blue ribbon streamers, Denver Redwine, cousin of the groom was ring bearer.

Weldon Wilmet, Lubbock, served as best man, Groomsman were Ted Leach, brother of the groom and Clyde Redwine of Hub, Ushers were Dean Black, brother of the bride and David Leach, brother of the groom.

Registering the guests at the wedding was Mrs. Charles Murray, sister of the bride. The mother of the bride wore a pink two piece suit with pink accessories. Mother of the groom wore a pink two piece suit with white accessories.

Following the ceremony a reception was held in the Fellowship Hall of the church. Miss Rena McCain and Miss Latia Rogers, niece of the bride, served cake and punch.

The table was laid with a blue satin cloth under a blue lace cloth. The brides bouquet was the center piece. A four tiered wedding cake trimmed with blue flowers and cupids topped with wedding bells was served with mints and nuts.

For a wedding trip to Rapid City, South Dakota, the new Mrs. Jones wore a lime green dress with white accessories.

The bride is a 1970 graduate of Muleshoe High School. The groom is a 1967 graduate of Lazbuddie High School. He will be stationed at Ellis Air Force Base, South Dakota where they will make their new home.

Miss Dellinda Henry, daughter of Mr. and Mrs. Earl Henry, Muleshoe, is one of the 1500 high school delegates attending the national meeting of Future Homemakers of America at the Hilton Hotel in New York City this week, July 13-16.

The delegates, selected on a state quota basis and representing 600,000 members of the national organization, are accompanied by some five hundred adult advisers who are state home economics staff members of local home economics teachers.

These teenage conventioners have a full four-day program which includes outstanding speakers, business meetings, fun sessions, idea swap-shops,

Jenny TOPS Has Weekly Meeting

The Muleshoe Jenny TOPS met Thursday night, July 16, with 30 members weighing in. The minutes of the last meeting were read by Mrs. Walter Sain. The meeting was opened by Leader Mabel Wolfe and business included a discussion on having a bake sale in the near future.

Mrs. Bob Solomon took the contest points and Mabel Wolfe read a clipping on free foods,

career seminars, and the election of twelve national officers for 1970-71.

Dr. Donald Clifton, Educational Psychologist with Selection Research of Lincoln, Nebraska set the tone for the meeting in a keynote address at the opening session titled "Who Cares".

The youth delegates of Future Homemakers of America plan and conduct their own national meeting. Each state delegation has a particular responsibility during the conference.

Dellinda, as a member of the Texas delegation will serve as one of the eight hostesses for the 25th Anniversary Dinner from Texas.

Mrs. Roy Clark gave an information pep talk on how she lost weight. Next week's pep talk will be given by Mrs. Nita Griffiths.

Mrs. Clara Crane was crowned the weekly queen. First runner-up was Mrs. Jay McDonald, Second runner-up was Ann Vinson.

The meeting was adjourned with the singing of the good-night song.

Send the whole team to the showers!

And have enough hot water left to do the uniforms.

A GAS WATER HEATER does it all, and does it better, because with gas there's always plenty of hot water when you need it... at the cost you want.

Here are seven reasons why a gas water heater is best:

1. Fast recovery keeps your gas water heater way ahead of every demand.
2. The thermostat on your gas water heater automatically maintains a constant temperature, even when you use large amounts of hot water.
3. Gas is efficient. Gas burners start up instantly, deliver more heat to the water. And gas is clean too.
4. Nothing is more dependable than gas.
5. Automatic gas water heaters cost less to buy and install.
6. Gas burners last longer and give years of trouble-free use. That's another saving.
7. Gas costs so little to operate that you can afford to use all the hot water you want.

So, if it's hot water you need, and plenty of it, you need an automatic gas water heater. Call your plumber or gas appliance dealer soon.

MISS BETTI BAKER, bride-elect of Terry Obenhaus

Miss Baker Honored At Bridal Shower

A bridal shower, honoring Miss Betti Baker, was held Tuesday, July 14 at the Longview Baptist Church. She is the bride-elect of Terry Obenhaus.

Special guests were the honoree's mother, Mrs. Dexter Baker, Sudan, and Mrs. Virgil Obenhaus, mother of the prospective groom.

White net applique with wedding bells and with a lace border covered a blue satin cloth on the serving table. A spring floral arrangement centered the table. The white cake with blue bells was served from crystal appointments. Mrs. Allen Groom and Mrs. Boyd Killingsworth served the guests.

The honoree, her mother and the groom's mother were presented corsages of net, ribbon and a kitchen utensil.

Hostesses for the occasion were Mrs. S.D. Seagroves, Mrs. O.M. Lackey, Mrs. J.H. Lackey, Mrs. Troy Clem, Mrs. W. S.

Killingsworth, Mrs. J.W. Dawson, Mrs. J.R. Otwell, Mrs. L.R. Black and Mrs. L.L. Kit-chens.

Hostess gifts were a set of Ecco cookware and a set of glasses with a matching pitcher. Bridal Bounty is not just for brides, according to leading jewelry and department stores. Place settings of sterling silver flatware, traditionally a gift for a new bride, are now a popular anniversary gift for the woman who didn't receive sterling when she married.

Square Thru News

By Laura Seales
Members and guests squared up for a fun filled evening of dancing and fellowship Monday July 13. A square of dancers from the newly re-organized Merry Mixers of Hereford were on hand to represent their Club and encourage visiting in Hereford. Two squares from the Merry Mixers in Lubbock were also present.

Ed Barby announced the annual Salad Supper-Square Dance to be held at the National Guard Armory July 25 in Lubbock.

Ed Gunnels received a special invitation to be present to join other area callers to call for this dance.

The Starlight Swingers of Portales, New Mexico will have an Anniversary Dance July 30 at eight p.m. at the Memorial Building, 308 E. 7th, Portales. Charge will be two dollars a couple.

Betty Gunnels was honored Monday night with cake and homemade ice cream. Betty was surprised as she thought no one knew that Monday was her birthday. Betty is the wife of Club caller Ed Gunnels.

The Square Thrus want to say a big thank you to Mr. Brantley for the use of the lot at his

Texaco Service Station for the Fourth of July dance. There was a good crowd of dancers and spectators.

Come dance with us July 27.

Be ever mindful and thankful to GOD for...

HEALTH and FOOD

In our nation today, the majority of us have so much to be thankful for. Sure we lose a tooth or two in growing up, as the one pictured here, but these will soon be replaced. Health and Happiness are generally ours, and through our abundance we should share with others who are less fortunate. God's word and the church encourage sharing with others. There are many areas of service to others within the churches, and these we should not neglect, but God has said that we should take advantage, as we are able, of all opportunities to give aid.

"As we have therefore opportunity, let us to good unto all men."

GALATIANS 6:10

THE CHURCH ENCOURAGES LOVE AND COMPASSION FOR OTHERS

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny, the truth which alone will set him free to live as a child of God.

We were pleased this past week to receive a certificate of recognition, and we quote: "A Certificate of Recognition from 1970 Beautify Texas Council for Governor's Community Achievement Program of TEXAS COMMUNITIES TOMORROW presented to Muleshoe for improving and preserving an attractive environment". The certificate was signed by Governor Preston Smith; Secretary of State, Martin Dier, Jr.; president of Beautify Texas Council, O.P. Schnabel; and Regional Chamber of Commerce Manager, Jack Springer.

We also enjoyed the South Plains Association of Governments, Texas Communities Tomorrow meeting in Lubbock last Thursday. There were eight men from Muleshoe present, including Irvin St. Clair, Ken Heathington, Morris Nowlin, Earl Ladd, Albert Field, Ralph Douglas, myself and Alex Williams, an active SPAG Director. We listened to a number of interesting speakers on water and sewer planning, cleaning up junk cars, industrial development, and the dinner address given by Governor Smith.

Thanks to Charles King, Jesse Leal, and Joe Rodstein for free gas, meals and lodging for Tourist of the Week, Call 4248 for house rentals.

TOURISTS OF THE WEEK--Recently M/Sgt. Evan Nielson and his family from George AFB, California, were quite surprised to be stopped by a Muleshoe City Police patrol car. They were enroute to Pampa on vacation and were tabbed as Tourists of the Week in Muleshoe. Pictured here are from left, Muleshoe Ambassadorette Becky Milner, Shannon Nielson, Mrs. Nielson, Thomas Nielson, Sgt. Nielson and Muleshoe Ambassadorette Devona Bradley.

Charles Doubrava

Superintendent Named For Area Pipeline

Charles E. Doubrava has been named transmission superintendent for Natural Gas Pipeline Company of America's Hereford, compressor station and Hereford and Goodland, pipeline crews.

In his new assignment, Doubrava will oversee pipeline and compressor maintenance and operations activities at the two sites.

He joined Natural, a subsidiary of Peoples Gas Company of Chicago, in 1962, and held various engineering posts before being named chief inspector for mainline construction in Iowa earlier this year.

Doubrava holds a bachelor degree in petroleum engineering from the University of Texas and is a member of the American Institute of Mechanical Engineers. He and his wife, Constance, have two children.

Story Of Israel To Be Presented At First Baptist

"HIS LAND," rich in color and authentic sights and sounds, with a popular musical score composed and arranged by Ralph Carmichael has been called a musical journey into the soul of a nation, and will be shown on July 20, 1970 at 8:00 p.m., at First Baptist Church.

Across a barren land, scarred by centuries of war and neglect, the spectres of ancient Israel appear, hover, and fade away. Suddenly there is movement of a different sort, and slowly, steadily, a startling transformation begins to take place.

Thus begins "HIS LAND," the thrilling story of Israel from ancient to modern times. "HIS LAND," a one-hour color feature motion picture, takes you on a journey through space, time and current events. You see graphically, the fact that Israel today is a living testimony to the words of the prophets when they proclaimed that Israel would take her place among the nations of the world.

In the company of Cliff Barrows and Cliff Richard, England's popular star, who sings a number of new Ralph Carmichael songs, some of which were actually written on location, you travel the vibrant streets and lonely solitary paths of this nation whose destiny is daily discussed in the councils of governments all over the world. . . the same paths taken by Jesus and the prophets: Galilee. . . the wilderness. . . Jerusalem. . . the Mount of Olives. . . mingle with the people of modern Israel as they work, play and build a nation.

WACO, TEXAS -- A \$400 scholarship has been made available for a student wishing to study seed processing technology at the Texas State Technical Institute this fall.

Funds for the scholarship, to be known as the W.R. "Bob" Poage Scholarship, were donated by the Texas Seedsmen's

Association and the Texas Certified Seed Producers. The two groups have set aside a total of \$1,000 for scholarships this fall.

The program is offered only on the James Connally Campus of TSTI. Other campuses in the multi-campus technical school

will not offer the course this fall.

Program chairman for seed processing technology, Robert Leo, said the money can be used for tuition, room, board and other student expenses. Professor Leo asked that incoming students interested in the program should contact him

before August 15.

Seed processing is one of several programs offered at the James Connally Campus of TSTI which are agriculturally oriented. The two-year seed processing technology course is designed to train technicians to operate and maintain equipment as well as supervise seed pro-

cessing facilities. The program includes instruction in certification and labeling of seeds; harvesting storage; processing; seed testing and quality control; packaging and treating; marketing and delivery; and related support courses.

The course is open to both men and women. Academic excellence is desired, but more emphasis will be placed on interest in the field of study. Professor Leo asked that in-

terested students contact him at building 40-4 at the James Connally Campus in Waco, or call 817/799-2406.
