

# THE ELDORADO SUCCESS

OF AND FOR ELDORADO AND SCHLEICHER COUNTY. ALL THE TIME

VOL. XXXIII

Eldorado, Schleicher County, Texas. Friday, May, 19, 1933.

No. 18

## Eldorado Wool Co. Makes Wool Sale

Schleicher County broke into the 25c wool column late this week when Ray W. Willoughby sold thru the Eldorado Wool Company approximately 45,000 pounds of twelve months at that price. The purchaser is reported to be Wright Bros. The wool is coming into the warehouse here now and will be shipped in a few days.

The local concern is also reported to have sold about 35,000 pounds of small clips of wool earlier in the week at prices ranging from 23 1-2c to 24 1-2c per pound.

W. H. Williams was in from the ranch Thursday and reports that he sold his wool Wednesday at 24 1-2c per pound. The wool was loaded out at Mertzon Thursday.

## WILLIAMS AND RICHEY BUYS STEERS

A. D. Richey reports that he and J. L. Williams, of Eden, bought this week, steer yearlings from the following parties, 30 head from W. E. Bruton, which were shipped to market; 102 head from Lee Williams, and 70 head from McKensie. These yearlings will be placed on the V. G. Tisdale ranch. The prices paid for same was not given out.

## A PUBLIC STATEMENT FROM BAPTIST PASTOR

Having just come among the good people of Eldorado and being an entire stranger to everyone, nature arises in the minds of some if not all. What about this new preacher? What does he stand for? and what will his coming mean to this community? And in answer to these questions I would like to state a few facts. So in answer to the first question would like to say. My family and I are just plain folks, like everyone of you and have had some of the same problems as yours and like the apostle Paul have learned to be content in what so ever state we find ourselves. Striving all times to be a blessing to those we meet.

And in the next place we stand 100 per cent for everything that is right and uplifting to the people and community at large. We believe that every one who would claim the right to citizenship in any community should at all times and in every way strive to make that community the best and cleanest possible and in order to do this he must at all times be found on the side of righteousness and against everything that would endanger or pull down the best interest of the community. So we purpose to stand firmly on this side.

And as to the last question, we hope that our coming will mean a blessing to those with whom we labor and to every phase of the community life. And in the very beginning we now offer our service in every way that we may help to lift the burdens from the hearts of any one and while we are Baptists, we do not wish to narrow our service just to Baptist. So come lets get acquainted and pull together for a better town and community.

Sunday School each Sunday at 9:45. Preaching at 11:00. B. T. S. at 7:30 and Preaching at 8:30.

Leon Frazier, Pastor, First Baptist Church

CREAM WANTED on Wednesday and Saturday.—Andrews Store.

## High School Commencement Exercises Wednesday Night, May 24

The High School Commencement exercises will be held at the school auditorium on Wednesday evening, May 24th, beginning at 8:30. Dr. J. D. Sanatier, President of Simmons University, will be the principal speaker for the program. Willie Ruth Johnson, highest ranking student in the class of 21 members will deliver the valedictory address. Thelma Conner, second ranking student will deliver the salutatory address. The members of the class are as follows: Hollys Alexander, John Alexander, Evelyn Anderson, Donnell Jones, Fay Keeney, Lillie Belle Kent, Luther Kent, Jack Kerr, Roberta Milligan, Frances Mills, Hassell Rathiff, Jack Ratiff, Bell Sample, Margaret Sheen, Aubry Smith, Thelma Conner, Jim West. Another feature of this program will be the Simmons University male quartet, which appeared on a program in Eldorado earlier in the year. The faculty committee in charge of the preparation of the program for this occasion are Miss Allan and Miss Karr. The committee in charge of decoration is Miss Turney. Miss Myer and Mr. Kelley. The committee in charge of ushering is Mr. Williamson, Mr. Smith and Mr. Kelley.

## OIL NEWS FROM SCHLEICHER TESTS

The W. R. Nicks well, No. 1, just northeast of Eldorado, has run pipe to the bottom 6,196 feet, where the formation has changed from shale to lime. The pipe is being cemented at bottom as we go to press Thursday. Just as soon as cement is set the hole will be carried deeper.

Mr. Wesner contract was 6,200 feet which has practically been completed, but the hole will be carried on to production or water, by the Phillips Petroleum Co.

Eastland Oil Co. No. 1 Joe Tisdale, 8 miles northeast of Eldorado, has drilled to 100 feet past the top of the lost pipe, which is still several hundred feet above the old bottom, which was 5,934 feet in lime with a small gas showing.

## A REAL BARGAIN

At \$1.00 per year, for a three year subscription, paid in advance, To The Success, we will give you a Schleicher County History, containing 110 pages of interesting reading of this county. This applies to Schleicher County readers only.

## THE SUCCESS

### Church School Sunday

Let us all be on time so that after the Sunday School we can go to the Baptist Church for the services.

We will worship with the Baptist Sunday evening honoring Rev. Mr. Frazier, our new Baptist pastor. Let us give him a good hearing.

W. H. Marshall.

George Williams reports over an inch on his place Sunday.

SALE or TRADE: Well improved unencumbered farm, fruit trees, etc., Jasper County, Texas, Rain Belt, Free Range. Take high grade sheep on all or part consideration. If lien on sheep will assume.

Clarence Wightman, 1832 Hillcrest St., Fort Worth, Texas.

## Schleicher County Mostly Wet

Rain fell over most of the county Sunday and Saturday night. The extreme west side of the county received from two had no rain but most of the rest inches to a half inch. Most of the farming land received enough moisture to plant their crop on.

Quite a few sheep that were freshly shorn chilled down and some of the ranchmen lost pretty heavily. Fire felt good all day Sunday and up until noon Monday. The worth of the rain can not be estimated, as it was absolutely necessary to get it for planting crops, as the time for planting is here and the rain was badly needed.

## LIONS CLUB LUNCHEON

At the Lions luncheon Wednesday three new members were reported, which will add strength to the club. They were W. C. Doyle, M. O. Shafer, Thorpe Parker, and the return of Sam Loyd. This was really encouraging for the Lions are trying hard to make a better Eldorado and a better Schleicher County.

The entertainment Committee brought before the Lions club for the entertainment feature, C. F. Jones and Betty Jo Whitten, in song. They were real entertainers with two duets.

The following committee was appointed to find lodging for the band people that will visit our city next Monday night, Mr. and Mrs. R. D. Holt, Mr. and Mrs. J. H. Jarvis Mr. and Mrs. Frank Bradley, Mr. and Mrs. J. C. Carr, Mr. and Mrs. W. N. Ramsay and Mr. and Mrs. A. T. Wright. They will see the homes that will take care of them and make arrangements for their keeping.

## ADAMS SCHOOL CLOSING WITH PROGRAM AND BARBECUE

The Adams or Rudd School will have its closing exercises next Thursday night with a nice program and on Friday following, there will be a barbecue and picnic at the school building which will close the school. Miss Lucile McWhorter has taught the school this year and is closing one of the most successful years the school has ever had, and she is to be congratulated for the splendid work of the year.

Everyone is cordially invited to attend the exercises of the school and the dinner, on Thursday and Friday May 25 and 26.

## RUSSELL SHIPS CATTLE TO BALLINGER

Tom Russell shipped out nine cars of cattle to Ballinger Wednesday over the Santa Fe. They came from the Russell ranch east of Eldorado.

## City Variety Store

YOUR 5c TO \$5.00 STORE

### GIFTS

FOR GRADUATION

25c to \$1.00

See Our Attractive Display of Graduation Gifts

E. W. Mund was in from Bailey ranch Saturday mingling with friends.

## W. M. S. PROGRAM For Wednesday May 24

Song: Report of Publicity Supt.: Playlette: "The Deaconess a Church Worker." "The True Church of Christ": April World Out Look. "The Deaconess and the Community Church": May World Out Look. Hostesses: Mrs. H. T. Bird and Mrs. A. J. Atkins, at the home of Mrs. Atkins.

## New Congressional District

According to the press report from Austin, Schleicher County has been placed in a new District for Congressional office. About five or six have already been mentioned for the office. Other Counties in the new district are, Uvalde, Gillespie, Sterling, Coke, Runnels, Coleman, Brown, Iron, Tom Green, Concho, McCulloch, San Saba, Mills, Menard, Mason, Llano, Kimble, Sutton, Val Verde, Edwards, Kerr, Kendall, Real, Bandera and Kinney.

We see no reason why we could not elect a good man out of all these counties and we suggest that W. A. Smith of San Saba be conscripted to fill the place. Bill Smith has been on the right side of most questions and by his stand for the right he deserves the office. He is posted on the needs of the country and is a capable man.

## GRAMMAR SCHOOL EXERCISES OF PROMOTION THE 23RD

The Eldorado Grammar School promotion exercises will be held at the school auditorium on the night of May 23rd, (Tuesday) beginning at 8:30. The members of the seventh grade class this year are as follows: John Thomas Ballew, Harmon Bodine, Pauline Bruton, Wilma Bruton, Gaylene Casey, Paul Davis, Imogene Evans, Patton Enochs, Jack Hext, June Hooker, Johnnie Fern Isaacs, Robert Mather, Vernie Logan, Dan McWhorter, Jim Edgar Samples, Elizabeth Stanford Helen Stanford, Naomi Underwood, Neva Wade, Maxine Wilton. Of this number a majority will pass without considerable difficulty although some of the class have failing grades for the most of the school term.

Mr. and Mrs. J. S. Clark were in from Station A Saturday. They came in for the ball game between Station A and Eldorado. Mr. Clark being the catcher for the Station Ball Club. "Bow claims to be 110 years old but to see him on the ball diamond you would not think it.

## Train Hits Auto, Kills Three

There were three killed and several injured in an auto and train collision in San Angelo Sunday afternoon. The dead are T. O. Pierce and wife and Miss Gladys Clark, sister of Mrs. Pierce. The train was coming in from Alpine and the car was attempting to cross the track, presumably not seeing the train coming and perhaps stalled on the track, according to reports published in the San Angelo Evening News.

## METHODIST CHURCH SPECIAL SERVICE POSTPONED

On account of conflicting date the Childrens Day Service and Home Coming service at the Methodist church has been postponed from May 28th to June 4th, one week from the original time set. All interested people will plan accordingly.

## BACCALAUREATE SERMON SUNDAY AT BAPTIST CHURCH

On next Sunday, May 21st, at eleven o'clock, the High School Commencement exercises will begin with the Baccalaureate sermon, preached by the Reverend W. H. Marshall at the Baptist Church. Special music will be rendered by the high school choral club and by a community choir. The committee of teachers in charge of the program are Miss Karr, Miss Turney. Those in charge of the decoration of the church for this program are Miss Myer, Miss Allen and Mr. Williamson. The members of the faculty in charge of ushering are Mr. Williamson, Mr. Smith, Ms. Kelley and Mr. Irby.

## METHODIST CHURCH

The standard of Christianity is the highest the world knows or can know. This is because it is divinely perfect. There is nothing superior to it. Christianity requires more, demands more, than any other principle of living men have ever known. Its glory is in this very fact, that it is so exalted and that it demands so much. Man down within the deep of his soul knows, that, salvation and heaven at the end of this life is ours not by chance, but because a man has so lived that he has a right to live on, and that he ought to live on forever and forever. In all our churches over this land there are men and women who have time and money for everything but God and the church. What is going to become of these men and women when they die? Why have they turned their backs upon God and the church? Many of these men and women will be dead in the next six months many others as the years go by. In the name of heaven can you tell me what they are driving at.

But come lets talk this matter over. What are you and I doing for God and the church? When were you at church last and what did you go for? Just what place does God and his Sabbath have in our lives? Or we out on Sunday trying to make a dollar with which to hurry us on to hell and death, or do we turn our feet and minds toward the church to worship and come away with our souls lifted? The nature of the world requires heroism, courageous endeavor and boldness that knows no retreat. Do you think in terms of immortality and life. What and how do you think? Or do you think?

Mr. J. B. Christian returned from San Antonio Sunday where he had been with his daughter, Mrs. E. W. Brooks. Mr. and Mrs. Brooks stopped over at Kerrville for a while and are stopping at the Elder Hotel.

Mr. and Mrs. Otto Sauer were in the city Tuesday shopping.

## Boy Scouts Meet At Mertzon May 29

Camp Louis Farr for the Boy Scouts of the active towns on the Concho Valley Council, will open in Monday May 29th on the famous Fayette Tankersley ranch near Mertzon.

The camp is located on the headwaters of Spring Creek where seven enormous springs furnish the water for the most beautiful stream in West Texas. The woodland in which the tents will be erected is without doubt the most attractive camping place in this section.

Camp Louis Farr is made available to the Scouts by Fayette Tankersley of Mertzon. It was named "Camp Louis Farr" in honor of the late L. L. Farr, who was the close friend and associate of the pioneers of West Texas.

The camp folder announces health, safety, happiness, food, fun, facts, adventure and romance. It lists 24 main subjects on the program including swimming, canyraft, nature lore, athletics, games, handicraft and dramatics. The Indian Pioneer 24-hour games promises to be thrilling.

The regulations of Camp Louis Farr conform with the highest in the United States with respect to health and safety. The menu is carefully organized to give growing boys plenty of the right kind of food. A quart of sweet milk is served to each scout daily and ice cream is made in the camp every day. The inspectors of tents and the Scouts are very rigid and a doctor is in camp at all times to take care of any injuries or first aid.

The Scouts are carefully supervised at all times and there is one adult in camp for every 12 scouts. The program is worked on a schedule of 45 and 90 minute periods, giving time for Scout tests, hikes, swims, camp sports, rest, meals and everything that will make the boys have a happy and profitable time.

Several of the local Scouts are planning to attend the camp and get the intensive training for the full period.

## MUSICAL CONCERT MONDAY NIGHT AT HIGH SCHOOL AUDITORIUM

The Iraan High School Band consisting of 42 pieces, will give a concert here Monday night at the High School Auditorium, sponsored by the Boy Scouts. In fact the Scouts get the entire proceeds of this concert. An admission of 10c and 20c will be charged.

Everyone is cordially invited to come out and help the Scouts get started in their work here.

Lester Henderson was in from the ranch Saturday and helped the Eldorado boys out with the ball game.

## MOTHER'S DAY SERVICES OBSERVED BY LOCAL CHURCHES

Mother's Day services were observed by the local churches Sunday, with a nice rain with the service.

The Presbyterians were giving Bro. Davis a farewell day with dinner at the church. Bro. Davis has been coming here for several years as pastor, or supply pastor of the local church, but is now leaving to become president of Daniel Baker College, Sunday being his last day here, the church presented him with a nice gold watch as a token of love and friendship and we are sure the minister will ever keep these good people in memory. A nice Mother's Day Program was had.

The Methodist Church observed Mother's Day with a nice Program and a sermon from Bro. Marshall, the pastor, and the choir rendering Mother's Day Hymns.

The Baptist pastor gave his congregation a Mother's Day Sermon with the church choir rendering appropriate hymns for the occasion.

We appreciate any item of news you might know. Call 77 and we will do the broadcasting.

MAY, 19, 1933

The Governor of Texas has asked the Legislature of Texas to pass a law allowing everyone in the state of Texas to vote on the Prohibition Amendment, that is to qualify them by an act of the Legislature, many of them have paid no poll tax and will be disqualified to vote, this is not a bad idea, the people are the ones to decide this question and not the qualified voters, for once we can agree with the Ferguson Governors, many of my readers might not agree with me but the people must rule and the election has been placed at a time when people were not able to pay their tax.

We have no reference to whether the wets or the dries would benefit by the granting of the votes, but we do believe every citizen should have a vote on the question. The election should be held at election in 1934, but the legislature got too dry and wanted something stirring this year, so its up to the voters to do the job this summer and The Success believes the majority of the Texas people should have a say on the question.

With good rains and more coming, Schleicher county is fast regaining strength from the depression. The planting of crop and shearing of sheep will give much needed employment to many and keep the people fed.

The two oil wells in this county are nearing a depth this week end that will be interesting to many readers of The Success and if nothing happens to retard the drilling the next few weeks will tell whether we are to have oil or not in these tests.

In another news item in this issue of The Success we have mentioned W. A. Smith of San Saba as a possible candidate and one that would serve the people well if sent to Congress. Why not prevail on him, running and see that he gets there.

In the changing of the congressional district it moves or will move from us our present Congressman or will put him in another district at the next general election unless he chooses to move to our end of the district. Congressman Thomason has made a good servant of the District and will continue to serve us until the next election and if he will move to Schleicher county we will try to send him back from our new District.

## GARDEN OF EXPERIENCE

By F. G. Clark

### THE HUMAN PROBLEM

Our outstanding thinkers thruout the ages have applied themselves to the solution of human problems, without success. The question is: what is the meaning of human life and how can we best spend our allotted years to our own highest advantage of our fellow man? Our great philosophers and scientists have applied themselves unstintedly and unselfishly to this problem and each seemed to think he had solved it. But in each case a fair trial of his system has invariably proved him wrong.

Now to reach a correct solution of a problem one must have all the factors of which that problem is composed. The greatest mathematicians in the world cannot arrive at a correct solution of a problem unless he can avail himself of all the factors of which the problem is composed. If he lacks even one of them, his answer is sure to be wrong. We live in a God created universe consisting of seven planes of being, each one finer than the one just beneath it. The same God who created the universe, created man and he originally consisted of seven planes of consciousness, each one contacting a plane in the universe. Each one of these planes is a factor in the problem of life. Thru transgression man fell and lost conscious contact with four of these seven planes and the remaining ones are the lowest and coarsest. In a problem consisting of seven factors we have but three and it is no wonder we are constantly getting the wrong answer. This is why human affairs are constantly getting into a mess and the longer they exist the worse the mess until there is nothing to do but throw them all over again.

The solution of the problem depends upon the development of our cosmic consciousness, so that we can again contact all the planes of existence. This is the religion of Prof. Einstein a life long effort to develop a cosmic consciousness. Having achieved that or in other words, having contacted all the factors of the problem, he can achieve a correct solution of life's problem. But life is so short and the journey too long for the average man to hope for success. But the case is not hopeless. We can go to one who has solved the problem and lovingly laid the solution before us and this with out price.

Christ came from the highest heaven to the lowest earth and contacted the planes between and because he has all the factors and divine wisdom with which to manipulate them. His solution is correct. All He asks of us poor benighted mortals, is to have faith enough in Him to accept His solution and govern our lives accordingly. He demonstrates how the divine life should be lived. He left the Holy Spirit with us to be our guide and to assist us in our search for Truth. The wise man will take up his cross daily and follow Him.

## STATE HEALTH OFFICER WRITES ON PELLEGRA

"Pellegra is a disease that is caused by not eating the right kind of food and shows itself usually by a strange kind of red dening and scaling of the skin," said Dr. John W. Brown, State Health Officer. "The person with pellegra usually suffers loss of appetite, indigestion, diarrhea, soreness of the mouth and tongue, nervousness, low spirits and more or less general weakness.

"Thousands of Texans suffer with this disease and approximately one thousand die each year. More cases appear in the spring and early summer months than at any other time of the year. This is because more people live on a restricted diet during the winter. It comes to those whose diet does not contain all that is needed to keep one in good health. The missing essential in the diet is called the pellegra prevention factor or vitamin. We know this because people who eat the right kind of food do not have the disease, because those who do have the disease and eat the right kind of food do get well and remain well as long as they maintain a proper diet and also because when people are fed the wrong kind of food they develop the disease. Pellegra is not a communicable disease. The treatment should be directed by you, doctor and the main thing is the diet. Do not rely on patent medicines.

"The prevention of pellegra depends upon eating the right kind of food at all times. To make sure that the diet is right, it should always include plenty of milk daily, some fresh meat and as many fresh vegetables as possible. Tomatoes, whole wheat products, salmon, brewer's yeast, and fresh fruits are especially valuable. Having provided these essentials of a proper diet, the rest may be arranged according to family or personal likes. In this way you may avoid pellegra."

### MAYER HOME CLUB MEETS

The Mayer Home Club met May 11th at Mrs. R. G. Nance, with ten members, one visitor and Miss Howell being present. House called to order by Vice President. Minutes read and approved.

Chickens were canned and recipes exchanged. Miss Howell gave a recipe for the making of Thousand Island Mayonnaise Dressing.

The next meeting will be at the home of Mrs. Dannheim.

## Laying A Good Foundation

Last Friday morning, May 12, Brother Frazier of the First Baptist Church of Eldorado addressed the entire student body of the school. His subject was based upon the importance of laying a good foundation for life's work.

Brother Frazier gave as an illustration his watching of the construction work on the Fort Stockton High School building a year or so ago. He said he particularly wanted to see what kind of work the hidden foundation work was—and whether as much care was taken with it as with the finishing work. He said that the utmost care was taken in all the foundation work. All the sand was sifted carefully in order that coarse particles would not weaken the structure in after years.

Comparing our lives with this building, Brother Frazier said that we should be very, very careful what kind of sand went into our foundations—that is whether or not we are building up the character and habits necessary for complete success in later life. If we fail to lay the foundation for life by building our character and habits along proper lines, some of the foundation of our lives will prove weak when we are subjected to the severe tests of life and our structure will weaken or fall.

Brother Frazier concluded his talk by saying that a good school was necessary in any town and that a town was judged by the kind of school it had more often than by any other test. He admonished all the students to see that the character of the work of the school not to be allowed to fall down and lower our standards.

—E.—H.—S.—

## TEN GOLDEN MAXIMS

1. Honor the Chief. There must be a head to everything.
2. Have confidence in your-

self and make yourself fit.  
 3. Harmonize your work. Let sunshine radiate and penetrate.  
 4. Handle the hardest job first each day.

5. Do not be afraid of criticism—criticize yourself often.  
 6. Be glad and rejoice in the other fellow's success—study his methods.

7. Do not be misled by dislikes. Acid ruins the finest fabric.  
 8. Be enthusiastic—it is contagious.

9. Do not have the notion that success means simply money making.  
 10. Be fair and do at least one decent act every day in the year.

You will never \*\*\* receive very much pay for doing something that is easily learned. Too many others learn to do the same thing.

If the new day brings difficult things to do take up first the hardest or most disagreeable. With that out of the way, all others seem to be easier.

The longer we delay to do the difficult thing, the harder it seems to be to make up our minds to get at it. The fact that you conquered yourself to undertake the job you disliked most seems to give you strength to do all the rest better and more quickly than you expected.

—John Wanamaker.  
 —E.—H.—S.—

## JUNIOR TRACK BOYS ORDER SWEATERS

Gordon Williamson The Junior Boys ordered their track sweaters last Monday morning. The sweaters cost about \$4.00. They are light in weight and have a yellow "E" on a black sweater.

Those who ordered sweaters were Jack Hext, Gaylon Casey, Paul Davis, Sam Cloud, Robert Lee Anderson, and Gordon Williamson. The sweaters will not be in until about a month from the present, at least. We hope all the boys will be proud of them.

—E.—H.—S.—

## ELDORADO HIGH SCHOOL ACCOMPLISHMENTS FOR THE YEAR 1932-33

1. Hinner-up of this district

in football.  
 2. Readmitted to the Southern Association of Accredited Schools.  
 3. Completion of second clay tennis court.

4. Winner of third place in District Typing Tournament.  
 5. Winner of first annual tennis tournament retaining both singles and doubles cups.

6. Winner of second place in first annual typewriting tournament., Ozona taking possession of the silver cup for one year.  
 7. New Stucco bathhouse completed under the auspices of the Lions Club.

8. New side-walk from the school building to town constructed under the auspices of the Lions Club.  
 9. Winner of this district in debate the team representing the school in the State Meets, where they were defeated by Beaumont, who went into the semi-finals.

10. Winner of third place in extemporaneous speaking at district meet.  
 11. Winner of second place in the one mile run at the district meet.

12. Winner of three of the four practice typing contests held with Sonora.  
 —E.—H.—S.—

## SCHOOL CALENDAR

## SENIOR EXEMPTIONS

Junior Isaacs Everyone wants to know who the smart Seniors are who get exempt in their work this year. They are as follows: Hollys Alexander, English, Public Speaking; Willie Ruth Johnson, English, Chemistry, Advanced Arithmetic, Public Speaking; Lillie Belle Kent, English, Short hand, Public Speaking, Economics; Margaret Sheen, English, Public Speaking, Home Economics; Thelma Taylor, English, Shorthand, Economics, Home Economics; Frances Mills, Short hand, Spanish; Fay Keeney, Public Speaking; Jim West, Spanish.

These Seniors have worked hard to be exempt in these courses and should be praised for their good work. In order to be exempt, a Senior must average 85 or more for the last semester's work, together with a "B" or above in department.  
 —E.—H.—S.—

## GRADE NEWS

Nell Campbell The First Grade is now studying birds and nature. As an aid in this study they are using pictures and charts.

On May 1st they had a May Day party which they enjoyed very much. Guests of the party were the members of the Second Grade.

The following article was written by Frances Thompson, a member of the Second Grade.  
 \*\*\*

May Day Party The Second Grade enjoyed the May Day party given by the First Grade. The room had many lovely roses.

The program was "Come, Spring" by Mrs. Martin, "Dandelion Play," and songs and a march.

We saw pictures on the wall and ducks on the pond. The re-

freshments were sandwiches, crackers, and candy. The favors were May baskets with flowers in them. We thought the party was very jolly.  
 \*\*\*

They all regret very much that one member of their class, Wallace Lively, has withdrawn from the class and moved to Lampasses.  
 \*\*\*

Ollie Alexander, Jr., whom they miss very much, is ill with the measles.  
 —E.—H.—S.—

## PERSONALS

Thelma Taylor Miss Dorothy Bradshaw, now Mrs. Fox, visited in Eldorado last Saturday. Everyone was glad to see our former Math teacher.

Mr. Hollys Alexander stayed at home last Saturday night for the first time in six weeks. He breaks the record, don't you think?  
 \*\*\*

Quite a few of the Eldorado high students enjoyed a delicious barbecue at the Koy ranch last Friday night. Here's hoping they want to get rid of a few more goats in the near future.  
 \*\*\*

Miss Mozelle Turney made a rush trip to Alpine Texas last week-end. She had her Home Economics class completely fooled as they thought that she was sick and she only took a holiday.  
 —E.—H.—S.—

MR. HAVENS FROM HOWARD PAYNE ADDRESSES SENIORS

Mr. Havens from the Howard Payne college at Brownwood made an address to the Senior Class Tuesday morning, May 16. He gave many interesting facts about the Howard Payne college and urged the seniors who planned to attend college to pay them a visit.

Mr. Havens brought some pictures of some of the buildings, students, faculty and activities of the college. He showed their annual book, "The Lassi," that was published by the Seniors of the college. He also gave each senior a catalogue for 1932-33 which was similar to the 1933 catalogue.  
 —E.—H.—S.—

## THE MEANING OF MOTHER'S DAY

Last Sunday, May 14, every one celebrated Mother's Day. What did Mother's Day mean to you?  
 The sweetest and most lovable

re-  
 membrance comes to us on Mother's Day. It should be celebrated with the spirit of the occasion and with a feeling of gratitude for what our mother has been to us.

Mother; What an outstanding word, and yet many of us fail to realize its importance. If one would glance back through the history he would find that when President Garfield was inaugurated he kissed the Bibbe then turned to a sweet-faced old lady and said, "I want to kiss my mother too! Men are what their mothers made them."

Some of us do not have mothers and we are alone. Alone is one of the saddest words in our language but mother is the sweetest and most important. We never have to be reminded that our Mother is our dearest friend and one we can always

depend on. She knows her children by instinct and she comes to her big warm heart. She has the responsibility of making the nation's citizens and we can never pay the debt we owe our mother.  
 On Mother's Day we should go to our mothers and throw our arms around her tired shoulders and kiss her because her life's work will soon be ended. When she tells us goodbye she is sending a life remem-

berance of Mother-love. When we look back into our childhood days we see her dear face and recall her loving care. There is a religion in all deep love, but the love of a mother is a light between the heart and the Heavenly Father. In every man's heart there is a soft spot that can always be reached by his mother. If she is gone, think of her because memory brings back our loved ones.

**You Need Hot Water Many Times . . . for Many Purposes . . . Each Day**

Why put up with an antiquated system of water heating? Why suffer all the dangers and discomforts of old-fashioned methods? A constant and adequate supply of hot water is an everyday necessity in your home—and you NEED a modern Electric Water Heater!

Hot water by electricity always has been the ideal method. It eliminates all the disadvantages of flame, noise, fumes, soot, smoke and odors. It is safe and healthful. It is dependable and efficient. And NOW—under our new "constant hot water service" plan—operating cost is ridiculously small . . . smaller than heretofore had been thought possible!

With all the important advantages it offers, you owe yourself, your family and your home the superiority of a beautiful new Electric Water Heater. Ask a salesman about present low prices and attractive terms . . . TODAY.

**ASK ABOUT . . . Our "Constant Hot Water Service" Plan. It Gives You a New and Surprisingly LOW COST!**

Do you know that your increased use of Electric Service is billed on a surprisingly low rate schedule . . . and adds only a small amount to your total bill?

West Texas Utilities Company

## We Want To Handle Your Wool & Mohair

The Sonora Wool & Mohair Company solicits the Wool and Mohair business of Schleicher County.

We keep in touch with the market at all times and closely connected with all Eastern buyers.

Wool and Mohair shipped to Sonora has the same rate to Boston as from San Angelo.

We handle Wool Bags, Fleece Twine, Sewing Twine, Marking Liquids and Fly Repellant.

Officers are:

Ed C. Mayfield, President.	W. A. Miers, 1st Vice-pres.
J. N. Ross, 2nd Vice-pres.	R. A. Halbert, 3rd Vice-pres.
A. C. Elliott, Sec't.-Treas.	W. J. Fields, Jr., Manager.

## PRODUCE EGGS at LOW COST!

—and make good profits regardless of egg prices

WHEN egg prices are low, that is no time to cut down on feed; what you need is BETTER feed, to produce more eggs and larger profits.

RED CHAIN EGG NUGGETS produce plenty of low-cost eggs. The superior quality ingredients are compressed into NUGGET form — and every NUGGET is a balanced ration. This new and efficient feed insures more laying hens, more eggs per pound of feed, reduced labor (feed once-a-day), no feed wasted or lost.

## Build Up Health and Pains Go Away

WOMEN who suffer from weakness often have many aches and pains which a stronger state of health would prevent.

Women in this condition should take Cardui, a purely vegetable tonic that has been in use for over 50 years.

Take Cardui to improve the general tone of the system in cases of run-down health and "tired nerves." Women have found, in such cases, that Cardui helps them to overcome pains and make the monthly periods easier.

CARDUI is safe and wholesome for women of all ages. Try it!

### ALEXANDER HOME CLUB

The Alexander Home Demonstration Club met Wednesday, May 3, with Mrs. Will J. Steward.

Miss Howell met with the club this time. A food Budget for a family of five was worked out.

After the meeting, refreshments of sandwiches and iced tea were served to the following Mrs. Eldred Roach, Mrs. J. J. Bradshaw, Mrs. Will J. Steward, Mrs. Dick Pearce, and Miss Howell.

The next meeting will be with Mrs. Eldred Roach.

George Holland of Christoval was here Wednesday delivering the steer yearlings that Williams and Richey bought at Christoval. They were delivered to the V. G. Tisdale ranch.

Mr. and Mrs. J. S. Loyd spent Sunday at Christoval visiting Mrs. Loyd's people. She has a brother in the graduating class of the Christoval School, which closed last night.

### COUNTRY WOMENS CLUB

The Country Womens Club had their regular meeting May 10th with Mrs. Paul Nixon. There were 9 members present with 5 absent and no visitors.

Meeting was called to order by the President and Miss Howell gave illustrations of hem-stitching on pillow cases, each one should make a pair of pillow cases and embroidery them.

In order to make the meeting more interesting the members chose sides and each side is trying to encourage the club by getting new members and having all members present. The side that wins will entertain the other.

After the business hour refreshments were served by the hostess.

The next meeting will be held in the home of Mrs. Ovid Wade on Wednesday, May 24th. All members are requested to be present.

—Reporter.

Mrs. Blandy Crabb was a visitor in San Angelo Tuesday.

## General Blacksmithing

We need and want your Blacksmith work. We have secured extra help and can turn out your work promptly.

PRICES REASONABLE

## W. F. Parrent

Frank Meador who has just sheared his sheep before the rain Sunday reports that his loss from chilling down was over 100 A very heavy loss for a small ranchman. Frank has come to the conclusion that a sheep has no sense.

L. L. Baker and wife went to Mineral Wells this week to attend the Banker's association. Mr. Baker is assistant Cashier of the First National Bank of our city.

Mrs. J. W. Lawhon went to Mason last week end to meet her sister, Mrs. Murray Kyger, of Houston, who has come to visit with her. They were caught in the big rain Sunday and had a real muddy trip.

Mrs. Bettie Tubbs, mother of Mrs. H. G. Parker, is visiting friends and relatives in Houston this week.

L. T. Wilsn was in from the farm Monday and reports a half inch rain on his farm.

### PARENT TEACHERS INSTALL OFFICERS

The Eldorado Parent Teacher Association met Tuesday afternoon at 3:30. Mrs. Head, President of Sixth District, gave a most beneficial and inspirational address, which pointed out the needs and aims of the organization. Those present caught a vision of the greatness and importance of the work as she outlined it.

After the lecture, Mrs. Head installed the new officers for the next year. They are:

Mrs. C. E. Poer, President; Mrs. R. D. Holt, First Vice-President; Mrs. J. L. Neill, 2nd Vice-President; Mrs. T. K. Jones, 3rd Vice-President; Miss Ruth Howell, Secretary; Miss Chrs Enochs, Treasurer; Miss Wilhe Allen, Publicity Chairman; Mrs. H. W. Wiedennman, Parliamentarian.

This corps of officers is making plans for next year's work. They ask the cooperation of every patron and friend of the school and of children in carrying out the policies decided upon. Plan now to attend the meetings and learn what the Association wants to accomplish for your child.

The Eldorado Funeral Service Ambulance went to San Angelo Wednesday after Mrs. McLellan, mother of Mrs. R. A. Evans, who has been in a San Angelo Hospital for several week with a broken hip. She returned Wednesday.

Rev. J. L. Ratliff went to Veribest Sunday where he filled a regular appointment that he has there.

Mr and Mrs. Geo Caraway returned Saturday from De Leon where they had been visiting friends and relatives. George is one of the Station's ball players

Mrs. A. H. Green was called to Brownwood last week on account of illness of her daughters family, one of the grand children died a few days ago and the others were down with the measles.

Word has been received from the new County Agent, Mr. Snell, that he has been sick but will arrive in a few days to take up his work here.

Walter Patton was home last week from San Antonio visiting his parents Dr. and Mrs. Patton.

We are glad to welcome Paul Keele back in our midst again after several months of teaching school at O'Donnel, Texas.

W. H. McClatchey was in the city Monday and reports a two inch rain at his ranch.

J. E. Henderson, Jr. reports a loss of about 100 head of sheep, chilled down from the cold rain Sunday.

### High School Notes

"Gone" is a word that hurts the heart. It indicates an irreparable loss when it is said of mother for, it means that mother has stepped into the shadow of silence.

"Youth fades, love droops, And the leaves of friendship fall;

But a mother's love Outlines them all.

—E. H. S.—

### THE SEVENTH GRADE PLAY

Hollys Alexander	Characters
Susie Flint, Elizabeth Stanford	Dolores McGuire
Johnnie Fern Isaacs	
Helen Bryan, Pauline Bruton	
Kate Gardner, Maxine Wilton
