

# THE ELDORADO SUCCESS

OF AND FOR ELDORADO AND SCHLEICHER COUNTY. ALL THE TIME

VOL. XXXII

Eldorado, Schleicher County, Texas. Friday November 11, 1932.

No. 46

## With Roosevelt Democrats Sweep The Nation Miriam A. Ferguson Elected Governor

### WRESTLING BOUT DRAWS CROWD; BILL DOUGLAS WINS BOUTE

The wrestling bout that was held at the Ritz Theatre Saturday night between Bill Douglas and Pete Cardiel drew a large crowd, and the referee gave Bill Douglas the decision. Those who attended report that they got their money's worth. Another bout is scheduled in the near future.

### RESOLUTION

Be it resolved, by the Executive Committee of the Sheep & Goat Raisers' Association of Texas, assembled in regular quarterly meeting in Eldorado, Texas, on November the third, that we express our most hearty and sincere thanks to the people of Eldorado and Schleicher County for their kindness and hospitality in furnishing us a delicious meal and otherwise entertaining us and attending to our various needs.

Resolution Committee.

When you can buy a Genuine John B. Stetson Hat at the low price of \$5.00, what's the use of buying a cheap hat when you can get the best at such low prices. We have a new and complete line to show you.

### WILLIAMS MAN'S SHOP

### LIONS CLUB VOTE THANKS TO LADIES

The Lions at their meeting Wednesday voted thanks to the ladies of Eldorado who assisted in any way in preparing the Barbecue lunch and serving the Sheep & Goat Raisers' Executive Committee that met here last week, during the lunch hour and especially those that help prepare the lunch.

Postmaster A. J. Atkins says that the post office will be closed Nov. 11, but will be open one hour after morning mail arrives.

### LIONS CLUB TO SPONSOR RED CROSS DRIVE

At the weekly luncheon of the Lions Club Wednesday, the Willoughby Brothers, Kay and Edward, presented the matter of raising \$75.00 for the Red Cross for Schleicher County, and the Lions agreed to sponsor the movement. The Red Cross work need no explanation to our people as it is well known through the world, and the 16 Lions that were present all joined and a committee will see others in raising the Schleicher County Quota of \$75.00 which is a small amount. The committee is composed of Don McCormick, W. N. Ramsay, and Frank Bradley, and all members of the Lions Club. So the people of the county will be asked to share in raising this small amount.

President Knight announced that the next Lions luncheon will be held at the Methodist Church, and be on Thursday November 17th, and that Chas. Nixon, District Governor, will be with the Lions on that day. The day has been changed so as to have the District Governor present. All Lions are requested to try and be present on that day.

### BABY PASSES AWAY

The four weeks old son of Mr. and Mrs. Francis J. Wood, died after an operation in a Temple Sanitarium, November 7th, and was brought to Eldorado Tuesday and laid to rest in the Eldorado Cemetery late Tuesday evening. The Rev. J. L. Ratliff officiating.

Francis J. III had just been in the home for a short while to bring sunshine and the promise of great happiness, when illness caused it to be carried to Temple where an operation was performed to try and save the little life, but it faded away like the flower that blooms to bless mankind for a season.

Mr. and Mrs. Wood have the sympathy of the community in their sad bereavement.

### SHERIFF'S SALE

STATE OF TEXAS,  
COUNTY OF SCHLEICHER:  
By Virtue of an Order of Sale issued out of the Honorable District Court of Schleicher County, on the 4th day of November 1932, by the Clerk thereof, in the case of Allen Manufacturing Company, Ltd., versus M. O. Shafer No. 473, and to me, as Sheriff, directed and delivered, I will proceed to sell, within the hours prescribed by law for Sheriff's Sales, on the FIRST TUESDAY in December A. D. 1932, it being the 6th day of said month, before the Court House door or said Schleicher County, in the City of Eldorado, Texas, the following described property, to-wit:

Lot Fifteen (15) in Block One (1) in the Glendale Addition to the town of Eldorado, Texas.

Levied on as property of M. O. Shafer to satisfy a Judgment amounting to \$2,261.60 in favor of Allen Manufacturing Co., Ltd., and cost of suit.

Given under my hand, this 10th day of November 1932.  
O. E. Conner, Sheriff

### SERVICES AT METHODIST CHURCH SUNDAY

Services will be held Sunday at the Methodist Church by the Pastor, Rev. W. H. Marshall, both morning and night.  
Sunday School at 10:00 a. m.  
Preaching at 11:00 a. m.  
Night services at 7:00 p. m.

### BTS TO MEET IN SCHLEICHER NEXT

#### Ross Culpepper Renamed Group President

Eldorado was chosen next convention city and Ross Culpepper of San Angelo was re-elected president of the Concho Valley Baptist Training Service at the Parks Heights meeting here Sunday. Attendance totaled 361 for five hours. Five attendance and record banners were won by Park Heights B. T. S. units.

The Eldorado meeting is to be December 4, the regional association meeting. Gordon Duke of San Angelo was named vice-president, Jack Franklin, secretary, Clyde Biggs, chorister at Miss Lulla McDonald of Wall pianist.

### RESOLUTION

Be it resolved, by the Executive Committee of the Sheep & Goat Raisers' Association of Texas, assembled in regular quarterly meeting in Eldorado, Texas, on November the third, that we express our most sincere thanks to Judge J. A. Whitten and his secretary, Miss Annice Putman, for their kindness at this meeting.

Resolution Committee.

### PRESIDING ELDER S. L. BATCHELOR PREACH- ED HERE SUNDAY

Rev. S. L. Batchelor, presiding Elder, was here Sunday morning and preached at the Methodist Church at the eleven o'clock hour, he thinking that Bro. McWhorter had gone to his appointment, and the Bro. Marshall had not reached Eldorado. Bro. McWhorter preached Sunday evening which was his last sermon at this time for the Eldorado Church. He and his good lady left Tuesday for their new appointment on the coast.

### CARD OF THANKS

Words fail to adequately express the gratitude and appreciation of the kindness and consideration shown us in our hour of sorrow.  
Mr. and Mrs. Francis J. Wood

Rev. J. D. McWhorter and Mrs. McWhorter and son, Jim, left Wednesday afternoon for their new home at Los Fresnos. They went by way of the Webster ranch where they spent the night Tuesday with their daughter, Miss Lucile, who is teaching in the Rudd school this year. Mrs. and Mrs. McWhorter have made many warm friends while in our midst, who wish them well in their new fields. Brother McWhorter said they would probably be back in the spring when the school closes where their daughter is teaching.

### WESNER NICKS IS TO DEEPEN

#### Phillips Going To 6,300 For Half Interest In Wildcat

(San Angelo Standard)  
J. D. Wesner's No. 1 W. R. Nicks, Schleicher county wildcat shut down for more than six months, will resume operations this week. Phillips Petroleum Company will deepen it from 5,575 feet in shale to 6,300 feet, unless production is obtained at a lesser depth, for a half interest in the test and in leases on 1,402 acres retained by Wesner out of an original block of approximately 2,000 acres.

Tools are in the hole 175 feet off bottom with cavings on top of them, the hole being open below 4,100 feet, where 6 5/8-inch casing was cemented. Wesner had planned to run cement in an effort to stop the caving and sidetrack the tools. Whether this will be done or Phillips first will fish for the tools will be decided by Alen O'Brian of Breckenridge, Phillips' district production superintendent, when he reaches the lease. When the hole is cleared, it is likely that 5 3/16-inch casing will be run. The pipe has been at the Rock Filling Station near Eldorado since spring.

In drilling to 6,300 feet No. 1 Nicks should test the horizon in which Phillips-Interstate's No. 1 J. A. Whitten had a showing of oil and gas from 6,300-33 feet. It struck no oil in the zone from which No. 1 Whitten headed oil for three days from 4,912-35 feet, but in May, 1931, had a showing of oil from 4,000-06 feet estimated good for 15 to 20 barrels daily and several hundred thousand cubic feet of gas. It was figured that this showing was encountered around 180 feet higher than a corresponding smaller showing in No. 1 Whitten.

No. 1 Nicks is 13-4 miles northeast of Eldorado and 2,310 feet from the north line and 2,362 feet from the east line of section 77, block LL, T. C. Ry. survey. It is four miles east and two miles south of No. 1 Whitten. It has an elevation of 2,408 feet, compared to No. 1 Whitten's 2,333 feet. Humble Oil & Refining Co. is one of the large lease holders in the area. No. 1 Nicks is being located on acreage obtained from that company W. M. Holland and Phillip Maverick are among San Angeloans who have leases and royalties in the area.

Work was resumed on the W. R. Nicks well Thursday and work will be resumed on the Joe Tisdale well next week.

### BAPTIST RALLY DAY

Rev. M. M. Fulmer of Ozona will have charge of services at the Baptist church Sunday, Nov. 13th. He is one of our best preachers and you will enjoy hearing him.  
Everybody invited to be with us.

Cecil Meador was in from the ranch Saturday mingling with the ranchmen of the county.

FERGUSONS WIN  
OVER BULLINGTON

The Fergusons were elected Governors of the State according to returns coming in as we go to press Thursday. Fergusons have 256,398, Bullington 162,823, a lead of 93,575.

Schleicher County gave the Fergusons a majority of 47 the total vote for the county was Ferguson 315, Bullington 268. The Mayer box being the banner Ferguson box, with Kaffir the banner Bullington box. The Eldorado box also gave a majority for the amendments. They also carried over the states according to reports given out by the election bureau. Bullington carried two Schleicher County boxes, Kaffir and

Schleicher County polled a total of 618 votes.

### JIM HOOVER'S SISTER DIES AT BRADY

Mrs. T. W. Drinkard, sister of Jim Hoover, our local Druggist, died in the Brady Sanitarium Sunday morning at 3:15 o'clock. She had been sick for some two or three weeks and Mr. Hoover had been to see her several times during her serious illness.

Funeral services were held at Eden, her home, Sunday afternoon with the members of her class acting as pall bearers. She was 24 years of age. Besides her brother here, she is survived by her father C. R. Hoover, a sister Miss Mable Hoover, of Brady, a nurse, and her husband and a daughter, Mary Adeline, of Eden, the daughter being only two and one half years old.

### CHESNEY BOOT SHOP NEW BOOTS Boots Foxed Boots Repaired

In fact I can do any kind of boot and shoe work. Make fancy dress boots to fit and please.  
Moved to The Brooks Building next door to The Success Office.  
C. J. CHESNEY

### PLAY POSTPONED FOR TONIGHT

The Play that is being put on by The Parent Teachers Association that was to have been given Tuesday night, but was postponed until Friday night, (tonight) so be on hand for the "Howling Success" a play full of fun and entertainment. The proceeds to be used by the Parent Teachers Association.

Dr. Pennington reports the arrival of a daughter to Mr. and Mrs. Marion Owens on Tuesday November 8th, 1932.

BORN — Monday November 7th, to Mr. and Mrs. W. H. Clevenger, a daughter, mother and babe doing nicely, and grandmother Wilson is wearing a big smile.

### DEMOCRATIC NATIONAL TICKET SWEEPS COUNTRY

Franklin D. Roosevelt and J. N. Garner were elected to the office of President and Vice-President in Tuesday's election by a probable majority larger than ever before witnessed in the United States. Texas can congratulate herself on having the first native citizen nominated and elected to the high office of Vice-President of the United States. Not only did the two officers win but many additional Senators and Congressmen were elected.

### CHESNEY BOOT SHOP MOVED TO BROOKS BUILDING

The Chesney Boot Shop has moved to the Brooks Building, making the change Monday. Mr. Chesney has a splendid boot business and draws trade from several adjoining counties.

W. E. Cloud will be in the building with Mr. Chesney, with his produce business.

### CLYDE GALBREATH OPERATED ON FOR APPENDICITIS

Clyde Galbreath was operated on in San Angelo at the St. John's Sanitarium, for appendicitis. The latest report is that he is doing nicely. Mr. Galbreath is ranching southwest of Eldorado about ten miles.

### SHOWER FOR BRIDE-ELECT

Mrs. Van McCormick, Mrs. Ben Hext and Mrs. H. T. Finley entertained Tuesday afternoon at 3 o'clock with a miscellaneous shower at the home of Mrs. McCormick, honoring Miss Margaret Tisdale, daughter of Mr. and Mrs. V. G. Tisdale, of our city, who is to be married November 16 to Mr. Dobie Tinning of Hutto, Texas.

The house was beautifully decorated with autumn leaves and chrysanthemums.

Miss Kathleen Crosby gave a Spanish dance and Bobby Barber and Genevieve Ramsey gave readings. Music was furnished by Mrs. H. W. Smith.

Mrs. Kathryn Washington (colored woman) presented Miss Margaret with her laundry at the living room door. Upon opening the basket she found lovely gifts from each of the guests. After admiring each and every one she expressed her sincere thanks to all.

Delicious refreshments of cake and hot chocolate were served.

### METHODIST LADIES TO HAVE ANNUAL THANKS- GIVING DINNER

The Methodist Ladies have announced their annual Thanksgiving Dinner at the Methodist Church. Meals will be 50c for adults and 25c for children under 12.

Rev. W. H. Marshall, Pastor, will preach the Thanksgiving sermon at 10:30 a. m. Special music will be arranged. Every one is cordially invited to the service whether you want to stay for the dinner or not.

### BUSINESS HOUSES TO CLOSE TODAY

The business houses will be closed after 9:30 Friday morning, (today) November 11, so if you find the business houses closed they will be taking a holiday. Remember the football game this afternoon.

Rev. and Mrs. H. W. Marshall arrived at the Methodist Parsonage Wednesday afternoon, where they were met by the Ladies of the Womens Missionary Society and given a welcome, together with a pounding.

### The Eldorado Success

 Agnes Wright, Associate Editor  
 Subscription per year \$1.50  
 We appreciate any item of news you might know. Call 77 and we will do the broadcasting.

NOVEMBER 11, 1932

The Eldorado Eagles had their wings clipped Saturday at Rocksprings. This is their first defeat for this season and they should have won this game, but after a muddy trip and being on the road from early morning until time for the game to start and pushing the truck through mud, the boys were not at themselves, anyway we just must have an alibi.

We will in a few day mail out accounts for subscription due and will appreciate a prompt payment if possible on the amount due, as we have some past due accounts of our own to meet. Owing to the cheapness of every product on the market, we are still sending The Success for \$1.00 per year. We also have some bargains with other publications in connection with The Success and can save you money and extra expense if you will subscribe for your Magazines through us.

And now since the Wesner well, the W. R. Nicks No. 1, is to be deepened, the oil development near our city might and should take on some new life. If this well can ever be carried to the bottom it is thought that production will be found. Some people think that the well is a little north of where production will be found. They also thought the same thing in regard to the Whitten well, believing the real pool lies to the south of where drilling has been carried on.

Tom Blanton was invited to speak over at San Angelo Saturday night to a vote of the ticket straight meeting, and the local speakers took so much of his time that when they went to present him for his say he had disappeared. He had bolted the program and left the meeting after driving 100 miles to be heard. We will admit he had a hard subject but we thought Tom could stand anything.

Roy Jackson, ranchman of Mertzon, was in Eldorado Monday shaking hands with friends and looking after business.

Ray and Edward Willoughby were out from San Angelo this week looking after their ranch interest here and working at the Red Cross movement here. They were put on the committee at San Angelo, as Eldorado is attached to San Angelo or Tom Green County. They were at the Lions Luncheon Wednesday and got the movement underway for this county.

Sam Williams was in from the ranch Monday looking after business. Mr. Williams ranches about 25 miles east of Eldorado and has been ranching there about 30 years.

W. L. Isaacs was in from the ranch 25 miles east of Eldorado Saturday.

### Garden Of Experience

F. G. CLARK.

This country has been fortunate in its choice of its chief executives. From Washington down to Hoover and Roosevelt they have been men of impeccable integrity and of superior wisdom. There is no doubt that each has given himself, whole heartedly, to what he believed to be the best interest of the nation. That they have made mistakes is only human. There is truth in the old saying: He who never makes a mistake, never makes anything, but he who makes too many mistakes, loses his job. The new president will make little difference in industrial and financial conditions. Hoover will continue to be president until the fourth of March and it will be more than a year before the new Congress can make itself felt. In the meantime conditions ought to improve more rapidly after the election, not because Hoover is defeated and Roosevelt is elected, but because uncertainties are eliminated and the financial world knows what to expect, and can lay its plans accordingly. Presidents may come, and presidents may go, but the nation goes on for—well for some time anyway.

But this scribe is more interested in the moral welfare of the nation than its financial welfare. No nation ever died of poverty, but many nations have died of excessive wealth, leading to immorality and disipation. It was said, in older times That righteousness exalteth a nation, but sin is the shame of any people. Proverbs 14-34. That is just as true today.

Money does not necessarily lead to disipation, but when one is headed that way, it certainly greases the way. If the man is headed toward ruin, plenty of money, enables him to arrive the sooner. In poverty, the necessity to purchase bread in order to live, may keep the man sober, and thus prolong his life and keep his home intact.

Religion, however, is the great savior of mankind. In the 18th century, England was on the road to moral ruin. Drink and immoralities were rapidly sapping the strength of the nation. Priests, under the influence of drink, often staggered into their pulpits. The morning service, a mere ceremony, was hurried thru so that the people might attend the bull batting and other forms of sabbath desecration.

All that saved England, and put her in the lead of the nations of the earth, was the revival of religion, under Whitfield and the Wesleys.

What we need now is a change, not so much in our financial and political trend as in our moral and religious trend. Seek ye first the Kingdom of God and his righteousness, and all of these things shall be added unto you. Mathew 6-33.

Royal Arch Masons  
 Meet 2nd Tuesday Night  
 In Each Month

G. H. Farrington was in from the stockfarm Saturday mingling with friends and buying supplies.

### Notice Farmers & Ranchmen

You can protect your feed against loss by fire at a surprisingly low cost. Cost for six months will not be over \$7.35 for \$500.00 worth of protection. Can you afford to do without it? I will be glad to explain it to you without obligation.

SURETY BONDS LIFE, FIRE AND WINDSTORM INSURANCE  
 W. O. ALEXANDER

### BAILEY RANCH SCHOOL NEWS

#### A GIRL'S COMPOSITION

An Atlanta school girl the other day produced the following composition on boys: "Boys are men that have not got as big as their papa's and girls are young women that will be young women by and by. Man was made before woman. When God looked at Adam he said to himself: 'Well, I guess I can do better if I try again,' and then he made Eve. God liked Eve so much better than Adam that there has been more women than men ever since. Boys are a trouble. They are wearing on everything but soap. If I had my way half the boys in the world would be girls and the rest would be dolls. My papa is so nice that I guess he must have been a girl when he was a boy."

—B.—R.—S.—N.—  
 SCHOOL CARNIVAL

Last week the school had a Carnival and box supper combined. Both proved a success. The eighth, ninth and tenth grades managed the carnival booths and every thing proved successful.

Jack Meador drew a large per cent of the "chance takers" at his shooting gallery. He had his booth outside, and used air guns for rifles. Some of the marksmen in the community made good drawing cards for others. A few spectators even advised Mr. Redford to close the booth as it seemed to be a losing proposition. It only appeared that way tho' for Jack made three dollars clear profit.

Florence and Pearl made and sold 3 dozen hamburgers. They also sold candy and pop corn. Their booth cleared more money than any other.

J. T. Kerr had, no doubt, the most successful booth, in which was chained a blood thirsty cannibal. People that had not screamed for years let out blood curdling yells upon finding them selves behind closed doors with this human eating savage.

Mourine Parks and Waldine Sudduth had charge of the Fish Pond.

L.D. Mund, Andrew Nixon and Marjorie Parks worked in different booths.

All the boxes were sold. Mr. Caraway from Station A was Auctioneer.

The school received about thirty-eight dollars for its work. The money will be used for buy-

ing play ground equipment etc.

—B.—R.—S.—N.—  
 FOUND—An assortment of buttons. Were picked up by J. T. Kerr in the cannibal booth after the carnival. Some coat buttons, some shirt buttons, and several others. If anyone has missed one since the carnival, call and see if you have one in the bunch.

—B.—R.—S.—N.—  
 TENTH GRADE SCHOOL WORK

W. C. Parks The tenth grade Biology class have very interesting work. Mr. Redford took them on a Field trip and collected many beetles and such insects.

A peculiar water-bug was found by one of the students. The bug resembled a crawfish and was very interesting. Several other bugs were found, catpillars, butterflies, etc.

The class mixed a compound of acids and made gas to kill them. This gas made them stiff and easy to mount.

There are only two students who are taking tenth history, namely Florence Nixon and W. C. Parks.

Geometry class is struggling with Axioms, theorems, and corollaries. Miss Herbert is their teacher.

English and Spanish are tough. There are only two in tenth Spanish. They are W. C. Parks and Jack Meador.

—B.—R.—S.—N.—  
 WEEKS VACATION FOR BASKET-BALL TEAM

Last week, the cardinals took a weeks vacation. Their time was spent in preparation for the carnival last Friday night. Although a week practice has been lost, the boys started working on new plays Monday. Two of the main players are out of school now, but by Basketball season we hope to have them back and also have good team. We hope to get several games before the season.

—B.—R.—S.—N.—  
 PROGRAM WEDNESDAY

Last Wednesday morning the "Black Bird" orchestra entertained the people of Bailey Ranch with a few dazzling numbers. There were also a few other good plays and speeches. Some of these were: "Edgars surprise" by the eighth, ninth and tenth grades. "Vomens" a dutch orator by Louis Kerr. "Mrs. Smith's Birthday" by two high school girls and "Believe it or not" by Pearl Faught and

Judge J. F. Sutton was in Eldorado and held a session of court, to remove disabilities of Bill Douglas. This was done in order to get some of the land papers fixed up for the resumption on the Drilling of the W. R. Nicks well.

Otto Williams was in from the ranch Monday looking after business.

J. Tom Williams was in from the ranch Saturday looking after business.

### Helped By Cardui

Here's the true story of how Cardui helped Mrs. H. E. Dunaway, of McComb, Miss., as written by herself:

"I was sick and rather discouraged. I was so weak and thin, I was not able to do my work as it should be done. This made me fret a good deal, and did not help my condition."

"I had pains across my back and lower part of my body. My nights were spent in rolling from one side of the bed to the other, hoping I would soon go to sleep. Then when morning would come, I would be just as tired as when I went to bed. A neighbor, seeing how badly I felt, told me to try Cardui. After I had taken one bottle, I was much better. I kept on taking Cardui, and I was stronger and slept much better at night."

over \$2,000,000,000 annually. The money spent for running the schools flows directly into the channels of other activities. Every increase in school support is a boost to general prosperity.

## SLEEPING GUNS

Hollys Alexander  
The roaring and thundering of the great guns were stopped fourteen years ago. No message in the time of history has brought more happiness and joy to the on-lookers of the world war.

The catastrophic struggle of life was over. Men and women were to resume their familiar businesses. Many of the leaders of the war are dead. There have been three presidents since Wilson.

People should look back upon the war fourteen years ago and plan never to have another war. "We should profit by the mistakes of others."

War is the most expensive thing there is. In time of war it takes the lives of many. It also takes large sums of money to carry on a war. Any political leader can see war is not a profitable industry.

In time of peace the Army costs the Government \$350,000,000 a year. The cost of the Army and Navy takes two thirds of the Federal taxes.

The indebtedness of the United States is twelve billion dollars. On the account of the cost of war there are strong arguments for a better cooperation among nations.

Beat Junction—  
**SIGNIFICANT FACTS ABOUT OUR SCHOOLS**

How schools contribute to economic stability—The schools are the nation's biggest business. They represent an invested capital of \$6,000,000,000; their payroll and supply bill is

How much money is spent for schools?—Only one dollar of every twenty of the national income is spent for schools. The average cost per child per day from kindergarten thru high school is only 51 cents.

Out of each 1,000,000 without schooling, only six attain distinction. Out of each 1,000,000 with elementary schooling, 24 attain distinction. Out of each 1,000,000 with high-school education 622 attain distinction. Out of each 1,000,000 with college education, 5,768 attain distinction. So it seems that for all their faults, the schools are a good investment.

What is the relation of education to crime?—Out of the total number of prisoners received from the courts, 11.6 per cent were illiterate, 71.2 were reported as having attended elementary school only, 11 percent as having attended high school, and 3.1 percent as having attended college.

How have educational opportunities improved?—The average American boy or girl of 1931 receives two more years of schooling than the average boy or girl of 1914; he is one of a class of thirty pupils; his chances of going to high school, which were but one in ten in 1900 are not five in ten. Today one high-school graduate in six goes to college.

Beat Junction—  
**ROCKSPRINGS HAND EAGLES FIRST DEFEAT**

Jack Ratliff  
The Rocksprings Bulldogs gave the Eagles their first defeat last Saturday. They won 6-0. The game was very evenly

matched, and was very interesting. The Eagles opened up one of the best passing attacks of the year. Rocksprings made hard power plays over tackle to score. Cloudt, Rocksprings quarterback, was the power of the team. They also had a heavy and fast charging line. They made their touchdown in the first of the fourth quarter. The Eagles were off for a touchdown in the third quarter but the attack was halted on the 25 yard line.

One of the best features of the game was the punting duel between Captain Jack Kerr and Cloudt. They both had a good day at punting.

We sincerely hope that Rocksprings goes on and wins this district and we think that they will.

Beat Junction—  
**TWO TEAMS OF EAGLES TO CLASH TODAY**

Two teams consisting of Eagles will clash this afternoon. The Eldorado Eagles and the Junction Eagles meet on the local field this afternoon. This game will be the last game to be played on the local field this year. The game should be a good one because Junction has one of the strongest teams of this section. Come out to the ball park this evening and see your team win their last conference game and their last game at home.

Beat Junction—  
**TOPPIN' THE EAGLES**

The Rocksprings Bulldogs should go on and win this section. We think that this section is the strongest and that we could beat the other section.

The Eagles have only two more games after the game with Junction. They go to San Angelo and to Sonora. If Menard beats Rocksprings, Eldorado will get another crack at

Rocksprings and will they come out on the same end of the score? I should say not!

Standing of this section

Team	Won	lost	pt.
Rocksprings	4	0	1,000
Eldorado	3	1	.750
Junction	1	1	.500
Menard	1	2	.333
Ozona	0	2	.000
Sonora	0	3	.000

**TALK: CHARACTER VERSUS GOLD**

Thelma Taylor  
Brother Preston made a talk in the study hall of the Eldorado High School last Wednesday, November second. He talked mainly about Character and its opponent. He said that the need for good, clean, wholesome girls and boys in this world today is very great.

Some of his quotations as heard by the student body are: "I would rather have a few high class boy friends, if I were a girl, than to have a cowpen full of bums."

"Birds with broken pinions will never bloom again."  
"Chickens come home to roost."

"Have a gentleman for a friend or don't have any at all."  
"A boy who will not die to save a girl's virtue is not a gentleman."

"Form the right kind of character in the teen age."  
"What America needs to save her is gentlemen."

He also gave the three principle parts of character which he stated were Truth, Virtue, and Responsibility.

Beat Junction—  
**MUD, MUD, MUD, AND MORE MUD**

Thelma Taylor  
Talk about the mud of Eldorado but don't say that it is the worst that there is because the road to Rocksprings is ten times worse than any mud anywhere.

The Eldorado gang left Eldorado at eight o'clock Saturday morning and reached Rocksprings about four-thirty. The boys were almost exhausted at the end of the trip. They had nothing to eat from eight-thirty until about six-thirty and played on empty stomachs.

The cars that made the trip to Rocksprings by the Sonora road were: Kerr's Ratliff's, Taylor's, Conner's, Jones', Alexander's, Whitten's, Enoch's, Kellys West's, and Williamson's.

The road to Sonora and about fifteen miles the other side of Sonora was very fine but the rest of the way was almost impassable. Jim West was the first to stick and every one of the boys got out to help. They were all muddy when we got going again. Jim's car stuck again at intervals and finally the gas pipe got stuck up. He left the car at his brother's place and borrowed a Ford pick up from the Mexicans at the ranch.

Edward Ratliff started driving the Ford, which Billie Kerr said was Henry Ford's contribution to our football team. Every now and then we had to stop and pull out some car that had got into a mud hole (by this we mean a mud hole a little worse than the other part of the road.)

The Ford was abandoned with a flat tire while Miss Chris Enoch's car was left by the way side, also.

Conner's car had a flat, which took up more time. Mr. Kelly gave out of gasoline and Jones' car gave out of gasoline just outside of Rocksprings.

In spite of these conditions, the people from Eldorado were about as peppy as those of Rocksprings. Eldorado had some unexpected rosters for their side in the cooperation of Junction and Sonora. A number of the Sonora football boys were with us all the time trying to

help us out. Our boys were worn out in the last part of the game and their line yielded just enough to allow Rocksprings to make a touchdown.

The boys had supper on the campus of the Rocksprings school, and some of the Junction and Sonora boys ate with them. In all, the trip was enjoyable, but could have been more enjoyable.

Everyone is urged to come see the team play Junction this afternoon and help us show our appreciation to them for helping us back our team when we played Rocksprings.

Beat Junction—  
**ELDERADO JUNIOR EAGLES DEFEAT MERTZON**

Charles Ratliff  
Last Friday afternoon the Mertzon Football team was defeated by the Eldorado Junior Team, 6-0. The game was a very clean and tight one.

During the first part of the game very much passing was done by Eldorado. Mertzon used only line plays and end runs. There were many penalties against Eldorado during the first half. During the second half Paul Davis intercepted a pass thrown by Mertzon and run 30 yards for a touchdown.

This was a great relief to the team, for it looked as if the game would be a tie.

The line up for Mertzon and Eldorado was as follows:

Mertzon: L. end, Brown; L. tackle, Murrell; L. guard, Hodges; Center, Lee; R. guard, Benson; R. tackle, Dudley; R. end, Gray; Quarterback, Teague; Half, Barton; Half, V. Grey; Fullback, Uhl.

Eldorado: L. end, Sample; L. tackle, Roach; L. guard, Ballaw; Center, Enoch; R. guard, Tisdale; R. tackle, Parker; R. end, McAngus; Quarterback, Davis; Half, Mathers; Half, Anderson; Full, Logan. Substitutes in the game: Jones, Hext, Wade, Bodine, Suprgers.

Beat Junction—  
**EX-STUDENTS OF ELDERADO HIGH SCHOOL**

Mary Dell Williams  
The last article dealt with a student who attended school at E. P. S. in 1912. As no name is listed in the record book as having attended in 1913, a sketch will be given of a girl who attended in 1916, Inez Kent. She took regular four subject courses and her grades are very favorable, being mostly B's and A's. She graduated from E. H. S. O. May 20, 1921.

The Superintendent at the time of her graduation was Mr. L. Hurst.

She married Mr. Raymond Alsop in 1924 and lived in Port Arthur for a time, but now lives in San Antonio. She is house keeper, as most women are after marriage. They have two children and Mr. Alsop is an architect.

The students in E. H. S. wish her many happy years to come.

Beat Junction—  
**GOOD ENGLISH WEEK**

Frances Mills  
This week Miss Allen is sponsoring a "Good English Drive" so that the students may overcome the common errors in English.

Each member of high school was asked to make a poster representing good English. The individual winners of the contest were Margaret Hill, first place and Anna Ruth Spurgers, second place. The senior class, as a whole had the best posters and the sophomores won second place. The prizes for the contest will be awarded later.

The class work in all of the English classes is an common error in English. This work includes spelling, pronunciation, grammar, choice of words, and talks.

The students are to correct each other's errors by pinning a tag on one when he uses incorrect English. The tag must be worn all day. Each class has a different colored tag. The Freshmen color is green, Sophomore color yellow, Junior color red, and Senior color blue. Many discussions arise between the students as to whether they use incorrect English or not and the Freshman are watching the Seniors closely trying to catch them using incorrect English.

The Assembly program for Wednesday dealt with the use of good English.

Beat Junction—

**THE INTERIOR OF THE BATHHOUSE**

Harold Isaacs  
The bath house is completed on the outside and inside at last. The boys are more proud of the inside than of the outside. They have thirty-two individual lockers in which they use to keep their suits and clothes. The lockers are built in the center of the house with benches along the wall.

The showers are very nice. They have two double showers which are over a concrete base. They are boxed in so that the water can not get in the dressing room. The boys are going to have hot water soon, as the Parent Teachers Association is going to buy them a water heater. The bath house is very nice and the boys are very proud of it. They thank each and every person that contributed anything toward its construction and furnishing.

Beat Junction—  
**PEP SQUAD RALLY**

Thelma Taylor  
The Pep Squad sponsored another Pep Rally last Friday Evening at seven-thirty. It was supposed to have been in front of the Courthouse but owing to the weather it was held on the sidewalk of Main Street.

The Pep Squad and football boys came out in full number while very few of the town people helped us in the rally. Miss Allen was the only teacher there besides Misses Meyer and Turney. We appreciate her cooperation in this matter and wish the other teachers would help to encourage our boys in this way.

The gang started out from in front of the Hooker Hotel and went slowly down the street yelling and singing football yells and songs. They paused in front of Royster's, Leaman's, Hoover's and the middle of the street in front of the postoffice to give some yells and songs to attract the attention of the people but it did not have much effect for there were few people in town.

At our next pep rally, we hope the town people will attend more as they did at the bon-fire Pep Rally.

Beat Junction—  
**GOOD ENGLISH POSTER CONTEST WON BY SENIORS**

Elnora Andrews  
Last week was good English week and Miss Allen had every one in high school to make a poster to represent Good English.

The poster that won first prize was written with "Seal on Good English" written above it. This belonged to Margaret Hill. Margaret Hill won second prize. This poster was a boy that was locked in stocks. Above was written, "Save your neck. Use Good English."

The Senior Class won first prize and the Sophomore Class second.

Miss Allen gave the Seniors a bookmark each, which carried out the Senior colors, Lavender and gold.

Beat Junction—  
**GIRL'S PLAY. GROUND BASEBALL.**

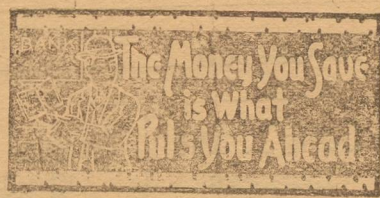

Nell Campbell  
There are thirteen high school girls playing baseball under the direction of Miss Turney. They are Alicia Burk, Auta Mae Reynolds, Dorothy King, Mary Lee Davis, Aurora Willis, Margaret Hill, Mozelle Luedecke, Zeia Miller, Anama Taylor, Isabelle Childers and Roberta Milligan. They have not organized a team as yet.

The high school team usually plays the grammar grade team, under the direction of Mrs. Miller. The score so far has been rather one sided and in favor of the grades but we don't know what the high school girls may do after they get started.

Beat Junction—  
**PERSONALS**

## DIZZINESS

relieved by Black-Draught

"I decided to take Theford's Black-Draught, as I had been having bilious spells," writes Mr. Charles E. Stevens, of Columbus, Ind. "When I get bilious, I feel sleepy and tired and do not feel like doing my work. It is hard to tell how I feel, but I do not feel good. I get awfully dizzy. I know then that I had better take something. After I found how good Black-Draught is, that is what I have used. I guess it rids me of the bile, for I feel better—don't feel like I am dropping off to sleep every time I sit down. That, to me, is a very bad feeling."

Now you can get Black-Draught in the form of a SYRUP, for CHILDREN.

**SCHOOL NOTES—**  
(Continued from page 3)  
Cobb's relatives there.

Hoot Nix, ex-student of E. H. S. attended the game between Rocksprings and Eldorado and you should have heard him yelling for the Eagles.

William McAngus, another ex-student of E. H. S. is working for the McCarroll Lumber Company in Eldorado. He seems to be satisfied and happy with his work.

Eli McAngus, student of 1930-31, is attending the San Angelo Junior college at San Angelo. We wish him all the success in his work.

Vance Morgan is working for the Eldorado Bakery at present and he makes a good dough-boy.

Bill Currie, student of 1930-31, has recently changed his place of business from the Self-Serve to the Shafer grocery. By his place of business we mean his place of work.

Clyde Mills is working for the Self-Serve grocery now, so be careful that he doesn't make a mistake in your purchases and give you something you don't want.

—Beat Junction—  
**JOKES**

J. R. Conner  
Miss Turney: What is the matter with Aubrey's arm that he has that bandage on it?  
Anna Ruth: He got his ankle hurt in the Sonora game.

A perpetual joke in the typing room: "Typing tee due."

Gordon: Mama, I was the only boy that could answer a question Mr. Holt asked me today.

Mother: Well, that's fine. I'm glad you are learning so well. What was the question?  
Gordon: Who broke the glass in one of the side windows.

Miss Allen: When do the leaves begin to turn?

W. B.: The night before xmas

Donnell: One of the Maryland Representatives has died. What will they do about a representative to take his place?

Mr. Smith: Alright, that's a good question. How will he be reelected, class?

Hassell: He won't be reelected. He's already dead!

Jim (going to the game about 67 miles per hour): This Ford always does start smoking when I go this fast.

Jimmy McWhorter: Yeah, and you just go a little faster and they will be playing "Near My God To Thee."

—Beat Junction—  
**PEP TALKS**

Fay Belle Enochs  
Thursday morning Jack Ratliff made a talk on "What Winning the Rocksprings Game Means to Us." He included in his talk that if we lost this game it means we lose the conference.

Coach Williamson talked on the relations between Rocksprings and Eldorado in the past. He said that Rocksprings had won 5 games to Eldorado's 2 since 1928.

Thelma Taylor, the assistant yell leader, talked on how to pep squad is going to help beat Rocksprings. All the girls must go with lots of pep and strong lungs. Thelma said if the boys know we were yelling for them and backing them up that they would play harder.

Jim West made a long and snappy talk on "How we can beat Rocksprings."

Those John B. Stetson Hats that are now on sale for \$5.00 each are the best bargains in hats yet to be offered at Depression prices.

**THE SUCCESS**

**WORKMEN'S COMPENSATION**

Workmen's compensation is that form of insurance whereby a state seeks to assure medical care, hospital service and wage income to an injured employe while he is incapacitated. In case of death in the course of his employment, it also assures financial support for his dependents.

The bulk of compensation insurance in the United States is handled by private stock companies charging fixed, definite rates. Official records of the various state insurance departments show that these companies have suffered underwriting losses of more than \$122,000,000 in workmen's compensation in the last nine years. They now seek permission to increase rates in those states where such matters are regulated by boards, commissions or departments. They say frankly that unless some relief is granted to them they must cease to engage in the business. The National Convention of Insurance Commissioners has recognized this emergency in a resolution calling upon the authorities to permit an increase.

Companies ascribe the growing unfavorable condition to the fact that a vast increase in unemployment, a substantial decrease in wages and the spread of part-time labor has so reduced the premiums, or the money they receive that it fails by far to counterbalance the amount they must pay out on awards. Premiums are based upon each \$100 of payroll, drops in wages cause drops in premiums. At the same time compensation awarded to injured workmen has not been lessened in any respect.

The workmen's compensation rate situation involves three interested parties. The first is the worker, generally represented by labor, which is a powerful voice in government. The second is the employer, who is similarly strong. The third is the insurance company. The worker naturally desires the greatest possible award. The employer naturally desires the lowest premium rates. With one faction

raising amount of awards and the other lowering premiums, insurance companies find themselves in an untenable position.

Stock companies of the United States are favored by a majority of employers because they not only offer fixed rates, but afford policyholders a substantial service by their engineering departments and inspection staffs. If they are forced to cease writing workmen's compensation, an invaluable service will be lost. Common sense, as well as justice, should impel the authorities to award the companies adequate rates.

**WEST TEXAS Offers Industrial Opportunities**

It has been the history of West Texas that after every national depression this section returns to normal—and marches ahead to greater prosperity—more rapidly than any other section of the country.

Present fundamental conditions are sound, and West Texas' wealth of natural resources—unsurpassed in any other part of the country—promise future progress of a magnitude that will dwarf that sensational development which a few short years ago riveted on this section the attention of the entire nation!

—AND ALERT INDUSTRIES ARE TAKING ADVANTAGE OF THIS ASSURED DEVELOPMENT!—

An adequate, flexible and inexpensive power supply is vital to industrial activity. Here in West Texas, the "Land of Opportunity," this industrial necessity is ably and amply supplied by the West Texas Utilities Company.

Industries recognize power as one of their prime problems. They recognize, too, that in West Texas this company has solved that problem by making their power investment for them—and is able to furnish energy at a lower cost than it could be produced in any other manner.

The West Texas Utilities Company, dependably serving 125 progressive West Texas cities, makes available more than 100,000 horsepower of electrical energy, distributed from three major generating stations and 22 auxiliary plants over a 2,500-mile transmission line network.

For detailed information on any subject concerning West Texas, write this company's Industrial Department, Abilene, Texas.

**West Texas Utilities Company**
