## Tigers Fight Hard Battle

### Against McLean

Groom played a sneak attack on McLean Friday night by not coming out with more of a passing attack.

McLean was quoted to have worked all week on stopping their passing game.

For Groom, Robert Miller had 66 of the Tiger 71 yards on the ground.

Groom came close to breaking the ice on its first possession of the third

quarter. The Tigers drove to McLean's 16 in 10 plays, but a pair of penalties killed their chances of crossing the goal line.

The 45 point rule ended the game at the 4:42 mark of the third quarter.

Groom plays Miami in Miami Friday night. Miami has a 1-2 record in district play. The team beat Lefors this past week 30 to 16.

## Students/Parents Make Stand Against Drugs

Students at Groom Independent School District recognized drug-free week at school this past week. Many students prepared posters with catchy logo's making the statement that you don't need to take drugs to have fun or drugs can kill you. Red ribbons were worn by students and faculty to show their support of a drug-free lifestyle.

At the last community forum held at the Community Center 75 persons were in attendance.

Plans were made to organize a parenting seminar for

adults and a communication seminar for students in the future. Several citizens volunteered to be in charge of these plans.

The churches have been having after-game fellowships during football and plan to continue with something during basketball. The community input indicated that these fellowships should continue.

The school/community drug team concluded its involvement except as resource persons at this meeting.

Vonnie Barker instructs Forrest McLaughlin and Randall Patterson in the art of washing dishes, Sunday at First Baptist Church.

### Commissioners Met

Permission for Precinct 3 to trade for a used pickup and for Precinct 1 to auction two used trucks and a trailer was given by Carson County Commissioners in their regular session Monday, October 23.

It was also noted that county property insurance bids will be taken at the November meeting.

Mr. and Mrs. Lester McKenzie met with the Court to discuss a water drainage problem on their property. Judge Roselius and Commissioner Britten will view the area and try to determine a solution to the problem.

The Court was advised of revenue received from the State Treasurer in the amount of \$23,384.14. This is Carson County's portion of the Lateral Road Fund and has been divided evenly and distributed to the four county precincts.

Judge Roselius read a letter from High Plains Food Bank thanking the Court for their support of the food bank.

Disasters in South Carolina and California were discussed in reference to a plea for donations to the Red Cross.

"Anyone wanting to contribute to the Red Cross for disaster relief in these states, may do so by sending a check to the Carson County Red Cross," said Roselius. "Checks should state the intended use (California earthquake or South Carolina hurricane or both). Contribution will be forwarded from the local chapter to the desired areas."

A partial plan involving the ramp to be constructed for handicap accessibility to the courthouse was viewed and discussed. John Ward of Ward-Brown and Associates will meet with the Court in the near future to go over the entire plan.

There was also discussion on the November 7 Constitutional Amendment election with notation made that absentee voting will end November 3 at 5:00 p.m. Polls will open at 7:00 a.m. election day and close at 7:00 p.m.

### MARINE CORPS LOOKING FOR VOLUNTEERS TO AID TOYS FOR TOTS EVENT

U.S. Marine Sgt. Ingram from Amarillo was in Panhandle last week making preliminary plans for the annual Toys for Tots campaign. He was successful in securing a pick-up point for the toy donations and a contact person; and is now searching for a volunteer to "head-up" the Carson County Campaign.

The County Judge's office in the courthouse will be the pick-up point. Anyone interested in serving as the county campaign coordinator should contact Wanda Hood at the Judge's office, 537-2662, between 8 a.m. and 4 p.m. Monday through Friday. The campaign does not start until November 27. Sgt. Ingram will be back in Panhandle that morning to talk in assemblies to junior high and high school students and to kick-off the drive.

Anyone knowing needy families to which they would like to see these toys delivered should contact Sgt. Ingram at (806)376-5945 between 8 a.m. and 4 p.m. Monday through Friday. The toys will be distributed between December 12 and 16.

### Local Happening

Jake, Vivian Lacy and Margarette Yates attended Church at Canyon Hills Church of Christ Sunday and attended a Halloween celebration at the home of Don and Ava Lacy. Hot dogs, sandwiches, cokes and cookies were enjoyed by all. Sack races, balloon races and all types of games were played on the tennis courts by about 40 children and grown ups to celebrate Halloween and try keeping the children out of danger zones on Tuesday.

**Sacred Heart Parish Hosting Polish Festival**

The Sacred Heart Parish of White Deer has scheduled its annual Polish Sausage Festival for Sunday, November 5, at the parish hall, according to Carolyn Rapsstine, publicity chairwoman.

The parish hall is one block east of Main Street and the town of White Deer. Serving time will be 11:00 a.m. to 4 p.m. The 1989 festival notes its 51st anniversary. The first dinner was served in 1938 in an open pasture north of town. It has grown to a streamer-line production serving more than 2,000 people in a modern parish hall equipped with a modern kitchen and barbecue pit.

John Alden Kotara is serving as this year's general chairman. Five thousand pounds of smoked Polish

links have been made this past week. It will be served barbecued and steamed in the traditional Polish way, accompanied by crisp slaw, red beans, potato salad and apricots. Take out dinners, as well as sausage to go, will be available.

The proceeds from the festival are used for parish needs and charitable purposes.

White Deer is the only Polish-oriented community in the Texas Panhandle. Sacred Heart Parish celebrated its 75th anniversary last year. Roots of Faith, a historic book focusing on the Polish pioneers, was published to commemorate the celebration. This book will be on sale in the parlor, where there will be a display of Polish art.

## Ida Hess

### In "Top Of Texas Women"

Ida Hess was recently named in the Pampa News Insert "Top of Texas Women". The staff of the Groom/McLean News felt you would enjoy reading of Ida's accomplishments.

Years ago, no one thought of trying to market a hospital. Hospitals, were in effect, a form of charity and were written off as losses in the business world.

Now, however, that world has changed. And Ida Hess of Coronado Hospital in Pampa is a pioneer in the field of marketing the Pampa Hospital, and worked daily toward that goal.

Hess' job was created a mere year ago, and as the ValuCare coordinator, Hess has the daily task of promoting the hospital be helping the older citizens. ValuCare offers those with Medicare special discounts and personal services.

A former real estate broker in McLean, Hess says the ValuCare and similar programs are marketing tools used by hospitals that provide an excellent service.

Dennis Hill

Tuffy Sanders

Jason Thomas

Unbeaten McLean rolled to its eighth victory and Groom lost its fifth straight as coach Jerry Miller's Tigers claimed a 46-0 victory.

Behind a balanced running attack and a stingy defense, McLean appears primed for a playoff spot with two games left in the regular season. The Tigers have a showdown with Higgins Friday night.

Groom (1-6) had trouble moving the ball all night against McLean's defense, finishing with only three first downs and 80 yards total.

McLean's offense continues to revolve around the running of senior Tres Hess (two touchdowns, 106 yards) and junior Dennis Hill (two touchdowns, 55 yards).

Hess had a 40-yard scoring run nullified in the first quarter because of a holding penalty, but his 22 yard scamper with 1:10 to go in the second quarter gave McLean a 38-0 bulge at intermission.

For Groom, Robert Miller had 66 of the Tigers' 71 yards on the ground.

The 45 point rule ended the game at the 4:42 mark of the third quarter in a way that wasn't part of Miller's strategy. After Destry Magee scored on a two-yard run to make it 44-0, Miller hoping to give his team more playing time, sent in 261-pound Bo Green's linedrive kick barely cleared the uprights, ending the contest.

McLean's defense, which has given up just 156 points in eight games, was led by

the Hill, Hess and Tuffy Sanders. Hill had two solo tackles behind the line of scrimmage for minus eight yards.

Groom came close to breaking the ice on its first possession of the third quarter. The Tigers drove to McLean's 16 in 10 plays, but a pair of penalties killed their chances of crossing the goal line.

Groom quarterback Brain Baker who had tossed six touchdown passes coming into the contest threw only four times, completing one for six yards. Bruce Britten completed two of three pass-attempts for three yards.

McLean is 3-0 in district play and tied with Silverton for the district lead. The two teams meet November 10 to end the regular season.

## Your School Volunteer Program Planned

By Rex Peeples

Many schools are activating an adult volunteer program to assist teachers in their many varied responsibilities. These volunteers are assisting with small learning groups, playground duties, lunchroom supervision, making copies of materials for teachers and the various other activities to assist the teachers. This can be a rewarding experience for people who can devote the time to it. Just being around our children has a very positive effect on people. This can also free the teachers of some time that can better be spent with our students. Both the volunteer and teacher stand to benefit from this type of

program. McLean School would like to have a program of this nature. I plan to form a committee and develop some guidelines for implementation. If you would like to assist in this program, please call me at school and tell me about how many hours per week that you could donate. The program works best if volunteers can work three or four hours per day for a week. Then another volunteer works for the next week. A rotating schedule is used where no one is abused. This also allows for some continuity that is always important in learning. Please consider this community service to help our teachers and students.

## Local Justices Attend 20 Hour Seminar

Ninty-seven justices of the peace from Region 10 attended a 20 hour-seminar September 5-8 in Amarillo conducted by the Texas Justice Court Training Center

headquartered at Southwest Texas State University in San Marcos. The seminars are held in compliance with

Supreme Court Rule and Staute (Art. 27.005) Texas Government Code. Topics covered include a review of new laws recently passed by the 71 Legislature, civil procedure, code of Judicial conduct, landlord/tenant law, bonds, appeals, auditing procedures, administrative hearing and distress

warrants. Attending were, left to right, Doyle Ramsey, Precinct 1, Wheeler County; R.C. Parker, Precinct 4, Gray County; Herb Stacy (seated), Precinct 2, Wheeler County; Bob Muns, Precinct 1, Gray County and Wayne Roberts, Precinct 2, Gray County.

"These programs bring us incremental business," she said.

When the ValuCare franchise was purchased from the Methodist Hospital in Lubbock on October 24, 1988, estimates were made the Coronado Hospital would have 300 subscribers.

The hospital has surpassed that estimate by almost six times. There are 1,700 members enrolled in ValuCare, Hess said.

"It has been fantastic and good for the hospital," the 42-year-old single mother said. "I'm proud of our hospital. It is a top-quality facility and we have expanded our services."

Work is only one facet of the highly motivated, friendly woman. Her children and her church occupy the remainder of her time.

She is a member of First United Methodist Church in McLean where she serves as pianist and provides special music. Hess is also a leader in Emmaus, a renewal movement in the Methodist Church.

She has three children:

Heather, 12, Tanner, 16 and Tres 18. They all attend McLean schools. All three of the children show steers and ride horses. Heather is active in 4-H. Both of the boys are competitive in sports. The elder Hess boy is a team leader and outstanding player this year on McLean's football team.

"They take all of my time," she said.

Hess continued her education after having two children, receiving her bachelor's degree from West Texas State University in Canyon.

"She is a multitalented individual," said Linda Haynes, public relations director at the hospital, who has known Hess for years. "We are one of the few hospitals this size with a marketing specialist. We consider ourselves pioneers."

Moving to the Texas Panhandle from St. Louis 18 years ago, Hess also speaks highly of the quality of people here.

The fifth grade class has decided to carry on the tradition that last year's class started. On Arbor Day we are going to plant a tree. We decided not to bring up money but to raise money by selling key chains. The key will be sold by all fifth grade students. They will be 75 cents each. We will let everyone know when the key chains are in and ready to see.

At the Thursday Junior High Pep Rally the fifth grade got the spirit stick. We were the loudest people in the gym. Derek Glass was the leader of the Battle Cry.

Derek Glass

We are studying weather in Science. The Layers of the Atmosphere are the Troposphere, Stratosphere, Ionosphere and the Exosphere. The Troposphere is the air we breath. Trop means heat and sphere means round. The Stratosphere is very cold. Strto means spread. Ionosphere is very hot. The Firo weather satellite is in this area. The Exosphere is leaving the earth, Exos means out. That is what we are studying in Science.

Tanna

The fifth grade class has been writing reports and talking about the earthquake in San Francisco, California.
