"On Trac" Program Presented To Groom Teens

Approximately 40 junior high students participated in a seminar held at the Groom Community Center from 12 noon until 5:00 p.m. on Saturday, January 27.

Shelly Vaughn of Plano, Texas conducted the seminar. She helped the youth with communication

skills. The group had discussions on self-image, family life and decision making skills.

Vaughn is known for her worth with the program entitled "On Trac," a drug and alcohol program for teens.

Grades six through eighth

were chosen to benefit from the special event.

Brother Eddie Hogan assisted Shelly Vaughn during the seminar.

This event was organized as a non-partisan effort provided by people in the community.

Margie Stephens Voted 1989-90 Beta Sigma Phi Sweetheart

Margie was voted Sweetheart of the Alpha Mu Xi chapter of Beta Sigma Phi for the year 1989-90. Margie has been a member of sorority since 1976. During that time she has been an active member and has held all the offices and twice been voted "Woman of the Year." She presently holds the office of treasurer and is chairman of ways and means. She stated that one of the highlights of being in sorority was helping to plan the Groom Park and being president the year the park was finished.

She is a life member of the Texas Association of Hospital Volunteers and has given over 2300 hours of volunteer work at the Coronado Community Hospital in Pampa. Margie works at the information desk and has made the flower arrangements for the hospital gift shop since 1981.

She is a member of the Groom Bridge Club and her other hobbies include skiing, flower arranging and African Violets. One of her great joys is a Christmas Coffee held in her home for the past 39 years.

Margie is the wife of Jack Stephens. She and Jack moved to Groom in 1950 and have been active in farming. They have three sons Larry Stephens, Brent Stephens and Alan Stephens. They have four grandchildren Adam, Lori, Michael and Michelle.

Burglars Escape With Tower Diesel's Tools

Tower Diesel Service reported a burglary of a building east of the main office and shop. The

burglary occurred Friday night while the business was unoccupied. Taken during the burglary were, "12 new truck tires, from the

building," said John Allen Homen. "Out of my work truck tools were taken and a compressor," said Homen.

Homen commented that Gray County Sheriff's office is still investigating the burglary and he hopes they'll catch whoever committed the crime.

Groom & Claude Tied In District Race

Tuesday night the White Deer Bucks and Does traveled to Groom for their second district game of the season. Groom Tigerettes won their first match against Claude Mustangettes the previous Friday in Claude. The Mustangs overpowered the Tigers in their match.

Tuesday proved to be a much better night for the Tigers as Mike Conrad scored 30 points to spark Groom to a 74-46 win over White Deer in District 3-1A play.

Groom evened its league record at 1-1 and upped its overall mark to 12-9.

Jeff Fields contributed 14 points to Groom's attack.

Allen Mercer topped White Deer scorers with 20 points.

White Deer outscored the Tigerettes with a final score of 57-43. "White Deer has tremendous quickness and we had trouble adjusting to it," said Coach Jimmy Branch.

Groom made a strong rally after trailing 19-5 at the end of the first quarter. The Tigerettes cut White Deer's lead to two points with two minutes to go in the third quarter, but that was as close as they could get.

Shannon Fields had 17 points and Kristi Case 12 to lead Groom. Groom is 1-1 in district and 16-4 for the season.

Groom Junior Varsity Boys beat White Deer 42 to 29.

Friday night Groom teams and fans made their way to

Pirate Country and reeled off double wins over Lefors.

Both teams also gained a tie for first in district standings with the victories.

Groom outscored Lefors, 27-11, in the second half to a final score of 52-37 win in the girls game.

The Tigers went on an 18-4 run in the third quarter to down the Pirates, 63-48.

In the girls' class, Lefors let a 14-point first quarter lead get away from them as Groom rallied to score 12 unanswered points.

Lefors clung to a 26-25 lead at half time, but when Jenni English scored on an offensive rebound to give Groom a 31-30 lead late in the third quarter, the Tigerettes never trailed again. English's basket was the first of nine straight points by the Tigerettes, who went on top, 38-32, going into the fourth quarter.

In the fourth quarter Lefors failed to score, which gave Groom a commanding 16-point lead. Shannon Fields topped Groom in scoring with 16 points while Lesa Sweatt had 13, English 10, Kristy Case nine and Karen Babcock four.

Coach Branch was pleased with the way his Tigerettes kept their composure after falling behind 15-1, in the first quarter.

"We really worked hard on staying calm and being patient. The girls hung in there and really did a good job," Branch said.

Groom is 2-1 in district

play and tied with White Deer for the top spot after the Does were surprised by Claude, 46-43, Friday night.

"You can't put any emphasis on any one game in this district, because on a given night any team can beat you. It creates some pressure every time out," Branch said.

Case led the Tigerettes on the boards with 10 rebounds. English and Sweatt had seven rebounds each while Babcock had five.

"We had good balance in rebounding which we haven't had. That was good to see," Branch said.

In the boys' game Lefors led, 27-26, at intermission, but the Pirates went without scoring and missed 11 shots from the floor, allowing the Tigers to take a 13-point lead going in the fourth quarter.

"We went to a double post with our two big guys for awhile in the second half to try and get more inside scoring, but it was that cold streak by Lefors in the third quarter that helped us more than anything else," said Tiger's Coach Jay Lamb.

Mike Conrad scored 11 of his game-high 19 points in the second half to lead Groom's scoring attack. Jeff Fields added in 15 points and Richard Jenkins followed with 10.

Groom and Claude, both 2-1, are tied for first in the district race. The Tigers are 13-9 for the season while the Pirates fell to 1-2 in district and 8-10 overall.

Also scoring for Groom were Wilbur Kempf with seven points, Jay Britten, six; Brian Baker, four; and Robert Miller, two.

Letter To Editor

Dear Sir:
I am writing this letter to the parent's of Groom's athletes. I want everyone to know, I think the Little Dribblers Program is Great!

I have had the opportunity to watch some of the games the past couple of years and can see how it has helped the kids!

I live in Shamrock and have a son playing basketball in the 7th grade. There is no comparison in your 7th graders and ours. The confidence, the skills, the knowledge of the rules, your kids already have it, ours are just learning and the season is almost over!

All the people responsible, "Coaches, Parents, etc.," deserve a Special Acknowledgement Keep up the good work it shows.

Carson County Livestock Show February 16 & 17

The Carson County Show is just a few days away. Local 4-Her's are busily preparing their entries. At this point these 4-Her's are either watching the diet of their animals to make sure they make the weigh-in limit or are exercising the animal to firm up those few extra pounds. Groom FFA boys are not unlike the 4-Her's, you can drive by the pens at the school and see these boys tending to their projects.

County Extension Agent, Danny Nusser gave these projections and comments,

"There are approximately 203 hogs, 68 lambs, and 20 steers and heifers to be at this year's show. Since only 60 hogs, 40 lambs, and 24 steers sell at the auction, the work these 4-Her's and FFA members do between now and the show will be very important. All animals need to be fed good quality feed and this is dependent on their current condition. All animals need to be exercised. All exhibitors need to be training their animals to show."

This year's weight limits are: Pigs 200 lbs. to 160 lbs.,

Lambs 80 to 135 lbs., Steers 850 to 1400.

On Tuesday, February 13, parents, leaders and members of the Livestock Board will begin setting up the barn for the show in Panhandle. Animals will start arriving the next day. Weigh-in will be Thursday, February 15 at 6:00 p.m.

Groom people are invited to attend the show to begin on Friday, February 16 with the Lamb Show to kick-off the event.

Swine will begin the show on Saturday morning at 8:00 a.m. followed by the steers and heifers.

The sale will begin at 6:30 p.m.

Water Recharge Project

Possible For Groom Area

Several concerned land-owners in the Groom area met with Dr. Lloyd Urban and Dr. Tony Mollhagen, of Texas Tech University, and Gary Walker, Manager, Panhandle Groundwater Conservation District 3 and Richard Bowers, Manager, North Plains Water Conservation District recently to discuss the possible location of a water recharge project in the Groom vicinity.

Texas researchers, farmers, resource managers, and some legislators are beginning to realize that the state's groundwater must be protected and conserved.

What's at stake in our area is the quality and quantity of water contained in the Ogallala Aquifer. The Ogallala, reaching north to South Dakota and south to Odessa, underlies parts of eight states in the central region of the United States.

"The Ogallala provides the vast majority of freshwater that is consumed on a day-to-day basis," said Dr. Urban, director of the Water Resource Center at Texas Tech. "It is our most precious commodity. If we either deplete it or ruin it, we have nothing."

The aquifer provides drinking water, water for cities and industries, oil and gas production and the irrigation of about 6 million acres of Texas farmland.

To protect and conserve groundwater, the Texas Legislature in 1949 authorized the creation of groundwater conservation districts, and today there are 23 such single and multicounty entities.

Urban said that in the 1950s people believed the Ogallala contained an un-

limited supply of water. Taking advantage of cheap pumping costs, farmers applied water far in excess of what was needed to grow corn, sorghum, wheat and cotton.

The number of Ogallala wells shot up from 26,000 in 1950 to more than 170,000 by the early 1980s.

The creation of the groundwater conservation districts to monitor water usage, regulate spacing and production of wells, develop plans for water use and prevention of contamination and waste recharging groundwater suppliers and carry out research has helped greatly in slowing the decline in the water level in the aquifer.

After years of a dropping water table, the aquifer beneath the area now shows little decline. We are not necessarily stabilizing, but we're close to it.

The project proposed for the Groom area is a five year project designed to demon-

THE GROOM NEWS-Page 5

strate the viability of recharging surface runoff collected in playa lakes on the High Plains of Texas using a filter underdrain collection system and a recharge well. The interaction of such a recharge activity and use of the playa lake environment by wildlife will also be documented.

The project is one of several recharge demonstration projects authorized under Public Law 98-434, The High Plains States Demonstration Program Act of 1983. The law specified a cost sharing arrangement with the Federal Government furnishing 80 percent of the cost and the remaining 20 percent borne by local interest. Much of the local funding for this project will be "in kind" funding consisting of use of playa lakes, University faculty time, District personnel time, etc. Monies to use in matching have been requested from the Texas Water Development Board, and some monies will be furnished by the participating Underground Water Conservation District

Junior High

Basketball Update

The Groom Jr. High Basketball teams have one more evening of games before the season comes to an end for them. All 4 teams have been having some successful and exciting games.

The Claude Jr. High teams travelled to Groom on Mon., Jan. 22. The 7th grade girls began the games with the Groom girls coming out on top of Claude 25 to 18. Misty Homen scored 12 points with teammates, Stacey Fields and Melissa Treadwell adding 2 points each for top scorers for Groom. In the 7th grade boys action, high scoring came from Ty Lambert (12 points) and Bo Burgin (8 points), as the cubs defeated the colts 34 to 24.

The 8th grade girls came out onto the court ready to play and to overcome their previous loss to Claude at the Claude tournament. Success was at their fingertips as Groom rolled past Claude 30 to 20. High scorers for Groom were Rebecca Conrad with 16, and Kenzi Burger with 8.

Tremendous excitement and tension built during the 8th grade boys' game. At the end of regulation play, the score was tied at 29 points each. During overtime, Claude scored 2 points while Groom scored 5, putting the Cubs on top 34 to

Revealing Party

Held

By Brandi Sustaire

The Granny and Gramps Revealing Party was held on January 25, 1990 in the Groom School Cafeteria.

The theme this year was "Young at Heart." Skits were performed by the FHA girls which included "Big Girls Don't Cry," Fat Aerobics, and an appearance from the famous "Chin Ups". The Grandparents joined in the fun with a Brown-Bag skit. Entertainment concluded with members singing around the piano "I'll Still Be Loving You".

Card Of

Thanks

Words cannot express how much we, the family of Elizabeth Myers, appreciate all of the acts of kindness bestowed upon us during our loved one's illness and death. She loved her 15 years in the Groom community and the fellowship she had with her friends. The prayers, telephone calls, visits, cards, flowers, and food were all deeply appreciated. Thank you again for your thoughtfulness and may God bless each and everyone of you.

DPS 1988 Statewide Report

The following report will be a weekly series on the DPS activities in 1988.

The first is on the various divisions of the Traffic Law Enforcement Division. Traffic Law Enforcement (TLE) operations include Highway Patrol, License and Weight, Drivers License, Vehicle Inspection, Safety Education and Communications services. Administratively, the division is divided into six geographical regions with regional headquarters at Garland, Houston, Corpus Christi, Midland, Lubbock and Waco. The TLE Division is commanded by a chief at DPS headquarters in Austin. Each region is commanded by a major who is responsible to the chief.

During 1988, TLE officers filed 1,766,891 traffic cases. Included in this figure were 42,554 DWI arrests and 6148 DWLS cases. Troopers apprehended 11,642 persons for criminal violations, including 6388 narcotics violations. TLE Troopers also issued 869,079 written warnings for minor traffic violations.

Statewide traffic accident statistics show a slight decrease of 0.8 percent under the 1987 figures. Fatal accidents on rural highways increased 11.7 percent from 1501 fatal accidents in 1987 to 1676 in 1988. The continuing problem of alcohol involvement in fatal accidents was indicated by the 1363 fatalities related to alcohol

or drugs--40 percent of all the fatalities.

During routine traffic stops, troopers in the TLE Division were responsible for seizing 26,626 pounds of marijuana, 1468 pounds of cocaine, and approximately 20 pounds of other felony class narcotics, while seizing

\$11,614,236.00 in currency. Street value of all drugs seized by TLE Troopers was approximately \$92 million. Also seized were 138 vehicles.

Next week will be a report by the Highway Patrol Division.

County Auditor Informs Court

Workman's Comp

Insurance Up 22%

Auditor Agnes Bell informed the commissioners that workman's comp insurance has increased 22 percent, but that the Texas Association of Counties is giving an extra 5 percent discount, for this year only to try to offset part of the increase as ordered by the Insurance Board of Texas.

The announcement came during the Commissioners' regular meeting Monday, Jan. 22.

Bethel Robinson, Mogie McCray and Don Markham gave the annual Historical Committee and Square House Museum report and encouraged the commissioners to attend meetings of those boards.

Action taken by the Court include authorizing County Treasurer Peggy Butler to make investments in a timely manner without per-

mission from the Court each time; adoption of a county personnel handbook with updated clarification on political activity; releasing a \$100,000 safekeep receipt with First Bank and Trust County in White Deer, and granting permission for the Livestock Committee to install a double steel door at the County Ag Building.

John Ward and Nolan Brown, architects from Ward-Brown Associates, presented construction and documentation on the handicap accessibility project. Their presentation was approved.

Commissioners also inspected record storage room in the courthouse basement.

The next regularly scheduled court meeting will be at 10 a.m. February 12.

Ronny Tidwell Placed First In Talent Show

A talent show was held at the McLean High School Auditorium on Thursday, January 25.

Ronny Tidwell placed first followed by Cash Carpenter in second. Honorable mention was awarded by Krystal McClellan, Lorin Hall and Scott Green.

The Harvester's Four performed at the beginning of the talent show and at the closing. The group "Mason Jars" also entertained.

The Junior Class organized the event and wishes to thank everyone for supporting them by attending.

Tigers 5-2,

Lady Tigers 4-2

In

District Standings

In District 6-1A boys basketball action McLean met Lakeview Tuesday night. McLean Tigers fell behind in the first quarter with the clock ending with the scoreboard reading Lakeview 21, McLean 10. Lakeview kept the lead throughout the game. The final score was McLean 54, Lakeview 58. Tres Hess scored 16 points leading the team, followed by Donald Harris with 15 points.

McLean's Bobby Sherman scored 21 points to lead the Tigers to a 62-54 overtime win in District 6-1 action Friday night.

The Tigers are 5-2 in league standings and 10-8 for the season.

The Tigers outscored Hedley, 10-2, in the extra period.

Donald Harris was second high scorer for the Tigers with 11 points.

McLean posted a 33-29 win over Hedley in the girls game.

Holly Hauck and Alicia Reynolds had nine and eight points respectively for the Tigerettes, who are 4-2 in district and 7-17 for the season.

Karen Williams of McLean was among the 196 students named to the Amarillo College honor list.

Honorees must achieve a 3.4 or higher grade point average and be enrolled in a minimum of 12 hours.

Lady Cubs 7-2, Cubs 5-3

On January 20, the Lady Cubs and Cubs of McLean traveled to Silverton to take on the Owlettes and Owls. The girls came away victorious by the score of 43-18. The boys were not so fortunate as they lost a heart-breaker 34-31.

In the girls game the first quarter saw the Lady Cubs have a slow start and the quarter ended 6-3 McLean. The Lady Cubs lit up the scoreboard in the second quarter taking a 28-6 lead at halftime. All the Lady Cubs saw action in the third and fourth quarters ending the third quarter by the score of 36-12 and the final 43-18.

Leading the Lady Cubs in scoring were Joetta Bailey 20 points, Mindy Magee nine points, Heather Hess, Karen Brass, and Tiffany Stump four points each, and Charla Roberts two points. The Lady Cubs record stands at 7-2. The McLean teams will begin play in the Hedley Tournament on Thursday, February 1. The

girls will face Silverton at 4:00 with the boys immediately after. Play will continue on Saturday, February 3, as the Lady Cubs take on Samnorwood at 10:00 a.m. with boys action following and then they will face Hedley at 6:00 with the boys action following.

In the boys game against Silverton the Cubs were plagued by cold shooting most of the night in the first quarter. McLean fell behind 8-4. At halftime the score was even at 15-15. Silverton tried to pull away in the third period when they outscored the Cubs 11-14 ending the third quarter 26-19. In the final quarter the Cubs outscored the Owls 12-8 but it was too little too late as the Owls handed the Cubs defeat by the score of 34-31. Scoring for McLean were Nathan Sullins 15, Toby Northcutt 6, Tom Pennington 5, and Jeremy Thomas 5. The Cubs record stands 5-3.

City Council To Refund Sales Tax To Care Center

The City Council of McLean met in regular session January 12, in City Hall. Mayor Haynes called the meeting to order at 7:00 p.m. Members present were W.C. Simpson, Martha Jo Bailey, Harold Smith, Joe Billingsley and Sam Haynes. Alderman Bybee was absent.

Gordon Maddox, CPA, presented the 1988-89 Audit to the council. The council accepted the audit with a motion by Bailey and seconded by Smith.

A motion by Billingsley was heard concerning advertisement to be placed for a 1978 Chevrolet pickup for sale. Bids are to be received until 5:00 p.m. February 13 and opened at the meeting to be held that same day.

All sales tax paid by the McLean Care Center from January 1988 thru December 1989 will be refunded as soon as the paper work is completed.

Council members heard complaints concerning Sam-

Your School

By Coach Miller

I have often said that in a small community the school is the heart of the community and athletics is the heart of the school.

This does not mean that athletics are the most important part of school. It simply means that if a program of athletic activities is offered and conducted properly many positive things will transpire.

1. The ability to work and play with others.
2. A sense of fair play.
3. A sense of belonging; winning teams develop a close knit group of young people.
4. Perseverance-Good athletes keep on keeping on.

I feel that what we learn in athletics will carry over to the classroom and make the teachers job easier. When his or her job is easier, the principals job is easier. When the principals job runs smoother the superintendents job is smoother thus creating an atmosphere of unity within the whole system. The people of the community are the bond that makes all this possible. McLean has this bond!

I feel the experiences we have in athletics will have a lasting effect on us throughout our entire life.

mons Communication Cable TV Systems. Poor reception, and charges were among those heard. Renewal of the franchise was also discussed.

The Council in closing decided to purchase needed equipment for use in the City Hall.

Jerry Don Cook

Attending

Week Long Session

Booker Teacher Margaret Parsons and McLean Principal Jerry Don Cook will attend a week (Jan. 29-Feb 2) long session at the Education Service Center in Richardson to update and revise a curriculum program currently used by many Texas school districts.

People selected to help with the update are master teachers currently using and very knowledgeable of the curriculum products.

The CAC products (Curriculum Assessment Cooperative), were developed through RCO-BE (Regional Cooperative for Outcome Based Education) to insure that the essential elements for instruction defined by the state were included in schools' curricula.

Texas is currently revising essential elements that must be taught in school curricula. The objectives formulated during the session will reflect these changes.

Such terms as CAC objectives and RCO-BE are now familiar with many Texas teachers. The objectives are used by teachers to formulate lesson plans for instruction. Resources and textual material are pulled together by teachers to support the teaching of the objectives during the year.

The Richardson Region X Education Service Center formed the cooperative in the early eighties to form a bank of objectives that individual schools could use as a framework for designing their own curricula.

Now districts statewide have adopted the program. The program also includes methods of assessing mastery of the objectives by students to help teachers plan the pace of their instruction.

Governor Creates Census Planning Committee

Governor Bill Clements, in an effort to assure a complete count of all Texans in the 1990 census, has assembled a committee of state agency chiefs who will engender increased census awareness among state employees and agency clients.

A comprehensive census count is crucial to Texas in the 1990s, the governor said, in ensuring the state gets its

allotted share of federal funds. Also at stake is proper representation in the U.S. House of Representatives.

An accurate census count in Texas could net the state and local governments as much as \$900 million more in federal funds during the next 10 years, according to the Texas State Data Center.

In addition, Texas could

gain as many as four new congressional seats if the 1990 count is accurate.

"Texas literally cannot afford to put forth anything less than an all-out effort to make sure all of our residents are counted by census-takers in 1990," the governor said. "This committee will make sure that key state agencies do everything possible to help Texas achieve that goal."

The governor's State Agency Census Planning Committee is part of a strategy designed to avoid a repeat of the 1980 undercount of Texas residents. Estimates are the 1980 census missed as many as 547,000 Texans, of which 396,000 were minorities.

In 1987 alone, Texans lost an estimated \$21.3 million in Medicaid funds as a result of the undercount in the 1980 census.

The committee, using agency newsletters and paycheck inserts, will generate state employee awareness of the importance of the census.

The committee will focus special attention on agencies with heavy public contact, including those dealing in social services whose federal funding is tied to the census. Promotional posters and

informational materials will be distributed to targeted state agencies, including local offices of the Department of Human Services and the Texas Employment Commission, health department clinics and Department of Public Safety driver's license stations.

The Health and Human Services Coordinating Council will take the lead in organizing the census effort, with technical assistance from the Department of Commerce.

Assigned to serve on the committee are the executive directors or representatives of the Texas Department of Commerce, the Texas Department of Criminal Justice, the Office of the State Comptroller of Public Accounts, the Secretary of State's office.

Card Of Thanks

Words do not adequately express our gratitude to family and friends, for the loving support shown us when we lost our beloved E.B.

We appreciate so much all the prayers, flowers, food, cards, and other acts of kindness, both during our loss and Georgia's surgery and lengthy recovery. Without you we couldn't have made it!

4-H Seeking Former Members

WANTED: 4-H alumni in
the Texas Panhandle and
South Plains. A 4-H volun-
teer leader is gathering
names, addresses and phone
number of former 4-H
members with plans to even-
tually form an alumni
organization.

Janie VanZandt of Pampa,
herself once a 4-H'er, says
no comprehensive record of
former members exist--a
void she plans to fill.

"It's very important we
have a list of these people.
We'd like to know who is
where so we can gather
them together for reunions
as well as draw on their
expertise from time to
time," she said. "We'd also
like to be able to recognize
them for special contribu-
tions they've made to their
communities.

"All of this can be done if
we have a record of former
members and form an
alumni organization," she
said.

Four-H-which stands for
head, heart, hands, health-
is the largest youth organi-
zation in the nation. Its
mission is to develop self-
directed, contributing,
productive members of
society.

About 24,500 4-H
members live in Texas Dis-
tricts 1 and 2, which roughly
encompass the Panhandle
and South Plains. About
383,000 members are in
Texas.

VanZandt plans to build a
network of 4-H supporters,

many former members,
throughout the area.
VanZandt sees many as
potential volunteers.

"Alumni need to be
updated on what's going on
in the organization. They
might see something they
want to be involved in. They
might want to give back to
the organization that gave
them so much," she said.

"I think many former 4-H

members look back and
realize how fortunate they
were to be involved. Kids
that participate in any youth
group are less likely to get

Basketball

Groom girls were at home against the Panhandle Peach. Groom again outscored its opponent, rolling past Panhandle 30 to 11. (Saturday's game, Jan. 27, was cancelled by Claude, due to the Stock Show) Sunday, Jan. 28, the Claude Reds came to Groom. Once again, Groom came out on top, 34 to 18.

The boys also began playing on Sat., Jan. 20, as Groom hosted the Panhandle Whites in a close, exciting game. The final score was Groom 29, Panhandle 25. On Sun., Jan. 21, the Claude Colts travelled to Groom for another close game. The final score was Groom 16, Claude 13. The Groom boys played 2 games on Saturday, Jan. 27. The first game was at Panhandle against the Panhandle Purples. Groom rolled to its 3rd victory, 30 to 21. Following the game, Groom hurried back home for a game against Panhandle Gold (this game was originally scheduled for Sun. during the Super Bowl). Once again, Groom handed its opponent a loss, outscoring Panhandle 38 to 19.

The next scheduled games are Sat. Feb. 3, with the girl's action here in Groom at 3:00 p.m. against Panhandle Purple. The boys will be in Claude, playing the Claude Blues at 4:00 p.m. Sunday's action is in Panhandle for both teams beginning with the boy's game at 2:00 against Panhandle White. The girl's

Census Takers

Needed In Groom

The U.S. Census Bureau has issued a call for Carson County residents to apply for temporary jobs.

Census work will last between two and eight weeks for most workers. They will receive \$5.00 an hour plus mileage for any official use of a private vehicle.

Applicants for the temporary positions must be 18 years old or over, a U.S. citizen, have a valid drivers license, a social security card and take a written test.

The work consists of driving or walking in designated areas of the county to follow up on addresses that do not respond to the census questionnaire. Office jobs that will be filled are those of data transcriber and clerks.

The census benefits all americans. Reapportionment of the U.S. House of Representatives and redrawing of legislative district boundaries are based on census figures, while census numbers are used to distribute federal, state and local government funds to provide assistance to communities for housing, health and human services programs.

County residents interested in applying for the temporary positions should contact the census district office at 3501-H W. 45th, Amarillo, Texas, 806-354-3700

The Bureau of the Census is an Equal Opportunity Employer.

game will begin at 5:00 also against Panhandle White. Try to come out and watch these young athletes in action.

Mr. and Mrs. Bob Clifford of Quinlan, Richard Moore of White Deer and Muriel Moore of McLean attended

the funeral for Elmer Trent of Lufkin on Monday in Childress.
