Youth Will Ring Doorbells For CROP

Governor John Connally has designated the week of October 24-31, 1965 as Texas CROP Week. CROP is the only community-wide church appeal in our state for overseas programs of the churches. As a program of the Texas Council of Churches CROP is the program of 20 denominational units of the state through the Division of Christian Mission with its local appeals organized, planned and conducted by local volunteer workers. Our nation has joined in the Freedom from Hunger campaign

of the Food and Agricultural Organization of the United Nations to help alleviate suffering from hunger and malnutrition among the world's population.

The McLean Methodist Youth will sponsor the CROP march in McLean, with a door-to-door canvas to be conducted Sunday, Oct. 24, from 2 to 5 p.m.

All area youth have been invited to join in this campaign. The group will meet in the basement of the Methodist church by 2 p.m. and will return at 5 p.m. for a fellowship program.

Refugees around the world need help to rebuild lives and homes torn by famine, disaster or political upheaval. CROP assistance gives them courage to begin again.

First Drawing For Week-End Saturday

FIRST BALE OF COTTON GINNED HERE

Two bales of cotton were received at the McLean Gin the past week, both from the Bill Moore farm near Shamrock. The bales weighed 495 and 570 pounds and ginned about 25 per cent lint, according to Henry Lawrence, gin manager. He described the cotton as good. This was the first cotton received at the gin from this season's crop. Last year's first bale was approximately 30 days earlier than this year.

Halloween Carnival Set for October 30

Everyone is invited to come and enjoy the fun at the Halloween Carnival Saturday evening, Oct. 30, at 7 p.m. The carnival is sponsored by the Tiger Band Boosters and will be held in the empty building next to the Hotel Coffee Shop. There will be all types of concessions available for everyone's enjoyment. The special attraction of the carnival will be the dunking board, with the school teachers taking turns on the board. The proceeds received in the carnival will go into the band fund which is set aside for the special activities the band will engage in this year. The Band Boosters hope a large crowd will be on hand for an evening full of fun and entertainment.

Mrs. J. W. Burrows, Former Resident Dies

Mrs. J. W. Burrows, 98, died at her home in Las Cruces, N. M., Sunday, Oct. 17. Before moving to Las Cruces, she had resided in McLean for 25 years. Her husband, J. W. (Jim) Burrows, preceded her in death in 1954. Mrs. Burrows was the step-mother of Bryan Burrows of McLean and Dolph Burrows of Groom. Surviving are five children and eight stepchildren.

VOTE NOV. 2 ON PROPOSED AMENDMENTS

Gray County voters, in common with voters over the state, will go to the polls Tuesday, Nov. 2, to adopt or reject 10 proposed amendments to the Texas Constitution.

County Clerk Charlie Thut said this week there will be no other issues or election of any candidates on the ballot.

Voters simply will be asked to scratch or mark out the FOR or AGAINST sections of each of the 10 proposed amendments. Directions on the ballot read: "Scratch or mark out one statement so that the one remaining shall indicate the way you wish to vote."

The 10 proposed constitutional amendments to be presented to Texas voters follow:

No. 1—Amendment to Article VII of the Constitution of the State of Texas by amending Section 17 thereof, providing a method of payment for the acquiring, constructing and equipping buildings and other permanent improvements at certain state institutions of higher learning.

No. 2—Amendment to Section 49-b of Article III of the Constitution of Texas to increase the Veterans' Land Fund by \$200,000,000; said fund to be used for the purpose of purchasing land in Texas to be sold to Texas veterans who served in the Armed Services of the United States between Sept. 16, 1940, and March 31, 1965; such funds to be expended in accordance with instructions and requirements that may be provided by law.

No. 3—Constitutional Amendment providing for assistance to and/or medical care for the (1) needy aged; (2) needy individuals who are permanently and totally disabled; (3) needy blind; and (4) needy children and the caretakers of such children; authorizing the Legislature to cooperate with the government of the United States in providing assistance to and/or medical care on behalf of such needy persons, and in providing rehabilitation and any other services included in the federal legislation providing matching funds to help such families and individuals attain or retain capability for independence or self-care, and to expend funds from the government of the United States for the purpose of providing assistance to and/or medical care and rehabilitation and any other services included in the legislation; provided that if the limitations herein contained are found to be in conflict with the provisions of appropriate federal statutes as they now are or as they may be amended, then and in that event the Legislature is specifically authorized and empowered to prescribe such limitations and restrictions and enact such laws as may be available for assistance and/or medical care for or on behalf of needy persons; providing further that the total amount of money to

1966 Spelling Bee Director Is Gray Co. Supt. R. B. Nuckols

R. B. Nuckols, Gray County superintendent of education, is the 1966 Spelling Bee director for Gray County.

Last year, Mike Haynes, son of Mr. and Mrs. John M. Haynes of McLean, was the Gray County champion and placed 5th in the regional bee. He was an 8th grader in McLean Junior High School.

The Amarillo Globe-News, which has sponsored the High Plains area bee since 1949, also has a unique secondary contest—the Junior Spelling Bee, open only to contestants from the 6th and lower grades. The national bee is open to all students, 16 years of age and under, through the 8th grade.

The Gray County junior champion for 1965 was Laurie Dingman, daughter of Mrs. Joan Dingman of Pampa and a 6th grader in Travis school in Pampa.

MRS. C. H. CLAY CELEBRATES 93RD BIRTHDAY

Mrs. C. H. Clay, mother of Mrs. Madge Page of McLean, celebrated her 93rd birthday at her home in Canadian Sunday.

Those attending were Mr. and Mrs. M. E. Cooper of Pampa, Mr. and Mrs. Amos Page, James, Jill and Joan of Quanah, Mr. and Mrs. Joe Page, Iris Lee and Jolyne of Pampa, Mrs. Peggy Percy of Lovington, N. M., Martha Aldridge of McLean, Mr. and Mrs. Walser Kellen, Mrs. Gladys Ode by and Mrs. Fay Patterson of Wheeler, Mr. and Mrs. Ray Lacoek, Lynn and Linda of Pampa, Mr. and Mrs. Charles Ellis of Canadian and Madge Page of McLean.

WHITE DEER DOWNS TIGERS, TRAVEL TO MEMPHIS FRIDAY

Last Friday night, a rather small crowd at White Deer Stadium watched the heavy, experienced White Deer defense hold the McLean Tigers scoreless, while the Bucks' powerful offense charged across the goal line seven times to make the final score 48-0 in favor of the Bucks. All of the valiant efforts of the Tiger line and offense proved to be of no avail against the rolling team of White Deer.

This was the first conference game of the season for both teams. The Tigers now stand at two wins and four losses for the season.

This week the Tigers take on the Memphis Cyclone at Cyclone Stadium in Memphis. Memphis has a very inexperienced team, with only two lettermen and one regular player on this year's team. In spite of appearances, Coach Charles Chambliss and the Cyclone have compiled an enviable record this year.

Wellington defeated Memphis in their district opener last week by a score of 8-0.

Kickoff time Friday night is set for 7:30.

DISTRICT CHANGES

There will be some major changes in several of the area districts next year. Class 2-A will consist of McLean, Claude, Wheeler, Clarendon and Silverton; White Deer and Canadian move into Class 1-A, while Memphis and Wellington move up into Class AA.

Junior High Band Places 2nd at Hedley

The McLean junior high band traveled to Hedley Saturday to attend the annual Cotton Festival and participate in the parade. The band, under the direction of Herb Germer, placed second in the parade contest.

TEXAS BEEF TO EUROPE: First air shipment of chilled beef to Germany is shown being loaded aboard a jetliner at Dallas' Love Field. Looking on are (left to right) Texas Farm Bureau President C. H. DeVaney of Waco; Jack Estes Jr., of Estes Packing Co., Fort Worth; and Don Chappell, Dallas, district sales manager, Pan American Airlines. Four carcasses, quartered to meet German import regulations and weighing 2,200 pounds, were sent to Cologne for sale during a "Texas Week" promotion in a supermarket there. U. S. Ambassador George C. McGhee, who hails from Waco, was on hand for the Cologne celebration.

State Teachers Assn. Hold Convention This Week, Corpus Christi

While the world seethes with conflict, the Texas State Teachers Association will have for its 87th annual convention theme this week, "Education for Peace and World Understanding."

Supt. Jack Riley of the McLean schools is among those in attendance at the convention.

The three-day convention will be held in Corpus Christi beginning today (Thursday), with some 8,000 teachers expected to attend. The finale will be the House of Delegates business session Saturday morning.

More than 900 official delegates—one for each 100 TSTA members in the 13 TSTA districts covering the state—will make up the House of Delegates.

Delegates will be presented for approval a TSTA legislative program for submission to the 1967 Legislature.

The convention will be officially integrated for the first time. Last year delegates removed racial restrictions to TSTA membership, although general sessions and section meetings had been open previously.

EYE BANK WEEK SET

The week of Oct. 25 through Nov. 1 has been set aside as "Hi-Plains Eye Bank Week" in the Panhandle of Texas. This was issued in a proclamation made by the governor of Texas, John Connally.

A copy of this proclamation has been sent to the county judge of Gray County, along with a letter asking for his aid in this project by co-signing this document and pledging his county to help.

The McLean Lions Club president, M. M. (Joe) Burroughs, has been asked to be present along with other county representatives for the signing of this document, for pictures and publication of this event. Dr. Harold Fabian and Jay Thompson are among the representatives for Gray County.

It is hoped everyone will join in to make this wonderful project a tremendous success, Lions leaders said.

Everetts Grocery And Station Re-Opens

Mr. and Mrs. Kenneth (Petie) Everett have recently resumed operation of Everett's Corner Grocery and Mobil Station.

The Everetts opened Everett's Corner in 1961 and operated the business until 1964. For the past year and a half it has been under the management of Mr. and Mrs. Charles McCurley.

Mr. and Mrs. Everett have been living in O'Neill, Neb., where they own and operate a cable TV system. Everett is presently with Telesis Engineering out of Evansville, Ind.

The McLean News received a telegram this week announcing that Senator Ralph Yarborough had been informed by the Agriculture Department that the department had approved a plan giving authorization to assist in developing a watershed project for the 226,112 acres of McClellan Creek watershed located in Gray and Carson Counties.

Application was made to the Department of Agriculture earlier this year for the watershed.

The project is sponsored locally by the Gray County Soil Conservation Department, the Carson County Soil Conservation Department and the Staked Plains Soil Conservation Department.

The project will consist of the construction of eight to 12 flood water retaining structures along the creek in Gray and Carson Counties.

The cost of the program will be shared by the federal and state governments and landowners.

Duane Bartee of the Gray County SCD said surveying and gathering easements for the structures will take approximately two years. He said construction will then get underway with work to be contracted on a bid basis.

Actual construction should take only about one year, he said.

The project will cover approximately 226,000 acres along the creek. The purpose of the watershed project, Bartee explained, is to prevent water from flooding adjacent farmlands to the creek bed and provide water for recreations which normally might be lost.

When completed, the watershed structures will release a predetermined amount of water down the creek to provide proper conservation of what otherwise would be wasted water, he said.

Light Bulb Sale Still in Progress

The light bulb sale which started Oct. 19 is still in progress. This program is sponsored by the McLean Lions and Jaycees, with all proceeds to go toward the expense of procuring another doctor for the McLean Hospital and Clinic.

Each box sold contains two 60 watt bulbs, two 75 watt bulbs and four 100 watt bulbs, all for \$2.

If you have not been contacted, but would like to buy some of these light bulbs, orders will be taken by any member of the two organizations, or see Jay Thompson, Jim Allison or John Jones.

The light bulbs may also be picked up at Southwestern Public Service show room.

TRASH CANS

The McLean Lions Club has distributed galvanized trash cans in the downtown area, for the purpose of eliminating trash thrown on the sidewalks and streets.

It is hoped everyone will take advantage of these trash disposals, and do away with unnecessary litter on the streets.

Mrs. J. L. Hess, Mrs. Cliff Day and Mrs. Madge Page went to a district meeting at Canadian Tuesday.

Recent visitors in the Bill Moore and D. L. Miller homes were Mr. and Mrs. Earl Moore and children of Panhandle.

Mr. and Mrs. Bill Crisp of Lockney and Mr. and Mrs. Henry Loter of Plainview visited last Thursday in the T. E. Crisp home.

New roof line enhances 1966 Chevy II Super Sport Coupe

Reflecting smart new lines for 1966 is this Chevy II Nova Super Sport Coupe. New body panels combined with a new extruded aluminum grille and redesigned front and rear lamp treatments complement the sparkle of the new interiors and instrument panel. New sedan and coupe roof lines with restyled windows and 6 new colors point up the styling surge made by the '66 Chevy II. Chevrolet dealers throughout the nation will display the new cars on October 7.

SIX FLAGS NINE HOLE GOLF COURSE TO OPEN

There'll be nine flags over Six Flags Saturday, September 25, when the Six Flags NINE illuminated nine hole, 3-par golf course officially opens to the general public for play at 9 a.m. Designed by Ralph Flummer and Byron Nelson for Great Southwest Corporation, owner/operators of Six Flags Over Texas, the new \$100,000 golf course is located in the Great Southwest Industrial District on Highway 360 just across the Dallas-Fort Worth Turnpike from the famed amusement park. The beautifully landscaped 1,207 yard, par 27 golf course which has been under construction since May 1964, was designed to afford an interesting and enjoyable layout for golfers through the use of undulating greens, five sand traps and historic Johnson Creek which meanders through the property. Full illumination makes the golf course available for play both night and day. Distances from tees to the greens range from 162 yards to

104 yards. Byron Nelson, who spent numerous hours testing the Six Flags NINE under actual playing conditions said, "On this course the average golfer would probably prefer to use a 3, 5, 7, and 9 iron along with a putter for best results. Women golfers might like to add a wood to this complement of irons," he noted. The 59,000 watt mercury vapor illumination system designed by Burton Brothers Electric Company of Fort Worth, is, according to R. E. L. Burton, vice president, "the best lighted golf course in the entire Southwest, and I say this without fear of contradiction." Burton added, "During practice rounds of golf after dark, the 59,000 watt system puts out 8,240,000 lumens (measure of light) and the golfers were able to follow the flight of the ball from tee to green equal to or better than in broad daylight." The Six Flags NINE will be open from 8 a.m. to 11 p.m. seven days a week. As an added convenience, golf clubs will be available for rent.

NOW! A WHOLE NEW SERIES OF ULTRA-LUXURIOUS CHEVROLETS

'66 CAPRICE

BY CHEVROLET

Caprice Custom Coupe—with exclusive formal roof line that comes on no other Chevrolet.

Caprice Custom Sedan—with superb new Body by Fisher elegance inside and out.

Caprice Custom Wagon—with fine new look of hardwood paneling on sides and tailgate.

Everything it takes to create a distinguished luxury car has gone into these new Caprices.

Beneath the formal styling elegance that sets the Custom Coupe apart, for instance, you'll find thick wall-to-wall carpeting, comfort-contoured seats and the look of hand-rubbed walnut on the instrument panel, glove compartment and inside door panels. You can order a finely instrumented console, together with new Strato-bucket front seats.

In the Custom Sedan, a new Strato-buck front seat is available with bucket-type contours separated by a fold-down

armrest. And in the equally opulent Custom Wagons, offered in 2- or 3-seat models, you can even order carpeting for the cargo area.

Each model rides super Jet-smooth. And for incomparably smooth power, you can specify Chevrolet's advanced Turbo-Jet V8 in either a 396- or 427-cubic-inch version.

The price of it all? Somewhat more than you're used to paying for a Chevrolet. But less, as your dealer will happily confirm—than the select class of fine cars these new Caprices invite comparison with in every detail.

The Junior Progressive Study Club met Thursday evening with Mrs. Odell Mantooth.

An interesting program was given on the United Nations Charter.

Lovely refreshments were served to the following: Mesdames Don Alexander, Carl Jones, Bill Foster, Keith Caldwell, Frank Howard, Guy Hibler, Earnest Beck, Frank

Rodgers, Travis Stokes and Earl Stubbiefield.

The Junior Music Club elected officers at their meeting last week in the music studio at the grade school.

Officers elected are: Darlene Shadid, president; Jane Graham, vice president; Marsalee Windom, secretary; Effie Lou Carpenter, reporter.

Refreshments of punch and cookies were served by Mrs. Boyett.

The honor roll for September is: Norma Chapman, Margaret D'Spain, June Stubbiefield, Patsy Dell Tindall, Barbara Nell Williams.

A court of honor was held at Kellerville last Thursday night, with the field executive in charge. A large number attended from McLean, Shamrock, Samnorwood and Kellerville, and many awards were received by the Scouts from each group.

A watermelon feast was served before the court of honor, by Troop 70, Kellerville.

An unusually good program was enjoyed by the members of the Pioneer Study Club at the home of Mrs. C. A. Cryer last Thursday afternoon.

Mrs. John Harris spoke on the Taj Mahal and Temple of Angkor. Mrs. Roger Powers discussed the Wall of China and Canterbury Cathedral. Mrs. H. W. Finley spoke on the Hanging Gardens and Chick-on Itza, with Mrs. Cousins discussing On the Road to Mecca.

Roll call was answered with "A Place I'd Like to Visit."

Special guests of the hostess included Mrs. H. C. Rippey and Mrs. Karl Ernst.

The next conference football game will be played by the McLean Tigers at Memphis Friday night. The local grid-ters have won every game played so far, but Memphis is expected to give them the hardest competition yet encountered.

40 Years Ago

S. B. Fast reports a Missouri Pippin apple tree in full bloom at his orchard west of town. Several people have reported lilacs blooming this fall.

Some of our would-be weather prophets could probably give a reason for the freakish behavior of fruit trees and shrubs blooming at this season of the year, but most of us are at a loss to understand it.

The first and second year Latin classes of McLean High School

met Oct. 7 to organize a Latin Club, with the following officers elected:

President, Elgin Shell; vice president, Vina Stratton; secretary, Marie Browning; treasurer, Winnifred Howard; reporter, Merle Young; social committee, Margaret Johnston, Hazel Patty, Letha Ashby; program committee, Johnnie Villa Haynes, Vida Colebank; pianist Johnnie Villa Haynes; sponsor, Miss Blair.

The McLean Tigers won with a 3 to 0 score in the football game with the Pampa Harvesters played last Friday on the Pampa field.

The Pampa team had only two eligible men in the lineup; the rest of the team being mainly former Harvester stars. Results of the game will have no bearing on McLean's standing as they did not oppose an eligible team.

Last week, the Kittens basketball team elected the following officers: President, Vina Stratton; business manager, Lena Sparks. The Kittens will play the first game of the season with the Alanreed girls Friday, Oct. 16, at Alanreed.

COTTON PRODUCERS TO MEET

On Oct. 23, at the Cotton Classing Office in Memphis, at 2:30 p.m., the annual meeting of the Rolling Plains Cotton Producers, Inc., will be held for the purpose of electing new directors and the carrying on of other pertinent business.

Mr. and Mrs. Ed Clifton had as weekend visitors Mr. and Mrs. Ernest Clifton of Graham and Mr. and Mrs. F. J. Boughan of White Deer.

be expended per fiscal year out of state funds for assistance payments to recipients of Old Age Assistance, Aid to the Permanently and Totally Disabled, Aid to the Blind, and Aid to Families with Dependent Children shall never exceed Sixty Million Dollars (\$60,000,000). Providing that nothing in the amendment shall be construed to amend, modify or repeal Section 31 of Article XVI of the Constitution.

No. 4—Constitutional Amendments providing a four-year term of office for the Governor, Lieutenant Governor, Attorney General, Comptroller of Public Accounts, Treasurer, Commissioner of the General Land Office, Secretary of State, and any statutory state officer who is elected by the electorate of Texas at large, unless a term of office is otherwise specifically provided in this Constitution.

No. 5—Constitutional Amendment amending Article III of the Constitution of the State of Texas by adding to the Teacher Retirement Fund and the Teacher Retirement System of Texas, revising provisions for investment of moneys and other

assets of the fund, and changing other existing provisions and making other new provisions with respect to the administration of the Teacher Retirement System.

No. 6—Constitutional Amendment authorizing the Legislature to provide for loans to students at institutions of higher education to be known as the Texas Opportunity Plan.

No. 7—Amendment exempting the property of certain charitable organizations from local ad valorem taxes, provided any such organization meets certain conditions, and expends at least one and one-half million dollars (\$1,500,000) annually for free hospital and medical care for the indigent within the State of Texas.

No. 8—Constitutional Amendment providing for the automatic retirement of District and Appellate Judges for old age, creating the State Judicial Qualifications Commission, defining its functions; and empowering the Supreme Court, upon recommendation of said Commission, to remove District and Appellate Judges for misconduct and to retire such judges in case of disability.

No. 9—Constitutional Amendment allowing an annual salary in an amount to be fixed by the Legislature for the Lieutenant Governor and for the Speaker of the House of Representatives and allowing a per diem for Members of the Legislature not to exceed Twenty Dollars (\$20) per day for the 140 days of each Regular Session and 30 days of each Special Session.

No. 10—Constitutional Amendment to provide for a four-year term of office for State Representatives.

TWO McLEAN STUDENTS ATTEND 38TH FFA CONVENTION

Eddy Finley, son of Mr. and Mrs. Jess Finley, and James Harkins, son of Mr. and Mrs. M. Harkins, returned Saturday from Kansas City, Mo., where they attended the 38th annual national FFA convention.

Finley received an all-expense paid trip to the convention given by the Santa Fe Railroad, for being awarded the Area I Star Chapter Farmer last spring.

While in Kansas City, the Santa Fe Awards winners visited the City Hall and the mayor's office.

Wednesday morning Vice President Hubert Humphrey gave an address by telephone to the convention.

According to the two local youths attending the convention, the highlight of the week was the banquet presented Wednesday evening by Santa Fe. A group from England and Switzerland provided the entertainment for the occasion.

Several other items of interest during the week were the television appearances Finley participated in. He also gave a report to several newsmen from Amarillo's KGNC television studio; associated during the convention with the state and national officers; met the state executive secretary, Jobs from Austin; and attended the American Royal Livestock Show.

Harkins attended all of the convention meetings. New advisor for the National

FFA is H. N. Hunsicker, recently appointed head of agriculture education in the vocational and technical education division of the U.S. Office of Education, Washington, D. C. Howard Lee Williams from Olin N. C., is the 1965-66 national president.

Approximately 10,500 youth from across the nation attended the week-long convention, with Texas having the largest delegation there. Seventy-four Area I boys were among the Texas delegation.

In conclusion, both boys agreed that the national FFA convention proved that this is an organization for and directed by America's young men.

Twentieth Century Club Holds Meeting

The Alanreed Twentieth Century Study Club met Thursday, Oct. 14, in the home of Mrs. Marjorie Fish, with Mrs. Larue Hambricht as co-hostess.

The president, Mrs. Larue Hambricht, opened the meeting with the reading of the club collect and presided for a short business meeting.

Roll call was answered with a ghostly experience.

Mrs. Joyce Smith and Mrs. Laura Goodman presented a quiz program. Mrs. Jessie Mae Rowland and Mrs. Marjorie Fish won the

prizes for answering the most questions.

The hostesses served refreshments carrying out the Halloween theme. Favors were witches and goblins.

Those attending were Mesdames Ella Mae Trout, Lula Crisp, Nola

Crisp, Claudia Cooke, Rowland, Goodman, Smith, Hambricht and Fish, members; one visitor and children, Kinnette, Beth and Billy Frank Hambricht, Jay Dee Fish and John Kesterson.

Mr. and Mrs. James Coleman of Jal. N. M., visited friends and relatives in McLean and Wheeler over the weekend.

Visitors in the Bill Moore home Sunday were Wayne Moore and family of Forgan, Okla., Mrs. Tommy Plum and daughter, LaNora, of Scott City, Kan., the Jairrel Moore, Royce Brooks and James Smith families of Amarillo.

Pen-Handlers Club Met Last Saturday

The Pen-Handlers Club met in regular session Saturday afternoon in the home of Miss Ruby Cook, 415 N. Grove St. with Mrs. David Thomas as co-hostess.

The president, Mrs. Louise Fields, and secretary, Mrs. Leanna Harvey, presided over the business meeting, after which the program was turned to Mrs. Johnnie Merriman, leader for the afternoon.

Excellent essays and articles were read by Members Fields, Harvey and Floy Hugg.

A discussion concerning the marketing of these manuscripts follow-

ed the readings.

Mrs. Merriman gave an interesting and informative talk on the writing of poetry.

Plans were made for the Christmas party.

Four members were absent due to illness: Mrs. Larry Trostie, Leia; Mrs. Mettie Brown, Dozier; Mrs. Frankie Stanley and Louise Coffman of Shamrock.

Those present at the meeting were Mesdames Harvey, Hugg, Fields, Merriman, Pillar and June Blakemore of Shamrock; Mrs. Mary Smith of Dozier, and the hostesses Mrs. Thomas and Miss Cook.

NOMINATIONS ACCEPTED FOR HOBLITZER AWARDS

Regional deadline is Dec. 1, 1965, for nominations for the coveted Hoblitzelle Awards for the Advancement of Texas Rural Life for 1966.

Nominations should be submitted by that date to any member of the state regional committee, A. L. Black of Bovina said today. Black is chairman of the six-man committee spearheading the 50-county Area I search for two Texas farmers who will receive the \$5,000 cash awards.

USDA REPORT RESULTS ON CROP CHECK

Evelyn Mason, Gray County AS CS office manager, makes the following report on results of the farm certification method of measurement used in this county in 1965:

This was used on wheat, barley, corn and grain sorghum and the farmer reported his own acreage after he had measured it himself. After the reports were in, 20% of the reported farms were spot-checked for accuracy. One hundred sixty-three farms were spot-checked on all the reported crops. On these 163 farms the wheat and all the feed grain was measured for comparison with the farmer's report. On 97 of this group, the farmer's report was used completely on all crops. On 66 of the farms checked, the measured figures were used for at least one crop.

DR. GOLDSTON PRESIDENT OF CANCER GROUP

Dr. A. B. Goldston of Amarillo was elected president of the Texas division of the American Cancer Society at the organization's 20th annual meeting in Dallas Oct. 13, 14.

More than 350 delegates, members and guests representing 185 Texas counties attended the two-day meeting to review progress of the cancer control program in Texas.

As a highlight of the meeting, L. E. "Lefty" Ross of Quanah, vice-crusade chairman, announced that television's famous "Hoss Cartwright" will serve as the 1966 state cancer crusade chairman. "Hoss," whose name is Dan Blocker, was born in Bowie County, Texas, and received his formal education in Texas schools.

Band Clinic Held Here Monday

A band clinic was held Monday night at Duncan Stadium, under the direction of Dean Killion, Texas Tech band director. The purpose of this clinic was to help the members of the Tiger Band with their marching techniques.

The McLean band will participate in the Interscholastic League Marching Contest Tuesday at 1:27 p.m. in the Buffalo Bowl in Canyon. This will be the marching phase of the league, with the concert and sight reading phase to take place April 27 and 28 in Amarillo.

After the clinic Monday night, the band mothers served refreshments of sandwiches, cookies and hot chocolate to the members. Director Herb Germer and the honored guest.

The changes found on spot-checks did not make anyone in the county ineligible for payment. The changes found amounted to a small acreage and did not throw anyone out of compliance on any program.

Final payments are being made now. Most wheat payments have been made and feed grain is being paid. All payments on all farms should be received within the next very few weeks.

Final cotton payments are also being made now and will be completed shortly.

ACP PROGRAM
Producers are reminded to report any practice to the office as soon as it is completed. Many approvals are outstanding on bindweed control. If you have applied the chemical to your bindweed, please be sure to report this right away.

1966 PROGRAMS
Wheat allotments have been mailed. The national wheat allotment has been reduced 3.4% from the 1965 wheat allotment. Therefore, the county allotments to individual farms is also reduced this year.

"We have no information on the 1966 program as it is still pending in Congress," Miss Mason stated. "We will furnish you with information just as soon as it is available to us."

It is anticipated that a fall wheat sign-up will not be conducted. You will probably sign on wheat and feed grain at the same time next spring.

The medieval astrologers also forecast the weather.

Millstones for Roman flour mills were made from hard Vesuvian lava.

There's no place like home— if you haven't got the money to go out.

Alanreed WMS Met October 19

The Alanreed WMS met Oct. 19 in the Baptist church with eight members and one visitor present.

The meeting was opened by President Lena Carter. The opening prayer was led by Norma McMahan.

The minutes were read by Ella Phillips and approved by the members.

After the business meeting, the program was presented by Program Chairman Lela Sherrod. Taking part in the Royal Service were Joyce Smith, Harriet Greenwood, Norma McMahan and Lena Carter.

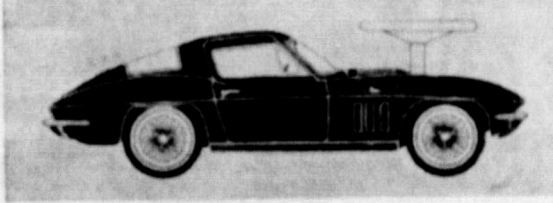

After the program was concluded, the group was dismissed by a prayer from the visitor, Mrs. Howard Miller from McLean.

Those attending the meeting were Mesdames Anita Bruce, Ella Phillips, Ella Mae Trout, Mae Moreman, Sherrod, McMahan, Carter, Smith and Miller.

Mr. and Mrs. Frank Crisp of Alanreed and Mrs. Guy Farrington of Pampa spent Thursday night with Mr. and Mrs. T. E. Crisp.

**NEWS OF
 CONSERVATION**

By VAN MILLS

Loyal Bird reported that his level
 diversion with a pipe drop worked
 real well during the recent heavy
 rains. There was no adequate out-
 let for the diversion to empty, and
 a pipedrop was installed to let the
 water through the diversion to a
 safe outlet.

An irrigation system was laid out
 for Robert Rapstine on a place he
 operates south of Kingsmill. Robert
 has completed an irrigation well
 on this farm.

Many times we hear people talk
 about building dams to trap and
 hold the runoff water. We are
 overlooking our greatest storage
 reservoir, the soil. Our high plains
 soils will hold up to 2.4 inches
 of water per foot of soil. Our
 sandy soils will hold from 1 to 2
 inches per foot of soil.

If we received a heavy rain and
 had a three inch runoff over 640
 acres, this would be enough water
 to fill a 20 acre lake eight feet
 deep. The best place to store
 this water is in the soil. It will
 make more money and do less
 damage when it is stored in the
 soil.

When we lose our soil through
 erosion we lose part of our stor-
 age. This reduces the land's
 potential to produce.

There are many conservation
 practices are stubble mulching,
 water in the soil. Some of these
 practices are stubble mulching,
 contour farming, terracing and
 proper grazing of rangeland.

**Coin Show Set
 For Amarillo Soon**

The Amarillo Coin Club has an-
 nounced its fall coin show to be
 held Oct. 30 and 31 in the Holiday
 Inn West, Amarillo.

The show is sponsored by the
 Amarillo Coin Club and doors will
 open to the general public from 9
 a.m. to 10 p.m. on Oct. 30 and
 from 10 a.m. to 6 p.m. on Oct. 31.

There will be many educational
 coin exhibits on display, to include
 coins from all parts of the world,
 and a number of dealers available
 for those interested in purchasing,
 selling or trading coins. You can
 do your Christmas shopping early,
 as there will be only 55 days left
 until Christmas.

There is no admission charge
 to this event and the public is
 cordially invited to look, buy, sell
 or trade.

**SAVINGS BOND
 QUESTIONS**

Q—What is the objective of the
 Treasury's school savings program,
 and how many dollars does it
 account for?

A—The primary objective of
 school savings is to encourage
 school children to practice thrift
 and to participate in the responsi-
 bilities of citizenship through the
 regular purchase of U. S. Savings
 stamps and bonds. More than 100
 million savings stamps are sold
 each year, mostly through schools,
 with a dollar volume of about
 \$18.5 million.

Q—Running through some papers
 recently, I found several "F"
 bonds which had matured some
 years ago. What is their present
 status, and can they be exchanged
 for H bonds?

A—Although they have not earned
 interest since maturity, those "F"
 bonds are worth their face value
 anytime you cash them in. They
 may be "re-invested" in H bonds,
 without regard to the annual limi-
 tation on purchases, but there is
 no tax deferral privilege, such as
 is the case when E bonds are
 exchanged for H's.

Q—E-bond owners talk about the
 tax advantage to be gained by
 holding their bonds. What is the
 advantage?

A—The interest gain on an E
 bond does not have to be declared
 for tax purposes until the bond is
 redeemed or finally matures.
 In the interim, interest is being
 earned on money that otherwise
 would be due in taxes.

Mrs. Wheeler Carter spent the
 weekend in Perryton with Mr. and
 Mrs. Don Trew and family.

Mrs. Martha Aldridge and Mrs.
 Lurah Rhodes attended the wed-
 ding of Mrs. Aldridge's grand-
 daughter, Carol Nachlinger, and
 Richard Kiker at the First Meth-
 odist Church in Pampa Saturday.

**Graveside Services

SOUTHWESTERN BELL

Mullanax Gets Webb AFB Post

Capt. Milton Gayle Mullanax, son of Mrs. Irene Mullanax and the late Morris G. Mullanax of McLean, has completed the orientation course for officers of the U. S. Air Force Medical Service at Gunter AFB, Alabama.

Capt. Mullanax is being assigned to the professional staff at Webb AFB, Texas.

He is a graduate of McLean High School. A member of Sigma Chi and Alpha Kappa Kappa, he received his B. A. degree from Texas Technological College, Lubbock.

His wife, Sharon, is the daughter of Mr. and Mrs. Cecil Sanders of Lubbock.

Mr. and Mrs. George Colebank visited with Mrs. Georgia Lee and daughter of Canyon, Mr. and Mrs. Carl Carpenter of Sundown, Mr. and Mrs. D. L. Harguess of Carlsbad, N. M., and Mr. and Mrs. John Cooper of Tucuman, N. M., recently while on vacation.

TEXAS DRIVERS LICENSE LAW CHANGED

Operators of farm trucks and light business vehicles are most affected by the recently enacted amendments to the Texas drivers license laws which have been in force since Aug. 30—but which remain confusing.

Commercial delivery men using small capacity vehicles need no longer obtain commercial drivers licenses, but the farmer who is accustomed to hauling tons of produce with only an operator's license had better beef up for a commercial license exam.

The law is explicit, but the public is generally unaware of the changes. As a result, animosity has developed in some areas between law enforcement officers and drivers, especially farmers.

According to Sgt. Foyd Hacker of the State Department of Public Safety in Amarillo, the law says:

"Any person who is the driver of a vehicle designed or used for transportation of property or delivery purposes which has a manufacturer's rated carrying capacity of more than 2,000 pounds is required to have a commercial vehicle license."

The farm-registered vehicle law was confusing and difficult to enforce (what patrolman could accurately say how much a load of hay or grain weighed?), and it became defunct Aug. 30 when House Bill 154, which contained the amendments was implemented.

As the law now stands there are no farm vehicle exemptions and gross weight is no longer a factor to be considered. It simply means "any person" who transports or delivers goods of any kind in a truck having a manufacturer's rated carrying capacity of more than 2,000 pounds be required to have a commercial license. (This includes about anything larger than an ordinary pickup truck.)

Operators of business trucks having a weight capacity of more than 2,000 pounds are required, like farm operators and others transporting and delivering, to have a commercial license.

There are no changes in the amended law that affect drivers of passenger cars operated in ordinary, everyday use, such as on vacations and driving to and from work.

VOTE FOR

AMENDMENT 7

• Exempts private charity hospitals doing at least \$1,500,000.00 in free work per year from ad valorem taxes except those paid to the State of Texas.

• Exempts property only in the home county of hospital.

• Money saved on taxes must go to charity work in the hospital.

• Does not exempt state taxes.

• Helps private hospitals to help Texans.
