The O'Dell family, Terry, Donna, Tiarra and Shawn are gradually settling in to life in Groom.

## Groom ISD Welcomes New Faces To 1991-92 School Teaching Staff

Students and teachers headed back to the classroom this week to get the 1991-92 year underway. 230 students enrolled for the fall semester.

There are several new faces this year as Groom ISD has hired several new people.

Mrs. Epperson is taking over where Mr. Sanders left off with 4th, 5th, and 6th grades. She is a Pampa resident, where her husband farms. She has four children and two grandchildren. She recently sent her youngest daughter, youngest child, Chad, is a sixth grader at Pampa Middle School. Her older children are Meloy and Greg. Mrs. Epperson taught school last year at St. Vincents in Pampa. This is her second year to teach.

Mrs. Gable, taking on the duties of high school English and art classes, is no stranger to the area. She grew up on a farm near the St. Francis community and still lives in the area. Her husband, Don, is a farmer and also employed at the Clements Unit of the Texas Department of Corrections. They have four children; Jan, age 24, is a nurse in Dumas; Chris at 22 is planning an October wedding, and works as an auto mechanic; Amy, 20, is attending college at Sam Houston College in Huntsville and Liz, 15, is a sophomore at Panhandle High School.

Mrs. Gable is a May graduate of West Texas. For pleasure she enjoys

painting with oils and water colors, ceramics and volleyball. She is bringing a much needed "Fine Art" to our school system. Mrs. Gable will teach two art classes. Students will begin with two dimensional art such as drawing, design and painting. Next semester the classes will discover three dimensional art such as sculpture, printing and jewelry.

Mark Lance will be assisting the Tigers this fall as well as coaching the junior high cubs. Mark has from Ulysses, Kansas and attended Abilene Christian University. He is married to the former Laurie Harper of Panhandle.

He taught last year at Hamlon, Texas. In his spare time he likes to play golf, basketball and spend time with his wife.

Terry O'Dell the new head football and girls basketball coach is quickly getting acquainted with area residents. He and his family are living at 307 Wilkerson. His wife, Donna, will also be working for the school. The O'Dells two children, Tiarra and Shawn will also attend school here. They are in the 5th and 2nd grades. Shawn enjoys riding his bike and his horse. Tiarra enjoys riding her horse, reading and listening to music.

Rilda Perry will be taking over the resource room antics. She grew up in Oklahoma and after raising her family returned to school at West Texas to

receive her degree in the teaching field. Mrs. Perry lives at White Deer where her husband is a Church of Christ preacher. In her spare time she loves to travel. This summer she traveled to Czechoslovakia and Hungary. She lived in South Africa for four years in conjunction with her husbands work.

Donna Watson will be assisting her in the resource room. Most residents know Donna as the wife of our Church of Christ preacher, Kent Watson.

Rejoining the Groom ISD staff after a few years in Panhandle is Jerry Crowell who will be teaching band.

Other new faces around the school are that of Charlotte Whatley. She will be driving a bus route. Also added to the maintenance staff is LaVonda Barkley.

## PGWCD Directors Approve Budget

Panhandle Ground Water Conservation District #3 directors (John R. Spearman, president; Frank Simms, vice president; Raymond Blodgett, secretary; Charles Bowers and Phillip Smith, members; and C.E. Williams, manager) held a public hearing on the proposed budget for 1991-92 on August 28 at the District Office in White Deer. Don Zumstein was also present.

No one voiced opposition to the proposed budget; therefore, it was approved by a unanimous vote in the regular session following the hearing.

In other action, the directors agreed through a motion that Armstrong County be assessed for 1991 taxes; that Ronald Patterson be designated to collect taxes in Armstrong County; and that Debbie Stribling be designated to collect taxes in Roberts County.

Approval was also given a Well Permit for David Randall in Donley County.

The 1991 tax rate for the PGWCD will be .0085 per \$100. valuation.

## Burk Judges Kentucky Fair

Buck Burk, Groom ISD's agriculture teacher, recently returned from judging the Kentucky State Fair in Louisville. Judging large state wide shows are not new to Mr. Burk. He has also judged the Iowa State Fair, Ohio State Fair, Colorado State Fair and the New Mexico State Fair.

When asked how he was chosen he stated that the State Breeders Association submit a list of qualified judges to the Fair Planning Board. They then choose a judge based on their recommendation.

"I either took cheaper than anyone else or did them a good job in the past" joked Mr. Burk.

During the 2 1/2 week celebration Burk was in charge of judging the Chianina Breeding Classes. Approximately 100 animals competed in the female and bull classes.

Burk roomed with a friend, Matthew Clay, from North Carolina who is the extension beef cattle specialist and judged the semental breeds. He returned Sunday night and began school on Monday morning.

## Groom Tigers Open Football Season Here Against El Paso School

Groom Tigers open football season, at home, Friday night facing N.E. Christian, a school from the El Paso area.

It is a private school. Groom will be assisting them with their travel expenses.

For this years seniors it will be an exciting game filled with bittersweet emotions, their first game of their last season.

"We are looking forward to a good season" said senior Brian Baker. "We really aren't too sure what to expect out of this team."

Other seniors are Bruce Britten, Daryl Homer, Nick Kuehler and Kirk Webb.

Tigers participated in two pre season scrimmages. Amherst and Southland proved worthy opponents giving Groom some experience taking hits and giving them.

Fans are invited to come and watch the 1991 football season get underway beginning Thursday night with the JV team as they face Miami at 6:30, there, and then Friday night at 7:30 here with N.E. Christian.

## Phone Service Disrupted Last Wednesday

A GTE fiber optic toll cable was cut eight miles east of Groom, Texas, on Wednesday, August 28, 1991. The result of the cut was a disruption in long distance calling around the Memphis area. The problem was isolated by GTE crews at approximately 2:00 p.m. CDT. A fiber optic splicing crew was dispatched immediately to the area and commenced repair of the fiber optic cable. Customers experienced the lack of long

distance calling capabilities until approximately 6:30 p.m. CDT in Clarendon, Claude, Dodson, Estelline, Goodnight, Groom, Hedley, Lakeview, Memphis, Panhandle, Quitaque, Silverton, Turkey, and Wellington. GTE district manager Jerry West said, "We apologize for any inconvenience this may have caused and encourage people to please call us before they dig to prevent future occurrences of this nature."

## Community Calendar

JV FOOTBALL Team plays Miami there at 6:30 on Thursday, Sept. 4th.

JUNIOR'S will begin selling mums for homecoming this week.

JUNIOR'S will host the concession stands at the football games.

JUNIOR GIRL SCOUTS will meet Monday, Sept. 19.

ATHLETIC BOOSTERS will host a Sausage Supper Friday night, Sept. 6 from 5:30 - 7:00.

PEP RALLY at the high school gym at 3:25 on Friday, Sept. 6.

BE SURE to wear Red & Black on Friday to support the Tigers season opener with N.E. Christian here at 7:30.

GROOM COUNTRY Neighbors will meet Wednesday, September 11 at 1:30 in the home of Theresa Willis with Sybil Harrell as co-hostess.

TEXAS LAW ...

In 1837 Shelbyville was a rough and ready place. Circuit Judge Robert M. Williamson came to town to hold court. He was informed by a local citizen that court would not be held. The judge said, "What legal authority can you give for such a procedure?" The man thrust a Bowie knife into the bench and replied, "This, sir, is the law of Shelby County." He looked up into the muzzle of the judge's pistol. Court was held.

# Fortieth Wedding Anniversary Celebrated

C. L. and Ludeen Wieberg celebrated their 40th wedding anniversary with a Mass and reception Saturday at Immaculate Heart of Mary Church and parish hall. A barbecue and dance followed at the Legion Hall.

Hosts for the event were: Anita and Fred Irby of Claude; Marie and Tom Wilkins of Carrollton; Janelle and Randy Sustaire and Nathan and Sherri Wieberg all of Groom; Nolan and Kari Wieberg, Neil and Marihelen Wieberg, Lenora and Fred Finck and Aaron Wieteg all of Lubbock.

Wieberg married the former Ludeen McAdams on July 10, 1951 at Sacred

Heart Cathedral in Amarillo.

The couple belong to Immaculate Heart of Mary Church.

Children of the couple are: Anita Irby, Nolan Wieberg, Marie Wilkins, Janelle Sustaire, Nathan Wieberg, Neil Wieberg, Lenora Finck and Aaron Wieberg. The couple have thirteen grandchildren.

Out of town guests attending were: Alfred and Mildred Wieberg, Marty and Sue Wieberg and family, Randy Wieberg and Theresa Roark, Jim and Darlene Massman and family, Sam and Arlene Samson and family, Leon and Sue Taubert and family, Westphalia, Mo.; Dan and

A special thanks to everyone who helped make this a most memorable occasion.

## GRANDPARENTS

The Grandparents role in the life of a child is changing rapidly. No longer are they typified as a tottering white haired man and woman who bake cookies, tell stories and generally indulge the grandchids every whim. Grandparents are becoming stand-in parents, in a sense.

Today's families are more and more two-career households or single parent households. Grandparents

across the country are helping fill the gaps as a caring adult family member.

September 8th is Grandparents Day. Spend time giving thanks for all these people do for you. Remember to say thanks to them, send a card, send flowers, or do something special to let them know you appreciate the sacrifices they continue to make in your behalf.

**Public Notice**

On June 28, 1991, Southwestern Bell Telephone Company (Southwestern Bell) filed an application with the Public Utility Commission of Texas (Commission) to add a new optional service offering for business Private Branch Exchange (PBX) Trunk customers called Digital Loop Service. The application has been assigned Docket No. 10461.

Digital Loop Service provides digital transmission of circuit switched voice and data communications between the customer's premises and the central office. This service allows the customer to use a 1.544 Mbps facility capable of delivering up to 24 line terminations. Southwestern Bell will provide Digital Loop Service within the customer's serving central office where facilities are available.

If approved by the Commission, the rates for the Digital Loop Service facilities will be \$445 per month for each digital transmission loop arrangement which provides a capacity of up to 24 line terminations, plus \$3 per month for each line termination and \$9 per month for each channel termination. The proposed rate for the unlimited use of the central office varies from \$12.25 up to \$18.90 per month for each line termination depending on the rate group classification, determined by the customer's location. Southwestern Bell estimates revenue of \$2.1 million from this offering during the first year.

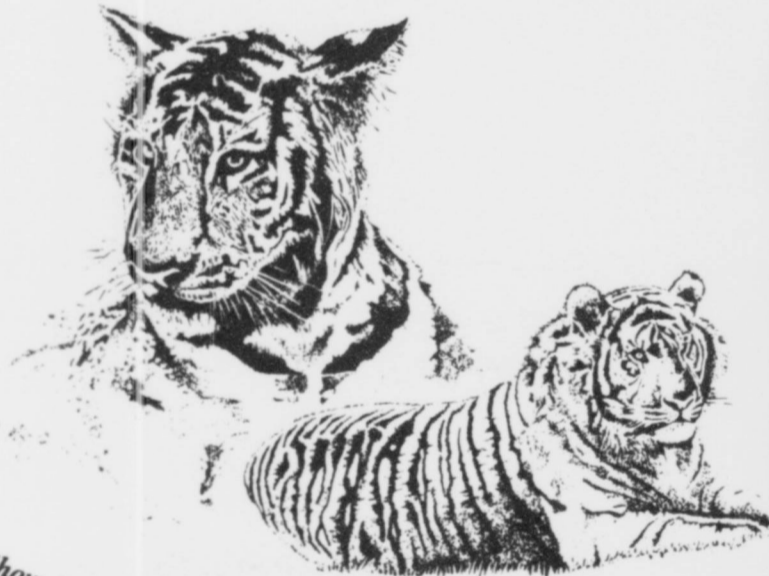

As proposed by Southwestern Bell, customers who currently receive digital loop compatibility through facilities installed under a special construction agreement will have the option to receive their current digital loop arrangements pursuant to the Digital Loop Service Tariff or continue to pay their current charges until they make a change of location or account. Any increase in the number of line terminations to a customer's current digital transmission loop arrangement will be provided pursuant to the proposed Digital Loop Service Tariff; however, the customer will continue to have the option of paying current charges for the existing digital transmission loop capacity. Southwestern Bell's proposal to "grandfather" existing digital loop facility arrangements is subject to review and approval by the Commission.

Persons who wish to intervene or otherwise participate in these proceedings should notify the Commission as soon as possible, but not later than October 15, 1991. A request to intervene, participate, or for further information should be mailed to the Public Utility Commission of Texas, 7800 Shoal Creek Blvd., Suite 400N, Austin, Texas 78757. Further information may also be obtained by calling the Public Utility Commission Public Information Office at (512) 458-0256. **STATE FUEL TAX**

Texas farmers and ranchers are alarmed by what they understand are alternatives being considered in the Texas House of Representatives regarding taxes, according to S. M. True, president of the Texas Farm Bureau.

"Proposals to increase the state fuel tax by 13 cents to a total of 28 cents a gallon is bad enough for all Texans," True said. "But, changing the off-road exemption for tractors and other production equipment to a once-a-year refund -- as proposed -- substantially increases producers' up-front production costs."

The president of the state's largest general farm organization said the damage becomes even more severe with the concept of allowing the refund to equate to only 75 percent of the charge.

"That would result in a new 7-cents-per-gallon tax on fuel used for food and fiber production," True said. "That is unacceptable and intolerable. We strongly urge that this entire concept be dropped."

The farm leader said another proposal floating in the Texas House of extending the state franchise tax to farm and ranch enterprises is no more than an "income tax in disguise."

Texas Farm Bureau has expressed support for streamlining government, increasing the state sales tax by one percent, and a voter-approved state lottery, True said. All of these actions would affect farmers and ranchers the same way as all citizens of the state, he explained.

"The fuel tax proposal and the franchise tax extension are grossly unfair, as agriculture is the only industry that cannot pass along taxes to consumers," True said. "The proposals are not the proper means to address the budget dilemma."

**Services Held For  
Margaret Vincent**

Margaret Ann Weatherly Vincent, 58, of Amarillo died Monday, Sept. 2, 1991.

Memorial services will be at 3 p.m. Wednesday at Saint Andrew's Episcopal Church with the Rev. Fred Tinsley Jr. officiating. Arrangements are by Boxwell Brothers Funeral Directors.

Mrs. Vincent was born on the Weatherly's Springhill Ranch in Des Moines, N.M., to A.D. and Mozelle Weatherly. Her grandparents, John and Maggie Weatherly, were pioneer Panhandle ranchers. Mrs. Vincent graduated from Amarillo High School in 1951. She attended the University of Arizona. She was married to Robert Carr Vincent on Nov. 1, 1961. They lived at their ranch in Cimarron County, Okla., from 1964-1984.

Mrs. Vincent served on the Boise City, Okla., school board for five years and was active in the Republican Party of Oklahoma. She was active in the Randall County Republican Party and the Republican Women's Club. She was serving as treasurer of Pi Beta Phi Alumni Organization of Amarillo and was active in numerous historical societies, civic and charitable organizations in the area.

Mrs. Vincent served as a communicant of Saint James' Episcopal Church in Dalhart.

Survivors include her husband; a daughter, Dawn Ann Vincent Davis of Portales, N.M.; three sons, Weatherly Carr Vincent and John Robert Donald Vincent, both of Amarillo, and Clifton Edward Vincent II of Boise City, Okla.; her parents, Mr. and Mrs. A.D. ## Burgin To Coordinate Bike-A-Thon Sept. 21

St. Jude Children's Research Hospital has announced that Mrs. Susan Burgin will coordinate the Groom "Wheels for Life" Bike-A-Thon. The date of 09-21-91 has been selected

for the ride. Founded by Danny Thomas in 1962, St. Jude Children's Research Hospital is the largest childhood cancer research-treatment-education center in America. Although

located in Memphis, TN, the hospital has a local impact because area doctors and hospitals can use treatments and procedures developed at St. Jude.

We are grateful for the concern that Mrs. Burgin has for our work and we hope the citizens of Groom will support the Bike-A-Thon to help provide funds that are needed to preserve the world's greatest asset... "Our Children".

## SCFA To Install Repeater System

### More McLean Briefs

Visiting Jackie, Kathy and Terri Hembree over the week-end was Carol Worley, Kathy's mother from Borger.

Visiting Jodie Thomas and Velma Cornell Monday was Sandra, Mike and Mika Clark from Pampa.

Mary Lou Glass, McLean, Rachel and Sondi Kramer from Skellytown left Thursday to visit relatives in the Dallas area. Terrie Glass teaches in the Ft. Worth School System, Terrie and Joe Luna at Waxahachie, Terrie teaches at Waxahachie, John Glass, Dallas and Mary Dale, Roy and Linsey at DeSota.

They returned on Monday evening.

Visiting Norma Curry over the weekend was Judy Watson Gothcher and children Becky and Emily from Abilene. They also visited with Mr. and Mrs. E. L. Watson.

Margaret Milam visited Tommy, Jullie, Mark, Dakota and Lee Milam at Altus, Ok. over the weekend.

The Sweetwater Creek Firefighter's Association voted in August to install a repeater system, multiple base stations and mobile radios in an effort to improve communications among association members during fire and other emergencies.

In addition to placement on the Four County Repeater Tower, located in Southeast Roberts County in Texas, there will be seven base stations in six Texas counties: Collingsworth, Donley, Gray, Hemphill, Roberts and Wheeler. There will also be twenty eight mobile units among the association departments.

This system was made available with a grant from the Texas Forest Service which provides 50 percent matching funds up to \$10,000.

Oklahoma counties will benefit from use of the SCFA Repeater System through better communications with counties in Texas during rural fires and severe weather. The association is also working with state agencies in Oklahoma to develop a repeater system in Western Oklahoma.

Thirty SCFA members attended the August 13 meeting in Wheeler. Texas counties were represented by Wallace Forrest, Jesse Hanes, Gene Mathews, Bob Gober and Thomas Hallum, Canadian VFD; Delbert

Robison and David Pitts, Clarendon VFD; Gary Jahnel, David Cook, Gary

Cummins and Homer Thomas, Gem City VFD; Bob White, Lyndon Henson and Henry Stephens, Hedley VFD; Andy Reed, Kelton VFD; Lanny Atchley, Liz Atchley and Randy Nichel, Lefors VFD; Robert McDonald and Clifford McDonald, McLean VFD; Sid Henderson, Poverty Hill VFD; Randy Tallent, Shamrock VFD; and Robert Ford, Ken Daughtry, Daryl Snelgrooves, Gary Davis and Walter Simmons, Wheeler VFD.

Oklahoma counties were represented by John Hill, Sayre VFD and LeRoy Cox and Tommy Calverley, Sweetwater VFD.

### TEXAS DAIRY QUEEN

The Board of directors of the Texas Dairy Queen Operators' Council (TDQOC) has re-elected Fort Worth businessman William G. Hall president for a third term.

Hall, president and principal owner of CMC Foods, Inc., has been in the Dairy Queen business since 1984 when CMC Foods acquired a group of 24 Dairy Queen stores. Since then, the number of stores has grown to 65 throughout North and West Texas, including Groom, Texas.

Hall was first elected to TDQOC's Board of Directors in 1986, and has served as treasurer, as well as two one-year terms as president. He is also a member of the TDQOC's Marketing and Steering Committee, the committee that oversees development and production of all TDQOC marketing and advertising programs.

The TDQOC, headquartered in Bedford, Texas, is a cooperative of more than 300 Dairy Queen owners and operators representing over 800 Dairy Queen restaurants in Texas. Its nine-member Board of Directors is responsible for the administration of the Council's advertising fund, development of product specifications, and maintenance of quality standards.

Senior girls are ready for volleyball season.

### Tri State Fair Horse and Mule Events

Six days will be devoted to horse and mule events in the Bill Cody Arena in connection with the 1991 Amarillo Tri State Fair, September 16-21st.

The Tri State Miniature Horse Show will begin at 4:00 p.m. on Sunday, September 15th and will continue through Monday, September 16th. Show time on Monday will be 1:00 p.m. This crowd-pleasing event will feature working horse events such as driving, halter obstacle, roadster and showmanship.

For the second year, a mule and donkey show will begin at 5:00 p.m. on Thursday, September 19th in the Cody Arena. This

show will feature classes for mules and donkeys of all ages that will compete for prizes in trail, donkey pleasure, mule pleasure, pole bending, barrel racing, coon mule jump, single and multi-hitch driving.

On Friday, Saturday and Sunday, September 20th, 21st and 22nd, the AQHA & All Breed Horse Show will wind up the events in the horse division. Show times are 5:00 p.m. on Friday and 9:00 a.m. on Saturday and Sunday. These shows will offer some sixty-seven classes for Quarter Horses and other breeds.

### LIVESTOCK EXPORTS SKYROCKET

Agriculture Commissioner Rick Perry announced that Texas livestock sales for the first five months of 1991 exceeded \$32.9 million -- almost double the value of exports during the same period last year. In all, 338,412 head of Texas livestock were processed through Texas Department of Agriculture export pens from January 1 through May 31.

"Texans produce the best livestock anywhere," Perry said, "and demand for good Texas livestock is skyrocketing. We have calls daily from foreign buyers -- mostly Latin American ranchers -- who are interested in quality livestock."

## Tigers Take First Step In Back To Back District Titles

McLean Tigers are expected to retain their title as District 1-A champions.

"When these senior boys take the field, they feel like they're supposed to win," said McLean head football coach Jerry Miller in a recent interview. "They give 120 percent."

"They don't mind working," said Miller, who is in his fourth year at the helm in McLean. "Everything they do is for the team."

The Tigers' 1990 record was 5-0 in district play.

Miller, in his 26th year of coaching, is a former draft pick of the Denver Broncos. He owns a 180-75-5 career record.

Asked about the team's chances of repeating, Miller said, "I've got a lot of

people back (and) Miami has a lot back. Miami definitely will be tough.

"It (the McLean-Miami game) will be a head-knocker," he added.

Miller said the Miami Warriors overall will be bigger than McLean.

"We're pretty quick," said Miller, explaining "experience and team quickness would have to be to our advantage" against opponents this year.

"I don't have any real breakaway speed...just quickness," said Miller, who expects his team to pass the ball more this year.

"In the past, it's been 80-20 (percent in favor of the run)," said the wily veteran. "I'd like to go 60-40 run this year."

"We're going to spread things...let Christian (Looney) throw a little bit," he said.

"I've always been a run-oriented person," said Miller, who admits he's been told he doesn't know how to coach a passing team.

Miller's coaching philosophy is tried and true.

"Block, tackle and execute your plays and you'll be all right," he said. "Staying basic is the main thing."

The Tigers coach said previous success has come from playing "good old power football."

Asked about the Tigers' non-district schedule, Miller said, "It's going to be real tough. We'll get checked out right away."

The Tigers will operate from the straight T-formation offense.

McLean will be led by junior Christian Looney, a

6-foot-2, 175-pound starting quarterback who "throws the ball well," according to Miller.

Other offensive team standouts include senior ends Jason Thomas at 6-foot-4, 170 pounds and Tanner Hess at 5-foot-8, 131 pounds; sophomore

center Tom Pennington at 5-foot 11, 166 pounds; and senior running backs Destry Magee at 5-10, 140 pounds and Daniel Harris at 5-foot 10, 155 pounds.

All-state kicker senior Tuffy Sanders, at 6-feet, 166 pounds, adds scoring punch, according to Miller.

Senior Caesar Looney, a 5-foot-11, 198-pound defensive end, "came in in better shape this year than he did last year," said Miller. "He's a lot quicker; he's the fastest boy I have."

Miller will coach against- instead of with-his son Ronny Miller, the new head football coach at Lefors High School.

The senior Miller, when asked about going head-to-head against his former assistant coach, said, "I suspect we'll meet in the middle at the end of the game."

## Dorothy Steel Retires After Twelve Years At Alberta's Beauty Shop

Dorothy Steel, beauty operator for 12 years in McLean was honored with a

retirement party Friday, August 30th at Alberta's Beauty Shop.

Dorothy has lived in McLean most of her life. Started to school here and finished at McLean. She worked at the factory for several years, attended beauty school, becoming a beauty operator in 1979. She worked at Shirley Killams Shop, Lynn's and Alberta's.

A beautiful white sheet cake decorated in peach was made by operator Kathy Hembree. The counter was covered in a beige lace cloth. A beautiful flower arrangement made for Dorothy and given by her co-workers was in the center

and candle holders and candles to match. Cake, coffee and tea were served through out the day.  
Dorothy and Bud Steel

reside at 408 Clarendon street in McLean. They plan to do a lot of fishing. We will miss you Dorothy!

## Erin McCracken Places Eighth in State

Some 110 youth from across Texas demonstrated their sewing or their comparison shopping skills at the Texas 4-H Fashion Show held August 24 in Nacogdoches.

Among the participants in the "Coming Attractions" fashion show was Erin McCracken of McLean, who competed in the Tailored-Daywear-Senior-Construction.

Erin constructed a two piece teal blue linen suit. The skirt and jacket are fully lined. The jacket is accented with black piping, has bound button holes and is waist length with a buttoned ruffle in the back. The pleated skirt features bound pockets with a buttoned kick pleat at the

hem. Black and gold trimmed buttons complete the outfit.

Erin's Fashion Revue Record Book went to state and placed 8th in state wide competition.

"Whether they win a top award or not, all the youth who participate in this show are the greatest," said Donna Brauchi, county Extension agent. "They competed in local and district competitions to get to the state show and represent the best from across the state."

Donna Brauchi said the fashion show is just one of the educational activities of the total 4-H clothing program. Youngsters can participate either by modeling home-sewn

garments or by modeling items they bought after comparison shopping.

"In addition to learning sewing or shopping skills, the youth develop poise and grooming skills by modeling in public fashion shows," she said.

Clothing skills are taught by volunteer adult leaders or older 4-H members supervised by a county Extension agent. More than 9,000 Texas youth participated in clothing projects this year.

1991 **Property Tax Rates in** City of McLean

This notice concerns 1991 property tax rates for City of McLean. It presents information about three tax rates. Last year's tax rate is the actual rate the taxing unit used to determine property taxes last year. This year's effective tax rate would impose the same total taxes as last year if you compare properties taxed in both years. This year's rollback tax rate is the highest tax rate the taxing unit can set before taxpayers can start tax rollback procedures. In each case these rates are found by dividing the total amount of taxes by the tax base (the total value of taxable property) with adjustments as required by state law. The rates are given per \$100 of property value.

**Last year's tax rate:**

Last year's operating taxes	\$	<u>37,737</u>	
Last year's debt taxes	\$	<u>0</u>	
Last year's total taxes	\$	<u>37,737</u>	
Last year's tax base	\$	<u>11,435,600</u>	
Last year's total tax rate	\$	<u>.33</u>	/ \$100

**This year's effective tax rate:**

Last year's adjusted taxes (after subtracting taxes on lost property)	\$	<u>37,728</u>	
+ This year's adjusted tax base (after subtracting value of new property)	\$	<u>11,258,070</u>	
= This year's effective tax rate	\$	<u>.33511</u>	/ \$100

(In the first year a city or county collects the additional sales tax it must insert the following lines unless it made its first adjustment last year:)

- Sales tax adjustment rate	\$		/ \$100
= Effective tax rate	\$		/ \$100
x 1.03 = maximum rate unless unit publishes notices and holds hearing	\$	<u>.34516</u>	/ \$100

**This year's rollback tax rate:**

Last year's adjusted operating taxes (after subtracting taxes on lost property)	\$	<u>37,726</u>	
+ This year's adjusted tax base	\$	<u>11,258,070</u>	
= This year's effective operating rate	\$	<u>.3351</u>	/ \$100
- .72 for school district (or zero)	\$	<u>0</u>	
x 1.08 (or add \$.08 for schools) = this year's maximum operating rate	\$	<u>.3619</u>	/ \$100
+ This year's debt rate	\$	<u>0</u>	/ \$100

(A school district must insert the following lines)

= This year's rollback rate before adjustment	\$	<u>.3619</u>	/ \$100
+ Rate to recoup lost revenue	\$	<u>0</u>	/ \$100
= Adjusted rollback rate	\$	<u>0</u>	/ \$100
= This year's rollback rate	\$	<u>.3619</u>	/ \$100

(A city or county that collects the additional sales tax (including one that collects the tax for the first time this year) must insert the following lines:)

- Sales tax adjustment rate	\$	<u>0</u>	/ \$100
= Rollback tax rate	\$	<u>0</u>	/ \$100

**SCHEDULE A: Unencumbered Fund Balances**

The following balances will probably be left in the unit's property tax accounts at the end of the fiscal year. These balances are not encumbered by a corresponding debt obligation.

Type of Property Tax Fund	General Fund	Balance	693.81
---------------------------	--------------	---------	--------

**SCHEDULE B: 1991 Debt Service**

The unit plans to pay the following amounts for long-term debts that are secured by property taxes. These amounts will be paid from property tax revenues (or additional sales tax revenues, if applicable).

Description of Debt	Principal or Contract Payment to be Paid	Interest to be Paid	Other Amounts to be Paid	Total Payment
Total required for 1991 debt service				
- Amount (if any) paid from funds listed in Schedule A				
- Excess collections last year				
= Total to be paid from taxes in 1991				
+ Amount added in anticipation that the unit will collect only ___% of its taxes in 1991				
= Total Debt Service Levy				

**SCHEDULE C: Expected Revenue from Additional Sales Tax**

(For counties and cities with additional 1/2 cent sales tax)

In calculating its effective and rollback tax rates, the unit estimated that it will receive \$ \_\_\_\_\_ in additional sales and use tax revenues.

This notice contains a summary of actual effective and rollback tax rate calculations. You can inspect a copy of the full calculations at MISD Business Office.

1991 Property Tax Rates in McLean ISD

This notice concerns 1991 property tax rates for McLean ISD. It presents information about three tax rates. Last year's tax rate is the actual rate the taxing unit used to determine property taxes last year. This year's effective tax rate would impose the same total taxes as last year if you compare properties taxed in both years. This year's rollback tax rate is the highest tax rate the taxing unit can set before taxpayers can start tax rollback procedures. In each case these rates are found by dividing the total amount of taxes by the tax base (the total value of taxable property) with adjustments as required by state law. The rates are given per \$100 of property value.

**Last year's tax rate:**

Last year's operating taxes	\$	669,023	
Last year's debt taxes	\$	0	
Last year's total taxes	\$	669,023	
Last year's tax base	\$	55,751,921	
Last year's total tax rate	\$	1.20	/ \$100

**This year's effective tax rate:**

Last year's adjusted taxes (after subtracting taxes on lost property)	\$	655,264	
÷ This year's adjusted tax base (after subtracting value of new property)	\$	55,308,770	
= This year's effective tax rate	\$	1.184738	/ \$100

(In the first year a city or county collects the additional sales tax it must insert the following lines unless it made its first adjustment last year.)

- Sales tax adjustment rate	\$		/ \$100
= Effective tax rate	\$		/ \$100

× 1.03 = maximum rate unless unit publishes notices and holds hearing	\$	1.220281	/ \$100
---	----	----------	---------

**This year's rollback tax rate:**

Last year's adjusted operating taxes (after subtracting taxes on lost property)	\$	655,264	
÷ This year's adjusted tax base	\$	55,308,770	
= This year's effective operating rate	\$	1.184738	/ \$100
- .72 for school district (or zero)	\$	.464738	
× 1.08 (or add \$.08 for schools) = this year's maximum operating rate	\$	.544738	/ \$100
+ This year's debt rate	\$	0	/ \$100

(A school district must insert the following lines)

= This year's rollback rate before adjustment	\$	.544738	/ \$100
+ Rate to recoup lost revenue	\$	.022796	/ \$100
= Adjusted rollback rate	\$	.56734	/ \$100

= This year's rollback rate	\$	.56734	/ \$100
-----------------------------	----	--------	---------

(A city or county that collects the additional sales tax (including one that collects the tax for the first time this year) must insert the following lines:)

- Sales tax adjustment rate	\$		/ \$100
= Rollback tax rate	\$		/ \$100

**SCHEDULE A: Unencumbered Fund Balances**

The following balances will probably be left in the unit's property tax accounts at the end of the fiscal year. These balances are not encumbered by a corresponding debt obligation.

Type of Property Tax Fund	Balance
General Operating	\$436,627

**SCHEDULE B: 1991 Debt Service**

The unit plans to pay the following amounts for long-term debts that are secured by property taxes. These amounts will be paid from property tax revenues (or additional sales tax revenues, if applicable).

Description of Debt	Principal or Contract Payment to be Paid	Interest to be Paid	Other Amounts to be Paid	Total Payment
Total required for 1991 debt service				
- Amount (if any) paid from funds listed in Schedule A				
- Excess collections last year				
= Total to be paid from taxes in 1991				
+ Amount added in anticipation that the unit will collect only ___% of its taxes in 1991				
= Total Debt Service Levy				

**SCHEDULE C: Expected Revenue from Additional Sales Tax**

(For counties and cities with additional 1/2 cent sales tax)

In calculating its effective and rollback tax rates, the unit estimated that it will receive \$\_\_\_\_\_ in additional sales and use tax revenues.

This notice contains a summary of actual effective and rollback tax rate calculations. You can inspect a copy of the full calculations at \_\_\_\_\_ MISD Business Office.

## NOTICE OF COMPARABLE TAX RATES AND REVENUES

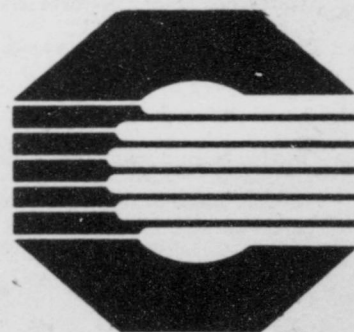

The legislature has enacted a statute on school funding to comply with a court mandate enforcing the state constitution. Under prior statutes (SB 1) the tax rate for last year provides \$5,356 per student in state and local revenues. Under this statute (SB 351) that same rate now provides \$5,877 per student in state and local revenues.

State law only requires a minimum tax rate of \$.755 for county education districts. State law does not require a school district to adopt additional taxes. Neither does state law require a school district to adopt a tax rate that maximizes the receipt of state funds.

The board of trustees of the McLean Independent School District hereby gives notice that it is considering adoption of a tax rate of \$.48 that will provide \$5,714 per student in state and local revenues.

## McClellan Organization Met

The Board of Directors of the Lake McClellan Improvement, Inc., a new organization formed to help with improvements to Lake McClellan in South Gray County, met Thursday night to finalize and approve a membership fee structure.

Individual memberships sell for \$20 each and entitle the holder to a membership card, Lake McClellan cap and Lake McClellan T-Shirt. (T-Shirts without membership sell for \$12 each. Membership, cap only, \$10)

Family memberships are \$25 and include two caps (up to five family members).

Silver memberships are \$50 and include two caps.

Gold memberships are \$100 and include two caps.

Platinum memberships are \$200 and include two caps.

Lifetime individual memberships are \$250 and include two caps.

Small business memberships are \$100 and include two caps.

Corporate memberships are \$500 or more and include a plaque and two caps.

All members are voting members of the

Lewis Meers, secretary-treasurer and directors, Tracey Warner, Ted Simmons, David Smith, Garth Thomas, Sid Mauldin, and John Etchison.

The Lake McClellan Improvement, Inc. was formed recently to help make improvements to Lake McClellan. Working jointly on the project are Reggie Blackwell, district ranger, U.S. Forest Service; John Crowell, coordinator, North Rolling Plains Resource Conservation and Development (RC&D) Council; and Lee McDonald, district conservationist, Soil Conservation Service.

Further information about any aspect of the project may be obtained by contacting any officer, board

member or Mike Ehrle in Pampa at 669-6809 or 669-1912.

The regular Lake McClellan Improvement, Inc. board meetings are open to the general public.

organization, except those who hold corporate memberships, according to Scott B. Hahn, secretary.

Memberships and membership information may be obtained by contacting Hahn at 669-8009 or James Kane at 665-5352 or any other board member.

In other business Thursday night, the Board created the position of secretary separate from that of secretary-treasurer who is Lewis Meers. Hahn was elected secretary after bills were amended to provide for creation of the new board position.

The Lake McClellan Improvement, Inc. will sponsor a booth at the annual Pampa Labor Day Monday Chautaugua Festival in Central Park. Located on the east

perimeter of the Park near the Duncan Street Bridge, the Lake McClellan memberships, T-Shirts and caps will be available.

The Board also decided Thursday to continue selling fundraising raffle tickets for \$1 each. Holders will be entitled to chances to win \$100 worth of free groceries, courtesy of Randy's Food in Pampa, and a \$50 gift certificate, courtesy of Danny's Market in Pampa.

Board member Ted Simmons said he would visit soon with Gary Pitner, executive director of the Panhandle Regional Planning Commission in Amarillo about possible grants or loans that might be available through PRPC for the lake project. Simmons said he plans to have a report at the next meeting, which will be held at 7 p.m. Thursday, September 26 at the Gray County Courthouse in Pampa.

Officers and directors of the organization are: Gerald Wright, president; Bill Bennett, vice-president; Scott B. Hahn, secretary;
