Groom Day Turn Out Near 1000 Mark

Joy Snyder discusses her rather "weighty" problem with Dr. Dogsbreath Devereaux (Jay Lamb).

Wendy March (Karen Babcock) is blown off her feet by the dashing young Dr. Phil Good (Mark Metzger) in the hit melodrama "Nurses! Foiled Again!"

Practice Begins For Tigers

"Two A Days" as they are affectionately called, began last week for Groom football players. Head Coach Lott announced that 29 players reported for practice.

This will be Groom's return to 11 man football after a 6 year absence.

Groom, Valley and several other schools lost their six-man football status when the cutoff mark for six-man football was lowered to 79-and-below. Groom and Valley reported enrollment figures greater than 79, but less than the old cut-off limit of 85.

Relief may soon be in sight for these schools that were re-classified from six-

man to 11-man football teams for the next two years by the UIL.

Bill Farney, the director of athletics for the University Interscholastic League, said there is a proposal to raise the six-man cut-off figure to 85. Farney met with sports writers recently at the Texas High School Coaches Association summer clinic.

The proposal also would allow a school to remain in six-man for one more realignment period should its enrollment climb as high as 95 students due to an unusually large class or two. But, if the school's enrollment remained more

Although the activates were fewer than normal, Groom Day '94, was deemed another big success. More people seemed to be on hand for the parade and BBQ than usual. Many stated this years theme as what interested their attendance.

The Parade had many entries. Winning 1st place was Vicki's Paw Parlor of White Deer, 2nd place went to Delbert Trew of Alanreed with his Rt. 66 pick up and trailer. Looking at it brought back memories for a lot of people.

There was a tie for 3rd place between the Football Boys float and the 4-H kids float.

All and all it was a very good parade with no telling how many pounds of candy tossed to the crowds of waiting children. Even the parade's escort, DPS Trooper Joe Longway, got into the act with a rumored \$5 worth of goodies.

Friday night brought the opening performance of the much looked forward to melodrama, "Nurses! Foiled Again!"

Church of Christ Pastor, Kent Watson, serenaded the crowd as they were settling in for the show. Boy! Can he rattle those ivories or what! He received a standing ovation at the end of his performance.

The Melodrama gave us a look at tremendous talent from some unexpected sources. Jay Lamb played the Villain, Dr. Dogsbreath Devereaux, a physician of

unscrupulous character who is intent on marrying the Clinic's widow, Lotta Cash, played by Lucille Britten, in order to get his hands on her money and property.

Head Nurse Hatchet, Charlotte Whatley, is his cohort in crime, but little does she know that he plans to do away with her as well.

Their evil plans are foiled by Dr. Phil Good, Mark Metzger and the lovely new nurse on the scene, Wendy March, played by Karen Babcock. March turns out to be the long lost granddaughter of Mrs. Cash.

Wonderful performances were also given by several character actors: Dondra Downs, Ty Lambert, Rebecca Conrad, Debbie Anthony, Christy Weller, Rick Prather, Sharon Prather, Joe Britten, Joy Snyder, and Greg Lamb.

Margie Stephens was the Director, and was assisted by Bea Stephens, Michael and Michele Stephens and many others.

The audience was also entertained during intermission by a reading done by C.J. Whatley of John Erickson's the "Creation of a Cowboy". The 4-H kids presented their award winning skit of "The Leader Of The Pack".

The Groom Day Committee reported a very good turnout at this years BBQ, served once again by the Lion's Club. Around 950 meals were served.

Pat Britten, who heads up the Cutting Horse Event, reported that Dave

Vicki's Paw Parlor of White Deer, takes first place with a float that one can truly say has "Gone To The Dogs"

Class of '47 Meets By Nancy Woods Parker

The Groom High School Class of 1947 met on Groom Day for their annual gathering by having their senior class picture at 11:30 a.m. The group then ate the barbecue meal together in the Home Economics Room.

Following their meal they had a business meeting in the Ag Room. The meeting was opened by Vice President, Leona Newsom. Georgia Jean Turner read the minutes of the 1993 meeting.

The 50th reunion will be planned in August of 1996.

The group discussed updating the classes current happenings, such as children, grandchildren, job changes or other things of interest. Some of the members present will contact members unable to attend. These updates are to be sent to Georgia Jean Turner at Hobbs, New Mexico. The group will meet again Aug 4-5, 1995.

Members and spouses present were W.H. and Evelyn Ollinger, Betty McCracken, Leona and A.J. Newsome, Georgia Jean and Gaylon Turner, Billy and Virginia Jones, and Nancy and Walker Parker.

More Memories Of Route 66

"Blood Alley" Victims Became Willing Patients

By Helen Witt

When Dr. John L. Witt opened his office in Groom in 1935, Route 66 was a narrow two lane highway with an unpaved strip between Groom and Jericho where many wrecks occurred. After it was paved it still carried the nickname, "Blood Alley".

Dr. Witt was called at all times of the day and night to take care of the wreck victims then and on throughout the long years of his practice even after Route 66 became a four lane highway and named I-40.

He had a lot of patients who were so pleased with the care they received at the Groom Hospital after their accident that they returned later when they needed other surgery. A Reed family from California

returned for a least two different surgeries and I especially remember a large family from Illinois who had several members to return at different times for treatment or surgery.

These victims, though unwilling in the beginning, found excellent medical treatment as well as a friendly, caring atmosphere. Many times a patient's relatives would be housed by the area residents while they recovered.

"Down home" treatment made Groom a place that was remembered for the goodwill it promoted and not the fateful events that happened to it's passersby.

Homer Finds The Mystery Man

By Donna Burton as told to her by Bill Homer

Bill Homer is a product of R. 66. His dad owned a

service station along the highway during his formative years and now, Homer operates a successful convenience store just off I-40.

Back when I helped my dad run his service station along old R. 66 there was no such thing as self-service. When a customer pulled in you not only pumped their gas, but you checked their tires, oil, belts and hoses plus washed their windshield.

One of the main companies that made the belts and hoses was called the Gates Rubber Co. They would run promotions to get service stations to use their products. In one of their campaigns they had a "Mystery Man" who traveled around the countryside.

When stopping at your station you were supposed to ask him if you could check his belts and hoses.

If you did, he would give you a plaque with 5 silver dollars on it, for catching him.

One lucky day, I caught him! And I got the plaque.

The Tale Of The Unlikely Tourist Attraction

By Donna Burton as told to her by Max Wade

Like many things it in the Texas Panhandle it began as a pest that wouldn't go away. The small volunteer elm tree that still graces Broadway was cut down several times by then owner of the Groom News and Justice of the Peace, Max Wade. But like most of our early settlers, it had tenacity! Max finally gave up and let it grow up.

Wind, rain and drought have done little except to give the old tree character though the years. As soon as it was large enough to offer a bit of shade it began

to draw tourists as a resting place on their way through town.

Many times whole families would pull off the road to get gas, run over to the store for some baloney and bread and have a picnic right there on Main Street.

Back in the days when hitchhikers were more plentiful, it served as a good place to pause in the heat of the day.

To this day many times, when the news staff returns from lunch we find travelers taking a short siesta in the shade of it's branches.

It may look kind of scraggly part of the time when it's been very dry, but it still beacons a cool welcome to folks passing through.

Route 66's Sister Was the Rock Island Railroad

By Shirley Lamberson

The Rock Island Railroad was begun in 1902. The railroad and Route 66 went right along together. Many hours of hard work went into filling in gullies and hauling loads of dirt.

Stock Lamberson, (Ernest Lamberson's father) lived south of McLean between McLean and Clarendon in Donley County.

He worked for the railroad, bringing his four

horses and "fres-no" to haul the dirt. he would come on Monday morning and stay all week, going home for the week end. There were large tents for the men to sleep in, a large tent with stalls for the horses, and a Mess tent where the men would eat their finished meals. The railroad also furnished the feed for the horses.

Some of the men worked two horses and used a scraper.

Stock made \$4.00 per day for him and his four horses. He began work with them at the Oklahoma State Line and worked until they got to Boydston.

Bowder was the winner of the belt buckle with 1st place.

Shirley Fields reports that the 3 on 3 Basketball games went very well. In the Over 30 category, Betsy Krizan lead the winning team consisting of Gary Friemel, Mark Metzger, Sherry Wieberg, and Cindy Bichsel.

In the Under 30 group, Bo Burgin's Team won 1st place. Team members were all from out of town and visiting with family that were from here.

Bo Burgin came back on Saturday to win the High School division with Misty Homen, and Chad Bertrand.

In the Jr. High division the team of Daniel Treadwell, Jimmy Chevedo, Ray Lott, Jessica Friemel and Angie Conrad placed first.

The Elementary team of Brooke Baughman, Carrie Davis, Kendall Webb and Kami Webb won.

In the cow patty bingo event, Neil Anthony was the big winner of the \$5 pot, while Ted Majors was the winner of the \$1 pot.

Dean Burger won the \$600.00 Groom Day Dream Vacation to any where of their choice.

The Mini Museum was a tremendous success with too many exhibit items to even count. Lots of people commented on how much they enjoyed it and how it brought back many memories. The craft show also did well with 8 exhibitors.

1994 Property Tax Rates in City of Groom

This notice concerns 1994 property tax rates for City of Groom. It presents information about three tax rates. Last year's tax rate is the actual rate the taxing unit used to determine property taxes last year. This year's effective tax rate would impose the same total taxes as last year if you compare properties taxed in both years. This year's rollback tax rate is the highest tax rate the taxing unit can set before taxpayers can start tax rollback procedures. In each case these rates are found by dividing the total amount of taxes by the tax base (the total value of taxable property) with adjustments as required by state law. The rates are given per \$100 of property value.

Last year's tax rate:

Last year's operating taxes	\$ 59,327
Last year's debt taxes	\$ 0
Last year's total taxes	\$ 59,327
Last year's tax base	\$ 9,887,810
Last year's total tax rate	\$.60/100

This year's effective tax rate:

Last year's adjusted taxes (after subtracting taxes on lost property)	\$ 59,177
- This year's adjusted tax base (after subtracting value of new property)	\$ 9,591,390
= This year's effective tax rate	\$.61698/100
x 1.03 = maximum rate unless unit publishes notices and holds hearing	\$.63549/100

This year's rollback tax rate:

Last year's adjusted operating taxes (after subtracting taxes on lost property and adjusting for transferred function)	\$ 59,177
- This year's adjusted tax base	\$ 9,591,390
= This year's effective operating rate	\$.61698/100
x 1.08 = this year's maximum operating rate	\$.66633/100
- This year's debt rate	\$ 0/100
= This year's rollback rate	\$.66633/100

Open Letter From Cafeteria Supervision

Dear Parents & Students,
Beginning with the new school year on August 17th, the Groom School Cafeteria will begin implementing the "Offer versus Serve" program for grades four through eight.

"Offer vs. Serve" is a serving method designed to reduce food waste in the school lunch program without jeopardizing the nutritional integrity of the lunches served. It allows students to choose fewer than all of the food items within the lunch pattern.

Our type A lunch pattern consists of five food items which include: 1. Meat/meat alternate 2. vegetable/fruit 3. vegetable/fruit 4. bread 5. Milk. Your student may choose all 5 food items or they may refuse one or two items, those he or she does not intend to eat.

The "offer vs. serve" program has been in effect for grades 9 - 12 for several years and will continue to be. Kindergarten through 3rd grades will receive all 5 food items on their trays.

If you have any questions, please call me at 248-7309.

Thank you,
Nancy Patterson
Food Service Director

FOOTBALL NEWS
Sophomore Derick Glass suffered a broken collar bone during Friday evenings workout. Other sophomore members of the 1994 MHS Tigers Football Team are: Charles Harris, Kerry McLerron, Chad Richards and Shawn Sanderson. Junior football team

members are: Seth Brown, Jeremy Crutcher, John Dickey, Jonathan Galley, Andy Glass, Randall Greer, Monty Joiner and Lee Shaw. Senior Tigers are Travor Colpetzer, Brad Dickey, Matt Hall, Trevor Schruggs, Britten Shipman, Toby Smith and Brandon West.

Ice Cream Social For MHS Athletes

There will be an ice cream social honoring all McLean High School athletes for the 1994-95 school year. The social will begin at 8:00 pm Thursday, August 11th at the football field, where we will gather to watch the '94 Tiger football team practice. Following the practice, ice cream, brownies and other refreshments will be served.

At that time, all coaches and athletes will be introduced. The Athletic Booster Club is sponsoring the social and would like to issue a special invitation to all athletes, their parents, and all high school sports fans.

CATTLE PRICES HIT RECORD WEEKLY GAIN

Feedlot managers the week of July 15 saw record one-day and weekly cattle price advances and near-record weekly sales in Texas, according to Knight-Ridder Financial News.

In Texas, fed cattle cash prices soared \$3.00 per hundredweight July 11, matching the record one-day gain set June 22, 1986.

Prices continued to climb, setting a record \$7.00 weekly advance. The previous record weekly price gain at \$5.00, was in the week of June 22, 1986, according to Jim Gill, market director with Texas Cattle Feeders Association. Top trade was \$69.00. USDA reported 115,000 cattle sold in Texas during the week.

Tom Brink, director of research for Cattle-Fax says it is important that the industry continues to sell cattle, because it will have to move the largest supplies of cattle of the year in the next three weeks.

Other positive developments:

- USDA announced it will purchase up to \$50 million worth of fed beef for the National School Lunch program;

- The National Cattlemen's Association and Beef Industry Council held a special background briefing for national news media on the current beef price and supply situation;

School Begins

Remember Road Safety
The Texas Department of Public Safety State Troopers are asking all drivers to begin thinking about the safety of our school children as the beginning of a new school year commences.

The first few weeks of school are the most dangerous, said Safety Education Trooper L.B. Snider of the Texas Department of Public Safety. "Many youngsters are attending school for the first time and others might be going to a different school where they are unfamiliar with local traffic conditions."

Another problem is that during the summer vacation some drivers have gotten out of the habit of being alert for both school zones and school buses. "Every year there appears to be an unnecessary rash of accidents caused by drivers who fail to follow safe driving habits for a stopped school bus," Snider stated.

Texas State law requires drivers on the same roadway as a school bus that is stopped to load or unload students, to also stop until the school bus driver has turned off the flashing red lights. This law applies unless the vehicle is separated from the bus by a divided highway with a median strip.

Just because most of the children will be in school, we must not forget the preschoolers who will still be playing in the residential areas. Remember, drive as if you had a child in and around school areas because someone has!

Jack Syfrett Remembers Back To July 20, 1969

Jack Syfrett had no trouble remembering what he was doing the day the men returned from the moon! He was there.

In July 1969 Jack was a 20 year old seaman apprentice serving aboard the USS Arlington AGMR2.

Within the space of 40 days the Arlington took part in two events that attracted world wide attention: The Apollo Recovery and the Midway Summit Conference between President Nixon and President Thieu.

Because of a malfunctioning air conditioning unit on the Princeton, the first recovery

ship, President Nixon stayed on the Arlington the night prior to the splashdown; mingling in amongst many of the crewmen, shaking hands and visiting many of the sailors, Jack included.

Not many crewmen slept that night, anticipating the recovery of the capsule.

After a majestic descent the command module itself set down in full view of the Arlington sailors a scant 3.2 miles from the ship.

"To be part of this history as it unfolded, will always fill me with great joy," said Mr. Syfrett.

BRIEF

Jeremy Thomas, 18, of McLean has become a certified emergency medical technician, qualified to man a basic life support ambulance. As of July 8, 1994 his work with the injured now carries the sanction of the Texas

Department of Health. Jeremy was one of seven volunteers honored with KVII's Seven Who Care award in April. He graduated from McLean High School in May and plans to enter West Texas A&M University in the fall. Thomas is currently employed as a midnight dispatcher for Gray County sheriff's office.

Collectors Are The Caretakers Of History

By Delbert Trew
As our children and friends watch, amazed by the energy and money we spend collecting our "junk", most never realize what collecting is all about. They never realize the thrill of spotting a much wanted item in the bottom of a bucket or a box and being able to buy it for a quarter. They never experience the pride of using our expertise to restore it, and display it for all to see, or the satisfaction we feel as we tell it's story and how we acquired it.

responsibility to care for it and then pass it on to a new generation of folks to enjoy.

The ultimate goal would be to place it into a good museum, to be seen perpetually. Next best is to display it in traveling exhibits at museums. Many collectors belong to collectors groups and display at shows sponsored each year. But the most satisfying way is to be able to show it at home to your guests and friends, and to view it personally any time you want to.

Although many people make their living by selling and trading collectibles, the really sincere collectors consider themselves as curators, who pay for the right to hold history in their hands, to restore it to its original glory-those interesting little treasures. We just lease it for a while and happily take on the

Most of us can recall when a fellow collector became greedy and became obsessed with the almighty dollar. They start listening to those who would turn hobbies into industries and collectors into portfolio managers. We all know what happens when people tried to corner the market. Most of these efforts have

been disasters, and should be a lesson for all to learn.

Heres to all those collectors who are still on

the hunt, still experiencing the thrill of a find. Heres to the collector who enjoys telling for the 99th time how he found and now displays his favorite item. Heres to those who hug and kiss and shake hands when they meet and just can't wait to show off their latest find. These are the true caretakers, the true restoration experts, and the true keepers of our history.

Visitors Welcome

ALANREED NEWS

By Lena Carter
Visiting the Robert Bruces and at First Baptist Church Sunday was Paul and Shawn Bruce of Pampa, also visiting was Mark Adams of McLean.

The Robert Bruces were in Pampa on Monday for further medical attention for Mrs. Bruce.

The Alanreed Cemetery Association acknowledges with gratitude a \$25 donation from Martha Bolden of Groom. Mrs. Bolden's father, Mr. Painter, is buried here. Our clean up is set for Saturday and some have already been working at it. It takes a lot of work to keep it clean and neat and all help is very much appreciated.

Visiting here with Nora Dragoo and family was the Virgil Larues of Lovelady, Texas. Mrs. Larue is a sister of the late Dick Dragoo.

Jack Hall of Clarendon was here at his mothers, Rose Hall, this week.

The quick thinking of the emergency crew from McLean coming back from a wreck west of here probably saved the Goldston homestead and acres of grass when the fire was sighted quickly.

The O.J. Weldons were in Oklahoma last week for the funeral of Adelaide's only brother. The Community extends its sympathy.

The children of Nora Dragoo gave she and her sister Anna a real evening when they took them to see "Texas" last week. Both

marveled at the talent of the local people and the wonders of nature in the canyon. "I'll go again," says Nora. They also have plans to take them to Carlsbad Cavern and to Colorado.

The Robert Bruces were in Pampa on Friday for medical attention for Mrs. Burce.

The McLean School Cafeteria will serve nutritious meals every day. Students in grades K-5 may buy lunch for \$1.50 and grades 6-12 for \$1.75. Breakfast is 50 cents for all grades. Children from families whose income falls within the level shown on the income scale are eligible for either free or reduced price meals at 40 cents for lunch and 30 cents for breakfast. Meals may be paid for in advance. Charges will not be allowed without the consent of the parents and all charges must be paid weekly.

Household size and income criteria to be used in determining eligibility are included in the chart.

Application forms are being sent to all homes with a letter to parents and guardians. To apply for free or reduced meals, households should fill out the application and return it to the school at the earliest date possible.

The complete schedule for the determination of benefits is available at the school and should there be any questions concerning the program, contact John Griffin at the McLean Elementary School at 779-2671. An income guideline is listed below.

In the operation of the child feeding programs, no child will be discriminated against because of race, color, national origin, age, sex, or handicap.
