Ladies Battle Samnorwood As Season Winds Down

The Lady Tigers traveled to Samnorwood last Friday night to face off against the Lady Eagles.

In the first quarter of the game, the McLean team stayed within close range of the Eagles. At one point, the Ladies were within two points of tying up the score.

However, an injury in the third quarter and missed shots lead to a loss of 51-33.

Scoring for the ladies were Keisha Menefield with 10, Lacey Wallace

put 8 points on the board. Tamara Loya scored 7 points. Brooke Seymour added 3. Lindsey Ruiz and Amanda Fricks both scored 2 points each.

Although the Ladies have suffered through a tough season, they should be congratulated for keeping up all their other activities and keeping up their grades while

improving on their basketball skills at the same time. Good job!

What's Going On...

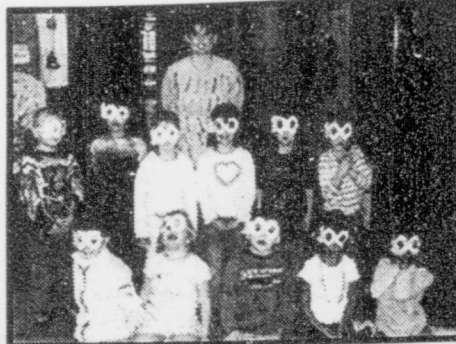

We are extremely proud of our students in elementary and jr. high. During the month of December, our school collected canned goods for Loaves and Fishes. The total amount was 1,060 cans. The sixth and seventh graders sang Christmas carols at the nursing home after giving gifts to each resident. These two classes have chosen to do this rather than exchange gifts for themselves at school. The seventh graders make weekly visits to the nursing home to visit the residents. The sixth and seventh graders also gave more than \$200 to Special

Olympics by turning their A.R. points into money instead of gifts for themselves. The elementary and jr. high students have read over 6,000 books so far this year.

Currently the students are bringing money for the victims of the tsunami. We have already collected \$300 and have another jar in place.

TAKS tests are coming up and we feel very confident that our scores will remain high. We have some of the top scores in the state every year.

The students' work, progress and generosity reflect very supportive

The students have all been busy saving Box Top and Campbell soup labels.

So keep up the good work. Elementary/Jr.High Staff

Barbara Cospers, Carson County Tax Assessor-Collector Resigns

Barbara Cospers, Carson County Tax Assessor Collector tendered her resignation in writing to the Carson County Commissioners in their meeting Monday. Reasons for her resignation, according to Judge Lewis Powers, related to some health issues that she had been having of late.

Cospers was appointed to the office in 1998, with the resignation of Roslyn Watson. Cospers was then elected to the position in

Barbara Cospers

2000 and 2004.

Judge Powers stated that the Commissioners will ask for applications in an effort to fill the position. The next general election will take place in 2007. Candidates will have to file in January 2006 to run for the position which will then consist of 1 year of an unexpired term.

The job description of the County Tax-Assessor Collector will be included in future issues.

Time is Now To Sign Up To Run For Groom City Council Or School Board

The democratic process has been in the news a lot lately, proving that running for office and getting the chance to decide the future direction that your part of the world will take is an amazing process and an awesome responsibility.

A chance to express pride in our community is about to present itself. It is time to consider running for City Council or School Board. Applications for a place on the ballot will be available beginning February 7 and continue through March 7. Residential and citizenship requirements can be requested through the

School Business Office and the City Office. Applications for a place on the ballot will be taken during regular business hours at each office. The City of Groom Business Office is open Monday-Friday 8:30 am - 4:30 pm. The Groom ISD Business Office is open 8:00am-3:30pm everyday that school is in session.

The last day to apply for a place on the ballot is March 7. The election is to be held on May 7. Early voting by mail requests will be accepted beginning on March 8 and continue through April 29. Early voting in person will begin April 20-May 3.

Those who terms will be expiring on the School Board are Tim Case and Seth Ritter. On the City Council it will be Mayor

Joe Homer and Aldermen Chris Welch and Kenneth Weller.

Good candidates for these positions should be interested in the betterment of Groom and/or its education system, be able to attend monthly and special meetings, and make themselves available to the public for input on issues important to the community.

Take a chance on the future of our beloved

Bertha Knight Celebrates 96th Birthday With Friends

Bertha Knight celebrated her 96th birthday last week. A community wide party was planned but the weather did not cooperate so a smaller version of the party was brought to Bertha!

The First Baptist Church called her on the phone and sang "Happy Birthday". Bertha's good friends Nancy Patterson and Ray and Gaynell Poll came to her home in the afternoon bringing lunch and a beautiful birthday cake. A lovely flower arrangement arrived from the Kendrick kids, Ann Delouch, Bill and Bob Kendrick. Lovely gifts from The Brother Kelly family, Lucille Britten, Jim & Sue Norton; Tommy, Sue and Don Gleaton, and Isabel Williams.

Phone calls come in from all over the country. Amarillo, Bay Town, Knox City, Ft. Worth, Wichita Falls and many other cities in Texas plus California, Pennsylvania, Michigan and Georgia. were just a few.

Many, many beautiful card were also received. Return addresses from all over Texas, Oklahoma, Tennessee, Florida, Nevada, New Mexico and Wisconsin.

Also visiting in the afternoon were Betty Hiltbruner, Ed and Pat Musser, Robert and Alice Kuehler.

March 18 Deadline For EQIP

The USDA-Natural Resources Conservation Service (NRCS) in Texas announced that farmers and ranchers wishing to be considered for 2005 funding in the Environmental Quality Incentives Program (EQIP) should make sure they sign up by the close of business Friday, March 18, 2005. If you were an unsuccessful applicant in 2004 and wish to apply for the 2005 program, be sure to contact the NRCS office and make an appointment to re-apply.

EQIP was reauthorized in the 2002 Farm Bill to provide a voluntary conservation program for farmers and ranchers that promotes agricultural production and environmental quality as compatible national goals. EQIP offers financial and technical help to assist eligible participants install or implement structural and or management practices on eligible agricultural land.

In 2005, Texas will receive approximately \$64 million in EQIP financial assistance funds and approximately \$5.5 million in Ground and Surface Water EQIP funds.

The funds will help farmers and ranchers improve the natural resources on private working lands in Texas," said Dr. Larry Butler, Texas NRCS State Conservationist.

"The funds will help farmers and ranchers improve the natural resources on private working lands in Texas," said Dr. Larry Butler, Texas NRCS State Conservationist. "They will be used to solve locally identified resource problems in each county and will also fund special statewide concerns recommended by the Texas State Technical Committee such as water quantity, water and air quality, wildlife habitat and treatment of invasive species. This program

offers cost sharing and incentive payments to producers applying approved conservation

Butler explained, "Using national and state EQIP priorities, counties working through a Local Work Group chaired by the local Soil and Water Conservation District recommended local resource concerns to be addressed, eligible practices, and cost-share rates and or incentive payments. This group also recommended cost-share rates for beginning farmers. In 2005, producers who meet the criteria as a Limited Resource Farmer or Rancher can receive 90 percent cost share for eligible practices. The group also recommended applications for funding. We have reviewed and concurred in all of their recommendations."

Beginning immediately after March 18, 2005 all applications will be ranked

and those selected for funding will be approved. A conservation planner will develop a contract and conservation plan for each contract that is approved.

Additional information and access to ranking criteria, practices and cost share rates for EQIP can be found at www.tx.nrcs.usda.gov/programs/.

Sheriff's Report 01/31/05

As of Monday morning there were 21 persons in the County Jail. The charges break down as follows: Possession of a Controlled Substance - 13, Criminal Non Support - 1, Parole Revocations - 2, DWI - 1, Possession of Marijuana - 3, Other

Felony - 1.

On Monday 01/10 Deputy Rick Armstrong did a civil standby while a pickup was repossessed in White Deer.

On Tuesday 01/11 Sgt. Heath Cates took a report of multiple counts of Credit Card Abuse. Sgt. Cates investigated the case and has presented it to the Grand Jury. The Grand Jury returned an indictment in the case.

On Thursday 01/13 I took a report of Criminal Mischief at the Antler Gym in White Deer. An unknown person busted the window out of a parked car during a basketball game.

On Friday 01/18, Chief Deputy Sutton took a report of Cruelty to Animals that occurred north west of Panhandle. Someone shot two dogs with a BB gun. One of the dogs died due to the incident. The case remains under investigation. Apparently the dogs were on the owner's property and there was no reason for the incident. It wasn't long ago that we sent a person to State Jail for a year for shooting a dog under the same circumstances.

On Thursday 01/20, Sgt. Cates took a report of an oilfield theft that occurred between Skellytown and Borger. A compressor valued at over \$20,000 was stolen. Texas Ranger Alvin Schmidt is assisting Sgt. Cates in the investigation.

On Friday 01/21, Deputy Drew Brassfield stopped to check on a vehicle that was parked near a barn south of White Deer. Deputy Brassfield found several juveniles and one adult in the vehicle along with some beer. After determining that the juveniles had been drinking they were issued citations. The 21-year-old adult was jailed for Making Alcohol Available to a Minor.

On Tuesday 01/25, Deputy Rick Armstrong stopped a vehicle on County Road M. The driver appeared to be intoxicated and was arrested for that and a probation violation warrant out of Potter County for DWI.

We are paying special attention to the county roads late at night and early into the morning. If you are driving around out in the county at odd hours, don't be surprised if you have the opportunity to visit with a deputy. I hope that those of you that have legitimate business will understand the inconvenience.
