## Local, Area Banks Show Increase

### Loans, Deposits Continue To Rise

It may be a fairly bad year for crops, with all the adverse weather conditions, and perhaps some

crops damaged beyond redemption, but according to reports of eight area banks, deposits are up nearly \$7.5 million from the same time last year. Loans also show an increase, during the past year, bank loans had increased by just over \$2.5 million.

COME TO PAPA... Joel Bratcher, right, may not be the biggest player on the football field, but he does dig in and put the big stopper on a Friona Chieftain as James Atwood, No. 65, speeds in to help him down the Chieftain and stop a yardage gain. Coming through again, the Muleshoe defense held the Friona team scoreless in the second half of the game in Muleshoe Friday night.

## Tax Rebate Checks Reflecting Increase

State Comptroller Bob Bullock said Monday that Texas cities shared \$22.2 million in rebates from the one-percent local option sales tax for October.

Bullock said this month's allocation pushes 1979 payments to date to more than \$364.6 million, compared to \$329.9 million paid to Texas cities during the same 10-month period in 1978.

Muleshoe's share of the allocation was \$8,528.90, up from the \$6,823.33 reported at the same time last year. The city logs a six percent increase for the year, increasing from the \$109,213.68 in October last year to the present figure of \$116,117.20.

### 'Horns Take Homecoming Victory Friday

Friday night, the Lazbuddie Longhorns breezed by the Sundown Roughnecks, 35-0 to take a homecoming game victory.

It was the 'Andy Rogers Show' for most of the game as Longhorn quarterback Andy Rogers made touchdowns on 35, 21, one and eight yards. He also rushed for 213 yards in the game at Lazbuddie.

Appolonio (Appy) Sanchez added the 'Horns final TD in the fourth stanza with a two-yard ramble.

Prior to gametime, homecoming royalty was crowned. Crowned as Football Queen was Terri Clark and Appy Sanchez was named Football Hero. Other candidates for the honor included Kim Gregory and Teresa Moore for queen and Keihm Smith and Dennis Steinbock for Hero.

Littlefield receives a five percent increase figure for the year, although the October allocation was reduced this year from the figures of last year. To date this year, Littlefield has received \$162,836.74, compared to \$154,050.01 during the same period of time during the last year.

## MHS Student Council Holds Blood Drive

It's easy to pick up the papers, any of them, and read about all the 'bad' things kids do, but what about the good things? All too often, the 'good' things are omitted, ignored or played down.

Not so in Muleshoe Thursday when the Muleshoe High School Student Council sponsored a blood drive at high school. By the time the day was over at 3 p.m. at the school, the Student Council had rounded up 50 pints of blood for South Plains Blood Services.

And, who contributed this blood? Most of it was from the high school students themselves. Although the football players were excluded, because there is three or four days of weakness following the contribution, the other students came through with flying colors.

Also time elapsed before all the young people who were willing to contribute a pint of their blood could be processed. It is estimated that when the blood services unit from Lubbock returns in the spring, more than 100 pints will be contributed.

The blood drive was set up and coordinated by the Student Council under leadership of Mark Northcutt, president. All the Student Council officers spent the day in the high school auditorium assist-

### Alpha Zeta Pi Bingo Planned This Thursday

It is scheduled for 7 p.m. in the Bailey County Exhibition Center and Coliseum and tickets are \$1 in advance from members of the sorority or will be \$1.50 at the door.

Again this year, a special attraction will be the \$25 money doll, which will be presented to some lucky person. Donations for an opportunity to win the money doll are 25 cents each, explained members of the sorority.

Included with the bingo will be booths with baked goods, a white elephant sale, fishing stand and a concession booth will also be in operation.

Alpha Zeta Pi said the bingo prizes are being contributed by local and area merchants and the proceeds will be used to construct a lane at the Muleshoe Area Youth Activities Committee Inc. miniature golf course.

Well, the 'Kardiac Kids' came through again, despite an early onset of what at first appeared to be a terminal case of 'fumbleitis' and being down 17-0 after the first quarter of play, they came on like Gang Busters in the second half, to take a 36-23 win in the 1979 District opener.

In the first quarter, the Mules had the ball for a total of six plays and no first downs. Two of the plays were fumbles and one was an incomplete pass. Then, in the second, the Mules found the handle on the ball and the offense started clicking.

although the defense still had a little way to go to really look like the awesome Mules.

Capitalizing on the Mule fumbles, Friona quickly tried a field goal attempt early in the game that failed, but came right back about four plays later and freshman Mark Montoya booted a 26 yard F.G. right through the middle of the uprights to start off the scoring with 2:35 left in the first quarter.

Another fumble inside the 20 handed the ball right back to the Chieftains, who wasted no time, and when the first quarter clock was winding down, they added a four yard touchdown when Rod Owen churned through with 56 seconds left in the quarter.

As the TD was posted, Muleshoe fans looked with dismay at the 10-0 score, but that wasn't all that bad until Mike Hubbard made it 16-0 and Montoya added another point at 11:57 of the second, and the Mules

At the right is Mark Northcutt, president of the MHS Student Council, who coordinated the successful blood drive. ## Daniels, Messamore Vows Repeated

IN an evening ceremony at 7:00 p.m. Saturday, September 15, 1979, Kim Daniel became the bride of Haldon Lynn Messamore.

Parents of the couple are Rev. and Mrs. Wesley Daniel of Littlefield, and Mr. and Mrs. A.W. Messamore of Sudan.

The double ring ceremony, officiated by Rev. Daniel, father of the bride, was performed at the United Methodist Church in Littlefield. The brides Uncle, Rev. Hugh Daniel of Quannah assisted in the ceremony.

The Church was decorated with several groups of three and four candles lining the altar rail. The altar held a floral arrangement featuring five candles in it.

Music was provided by Marge Harmon, organist and Aunt of the groom who accompanied Kyla Howell, cousin of the groom as she sang "Beautiful". Holly Harmon, also a cousin of the groom, sang a duet "Wedding Song" with Kyla.

The bride, given in marriage by her father, was dressed in a white quiana floor length gown featuring a chapel length train, and fitted bodice with a sheer neckline of lace. The long tapered sleeves were edged with lace cuffs, and her lace bordered veil fell to the floor.

Her bouquet was a nosegay of silk daisies and roses in yellows, browns rust and baby's breath with yellow ribbons.

Traditionally for something old, the bride wore a locket belonging to her grandmother. She wore a blue garter fashioned by the grooms grandmother.

Mrs. Lessie Messamore, and her dress served as something borrowed. For something new she wore new ear rings.

Dana, "Buzz" Daniel of Lubbock acted as her sister's maid of honor, and bridesmaids were Debie Bryant of Dallas, sister of the bride, Sally Odenwald of Abilene, and Janet Hadley of Vernon. They were dressed in yellow quiana floor length gowns that wrapped in the front and featured cap sleeves, and fitted waists with gold belts. They carried three roses with baby's breath, greenery, and yellow ribbon.

Gaye Walley of Spearman, sister of the bride, and Jacquelyne Miller of Amherst, cousin of the groom registered the guests. The registering table was decorated with a flower girl's basket that the bride carried in a wedding when she was five years old. It held an arrangement of silk flowers.

Dan Messamore of Sudan served his brother as best man, groomsmen were Stanley Miller, and Dusty Harmon of Amherst and Kyle Martin of Canyon.

The bride's mother chose a floor length gown of brown buncle with a fitted waist while the grooms mother chose a rust colored floor length gown with a fitted waist and slitted three quarter length sleeves.

A reception was held immediately following the ceremony. Sisters of the bride and Thel Lemons of Abilene and Beckie Kelp of Spearman served with Holly Harmon, cousin of the groom, assisting.

Following a honeymoon

trip to Lake Brownwood, the couple will reside in their home east of Sudan

where Haldon is engaged in farming.

had a big goose egg to the Chieftains 17 points. Then the Mules 'came alive, kicking and rambling and quarterback Mike Northcutt found Bones Norman who snatched in a pass and rambled for 75 yards to paydirt. The long pass play paid off with 10:35 left until halftime and the score became 17-7, when Sam Whalin's kick for the extra point was true.

Chieftains quarterback Joe Malouf got a piece of the action with 8:32 left in the first half when he slammed over from the five yard line and Montoya's attempted kick was blocked.

Another pass play, a 39 yarder from QB Northcutt to Cam Hawkins set up the Mules next touchdown, when Northcutt slammed in from the one with 5:25 left in the first half. Whalin narrowed the score to 23-14 with a good kick. Then with just 1:21 left to

halftime, Zeke Pecina added his contribution for the night when he rolled out on a three yarder and in to the end zone. Whalin made it 21-23 and that's the way the halftime clock showed.

Sam Whalin, who kicks all the Mules' extra points, got his chance at 3:53 of the third when he latched onto a seven yard pass from Northcutt when he was all alone in the paydirt. He then watched Northcutt hand off to Pecina who whipped around to the right and into the end zone on a two-point conversion, to take the Mules out front 29-23.

The Chieftains failed to move the ball and kicked it away to the Mules. Wanting to put the 'icing on the cake' they quickly moved the ball back to scoring position, and with just six seconds left to play, Northcutt spun away from would-be tacklers and into the end zone. Whalin again added a point to end the scoring at 36-23.

As the clock ran out the

Chieftains fumbled the ball and it was recovered by the Mules to end the game.

Northcutt completed 50 percent of his passes with three of the six attempted for 121 yards and one touchdown. Malouf's percentage was a little less, completing three of seven attempts for 26 yards. One Mule pass was inter-

**Harmon Is Starter For LCC Chaparrals**

The first year Lubbock Christian College Chaparrals may be having their problems getting started, but for Mark Harmon, who has made the first string as a freshman, the team is going 'great.'

He joins the elite, making a starting linebacker, although the 1979 Muleshoe High School graduate is only 5-7 and weighs 160 pounds.

According to the official publication from LCC, "Linebacker may not be the ideal spot for a 5' 7", 160-pounder, but Mark Harmon is playing that position like he was four inches taller and 40 pounds heavier."

"And, for his showing in a losing cause against Trinity University - his second sterling performance since breaking into the starting lineup two weeks back - has been selected Lubbock Christian

College's Athlete of the Week."

During the game where he received the honor, he had six unassisted tackles, two assists, tackled one Trinity ball carrier for a nine yard loss, plus had a quarterback sack and deflected a pass.

Despite a 47-0 loss to Sul Ross early in the season, he was looking forward to another trip to Alpine and possible revenge for the earlier loss.

Last week, Harmon was liberally quoted in the Lubbock-Avalanche Journal as preparations for the trip were completed. Harmon tried out or cornerback when he first arrived at LCC in the fall, but soon asked for linebacker because "there's more action there." Since starting in that position, both LCC and other schools have "sat up and noticed" the former Muleshoe High School football player.

He said, "It's harder in college, the guys are bigger and hit a little harder than in high school."

Harmon was again praised for his actions against Sul Ross following the second meeting of the two teams. Saturday, LCC was at Panhandle State in Goodwell, Okla., where he was to play against two former teammates from Muleshoe, Terry Shafer and Jeep Shanks.

The son of Mr. and Mrs. Don Harmon, Mark opted for LCC over a half scholarship to Panhandle State.

He elected to attend the school with the first year football team, and the team is expected to be considerably improved in 1980 when the team takes to the field for their second year of football in history of the college.

### Raider Reds Fall 20-6 To Mean Green

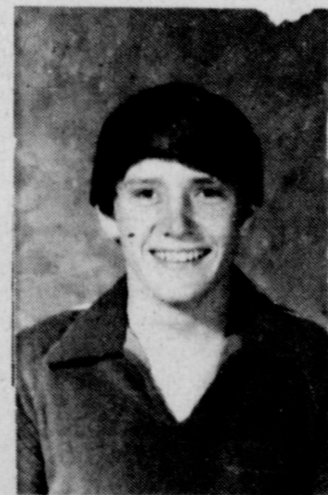

The Blackburn-Moore FFA Chapter held its eighteenth annual Powder Puff football game on Monday evening.

The Raider Reds, senior and freshmen girls, defeated the Mean Green, junior and sophomore girls, 20-6. The star of the game was Shelly Dunham, who scored the Raider Reds three touchdowns.

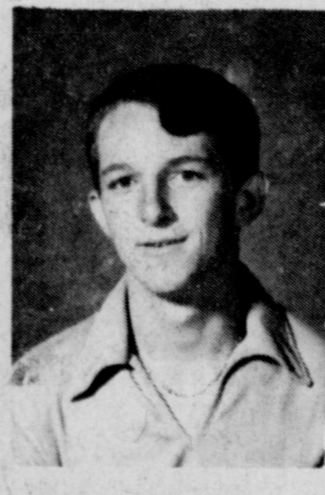

The Mean Green team provided the fans with exciting passing plays. This was the first time in ten years that a Powder Puff team had such an excellent passing offensive threat.

At half-time, each team crowned a king to represent Powder Puff '79' Terry Burton was crowned king of the Raider Reds with Shelly Splawn as his escort. Carrol Precure earned the king title of the Mean Greens, and he was rewarded with a hug and kiss from Sharon Carpenter.

Coaches Comments

The game against Idalou has to be one of the greatest victories since I have been coaching here. Our players rose up to the challenge of competing against a very good undefeated Idalou. We were extremely happy with the way our team became unified and played very well as a unit. The victory should give us confidence and a great amount of momentum going into district.

Congratulations goes to Mike Northcutt for being A player of the week for the 2nd time and to Sam Whalin for being mentioned. Let's keep up the spirit and let the Mania build and build till it explodes.

As the Mules moved into District play Friday night, a group of dedicated young men and coaches continued their spirit and determination. The Mule's Tale featured the Varsity seniors last week, and this week we recognize the sophomore and junior Varsity Mules and the Mules coaching staff.

Charles Walker, the 17 year old son of Mr. and Mrs. Charlie Walker, plays for the Mules as a running back. He is a Junior and his comments were, "I think our team has a chance to be good and I think we'll go just as far or farther than last years team."

Another Junior who plays for the Mules is Clifford Watson. Clifford is the 17 year old son of Mr. and Mrs. W.T. Watson. He plays defensive monster and offensive flanker. Some of his activities include serving as Junior class President, Student Council Vice President, FFA Reporter; and he plays tennis. He said, "I feel the Mules have definitely discovered what it is to play "Mule-Style" football and that team unity and hard work will be the keys to our success. We have a great attitude toward our team and our coaches; and with these attributes, the Mules are sure to be unbeatable."

Curby Brantley, son of Mr. and Mrs. Curby Brantley, is the center of the Mules team. Curby is a Junior and his activities include FFA and FTA. He commented, "I am enjoying football this year. I hope that we can make the best of our opportunities." Carroll Precure, a Junior, is the 16 year old son of Mr. and Mrs. Ray Precure. Carroll plays linebacker and center. He said "This week we will begin district play against Friona. Our non conference record was 3-1-1, but this can go out the door because it doesn't matter anymore. To win this district we will have to have a 5-0 record. Just one loss can cost us a championship. I believe that we have the coaches, the spirit, and team unity that will be needed to win this district." Carrol is FTA Vice President, a member of Student Council, and Junior class President.

Benny Pena is a Junior and plays defensive end. His parents are Mr. and Mrs. Benny Pena. His activities include FTA and FFA. "I feel we have a real strong team this year and the best coaching staff anybody could have. We had a good pre-season and we're going to have a better district season. We have the potential, the eagerness and the heart to be a great team and we will be," commented Pena.

Jeff Meeks is the sophomore of the Mules. His parents are J.E. and Catherine Meeks. He plays strong guard for the Mules. "I think we have the potential to be a great team if we keep getting after it like we have the past few weeks," said Meeks. Marvin Lewis is the 17 year old son of Celestine

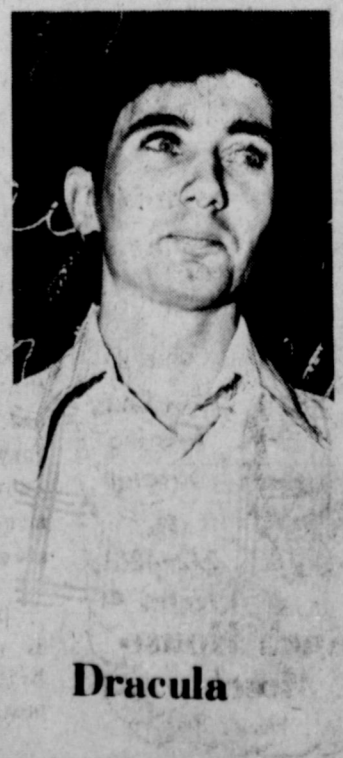

Mules have made vast improvements from the Portales game. I believe that in our last non district game against Idalou we grew in team unity and confidence. We got a glimpse in that game of how good we could be when we give a total team effort. We have a chance to be very good if we can smooth out some of the rough edges both offensively and defensively and take one game at a time. One thing is for sure and that is the Mules are an extremely proud team which wants very much to repeat as District Champions!!"

Coach Ruben DeLeon said "This year's edition of the Varsity Mules are faced with the challenge of continuing a tradition begun only recently--a winning tradition. Barring further injury and the "bad breaks" of the game, the Mules molded by dedication, hard work and desire should further such a tradition--bringing Muleshoe High School another District Championship!!"

The head Coach, Mike Wartes, said "We have had a very rewarding year so far. We have a great group of young men to work with. There is something special about the team of '79. We appreciate each one's effort in doing their best to build the finest football team we can possibly build--your're a great group. Thanks, Coach Wartes."

Coach Mike Mayberry said "This group of young men has what it takes to play the game of football, the desire necessary to be a champion. Their effort has been great and you can only expect they will receive great reward. It has been my pleasure to work with this kind of men, a team that has the attitude of the Mules!!"

Coach Don Eiland said "I feel like we have been getting better every day since August and with the district race starting it is now time for us to play our best for 5 games in a row. I'm very proud of our players and their competitiveness. They have been outweighed in every game so far but have refused to let that be a factor. We have had some key injuries, and inexperienced players have played and done extremely well. I am proud to be a part of this team and of a school that gives so much support and has so much spirit, or MULE MANIA!!!!"

The heartwarming family adventure, "For the Love of Benji" (G), will kick off the SHOWTIME FALL FESTIVAL on Wednesday, October 24, followed by Neil Simon's "California Suite" (PG), and concluding the night with Mel Brooks' wacky comedy, "Blazing Saddles" (R). "California Suite" offers an all-star lineup with Jane Fonda, Alan Alda, Walter Matthau, Michael Caine, Richard Pryor, Bill Cosby, and Academy Award winner Maggie Smith. It's a quartet of funny and poignant

stories set in the palatial Beverly Hills Hotel, where anything can happen and does. "For the Love of Benji" is a story about the world's most lovable dog loose in the streets of Athens, with a band of secret agents on

his tail, told from a dog's eye view. "Blazing Saddles," a wild and zany western, stars Mel Brooks, Cleavon Little, Gene Wilder, Harvey Korman, Madeline Kahn, and Dom DeLuise. As published in VARIETY,

this Mel Brooks' classic is the second highest grossing comedy in the U.S. film history. On Thursday, October 25, SHOWTIME will present Peter Sellers in "Revenge of the Pink Panther" (PG),

"On tour: Willie Nelson at Lake Tahoe," captures country

music's hottest star and Grammy Award winner, live in concert performing nearly 30 songs including such Nelson hit favorites as "Whiskey River" and "Funny How Time Slips By." The two-night SHOWTIME FALL FESTIVAL will appeal to members of all ages and tastes, offering a sample of SHOW-

## Cooperative Month Being Celebrated All Across Texas

COMMISSIONER REAGAN BROWN NAMED HONORARY state chairman

Throughout the nation the month of October is annually proclaimed and recognized as "FARMER COOPERATIVE MONTH Texas" Governor Bill Clements, in his official proclamation, urged the people of Texas to "give special recognition to the constructive and responsible role of agricultural cooperatives in the economic progress of our State."

The Texas Federation of Cooperatives has named Reagan V. Brown, Texas Commissioner of Agriculture, as Texas' Honorary Chairman for Farmer Cooperative Month.

Farmer-owned and controlled cooperatives play a key role in making the family farm the highly productive and efficient

system it has become. Food is still one of our biggest bargains. The citizens of the U.S. spend an average of just 18.5 percent of their disposable income for food, contrasted by 30 percent in England and Japan, 55 percent in Russia and almost 85 percent in many Asia and African nations.

In Texas, there are 450 farmer-owned cooperatives that process and market commodities, purchase farm supplies and equipment and provide services necessary to conduct an efficient and progressive agricultural industry for approximately 125,000 member-patrons. This past year these cooperatives had a business volume exceeding \$2-billion.

Farmer cooperatives are large and small and are located in towns, cities and

in the country. Wherever they are and whatever their size, they are busy serving members, their communities and the general public.

### Investigate before investing

COLLEGE STATION - In playing the market of hard money investments - rare stamps, coins, antiques, art and precious metals - a little homework goes a long way, says an investment expert at Texas A&M University.

"You've got to be careful," warns accounting professor Dr. Larry Crumbley. "There is a great deal of fraud edging up these days."

The number one investment buy last year came in the little-known oriental ceramics market, indicated a rating report from a New York investment firm. Other leaders on the list were diamonds, paintings by

old masters and gold. Stocks and bonds were rated well down the list, behind farmland, housing and silver.

**STYLE**

GOthic, EARLY AMERICAN, CONTEMPORARY, OR MODERN

Americans have a right to be proud of the beautiful structures erected and dedicated to the service of our Lord. David had a great desire to build a temple for the Lord, but because of his sins he was not allowed to complete it. . . . The building completed by Solomon was used as God's house until the people strayed from God, and then it was destroyed. God has no desire for the building without the people.
