LaWanda Shadid Is Valedictorian

LaWanda Shadid, daughter of Mr. and Mrs. W. W. Shadid, was named as valedictorian of the senior class of McLean High School of 1949, Superintendent Logan Cummings announced Tuesday.

The award was made on a basis of a four-year grade average. Miss Shadid's four-year average was 90.

Rating second place is Grace Wilson, daughter of Mr. and Mrs. Homer Wilson. Her four-year average is 88.27, and she has been named salutatorian of the 1949 graduating class.

Over Half-Inch Of Moisture Falls During Rainy Days

Two days of rainy weather brought slightly more than one-half inch of moisture to the McLean area, according to a report Wednesday from Pete Fulbright, local weather observer.

First of the showers fell early Tuesday morning and brought .34 of an inch. Tuesday afternoon and night showers amounted to .27 of an inch. These showers make the total moisture for the year 7.33 inches.

The rains continue to fall about right for the wheat in the area, which is looking exceptionally good now. Alfalfa and other crops are also coming up on schedule, to give local farmers much encouragement for excellent crops this spring and summer.

Alanned Students To Give Operetta

The operetta, "In the Land of Dreams Come True," will be presented by the grammar school grades of the Alanned school Friday night, April 22.

No admission will be charged, it was explained, and the public is invited and urged to attend.

Bond Issue Okayed by Margin Of Nearly Two-to-One; 178 Vote

College Students Trek in—Then Out—During Easter Holidays

College students rushed in and then rushed out of McLean last week-end, some with as much as a four-day holiday during the Easter rest period.

Most of the names of the visiting students have been compiled in this list, and The News apologizes in advance for any missed.

Here's the compilation made by The News:

Sammy Haynes, student at Oklahoma University at Norman, visited with his parents, Mr. and

Mrs. John C. Haynes. Bob Black Jr. and Jan Black, both students at McMurry College in Abilene, were here to visit their parents, Mr. and Mrs. Bob Black.

Earnestine Dickinson, now attending school at Denton, spent the holidays with her parents, Mr. and Mrs. R. T. Dickinson. Glenda Joyce Smith, daughter of Mr. and Mrs. Ruel Smith, was home from Colorado Women's College, Denver.

James Cooke, student of Texas Tech at Lubbock, visited with his mother, Mrs. Vita Cooke. Bobby Myatt, one of several attending New Mexico A. and M. at Las Cruces, spent the Easter period with his parents, Mr. and Mrs. C. A. Myatt.

Arvin Smith, another New Mexico A. and M. student, visited in the home of his parents, Mr. and Mrs. Riley Smith. Bill Mounce, also of New Mexico A. and M., and his brother, Claude Mounce, University of Texas student, visited during the holidays with their parents, Mr. and Mrs. Hal Mounce.

Bill Boston, former resident of McLean, whose parents, Mr. and Mrs. Murray Boston, now live in Canyon, spent the week-end here with friends. He is a W. T. S. C. student. Mildred Holloway, nursing student at Lubbock, visited with her parents, Mr. and Mrs. Clyde Holloway.

John Kirby, student at the University of Texas at Austin, visited with his parents, Mr. and Mrs. J. E. Kirby. John Patterson came home from Texas Tech at Lubbock to be with his parents, Mr. and Mrs. M. H. Patterson.

Mr. and Mrs. John Dwyer, both students at Texas Tech, visited during the week-end with his parents, Mr. and Mrs. John W. Dwyer, and her parents, Mr. and Mrs. J. L. Hess.

Ray Longino, McMurry College student at Abilene, spent the week-end in the home of his parents, Rev. and Mrs. H. A. Longino. Mr. and Mrs. Ted Longino, of the University of Texas at Austin, visited during the week-end with his parents, Rev. and Mrs. Longino, and her parents, Mr. and Mrs. Clayton Peabody.

Kathryn Brooks, now attending West Texas State College in Canyon, spent the week-end with her parents, Mr. and Mrs. Horace Brooks. Jolen Peulmer, who is a student at the Eastern New Mexico College at Portales, visited with her parents, Mr. and Mrs. John R. Fulmer.

Alvis Sheton, New Mexico A. and M. student, spent Easter with his parents, Mr. and Mrs. Morris Sheton. Chester Goughly, Texas Tech student, visited his parents, Mr. and Mrs. Frank Goughly. Joe Reeves, son of Mr. and Mrs. Boyd Reeves, was home from Texas Tech to visit.

Mr. and Mrs. F. H. Bourland and Mrs. J. T. Gulleid visited last week in the home of Mr. and Mrs. Laurence Bourland at Tulla, and attended pre-Easter services at the Tulla Presbyterian church.

School Baseball Team Defeats Shamrock 5 to 4

The McLean High School baseball team racked up its first District 2-A contest last Friday when the local nine downed Shamrock 5 to 4. The game was the initial 2-A test for the Tigers.

The Tigers will play Memphis at Memphis Friday afternoon in their second 2-A game.

The local nine lost to the Amarillo Sandies Monday afternoon by the close score of 6 to 4. Earlier in the season the Sandies had walloped the McLean team 13 to 4.

Fulmer Named Lions President For Next Year

John R. Fulmer, minister of the Church of Christ in McLean, was elected as president of the McLean Lions Club at the annual election of new officers held Tuesday noon. He will succeed Lester Campbell, president during the past year.

All new officers will be installed at the last meeting in June, and will take office July 1. They were elected early this year to allow them more time to become acquainted with their duties prior to taking over.

Chosen as first vice president was Dr. J. H. Kritzer, who will succeed Logan Cummings. Named as second vice president was R. B. Sheddick, who will take the place now held by C. W. Bogan.

Re-elected as secretary of the organization was J. M. Payne, who has been serving in that capacity since January 1, when D. A. Davis resigned from the office.

New treasurer will be Clifford Allison, succeeding J. R. Back, present treasurer. Boyd Meador was elected as lion tamer, to take the place to be vacated by Fulmer.

Rev. Clayton Day will become the new tall twister, replacing Sheddick. New directors will be W. A. Howard and J. D. Coleman, who will work with the holdover directors, W. C. Mehary and Jesse O. Coleman.

Davis' Grandson In Spelling Contest

Jimmy Davis, son of Mr. and Mrs. Melvin Davis of Childress and grandson of Mr. and Mrs. D. A. Davis of McLean, will represent Childress County in the spelling bee sponsored by the Amarillo Globe-News. The district spelling matches will be held in Amarillo April 30.

Jimmy is a student in the 8th grade at Childress Junior High School. He is 15 years of age.

Nirvina is the highest religious state to be reached in Buddhism.

Must Receive Okay of State Attorney Gen'l

A total of 178 tax-paying voters went to the polls Tuesday and approved by a nearly two-to-one margin the issuance of \$50,000 in bonds, the money from the sale of the bonds to be used in constructing a combination city hall and municipal auditorium. The vote was 115 for the issuance, 62 against. One ballot was mutilated.

The bond issue must now be approved by the attorney-general of Texas before they can be issued, but representatives of the bonding company with which the city does most of its business feel that this approval will be made. It will probably be 30 days before the approval of the attorney-general is received. As soon as this action is taken, the city will be ready to let the construction contracts, Mayor Boyd Meador said.

Voting on the issue was lighter than had been expected. Most of the votes were cast during the afternoon, since less than 50 had voted in the morning.

In an mid-afternoon, the McLean High school band paraded downtown, followed by students of the school. The students carried placards advocating the passage of the bond issue.

The building, when constructed, will also be made so that it can be used as a gymnasium, as well as an auditorium. The McLean schools are badly in need of a larger gym, and have no funds with which to build one. For this reason the city council was asked to call the bond election.

Opposition to the issue of the bonds was expected to be some heavier than the 62 votes cast against the issue. There was considerable "talk" concerning the bonds, both pro and con, during the past few days.

Anders, Woods Buy D's Cafe

George Anders announced this week that he and Mrs. Ruth Woods have bought D's Cafe, formerly owned by J. D. Coleman, and have taken over management of the business.

The firm will be known in the future as the Welcome Cafe, the same name of the cafe which Anders operated in Wellington many years.

Both Anders and Mrs. Woods are experienced in the cafe business. He operated a cafe and hotel in Wellington for a long period of time before moving to McLean several years ago.

Want to Get Lawn Sprayed?

The city council has announced that the city employees will spray lawns hard hit by dandelions for citizens who wish the service.

The council pointed out that owners of lawns will be required to pay for the materials used in the spraying, and a small labor fee. The entire charge will be small, it was explained, and is being made since all citizens will not benefit from the service.

Only lawns will be sprayed, it was pointed out. The spraying is effective in killing the dandelions, and is not to be used in spraying trees, etc.

W. Wilson to Speak To Presbyterians

William R. Wilson of Canyon will be the guest speaker at the First Presbyterian Church in McLean at the morning services Sunday. It was announced this week. No night services will be held.

Miss Faith Hancock of Pampa visited during the week-end in the home of Mr. and Mrs. Cleve Hancock and family.

Lions Club to Sponsor Spring Clean-Up Week

Spring clean-up time is near.

The McLean Lions Club will again sponsor the annual spring clean-up week in this city, and the time designated for a general overhauling of alleys, yards, etc., has been set for the week of May 2-7.

The Lions Club civic improvement committee, headed by Guy Hubler, will contact the city council concerning the running of the city trash truck more often during that week. This will enable the trash to be disposed of as it is collected by various home owners in town.

Particular attention is called to cleaning up alleys, since many have gathered debris, and unnecessary and unhealthy rubbish during the winter months. Last year, a siege of polio in the county cost 23 persons their lives, and McLean was fortunate in having no polio cases. It is believed the cleanliness of the alleys of the town was mainly responsible for the lack of the disease here.

Fire Marshal J. A. Sparks pointed out the danger from fire in piles of debris, and urged that all residents do their part in cleaning up the fire hazards in their homes and yards.

One lady recently told The News that McLean now appears to be the "dirtiest" she has ever seen it, and asked that people be requested to get in earnest with their spring cleaning.

P-T. A. Meeting To Be Held Friday At High School

To begin a drive for members of the newly-organized local unit of the Parent-Teacher Association, a meeting will be held Friday night in the McLean High School Auditorium at 7:30 o'clock, Mrs. R. A. Young, vice president of the unit, reminded parents and teachers this week.

Officers will be installed at the meeting, Mrs. Young said.

In addition, a general discussion of the objects and aims of P-T. A.'s will be held. The public, and especially all parents and teachers, are urged to attend, Mrs. Young stated.

Caravan of Boosters to Advertise Legion Rodeo Monday

The American Legion rodeo, to be held here April 29 and 30, and May 1, will be advertised in at least ten different towns when a caravan of cars make a booster trip next Monday. Legionaire George Terry, who is in charge of the publicity for the rodeo, said this week.

The boosters will leave McLean at 8 o'clock in the morning and will be accompanied by Patrolmen Calvin Harrel and Jeff Heard. The itinerary will include Lefors, Pampa, Canadian, Wheeler, Shamrock, Wellington, Memphis, Clarendon, and possibly Groeson, if time allows.

A number of people have already

signed their intention of accompanying the boosters and taking cars, Terry said, but others are needed. Terry stated that he may have missed some person who will go and take his car, and asked that they contact him as soon as possible. However, any other boosters who wish to go on the trip should be downtown at 8 o'clock Monday morning ready to leave. All are welcome to go, Terry stated.

Also to accompany the boosters will be a hill-billy band, and possibly other musicians. A sound truck of the Southwestern Public Service company will also make the trip. This same sound truck will be used throughout the rodeo and will be manned

by Johnny Sisson of Amarillo. Spencer Sitter, chairman of the Legion rodeo committee, said that the cowboy headquarters during the rodeo will be at the Alderson building just south of the City Hall, instead of at the Legion Hall, as stated in last week's News.

Three performances of the rodeo are scheduled, one for Friday night, one Saturday afternoon, and one Sunday afternoon. Night performance will begin at 8 o'clock, and afternoon shows at 2 o'clock. The Legion will sponsor a dance at the hall Friday night after the rodeo, and Saturday night from 9 to 12 o'clock.

Highlighting the list of special events is the 20-mile cow pony

race, to be run from Shamrock to McLean Saturday morning, April 30. Each rider will be allowed to use three horses on the race, but must change saddles at each relay station. This race will begin at 9 o'clock just west of the underpass at Shamrock, and end at the Hbler Truck and Implement company building in McLean. Entry fee is \$10 per rider, with a \$100 pot awaiting the winner in McLean. Contestants must live within a radius of 50 miles of McLean.

Another feature of the rodeo will be calf roping by McLean merchants. This event is under the supervision of Roger Power, and contestants may sign up with him at the Powers Drug. Entry

fees will be charged, and the winner will receive a part of the entry fees.

In the cowboy divisions, a \$5 entry fee will be charged for each of the following events: calf roping, ribbon roping, bull dogging, saddle bronc riding, bareback bronc riding, and bull riding. Day money per day in calf roping is \$100; ribbon roping, \$100; bull dogging, \$100; saddle bronc riding, \$72.50; bareback riding, \$72.50; and bull riding, \$72.50.

In the girls sponsor contest, an entry fee of \$5 for all three events will be charged. First place winner will receive a pair of handmade boots; second a Stetson hat, and third a \$5 cowboy shirt.

Three Attend Airport Meet

Three McLean men attended a meeting of the Pampa chamber of commerce men, the Pampa city commission, and the county commissioners in Pampa last Thursday afternoon, when airport development in the county was discussed.

The airport committee of the Pampa chamber of commerce called the meeting, and J. D. Church, CAA representative, was present to lead ideas to the county's airport development. The Pampa City Commission voted unanimously to approve buying the land on which the present airport is located, and developing it further, in preference to moving to a site more distant from Pampa.

Local men attending the meeting were Mayor Boyd Meador, A. E. Huggins, and Councilman Robert W. L. Copeland. Included in the discussion was the possibility of receiving county aid in developing the future airport site, on land formerly used as the P. O. W. camp.

Mrs. Caudill Heads Nursery

Mrs. B. E. Caudill has been named as supervisor of the nursery at the First Baptist Church, Rev. Clayton Day, pastor, said this week.

Mrs. Caudill will be present at all evening services during the revival meeting now in progress, and at regular services each Sunday. She will arrive each evening early enough to care for children of those attending the regular early prayer service, the pastor said.

The meeting, under the leadership of Rev. Delbert McAtee, is progressing nicely, Rev. Day said. The public is invited to attend all services. Morning services are at 10 o'clock, and evening services at 8.

John Jay was the first Chief Justice of the Supreme Court.

Music Club Has Meeting in Studio Of Mrs. W. Boyett

The Music Club for the Junior High and high school students met in the studio of Mrs. Willie Boyett Monday, April 11, at 7:30 o'clock, with Florida Choline, vice president, presiding.

Attending were Shirley Pearson, Cox June Subblefield, Ona McPherson, Shirley Allison, Mrs. Nellie Williams, Virginia Dixie Ann Turpen, Sue Betty Jean McClellan, Ann Glenn, Evelyn Jay Mary Lee Volle, Jerry Wood, Clifford Earl Ogler, Fred Paterson, Freddy Wayne, Paula Ray Stewart, and Linda Beth Dalton.

Lorine Burrows, Berna Walker Wed at Clovis

Announcement is made of the wedding at Clovis, N. M., of Miss Lorine Burrows, daughter of J. W. Burrows of McLean, and Berna Walker, son of the late John A. Walker of St. Vrain, N. M.

The ceremony was performed by candlelight in front of two large windows at the home of the bride's friend, Mrs. Elmer Gardner, whose home is located on the Portales highway.

Luther G. Roberts, pastor of the Church of Christ, read the single ring ceremony at 6:45 o'clock Wednesday evening, April 6.

For her wedding, the bride chose an off-white gabardine costume with which she wore brown and white accessories and a corsage of tallman roses. In carrying out the bridal tradition, she carried a dainty handkerchief, borrowed from her sister-in-law, Mrs. R. E. Burrows, of Richmond, Calif., which was 22 years old. From Fresno, Calif., came a blue garter worn by the bride for something blue. It was sent by Mrs. H. R. Dean.

Attending the couple were Mrs. Harris Bliss and Jack Spinks. Mrs. Bliss was attired in a royal blue dress with which she wore black accessories and a tallman rose corsage.

Following the ceremony a reception was held honoring the couple, at which time they followed tradition and cut the first piece of wedding cake. The silver knife used was one which had belonged to the bride's mother

and was 35 years old. Mrs. Ralph Johnson presided at the cake service and Mrs. Jack Spinks poured. Immediate friends of the couple attended. Employed by Mrs. Johnson for the past 15 years, the bride was graduated from McLean High School. She has been an active worker in the Clovis Girl Scout movement. The bridegroom was reared in St. Vrain and is an employee of the Santa Fe railroad. Mr. and Mrs. Walker will be at home at 813 Main in Clovis, N. M.

PCA to Have Meet April 30

Directors of the Canadian Valley Production Credit Association have set Saturday, April 30, for the annual stockholders' meeting, according to President H. H. Keahey. The meeting will be held at the high school auditorium in Canadian at 9:30 o'clock.

Keahey states the association, serving Gray, Hemphill, Lipscomb, Ochiltree, Wheeler and Roberts counties, was originally capitalized by the government. He says that all the government capital has been returned and the association's capital and surplus accounts, equaling one quarter million dollars is now owned by the farmer and ranchmen stockholders in the six counties.

He says it is expected that a large crowd of stockholders, their wives and their friends will attend this local ownership celebration meeting.

Directors of the association in addition to Keahey, are Wallace Hamker of Ochiltree and Lipscomb counties, M. H. Smith of Hemphill county, E. E. Henderson

of Wheeler county, and Lloyd Bussard of Lipscomb county.

Mr. and Mrs. Bruce Stewart and son of Lubbock visited relatives here over the week-end.

Mrs. E. L. Minix returned Saturday from a visit with her son, J. H. Carpenter, in Opelousas, La.

Mr. and Mrs. Lester Campbell

spent the Easter holidays with Mrs. Laura Campbell and Mr. and Mrs. Tom Salem in Turkey.

Mr. and Mrs. Rex Sheddick and son returned to McLean Monday after a holiday visit with their parents and grandparents in Edmond, Okla. and Oklahoma City.

SPRING CLEANING

FAR BE IT from us to place ourselves in the position of telling housewives how to conduct a spring house-cleaning campaign, but we will pass along some recommendations from home economists. These economists say the key to easier household cleaning lies in the proper selection of equipment and in a systematic work schedule.

The best way to begin, they say, is to assemble all cleaning aids in one spot, ready for immediate use. These should include soft cloths, brushes, brooms, steel pails, mops, dustpans, sponges, chamois skins, waxes, polishes, bleaches, and old newspapers.

Their second recommendation is to use modern equipment. They frown on the practice of scrubbing floors by hand, for example, when such cleaning can be done so easily with a long handled mop and a mop wringer pail.

Modern vacuum cleaners and their attachments are recommended for the same reason. Vacuum cleaners are especially convenient for dusting venetian blinds, books and other hard-to-get-at places. Most modern equipment saves time as well as labor.

After all necessary articles are assembled, homemakers are advised to plan work routines. To allow time for other duties and to avoid over-fatigue, it is suggested that house cleaning be done during the morning hours only.

A practical cleaning schedule might include the following furnishings and places on successive days: walls and woodwork, windows, closets, furniture, rugs, and floors.

After a cleaning schedule has been prepared, certain chores on it may be assigned to teen-age children and to fathers. When they see for themselves a list of all the work that has to be done, they will be glad to help during their spare time. Maybe.

Sam Summers of Gladewater was a business visitor in McLean last week.

Mr. and Mrs. Bill Day and

daughter Karen were accompanied to Dallas last week by Mr. and Mrs. W. R. Pranks of Wellington, to attend the furniture market.

"MAID OF COTTON" SPARKS EARLY DUSTING DRIVE

Texas cotton growers are being urged by a state committee on insect control to begin fighting crop pests early. Some dusting should be started when cotton plants are chopped and plowed, insecticide manufacturers have moved up Texas shipment dates. Production of one Texas-recommended insecticide, toxaphene, which had sales of more than 30,000,000 pounds over the nation last year, has been stepped up to meet all the farmers' needs in 1949, the makers report. This early dusting campaign is being watched with interest throughout the Cotton South. Pretty Sue Howell, 1949 Maid of Cotton, points to one reason why Texas cotton growers should think of "killing 'em before they get started."

LES

TALK

BY LESTER

Peculiar ideas strike peculiar people at peculiar times. But early last Friday morning, at 7:30 o'clock in the morning in early to you, an idea struck me as I started to town. The idea was to look around and see spring coming in. So I looked around and it is—spring coming in, that is.

First I went to Hillcrest cemetery, for I had been told that the iris were in full bloom. And they were. Those beautiful purple ones might call it lavender or something else—blooms were just waiting for me and you to look at them. The cemetery is getting green all over, and with a minimum of cleaning out this spring it will look very, very beautiful. The work done by several local women in the last couple of years to beautify the cemetery is paying off. Some of the old grass needs to be whipped out of the way, but outside of that, the resting place of our loved ones is in excellent shape. Don't take my word for it. See for yourself.

After riding around and into the cemetery, I looked around at some of the yards here in town, and many are already looking nice. I noticed, for the first time, the number of outdoor fireplaces around town. I guess I had never paid much attention to them, until we started on the one in our yard this year (it isn't completed yet).

Noticed that Joe Hembree has cleared out his dahlias bed, getting ready for the August beauty of all his many varieties of dahlias of which he is so proud.

Noticed how pretty the new house of Mr. and Mrs. Cluster Lowery already looks. Cluster has done well in the short time he has lived there—or should I say Ruth has done well?

Perhaps the neatest looking paint job on a home in town is that on O. O. Stokely's house. He added a bunch of stuff to the home last year, and the paint job really is staying with the house.

Couldn't tell exactly, but it appears to me that the Church of Christ yard is on the way toward beautification. The grounds have all been leveled off, and I'm sure the yard will look nice when work is completed.

Noticed many, many yards being overcome with those pesky dandelions (is that the correct spelling?). Have a few in my yard, expect more by summer time.

Went down into the Floral addition, and once more marveled at the pretty yard layout of Mr. and Mrs. W. E. Boegan. The general arrangement of their yard on the north side of their house appeals to me very much.

Also down there, glanced in and look another peek at Cleo Meharg's nice outdoor cookery. It's all hooked up so he can use either wood or gas for fuel. In-

identally, Cleo has a home-made

rig to use in freeing ice cream—the turning part is powered by electricity. Might have known a light company man would have such a rig. It works good . . . he says.

Guess that's enough wandering around so early in the morning. Should you see me doing that again, all by myself, don't think I'm entirely crazy. Just seeing my town, and your town.

Thanks to all of you who mentioned seeing my "pretty" picture in the Amarillo News in connection with being elected as secretary of the Panhandle Press Association. The job is a rather big one, and an important one, too, in the association. I hate to follow a man like Clyde Warwick of Canyon, who has been secretary for 25 years. He has done a wonderful job. The association, incidentally, is the largest of its kind in the world. You probably have some idea of the relatively small number of publications in the Panhandle of Texas, yet there were 461 people to register at the convention this year. Incidentally, there are only slightly more than 700 papers in the entire state of Texas. The Panhandle Press Association ac-

tually has more to attend its convention each year than does the Texas Press Association. Panhandle people are like that—they like one another, like to stick together, like to work together, like to learn together. This Panhandle Press Association is made up of such people, and it is a great honor to have the opportunity of serving as its secretary.

To All Holders of Insurance Policies, Remember the One Hundred Dollar Deductible Clause

We have made an effort to keep all of our customers informed that policies on buildings written or renewed since September 1, 1946, have one hundred dollar deductible clause, except farm property which has the fifty dollar deductible clause. This is applicable only to windstorm, hurricane, and hail. Due to the proximity of the hail season, we felt that this reminder was necessary.

ALL SUMMER LONG YOU'LL ENJOY EASIER MEALS Electrically

Your electrical refrigerator is a clean, convenient storehouse of good things to eat all summer long.

When the weather's warm and meal preparation's a chore, you can have a variety of cool, refreshing foods on hand to add zest to tired summer appetites.

From an appetizing salad through a delicious cold dessert, your entire meal can be on the table with very little effort.

If you don't already have an electric refrigerator, or yours is one of the older models without the numerous advantages of a post war refrigerator, see the beautiful new models on display at your appliance dealer's soon.
