

More Moisture Falls; Heavy North of Town

Nearly an inch of additional moisture came to the McLean area during the past week, and some parts of the county north of here reported heavy downpours last Friday.

In McLean, the Friday shower totaled only .35 of an inch, according to a report from Pete Albright, local weather observer. Tuesday and early Wednesday morning another .61 of an inch brought the total for the year to 14.72 inches.

One countyman, who lives north of McLean about six miles, reported and estimated five inches of rain falling last Friday in a period of about 35 minutes. At Phillips plant north of here, about three inches fell in the wet part of only 15 minutes. The downpour drowned out the Phillips plant for the first time in its history, stopping all work there temporarily.

Where the heavy rains came, actually all cotton will have to be replanted. Considerable damage was reported to wheat and other crops in the area north of McLean.

In the meantime, wheat in this area continued to ripen slowly, although cloudy days and showers are delaying the opening of the wheat considerably.

Harvesting of the wheat is expected to get underway fairly well at week, although some are waiting to start the cutting the latter part of this week.

S. R. Jones has announced that he will buy wheat in McLean for the Kimbell Milling company of Fort Worth. The company is buying wheat growers to watch moisture content, since no wheat with more than 13 per cent moisture content will be bought. Jones stated that no wheat will be put on the ground, and that his buying will be regulated by the number of railway cars or trucks available for shipping the grain.

112 Register At Bible School

A total of 112 children are registered in the Vacation Bible school now in progress at the First Baptist Church in McLean, and 21 workers are aiding in the school.

The school started Monday. Commencement exercises will be held Saturday evening at 8 o'clock in the church auditorium following completion of the classes. Exhibits will be on display in the basement. The public is invited to attend the exercises.

Land Owners Ordered To Clear Right-of-Way

All property owners with land lying in the right-of-way for the widening of Highway 96 from the Wheeler County line to the Donley County line have been given notice to clear obstructions immediately by County Judge Bruce L. Parker.

Buying of the rights-of-way for widening the highway has been completed by a committee composed of E. J. Lander, C. E. Cooke, and O. G. Stokely. This right-of-way is that in Gray County from the presently-widened road which ends at the Wheeler County line and continues through McLean and Alanreed to a point several miles west of Alanreed. The highway dips into Donley County for a short distance, and widening of that strip and the remainder west in Gray County will be done at a later date.

If all obstructions are removed within a short time, it is probable that the contract for the dirt work on the road bed will be let in July, it was reported to The News.

Many of the land owners who have obstructions in the path of the future divided highway have already moved buildings and other

materials, but some still have not moved these structures. Judge Parker has given notice that the obstructions must be moved immediately.

The buying of the right-of-way has taken considerable time, due to the fact that the proposed route was going through or near houses and other valuable properties along the way. Agreements have now been reached with all land owners, Lander stated, and payment has been made to most of all the owners.

The divided highway will give McLean and the surrounding area one of the most modern roads in the state. Through McLean, the highway will be split, with west bound traffic moving on First Street, the present highway, and east bound traffic traveling on Railroad Street. Both streets will eventually become one-way streets when the highway is opened to all traffic.

When the divided road is finally completed, considerable building activity is expected on Railroad Street, particularly for that line of businesses which caters to tourists.

Plans for Free Chest X-Rays Being Made

Plans are being made for the second annual visit of the chest X-ray unit of the State Department of Health to McLean. W. L. Copeland, local member of the Gray County steering committee, said this week.

The X-ray unit will be here Wednesday and Thursday, July 6 and 7, to make X-rays free of charge to all people desiring them. Only one restriction is made, and that is that those X-rayed must be 15 years of age or over.

Last year, during the one-day visit here, nearly 700 people took service. Several cases of positive advantage of the tax-supported reaction were found.

The unit will be set up again this year in the Dycart Motor company building. Taking of the X-rays requires only about two minutes. The films are then sent to Austin, and those who had the pictures made are notified as to the results.

This year the number taking advantage of the service is expected to be considerably greater. The unit will be in McLean two days instead of the one day.

The fact that no positive reaction showed on your X-ray last year is no reason not to have another taken this year, Copeland stated. The dreaded T. B. disease can be acquired at any time.

WEEKLY MARKET REPORT

Most southwest farm markets displayed easier to definitely lower tendencies during the past week, the U. S. Department of Agriculture's Production and Marketing Administration reports. Some products sold steady to strong.

New crop supplies dropped wheat and barley prices around 20 cents a bushel and sorghums 25 cents a hundred pounds since a week ago Friday. Other grains changed little. No. 1 wheat closed Monday at \$1.89 1/2 to \$1.96 1/2 in bulk carlots at Texas common points. No. 2 barley brought \$1.02 to \$1.07, and milo \$2.40 to \$2.50.

Hens sold lower than a week ago, but fryers held firm. North Texas markets paid 23 to 26 cents a pound for heavy hens, 20 to 33 for light hens, and 28 to 31 cents for fryers. Denver noted similar prices and New Orleans some higher. Eggs eased only slightly. Current receipts ranged slightly from 37 to 39 cents a dozen.

Hogs and sows gained 25 to 50 cents and pigs \$1.50 at Fort Worth. Top butchers closed at \$21 at Fort Worth and Oklahoma City, \$21.25 at San Antonio, and \$22.50 at Denver. Receipts fell off from the previous week. Pork sold steady to \$1 higher.

Moderately lighter receipts of cattle and calves at southwest markets sold steady to slightly higher than a week ago. Beef prices advanced 50 cents to \$2.50 at the eastern wholesale markets. (Continued on back page)

Municipal Building Bond Issue Gets Okay of Attorney-General

R. M. Mundine Pampa, County Health Officer

R. M. Mundine Jr., formerly with the state food and drug division of the Texas State Department of Health, has been employed as the new sanitary inspector for Pampa and Gray County.

Mundine takes the place formerly held by Ray Salmon, who resigned from the position January 1.

The new inspector has served with the Brazoria County health unit at Freeport, and as chief sanitarian for Longview. He assumed his duties in Pampa Monday after conferring with County Judge Bruce L. Parker and Pampa City Manager Dick Peplin.

Mundine, who has been in public health work for five years, was with the state food and drug division for a short time immediately following his discharge from the army. At that time, he returned to his former position with the state department.

Later he was transferred to various positions throughout the state by Dr. George W. Cox, state health officer.

He was born and reared in Taylor, and attended Texas Tech in Lubbock. His wife will join him in Pampa at a later date.

Crockett Buys Greyhound Drug

Emory Crockett announced this week that he has purchased the Greyhound Drug from Mr. and Mrs. Clevy Hancock. Crockett took over the management of the business Wednesday.

The new owner stated that he plans to increase the stock of merchandise as soon as possible, in order to accommodate more customers.

"We will make every effort to give you the best and most efficient service possible," Crockett said. "You are invited to visit with us."

Sam Erwin, brother of Arthur Erwin of McLean, died at Cisco Monday, it was learned here.

Mr. and Mrs. Erwin left Tuesday for Cisco, to attend the funeral services scheduled to be held Tuesday afternoon.

Donkey Softball Game to Be Held Thursday, June 16

The donkeys are coming back to McLean.

This time it will be a softball game, between two local teams not yet chosen.

The game will be played on the McLean softball field Thursday night, June 16, beginning at 8:15 o'clock.

All net proceeds will be used in helping defray expenses of lighting the new softball field.

Admission will be 50 cents for adults and 25 cents for children. Members of the McLean Lions Club are in charge of advance ticket sales.

Hospital Bed Now Available For Public Use

A hospital bed, to be used by anyone in need of it, has been donated to the Fifth Tuesday Council of Church Women by Mr. and Mrs. Boyd Reeves.

The council has bought an innerspring mattress and cover for the bed, making it ready for use at any time, Mrs. Harris King, member of the council, said.

The women's group recently bought an oxygen regulator head, to be used also by anyone in need of the instrument in case of various emergencies, and the bed is another of the facilities which the women had been wanting.

It was stressed that both the bed and the regulator head are available at any time to those in need, at no charge.

Officials Plan Use of Surplus Gym Materials

The \$50,000 bond issue, money from which will be used in constructing a city auditorium, built so that it can also be used as a gymnasium, has been approved by the state attorney-general, Mayor Harris King was notified last Friday.

Now that the issue has been approved, members of the city council plan to start work on the structure as soon as possible, although considerable time will be needed to work out various details of the project.

Tearing down of the gym building at the Pampa Army Air Field, which was bought by the McLean school board about a year ago, will be the first step. A plan has been worked out with the War Assets Administration whereby materials from the gym can be used in the city building, and this will effect a great saving in the cost of the structure. The flooring of the gym can be utilized, it is believed, and various other materials will be usable. Those materials which are not used in the city auditorium-gym will probably be utilized in repair work on school properties.

The new building originally was to be constructed so that it would be not only an auditorium-gym, but also an office building for city officials, the school and county tax collectors, and the library. Some discussion has been held, however, along the line of continuing the city offices, etc., in the present building and eliminating those offices from the new structure. Under the original plan, the present City Hall would have been sold, and the money used in the new building. However, nothing definite concerning this has yet been decided, it was reported.

Voters on April 19 approved the proposed bond issue by a large majority, but before the bonds could be issued and sold, they had to meet the approval of the attorney-general. Now that that approval has been given, work in planning and erecting the building is expected to develop very shortly.

Seniors Return from Annual Trip—Happy, Well, Filled With Memories

And a jolly good time was had by all. That, in a measure sums up the experiences of the McLean High School seniors of 1949 on their annual trip which began Friday, May 27, and continued until shortly after midnight Friday, June 3.

The seniors arrived home tired, but happy, and with memories of a trip which will never be forgotten. The trip started in McLean, ended in McLean, but took the graduates as far south as Galveston.

Accompanying the 20 seniors were the two class sponsors, Mrs. Sam Back and A. D. Shaver; Mrs. Miller, Mrs. Wheeler Carter, Mrs. Joe Willis, Mrs. W. W. Shaddid, and Mrs. A. E. Stafford. Seniors were Rodney Barker, Helen Brooks, Jack Brooks, W. A. Bruner, Kenneth Carter, La

Vetta Gunn, Johnny Haynes, Eddie Bob Jolly, Bobby Kramer, Wes Langham, Sally Ledbetter, Ralph Littrell, Bob McConaghie, Lee Roy McCracken, LaWanda Shaddid, Janice Stafford, Vernon Turner, Jimmy Williams, Bonnie Willis, and Grace Wilson.

There was no discipline problem to contend with, Mrs. Back and Shaver said. And most everything on the trip went off as scheduled. One bad time came when the group arrived in Dallas on the first Friday night, and the Adolphus Hotel rooms were not ready for them. It took considerable calling and urging, but the rooms were finally prepared. The trip, the sights, and the fun:

Friday, May 27: Breakfast at Meador Cafe, given by mothers, at 6:15 o'clock. Arrival in Vernon at about 10, free drinks and ice

cream courtesy of Ed Wehba, former McLean grocer. 12:30, Wichita Falls, local listeners street program—local listeners had the pleasure of hearing Mrs. Back, Mrs. Shaddid, and many others of the group. Luncheon at Country Club in Wichita Falls, one of the best meals reported as one of the best service of the trip with Dallas late Friday, arrival in Dallas late Friday, rooms not ready, but this was straightened out. Friday night, dinner in one of the highlights—the Aoloph-Century Room of the colorful ice us, with beautiful and colorful ice show as the main feature; this was one of the real revelations to the seniors and was liked as well, if not better, than any other one feature.

Saturday: Visit to State Fair grounds, through the aquarium, museum of natural history, art gallery, and health museum. A visit to the S. M. U. campus was called off due to a heavy downpour of rain. Saturday afternoon: seniors had their choice of spending their time on the fair grounds midway or attending a circus—some did one thing, some another. Left in the late afternoon, went to Waco, where the group stayed in the Roosevelt Hotel. Group had dinner, after the all the walking at the fair grounds.

Sunday: Left early for Austin, enjoyed a sing-song of religious hymns all the way from Waco to Austin. Missed seeing the governor's mansion, as it was not open to the public on Sunday. Lunch at Youngblood's chicken house. Visited the state capitol building, climbed to the top of it. It was on the capitol grounds

the Chinese Sunken Gardens, a place of beauty. Dinner in the original Mexican Inn, where Mexican waiters outdid themselves to render good service—it was here Eddie Bob Jolly ate all of his food and any that others didn't want. Attended the Aztec theater, enjoying the beautiful carvings in the lobby.

Tuesday: To Houston. Visited the San Jacinto Memorial Park, took a ride in the elevator to the top of the monument. Toured the battleship U. S. S. Texas, now at the park. To Galveston in the late afternoon, with many of the seniors getting their first glimpse of water which seems to rise and then sink on the horizon. Got a thrill out of riding over the two-mile-long causeway into Galveston. Group checked in at the Buccaneer Hotel on the Seawall Boulevard, and then just

looked around that night. Wednesday: Boat ride on the yacht, Carmencita, saw foreign shops loading, went through a school of porpoise. Spent the afternoon swimming in the gulf, and the night visiting playgrounds. Thursday: Ferry boat ride, with swimming in the afternoon. At night, the group enjoyed a seafood dinner on Dreamland Pier, where again excellent service prevailed. A professional wrestling match that night kept the group on edge. Friday: Homeward bound. Left Galveston at 4:30 o'clock in the morning, arrived shortly after midnight. The trip back home was made carefully, since a relief driver was not available for Clyde Rushing, the driver for the Caprock line, from which the bus was chartered.

Personals

Mrs. Lucy Rippy and daughter, Mrs. Bonnie Swanson, both of Amarillo, were guests Saturday night and Sunday of Mrs. Nida Green in the Heald community.

Guests of Mrs. N. A. Greer over the week-end were her four sisters and a niece: Mrs. J. R. Altizer of Fort Worth, Mrs. Pearl Hart of Lubbock, Mrs. Harry Loving of Big Spring, Mrs. Leon Jenkins, and Mrs. Margaret Aden, of Colorado City.

Mr. and Mrs. Glen Adkins

of Clarendon, and Miss Erietta Cannon, student at W. T. S. C., Canyon, were guests Thursday of Mr. and Mrs. Clayton Peabody.

The cardigan, best friend of most sports attire, is going places this year—traveling in company have seldom been privileged to associate with before. Smart morning-dress in silk, linen and cotton are paired with this popular member of the sweater family; in the evening it's stepping out sometimes as a light wrap for long dresses, again it is accented with bright jewelry to set off an evening skirt.

Daytime devotees of the cardigan are wearing it to accent one of the colors in a favorite silk or rayon print or with a matching solid-colored dress for a striking monotone effect. In either instance, jewels, flowers or belts are used to dress up the ensemble.

These days most women's wardrobes are certain to include either a cardigan or a dress which would make a perfect half of this 1949 twosome. In many closets there are both with only the color problem to be solved. And here is how to do that.

If it is a pale yellow cardigan that's won your affection, then dye your dress to match. No matter what the dress material may be, all-purpose dye will turn out a lovely color. Color remover should be used in the event you have to lighten the dress color before re-dyeing. Both dye packages give full directions for best results.

If you have the dress and it is the cardigan which has to be dyed a matching shade that's no problem. All-purpose dye is as gentle as a lamb with woolens. They come out of the dye pot not only with fresh new color but with a soft-to-the-touch texture you will love to wear.

And you'll love to wear the all-purpose dye colors, too.

Mealtime Marvels

GRILLED HAM-PINEAPPLE PLATTER

Do you ever get in a last-minute rush and have to whip up a quick supper for unexpected company? Of course you do, if you're human. When you're caught in a tight like this, run to the cupboard for a can of luncheon meat, a can of pineapple, and if you're lucky enough to have some cooked sweet potatoes on hand, add them to an appetizing

Grilled Ham-Pineapple Platter
1 can luncheon meat
6 slices pineapple
4-6 medium size sweet potatoes (cooked)

1/2 cup fortified margarine
1/2 cup corn syrup or sugar
Keep prepared sweet potatoes stored in the refrigerator until ready for use. Peel and cut in serving-size pieces. Slice the canned luncheon meat in generous slices. Open and drain the pineapple. Melt the margarine in a frying pan. Lightly brown the sliced meat and pineapple. Remove to warm chop dish. Place the sweet potatoes in the pan. Sprinkle with sugar or glaze with syrup. Arrange on platter and serve. If the oven is being used, the sweet potatoes may be heated in the oven while the other food is cooking. Sliced apple rings may be used in place of pineapple. Serve with hot rolls, margarine, and a tossed green salad.

49 PONTIAC

A Product of General Motors

Two of America's Most Popular Motor Cars

Pictured above are typical examples of the two smart and separate lines of cars which bear the current imprint of Pontiac goodness—the Streamliner and the Chieftain De Luxe Sedan Coupes.

Each is in such demand that, on its own, it ranks among America's most popular cars today. That two cars of such decidedly different appearance should each enjoy such wide acceptance is easy to explain. THEY'RE BOTH PONTIACS!

While each has its own individualized smartness, both offer all the great basic Pontiac virtues. Both

are conspicuously beautiful. Both carry the well-known promise of Pontiac quality—long life, dependability, and fine performance. Both afford the smooth, enjoyable performance of Pontiac's two great engines—the power-packed straight eight or its equally famous six-cylinder companion.

Finally, both represent unusual values—a very fine product at a very low price. Either one you choose will make you mighty happy.

IMPROVEMENTS

RECENTLY A MAN in McLean was overheard to say that nothing ever goes on here, that the town itself is in a rut, that there is no progress.

Sometimes we live so closely within ourselves that we seldom notice what is right under our noses. Apparently that was true of this individual who mentioned no progress, no cooperation.

During the past few months, there has been more cooperation among people in McLean and the surrounding area than in the entire past few years.

For example, in recreational facilities alone, and in the use of them by residents of all ages, much progress has been shown.

First, we might point out the newly-organized softball league. So far it is proving very, very successful, and very, very popular. Popularity of the league is evidenced not only by the large number of teams, but also by the large crowds which attend the evening games.

Then take a look at the City Park. Since the backstops on the tennis courts were repaired, the number of people using the courts, both day and night, has tripled. The courts are proving to be "worth the money." And more and more people are using the picnic facilities for their evening meals.

There's the new football stadium grounds. Of course the field is not yet in use, but this fall the added improvements will increase the crowds at the football games, and consequently more people will receive enjoyment.

Now the next thing on the program is the new city building, which will be constructed so that it can be used as a gym. You will see many, many more people attending various activities held there next fall and winter, because they know large crowds can be accommodated.

Yes, there are other signs of progress, too. Don't sell your town short. Cooperation and progress are on the upsurge. We can continue to work together to keep this progress rolling. And remember, the people in a town kill it if it dies—not those who aren't there.

LES TALK BY LESTER

In last Thursday's paper I mentioned that some blue grass I planted last fall came out good, and is now cying out in spots. Shortly after the paper came out, Mrs. Fowler called and said she had been told that the lack of lime in the soil causes blue grass to do well in this area. So I picked out a spot, and sprinkled some lime on it to try out the idea. I will let you know the result, if any change. Thanks, Mrs. Fowler.

For the benefit of those who wonder what the P. and G. in the P. and G. Wonders softball team stands for, the truth is that the two letters stand for Powers and Graham. That's Roger Powers and George Graham. Not Praetor and Gambie, the soap people. Of course, a good nickname has already been assigned to the team. It's Push and Grunt.

While on the subject of softball, I will mention that plans now are to have a donkey softball game Thursday night, June 16. The donations which were collected to erect the lights and otherwise spruce up the softball field fell a little short of the actual needed amount. For that reason, the Lions Club decided to raise a little additional money by putting on the donkey softball game.

Naturally an admission charge will have to be made. The sponsors of the league do not plan to charge, or even take up collections, at the regular league

games. A total of \$100 has been set aside to pay for the electricity. But the donkey game will be a little different. It is also probable that some charge may be made for certain exhibition games, but that will, no doubt, depend on the teams playing.

The expenditures to date on the field have been about \$463. The amount collected at the present time is about \$453. Other bills, the committee is certain, are still out and unpaid, and therefore there is a shortage.

Charging at the donkey softball game is expected to give some trouble, since there are no gates. But a system will be worked out. Admission will be about 25 cents for children and 50 cents for adults.

The reason I am writing this is, of course, to prepare you to come prepared to pay a little admission at the donkey soft-

ball game. And also to explain why a charge is being made.

Mrs. Earl Stubblefield had heard a rumor to the effect that the storm warnings which have been given in the past would be stopped, due to a few complaints. She wanted it understood (and several other people have told me the same thing) that she appreciates being warned. Furthermore, she feels that the warnings should be continued.

Personally, I am in full agreement with Mrs. Stubblefield in her views on this matter. I feel that if I hear the siren I can go to the cellar, or be prepared to go on short notice if I want to do so. If I do not want to go, I do not have to go. However, so far I have gone or been ready to go. So let's encourage the city officials to continue with the storm warnings. Buddy Watkins watches the clouds closely—he's the night watchman, you know—and I feel that he is to be complimented on his judgment in sounding the warnings. If you are one who does not want the warnings, then pay no attention to them. After all no one is forcing you to go to the cellar.

Vernon Wood mentioned to me the other day that perhaps we should attempt to organize, or rather organize, a junior chamber of commerce in McLean. The last attempt at a full-fledged chamber of commerce fell by the wayside. But it is possible that a junior chamber might be formed, providing enough of the younger men are interested. More of this later, if any interest is shown.

Last Thursday evening I attended the fire-fighting demonstration put on by the fireboys, and thought they did a good job. Mainly they were learning to use a new chemical, called duo-gas, or something like that. The crowd watching was not too large. I believe it would have been much bigger had we not published the story about the demonstration in advance. More people would have followed the trucks.

The bonds for the new city

auditorium have been approved by the attorney-general. Mayor Harris King is anxious to get the ball rolling. So are members of the school board. Unless something unforeseen prevents, the building will be ready by fall, or late fall, anyway. That's good.

E. L. Peirce has some beautiful puppies in his yard. Also a very nice garden in the making. He lives in the northwest part of town. Drive by his house for a "beauty treatment."

Mrs. J. C. Amerson and daughter Patricia Ann of Eloy, Ariz., are visiting their parents and grandparents, Mr. and Mrs. Earl Green.

Dick Grigsby of Stinnett was a guest of his mother, Mrs. Mildred Grigsby, over the weekend.

James Cooke, son of Mrs. Vita Cooke, returned home Friday from Texas Tech in Lubbock, where he has been a student.

Jack Grigsby, student at Texas Tech, Lubbock, is spending a few days with his parents, Mr. and Mrs. Arlie Grigsby before returning for the summer session.

Claude Plans Annual Rodeo

At a recent meeting of the Harold Gist post of the American Legion at Claude, dates and plans were made for the annual "Caprock Round-Up" to be held there July 21, 22, 23. The Round-Up will consist of three night shows. This is a variation from previous Round-Ups since afternoon shows were also held.

As the Caprock Round-Up has always been, the rodeo will be an open show. R. C. A. approved. It was agreed that R. L. Pointer of Egin, Okla., will furnish the livestock for a five point show: calf roping, bull dogging, saddle and bare back bronc riding and bull riding.

Mr. and Mrs. Lewis Tiner and baby of Dallas were guests over the week-end in the home of Mrs. Tiner's mother, Mrs. C. M. Corcoran.

EASY COCONUT CAKE

2 1/4 cups sifted, all-purpose flour
2 1/2 teaspoons double-acting baking powder
1 teaspoon salt
1/2 cup shortening
1 1/2 cups sugar
2 eggs, unbeaten
1 teaspoon vanilla
Milk (see below for amount)
With butter, margarine, or lard, use 1 cup plus 2 tablespoons milk.

Sift flour once, measure, add baking powder and salt, and sift together three times. Cream shortening, add sugar gradually, and cream together until light and fluffy. Add eggs, one at a time, beating very thoroughly after each. Add flour, alternately with milk, a small amount at a time, beating after each addition until smooth. Add vanilla.

Turn into 9x5x2-inch square pan which has been lined on bottom with paper, then greased. Bake in moderate oven (325° F) 25 minutes, or until done. Frost cake with Seven-Minute Frosting and sprinkle generously with coconut while frosting is still soft.

Highway Maps Now Available

The 1949 Texas highway map comes off the press this week ready for free distribution by the Texas Highway Department. Showing 31,900 miles of completed Texas highways, over 30,000 miles paved, the map is illustrated with drawings and 30 full color pictures.

A panel is devoted this year to travel attractions in Mexico on the Pan-American Highway, with particular attention given to pre-historic ruins. This highway, which bisects Texas, north to south, now runs to Tuxtla, almost in Central America. Texas will be the gateway state in future travel on this international road.

Complete mileage tables of comparative distances between Texas cities and between state capitals outside of Texas to border points in Texas are given. Mileages from Laredo south to points on the Pan American highway are included. A United States road map, showing major national

highways, is on the back of the Texas map.

Governor Beauford Jester's message to Texas travelers prefaces the edition.

Swimming Classes To Start Monday

Classes for instruction in swimming will begin Monday, June 13, owners of the McLean swimming pool announced this week.

The course will continue for two months, with instruction offered to beginners and intermediate swimmers. Ralph Littrell, life guard at the pool, will serve as instructor.

Cost of the course will be \$3 plus a 25 cents entrance fee. Persons interested should contact Littrell, Mrs. Leo Gibson, or Mrs. E. J. Windom, at the pool to register.

Little Miss Linda Hindman spent Sunday night and Monday with her grandmother, Mrs. Joe Hindman of Shamrock.

Bill Edey, who has been a student at W. T. S. C. at Canyon, is home for the holidays.

Jolene Fulmer and Anso Roy Stokes United in Marriage

In an impressive double-ring ceremony, Miss Bonnie Jolene Fulmer of McLean became the bride of Anso Roy Stokes of Portales, N. M., Saturday morning at 3 o'clock.

The vows were read by the bride's father, Minister John R. Pulmer, in the Church of Christ in McLean, before an altar of sweet peas, flanked on either side by tall vases of blue and pink larkspur.

Maid-of-honor was Mrs. C. E. Goin of Jal. N. M., sister of the bride. Best man was Jack Sikes of Portales.

Preceding the ceremony, Miss Irma Ruth Pulbright sang "Because." The traditional wedding marches were used for the professional and recreational.

The bride, daughter of Minister and Mrs. John R. Pulmer of McLean, was dressed in a blue brocaded sheer dress, with pink accessories. She wore a corsage of orange blossoms. Mrs. Goin wore a pink iridescent shantung dress, with white accessories. Her corsage was of pink roses and white sweet peas.

Mrs. Stokes attended high school in Hobbs, N. M., and has been a student at Eastern New Mexico University at Portales for the past year. The groom, son of Mrs. A. W. Stokes of Portales, attended high school there, and has also been a student at E. N. M. U.

Following the ceremony, a reception was held in the home of Mr. and Mrs. Pulmer, with about 30 guests attending. A three-tiered wedding cake was cut by the bride and groom, and served with coffee or tea.

The couple left on a brief honeymoon trip to places undisclosed. They will make their home in Portales.

Miss Billie Thacker To Be Married to Samuel A. Haynes

Mr. and Mrs. Anso Thacker of McLean announce the approaching marriage of their daughter, Billie Joyce, to Samuel A. Haynes, son of Mr. and Mrs. John Haynes.

The wedding will take place at the McLean Methodist Church Wednesday morning, June 15, at 9 o'clock.

Friends are cordially invited to attend the wedding and the reception.

Martha Ann Smith Wed to Joe Reeves In Lubbock Vows

In an afternoon ceremony June 8 in the College Avenue Baptist Church in Lubbock, Miss Martha Ann Smith, daughter of Mr. and Mrs. L. M. Smith of Portales, N. M., became the bride of Joe Reeves, son of Mr. and Mrs. David Reeves of McLean.

Minister H. L. Tabor of the Lubbock Church of Christ read the double-ring ceremony.

Attending the bride as maid-of-honor was her sister, Miss Wanda Smith of Lubbock.

John E. Dwyer of McLean served as best man, and Jack Griggs of McLean and Clinton Ritter of Lawn were ushers.

The bride was given in marriage by her brother, Leroy Smith of Lubbock.

Mrs. Reeves, a graduate of Draughn's Business College in Lubbock, has been employed as secretary for the city.

Mr. Reeves after graduating from McLean High School, spent three years in the air corps, being stationed one year in Japan. He is now beginning his senior year at Texas Tech in Lubbock.

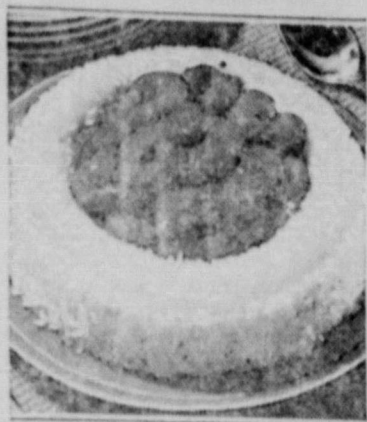

After the ceremony the couple left for a trip to Grand Canyon, Ariz. They will be at home in Lubbock after June 8.

Mr. and Mrs. Jack Walston of Bandera were recent visitors in the home of her parents, Mr. and Mrs. R. G. Florey.

Mealtime Marvels

CREOLE SHRIMP
 Connoisseurs the world over have acclaimed famous New Orleans creole shrimp. It is a taste-luxury that isn't quickly forgotten. Give your family and guests your own version of the pungent delicacy, and you'll be rewarded with compliments and requests for a repeat performance.

Creole Shrimp
 1/2 cup fortified margarine
 3 tablespoons flour
 1 small clove garlic
 1 sliced onion
 2 lbs. shrimp
 salt and pepper
 1 small can tomato paste
 2 green peppers
 2-3 cups hot water

Make a roux with the margarine and flour. Brown to a rich golden brown. Add the onions and garlic and brown lightly. Now put in the shrimp, salt, and pepper. Stir with a wooden spoon until every shrimp is thoroughly coated with the roux and none is left in the frying pan. Add the tomato paste and chopped green pepper. Stir about 15 minutes over a moderate heat. Push the shrimp to one side of the pan and slowly add 1/2 cup of hot water. Do not stir the shrimp; turn heat very low and cook 10 to 15 minutes. Stir; add slowly 1 1/2 cups hot water. Taste for seasoning and add more salt and pepper if needed. Cook very slowly for one hour. Serve with rice.

Kathryn Brooks And James Harder Wed in Vows Here

Conducted at 4 o'clock Sunday afternoon in the First Methodist Church was the wedding of Miss Kathryn Brooks and James Harder. The bride is the daughter of Mr. and Mrs. H. W. Brooks of McLean, and Mr. Harder is the son of Mr. and Mrs. J. C. Harder of Plainview.

Rev. W. B. Hicks performed the double-ring ceremony before an arch of fern and greenery. Yellow gladioli in large white baskets tied with yellow satin bows, tapers completed the decorative and candelabra bearing white setting.

Preceding the ceremony, Mrs. Forrest Robbins of Athens, aunt of the groom, presented a program of organ music. She also accompanied Miss Mary Lee Abbott, who sang "Because," "Through the Years," and "The Lord's Prayer." Soft organ music accompanied the exchange of vows.

Escorted to the altar by her father, the bride chose a dress of white dotted Swiss, ballerina length, and wore a short veil of tulle. She carried a white Bible topped with an orchid.

Attending the bride were Miss Ruth Patman of Clarendon, maid-of-honor, and Mrs. U. F. Coker of Memphis, matron-of-honor. The candlelighters were Beth Brooks, sister of the bride, and Gary Pass, cousin of the groom.

The honor attendants wore ballerina length dresses of dotted Swiss with matching coronets. Miss Patman chose yellow, and Mrs. Coker wore blue. Their corsages were of yellow and blue carnations; Beth Brooks also wore yellow dotted Swiss with matching coronet and corsage of blue.

Jerry Harder of Plainview attended his brother as best man, and the ushers were Jack Brooks, brother of the bride, and Bob Harder of Plainview, cousin of the groom.

Following the ceremony a reception was held in the Brooks home. Miss Earnestine Dickinson served the tiered wedding

cake and Miss Theresa Lile of Shamrock presided at the punch bowl. Mrs. Paul Conway of Amarillo registered the guests.

After a short wedding trip the couple will be at home in Canyon. For traveling, the bride chose a brown suit with brown and white accessories.

Mrs. Harder is a graduate of the McLean schools and received her degree this spring from W. T. S. C. at Canyon. The groom graduated from Plainview High School and is also a graduate of W. T. S. C.

Out-of-town guests for the wedding were: Mr. and Mrs. A. J. Dauer, Mr. and Mrs. Roland Dauer, Johnny and Alvin Dauer, Mr. and Mrs. George Coffee, Douglas, Rockie, and Ronnie Coffee, Mr. and Mrs. L. C. O'Neil, and LaDonna, Jerry, and Peggy O'Neil, all of White Deer.

Mr. and Mrs. Paul Conway and Kenny, and Gort Rushmer, of Amarillo; Mr. and Mrs. Paul Dauer, Miss Joyce Simms, Panhandle; Mr. and Mrs. Claud McGowen, Summerfield; Mr. and Mrs. U. F. Coker, Memphis; Mrs. Theresa Lile, Shamrock; Mrs. Bill Pass and Gary, Littlefield.

Mrs. Stella Brooks, Mineral Wells; Jack Brooks and Miss Ruth Patman, Clarendon; Mr. and Mrs. J. C. Harder, Mr. and Mrs. Jerry Harder, Mr. and Mrs. Bob Harder, Jr., Mr. and Mrs. C. B. Harder, Mr. and Mrs. Shay Wester, and Mrs. Hutchinson, all of Plainview; Mrs. J. M. Harder of Lockney; and Mrs. Forrest Robbins of Athens.

Mr. and Mrs. Creed Bogan and daughter Marilyn of Borger visited Sunday in the W. E. Bogan home. Marilyn remained for a week's visit with her grandparents.

Mr. and Mrs. E. B. Florey and Wib and Geraldine are visiting relatives in Denver, Colo.

State Drive to Raise Cotton Use Is Started

An immediate state-wide campaign to enlist all Texas cotton interests in active support of the National Cotton Council's industry-wide research and promotion program was announced this week by George G. Chance, widely known cotton producer and chairman of the Council's Texas unit.

The need for intensified cotton research and sales effort during the year will be greater than at any time since the war, Mr. Chance said. He pointed out that the past year has seen the end of war-created consumer good shortages.

"Cotton, like every other fiber, is operating in a freely competitive market," the council chairman said. "We will find markets for our products only to the extent that we offer the public a more desirable product than our competitors, and then only if we tell the consumer the facts that make cotton goods more desirable."

Chance likewise pointed to the large cotton crop of 1948 and to prospects of an even larger crop in 1949 as being factors necessitating a broadening of the cotton industry's program.

"Unless the cotton industry uses the tools of research and promotion to the fullest extent it is likely that we shall again be confronted with the problem of substantial carryover," he said. "This can result only in the re-impediment of marketing quotas and acreage allotments."

Citing cotton's current great popularity in the apparel field, recent heavy expansions of cotton consumption in the bag industry, the campaign in behalf of margarine, and increasing cotton exports as examples of successful examples of the Cotton Council's activity in behalf of cotton, the Brazos Valley cotton grower said that "the organization's record is one of ever-increasing service to the industry."

H. M. Massay of Dallas was a guest over the week-end with Mr. and Mrs. T. A. Massay. Other guests in the Massay home were Mr. and Mrs. Wilson Reedy of Wichita Falls, who were en route to Colorado for the summer.

Miss Pat Lowary Injured in Accident

Miss Pat Lowary, daughter of Mr. and Mrs. Custer Lowary, suffered lacerations of the scalp Sunday afternoon when the car in which she was riding overturned about one mile northwest of McLean.

Miss Lowary was given medical treatment in McLean, and is recuperating rapidly this week.

The three other occupants of the car, Marsalee Windom, Johnny Vineyard, and Bill Boston, were uninjured.

Mr. and Mrs. T. G. Richardson attended the graduation exercises at W. T. S. C. in Canyon last week. Mr. Richardson's brothers, Thurman and Newton Richardson, received their degrees at the exercises.

Mrs. Howard Mansell and George Richardson of Kelton visited Thursday in the T. G. Richardson home.

Bob Black is home for the summer from McMurry College in Abilene. He spent two weeks visiting relatives in East Texas before returning home.

Mr. and Mrs. C. C. Latta and Mrs. Gladys Secord and son Don visited recently in the M. H. Patterson.

Miss Barbara Beck is attending the Methodist Youth Assembly at McMurry College in Abilene this week.

Baptist W. M. U. Program Is Held In Church Parlor

The Baptist W. M. U. met in the church parlor Tuesday afternoon for the monthly Royal Service mission program and for a business session.

The business session was conducted by the president, Mrs. R. L. McDonald.

Mrs. John Cooper, mission chairman, conducted the program, the topic for discussion being "Christ the Answer for Questioning Youth." Various topics were discussed including the following: Sunbeams, Mrs. George Colebank; girls' auxiliary, Mrs. Homer Abbott; royal ambassadors, Mrs. Boyd Reeves; young women's auxiliary, Mrs. E. L. Price; training school, Mrs. R. L. McDonald. The devotional, "Proud Story of Abiding Love," was brought by Mrs. Howard Williams. A talk was given by Mrs. R. L. Appling. Those present, other than those on the program, were Mesdames Bunla Kunkel, Clayton Day, Boyd Smith, Cohen Gallegly and Luther Petty.

Mohammed died by poisoning.

TAPIOCA DATE PUDDING
 1 package (3 1/4 ounces) prepared vanilla tapioca pudding
 2 cups milk
 1/4 cup cut dates
 Turn pudding mixture into saucepan. Add milk and mix well. Bring to a boil, stirring constantly. Remove from heat. (Mixture will be thin. Do not overcook). Add dates and cool. Stir once after 15 to 20 minutes—mixture thickens as it cools.
 Chill. Serve plain or with whipped cream. Makes 5 servings.
