Life is like that. You usually hear about the man who hits the jackpot, but the fellows who built up the pot are unknown.

There's one thing about money-it talks, but it never gives itself away. It's too bad that so many

people have such a bright future behind them. The best way to get behind the eight ball is to pick up

the wrong cue. It's always the fresh egg that gets slapped in the pan. It's getting so that it's as hard to find a needle in a haystack as it is in a girl's hand.

The reason why worry kills more people than work is because more people worry than work.
