No. 48.

## Contract Let to Build New Grade School

### B. F. Horn, Abilene, Low Bidder On 14 Classrooms at \$141,350

A contract with B. F. Horn, Abilene building contractor, was signed by the board of the McLean independent School District last night at 6 o'clock to construct a 14-classroom elementary school building, plus a cafeteria structure wing, for \$141,350. Horn's bid was the lowest of 12 submitted when the bids were opened Tuesday night by Gaylord Nottsgar of the architect firm of Nottsgar and Lawrence of Oklahoma City.

### Cage Tourney To Be Staged December 6-7-8

Twelve boys teams and twelve girls teams will compete for top honors in the second annual invitational basketball tournament in McLean, to be held Thursday, Friday, and Saturday, December 6, 7, and 8, in the Municipal Building.

The tournament is being sponsored this year by the McLean Junior Chamber of Commerce. Trophies will be awarded to first, second, and consolation winners. All tournament teams will be selected for both boys and girls, and each boy or girl chosen will be awarded silver miniature basketballs. Individual trophies will be awarded to the high scorer of the tournament, outstanding defensive player, and best sport.

Teams entered in the girls' brackets are from Canadian, White Deer, Samnorwood, Hedley, McLean, Briscoe, Groom, Mobeetie, Quail, Panhandle, Lefors, and Claude. Boys' teams are from Mobeetie, Clarendon, Panhandle, White Deer, Groom, Phillips, Canadian, Alanreed, Quail, McLean, Hedley, and Lefors.

McLean girls will see action Thursday afternoon at 3 o'clock, when they meet the Hedley girls. The McLean boys will open their play at 10 o'clock Thursday night by meeting the Hedley boys. Alanreed's boys will play the Quail boys at 7:30 o'clock Thursday night.

A complete schedule of the bracketing will be carried in next week's issue of The News.

"We will need homes for some of the players to stay in during the tournament, in the event a team, or teams, prefer to stay overnight. Any family having an extra bed which could be used by some of the players is asked to see me or Coach Don Leach," Superintendent Logan Cummings said.

### Kritzler City Health Officer

Dr. J. H. Kritzler has been appointed as city health officer, Mayor E. J. Lander announced this week. The appointment was made by the City Council of McLean.

Mayor Lander said that Dr. Kritzler has accepted the position, and will work with S. A. Cobb, county health officer, in the various phases of sanitation work, etc.

### Canadian Out; Irish Advance To Regional

The Canadian Wildcats, representing District 1-A in the state grid play-offs, lost out to the powerful Dimmitt eleven Thanksgiving Day in Canyon by the score of 28-7.

Dimmitt will meet Abernathy, the bi-district winner in a clash with Denver City, when the two teams play Friday afternoon in Plainview for the regional title. The winner will take on the victor in the Wink-Albany clash in the next step of the play-offs.

In other games in the area, Shamrock's Irish continued their winning ways by knocking out the Tulia Hornets 27-7. The victory entitles the Irish to meet Childress in the regional tilt. The Childress eleven won over Quannah 19-7 in the bi-district game, and the Irish and Bobcat game will be held in Shamrock Friday afternoon. The Irish, earlier in the season on a wet field, edged by the Bobcats 6-0, and now hold a season's record of 9 victories, no losses, and two ties. Childress has a record of six victories and five losses. The Bobcats are suffering from injuries, two regulars out for the remainder of the season, and three others probably out for the Shamrock game.

Winner of the Shamrock-Childress clash will play the Anson-Kermit winner—the latter two teams to meet at Odessa Friday. Anson is undefeated in ten games, while Kermit has won 8 and lost two.

In Class AAAA, the Panhandle-South Plains representative will be Lubbock, undefeated and untied in ten games. Lubbock will meet Ysleta at El Paso Saturday afternoon.

### Mrs. Clyde Andrews Chairman Of Cancer Society Drive in Area

Mrs. Clyde Andrews has been appointed as local chairman for the American Cancer Society, and a drive for funds for support of the work of the organization is getting underway. Named as co-chairman, to work with Mrs. Andrews, is Mrs. Wilson Boyd.

Pamphlets have been placed in the Post Office for those interested in learning more about the disease, and the work of the American Cancer Society.

An account for the society will be opened in the American National Bank, the local chairman said, for any donations which might be made from this locality. The Boy Scouts are being asked to place a scrap iron bin at some center location, where

Horn has agreed to start work on the building within 10 days. Completion date is scheduled to be 220 calendar days from the time of the beginning of the work, providing weather and material hold-ups do not interfere.

The building will be located on the property of the school district purchased from the City of McLean a number of months ago. That property is what formerly was the north part of the east half of the park, located at the corner of North Main and East North 6th Streets.

The new building will be L-shaped, with the front portion—that comprising the 14 classrooms, facing the west. The cafeteria wing will be on the south end, and will run behind the Municipal Building and the veterans building.

Bidders were asked to submit proposals on both a 12-classroom building, and an additional two rooms. The bids made by Horn were \$131,000, plus an additional \$12,900 for the two additional rooms. By taking an alternate, the board was able to shave the combined bid to the agreed figure of \$141,350. Next highest bid was that of Hoke Construction company of Stillwater, Okla., whose combination bid would have totaled \$154,020.

Since Horn was not known to the architect, Nottsgar, an investigation of his work, etc., was made Wednesday by Nottsgar, Board President Milton Carpenter, Spencer Sitter, and Guy Beasley. They inspected a building he is constructing at Paducah, and from every source investigated, Horn's work and building record was found to be very good.

A total of 12 bids on the structure were received by the school board, and by the architects, Nottsgar and Lawrence of Oklahoma City. Highest bid on the 12-room proposal was from Dodson Bros. of Wichita Falls for \$193,680, plus an additional \$11,474 should the two other rooms be built.

There were a number of alternates which might be applied. They included the changing from wood to steel doors, changing

### Total Ginnings Now 1,714 Bales

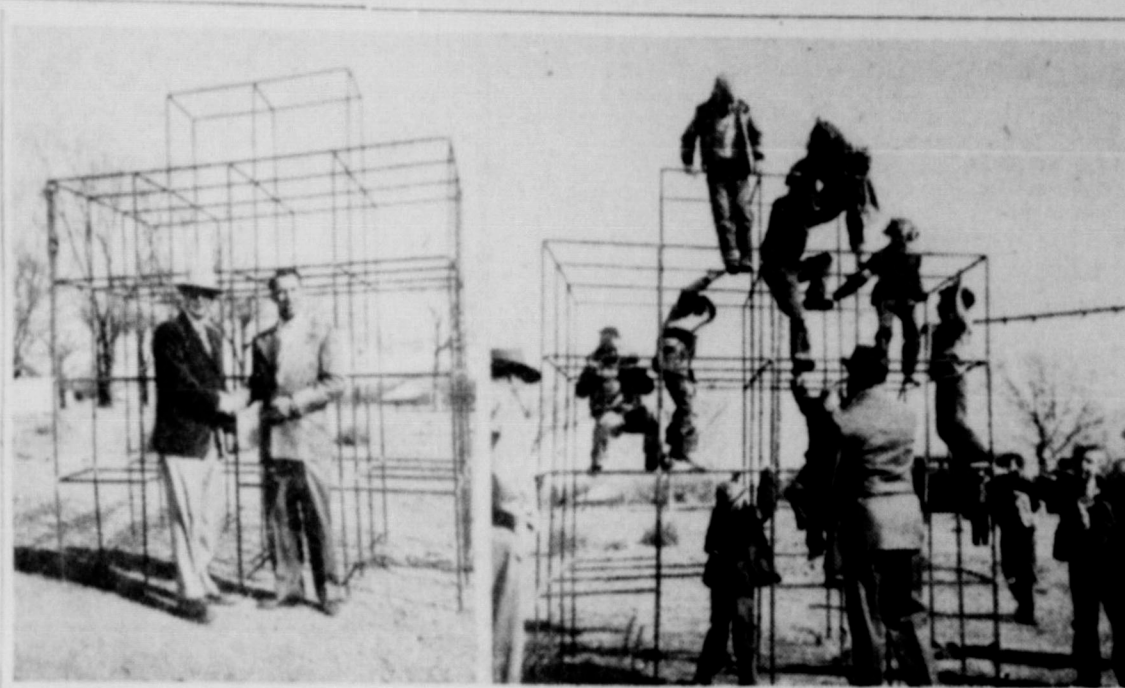

Cotton ginning reached a total of 1,714 bales by Wednesday of this week, although week-end moisture slowed down harvest to some extent.

First moisture came Saturday, when intermittent showers during the day, plus almost continuous mist, brought .73 of an inch. Monday a total of .06 of additional moisture fell, bringing the year's total in McLean to 22.35 inches, Pete Fulbright, local weather observer, reported.

The rainfall started early Saturday morning, and two heavy, although short-lived, showers fell during the day.

### BIRTHDAYS

- Dec. 2—Mrs. Walter Bailey, Mrs. J. R. Clark.
- Dec. 3—J. S. Morse, Mrs. Buddy Sutton, Rudene Smith, Mrs. I. W. Eubank, Mrs. Donald Beall, Jerry Irene Sims, Fay Bernice Kunkel, C. C. Bogan.
- Dec. 4—Jimmy Kritzler, Mrs. Lucy Smith.
- Dec. 5—Erey G. Fulbright.
- Dec. 6—Kenneth Seales, Richard Nicholson.
- Dec. 7—Mrs. June Woods, Don Godfrey, Karen Day, Frank P. Wilson, Jimmy Smallwood, Mrs. Bettie Warren.
- Dec. 8—Helen Ruth Pagan, Bob Thomas, J. L. Andrews, Bill Pettit.

EVER SEE A JUNGLE GYM? You can see one easily now, for the McLean Junior Chamber of Commerce has managed to get two of the well-known pieces of playground equipment made—and ready for use. One of the jungle gyms is shown above on the McLean Grade School grounds. The other is to be taken to the Kellerville school, and given to that school by the Jaycees. Pictured on the left is Jaycee President Hickman Brown presenting the jungle gym to Grade School Principal Haydn Bodenhamer. On the right are shown a few of the children making use of the new piece of playground equipment. The jungle gym has long been known as one of the safest of all types of playground equipment. Instrumental in obtaining materials for the two jungle gyms was Jaycee Marvin Hindman, and in getting the welding done was Jaycee Jesse Coleman. Construction of the two jungle gyms—one for McLean and one for Kellerville—was one of the major projects of the local Jaycee organization.

### L. H. Earthman Severely Hurt In Gin Accident

L. H. Earthman, well-known manager of the Paymaster Gin in McLean, was resting well this week after suffering critical injuries in an accident at the gin at about 5 o'clock last Friday afternoon.

Earthman, working in the upper part of the gin, had his right arm cut off about five or six inches below the shoulder in the accident. He also fell about 15 feet, and X-rays this week show that the scapula bone in his left leg, and several bones in his right foot, were fractured.

The accident occurred when he was attempting to put some dressing on one of the belts. Apparently his arm was drawn into the belt, and the arm was severed. He was thrown around some and then fell to the floor 15 feet below and injured his leg and foot.

Earthman was not knocked unconscious. He was stunned, however, and picked up the severed portion of the arm, and walked to the gin office. He was taken soon afterward to the Highland General Hospital in Pampa, where he was reported Wednesday as feeling considerably better than earlier in the week. X-rays made Tuesday revealed the injuries to his leg and foot.

### Second Annual Cooking School Attracts 125

Approximately 125 people attended the second annual McLean News All-Electric Cooking school held Tuesday afternoon in the American Legion Hall, and most of those attending declared the school to be one of the best they had ever attended.

Miss Fern Brannen of Amarillo, home service advisor of the Southwestern Public Service company, very ably conducted the school, and kept her audience most attentive with her pleasing lecture and demonstrations. She was assisted by Mrs. Jo Ann Bannister of Amarillo, assistant home service advisor for the public service company.

The program was opened, following the registration of the guests and the serving of coffee and soda water, with a "pin-on" contest. Then Miss Brannen prepared the food, giving many valuable hints.

(Continued on back page)

### Dollar-Stretcher Day Not to Be Held During December

No Dollar-Stretcher Day will be held in McLean in December, it was decided at a meeting of the retail merchants' committee of the Junior Chamber of Commerce, sponsor of the monthly event, Friday afternoon.

The Dollar-Stretcher Day will be resumed as usual the second Saturday in January, Hickman Brown, president of the Jaycees, said.

The merchants felt that the usual Christmas rush will interfere with making the regular Dollar-Stretcher Day a success in December, and for that reason, the committee voted to skip holding the day in the month of December only.

### First of Letters To Santa Arrive; Others Wanted

The first of the letters to Santa Claus have been received by The McLean News, and others are wanted as soon as the youngsters have time to compose the messages.

First to arrive was a letter from Charles Ed Jones, and the second came from Billy Felton Webb. Others soon followed.

Teachers in the lower grades of the area are asked to have their students write the letters in class, and then send or bring the letters in a group to the News office.

The letters to Santa will be published in the annual Christmas edition of the paper.

Another name for a giraffe is a camelopard.

### Christine Hunt Harvest Queen

### Local Cagers Again to Be in State League

Both the boys and girls basketball teams of McLean High School will compete again this year in the Interscholastic League.

Coach Don Leach has announced that the girls' team of the state will enter play in the new Interscholastic League, or in the older McKamey League. McLean has played in the McKamey League, but last year entered the new league.

The state will have a total of 20 girls basketball teams, 75 more than last year. Boys basketball will have 1,094 teams.

Conferences AAAA and AAA will play basketball will each determine state champions and the state champs will clash for a championship title.

Boys AA and A conferences will play to individual championships and then for a combined AA-A crown. Conference B will play to a separate championship title.

Girls basketball will have AA, A and B conferences. AA and A will merge into one championship tournament at the regional level, and the state championship will have only two divisions, AA-A and B.

The boys tournament will be in McLean March 6 to 8; the girls

### Quail Wings Are Wanted

Quail hunters are reminded by W. C. Glazener of the Texas Game and Fish Commission that quail wings are again wanted this season to complete the study started last year on age and sex ratio and other important information concerning bobwhite quail.

Glazener said, "If you or any of your friends are in a position to participate, just let us know. We will be glad to mail you a supply of return envelopes on which you need not pay any postage."

To the hunters who sent in quail wings last year will be sent an analysis report if they request it.

## Regular Meeting Of Ladies Auxiliary Held at Church

The Presbyterian Ladies Auxiliary met Tuesday of last week in regular session in the church parlor.

"The High Calling" was reviewed by Mrs. Don Alexander. Mrs. John B. Rice and Mrs. Claude Powell served lovely refreshments in the Thanksgiving motif.

Present were Mesdames Bill Ferguson, Kid McCoy, T. E. Crisp, Carl Adams, F. E. Hambricht, Don Alexander, C. O. Goodman, Cort Meyers, Mattie Graham, J. B. Hembree, C. E. Cortis, Haskell Smith, John B. Rice, and Claude Powell.

## Mrs. Pearl Turner Hostess at Dinner On Thanksgiving

Mrs. Pearl Turner was hostess at a Thanksgiving dinner at her home, with the following in attendance: Mr. and Mrs. Homer Smith and family of Midland; Mrs. Eula Velasquez and children, Mrs. Helen Clark and baby, Mrs. Alice Miller and children, of Amarillo; and Mrs. Zelma Durham of Hood River, Ore.

Calling at the Turner home in the afternoon were Mr. and Mrs. Edward Smith and daughter of Skellytown, Mr. and Mrs. Edgar Lee, Mr. and Mrs. O. K. Lee and family, John Dwyer, and Shirley Bybee.

Mary Lee Stevens is now employed in the First National Bank in Amarillo.

On the job application blank was the question, "Have you ever been arrested?" The applicant put down "No." The next question was "Why?"—meant for those who had been arrested. Not realizing this, the applicant put down, "Never been caught."

An alert looking man was gingerly picking his way along the ties of a railroad, seemingly in search of something or someone.

"What are you looking for?" inquired a curious bystander.

"The president of this railroad," was the answer. "But you'll not find him here."

"Maybe not, but I'm on his track."

You'll be on the track for better driving, longer mileage on your gasoline, when you fill up with Chevron gas. A trial will convince you.

## Reunion Is Held For Back Family At Legion Hall

Members of the family of the late Mr. and Mrs. J. D. Back held their annual reunion Sunday in the American Legion Hall in McLean.

A family reunion is held by members of the family ever fall. Mr. and Mrs. Back settled at what is now known as the Back community, eight miles north of McLean in November, 1904.

The invocation was given by L. M. Watson, a great-grandson, now a student at S. M. U. in Dallas.

After dinner games of 42 and canasta were enjoyed by all.

Children and grandchildren attending were Mr. and Mrs. Joe Back, Mrs. Lorraine Clark and son Gene Calvin, Mr. and Mrs. Lockett Back and family, of Carter, Okla.; Mr. and Mrs. Gene Stover of Mangum, Okla.; Mr. and Mrs. Jack Back and Jeanie Sue Lowe, of Pampa; Mr. and Mrs. Willie Harris of Sayre, Okla.; Mrs. Richard Dean Back and Dickie, Mr. and Mrs. John D. Richards, Douglas and Randy, of Dumas; Mr. and Mrs. George Watson and Linda of White Deer.

Mr. and Mrs. C. D. Dowis and Mickey, Mr. and Mrs. Robert Dowis, Danny and Pat, of Amarillo; Mrs. Mae Neal of Panhandle; L. M. Watson of Dallas; Barbara Barrett of Phillips; Mr. and Mrs. Jim Back, Mrs. June Woods and boys, Mr. and Mrs. Johnnie Back, Vick Back, Mr. and Mrs. J. R. Glass, Dale, Sue, Judy, Johnnie, and Bob, Mrs. Bud Back, Mr. and Mrs. Cecil Back, Rex and Jack, Mr. and Mrs. Sherman Crockett, Joe, Flo-nelle, and Billie, Mr. and Mrs. Ted Street, Mr. and Mrs. Neville Back, Mr. and Mrs. Lawrence Watson, Marie, Jimmy, and Lavon, Mr. and Mrs. R. F. Sanders, Allee Short Smith, Donnie and Rex Smith, all of McLean.

## Mr., Mrs. Hanner Of Shamrock Have Holiday Dinner

A Thanksgiving dinner was enjoyed Thanksgiving Day at the home of Mr. and Mrs. Clois Hanner of Shamrock.

Those present were Mr. and Eleanor, Mr. and Mrs. Eddie Mrs. Earl Cline and daughter Cunningham, Patsie and Otto, of Amarillo; Mr. and Mrs. W. J. Hanner Jr., Diane and Mike, of McLean; and Mrs. Clois Hanner's brother, James Renuau of Heald.

## Mr., Mrs. Railsback Entertain With Dinner at Home

Mr. and Mrs. J. J. Railsback entertained with a Thanksgiving dinner in their home Thursday.

Dominoes and music were enjoyed in the afternoon by Mr. and Mrs. Frank Wiggins and Patricia and Kent, Mr. and Mrs. C. P. Callahan, and Mrs. Sinclair Armstrong of McLean; Mr. and Mrs. C. V. Williamson, Frankie Ann and Bill, of Spearman; Mr. and Mrs. Tom Waters and Tommy of Lefors; Mr. and Mrs. W. L. Kincaid and Gary of Edmond, Okla., and Mr. and Mrs. Lee Catham and LaLinda of Pampa.

## Doreas S. S. Class Thanksgiving Dinner In Finley Home

Members of the Doreas Sunday School class of the First Baptist Church, their husbands and other guests, held their annual Thanksgiving dinner Tuesday evening at the home of Dr. and Mrs. H. W. Finley.

Mrs. John Caudill, Mrs. George Colebank, and Eunice Stratton, whose birthdays are in November, were given gifts.

Attending were Mr. and Mrs. F. E. Stewart, Mr. and Mrs. Homer Abbott, Mr. and Mrs. Bill Lloyd, Mr. and Mrs. Leo Gibson, Mr. and Mrs. Boyd Reeves, Mr. and Mrs. Frank Reeves, Mr. and Mrs. R. L. Appling, Mr. and Mrs. Raymond Smith, Mr. and Mrs. John Caudill, Mr. and Mrs. Oscar Tibbets.

Mr. and Mrs. George Colebank, Rev. and Mrs. Buell Wells, Mr. and Mrs. Bob Thomas, Mr. and Mrs. R. B. Jones, Mr. and Mrs. Luther Petty, Dr. and Mrs. Finley, Mesdames R. N. McMahan, Velma Betchan, Essie Glenn, Ross Collier, Bill Reeves, H. D. Hale, Ben Caudill, and Etta Carmichael; Eunice Stratton, Laquita Wells, Vernon Kennedy, and John Reeves.

## Flonelle Crockett Named Honoree At Birthday Party

A birthday party was given Saturday, November 24, honoring Flonelle Crockett, in her home.

Cake and punch were served by Mrs. Cecil Back, Mrs. Cleo Heasley, and the honoree's mother, Mrs. Sherman Crockett.

Those attending the party were Ariene and Marlene Gudge, Clea Sue Heasley, Linda and Fern Grimsley, Sondra Kay Graham, Natalie Herndon, Charlene Hall, Jackie Tanner, Billy Heasley, Jack and Rex Back, Charles Crockett, Glen Guthrie, Bobby Dawson, Paul Garvin, David Woods, and Billy and Joe Crockett.

## NEWS FROM KELLERVILLE

### Too Late for Last Week

Clarence Drum was operated on for appendicitis Friday at the Shamrock General Hospital. He is getting along nicely.

Mr. Harold Howard was honored with a pink and blue shower in the home of Mrs. Jack Boyd Friday afternoon. Those attending and sending gifts were Mesdames L. F. McDonald, Ruben Rountree, Jake Jones, Hershel Whittington, J. D. Roth, Elmer Immel, Lue Miller, A. A. Wharton, Frank Hefer, S. B. Malone, Durant Brock, T. W. Mann, Clifton Shirley, H. T. Miller, A. M. Dean, Norman Fulks, Verl Tinkler, Naomi Barbee, R. W. Balke, Brent Chapman, and the hostess, Refreshments of jell-o, cake, and coffee were served.

Mr. and Mrs. J. H. Peterson of Reydol, Okla., were visitors in the home of their niece, Mrs. Jack Boyd, Sunday.

Mr. and Mrs. W. S. Marshall and Betty have returned from Sandoval, Ill., where they went to attend the funeral of Mrs. Marshall's mother, Mrs. Lieth. The community extends sympathy to the Marshall family.

The Kellerville school children attended the movie, "Alice in Wonderland," at Shamrock Monday afternoon. They were accompanied by the teachers and mothers.

The Baptist workers conference met at the Kellerville Baptist Church Thursday night. A large number attended from all the churches in the association. The evening meal was served by the ladies of the missionary society.

Mr. and Mrs. J. O. Pool and children have moved to McLean.

The bow and arrow hunters of the Magic City Archery Club went to Canadian for the opening of the deer season Saturday. Marlon Fry got a deer Saturday morning, and Jimmy Newton of McLean bagged a wild turkey, with three bows and arrows.

The Methodist women will hold a bazaar December 1 at the Dysart Motor Co., beginning at 9 o'clock. Starting at 11, chili, coffee, and pie will be served.

Mr. and Mrs. R. B. Martin of Amarillo visited Mrs. Martin's parents, Mr. and Mrs. C. A. Myatt, Sunday.

Odes Shelton of Phillips made a business trip to McLean over the week-end.

TV Star Models Ceil Chapman Gown

Broadway columnist Dorothy Kilgallen is one of the many television stars who rely upon a fabulous American designer named Ceil Chapman to keep them beautifully gowned before the camera. Miss Kilgallen, shown wearing a Ceil Chapman creation in white nylon tulle and candied silk taffeta, writes about her favorite couturiere in the November issue of Cosmopolitan magazine. She quotes Miss Chapman as saying, "I don't ever want to be influenced by Paris. I design clothes for American women, and I can do that without looking at the French collection." Each year, 150,000 women agree with her and buy gowns with Ceil Chapman labels.

40 Years Ago— IT HAPPENED HERE

Taken From the Files of The McLean News, November, 1951

Masons Entertain  
The local Mason lodge entertained their members and ladies with a feast on Monday night of this week which is reported to have been a most pleasant one.

Only the members of the lodge and their families were invited, but it is stated that there was a huge crowd and a menu entirely commensurate with the demands, there being plenty to spare.

A feature of the banquet was a half dozen possums which were especially prepared for the occasion.

There were several short talks and many happy toasts that added to the merriment of the occasion. Round-Up Dinner  
Did you notice a bunch of hungry looking men on the street Thursday about noon? The reason? There was a hen party at the E. D. Langley home for dinner and about 17 matrons were present.

The occasion was the regular meeting of the Ladies Aid of the Presbyterian Church and Mother Langley conceived the idea of having an old fashioned "round-up" dinner each lady cooking some dish and bringing it with her. The result was more than pleasing. The table was covered with a beautiful battenberg spread and decorated with cut flowers, ferns, etc. The menu consisted of everything imaginable that was good to eat and almost two hours were consumed in enjoying it. Especially pleasing to the guests was the corn "pone" bread with cracklings in—the kind we used to enjoy "back yonder"—made by Mother Langley. Those who enjoyed this splendid affair were Mesdames Horton, Erwin, Sitter, Rowe, Patterson, Gull, Collier, Homer Crabtree, Sugg, Bryant, Watkins, Langley, Will Langley, Hodges, Cooper, and Richardson.

Odd Fellows Banquet  
As previously announced and strictly according to schedule, the

Odd Fellows of the local lodge met in grand conclave on Tuesday night, and after their preliminary meeting, threw the doors wide open to the ladies and families of the brethren.

After the rendition of a very pleasing program which consisted of addresses by A. B. Gardenhire, Rev. Bryant and Rev. Carpenter, also some excellent music by local musicians with stringed instruments, the real object of the meeting was stated and the long reserve tables were brought forth and spread with a menu that would tempt the appetite of an epicure. Not only was there everything else good to eat but there was a great abundance of fat and juicy possum cooked in the good old fashioned way with plenty of Panhandle yams. There was also a large roast of buffalo meat. According to reports, the affair was one of the most enjoyable ever attempted in the city and the guests numbered over a hundred.

Mr. and Mrs. Legon Burris spent Thanksgiving with his parents in Kerrville.

Blessed is the man who, having nothing to say, abstains from giving wordy evidence of the fact. —George Eliot.

Control of Rats Health 'Must'

Because of the economic losses they cause to industry and commerce and the annoyance they create in homes, rats have been considered a menace to mankind ever since their role as vectors of disease was understood. Today at least six diseases which are transmitted to man from the rat are known to medical science, according to Dr. Geo. W. Cox, state health officer. These diseases include the dread plague, typhus, trichinosis, a form of jaundice, tapeworm, and food poisoning. The whole history of the role rats play in the transmission of disease remains as yet unknown.

"It is necessary to public health," Dr. Cox said, "that a continuous rat control program

be maintained in every urban and rural area throughout Texas. This is of especial importance on farms where rats may flourish by feeding on grain and other farm products.

The doctor pointed out that rats, like other living things, require food and shelter if they are to propagate and increase in number. Destroying their shelter and breeding places includes the employing of ratproof design in buildings, the use of ratproof materials in construction, employing ratproof methods of construction and installation, and providing for periodic inspection of buildings to insure permanent safety. This program will force the rat out into the open where its destruction may be accomplished.

Of equal importance as a control measure is the elimination of all food supplies. This consists of storing all foods in ratproof

buildings or in ratproof containers, the proper storage and disposal of garbage, and careful feeding of stock to prevent waste feed from being picked up by the rats.

By observing these control measures, the community will benefit not only in the eradication of a nuisance and economic menace but in improved health conditions and the prevention of rat-borne diseases.

Think truly, and thy thoughts Shall the world's famine feed; Speak truly, and each word of thine Shall be a fruitful seed; Live truly, and thy life shall be A great and noble creed. —Horatius Bonar.

Like the archpriests of yore, man is free to "enter into the holiest"—the realm of God.—Mary Baker Eddy.

## Editorial

NOT MANY MONTHS AGO, we noted in a certain school publication the proposal that the school sponsor a school supplies store, at which students might buy their needs.

The writer of the article had some worthy points, without doubt. These points included the fact that the needs of the students could be bought right in the building, that through a cooperative system, these needs might be purchased at a slightly lower price (although this point is false as will be explained later), that the profits, if any, could be used in various school activities.

Without wasting further breath, we hasten to say that this newspaper is strictly against any such proposal.

First, we believe that the school is a system within itself, and should not attempt, in any manner, to compete with private enterprise where private enterprise is doing the job satisfactorily, and where people engaged in these private enterprises are making their livelihood.

Second, we are opposed to co-ops in almost every form and fashion they make take. Under the present laws of our government, those organizations which operate as non-profit co-ops, selling their merchandise or services, do not come under the corporation tax laws. They are eating at the heart of private enterprise, the very system that has made this great country of ours great.

Third, we are opposed to any form of government entering into any type of business, whether that government be the school, the city, the county, the state, or the Nation. Every day we hear of something new the government, particularly the federal government, is entering into—in direct competition with private enterprise—and every day we become more and more opposed to the trend, as anyone should be able to see the "handwriting on the wall."

Fourth, we do not believe a school supplies store in the school would actually be able to sell the supplies at a lower rate. Business principles would have to be applied, and some person would have to be in charge at some salary—that salary alone would more than eat up any profit made. As a secondary means of reasoning, we might point out that taking away the school supply business from private business would cut down, eventually, on the amount of school taxes collected to support the institution of learning—and that cost to the school would more than overcome any "saving" which might be involved.

Fifth, the private businesses affected by such a supply store set up in the schools would frown on aiding and supporting the extra-curricular activities of the schools. And without this aid and support, many activities would either have to be dropped entirely, or curtailed to a great extent.

Sixth, we simply do not like the thinking of a student who has been made to believe that such things—and we use the school supplies store merely as an example—are for the good of anyone. Let us emphasize that this line of thinking is the most dangerous angle of all to the proposal which was made. Too many of us nowadays are forgetting who butters our bread when we are eating our meal.

## U. S. Needs Civil Defense HOME FRONT PROTECTION IS UP TO YOU AND YOUR FAMILY

(This is the fifth of a series of articles on civil defense, based on the booklet "This Is Civil Defense" prepared by the Federal Civil Defense Administration. It may be obtained from the Superintendent of Documents, Government Printing Office, Washington, D. C., for ten cents.)

By **MILLARD CALDWELL**  
 Federal Civil Defense Administrator

Civil defense is set up by Federal and State law. But no law will work unless you back it up with action. That's why, in the end, the responsibility for civil defense is yours.

If bombs from enemy planes ever fall on your city or community, they will not fall on an organization, or a system of government. They will fall on you and your family and friends.

A soldier is trained to take care of himself and to keep on fighting. As a defender of your home front, you must learn to protect yourself and keep on working. Despite every precaution, a soldier might be killed. So might you. But the more you know, and the better trained you are, the better your chances for survival.

To help you protect yourself, and to make the best use of your own special ability and skill in an emergency, is the whole idea of civil defense. If you give time and thought to that, then you will be able to save yourself and others if trouble comes.

It is not up to the Federal Government to run civil defense. The Federal Civil Defense Administration does the basic planning, gives technical information to the States, pays part of the cost of equipment and shelters, and provides some kinds of emergency supplies. The operation of civil defense begins at your State line.

It is The Peoples' Job  
 It is the job of the States and Territories and their counties and cities to organize civil defense among their own people. They must build the machine and make it run. The person in charge in your State is the State Civil Defense Director. In your city it is the mayor, or your local Civil Defense

Director. He and his staff organize and direct civil defense. To do this they must find and train thousands of volunteer workers. Without your help, their efforts would be useless.

Civil defense is definitely not the responsibility of the Armed Forces. Their job is to fight by carrying the attack to the enemy. Their experts have worked with the Federal Civil Defense Administration to determine which areas are most likely to be attacked, what kinds of attacks to expect, and what to do about them. The Armed Forces have some definite civil defense jobs, such as making decisions on blackouts, dimouts, camouflage and radio silence.

The Air Force operates the radar screen and the ground observer system to know when its own fighter planes are needed to meet incoming bombers, and to warn civil defense officials of their approach. Once the warning has been given, the Air Force job for civil defense ends, and civil defense goes into operation. That is where you come in. That is where your training in civil defense will save lives—perhaps your life and the lives of your family.

(The next article will discuss what does civil defense do before an attack.)

LES  
**TALK**  
 By LESTER

If you are ten minutes late getting on the job—  
 If you leave the job ten minutes early—  
 If you take five minutes too long for lunch—  
 Each one of these counts as a lost day against you.

When you have missed four such days, your factory supervisor can and will hail you into court. The court can then cut your wages anywhere from 10 to 25 per cent. If you won't go back to the job, you may be thrown into prison for a six-month stretch.

This is a new law—in Poland, which the Communists have taken over. They call it the "Socialist discipline of work." And the Reds call Poland a "workers' paradise!"

The United States can wind up in the same shape—if you and you don't wake up.

There are people who are beginning to wake up, and wonder what has happened to the politicians and militarists who are leading our government. One such organization is in Austin, and is known as the Marine Corps Families of Travis County, Texas, "a voluntary association of mothers, fathers, wives, and families of U. S. Marines now on active duty, most of whom are now fighting in Korea, or who have been returned on account of wounds or having been rotated."

This organization has made up a resolution, and has mailed out 5,000 copies throughout the state. The resolution is, in part, as follows:  
 "Whereas, our national policy in sending troops to Korea, as announced by the president and state department, if we had a policy, was to prevent the spread of communism, and to aid the South Koreans. The success of this policy is shown by the tragic police action in which more than three million South Koreans have

been killed or wounded and more than three and one-half million are homeless and their country destroyed. This ill-conceived and misguided policy has sent more than 15 thousand American boys to their deaths, with thousands wounded and missing in action. Furthermore, our national honor has been shamed, for the first time in 175 years of the history of our country—we have been forced to seek peace other than as a victor.

"Now, therefore, we do hereby condemn the inept and faulty Washington leadership in the handling of the Korean war, and demand of our president and our military leaders that either all American forces be withdrawn from Korea, or that a complete mobilization be had of all of our resources, including sea and air power, to the end that the tragic war in Korea will be speedily brought to a successful conclusion.

"Be it further resolved that if our forces are to remain in Korea, that we demand that immediate action be taken to the end:  
 "(1). That all available naval power be promptly used to blockade ports in communistic China.  
 "(2). That use be made of all available weapons to bring the conflict to a speedy close.  
 "(3). That bombing of installations in Manchuria and other

strategic locations inside communistic China be ordered.  
 "(4). That trained Nationalist troops be permitted to fight to free their homeland from communism.  
 "(5). That the sending of American troops to Europe, where there is no war, be discontinued, and that all available manpower be sent to Korea to assure success in our fight in an area where there is war, and where our national honor is at stake. If the cause in Korea is worth dying for, it is worth fighting for—TO WIN."

That resolution was passed at a regular meeting of the Marine Corps Families of Travis County October 11, 1951.  
 Right or wrong, those people are at least trying to do something about a situation which certainly needs something done about it.  
 Have you done anything yet?

My heartiest congratulations to all those people who worked so hard to make the annual Harvest Festival of the McLean schools the success which it was, once again, last week.  
 But for goodness sake, let's have it in the Municipal Building next year. I really thought, when I was plugging so hard for the building bonds a while back, that the building would be used for

such things.  
 After all, it seems to me the festival, or carnival, or ever you want to call it, outgrown the small Grade 8 gym, for accommodations.

I sincerely hope, though, by next festival time, they won't be there—and in its place will be a beautiful new building (I said in its stead in its present location).

I don't have any idea they had for Thanksgiving but I would venture a guess Mr. and Mrs. Bob Thomas have turkey—or at least want turkey.

To my knowledge, they had turkey dinner the Sunday before Thanksgiving, a turkey the Monday night before Thanksgiving, and a turkey dinner Tuesday night before Thanksgiving.

You might say that Vern and Bob are both turkey "gold."

Mrs. Annie Bowen spent the week-end in Amarillo.

Evelyn Lee visited her brother, Lawrence Lee and family, in Pampa over the week-end.

Mr. and Mrs. Charles Williams visited Mr. and Mrs. Gene Lowe in Pampa Thanksgiving.

Mr. and Mrs. Cleo Heasley, Mrs. Hattie Heasley, Clea Sue Heasley, and Arlene and Marlene Gudge visited in Amarillo Sunday.

## GROWING PAINS In Gray County

By FOSTER WHALEY  
County Extension Agent

At this time of year, county agents over Texas begin to toil over annual reports which are due in the district agent's office on December 3.

Of all the headaches a county agent has, the annual report tops them all.

Here are a few figures which I finished compiling in the hours of midnight. These figures represent both the work of the county agent and the assistant agent. The figures are taken from the monthly reports, and cover the period from December 1, 1950, through November 30, 1951.

Two hundred ninety-one days were devoted to work with adults and 261 days to 4-H Club members. (Both county agent and assistant agent's work).

One hundred seventy-eight days were spent in the office, 374 days in field, 666 visits were made to farms or homes, 2467 office calls were made by farmers, ranchers and others, 2302 telephone calls were received, 148 news articles were published, 1714 bulletins were distributed, and 269 radio talks were given over radio station KPDM, Pampa.

Incidentally, the early morning program over KPDM has been dropped until after the first of the year. With annual reports coming up, we decided to discontinue it until after the first. Only two programs were missed week day morning since the first of 1951. It really keeps you going to keep a 13-minute radio program each day along with your many other duties.

A total of 147 meetings of some nature were either conducted or attended by the two agents. These are a few of the more important items taken from the 1951 annual report.

A 4-H Club Christmas program will be held in the American Legion Hall in McLean on December 13. The details are yet to be worked out. Mrs. B. L. Stokes, Mrs. O. O. Tate, and Mrs. Cicero Turpen are arranging the program. The party will be for both boys and girls.

The following is taken from 1952 Outlook published by the Bureau of Economics:

"The prospective supply of all feed concentrates supply for the 1951-52 feeding season is slightly smaller in total and about five per cent smaller per animal unit than in 1950-51. Although the supply is much larger than in most years prior to 1949, livestock production is at a high level and total feed utilization is expected to be the heaviest since the World War II peak. This probably will result in some further reduction in carry-over stocks of feed grains at the close of the 1951-52 season."

petition of 42 days from the date of issuance of this Citation, the same being Monday the 17th day of December, A. D., 1951, at or before 10 o'clock a. m., before the Honorable District Court of Gray County, at the Court House in Pampa, Texas.

Said plaintiff's petition was filed on the 31st day of October, 1951.

The file number of said suit being No. 10174.

The names of the parties in said suit are: Fred Thomas as Plaintiff, and Leona Thomas as Defendant.

The nature of said suit being substantially as follows, to wit: Plaintiff alleges as grounds for divorce that the defendant, without cause or consent, voluntarily abandoned plaintiff for a period in excess of three years prior to the filing of this suit, with the intention of finally separating from plaintiff.

If this citation is not served within 90 days after the date of its issuance, it shall be returned unserved.

Issued this 31st day of October, A. D., 1951.

Given under my hand and seal

of said Court, at office in Pampa, Texas, this the 31st day of October, A. D., 1951.

**HAVE A BETTER KITCHEN**

Every day it's getting easier to have a better kitchen... the kitchen that will fit both your needs and your budget. Not only have credit regulations been relaxed to permit purchase of standard steel kitchen equipment with only 10 per cent down payment and three years to pay the balance, but manufacturers are producing a greater variety of cabinet sink models.

For example, a new one hit the market recently that will fit into the kitchen remodeling plans of many homemakers. It is 48 inches wide, has two large bowls and an impressed soap dish in a porcelain enamel top.

A novel feature of this sink is a hide-away cutlery tray attached to one of the undersink cabinet doors. It has three compartments for holding knives, forks, spoons and other small kitchen utensils right where they are the handiest.

On the other door is a soap box holder, and the undersink compartment is designed to hold large pots and pans.

This is just one of 16 different cabinet sink models produced by a single manufacturer. If you're in a kitchen planning mood, it's a good idea to take a look at all models because there's sure to be one that will exactly fit your needs and specifications.

**Cooking School—**

(Continued from page 1)  
 uable cooking hints as well as other hints to ease the work in the kitchen. Door prizes, including all food which was prepared, were then given. A total of 17 prizes were given.

The food for the school was furnished by Cooper's Food Market. Door prizes were donated by Cicero Smith Lumber company, The Children's Wear, Brooks Dry Goods, Stubbfield's Department Store, McLean Hardware, Brown's Drug Store, T. and G. Electric, McLean Electric, Bill Day Furniture, Master Cleaner's, and Chevron Gas Station.

Five electric appliance dealers cooperated with The McLean News and the Southwestern Public Service company to make the school possible. The dealers were T. and G. Electric, McLean Electric Hardware, and Andrews Equipment company. Appliances were placed on display at the school.

Visitors in the home of Mr. and Mrs. R. L. Appling during the Thanksgiving holidays were Mrs. Marshall Mitchell and daughters, and Mr. and Mrs. Ernie Odell and children, of Amarillo; and Mr. and Mrs. Bentley Baize and two sons of Snyder.

Mr. and Mrs. Mike Greer, Jan and Michael, of Littlefield, and Gene Greer and family of Pampa spent Thanksgiving with their parents, Mr. and Mrs. N. A. Greer.

Mrs. Aaron Isaacs of Shamrock visited Mrs. Johnny Vineyard Thursday and Friday.

Henry Gene Parmenter of Dallas visited Thursday and Friday with his parents, Rev. and Mrs. C. W. Parmenter.

Mr. and Mrs. E. J. Windom visited in Amarillo Thanksgiving.

Mr. and Mrs. Gordon Stafford of Lefors visited in the home of Mr. and Mrs. A. E. Stafford Saturday.

Mr. and Mrs. A. E. Stafford visited Mr. and Mrs. Claude Spivey in Goodnight Sunday.

**REVEILLE**

... with the boys

Pfc. Eddie B. Jolly, son of Mr. and Mrs. Glenn A. Jolly, who is at the present stationed at Camp Pendleton, Oceanside, Calif., will be shipped to Korea December 14th.

His new address: Pfc. Eddie B. Jolly, 11773773, U. S. M. C., "G" Co., 16th Replacement Draft, Marine Barracks, C & R Command, Camp Pendleton, Oceanside, Calif.

Undergoing recruit training at the U. S. Naval Training Center, San Diego, Calif., is Hershel L. Nicholson, airman recruit, USN, son of Mr. and Mrs. L. H. Nicholson of McLean.

Before entering the Navy, he was graduated from McLean High School.

This initial training includes instruction in such fields as seamanship, fire-fighting, gunnery, signaling, and other courses designed to make the recruit well-versed in every phase of Navy life.

Upon completion of their 11-week training period at the training center, graduates are assigned to duty stations with the fleet or at Navy shore stations, or are sent to service schools for advanced technical training.

Pfc. Melvin R. Gunkel, son of Mr. and Mrs. John W. Gunkel, is now at Camp Roberts, Calif., assigned to Company "C" 23rd Armfd. Inf. Bn., Combat Command "A."

The 7th armored division, stationed at Camp Roberts, is celebrating its first birthday as a reactivated infantry training division on November 24. Camp Roberts is located midway between San Francisco and Los Angeles, 30 miles inland from the Pacific Ocean. The largest replacement training center in the west during World War II, the sprawling camp was closed in 1945 and reopened last year.

Pfc. Gunkel's assignment at Camp Roberts plays an important role in the vital infantry training program which has been conducted by the 7th armored division for the past year.

A local man and his two sons—both sons in the armed forces—were reunited this week for the first time in almost three years.

The man is D. A. Couch, who makes his home in the Hindman Hotel. Mrs. Couch has been dead since the two sons were small, and the father has reared the two boys.

Cpl. Warren Couch is in the Air Force, and returned only recently from Korea, where he had been for the past six months. He is home on a 10-day furlough and will report back to Camp Stoneman, Calif., at the end of that time—to be sent back to Japan or Korea. Cpl. Couch does electronics work on the B-36's and B-29's.

The other son is Pvt. D. A. Couch Jr., a member of the U. S. Army. Pvt. Couch has been in the service only eight months, and is presently stationed at Fort Hood. However, he expects to be shipped overseas at any time.

**You get a real job on all jobs!**

When you're buying "one truck that has to do a dozen different jobs," you'll be money ahead to choose light or medium-duty Internationals.

That's because these Internationals are engineered to do a good job on a wide range of hauling assignments. From engine to axle they combine features that pay off on general-purpose hauling.

You get an all-truck engine designed exclusively for truck work... a rugged, all-truck chassis for longer life, lower maintenance... Super-steering system for greater maneuverability... the COMFO-VISION CAB, "roomiest and most comfortable on the road."

If you want a truck that does a real job on all jobs, call us, or come in. You'll be money ahead to get the complete story on Internationals, soon!
