

PLAIN TALK

By BILL PERKINS

Elvis was awakened by his platoon sergeant after the rookie's first night in an Army barracks. "It's four-thirty!" bellowed the sergeant.

"Four-thirty," gasped Elvis. "Man, you better go to bed. We got a big day tomorrow."

This is the time of year for deadlines. New auto license plates must be purchased and affixed by April 1. The state vehicle inspection deadline is April 15, the same day income tax is due.

If you haven't been contacted by a volunteer Red Cross worker, just mail your contribution to Freeman Melton, Jr., or Cliff Day. The drive is about \$100 short of its goal.

FORT CAMPBELL, KY (AHT NC)—Army Pvt. Rex C. Back, whose wife, Arlene, lives in McLean, Tex., recently was graduated from the 101st Airborne Division's Jump School at Fort Campbell, Ky.

Back received his parachutist's wings after having completed a two-week course which included five training jumps.

He entered the Army in 1957 and completed basic training at Fort Polk, La.

The 18-year-old soldier, son of Mr. and Mrs. J. C. Back, Lefors Route, attended McLean High School.

J. L. Andrews Attends Meeting of Land Bank Stockholders

J. L. Andrews of McLean recently returned from Houston where he represented the National Farm Loan Association of Pampa at the annual stockholders meeting of the Federal Land Bank of Houston. Mr. Andrews said one of the purposes of the meeting was to get a report on the condition and operations of the bank. He was impressed by the strong financial condition of the bank, and pleased with the progress it and national farm loan associations in Texas have made in cutting operation expenses. Some changes were necessary to offset the increased cost of money which the bank has had to pay on the bonds which it sells to secure the funds to make loans.

Of special interest to national farm loan association members, as well as all farm and ranch owners, was an announcement made by Sterling C. Evans, president of the bank. It was that the bank had reduced the interest to 5% on loans which were closed at a higher rate. Also it will now close additional loans. This is a new practice and enables a borrower with a 4% land bank loan of \$1,000 or more to get an additional loan at 5% on the new money and have his old 4% loan undisturbed.

Officers and directors of the local association, other than Mr. Andrews are J. B. Talley, W. R. Jackson, O. G. Forney and Paul Bowers. J. E. Gunn is secretary-treasurer and Lora Dunn is the assistant secretary-treasurer.

Election Set Here Tuesday

The McLean City election is scheduled for Tuesday, April 1, at the city hall.

The offices of three councilmen are to be filled and only three names will appear on the ballot since no opponents filed for the offices.

Councilmen seeking re-election are Jess Kemp, Odell Mantooth and Amos Page.

S. A. Cousins will be presiding election judge.

The school trustee election will be held the following Saturday.

Phyllis Flowers Named Winner Of Spelling Bee

Phyllis Flowers, McLean eighth grade student, was winner of the senior division of the Gray County Spelling Bee held in Pampa Tuesday. Twenty-four students were competing in the contest. Second place winner was Amy Earhart.

Marilyn McIlroy from McLean entered in the senior division competition and Janelle Hail entered the junior division.

Mrs. Vera F. Back is sponsor of the McLean spellers.

Miss Flowers will go to Amarillo April 26 to compete with winners from Kansas, Oklahoma and New Mexico and the Panhandle in the News-Globe Spelling Bee.

If she wins she will receive a three-day tour of Washington, D. C.

Lions To Organize New Club Soon At Samnorwood

Samnorwood will soon have a Lions club all its own as a result of efforts of the two sponsoring clubs, McLean and Shamrock, and the men of the Wheeler county community.

Monday night a group of McLean Lions attended a meeting at Samnorwood at which time it was decided to organize a new club there.

McLean Lions attending the meeting were Jim Hathaway, Boyd Meador, S. A. Cousins, Elmo Whaley, Cliff Day, Freeman Melton, Jr., Dale Parvin, Jimmy Don Morris and Chester Bohlar. Lions from Shamrock also met with the group.

Scout Troop 25 Has Outing

The McLean Boy Scout Troop 25 took a hike to the Haynes Ranch Saturday. The boys cooked two meals outdoors and took a hike along the creek. The troop is sponsored by the McLean Lions Club.

Four boys finished their requirements for second class and the other boys passed some requirements for both first and second class.

The boys are trying now to earn money to attend Camp Ki-O-Wah in June. Ki-O-Wah is the Adobe Walls Council summer camp.

RELATIVE OF LOCALS HEADS KINGSVILLE ROTARY

Marcus Phillips, senior active of the Rotary Club in Kingsville, has been named president of that club.

Phillips is the brother of Mrs. J. A. Sparks, Mrs. C. J. Cash and Rish Phillips, all of McLean. He and Mrs. Phillips visited in McLean during the Christmas holidays.

He is the son of the late Mr. and Mrs. W. C. Phillips of McLean.

E. J. Windom was in Amarillo on business Friday.

CAROLINE STOKES, McLean High School student and daughter of Mr. and Mrs. T. C. Stokes, will be soloist with the Amarillo Symphony when it presents its "Youth Concerto Program" Sunday afternoon, March 30, at 4:00 o'clock in the Stephen F. Austin Junior High School auditorium in Amarillo. Caroline's selection will be "Musetta's Waltz" from the opera La Boheme by Puccini. A. Clyde Roller is conductor of the Amarillo Symphony, Inc.

DONLEY COUNTY 4-H CLUB TO HOLD AUCTION SALE

The Donley County 4-H Club will hold a farm auction sale in the near future, says County Agent H. M. Breedlove. The sale will probably be held the latter part of April or early May and will be held at the fair ground building in Clarendon.

The 4-H Club will get 5% of all items sold at auction and will receive 1% of any item where the owner rejects the bid and in this case it cannot exceed \$6 per item.

They can list items at his office or at the Farmers Home Administration right next to the county agent's office. Mrs. Jane Moore in that office will take the listings if the county agent is not in his office. Several items have already been listed, including tractors, self propelled combine, farm garden plows and several other items. Any usable item is eligible to go into the sale.

Everyone is urged to hurry with

their listings so that advertising can start in the near future and the sale date can be set. Breedlove says that the money the club gets from the sale will be used to pay off the note on the 4-H club bus and to set up an operating fund for the Donley County 4-H Club. All club funds will be handled by a club treasurer to be selected by the club members. Noon meal will be available at the fair grounds.

All items sold at auction will pay 5% to the Donley County 4-H Club and the club will pay the auctioneers and all expense for handbills and advertising before the sale. Breedlove says that farmers and other persons are urged list items they wish to put in the sale at once.

Sealed Bids Open For Carrying Mail

Sealed bids will be received by the Post Office Department regarding the letting of the contract for carrying the mail from Shamrock to Amarillo one-way daily for the period of one year beginning July 1, 1958.

The contractor is not required to carry other than first class mail. It is estimated that there will be a maximum of two pouches per trip.

The carrier will leave Shamrock at 6:50 p.m. daily except Sundays and holidays and arrive in Amarillo at 9:00 p.m.

Any person interested in further information regarding this subject may contact acting Postmaster Bill Reeves in McLean.

Kay Stubbs Wins Beauty Contest

Kay Stubbs, daughter of Mr. and Mrs. Bill Stubbs, was chosen as winner of the 1958 Lions Club beauty contest which was held in the high school auditorium Tuesday night. Miss Stubbs will represent the McLean club in the district contest to be held in Dalhart early in May. She was sponsored in the local contest by Richerson-Lamb.

Runner-up in the contest was Marsha Andrews, who was sponsored by The McLean News.

Third place winner was Martha Cardwell, who was sponsored by Brown's Rexall Drug. Thirty-eight girls competed in the contest.

Lion W. C. Simpson was in charge of arrangements for the annual event this year and Lion Gerald Hill served as master of ceremonies.

A quartet composed of Jane Simpson, Jeanne Brown, Gladys Stewart and Mary Boyd entertained while the judges were picking the winners. Betty Dilbeck accompanied the quartet at the piano.

Lion President Amos Page announced the winners and presented awards to them.

From the State Capitol HIGHLIGHTS AND SIDELIGHTS

By VERN SANFORD

Insurance Problems
New names. New faces. But the same old problems plague the state insurance liquidation division.

The next Legislature undoubtedly will step in and try to assign authority and responsibility more definitely—possibly overhaul the whole system.

Latest chapter in the division's history of cross-crossed efforts is the appointment of a new general counsel to the liquidator. He is Cecil C. Rotsch, former assistant attorney general.

Significant aspect of this is that Rotsch was appointed by Insurance Commissioner William A. Harrison. Whether the State Insurance Board, which Harrison represents, or judges of the receivership courts have the right to appoint attorneys for liquidation has been at issue for some years.

Last year Austin District Judge Charles O. Betts appointed Renee Allred, Jr., counsel for receivership cases pending in his court. This prompted the Insurance Board to institute a suit to get a Supreme Court ruling. But the high court's opinion didn't help. It said the board was given authority to name the liquidator's attorney, but that courts could step in and name one, too.

At Home—NEW BOSS

Mr. and Mrs. Elmer Gudge of Amarillo are the parents of a boy born Saturday, March 22. He has been named Boyd Allen. Grandparents are Mr. and Mrs. John Gudge of McLean and Mr. and Mrs. R. B. Jones of Amarillo.

Band Members Play in Canyon

Members of the McLean High School band under the direction of Bruce Cook, competed in the University Interscholastic League contest held at West Texas State College in Canyon Saturday.

McLean entrants were Dorothy Paskan, 1st division, bass clarinet; Melvin Butrum, 2nd division, French horn; Linda Guill, 2nd division, French horn; and Ruth Paskan, 2nd division, bass clarinet.

The local band was recently named the best band in its division at the St. Patrick's Day parade in Shamrock.

The American Red Cross drive in McLean is nearing completion but is about \$100.00 short of its goal, Fund Drive Chairman Freeman Melton, Jr., said Wednesday.

Mr. Melton said that the volunteer workers had called on every home in town but that they had been unable to contact everyone since many persons were not at home when they called.

He added that if anyone who was missed would care to contribute they could mail a check to himself or to Local Chairman Cliff Day.

Mr. Melton said that he would certainly like to be able to report that McLean had raised its quota in the same way that most worthwhile projects are done here and he believed that contributions from those as yet not contacted and those who might wish to give more would put the \$931.00 quota over the top.

Judge Purcell Files As Candidate for State Court Office

District Judge Graham Purcell of Wichita Falls has filed as a candidate for the Texas Court of

Criminal Appeals.

Judge Purcell, a lifelong Democrat, presides over 80th District Court. He was re-elected to a four-year term in 1956.

The judge was born on a farm in Archer County and was active in 4-H Club work while attending public school there. He graduated from Texas A & M in 1941 with a degree in agriculture.

He served five years in the Army during World War II and was discharged with rank of major after two years overseas duty.

Judge Purcell, now 38, received his law degree from Baylor University in 1949 and practiced law in Big Spring and Wichita Falls.

His parents still farm in Archer County, an adjacent North Texas County.

Judge Purcell is married and has two sons and a daughter. He is an active Presbyterian. Judge Purcell is engaged in scouting and is a leader in the fight against juvenile delinquency in North Texas.

Dear Friend:

Many questions come to me in letters I receive from friends in Texas. They are questions about unemployment and what can be done to provide more jobs for our people—questions about the possibilities of reducing taxes—questions about the Social Security program, the farm problem, and many other subjects.

Many of these questions are of general interest. I have therefore decided to answer some of them in this news letter—although, of course, I reply directly to people who write me. The answers given are based on the best information available from Congressional committees and executive agencies—and, when they involve a question of personal opinion, on my own views.

Is the present business slump likely to turn into a depression? All of us hope not. Personally, my confidence in the future of our country is strong. I do not accept the theory that our nation is foredoomed to "boom and bust" cycles. I believe the American people have the initiative, the energy, and the courage to tackle any problem, no matter how big.

Between five and six million people are out of jobs. What is the government doing about unemployment?

Approximately two million potential jobs could result from enactment of various measures pending before Congress.

The accelerated highway program would create a potential of 600,000 jobs. The bill providing this has been approved by the Senate Public Works committee and will be taken up by the Senate in the very near future.

The housing bill would create a potential of 600,000 jobs.

is good business to keep records and read the tax instructions throughout the year before we make business and personal transactions. In case you haven't gathered together your W-2 forms, your tax records, and started working on your tax, you better start gathering right now. The Internal Revenue Service requires all the W-2 forms. Don't forget to get all of them and send them along with your tax return so that Uncle Sam won't have to write you a nice letter asking for them.

A speed-up in expenditures of money already appropriated for civil and military public works would create a potential of 480,000 jobs. The resolutions I introduced calling for such a speed-up have been approved by Congress.

The \$1,500,000,000 omnibus rivers and harbors bill approved by Congress would create a potential of 60,000 jobs if the construction were accelerated and compressed into six months.

Is anything being done to help the farmers?

We have passed a farm bill that would prevent further reduction in acreage allotments and keep farm prices from being forced down further. This is not all that needs to be done to meet the farm problem, but it is at least a step in the right direction.

Your questions about current issues will be welcomed. So will your comments, your suggestions, your criticisms.

Awesome Spectacle, Visual Wonders in 'Ten Commandments'

Tremendous spectacle, the special trademark of Cecil B. DeMille, backgrounds the reverent and dramatic human story told in his newest production, "The Ten Commandments."

With Charlton Heston, as Moses, Yul Brynner, as Ramses II, Anne Baxter, as Nefretiri, Edward G. Robinson, Yvonne De Carlo, Debra Paget and John Derek heading a vast starring cast and 25,000 extras, the massive dramatization of Exodus contains scenes reviewers and audiences have called monumental, awe-inspiring, overwhelmingly magnificent and of sheer visual wonder.

Now showing at the Texas Theatre in Shamrock, local audiences will have their first opportunity to see the re-inactment of such Biblical scenes as the building of the glittering city of Per-Rameses; the terrifying plagues; screen history's most enormous scene, the Exodus; the pursuing chariot army of the Pharaoh; the Pillar of Fire; the parting of the Red Sea and the engulfing of the Egyptian; the orgy of the Golden Calf; and the writing of the Commandments in the stone of Sinai by the fiery finger of God.

OCEAN TO OCEAN ACROSS SOUTH AMERICA—AND BACK—IN 41 HOURS!
CHEVY'S NEW V8 LEVELS THE HIGHEST, HARDEST HIGHWAY OVER THE ANDES!

To prove the durability of Chevrolet's radical new Turbo-Thrust V8,* the tremendous flexibility of the new Turboglide transmission,* the incredible smoothness of Full Coil suspension, we tackled the most challenging transcontinental road in the world — the 1,000-mile General San Martin Highway. To make it harder, the Automobile Club of Argentina sealed the hood shut at Buenos Aires — no chance to add oil or water or adjust carburetors for high altitude.

So the run began — across the blazing Argentine pampas, into the ramparts of the forbidding Andes. Up and up the road climbed, almost 2½ miles in the sky! Drivers gasped for oxygen at 12,572 feet — but the Turbo-Thrust V8 never slackened its torrent of power, the Full Coil springs smothered every bump, the Turboglide transmission made play of grades up to 30 percent. Then a plunge to the Pacific at Valparaiso, Chile, a quick turn-around and back again. Time for the round trip: 41 hours 14 minutes — and the engine was never turned off!

*Extra-cool option.

The sure-footed Chevrolet puffs past a road sign that says "danger" — and ahead lies the toughest part of the perilous Andean climb!

FACTS SHOULD RULE
 Human fallibility and downright bad judgment continue to plague the effort to relieve natural gas producers of some of the burdens of federal regulation—burdens which, in the view of many, were never intended by Congress.

About two years ago, it will be remembered, a corrective bill passed Congress. But improper lobbying methods had been used in its behalf and because of this the President used his veto. Significantly, in the veto message, he expressed himself as being in general agreement with the bill's intention.

This year it seemed that another and similar bill, known as the Harris-O'Hara bill, had an excellent chance of gaining approval. Then the sponsor of a fund-raising dinner for a leading Congressman solicited money on the grounds this Congressman supported the gas bill. A furor resulted and it is now said that the bill's chances are poor, if not actually dead.

If that is so, the country will be the loser. As one observer points out, "The entire gas-producing industry is being charged with an act it did not authorize and with which it had no responsibility." There is only one way to view such proposed legislation, and that's on its own merits. Natural gas production is a highly competitive and extremely risky undertaking. Prolonged regulation of the kind now in effect cannot help but discourage exploration, and deprive the country of gas it wants and needs.

There is no question here of excusing unethical conduct as it may have been applied to this or any other piece of legislation. But facts should rule.

WHO NEEDS EXERCISE?

Professor Thomas K. Cureton, Jr., a member of the physical education faculty of the University of Illinois, says we Americans grow old disgracefully young because we don't or won't take any exercise.

In fact, he defines middle age as 26 for most of us. Biceps are gone with the bison. Hothouse living is showing up. Our muscles are flabby. What's worse, we are letting our children grow up without even taking as much exercise as we did when we were building what we have left now.

The professor says we should get with it—take more exercise. He advocates walking, running, skating, skiing, dancing, canoeing, rowing, climbing and cross-country hiking.

Here's where the professor shows his provincial upbringing.

In this Panhandle of Texas city of Perryton we will have to rule out immediately four of these by virtue of terrain unsuited to such. We can't fancy ourselves canoeing, rowing, skiing or climbing around here. If we get to Wolf Creek Dam and Lake Fryer we might canoe or row, but skiing and climbing, never.

This leaves walking, running, skating (roller skating, of course), dancing and cross-country hiking.

All of us would agree that cross-country hiking should be left to the true athlete in these parts, what with the nearest hamlet (Farnsworth) located 10 miles away.

This leaves walking, running, skating and dancing. We may as well leave out running for the middle aged—might bring on a collapse.

We still have walking, skating and dancing. Skating is on the doubtful side. Certainly we can't expect adults to strap on roller skates right here in Perryton in this day and time. This would look sillier than riding a bicycle, a European custom that hasn't taken hold here.

This leaves walking and dancing.

We would argue with the professor about the virtues of dancing as true exercise. Too often it is associated with the noxious fumes of cigarettes, sometimes (perish the thought) with the consumption of alcoholic beverages, and usually with the attendant health peril associated with late hours and insufficient sleep.

We seem to have narrowed the choice down to one—walking.

Care for a stroll, anyone?—Ochiltree County Herald.

Cash-Harrell
 W. F. Harrell and Miss Dollie Cash surprised their friends Wednesday when they went to Clarendon and got married.
 The bride is a daughter of Mr. and Mrs. C. A. Cash of north of town, and having been raised here, is well known to McLean people.
 The groom holds a position in the Elite Barber Shop. He has been here only a few months, coming from Hedley last fall.
 The News joins their friends in wishing for "Shorty" and wife a long, happy and prosperous married life.

Personals
 Miss Jessie Alexander went to Hedley Saturday and returned Sunday.
 W. R. Patterson, our good looking county clerk, was over from Lefors Monday.
 A. B. Gardenhire was here this week from Montoya, N. M.
 A. Peterson of Amarillo, general passenger agent for the Rock Island, spent several days in the city this week on business, returning on the afternoon train Tuesday. Mr. Peterson is an agreeable gentleman and has many friends in McLean who are always glad to see him when he comes to town.
 Col. Henry Thut of Lefors was in the city Tuesday attending to business and looking after important matters relative to his re-election as county treasurer next July. As the law giving women the vote has not been passed yet, he is not telling the ladies what a good fellow he is, but no one has been heard to say that Mr. Thut's smile will not be a winner with the suf-

ragettes.
 The Baptist Ladies Aid met with Mrs. Pollard Tuesday afternoon. There were seven present with one new member. They will meet at 3 o'clock next Tuesday with Mrs. T. A. Landers, with Mrs. Reagan as leader.
 Allen Wilson returned Thursday night from New Mexico, where he had been prospecting for several weeks.
 Mrs. C. M. Cash left Thursday for Boden, where her husband went the first of the week to take charge of the Vannatta Bros. Ranch.
 Dist. Deputy of the Eastern Star, Mrs. Mattie Sibett of Higgins, was a guest of Mrs. D. B. Veatch Thursday. She lectured to the Eastern Star ladies in the afternoon.
 Mesdames Fast, Watkins and Smith, and D. B. Veatch and wife visited W. R. Patterson and wife at Lefors today.
 572 garments were shipped Wednesday to the Belgian relief headquarters from McLean.
 R. H. Stigall of Trinidad, Colo., came in yesterday for a visit with his daughter, Mrs. R. S. Thompson, and family.
 "The President is worried," says a Washington dispatch. Of course. So are we. So are all great men.
 Misses Maude Wilson and Leona Watkins went to Wellington Wednesday, returning the same day.
 Tom McKinzey of Heald was a very sick man last week, having a genuine case of German measles. He is now up and was able to go to town Tuesday.
 W. C. Best, bank cashier of Alameed, was here Monday on business.
 Mrs. L. C. Parker of near Alameed was in the city Tuesday.

BEN RAMSEY of San Augustine this week announced for re-election as lieutenant governor, advocating continued support of essential state services against hasty "scatter-barrel" blasts at Texas taxpayers. The public services of the veteran small town lawyer have not been recognized by an unbroken string of four political victories for lieutenant governor—once by a record-setting Democratic primary majority.

Selective Service direct Army, Navy, Marine Corps, and Coast Guard him they enticed 2,788.

In addition, during February the Army inducted 641 through the state's 137 boards. Three reservists were inducted into the Army and Coast Guard, as provided by law, failure to perform reserve obligations.

The state draft boards, during February, forwarded a total of 1,889 men for pre-induction mental-physical examinations. After examination at armed forces joint examining and induction stations, a total of 1,140 was found acceptable for service. The remaining 749 were rejected.

The draft boards registered 5,890 males during February, nearly all 18-year-olds. Males are required to register at a local board on their 18th birthday, or within five days thereafter. Males born after August 30, 1922, are legally obligated to be registered, except those not yet 18.

PAVING NOTICE

Forms are ready at the City Office for those desiring to have their property improved by having curbs and gutter and paving laid in front of or along their property and who wish to take advantage of the time payment method.

It will be necessary for both husband and wife to sign these papers. Method of payment: One-fourth down, balance 1, 2, and 3 equal yearly payments, 6% interest.

For those wishing to pay all cash, receipt forms are available.

Please read the other paving notice, in this paper, for instructions as to how this project will be handled. It is necessary that know soon how much of this work will be done so that we can employ an engineer.

CITY OF McLEAN

NOTICE TO PROPERTY OWNERS
DESIRING CURB AND GUTTER AND FULL WIDTH PAVING

- No curb or gutter or paving will be laid where paving does not connect with paving.
- The cost per running foot for property owners for curb, gutter and paving (36 ft.) will be \$2.75 per foot, each side.
- The City has reduced this cost 1-3 which the City will pay, giving you the cheapest paving that we know of in any town. Original cost is \$4.13 per running foot on each side.
- The City will not attempt to work this program up. It will be left to the property owners. Each block should appoint a chairman to secure the consent of each property owner for this work and to collect the property owner's share for the work done. When this has been done and the money available, the City will commence work.
- This cost will include the services of a competent engineer so that paving will be laid correctly on grade and drainage.
- Paving will be prime coat and two applications which gives you first class pavement.
- If you so desire, this can be paid for as follows: One-fourth down, balance in one, two or three years. Interest rate 6 per cent which is the rate the City will have to pay for borrowed money to do this work for you. City will execute a paving lien against your property for unpaid balance.
- This work can only be done during warm and dry weather. We would like to start preliminary work immediately and know the number of blocks of paving which will be laid, so it is up to the property owner to decide now whether or not they want this paving.
- The above price is contingent upon being able to pave at least 4 blocks and price will only be good for this summer's work.
- In considering the cost of the paving, please realize that it is returning to you in property value much more than the paving cost.

THE METHODIST MESSENGER

Jack Riley, Minister

THE MARKS OF A METHODIST

A Methodist is one who has the love of God shed abroad in his heart by the Holy Ghost given unto him; one who loves the Lord his God with all his heart, and soul, and mind, and strength, He rejoices evermore, prays without ceasing, and in everything gives thanks. His heart is full of love to all mankind, and is purified from envy, malice, wrath, and very unkind affection. His one desire, and the one desire of his life, is not to do his will, but the will of Him that sends him. He keeps all God's commandments, from the least to the greatest. He follows not the customs of the world, for vice does not lose its nature through its becoming fashionable. He fares not sumptuously every day. He cannot lay up treasures upon earth; nor can he adorn himself with gold and costly apparel. He cannot speak evil of his neighbor any more than he can tell a lie. He cannot utter unkind or evil words. No corrupt communication ever comes out of his mouth. He does good unto all men, unto neighbors, strangers, friends, and enemies. These are the principles and practices of our sect. These are the marks of a true Methodist. By these alone do Methodists desire to be distinguished from other men.

COMMISSION ON EDUCATION

The Commission met Tuesday night and discussed plans for Vacation Church School. Mrs. Tom Greenwood was appointed Superintendent of the School. Two resolutions were passed by the Commission—We will discontinue the giving of awards in the Children's Department and we will give all children entering the Junior Department a personal copy of the Revised Standard Version of the Bible.

Those present were Mrs. Guy Beasley, Cliff Day, John Haynes, Sammy Haynes, Jack Riley, and Mrs. Martha Parker, Chairman.

"LEARNING TO BE CHRISTIAN" COURSE

A group of boys and girls meet each Sunday afternoon at 4:00 p.m. to study about God, Christ, and the Church. The following students are enrolled: Sandra and Tommy Greenwood, Mike Johnson, Pat Andrews, Joe Magee, Dean and Danny Tate.

LET US PRAY

Before each preaching service during Holy Week we will have a prayer time. We encourage EVERYONE to be present and praying with the following groups:

Palm Sunday Evening, March 30—Sunday School Departments (Teachers and pupils).

Monday—The Official Board.

Tuesday—Methodist Men.

Wednesday—Youth Department.

Thursday—W.S.G.

Friday—W.S.C.S.

Saturday Commissions: Membership and Evangelism, Education, Missions, Finance.

Easter Sunday Evening: Each One—Bring One. Let's have an "old time" prayer meeting . . . Singing—Pray—Testify.

THERE WILL BE A NURSERY DURING ALL THE HOLY WEEK SERVICES . . .

TEN LITTLE CHRISTIANS

Ten little Christians, standing in a line—
 One didn't like the preacher; then there were nine.
 Nine little Christians stayed up very late.
 One slept on Sunday morning; then there were eight.
 One took a lower road; then there were seven.
 Seven little Christians got in an awful fix—
 One didn't like the music; then there were six.
 Six little Christians seemed very much alive,
 But one lost her interest; then there were five.
 Five little Christians, wishing there were more,
 But they quarreled with each other; then there were four.
 Four little Christians, cheerful as could be,
 But one lost his temper; then there were three.
 Three little Christians knew not what to do.
 One joined the crowd; then there were two.
 Two little Christians, our rhyme is almost done
 Differed with each other; then there were one.
 One lone Christian won her neighbor true,
 Brought her with her to church, and then there were two.
 Two earnest Christians each won one more.
 That doubled their number; so then there were four.
 Four sincere Christians worked very late,
 But each won another, so then there were eight!
 Eight splendid Christians—but nothing rhymes with "16";
 So we simply note that in seven more jingles there would be
 1,042 Christians, which would be quite a churchful.

CHURCH CALENDAR

March 30-April 6 Holy Week Services 7:00 p.m. each evening.
 April 7-14-21-28 Charity Circle meets at 2:30 p.m. in parlor.
 April 7 Official Board 7:00 p.m. in church parlor.

 April 20 Dr. Hubert Bagtcher will conduct our 4th Quarterly Conference Commission on Education 6:00 church parlor.
 April 22 W.S.C.S. will meet at 9:30 a.m. in the parlor.
 April 24 Commission on Membership and Evangelism will meet at 7:30 p.m. in the parlor.

YOU ARE THE CHURCH

If you fail, then the Church fails. If you criticize, it is the Church criticizing. If you are neglectful, the Church is neglectful. If you are not loyal, the Church cannot be loyal. If you do not pray, then the Church can't pray. If you do not share Christ, then the Church can't share Him. You are the Church just as you are America. You are the Democracy. If we determine to live each hour and day for Christ then the Church lives, flourishes, and the Democracy has security and strength; and men rejoice with you.

I can't forget the old placard on the little Church schoolroom: "If every member was just like me, what kind of a Church would this church be?"

Calling All Children: Children's Sermon This Sunday, March 30, 11:30 a.m. "Leading a Cat's Life"—See you in church, Sunday.

SERVICE

"GENIUS IS PATIENCE"

The compounding of prescriptions requires an infinite amount of patience. Pharmacists first check the dosage of every ingredient because it is our legal and moral duty to do so. We pharmacists must always make certain that, from the thousands of different medicines in our prescription departments, we select only the specific ones prescribed. We must carefully type on the label the directions, and permanently record the number for future reference. Because of these patient efforts your safety is assured. You can always be certain each prescription is exactly as specified.

has ordered the state liquidator to pay out \$2,181,464 recovered from the assets of US Trust and Guaranty Co. This represents some 31% of the \$7,300,000 in claims made by creditors, mostly holders of US Trust "investment certificates."

Action was made possible after the Supreme Court made final its ruling that certificate holders had no priority in claims.

Down Again

No miracle is yet in sight for the ailing Texas oil industry. Railroad Commission cut the statewide allowable for April to 2,444,571 barrels a day. It's 120,203 barrels a day less than March. Eight producing days will be allowed, one less than March.

Commission set this lowest-in-history producing schedule after hearing most major oil buyers say they could force no substantial increase in demand for oil this year. Commission operates on the philosophy that oil should not be produced unless someone is willing to buy it.

Meanwhile, Texas officials seeking action to reduce importing of foreign oil, received some hope of help in Washington. Prospect is for reduction of import quotas in line with lessened U. S. demand.

More Growth Seen

Recessor or no, Texas' rate of industrial expansion exceeds the national average and possibly will gain steam and set a new record in 1959.

So says the University of Texas Bureau of Business Research in a survey of the state's major industries.

Cited as areas of expansion were chemicals, plastics, aircraft and missiles, electronics, construction materials, metal fabrication, apparel, food processing and

More New Businesses

In the same vein the Texas Employment Commission reported an increase in new firms launched in Texas during February.
