Kenneth L. Yearwood Killed in Car Crash

Kenneth L. Yearwood, 18-year-old son of Mr. and Mrs. George Yearwood of McLean and member of the U. S. Air Force, was killed instantly early Saturday morning when the car in which he was

riding alone crashed into the rear of a cattle truck about three miles east of McLean on Highway 66. Funeral services for the youth were held Sunday afternoon at 3 o'clock at the First Baptist Church in McLean, with Dr. Buell T. Wells, pastor, officiating. Interment was in Hillcrest Cemetery under the direction of the Claborn Funeral Home.

Beauty Parade To Be Staged November 13

The annual Beauty Parade of the McLean High School Press Club will be held in the high school auditorium at 8 o'clock Thursday night, November 13, it has been announced.

The school beauty is chosen each year by out-of-town judges in the parade of beauties. Merchants sponsor the various contestants by buying advertisements in the school yearbook, "The Tumbleweed."

An incomplete list of the contestants and their sponsors is as follows (others will be included in the completed list next week): Betty Jo Allen, sponsored by McLean Hardware company; Donna Stubblefield, The McLean News; Dortha Chase, Bill Day Furniture; Pat Patterson, Brown's Drug Store; Barbara Wilson, Master Cleaners; Bethie Mantooth, T. and G. Electric. Sue Glass, C. P. Callahan; (Continued on back page)

Mrs. Henley Named Head Of Auxiliary

Mrs. Eula Henley was named as president of the newly-formed American Legion Auxiliary at a meeting held Wednesday afternoon of last week at the Legion Hall.

Officers were elected following a discussion of the possibility of forming such an association. Present to lead the discussion was Mrs. Loula Byrd of Groom, president of the 18th district, American Legion Auxiliary.

Other officers named were Mrs. Earline Smith, 1st vice president; Mrs. Ida Henley, chaplain; Mrs. Jackie Gentry, historian; Mrs. Mildred Giesler, sergeant-at-arms; Mrs. Lydia Smith, secretary; and Mrs. Fay Jones, treasurer.

The auxiliary will meet the first and third Thursday nights of each month at the Legion Hall, the new president said. Every woman who is eligible is urged to join and aid in making the organization a success.

Women eligible to belong include the mother, wife, sister, or daughter of a Legionnaire, Mrs. Henley said.

Mrs. Byrd was in McLean a week prior to the organizational session, and outlined to several Legionnaires' wives the purpose and aims of auxiliary units. She then offered to return last week and aid in forming the organization here.

Tigers to Meet White Deer There Friday

The McLean Tigers and the White Deer Bucks will literally "lay on the line" their chances for the District 1-A football title when the Tigers go to White Deer Friday night. The game will start at 7:30 o'clock.

A defeat will practically eliminate either team from a chance at the district championship, although there is a mathematical possibility of retaining a chance at a tie.

Of the six teams in the district, all teams have lost only one game, with the exception of Clarendon, a two-time loser. White Deer lost to Canadian on penetrations, when the two teams met three weeks ago and tied 6-6. Then White Deer came back and downed a favored Panhandle eleven 25-20 the following week to give the Bucks a 1-1 record.

McLean, on the other hand, has won over Lefors 20-0, the team that last week blasted Canadian 31-6; and last week the Tigers lost to Panhandle 26-7, although the final score was not indicative of the playing which went on on Duncan Field.

The Bucks will be the favored team, and, as a matter of fact, the White Deer lads are favored to take the 1-A crown. Their coach, James Love, is the same James Love who piloted the Lefors Pirates to district titles two or three years ago.

McLean will go into the game in fair shape. Eddie Reeves suffered a bruised shoulder in the third quarter of the Panhandle game, but will likely be able to play. The bruise was to inner muscles, and Coach Don Leach said that, unless the soreness spread to the bone, Reeves should be ready to return to battle. No other serious injuries were suffered in the Panhandle affair, although the Panhandle lads were the heaviest, on the average, which the Tigers have met thus far.

A large crowd of McLean fans are expected to be in White Deer for the game. Leach emphasized the starting time of 7:30 o'clock, urging local fans to start early enough to make the first kick-off.

Irrigation Meet In Clarendon

Irrigation is fast coming to the front in Donley County, and farmers need information on irrigation and what to expect if they get an irrigation well.

H. M. Breedlove, county agent for Donley County, has arranged for a county-wide meeting on the night of November 13 at the courthouse in Clarendon in the district court room at 7:30 o'clock.

R. V. Thurmond, irrigation specialist for the Texas A. and M. College Extension Service, will be present to talk on irrigation. He will discuss basic fundamentals on irrigation and development of ground water. He will also show some color slides on irrigation practices and discuss them.

He will try to answer any question that you might have on this question.

Breedlove is urging that everyone interested in irrigation attend this meeting.

Scoring: Panhandle 26 (Dale Roselius 18, Gary Cummings 8), McLean 7 (Eddie Reeves 6, Rodney Gunn 1).

The Panhandle Panthers, capitalizing on all their breaks, racked up the McLean Tigers to the tune of 26-7 in a District 1-A game played on Duncan Field last Friday night.

It was a heart-breaking game, which saw the Tigers win on

statistics but lose on the new, large scoreboard erected during the week by the McLean Jaycees.

The Panthers got off to an early start, with Dale Roselius, the smallest man (136 pounds) on the otherwise large Panhandle team, starting the scoring with a 46-yard touchdown jaunt on the first play from scrimmage for the visitors. McLean pulled out in front in the same quarter when Eddie Reeves jumped over the mass of players from the 1-yard line and Rodney Gunn converted. Then the Panthers came back to score seven points in the second quarter, never to lose that lead as they racked up two more markers in the final period.

End runs were a part of the Tiger downfall, as Roselius made consistent yardage on a fake pass and end run play. Dean Lewellen, 176-pound Panther back, was the work horse for the visitors on line plays, but they were never

able to make long gains through the line.

The Tiger line held well throughout the game, but breaks went against the home eleven. One drive in the second quarter was halted, and the game might have ended differently if the necessary yardage could have been made. Then another bad break came in the final play in the third period when the Tigers fumbled a punt and Panhandle recovered on the McLean 11—it was after that the Panthers scored two more touchdowns.

Another factor which hurt McLean was the loss of Eddie Reeves in the third quarter. He suffered a bruised shoulder and was taken out and was never able to return.

The scoring went as follows: Following the kick-off to McLean, the Tigers punted, with the ball settling on the McLean 46. On the first play from scrimmage, Roselius circled right end, and

White's Store Is Taken Over By O. L. Barr

Announcement was made Monday of the change of management of the White Auto Store from W. E. Bogan to O. L. Barr. Barr took over the store Monday afternoon.

Barr stated that the name will be changed to Your Home and Auto Store. The White franchise will be discontinued. The store is to be re-stocked in the near future, Barr explained, and new lines of merchandise will be carried.

The new manager of the store will re-open very soon the wholesale auto parts business known as Barr's Automotive Supply. He said that this business will be located in the space immediately east of the Texas Cafe, the same location the firm had several years ago. Only wholesale parts will be handled by the automotive supply.

Re-stocking of the Your Home and Auto Store will be done as soon as some of the merchandise now in the store is sold. Barr stated that different lines of merchandise, such as auto parts and accessories, tires, tubes, appliances, etc., will be handled, and that these lines will not be handled through the former White franchise.

Bogan said his plans for the future are indefinite. However, he will continue to serve as county deputy tax assessor, and will, in addition, do book work for various firms in McLean.

Hold That Line—But Wait, It's Girls On Football Field

Did you ever see girls play football?

You'll have that opportunity next Tuesday night, when a group of McLean High School girls play a similar group from Lefors on the Lefors field. The game will start at 7:30 o'clock.

Actually, the game will be a form of touch football. It has been carried on at the University of New Hampshire, and also at many New Hampshire and California schools, for a number of years. And there's been no casualties to date, either, officials of the schools say.

The McLean-Lefors game will be sponsored by the Future Homemakers of the two schools. However, all high school girls, whether they are members of the F. H. A. or not, will be eligible to play. Their coaches will include Paul Kennedy, Freeman Melton Jr., and Mrs. J. D. Coleman. It should be quite a game.

LaJune Chilton Harvest Queen At '52 Carnival

Miss LaJune Chilton, candidate from the senior class and daughter of Mr. and Mrs. Josh Chilton, was crowned Harvest Queen of 1952 at the close of the annual Halloween Carnival held last Thursday night. The carnival was held in the Municipal Building, and the coronation ceremonies were held in the high school auditorium.

The various activities attracted a large crowd of 1,000 or more people at the carnival. For the coronation, 500 or 600 overflowed the auditorium to watch the ceremonies.

Miss Chilton was crowned by Howard Birdwell, her escort, and then Birdwell gave her the traditional kiss.

Miss Floella Cubine served as mistress of ceremonies for the coronation, announcing each of the princesses and princes from the elementary grades, and then the four queen contestants and their escorts from high school.

Crown bearers, from the 1st grade, were Toni Mertel and Jake Hess. Other class representatives were as follows: 2nd, Mary Lee Cobb and Ronnie Brown; 3rd, Karen Day and Bobby Lee Gilbreth, and Nancy Jean Hess and Clyde Allen Windom; 4th, Marsha Andrews and Ronay Howard; 5th, Bobbie Jean Turner and Dickey Jack Smith; 6th, Loretta McIlroy and Melvin Butrum, and Linda Grimsley and Billy Crockett; 7th, Darla Jane Hill and Clyde Richard Brown; 8th, Betty Dickinson and Gayle Mullanax, and Peggy Bragg and Glen Guthrie; freshmen, Leona Gossett and Gerald Tate; sophomores, Mavis Medley and James Smith; and juniors, Ona Gail McPherson, and Glen Pharis.

The carnival booths fared well as far as money was concerned. No report on the total amount made by the booths, one sponsored by each class, was made, but all booths were well patronized.

'Landslide Gives Ike Total 442 Electoral Votes

A record turn-out at the polls—in McLean, Gray County, Texas, and all the rest of the nation—gave General Dwight D. Eisenhower a landslide backing in Tuesday's election, the Republican candidate gaining (on unofficial and incomplete returns) almost the largest number of electoral votes ever received by a presidential candidate from that party.

Governor Adlai E. Stevenson, the Democratic nominee, conceded defeat at 12:45 o'clock Saturday morning in a beautifully-worded and brief statement issued in Springfield, Ill. He sent a message of congratulations to Eisenhower, who, about 30 minutes later, made a brief, humble acceptance talk in New York.

The unofficial electoral vote was 442 for Eisenhower and 89 for Stevenson. Complete returns were not in on many of the states, but political observers said the trend was not likely to change.

In the two boxes in McLean, a record number of 740 votes (a record for a general election) were cast. Of these, Eisenhower and his running mate, Richard Nixon, got 441, and Stevenson and Senator John Sparkman received 299. The percentage in McLean was nearly 6 per cent for the Republican candidates.

Incomplete figures gave Ike a whopping 6,827 to 4,148 in Gray County's unofficial returns. Stevenson carried only four of the 18 boxes in the county, the largest majority coming from Lefors where he racked up 287 to Ike's 193.

In Alanreed, another box which Stevenson carried, he got a two-vote margin—63 for Adlai and 61 for Ike. Stevenson also carried the Pampa Precinct 12 by a vote of 444 to 434, and Phillips Camps 129 to 125.

Eisenhower carried the county's largest precinct, No. 10, by more than three to one—1,115 to 384. However, the Republican candidate for commissioner of Precinct 2, Clayton Husted, was trailing the Democratic nominee, W. E. Jarvis, 3,211 to 1,891.

Only three counties in the High Plains went to Stevenson, and there was a possibility that one of them, Moore County, could be changed by complete returns. The other two Stevenson counties were Cottle and Hall.

Virginia and Florida were two Southern states definitely in Ike's column. The general's lead in Texas was great enough to assure him victory in this state also, and he held a slim lead in complete returns in Tennessee. Border states of Oklahoma, Maryland, and Missouri (President Truman's home state) also went to Eisenhower. Stevenson even lost his home state of Illinois in the landslide.

The trend to Eisenhower was taking shape in returns by 9 o'clock Tuesday night. By 10 o'clock, such commentators as H. V. Kaltenborn were already conceding victory to the Republicans. By 11:30, a number of states had already conceded victory to Eisenhower, with the big one, New York, taking the first step in conceding. California conceded that state less than two hours after the polls closed there.

Eisenhower led in the popular vote by about five million votes in the Wednesday returns of about 48 million. The vote is expected to total between 55 and 60 million, the largest ever cast in a general election. In Texas, the total vote is expected to exceed two million.

All of the "big" states, that is, the states with the greatest number of electoral votes, went to Ike. These included New York (45 votes), California (32), Illinois (27), Pennsylvania (32), Ohio (25), Texas (24), and Michigan (20).

It's National—FHA WEEK

By Laura June Stubblefield

This has been declared National Future Homemakers of America Week. This organization was organized in 1945 for the pupils studying homemaking in junior and senior high schools. It creates interest in working toward better home and family life.

The organization's official colors are red and white, and the flower, the red rose, because it is capable of being cultivated in every state and territory of America. The motto is "Toward New Horizons."

The Future Homemakers of America have eight purposes:

1. To promote a growing appreciation of the joys and satisfaction of homemaking.
2. To emphasize the importance of worthy home membership.
3. To encourage democracy in home and community life.
4. To work for good home and family life for all.
5. To promote international good will.
6. To foster the development of creative leadership in home and community life.
7. To provide wholesome individual and group recreation.
8. To further interest in home economics.

Our local officers are: president, June Stubblefield; vice president, Lorraine Medley; secretary, Sarah McClellan; treasurer, LaRue Pettit; reporter, Christine Hunt; and song leader, Floella Cubine.

Our main project for this year was to send packages to Germany and Korea. We succeeded very well in our plan. I had the pleasure of attending the state meeting in Dallas last year. It was a real inspiration to see representatives from all over Texas gathered into one body to discuss and exchange new ideas for leadership in home and social life. It made me and many others realize that truly "Today's Youth Is Tomorrow's Hope."

Mesdames Mattie Graham, C. O. Goodman, T. E. Crisp, F. E. Hambright, Karl Adams, Kid McCoy, and H. E. Franks attended the fall meeting of the district Presbyterian in Pampa Wednesday of last week.

60 Cars of Watermelons

Two cars of watermelons were shipped from this station this week and it is believed that this will officially and finally close the shipping season for the year. The total number of cars shipped was 330 as compared with 270 last year, an increase of a little more than 21 per cent.

A statement from Agent D. A. Davis confirms the assertion here made that prosperity was rampant in this section this fall, though the extent of it is hardly realized by the casual observer. The station business of the month of September shows an increase over the same month of last year over \$2,000. The car shipment of watermelons during September

of this year was 240 and last year there were only 151.

Hallowe'en Party

The Hallowe'en party given by the Mothers Club at the high school auditorium on last Friday night was an alarming success and afforded a pleasurable evening of enjoyment for every child as well as older ones. The principal feature of entertainment was a spook drill by pupils of the high school directed by Prof. Biggers, who was dressed in some outlandish costume representing an aged ghost, possibly an oracle or some wise, mythical god who directs the maneuvers of the uncanny tribe of specters.

All of the rank and file of ghosts, with one or two exceptions, were dressed in white, in-

cluding masks, and there were various sizes and shapes of them. But for the absolute evidence of the sense of sight, one would have thought them human beings of the earth. Their drill was very prettily executed.

In prettily decorated booths at each side of the building, Mrs. S. O. Cook and Mrs. J. H. Horton delighted the company with readings and other modes of looking into the future at 5 cents per look. They made many sage guesses as to the hopes and expectations of those who crossed their palms with the necessary, and the performance created considerable amusement.

Mrs. J. W. Sugg was dressed as an old witch, and, armed with a broom, she made continuous scatterments among the children, milling round and round to the delight of them all. Once a few of the children displayed sufficient foolhardy bravery to approach her in a playful manner, but one swipe with the broom would dispel them along with their bravery.

Misses Ruby Rice and Mildred Bundy had a pretty candy booth and dispensed sweet mints and pumpkin pie as long as their supply lasted. Miss Pearl Guill sold popcorn and peanuts and the two booths cleared a nice sum.

Those in charge of the entertainment were delighted with the outcome, and expressed the belief that a much larger sum would have been realized had they secured a larger supply of candies and popcorn.

NEWS FROM KELLERVILLE

(Too late for last week)

The Lazy Daisy Sewing Club met in the home of Mrs. E. C. West Thursday, with Mrs. Roy Lynch as a new member. Refreshments of pumpkin pie and coffee were served to Mesdames Harris D'Spain, O. L. Thompson, Brent Chapman, Roy Lynch, S. B. Kiser, W. S. Marshall, and Clarence Drum; and two visitors, Miss Marjorie West and Mrs. B. T. McClellan. The next meeting will be with Mrs. C. Drum on November 5.

Mr. and Mrs. Elmer Immel and family spent the week-end in Chillicothe with Mrs. Immel's grandparents, Rev. and Mrs. W. E. Brown.

Mrs. Kenneth Bruton and sons Lee and Jerry, of White Deer spent Sunday in Pampa in the home of Mrs. Bruton.

Mr. and Mrs. J. M. Bruton went to Anadarko, Okla., Wednesday to attend the funeral of her uncle, Karl Douglass.

Rev. D. L. Hunt attended the Baptist convention at Fort Worth last week.

TAXES

DO YOU KNOW what happened to \$1,648 of your money last year? If your family is an average one, with four members, that much of its income went for taxes, federal, state, and local, according to Commerce Department figures.

And things are getting worse instead of better. The total tax take of government in 1951 was \$63,600,000,000. This year the combined taxes will total around \$80,000,000,000.

Taxes now account for at least 30 per cent of the whole national income—which means that one-third of our working time is spent to support the government, not ourselves and our families. A very large part of the cost of everything we buy—from so small an item as a loaf of bread to so large a one as a new car—is represented by taxes. It's literally true that you can't walk a block without kicking in to the tax collector—at the least, you'll cause some wear on your shoes and when you have to replace them taxes will enter into what you must pay for the new pair.

The theory that taxes needn't worry most of us, for the reason that the bill can be paid by the rich, was blown sky-high long ago. The rich are taxed to the point of confiscation now, and if we took a cool 100 per cent of their earnings it wouldn't carry government for more than a few weeks out of the year. The people of small and moderate means must do the great bulk of the paying.

These are facts—not theories. Do you think it is in your interest to take the waste and corruption out of government—and cut taxes? You won't find many people who want to cut down on the necessary expenditures for defense. But so many of the activities, unnecessary activities, are not helping the defense program one bit.

But, you say, what can you do? You are represented in both Washington and Austin by men who, each day their respective legislative bodies are in session, are faced with decisions. They want to make the kind of decisions the people they represent want them to make. How many times have you recommended to your representatives how you want them to "run the government"? You do have a responsibility to give your representatives your ideas, and your representatives, whoever they may be, will likely go along with the ideas of a majority of the people they represent.

LES TALK

By LESTER

The other night at the coronation of the Harvest Queen at the conclusion of the annual Halloween Carnival, about 500 or 600 people started getting out of the high school building at one time. There was one door for an exit. I've noticed before that, generally speaking, when something interesting enough to attract a large crowd is held in the auditorium, only one door is used for an exit. Ruel Smith called it to my attention the day after the coronation of the queen, and he was wondering what would have happened if someone had cried out "fire" in the middle of the program. I agree with him that the chances are some person or persons would probably have been hurt in the rush. Maybe even killed. Since I have been in McLean, I have been to a large number of affairs in that auditorium, and I can't remember that the front door on the west side has ever been open. Actually, I don't think it can be opened—at least one member of the school board wasn't able to get it open last Thursday night.

To be on the safe side, or at least a safer side, the school board should see to it that both hall doors are open at the end of such performances. And also that the front west door is repaired to the extent that it can be opened—that is, if it needs repair.

Haven't missed one of the Hallowe'en Carnivals in six years now. And each year I am simply amazed at the fine attendance. I wouldn't know how to estimate the crowd last week, but I honestly believe there were at least 1,000 people there, perhaps more. The auditorium was overflowing following the carnival, and I understand it holds more than 400. Surely not everyone who attended the carnival stayed for the coronation. Anyway, the carnival is always such a fine success, and, although it has its opposition from some people, I hope that it is continued from year to year.

Sure hated for us to lose that football game Friday night, but it's over and we did. We beat them on everything except the score which was posted on the new scoreboard erected by the Jaycees. We beat them on first downs, yards rushing, yards passing, etc. But the score was Panhandle 26, McLean 7.

The loss throws the District 1-A race into quite a mix-up. Look at this:

	W	L
Canadian	2	1
Lefors	2	1
McLean	1	1
Panhandle	1	1
White Deer	1	1
Clarendon	0	2

In other words, if we win our

other three games, we will have a cinch for a tie for the 1-A crown. It is mathematically possible for us to win two of the remaining three and still tie for the title, but it isn't likely.

Canadian has beaten Clarendon and White Deer, lost to Lefors. Lefors has beaten Canadian and Clarendon, lost to McLean. McLean has beaten Lefors, lost to Panhandle. Panhandle has beaten McLean, lost to White Deer. White Deer has beaten Panhandle, lost to Canadian. Clarendon has lost to Lefors and Canadian.

Quite a mix-up, isn't it? Next week, however, the mix-up will likely be unsnarled. Either McLean or White Deer, who meet next week, will have to lose, and the loser will probably be out of the race. And so will somebody else—I don't know who else plays, but someone else will be out after next week.

We play in White Deer, so let's all be on hand and help our boys over the hurdle. Sure would like for us to be district champs, and we have the team if all of us will just get behind them.

This is being written before the election, so I don't know how it turned out. The way we have to arrange our work here, I am unable to wait until the last minute to write this column.

However, I do want to thank the numerous people who complimented me on my column last week. Quite a number of those were for Stevenson, but they said they like the way I stated my case and they respected the fact that I was not afraid to take a definite stand on the election. I really appreciated those comments from all of you.

Regardless of who is the winner—we'll know when this is read—I sincerely hope that I offended no one with what I said. I didn't mean to offend anyone, unless it might be the present president. Seems like it's hard to offend him, however.

Anyway, no matter who will be the next president, perhaps we can live over it. But I intend to keep on doing what little I can to stop this socialistic trend—it is most frightening to me.

Legion Meet Postponed

Mike M. McCully, 18th district commander of the American Legion, Department of Texas, announced that the annual convention originally scheduled for November 8 and 9 in Bedford has been postponed to November 29 and 30. The change in dates was necessitated by the over crowded conditions of hotels and tourist courts of Bedford during the gathering of the largest bumper crop of lettuce in Deaf Smith County history. Hereford officials indicate that the lettuce harvest will be completed before the latter dates.

Rev. Bill Arms, immediate past captain of the American Legion and pastor of the Gateway Baptist Church in Fort Worth, will deliver the keynote address of the convention on Sunday morning, November 30. Rev. Arms is generally known for his fight against the encroaching threat of communism in America. Recently he and veteran members of his Fort Worth congregation picketed a communist meeting in Fort Worth, handing out brochures of communist speakers' backgrounds and playing the national anthem and other patriotic songs from a sound truck.

At an all-time high for this year in the 18th district with the results of the Legion's "L" Day, which was proclaimed by Governor Shivers and the local mayors of hundreds of towns, not tabulated.

Mr. and Mrs. Kenneth Goodman and children of Amarillo spent the first of the week with their parents, Mr. and Mrs. C. O. Goodman.

Sgt. and Mrs. Carol Fitzgerald of Amarillo spent the weekend here with her parents, Mr. and Mrs. Glenn Jolly. They visited Sunday in Spearman with Mrs. Jolly's parents, Mr. and Mrs. E. E. Walker.

Donley County—SOIL NEWS

Edwin Eanes will be the Donley County Soil Conservation District's entry in the 1953 speaking contest sponsored by the National Association of Soil Conservation districts and the Spencer Chemical company of Kansas City, Mo.

This speaking contest is an annual affair of the national association of districts and is designed to stimulate more interest in the district movement.

The assigned subject for the talk this year is "The Job Ahead in My Soil Conservation District."

There will be offered the winner of the state a cash prize of \$100 plus a free trip to the annual supervisors meeting at Mineral Wells, where he or she will deliver the winning speech. A cash prize of \$100 is offered the winner of each of the seven national association areas. For the national winner is offered a grand prize of \$100 plus an all-expense trip to the national supervisors convention at Omaha, Neb., February 3-5, 1953, where the winner is to give his or her talk.

Edwin, with the able assistance of Mrs. Eanes, has his talk ready and a splendid job they did. It is certainly well written and sounds like a winner.

Edwin plans to make a tape recording of his talk and submit it with his written speech. This is allowed under the contest rules.

Dear Editor: October 24, 1952

Noticed on the wrapper of The News that my subscription expires November 7, so I am sending my check, and you can send the paper to 1765 Williston, Pampa. Once in a while I get the papers in about three weeks, but most of the time it takes four or five weeks. Hope to leave here soon after I report to processing center December 5.

Am leaving here for Korea October 26th, and will be back about November 6th. Will leave for Okinawa November 10th, and go on down to the Philippines November 13th. Will go on to Guam about November 26th and be back here November 30th. Will be plenty busy all the time I am gone, so the time will pass before I realize it.

If I go home by air, as I hope to do, it will be easy enough to get separated and home for Christmas. If I have to go by boat, I may not make it. Whether I get to go by plane depends on how many combat crews there are to return at that time. Will just have to wait and see.

Have over 300 slides of things I have seen over here. I will be wanting to show some of them at the Lions Club. Maybe I can talk you fellows into letting me. It has been a lot of fun taking the pictures, and will get a lot of enjoyment out of showing them.

Have seen a lot of Japan as I would like, as I have not been able to get off work much except some of the Sundays, but have seen a lot of interesting things.

Am sure anxious to get home and see all of you good people again. Have enjoyed reading The News and keeping up with what is going on back there.

Sincerely,
Ralph Thomas, Major

An increasing number of claims for social security payments is being received from employees and self-employed persons who are 75 years of age and still working, according to a statement from John R. Sanderson, manager of the Amarillo Social Security office. The reason is that the 1950 amendments to the Social Security Act provided that persons 75 years of age and over, otherwise entitled to social security payments, could receive the payments even though still working.

Persons in the 65 through 74 age group can receive the payments only if they are no longer earning over \$75 in wages covered by the Social Security Act, or earning not over \$900 per year in self-employment covered by the act.

Statistics show, Sanderson said.

Scholarship To Be Awarded FFA Winner

Frank M. Carter, well-known Hereford Breeder and civic leader of Pampa, has announced the establishment of a Top o' Texas agriculture scholarship to be awarded annually to an outstanding future farmer of area 1, who is a senior in high school and who has participated in the Top o' Texas FFA livestock judging contest. The scholarship award will be \$300, to be used by the boy selected to further his education in the field of agriculture at either Texas Technological College, Lubbock, or Texas A. and M. College, College Station.

This contest is held in Pampa in connection with the Top o' Texas Hereford Breeders Show and Sale and the Junior Livestock Show and Sale, which is scheduled for February 16 and 17, 1953. The announcement of the scholarship winner will be made Monday, February 16, at a banquet honoring the FFA livestock judging teams.

Carter, who has served as president of the Top o' Texas Hereford Breeders Association, has been a sponsor and furnished the awards for the Top o' Texas FFA livestock judging contest since 1945, when this contest was first established.

Each FFA chapter in area 1 will be entitled to submit one application, to be selected by local school officials. A committee of three, selected by the management of the Top o' Texas FFA livestock judging contest, will make the final selection.

Copies of rules and application blanks are being forwarded to each of the 87 FFA chapters in area 1, comprising 38 Texas Panhandle counties.

Miss Waneta Hupp of McLean was one of a group of students from West Texas State College in Canyon to attend the State Baptist Student Union convention in Dallas last week-end.

Rally for Ike Draws Group Of 200 People

Between 200 and 300 people turned out last Saturday afternoon in McLean for the first political rally ever held here for a candidate on the Republican party ticket.

Jack Alexander, attorney from Borger, was the principal speaker in behalf of General Dwight D. Eisenhower's candidacy for the presidency. He spent most of his 45-minute address flailing the present administration, and asking the crowd whether they wanted more of the same. He was applauded numerous times during the speech, indicating that the big majority of those present were Ike supporters.

Frank O'Brien of Amarillo, long-time Republican who ran for Congress as a Republican against Eugene Worley in 1946 (O'Brien carried Gray County, but no other counties in the 18th district), explained some of the details of the Republican farm program. O'Brien is a rancher near Amarillo.

L. P. Fort of Pampa, former resident of Alanreed, spoke to the crowd, placing his emphasis on the Korean war. The other speaker was Mrs. Raymond Harrah of Pampa, who said only a few words in behalf of the Republican candidate.

In addition to those mentioned, the Pampa delegation included Jones Seitz, Mrs. Forrest Taylor, Mrs. R. M. Barrett, and Mrs. Jay Meador. Accompanying Alexander was E. O. Williams of Borger. Mayor E. J. Lander welcomed the out-of-town visitors to McLean. Music prior to the addresses was furnished by Buck Henley, Gene Greer, and Cleve Hancock.

In Appreciation

The Citizens for Eisenhower committee is grateful to all who aided in any way in making the campaign of our candidate the success which it was in this area. To all of those who helped in any manner, we simply say, "Thanks from the bottom of our hearts."

It is our hope that we can all work together in the future to make this country of ours an even greater country and an even better place for us and our children to live. Elections tend to arouse bitter feelings at times, but we, as Americans, know that those bitter feelings soon evaporate when we join together to make our future brighter and happier.
