

North Pole  
Nov. 17, 1960

Dear Children:

Here it is almost time for Christmas again, and aren't all of you happy about it?

Rudolph and all my other reindeer are eagerly awaiting that big trip south, and they're getting in shape by racing each other across the heavy blanket of snow covering the North Pole.

Mrs. Santa and I started the toy factory up a few days ago, and you should see the pretty toys we're turning out.

Now, in order to know what you want us to put under your tree Christmas Eve, we'd like for you to write us a letter. The McLean News has agreed to publish each letter received in its Christmas edition on Dec. 22.

It's all right if Mother and Dad help you write. Just tell me whether you have been good the past year and what you want for Christmas. Then send your letters to Santa Claus, c/o The McLean News, McLean, Texas. You should get them into the mail by Dec. 17.

We will be visiting McLean within the next few weeks, and we hope to see you then.

Sincerely,  
Santa

## Santa Is Coming Dec. 17

Santa Claus will pay his first pre-Christmas visit to McLean Saturday, Dec. 17, at the annual party sponsored by the Lions Club.

All youngsters in the McLean area are invited to attend the event, which will get underway with a free movie at 10 a. m.

Santa is to make his appearance here with treats for the children following the show.

Plans for the party were made at a recent Lions directors' breakfast and announced at Tuesday's club luncheon.

A committee to make preparations for the yearly football banquet honoring the McLean High School Tigers was appointed by Lions President Sammy Haynes.

J. W. Meacham was named committee chairman, and members are Don Blair, Lee Welch, Jack Riley and Jack Shelton.

### To Sponsor Scouts

A report on banquet arrangements is scheduled at the next directors' breakfast.

Club members voted to sponsor a McLean Boy Scout troop which is now being organized.

Roy Hess has been chosen as scoutmaster.

One new member was introduced at the luncheon Tuesday. He is George Orrick.

Guests at the meeting were J. C. Roberts and Bob Williams of Pampa.

Tiger Coach Derral Davis, program chairman for the luncheon, showed a film of the McLean-Clarendon football game.

## Muscular Dystrophy Fund Drive Tonight

McLean volunteer firemen will conduct their annual campaign to raise funds for the fight against muscular dystrophy tonight.

The house-to-house drive is scheduled to begin at 6 p. m.

Local firemen last year collected \$401 in the campaign.

## Cotton Harvest Steps Up; Yields Are High in Area

### 1960 YIELDS COULD MAKE RECORDS HERE

The McLean area's 1960 cotton crop, expected to put more than a quarter of a million dollars into the growers' pockets, was being harvested at a faster pace this week, and the peak of the harvest is now only days away.

Gray County Agent Foster Whaley predicted that mechanical stripping of the crop should be getting into full swing this week.

A total of 161 bales of the fluffy money crop had been processed at the McLean Gin by Wednesday morning, according to W. E. Johnston, gin bookkeeper. Most of this was hand-picked, but more of the machine-gathered cotton was being brought daily to the gin.

**1,800 Bales Expected**  
Johnston said B. F. Holland, McLean Gin manager, expects some 1,800 bales to be ginned here this season. At an average of \$140 per bale, this would mean a gross income of more than \$250,000.

Whaley said the extremely cold weather and heavy frost last week completely killed the cotton plants to prepare the crop for mechanical harvesting.

Usually a waiting period of a week to 10 days after a killing frost is necessary before mechanical strippers can be used, according to Whaley.

Grade and staple length have been good up to this point, but are expected to decline some on late-planted cotton which opens after the frost.

**Field Fertilized**

Several high yields have been reported by area farmers. Dick Henley anticipates an average production of three-quarters to one bale per acre. He fertilized his Lankart 611 with 50 pounds of 6-12-6.

Henley's first bale brought \$33.12 per 100 pounds.

J. R. Giesler and O. L. Tibbets have one 12-acre field expected to yield two bales per acre.

**1½ Bale Average**

Their entire crop could average more than 1½ bales an acre, according to conservative estimates. (See HARVEST, Page 5)

## 4 Families Occupy City Housing Units

Four of the low-rent federal housing units recently completed here are now occupied and three other families applying for leases have been found eligible, Mrs. Wilma Banks, McLean housing authority secretary, said Wednesday.

She invited other families interested in moving into the units to make application at city hall.

Twelve of the brick units—containing one, two and three bedrooms—were constructed here by the federal government.

## Pictures Friday

Student pictures will be made Friday in the McClellan Creek School, Supt. Lee Welch announced Wednesday.

## Creek Project Gets Tentative OK

Tentative approval has been given to the McClellan Creek watershed upstream flood prevention project, paving the way for further studies and work preliminary to actual construction.

## Tigers Nip Lefors Pirates, 13-6, To Close 1960 Football Season

Coach Derral Davis' McLean Tigers finished off their 1960 grid season last Friday precisely as they had hoped to all fall.

They clipped the arch-rival Lefors Pirates, 13-6, in a closely matched battle on the Bucs' home field.

In so doing the Bengals broke a jinx that had plagued them

through the past 13 years. In that period they had been unable to whip the Pirates on the Lefors gridiron.

But the loss didn't keep Coach Ed Lehnick's Pirates from achieving their season goal. They still hold the District 2-A championship and will face Stinnett, titleholder of District 1-A, in a playoff

contest at 7:30 p. m. Friday at Pampa's Harvester Park.

Lefors will be the home team for the bi-district clash. Tickets are now being sold by the Pampa Chamber of Commerce at \$1.50 for adults and 75 cents for students.

Friday will mark the second meeting of the Lefors and Stinnett squads this season. In the earlier game undefeated Stinnett, now ranked No. 1 in the state among Class A teams, won 33-0.

### Bucs Go Ahead

The Pirates jumped ahead last Friday with 9½ minutes left in the second quarter, when Halfback Danny Wilemon raced 22 yards to paydirt.

The try for the extra points failed.

The first quarter had been a see-saw fight up and down the field. Then just before the period ended, Lefors took possession after a McLean punt on the Pirates' 47-yard marker.

Wilemon carried across the mid-field stripe to McLean's 48. Halfback Ronny Line scampered to the 42, and Fullback Scott Dunnam made it to the 25.

Line burst through to the 22, and Wilemon took over from there.

### Fumble Recovered

Penalties, punts and passes ate up the remaining minutes of the first half, and Lefors was on its own 10 as the intermission gun sounded.

The Tigers recovered a fumble on Lefors' 42 soon after the rest, and edged 20 yards before the Pirates grabbed a McLean bobble.

After moving in three plays out to their own 30, the Bucs chose to gamble on fourth down instead of punting. They failed to pick up a first and 10, and possession of the ball went to McLean.

## All-Foe Team Dominated by Memphis Boys

Five Memphis Cyclone gridlers were named to the all-district opponent eleven chosen this week by the McLean Tigers.

Lefors placed two on the mythical squad, Clarendon two and Canadian two.

The Tigers selected the District 2-A team by vote of the squad.

The players named included: Left end—James Blair, Lefors, 160 pounds.

Left tackle—Sam Goodnight, Memphis, 245.

Left guard—Waynes Leslie, Memphis, 165.

Center—Leon Gibbs, Clarendon, 155.

Right guard—Dee Miller, Memphis, 165.

Right tackle—Tommy Lemmons, Canadian, 185.

Right end—Philip Able, Clarendon, 170.

Quarterback—Bunky Adcock, Memphis, 160.

Left halfback—Larry Creg, Memphis, 160.

Right halfback—Scott Dunnam, Lefors, 180.

Fullback—Sparky Echols, Canadian, 180.

## Teen-Town Friday

Teen-Town is scheduled to open Friday night in the American Legion building immediately after the McLean High School senior play.

## Dairy Mart Opens; Redwines Owners

McLean's newest business establishment, the Dairy Mart, will officially open its doors Friday and Saturday on the south lanes of U. S. 66 at North Kingsley Street.

Mr. and Mrs. Frank J. Redwine, formerly of Levelland, are operating the firm.

The Redwines and their 11-year-old son, Joe, moved here several weeks ago from Levelland, where they operated a service station.

Redwine said that to celebrate the opening, free ice cream will be given to everyone between 3 and 6 p. m. Friday and free coffee and Cokes will be given with all meals Saturday.

## BOX READY FOR LETTERS

An outside mail receptacle was being erected in front of the McLean Post Office this week for the convenience of patrons.

Postmaster Bill Reeves said the new red, white and blue box makes it possible for residents to mail letters and cards without having to go inside the Post Office.

The box will be emptied by postal employees several times each day.

Reeves said the following collection schedule will be observed:

### Weekdays

8:20 a. m.—For dispatch to Kellerville, Alamo and Lefors.

9:50 a. m.—For dispatch to Quail and Memphis.

10:30 a. m.—For dispatch to Texas points and eastern and northeastern states.

4:30 p. m.—For dispatch to Texas points and all states except Oklahoma and southeastern states.

5:20 p. m.—For dispatch to all points.

### Sundays

5:20 p. m.—The only collection to be made.

### Holidays

Same as weekdays except the 8:20 and 9:50 a. m. collections will be omitted.

## Holiday Coming Up For Students, Firms

McLean students have a long, long weekend ahead, while most business people and employes will take a holiday, too.

The occasion is Thanksgiving Day, which will be observed next Thursday.

Local schools will be in session only three days next week because of the observance.

Supt. Lee Welch said classes are to meet Monday through Wednesday, and school doors will be closed Thursday and Friday.

Most local businesses will take Thursday off, then return to normal operations the following day.

## 62-Inch Rattler Killed by City Man Near Here

A mammoth aged rattlesnake lost its life in an encounter Saturday with a McLean resident.

Wilson (Slick) Boyd first used a .22-caliber rifle then a shovel to subdue the huge snake, which measured 62 inches long and weighed 7½ pounds.

Boyd first saw the rattler while driving south of McLean in Donley County. The McLeanite drove over the snake in his pickup as it lay in the middle of the road.

Stopping the truck, he shot the rattler one time through the body then after it continued to try to slither away Boyd used a shovel to cut off its head.

Boyd said the snake carried nine rattlers when killed, but others apparently had been broken off.

## McCartney Named Chairman of MOD

B. J. McCartney, McLean city manager, was appointed Tuesday as local chairman of the New March of Dimes campaign to be conducted in January.

McCartney was named to chairman the annual month-long fund-raising effort of the National Foundation by J. C. Roberts and Bob Williams of Pampa.

Roberts was Gray County MOD chairman the past year and three others will lead the county campaign next January.

The selection of McCartney was announced at the Lions Club luncheon Tuesday, when Roberts presented the organization a certificate of appreciation for its work in the drive last January.

Roberts disclosed that residents of McLean contributed more per capita to the March of Dimes this year than Pampa.

He said the drive netted between \$11,000 and \$12,000 in all of Gray County.

## BASKETBALL SEASON HAS ARRIVED AT MHS

By **BARNEY POOL**  
Fall leaves the Panhandle and along with it goes football. Football fans return to a more subtle way of life.  
However, the majority of the yelling fans will confine their voices to closer acoustics and yell loud and strong for their home basketball teams. Basketball will be here for the remainder of the

winter months.  
Basketball differs from football in many respects. Because of its difference, it loses some fans along the way but gains others to replace them.  
The basketball fans bring a new tenseness to the sport life of this community. They start and they become perhaps even more loyal than the others, especially if they

are Tiger fans.  
That means keeping up with the team at least two nights a week usually. That is, Tuesdays and Fridays must be reserved for the basketball games.  
Tigers and Tigerettes are to be guided this year by Coach Derral Davis. Their schedule will be as follows:

Nov. 22—White Deer	There
Nov. 28—Miami	Here
Nov. 29—Groom	Here
Dec. 2—Quail	Here

## A LOOK BEHIND THE STAGE

By **BITA BROWN**  
Did you ever think about just what goes on behind the stage while the actors and actresses are performing? Sound effects must be produced; make-up has to be applied, very often making several switches in identity for the same person; curtains have to be drawn at the proper time; scenery may have to be changed, and then a very essential person called a "prompter" must be present at all times.  
It is true that the actors and actresses work very hard in perfecting their productions, but their work could not be presented properly if something should go wrong behind the stage.  
For example, perhaps a gun is to go off accidentally and supposedly kill one of the actors. What happens if the gunshot is not heard in the proper place? The person may already be lying dead or wounded upon the floor or the shot could be placed several minutes ahead of time.  
The sound effects must be produced at exactly the right instant. This crew must have split-second timing and be a closely bound group.  
The make-up which goes on behind stage is also an art all to itself. A young person can be made to look much older or vice versa. An almost completely different individual can come upon the stage, one that you have never seen before. This is all accomplished through make-up.

A play may open in a quiet little drab house and then suddenly switch between acts to become anything from a haunted house to a mansion or even an outdoor scene.  
What happened? Who did it? Certainly the players themselves did not. They have their own individual matters to attend to.  
A stage crew rushed on and moved the scenery of one plot and immediately put another scene back in its place.  
The players may many times change their costumes throughout a production. Someone must be backstage to help them and have their clothing in the proper place. Only a very few minutes is generally allowed for each costume or make-up change.  
The players themselves could not possibly change as rapidly as that small amount of time would allow them. A much slower play would be produced without backstage help.  
A prompter is always near the performers to give them immediate help if and when they should need help. This is also a very important person for without him the play might not always run as smoothly as it does with his prompting.  
Yes, what goes on behind the stage is very, very important. A good production could not be produced without backstage help. Watch for these things during the next play that you see. You might be surprised at how much does go on "behind the stage."

## Peg's Tales

By **PEGGY SHARP**  
My first items should include congratulations for our big fighting Tiger team. I think we should be very, very proud of our guys. They haven't had the best season ever, but those last two games really showed their stuff.  
It was a wonderful way to end the season. Two of the Tigers played their last high school football game, several of the band members marched at their last football game, two of the cheerleaders led their last yell, and several of the fans saw their last game as members of MHS.  
You see, we are seniors, and our football season in high school is over.  
We were especially glad to wind up with a win. This year's season could be summed up pretty well in a poem written very beautifully by Gary Gordin. Here it is:

**TIGERS**  
Our coach is a man with a very brilliant mind.  
He works on the backfield and then up on the line.  
He helps us if we're hurt, he tries to make us train.  
We'd do a lot for him, even work out in the rain.  
We make a lot of yards on those crazy fullback sweeps,  
We keep the other team wandering around like they're asleep.  
We move on down the field with our crossback halfback drives,  
If that fails, we pass, and then we really come alive!  
We run those returns to the left and to the right,  
And sometimes up the middle where we really start to fight.  
We run some reverses and some other silly tricks,  
But if our opponents cross us, we leave 'em in a fix.  
When we decide to really play for all that we are worth,  
You can see that other team start to hit old Mother Earth!  
We may not be pros, but we certainly are proud,  
And we like to show our stuff when we draw a big old crowd.  
Now, like I've said before, there may be someone better,  
But we try to feel like we've really earned our letter.  
When we're in the school building, we raise a lot of cane,  
But please remember, people, we're your fighting Tigers of McLean!

Everyone, please make plans to attend "The Night Crawlers," the senior play. Send the school kids on "Kiddie Night," Thursday, and they will get front row reserved seats for 50 cents. Since the curtain opens at 7, they will get out early, too.  
The last performance is Friday night at 8, and of course all of this takes place in the high school auditorium. We have worked hard on our play, and think you will enjoy it.  
The school yearbook, The Tumbleweed, is in its third week of sale. Anyone wishing to buy one can do so from any of the annual staff members.  
The proofs of the senior pictures came back last week. Most of us were pretty satisfied with them. Everyone else gets to smile for the birdie this Friday. It is an all-school picture-day.  
See you all Thursday and Friday with "The Night Crawlers!"

## Nan Charms You

By **NANCY MEACHAM**  
I'd like to center my article around two words this week. They are education and culture. These are two important fundamentals that go into every person's making. They are two big factors in a person's personality—their outlook on different things, and their entire way of life.  
First of all, let's take education. Now I'm sure most of us think we are getting enough education at MHS, or any other high school. I don't think any high school gives anyone enough education. Let's look at a well-educated man.  
First of all he's open-minded. He never laughs at new ideas. Before making a decision, he weighs all the evidence. He works easily with others.  
He uses tact and consideration in dealing with others. He respects individual differences. He is a lover of beauty. Love of beauty enriches his life, and gives it deeper meaning. He is always ready to learn.  
He is better equipped to take his place in community life because he can advance further in his chosen work.  
He is at ease with all kinds of people, and is likely to earn more.  
New for culture. This word has some different definitions, but the one I'm interested in is the training and refining of the mind, manners, taste, or the result of the things.  
This can be a help to you now, but when you go to college (which I hope everyone will be able to do) it will certainly be to your advantage. There you will meet all kinds of people.  
You'll find different persons opinions, ideas and interests will vary greatly over a wide field of things, such as sports, recreation, music, the theater, politics, books and a number of other things.  
To know something about each of these fields and many more will help you feel at ease with almost everyone. Do as much as you can to broaden both these fields before you go to college or into business. I imagine everyone needs to. I know that I do.  
Education and culture! Two words that you probably haven't given much thought to. Let's give them some thought before we get out of high school. They are very important to every person's development.

## Flames Background For Newest Queen

By **JUDY WYATT**  
"Long reign our flame queen!" This remark expresses MHS student attitudes toward Phyllis Flowers, a junior and the 1960-61 flame queen. Miss Flowers was crowned Thursday, Nov. 3, during the bonfire held at the softball park, for the Tigers.  
She was escorted, in front of the raging flames, quite nobly by the Tiger football captains, Kenny Wingham and Clyde Windom.  
Miss Flowers very graciously accepted the familiar honors that are presented to MHS flame queen.  
Our queen was most attractively dressed in a neat and flattering red wool ensemble. Miss Flowers received this honor through her hard work, enthusiasm, dependability and wonderful attitude.  
Count on seeing more great works of our queen.

## Future Homemakers Hear Mayor Haynes

The Future Homemakers of America met Thursday night, Nov. 3, in the home economics department.  
President Margie Ralshack opened the meeting and introduced the guest speaker, Mayor John Haynes, who spoke on "Citizenship."  
They voted to send unsigned Christmas cards as a charity project to a state hospital. Afterward the 1960-61 yearbooks were given to all members of the organization.  
Refreshments of punch and cookies were served by Mary Carter, Marilyn Mellroy, Susan Blackwell and Dixie Burroughs.  
The next meeting will be Nov. 21, which will be "Daddy Date Nite."

## Chicken, Spaghetti Dinner Is Saturday

Have you heard about the chicken and spaghetti dinner that the juniors are holding this coming Saturday, Nov. 19?  
It will be held in the grade school cafeteria and there will be plenty of room and plenty to eat for everyone that comes.  
The juniors proclaim, "This is one of the best dinners that you can get for only one dollar."  
If you haven't got a ticket yet you can get one from any of the pupils of the junior class or pay for your meal when you are ready to eat.

## LITTLE COLONEL By Bob McKinley

## DEAR ROMEO AND JULIET

Dear Romeo and Juliet:  
I cannot make up my mind about a certain person. He is very hard to understand, nobody

can tell what he is going to do from one minute to the next. He is a junior in high school, and he is very active in sports; especially football.  
I would like very much to catch his attention and hold it. How can I do this?  
Wanted to Be Wanted  
Dear Wanted to Be Wanted:  
You might try learning what he is most interested in and learn all you can about these subjects so you will be able to talk to him when he is around. Maybe an interest shown in him and the things he enjoys will help you to gain his attention.  
Juliet  
Dear Wanted to Be Wanted:  
Let the boy know that you want to go with him. If he is the least bit interested in you, you will know it soon enough.  
Romeo  
Dear Romeo and Juliet:  
I have a very noisy sister. She is two years younger than I am, and she seems to think that what is mine is hers. When I get a letter she always wants to read it. When I go somewhere she wants to tag along. We have to share the same bedroom, and when I have company there is no way to get her out. She insists that it is her room, too.  
I have tried to talk to my mother about my problem, but she just says it takes two to fight.  
Used  
Dear Used:  
You have a problem that many teenagers are plagued with, and I think that you are right in feeling that your little sister expects to be in on everything too much of the time. Try to talk to your mother again, and if that does you no good you might try talking to your father. If your parents both agree with your little sister and say that she is right, just make the best of the situation and pay as little attention to your sister as possible.  
Juliet  
Dear Used:  
Since your mother didn't understand, try talking to your father. I'm sure that between the two of you, a solution to your problem can be arranged.  
Romeo

**'CRAWLERS' ON LOOSE; SEEN ANY LATELY?**  
By **DANNY BROWN**  
Have you seen any Night Crawlers this week? Well, if you haven't, I'm really surprised! I know there must be some running around because tonight and Friday night are the last two nights left for them in McLean.  
These two nights are special. On these dates the senior class presents their play entitled (if you haven't guessed) "The Night Crawlers."  
The play is a mystery-comedy involving everything from hill-billies (Jack Back and Mary McClellan) to a millionaire (Jeanene Shelton). Ruth Pakan portrays the daughter of the rich, sophisticated lady.  
Peggy Sharp, Johnny Stewart, Gary Back, Judy Wyatt, Nancy Meacham and Doug Crockett will be a group of actors and actresses who really cause our millionaire a lot of trouble.  
Tonight, which is "Kiddie Night," marks the first performance of the play. Of course, everyone is welcome to attend and the admission will be the same as for Friday night's performance.  
"Kiddies" are all children from six years through sixth grade. Since this is their night, they get the reserved seats for 50 cents and general admission for them will be 25 cents.  
Student general admission is 50 cents and for adults 75 cents. There will be no adult reserved seats for Thursday night. All reserved seats for Friday night will be \$1.  
We who have seen the play are sure everyone will enjoy it, so come on out and see what happens. Better be careful, though, remember those Night Crawlers. One might be sitting beside you!

**Dokes Dopey Dobber**  
—Test Your TV Tubes—  
Again this week Dokes is running a survey on what most people like best on television. This week, I decided to test the teachers' TV guides.  
First, I questioned Mrs. Carl Dwyer, speech and language teacher. She likes "The Loretta Young Show" best of all. Why, because of the unusual plots.  
Mr. Green stated his favorite as being "Alcoa Presents." (He says that he should have a reason; however, he shrugged and suggested that sometimes the shows are educational.)  
At this point Mrs. Perryman interrupted and told us that her favorite show was "Thriller." She also likes the unusual plots.  
Miss Brown's favorite programs are "Bell Telephone Hour" and "Perry Como." She enjoys these shows because she likes music.  
Late movies make up the majority of Mrs. Riley's TV viewing. She says the channel stays set until the midnight sign appears if the movie is on the old movie industry classics.  
Now that you students know what your teachers like best maybe you will watch some of the favorites. However, I ran an article last week to see what students like best on their television sets. Here's saying goodbye until next week.

## THE TIME FOR GROWTH!

By **JUDY WYATT**  
What is the greatest period of growth for plants? According to the men who have direct knowledge of plants, the plants grow better during rainy weather. Plants can thrive and flourish with hardly a ray of sunshine. Under rainy or damp weather conditions they grow and become mature plants.  
Oddly enough, plants will wither beyond all recognition after a short period of constant sun and no moisture at all.  
A marked similarity exists between man's character and the growth habits of plants. Both thrive hearty and strong when circumstances in their lives are in proper balance, then become virtually unknown to anyone when they are subjected to over-indulgence.  
Man can survive indefinite periods of trouble and stress if just a glimpse of sunshine, a tiny glimmer of hope, is seen. Every obstacle confronted during a lifetime can be overcome by faith. Endurance beyond the limitation of our understanding is bestowed upon the man who sees hope in the rays of the sun.  
But, wait! Give this same man a life without clouds. Give him a life free of the ever-present problems that are lurking, around every corner, to measure his moral stamina. Now what has become? Something less than a man, with a character that has withered away and left him without ambition or initiative.  
God did not design life without reason. We are never burdened with more than we can carry. We are merely given an opportunity for growth of our characters during times of grief and trouble, for these are most assuredly periods of punishment which we must endure for our wrong-doings.  
Realization of the thanks that are in order needs to be discovered and given. We should humble ourselves before God, who wants us always closer to Him. We must always remember that sorrow and troubles may challenge the growth of our characters.

## Farm-City Week Begins Friday

National Farm-City Week begins Friday, Nov. 18. There are hundreds of nationally-proclaimed weeks, ranging from the sublime to the ridiculous. Certainly we can live without many of them.

However, one of the really worthwhile ones to come along recently, especially for our agricultural-conscious area, is National Farm-City Week. This is simply seven days which have been set aside to promote goodwill and understanding between the nation's agricultural and city-dwelling economies.

Here in our area we probably have a closer understanding of mutual problems than in many places. Certainly the farmer, the rancher and the dairyman of our area are close business and personal friends of most of us in our town.

However, Farm-City Week gives those of us in town a special opportunity to welcome the farmer and the rancher into our offices, our places of business and our homes; to make a special effort to understand the economic strains under which he has labored for the past 20 years, and, yes, to give the farmer and the rancher a little closer insight to our own problems, our goals and our hopes for the future.

Progress and advancements are possible only where there is more complete understanding. National Farm-City Week gives us the opportunity to gain a little more knowledge and understanding. Let's all make some use of it.

## TIGERS

(Continued from Page 1)

Pirates' four gave possession back to Lefors on the very next play, but they were able to push out only to the six before punting to McLean's 49.

Halfback Tommy Herron chopped off yardage to the Lefors 44, and after one try failed Fullback George Patton got two more and Quarterback Kenny Willingham pushed to a first down on the 30.

Herron picked up nothing on the one try, but Watson added five on the next.

Willingham threw to Watson to cover the remaining 25 yards and put McLean on the scoreboard. Herron booted the extra point, and the Tigers led, 7-6.

A minute and 55 seconds remained in the third quarter.

Another recovered fumble set McLean up in business late in the final period on Lefors' 38.

One effort gained three yards, then Willingham streaked wide to the left to the two-yard line before being hauled down. Patton plunged through for the remaining distance to stretch the Tigers' margin to 13-6. The conversion attempt failed.

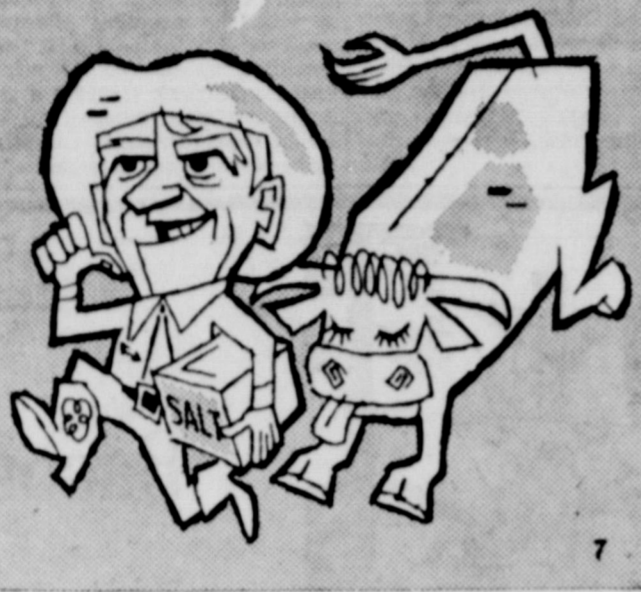

The Pirates filled the air with passes and the Tigers stalled to finish up the remaining 3:50.

On Sept. 7, 1776, the first submarine, the American Turtle, built by David Bushnell of Saybrook, Conn., was used by Ezra Lee to attack the British ship Eagle in New York Harbor with a "time bomb." An explosion resulted but no serious damage was done.

The first President to be married in office was John Tyler. World Book Encyclopedia says he married Julia Gardiner in 1844, two years after his first wife died.

## The OLD RANCHER

MOVING SALT FEEDERS HELPS ME COAX COWS TO GRAZE ALL MY RANGE.

Plenty of seedlings are available to Texans for reforestation or wind-break plantings, says Bill Smith, extension forester. Orders are being taken now by the Texas Forest Service, College Station.

Greenland, the world's largest island, has an area of 839,782 square miles, of which about 85 per cent is glacier.

The only woman to ever venture into a presidential election was Victoria Claflin Woodhull, nominated by the Equal Rights Party in 1872, according to World Book Encyclopedia.

The most popular profession for Presidents seems to be lawyer. World Book Encyclopedia counts 23 lawyers among our 34 Presidents.

## U. S. SUPPLY OF WHEAT AT NEW RECORD

COLLEGE STATION—(Special)—The domestic supply of wheat for the marketing year July 1, 1960, to June 30, 1961, is estimated to be about 2,682 million bushels, another record, says John McHaney, extension agricultural economist.

This large supply is the result of a carryover on July 1, 1960, of 1,313 million bushels, and a 1960 crop estimated to be about 1,362 bushels. Added to this will be about 7 million bushels of imports.

Domestic disappearance in the present marketing year 1960-61 will probably be about 610 million bushels, about the same as in 1959-60, McHaney continues. The expected slight decline in per capita consumption will be offset by the population increase, however.

Seed and feed use of wheat will be about the same as last year.

Exports during the present marketing year will probably be higher than in 1959-60. About 525 million bushels will be exported as compared to 508 million exported last year.

Government export programs, which will account for about two-thirds of the exports, will continue to play a major role in the movement of wheat abroad, the specialist points out.

Less favorable crop conditions in Europe, however, will also aid U. S. exports.

The 1959-60 price to U. S. farmers averaged \$1.76, about five cents above the average support rate after allowing for storage charges. The price in 1960-61 is expected to again average above the effective support, storage deducted.

This is mainly because large quantities of wheat continue to be placed under the price support program, explains McHaney. The support rate for the 1960 crop is \$1.78, as compared to \$1.81 for a year earlier.

With minimum allotments in effect for 1961, it is estimated that about 53 million acres will be harvested. If average yields are obtained, a crop of about 1,235 million bushels would be produced, the economist continues. A 1961 crop of this size would be about nine per cent below the 1,362 million indicated for 1960, but 13 per cent above the 1950-59 average.

Assuming that domestic disappearance and exports are the same as estimated for 1960-61, the carryover on July 1, 1962, may be increased about 100 million bushels. The minimum national average support price for the 1961 crop wheat is \$1.78 per bushel, the same as the 1960 average support price, McHaney concludes.

## HISTORIC RED RIVER CROSSING

Six million cattle and horses forded "Doan's Crossing" during the great cattle drives from Texas to Kansas in the latter 1800s.

A small monument at this Red River crossing now reads: "You don't need much monument if the cause is good. It's only those monuments that are for no reason at all that has to be big. Good luck to you all anyhow. Yours, WILL ROGERS."

Doan's is located on the Red River, just west of Wichita Falls and 20 miles north of Vernon, in Wilbarger County.

George Patton, Charles Jones, Dareth Welch, Jim McCarty, Larry Williams, Glen Swift, Mike McCall, Jack Back and Carl Black.

### Tigerette Lineup

Starting for the Tigerettes in the game at White Deer will include: Mary Ann Carter, Janice Page and Phyllis Flowers at guards and Cynthia Rice, Helen Smith and Judy Wyatt, forwards.

Nancy Meacham, a regular forward last season, has an injured knee and may be unable to play in Tuesday's opener.

Senior Tigerettes include Miss Meacham and Miss Wyatt; juniors are Misses Carter, Page, Flowers, Rice, Smith, Linda Sights, Nona Ruth Beck and Linda McCurley; sophomores are Linda Burnett, Jeanene Lowe, LaVon Watson and Sandra Bruce; freshmen are Joan Flowers, Barbara Smith, Barbara Simpson, Judy Connell and Carolyn Tarr.

Managers are Alta June Watson and Margie Railsback.

First home game for the two teams comes on Monday, Nov. 28, when they will entertain Miami Groom in here the following night, and Quail comes calling on the Tigers and B Tigerettes Dec. 2.

## Patrol Chief Gets Replica of Plaque

A replica of a six-by-eight-foot bronze plaque commemorating officers of the Texas Department of Public Safety killed in line of duty has been presented to Department Director Col. Homer Garrison Jr.

The plaque, donated by a group of prominent Texans in the interest of law enforcement and as a special tribute to Garrison, will be mounted on the wall in the lobby of the main administration building.

W. E. Dye Jr. of Houston, member of the Texas Public Safety Commission, in making the presentation at a recent banquet in Austin praised Garrison "for his outstanding service to the people of Texas as director of the Department of Public Safety over a span of 22 years."

It is a desirable thing to be well descended, but the glory belongs to our ancestors.—Plutarch

## WATERSHED

(Continued from Page 1) tures, costing an estimated \$1 million, would be needed to make the project a success, according to SCS technicians.

Four of the earthen structures would be located above Lake McClellan in Carson County, while the remainder would be required below the lake in Gray County.

The SCS personnel emphasized that their recommendations on the proposed sites were "very tentative."

They predicted that major repairs also would be required on the Lake McClellan spillway.

They said many requirements of local sponsoring organizations must be met before the project can actually be undertaken, including the acquiring of sites for the dams and reservoirs and evidence that the structures will be maintained after completion.

### LULING'S PALMETTOS POPULAR

Not oil wells, but sulphur wells, palmetto swamps and tropical plants are the tourist attractions near Luling, in south central Texas.

They are to be seen at Palmetto Park, southeast of Luling, in Caldwell County.

This 138-acre park also has a dance terrace, concession stand, picnic tables, camping and playground areas and fishing sites. You'll be fascinated by Palmetto Park.

"Although most of this crop was subject to irrigation, very little of it has been irrigated due to the abundant rainfall this year," Whaley said.

The field of cotton farmed by Leamon Andrews west of the McLean Gin is producing up to 1 1/2 bales an acre—another unusually high yield for dry-land fields.

Barbara Barrett, daughter of Mr. and Mrs. H. E. Barrett, and L. M. Watson, son of Mr. and Mrs. Lawrence Watson, were selected as all-school favorites in balloting by the classes of McLean High School last week.

Other candidates from the senior class were Joanne Pharis, Pat Reeves and Thad Helms. In individual class elections held later, Pat Lowary and Thad Helms were chosen as senior favorites; Eva Jo Day and Max Willingham as junior favorites; Betty Jo Patterson and Don Taylor for the sophomores; Pat Shelton and Wayne Moore, freshmen, and James Smith and Peggy Duncan for the eighth grade.

The 8th grade football squad, which turned in good performances at every game played this fall, was honored with a dinner by Mr. and Mrs. John Cooper Monday night in the Cooper home.

The principal program was in eating, and the boys were served steak, French fries, beans, salad, apple pie and ice cream. Mrs. Cooper was assisted in the preparation of the food by Mrs. George Colebank.

Following the meal, the boys were treated to a free movie by Mr. and Mrs. Amos Page of the Avalon Theatre.

Attending the dinner were Coach and Mrs. Al Duncan, Coach and Mrs. Don Leach, Mr. and Mrs. Cooper, Mrs. Colebank and the following members of the squad: James Jolly, Joe Glass, Arthur Vineyard, Charles Vineyard, Jerry Preston, Joe Cooper, Wayne Woods, Troy Smith, James Dale Andrews, Frank Chapman, Harold Smith, Warren Henley, Ricky Mantooth, Rodney Gunn, Ben Darnell and James Smith.

## 20 Years Ago

McLean celebrated Armistice Day Monday morning with a colorful parade, with a pause for a short band concert downtown, the parade then leading to the high school, where a patriotic program was given.

The parade was headed by color bearers and armed guard from the local American Legion post, and included the high school band in full uniform, the high school drum and bugle corps in flashing gold uniforms, representatives of the Boy Scouts, pupils and teachers from both the schools.

The first killing freeze of the season struck Monday morning, with continued cold and snow flurries Tuesday night, the mercury dropping to around 8 above early Wednesday morning.

Miss Ruth Hart and Miss Lorene Winton were hostesses to members of Sigma Gamma Monday evening.

Mr. and Mrs. W. M. Ratterree and son of Wichita Falls visited with her sister and her husband, Mr. and Mrs. Walter Foster, over the weekend.

Rev. and Mrs. Jesse Leonard and children left Tuesday for their new home at Bonham, where he will assume the pastorate of the 7th and Main Baptist Church.

Miss Mary Lou McIlhane gave an interesting contrast between Totalitarianism and Democracy. Miss Mannie Wilson described some of the problems of Democracy.

Refreshments consisting of apple-sauce cake, fruit salad and spiced apricot nectar were served by the hostesses, with candy Pilgrims as favors.

One guest, Mrs. F. M. Shawver, was present, and the following members: Misses Mary Lou McIlhane, Wilma Richardson, Mikred Williams, Ruby Swim, Helen Heath, Jewell Cousins, Mannie Wilson, Eloise Lane and Lucille Beaty.

## 40 Years Ago

Miss Frankie Mae Upham entertained the young people with a Leap Year party at her home last Friday evening. The guests met at C. S. Rice's at 7:30 and then motored out to the Upham home. Progressive forty-two was the order of the evening.

Delicious refreshments were served to the following: Misses Lorene Stanfield, Nona Cousins, Lois Foster, Eunice Stratton, Lillian and Lola Abbott, Mary Henry, Beulah Tucker, Vella and Gaynelle Wilson, Laura Hill and Ruth Bullock; Messrs. S. M. Castberry, Bob Turner, Fred Landers, Reuel Shell, Erwin Rice, B. J. Carpenter, Frank Stockton, Pat Malcolm, Ernest and Homer Abbott, Alva Alexander and T. J. Dostalick.

The guests departed at a late hour, declaring Miss Upham an ideal hostess.

## DO YOU KNOW

... American agriculture buys more petroleum products than any other single industry? Today there are more than 12 million trucks, cars and tractors on American farms and ranches... These farmers, ranchers and dairymen buy the equivalent of 15 billion gallons of crude petroleum each year—more than any other single industry—to keep this machinery running... Agriculture maintains its potent and vigorous role in the economy of our nation.

## Travel Brochure Is Published by Texas Highway Department

AUSTIN—(Special)—The release of a full-color, 32-page travel brochure on the State of Texas has been announced by the Texas Highway Department.

D. C. Greer, state highway engineer, said the new brochure is specifically designed for free distribution to attract out-of-state

tourists. First of its kind ever published in Texas, it is intended to serve as a showcase of Texas scenic, historic, recreational and cultural attractions.

Greer described the colorful brochure, which covers the entire state geographically as "another milestone in the travel promotion

conducted by the Highway Department."

He said the next step in this program is the submission of a media advertising budget to the Texas Legislature, which meets in January.

The Highway Department has asked, with the concurrence of the Texas Development Board, for an appropriation of \$300,000 a year for the next two years to advertise the tourist attractions of Texas.

"The media advertising program," Greer said, "is a necessity to halt the appalling downward trend of the Texas tourist industry. The amount we will ask for media advertising (\$300,000 a year) is the minimum required to shore up the rapid decline in tourist revenue which Texas now faces."

Only one vice president has ever been elected to the highest office in the land without first serving out the term of a President who died in office. That was Martin Van Buren, elected in 1836, according to World Book Encyclopedia.

RAVEN HILL IN OAKHURST

Gen. Sam Houston was called "The Raven" by the Cherokee Indians.

When he built his well-known plantation home in 1844 it was appropriately called "Raven Hill."

The site of "Raven Hill" is near Oakhurst, north of Houston and east of Huntsville, in San Jacinto County.

### 3 From Lefors at Miami Lions Meet

Attending the Lions Club zone meeting in Miami Tuesday night from Lefors were Chairman Boyd Beck, Ray Chastain, president of the Lefors club, and Charles Roberts, secretary of the local club.

Clubs represented were asked by Lion Beck to report on any activities they were engaged in, and many were reported. Ralph Thomas, district governor from Pampa, commented that all activities should be reported no matter how insignificant they may seem.

Educating and assimilating new members was discussed, with clubs giving considerable discussion on this subject. It is the sponsor's responsibility to help educate the new member in the Lions club.

Present for the turkey dinner meeting from other clubs were Bill Rutledge, B. G. Gordon, E. E. Shultz, Norman C. Henry, Ralph Thomas, Pampa Evening Club, Frank J. Shaller, Canadian, A. G. Caldwell, Jack Miller, Alvin Goodner, L. S. Patterson, J. H. Scribner, A. A. Burch, W. H. Atkins, Bob L. Hafford and Charles Uzzle, McBeetle.

### Optimist Club Is Presented Charter

More than 150 members of the Lefors Optimist Club, guests and wives were on hand Saturday night for the club's formal charter banquet in the high school cafeteria.

Guest speaker of the evening, Robert Newkirk of Fort Worth, spoke on religion and people getting along together.

Henry Gindorf of Pampa served as toastmaster, as many gifts were presented to the club. The charter was presented by Optimist International, with the Pampa Evening Club presenting a rostrum, bell, gavel and banner.

The sergeant-at-arms "pot" was presented by the Pampa Breakfast Optimist Club, with dinner badges coming from the Berger club.

Joe K. Clarke welcomed all the guests. Rev. L. M. Berry gave the invocation.

Singing was led by C. A. Martin and Ralph Hix, with Miss Amy Earhart as pianist.

Guests were introduced by Philip Earhart and included Supt. and Mrs. Jerry Jacobs, Lions Club President and Mrs. Ray Chastain and Mr. and Mrs. Harry Castle Jr.

### TENNIS COURTS TO BE BUILT FOR STUDENTS

A \$7,620 bid for two concrete tennis courts was let Monday night at a meeting of the school board to Hogan Construction Co. of Pampa, Supt. Jerry Jacobs said today.

The courts, to be finished shortly before Christmas, will be completely enclosed by a 10-foot chain link fence. Nets will be of steel chain link. Ground will be broken next week.

The courts will be north of the gym, running east and west.

Lefors High School has entered tennis teams annually in interscholastic league competition without having tennis courts to practice on.

"Those courts will undoubtedly enable us to be much stronger competition," Jacobs states.

The high school industrial arts department printed blue prints for the five contractors who made bids on the job.

### Band King, Queen Are Crowned at Tilt With Canadian

Johnny Warner and Judy Lane were crowned band king and queen Friday, Oct. 28, during the half-time activities of the Lefors-Canadian football game.

Elected by band members, the king and queen were accompanied by Attendants Barbara McDowell, Jerry Fitch, Frances Clarke and David Roberts.

Judy was given a dozen roses, a gold glittered crown and an inscribed heart necklace by Jerry Fitch, band president. Betty Sue Lewis, band vice president, presented Johnny with an inscribed identification bracelet.

In other band news, the Lefors Pirate Band won a second rating in the Interscholastic League marching contest in Amarillo Oct. 25, of which they are very proud. The band received a second rating on inspection.

The band's twirlers entered individual twirling competition for the first time in four years. Barbara McDowell, a junior and drum major, won a second rating.

The three twirlers, Judy Lane, junior, and Freshmen Sherry Archer and Jeanne Atkinson all won third ratings.

Band members went ice skating while in Amarillo.

### Mrs. Alton Flinchum Entertains Friends

Mrs. Alton Flinchum was hostess to a group of friends in her home Thursday for visitation, discussion of Christmas ideas and a covered dish luncheon.

Mrs. Charles Roberts gave the invocation for the luncheon.

Present were Mmes. Ann Glover, J. B. Martin, Gene Robertson and Ricky of Panhandle, W. G. Hughes, Bud Means, Chris and Gregg; Norman Sublett, Pampa; Dale Brumley, Tammy and Terry; Kenneth Brown, Brenda and Linda; Margaret McPhillips, Kenneth Vernon and Debbie; Gordon Robinson and Chuck; Charles Roberts and Jannis.

### 93 New Books on Shelves of Library

Ninety-three books have been added to the newly remodeled library in the high school, according to Librarian Miss Ardelle Briggs.

Among the non-fiction books are *The City That Would Not Die* by Richard Coellier and *The Longest Day* by Cornelius Ryan.

*Night Without End* by Allstair MacLean (author of *HMS Ulysses*) and *North from Rome* by Helen MacInnes (Hight) are suspense holders of the fiction group.

Dr. Thomas A. Dooley's *The Edge of Tomorrow*, *The Turnout* and *The Shouting* by Grantland Rice are outstanding biographies.

Mr. and Mrs. C. B. Grendstead have returned home to Corsicana after a visit with her sister and husband, Mr. and Mrs. B. D. Vaughn.

### Lefors Lions Club Holds Breakfast, Evening Meetings

The regular meetings of the Lefors Lions Club were held Monday, the breakfast at 6:30 a. m. and the evening session at 7:30 p. m.

Ray Chastain, president, presided over the meetings. Scott Hall of Pampa was announced as winner of the gun offered by the club.

Guests from Pampa included L. B. Penick and B. G. Gordon of the Pampa Evening Club.

A barbecue chicken dinner was enjoyed in the Civic Center following the program, including musical numbers by Luken Miller, Jimmy Barrow, Robert Miller and Elmo F. Hudgins, a quartet from Pampa.

Ray DeGray received recognition along with Jack Thacker, Walter Elliott and George Duncan, for building a storage cabinet in the Civic Center.

Auhrey Carlton received recognition for the work done in the gun club turkey shoot Saturday and Sunday.

A ladies night Christmas party was planned for Dec. 12, with Arlie Carpenter providing venison for the occasion.

It was announced that Ralph Thomas, district governor, will be present for the next meeting.

A pancake supper is in the planning stage for some time in January.

Present were Bill Teel, Bob Bright, J. R. Sparkman, John Archer, Earl Atkinson, Boyd Beck, Fred Blackwell, J. P. Russell, Aubrey Carlton, Arlie Carpenter, Ray Chastain, A. T. Cobb, W. R. Combs, Ray DeGray, George Duncan, Walter Elliott, C. H. Gustin, Jerry Jacobs, Jack Pval, Richard McDonald, G. N. Mousger, D. T. Pfeil, Charles Roberts, David Robinson, J. R. Sparkman, Jeff Stubbfield, Raymond Jordan, Alex Swann, B. J. Thacker, B. D. Vaughn, J. W. Walls, Bill Watson and Carl Barber.

### Cubs, Leaders Hold Combined Meeting

A combined meeting of all den, den mothers and parents of Cubs was held at the Scout hut Thursday night in an attempt to make final plans to charter the group into Pack 19.

Freddie Cullon, cubmaster, presided over the meeting. A new den mother, Mrs. Frank Mote, has been secured for Den 3, assisted by Mrs. Fred Harkom.

Each den mother reported on what her den had accomplished, which included fire posters, space projects, Thanksgiving projects, gifts for mothers, etc. The boys of Den 1 are planning a skit for the first pack meeting.

Cub Russell Barnes is going into the Boy Scouts, it was announced.

A new secretary, Hershell Bogle, was appointed. Attending were the families of Fred Cullon, D. O. Boyd, assistant cubmaster; Troy Stanley, Ernest Foshee, C. G. Robinson, Charles Roberts, W. E. Harvey, W. O. Todd, F. M. Harkom, Frank O. Mote, James Lancaster, Mary Atchley, Manuel Allison and Chestene Dunn.

### Lefors Girl Wins Achievement Award

Leahwana Nowlin, accompanied by her mother, Mrs. W. O. Nowlin, attended the Gray County 4-H achievement dinner in the Lamar school cafeteria in Pampa Nov. 12, when she was presented a clothing award by Bill Skaggs.

She was the only 4-H girl from Lefors to receive an award.

Mr. and Mrs. Ed Buehrer of Burkhardt and baby Donella visited her parents, Mr. and Mrs. Charbe Lisenbee, over the weekend.

Mr. and Mrs. Robert Klein and family went to Stillwater, Okla., over the weekend to visit her parents, Mr. and Mrs. Jinks Rogers.

Mrs. Ed Ross visited last week in Big Spring with her daughter Mrs. Dean Higgins, and family.

Mrs. W. C. Breining accompanied her and went on to Midland to visit her son and family, the B. M. Breinings and Craig.

D. Y. Oualine of Oklahoma City visited in the home of his sister, Mrs. Boyd Griffith, Thursday night. Andy Reed, a friend en route from Wyoming to Sapulpa, Okla., was also a recent visitor in the Griffith home.

### BASKETBALL SEASON TO OPEN NOV. 29; ALLISON DUE HERE

Basketball scrimmage introduced the 1960-61 girls Pirate A and B teams Tuesday in Wheeler. Another scrimmage is scheduled with the Wheeler girls here the following week, Nov. 22.

Basketball season will formally open Nov. 29 when Allison boys and girls meet the Lefors teams here for non-district games.

Coach Dale Prescott has five returning starters on his girls team: Seniors—Betty Lewis, forward; Martha Carter, guard, and Linda Robinson, guard, presently practicing as a forward.

Junior—Frances Harkom, guard and Mary Katherine Barron, guard, who is also presently training for forward.

Having lost three starters through graduation, Coach Prescott has 24 girls out for A and B teams.

Returning lettermen are the five starters mentioned; Jerrie Barber, senior guard, and Juniors Barbara McDowell, forward; Jan Atkinson, forward, and Judy Lane, guard.

"Since positions on the A team are wide open, there is a lot of hustle and competition for the top six spots," states Coach Prescott.

The boys A team is defending the District 2-A championship and last year's record of 22 wins and seven losses.

James Blair, six-foot guard, is the only returning starter. Two other seniors, S-S Guard Doug Burgess and S-9 Forward Kenneth Fields, are the only other returning lettermen.

Coach Prescott states, "I believe success will depend on the added height of Seniors Floyd Simmons, 6-4; Jerry Fitch, 6-2, and Winford Nowlin, 6-4, who are up from the B team."

"By Jan. 17, when we play Canadian, we could be contenders for the title again."

Mrs. Howard Marlar was elected as new program chairman in the business meeting.

Psalm 104 was used as the devotional by Mrs. W. B. Minter. Mrs. Ira Rogers read the prayer calendar, and Mrs. Minter led in prayer.

The group went for visitation and returned to the Hill home for refreshments afterward.

Others attending were Mmes. Alba Shores, Frank Cooksey, Walter Jackson, A. L. Michael, James Lancaster and one visitor, Mrs. Odell Cain, and baby.

Mrs. Johnny Taylor was hostess to the Blanche Groves circle and presented the mission study, "Across the Bridge," dealing with the South American Indians.

The prayer calendar was read by Mrs. Taylor and Mrs. C. H. Butrum led in prayer for the missionaries. Refreshments were served.

Attending were Mmes. Fred Browning, Robert Vought, R. N. Cyfert, James Fulton and those already mentioned.

The Lottie Moon circle met in the W. E. Dumas home, with Mrs. C. H. Earhart teaching "Studies in Psalms" for the Bible study of the day.

Mrs. J. D. Halley was in charge of the business meeting. Opening prayer was led by Mrs. Earhart, with Mrs. Jake Leggett giving the dismissal prayer.

Others present were Mmes. J. F. Morris and Roy Howard.

### City Park Deed Is Accepted by Council

The regular meeting of the city council was held in the city hall Tuesday night, with Mayor Frank Wall, Councilmen Bill Teel, Eli Radabough and Jim Hannon present, along with guests, Mr. and Mrs. Ben Deihl, Mrs. O. O. Bishop and Mr. and Mrs. D. L. Denton.

The city accepted the deed to the city park from Bishop, after having checked all the legal work.

The stipulation was made, however, that if there were a shortage of water, the water might have to be discontinued in the park.

The \$50-per-month upkeep on the park was discontinued until the city can have more funds set aside for the project.

Teel reported that abstracts on property in the new additions can be picked up in Pampa from J. Flanagan Abstract Co. at \$20 each.

Anita Clemmons, city secretary, gave her resignation to the council, and the job is now to be filled, with Mayor Wall taking applications for the job.

More Toys Needed By Fire Department  
Paul Blankenburg, city fire marshal, who is in charge of repairing toys to be used at Christmas time to brighten the lives of small children, states that the number of toys turned in is very limited, and urges all who have toys to be donated to the department for repair to bring them by as soon as possible.

### FALL FLOWERS CLUB TOPIC

The Lefors Home Demonstration Club met in the home of Mrs. A. J. Rollins Thursday afternoon, for a program on "Fall Flowers" by Miss Lou Ella Patterson, county home demonstration agent of Pampa.

Miss Patterson gave a list of perennial flowers to plant in brightening flowers from early spring until late fall, in order as follows: Crocus, daffodils, peonies, irises, Spanish iris, phlox, day lilies, poppies, columbine, cushion mums, chrysanthemums, asters, delphiniums, baby breath and clematis vine.

Mrs. O. O. Bishop, president, presided over the business meeting. Opening prayer was led by Mrs. Earhart, with Mrs. Jake Leggett giving the dismissal prayer.

Others present were Mmes. J. F. Morris and Roy Howard.

The Lottie Moon circle met in the W. E. Dumas home, with Mrs. C. H. Earhart teaching "Studies in Psalms" for the Bible study of the day.

## News From ALAN REED

By MRS. CECIL CARTER

Visitors in the Cecil Carter home Sunday were Mr. and Mrs. Jim Bruce and children and Mr. and Mrs. Jerry Carter and daughters of Amarillo.

Gene Fort of Lefors filled the pulpit at First Baptist Church Sunday. He was accompanied by his wife and two sons.

Fred Goldston, who was recently discharged from the service, spent the weekend here with his parents, Mr. and Mrs. Lavern Goldston, en route to his job in Lubbock.

Mrs. Buckle Hill and Mrs. Dee Hill and Norma Sue were in Pampa Saturday.

Mr. and Mrs. Ernest Oakley and daughter of Amarillo visited with the O. W. Stapps and Mrs. Fay Oakley Sunday.

Mr. and Mrs. S. B. Magee visited in Pampa Sunday with their daughter and her husband, the Voyne Griffins.

Mr. and Mrs. George McCracken and Ronnie spent Sunday in Pampa with the Wallace Coxes and their new grandson.

Mr. and Mrs. Cletus Fish and family were here Friday night

visiting in the home of Mrs. J. D. Fish. They were to leave Sunday for Dallas to take Joe Bob for an operation that all trust and pray will enable him to walk normally in the future.

Mr. and Mrs. Ben Jackson of Estelline were here over the weekend to see her brother, S. T. Greenwood, who is in the Pampa hospital.

Mrs. W. H. Blakney came home for a short while Saturday. We hope that she will be able to come home and stay before long.

S. T. Greenwood fell and injured himself last week while helping J. W. Waller unload some furniture. He suffered a severe cut on his hand and a back injury and was hospitalized. At last report he was not doing too well.

F. E. Rogers left Friday for a visit in Arkansas.

J. C. Oakley of Pampa spent the weekend here with his mother, Mrs. Fay Oakley.

Paul Averitt of Canadian visited in the O. W. Stapp home Sunday.

### 16 Rural Accidents Probed by Troopers

Sixteen rural accidents were investigated in Gray County during October by McLean Highway Patrolmen R. C. Parker and Charles Henderson and other troopers in the area.

Sgt. E. G. Albers, patrol supervisor for this area, said one person was killed, 14 injured and property damage amounted to \$7,833 in the accidents.

This brings the totals in the

county for 1960 to two persons killed, 122 injured and \$108,603 in property damage.

### Sample Survey of Agriculture Slated

The 1960 sample survey of agriculture will be conducted in Gray County during the next several weeks, according to the Bureau of the Census.

Local interviews for the survey will be conducted by Louise B. McDaniel.

The sample survey of agriculture will collect information on ownership and size of farms, acreage and harvest of crops and livestock production and inventories.

Information will be collected also on farm equipment, farm income, construction of new farm buildings, farm contracts and farm operator debts.

This survey will supplement information collected in the 1959 census of agriculture.

Farms in the county to be covered in the survey were selected at random under the Census Bureau's scientific sampling program to provide a representative cross-section of all farms in the country. Information obtained locally will be combined with that from other areas of the nation to provide national estimates.

On Sept. 6, 1947, a V-2 rocket was successfully launched from the aircraft carrier Midway. This was the first ship-board firing of a V-2.

### Groom Hospital's Dedication Sunday

GROOM—(Special)—Groom's new \$250,000 Memorial Hospital will be dedicated Sunday afternoon, and a large number of persons from this area are expected to attend.

The dedication program begins at 2 p. m.

The hospital, rated with a capacity of 16 beds, is nearing com-

pletion and is expected to be ready for use within a few days.

Neill Singleton of Amarillo won the construction contract for the building on Jan. 7, and ground was broken on Feb. 18.

The new building was financed by donations from residents of this area and through funds provided under the federal Hill-Burton act.

The act makes it possible for the federal government to match any funds raised locally for hospital projects such as the one undertaken here.
