SABIN POLIO CLINIC WILL BE OCT. 7

Minimum Age Is Six Weeks; Lions Invite All Persons

A community-wide effort to wipe out polio in McLean will be launched by the McLean Lions Club on Oct. 7, and all persons aged six weeks and over are encouraged to attend the special clinic.

Type 1 Sabin oral polio vaccine is to be given at the school cafeteria beginning at noon on Sunday, Oct. 7, and continuing until 6 p. m.

The clinic here is a part of a county-wide effort to have residents immunized against polio. There will be no charge for the vaccine, but persons who desire to contribute to the program.

Contribution Not Required
However, Lions Club President J. H. Hathaway emphasized that everyone is urged to take the vaccine whether or not they are able to contribute.

Similar clinics will be held in Pampa and Pampa on the same day.

The vaccine will be administered to infants by dropper. Older children and adults will eat a cube of sugar on which the vaccine has been dropped.

Diabetics may take the vaccine in a cup of water. The vaccine will not be given to persons with fever. It is recommended that the vaccine not be given to persons who have had an adenectomy or tonsillectomy within two weeks prior to the clinic, and not to perform such operations within two weeks after the Sabin vaccine is given.

Records to Be Kept
Registration cards will be kept, showing the date the vaccine was given.

Other clinics are planned in the future, when the Type 2 and Type 3 vaccine will be given. Dates will be announced.

It is recommended that all persons six weeks of age and older take the Sabin vaccine, regardless of the number of previous vaccinations of Salk vaccine they may have received.

Clyde Brown Heads ASCS Committee

Clyde N. Brown has been selected chairman of the McLean community Agricultural Stabilization and Conservation Service committee.

Brown also will serve as delegate to the meeting to elect the county ASCS committee.

Other members of the community committee, chosen in recent elections, are:

George M. Hall, vice chairman and first alternate; B. Jenkins, member and second alternate; Frank R. Howard, first alternate member, and J. I. Martin, second alternate member.

Committeemen will take office Oct. 1 and serve for one year.

Old Timers Club Meets on Oct. 5

Mrs. Cliff Vincent this week announced that the Old Timers Club will meet at Lovett Library in Pampa on Friday, Oct. 5, at 12 noon.

A covered-dish luncheon and program are planned. Everyone who has lived in the area for 50 years or more is urged to come and enjoy a social get-together.

Editorial

YOU NEED THE SABIN VACCINE

McLean and area residents have an opportunity seldom before presented to a community . . . to take another step towards completely eliminating poliomyelitis.

Since the introduction of the Salk vaccine in 1955 the incidence of polio has been cut back sharply. But even one case of a crippled child, or of a stricken parent, is one case too many.

To help wipe out polio from our community for good, the McLean Lions Club has organized a drive to provide Pfizer Sabin oral polio vaccine free of charge to all residents of this area.

The Sabin vaccine requires no injection. It need only be swallowed. The vaccine will be administered on Sunday, Oct. 7, at the school cafeteria, beginning at noon and continuing until 6 p. m.

We urge all citizens of our community to get behind this push to wipe out polio. Let's show that when we are given the opportunity to do something for ourselves, for our families and for our neighbors we are not too apathetic or uncaring to do it.

Everyone over six weeks of age, even though he or she has had the Salk vaccine previously, is urged to attend the special clinic sponsored by the Lions Club.

Other Clinics Later

Type 1 of the Sabin vaccine will be given on Oct. 7. The other two types will be scheduled for later.

Persons who have had surgery two weeks prior to the clinic or who plan to have surgery within two weeks should not take the vaccine. But all others should.

While the Lions Club has agreed to underwrite the clinic, its members should not be required to foot the entire bill, we feel. At a cost of an estimated 25 cents per dose, this could become expensive in a hurry.

So we hope that persons who can will contribute to the clinic to help defray the expense. It isn't mandatory, however, that a contribution be made.

Whether you can afford to make a contribution or not, we still urge you to take the vaccine.

This is another step in man's attempts to wipe out a dreadful disease . . . we hope you will take advantage of this opportunity.

GOLF TOURNEY HERE SUNDAY

All golfers in McLean are invited to enter the City Championship Tournament Sunday at the local course, according to Sonny Back, chairman.

Flights are planned for men and women, and entries must be received by Back not later than 9 a. m. Sunday.

The men's championship flight will have 36 holes of medal play, and Back explained that 18 of these holes must be played before Sunday morning.

The pre-flight will feature 27 holes of medal play, with nine completed before Sunday morning.

All other flights will consist of 18 holes medal play.

In the women's division, a championship and first flight are planned. Both will be 18-holes of medal play.

In the Capt. Kidd Tournament at the McLean course last week, the team of E. J. Windom Jr., Hershel McCarty, Mrs. Sammy Haynes and a Mr. Parr was victorious with a low score of 60.

Jee Howard Company Commander in ROTC

LUBBOCK—(Special)—Joe Lawrence Howard of McLean has been named one of 12 company commanders in the Army ROTC department at Texas Tech.

Howard, son of Mr. and Mrs. Edwin Howard, is a senior agricultural economics major at Tech, and a member of the Aggie Club.

Discussion Sunday On Preservation Of This Area's History

The public is invited to attend a Pampa Genealogical and Historical Society program at 3 p. m. Sunday in McLean's Lovett Memorial Library.

Included on the program are: "Origin and Development of Surnames," by Tracy D. Cary, second vice president of the Texas State Genealogical Society.

"Photographing a Family History," by Luther Fruit, first vice president of the society.

"Plants Important to Our Pioneer Ancestors," by Mrs. Cliff Drake of Borger.

The group will have charts, books, tinctures, ancestral portraits, printed family histories and sample blanks for recording family information.

Purpose of the meeting is to show methods by which residents may preserve county and local history.

Mrs. Alice Short Smith of McLean said the public is invited to attend and learn what can be done to preserve the early historical sites, documents and records of the oldtimers of McLean and vicinity.

Back Sophomore At Lubbock College

One student from McLean is among the student body of 334 that enrolled for the fall semester at Lubbock Christian College, according to E. R. Higgins, director of admissions.

The student from McLean is Jack Robert Back, son of Mr. and Mrs. J. C. Back. Back, a 1961 graduate of McLean High School, is a sophomore at LCC.

Rainbow Installation

The public is invited to attend open installation of the officers of the McLean Rainbow Assembly No. 154 on Saturday evening, Sept. 29, 7:30 p. m. in the Masonic Hall.

WHITE DEER INVADES McLEAN FRIDAY NIGHT

BILLINGSLEY FAR AHEAD IN 1ST BALE RACE

No one apparently was in a position to challenge Roy Billingsley in the race to produce the first bale of cotton here this year.

Billingsley not only brought in the first bale ginned at the McLean Gin, but he delivered the second one as well—both of them being processed Wednesday of last week.

Damp weather put a temporary halt to the cotton harvest in this area, and Billingsley's still are the only two bales on the local gin lot.

Both bales graded strict low middling 31/32, according to the cotton classing office at Memphis.

It was the first time in four years that D. D. Pennington had failed to show up at the McLean Gin with the first bale of cotton. Pennington held the championship for three years, and turned out his first bale in 1961 on Oct. 19.

Month Earlier
Thus, Billingsley beat this time by one month.

Billingsley's two bales came from an 87-acre field of cotton on the Gray place two miles south of town.

The first bale weighed in at 459 pounds, with the second a hefty 565 pounds.

Billingsley said the first bale came from 1,860 pounds of pulled cotton, and it took 2,200 pounds for the second.

The cotton was planted about May 8.

The local farmer said Wednesday that bolls have opened considerably in the field since the first time over, and as soon as the moisture dries off he'll be ready to start pulling again.

B. F. Holland, manager, said the McLean Gin has been put in top shape and is ready for the harvest to get into full swing.

Band Boosters To Sell Cakes, Candy

The McLean Band Boosters is at a meeting Tuesday voted to sell fruit cakes and candy again this school term.

Manor House fruit cakes are to be sold just before Thanksgiving and Christmas, and the World's Finest chocolate bars also are to be sold during the year.

The Band Boosters organization will again present jackets this school term to four-year band students.

A membership committee was appointed during Tuesday's meeting. On the committee are George Saunders, Bernard McClellan, Doug Groves, James Thacker, Mrs. Ruth Magee, Mrs. Maud Carpenter, Mrs. Dorris Windom and Mrs. Floie Simpson.

Parents of any band member from the fifth grade through high school may join the boosters club. Any member of the committee may be contacted.

The organization has set a goal of 100 per cent.

Next meeting will be at 7 p. m. on Oct. 9 in the new band hall.

Band King, Queen Elected for Year

Alan Keen is king and Marilyn McLroy queen of the McLean Tiger Band.

They were chosen for the honor at a meeting of the band on Tuesday.

Both Keen and Miss McLroy are seniors at McLean High School and have been members of the Tiger Band all through high school.

Keen is also serving as president of the band.

KENNY WILLINGHAM

Texas Western Happy With Ken

EL PASO—(Special)—Kenneth Rae "Harvey" Willingham, an all-around athlete from McLean, is making news at Texas Western College.

At McLean High School Willingham lettered three times in football, three times in basketball, three times in track, four times in baseball and three times in golf.

The 6.0, 192-pound freshman quarterback has pleased Miner Mentor O. A. "Bum" Phillips with his steady improvement from practice to practice.

Coach Warren Harper, offensive back coach, said of Willingham, "That boy always gets the job at hand accomplished."

Texas Western is starting a rebuilding program this year and Willingham is going to play a big part in the future. The Miner squad consists of three seniors, 13 juniors, eight sophomores and the rest freshmen. The average age, 19.2, is probably one of the lowest in the nation.

14 TD Passes
Willingham, son of Mr. and Mrs. Roy Willingham, had quite a time in high school. Among his accomplishments were 14 touchdown passes for a season, 18 extra points, a track record for the district in the 880-yard dash, two years All-District, football; three years All-District basketball and one year All-Regional.

In one game against Shamrock he threw three touchdown passes to lead his team to victory.

The left-footed punter will be doing some punting for the Miners on top of the work as a right-handed passer.

The Texas Western Miners will travel to West Texas State at Canyon this Saturday for a football battle.

Williams Attends Lubbock Meeting

Leroy Williams of McLean attended a short training course for DeKalb dealers from Texas, Oklahoma, Kansas and Colorado in Lubbock early this month.

Highlight of the two-day program was a visit to the sorghum and cotton research farm northwest of Lubbock, where DeKalb research personnel showed the visitors work being done to make better sorghums and cotton varieties available to farmers.

TIGERS GET 19-8 VICTORY OVER GROOM

Slowed but far from stopped by penalties, the McLean Tigers grabbed their first victory of the season last Friday by downing the Groom Tigers 19-8.

The locals return to the gridiron here Friday, hosting the White Deer Bucks at 8 p. m. at Duncan Field.

Always tough, the Bucks—like the Tigers—managed their first win last week when they narrowly dumped the Lefors Pirates 28-20 in a hard-fought game.

Using a drastically revised lineup, Coach Derral Davis' Tigers caught Groom by surprise last Friday. Penalties, however, kept McLean from rolling up a much wider margin.

One score early in the game was nullified by a rule infraction. Quarterback Don Woods had scampered 46 yards for the six-pointer, only to have the play called back.

Intercepted Pass

Cheered on by a throng of McLean fans, the Tigers came back strong, however, to overpower the hosts.

An intercepted pass on the Groom 21 set the locals up in business at about midway of the second quarter.

Gary Graham picked up two yards to the 19, and John Evans—playing at halfback for the first time—rambled wide to the left for a first down on the Groom 10.

A penalty against Groom cut the distance to the goal to five yards, and Fullback Dickie Crockett on two carries went to the two.

A 15-yard penalty against the local Tigers, however, put the line of scrimmage back on the 17.

Graham Scores
Woods tried one pass that failed, then found his mark—Graham in the end zone. Bob Patton's conversion attempt was wide, but the Tigers had a 6-0 lead with 5:49 remaining in the half.

Groom was unable to move far after the ensuing kickoff, and McLean again took command late in the quarter on its own 43.

Woods carried but failed to gain, then passed to Graham for a first down on the Groom 27. Evans raced to the 11, and a penalty against Groom brought the ball to the seven.

Crockett smashed his way to the two on one carry, and then went across on the next. Fifty-one seconds remained before intermission.

Distance Too Great
Patton successfully booted the conversion one time, but a penalty moved the ball 15 yards back upfield, and the distance was too far when he tried again.

It took the Tigers only a short time to add another counter after the halftime rest.

McLean was on its own 20 after the kickoff, and failing to move, punted out of the hole. The Groom receiver fumbled the ball, and McLean recovered on the Groom 48.

Evans and Woods teamed up to move down to the 14, and Crockett galloped to the four. Then on the next play the hard-charging full—

MISS EMMA JEAN McMULLEN IS MARRIED TO GERALD TATE

The Lela Methodist Church provided the setting for the wedding of Miss Emma Jean McMullen and Gerald Tate at 8 p. m. on Saturday, Sept. 8.

Mr. and Mrs. Roy McMullen, Rt. 2, Shamrock, and Mr. and Mrs. O. O. Tate, McLean, are parents of the couple.

Rev. Dick Richards, pastor of the Lorenzo Methodist Church, read the vows for the single-ring ceremony before an altar flanked by four tall white candelabra with white tapers. The candelabra were entwined with white satin ribbons and ivy. A white kneeling bench completed the altar arrangement.

The bride, escorted to the altar and given in marriage by her father, wore a floor length gown of white bridal satin embroidered with seed pearls. The back was enhanced by a bustle bow which

Groom Scores Late
Patton added the extra point, and this ended the McLean scoring with 6:05 remaining in the third period.

The Groom Tigers finally managed to reach paydirt with 2:54 left in the game.

After pass interference had been called against McLean on the locals' 39, Jerry Quirk hauled down an aerial for the hosts' only touchdown.

Bill Ruthardt ran across the extra points.
Late in the game, Coach Davis cleared the McLean bench and gave every member of the squad an opportunity to play.

Mr. and Mrs. Allen Wilson of Amarillo were weekend guests in the E. J. Windom Jr. home.

Luther Petty and J. A. Meador transacted business in Amarillo Tuesday of last week.

Mr. and Mrs. C. V. Williamson and Billy of Spearman visited relatives here Sunday.

Jewel Meacham made a business trip to Pampa Monday.

Mrs. H. V. Ballard was admitted to Worley Hospital in Pampa last Friday.

ALANREED P-TO CARNIVAL SET

The Alanreed Parent-Teacher Organization began making plans in a meeting Monday night for the annual Halloween Carnival, which has proved to be one of the most popular community activities.

Date for the carnival was set for Oct. 27 in the school gymnasium, and committees have been appointed to make preparations. Mrs. Earnest Foshee, who just recently moved to Alanreed, was elected new president of the P-T-O, succeeding Mrs. Pansey Bryant.

Mrs. Jerry Tarr was chosen vice president and Mrs. Betty Simmons was re-elected secretary-treasurer. A musical program by the school hymn band, under the direction of Mrs. Mary Durham, was presented.

Following the program, George D. Smith, Alanreed superintendent of schools, presented four Awards of Merit to school bus drivers. Recipients are Betty Finley, Granville Simmons, Frank Hambright and Jake Bible.

Public Recognition
The award program, sponsored and conducted by the Texas Safety Association and local schools, is designed to give public recognition to school bus drivers with accident-free records for the past school year.

In making the presentation, Supt. Smith said:

"On behalf of the Texas Safety Association, the Alanreed board of education and myself I want to commend you for performing your duties as bus drivers for the Alanreed school district, so diligently, so conscientiously and so efficiently.

"It is indeed an honor and gives me great pleasure to present these awards to you and to thank you all personally for making it possible for the Alanreed school dis-

of others have started to sag and sigh: new flush and dry rocker panels under the doors to guard against rusting... self-adjusting brakes... Delcotron generator for longer battery life. If you ever wondered why Chevrolet leads its field, a drive in this '63 should answer all your questions.

GO CHEVY II for '63-IT'S EXCITING!

GO CORVAIR for '63-IT'S EXCITING!

Hard as it may be to believe, this year's Chevy II is better, better than last year's and better than anything in its class. It combines all the new easy-care features of the big Chevrolet with its own wonderful attributes of parkable size, four- or six-cylinder fuel economy and interiors that'd do justice to cars with twice its price and half its charm.

Change it! Calm yourself, nobody's going to mess with a winner like this one! We did add self-adjusting brakes and a more fully aluminized muffler; interiors and outside trim are refined a bit, but the rest is pure Corvair with all the over-the-road goodness that implies. Oh yes, we changed the taillights so all those people you pass will know you're driving a '63.

It's Chevy Showtime '63!—See four entirely different kinds of cars at your Chevrolet Dealer's Showroom

What is probably a record-smashing number of students was enrolled in the McLean public schools at the end of the first day of school Monday, Supt. Paul Kennedy said.

The total registered on the first day was 507 students. Of these, 296 were enrolled in the four high school classes, and the remainder in the classes in the new elementary school building. The eighth grade students, who have had to hold their sessions in the high school building for the past few years, are now meeting in the new building.

Kennedy explained that the enrollment exceeds any past figures on the records he has available, and is probably the largest number ever registered in the local school system.

After a somewhat hectic first day, classes settled down to normal Tuesday.

Activities were actually started Sunday afternoon, when the open house program for the new elementary building was held. About 80 people, including both young and old, inspected the new building, all the way from the cafeteria kitchen to the last classrooms on the north end.

Gerald Smith, bandmaster, had his "German" band on hand to play forth with music part of the Sunday afternoon. Refreshments were served to those attending the open house—until the refreshments were exhausted.

But even the open house program could not produce all the furniture for the new building. The major part of the equipment arrived Saturday, and was immediately unloaded by a group of volunteer workers. It was in place for the open house program. But Tuesday, the remainder of the furniture still had not arrived.

Then on Monday morning the second of the opening features was held in the form of a public assembly at the Municipal Building. Several hundred parents, and other school patrons, were on hand. The program, however, was delayed, since the band uniforms did not arrive until Monday morning, and some time was taken before the bandmen could be outfitted in their new suits. But the large crowd waited patiently, and then enjoyed the short program by the band. Following this assembly the high school students were taken to the auditorium and enjoyed a talk by Miss Beatrice Kalka, who taught homemaking last year in a school in Germany.

A going-away party was given in the home of Mr. and Mrs. Johnny Haynes Saturday night honoring Mr. and Mrs. Jack Brooks, who are moving to Lubbock.

Among those attending were Mr. and Mrs. Walter Sargent, Mr. and Mrs. Ted Simmons, Mr. and Mrs. Sammie Haynes, Mr. and Mrs. Brooks and the host and hostess.

The Wesleyan Service Guild of the Methodist Church met Tuesday evening in the church parlor with Mrs. Amos Page as hostess.

The program was based on "Human Rights." Floella Cubine was guest speaker on "My Experiences at Mt. Sequoia." This was followed by an impressive pledge service by Mrs. S. A. Cousins.

Members attending were Mesdames Guy Bealey, Bob Sherrod, Clyde Magee, Shelton Nash, June Story, Wilson Boyd, Bill Day, Bob Black, Sinclair Armstrong, J. W. Meacham, Wheeler Carter, C. W. Parmenter, Frank Rodgers, Guy Hester, Ercy Cubine, Cousins and Page.

Baptist WMS Has Missionary Program

The WMS of the First Baptist Church met Sept. 25 at 9:30 a. m. in the church for the regular monthly missionary program, with 15 present.

The meeting was opened by a group song. The program chairman, Mrs. E. L. Price, presented the prayer calendar, and prayer for the missionaries was led by Mrs. Lou Coppock.

Mrs. Annie Reeve led the prayer on International Students and "The Way of Life."

A duet, "No One Ever Cared for Me Like Jesus," was sung by Jane Simpson and Gladys Stewart.

"Mrs. Composite WMS Member," directed by Mrs. Dan Beltz, shared her scrapbook about international students with the other members. She was assisted by Mrs. Prices and Mrs. N. L. Welch as voices off stage. The program was concluded with prayer by Mrs. George Colebank.

A short business meeting was conducted by the president, Mrs. Wilma Banks.

Mrs. Homer Abbott presented Mrs. Banks a gift of appreciation. Members present, not mentioned above, were Mesdames Betty Skipper, Luther Petty, Ola Henderson, W. V. Pettit and O. L. Tibbets.

Mr. and Mrs. Luther Petty attended the North Fork Association meeting at First Baptist Church in Wellington Thursday. From there, the Pettys, accompanied by Mrs. R. O. Cunningham, went to Abilene, where they visited in the Herman Petty and Jimmy Little homes.

PERSONALS

DINNER HONORS TWO

Mr. and Mrs. Bill Pettit gave a birthday dinner Saturday evening, honoring Mrs. Chalmus Moore and Mrs. K. W. Hambricht.

Others attending were Kineth, Kinnette and Beth Hambricht and Chalmus and Chris Moore.

Mrs. Bunia Kunkel and O. Z. Kunkel of Pampa attended the wedding of their grandson and nephew, Doyle Gene Johnson of Lubbock, last Saturday afternoon. He is the son of Mr. and Mrs. A. D. Johnson of Muleshoe.

Shortcake, intrepid Indian brave, was dead. Following tribal custom, his funeral was an all-male affair.

But his devoted wife had other ideas. Seizing his bow and arrow, she stepped outside her tepee as the burial cortege passed by and aimed it at the chief.

"You go now," she said. "Squaw bury Shortcake."

We admit that is a pretty weak joke, but it's no joke when we remind you that it is time to start thinking about getting your car ready for winter driving. See us for an oil change and anti-freeze—avoid the rush!

ALANREED SCHOOL NEWS

Pamela Rowell enrolled in the first grade Monday morning. We welcome Pamela to our class.

The first grade will finish the second pre-primer this week. They are really progressing satisfactorily.

The boys and girls in the first and second grades are enjoying their milk break at 2:30 in the afternoon.

We want to thank Mrs. Jerry Tarr for the cookies which she served last Friday afternoon. As I have said before, we really do enjoy refreshments in the afternoon.

Mrs. Bryant brought us a Coke in the third and fourth grades. Stephanie Smith and Elaine Foshee had a wreck on a bicycle. Stephanie had a skinned elbow, but Elaine was not so lucky. She had to have three stitches in her lip and five stitches on her chin. Danny read 15 books and Marshall read 16 books.

The first meeting of the P-T-O was held Monday night. New officers were elected and the sixth grade girls opened the meeting by leading God Bless America. Stephanie Smith, Marilyn McMillan, Elaine Foshee and Leann McCracken played piano solos. The Rhythm Band furnished two numbers to complete the program.

The art class composed of fifth, sixth, seventh and eighth grades have been working with pastels. Some very nice pictures have been completed.

Both fifth and sixth grades have been doing very good work in their subjects, except the fifth grade arithmetic class who are experiencing some difficulty due to being weak on multiplication facts. We are trying to correct this and hope to do better work soon.

In the seventh and eighth grades J. Ben McMillan is the only one who has made all 100's in spelling.

The eighth grade has been giving very interesting reports in English class this week.

Basketball News

Alanreed defeated Kellerville 13-11 in a (boys only) game Thursday afternoon, Sept. 20. Coach Smith said that both teams played very well and that he is not sure if the playing time was accurate. Kellerville's clock was not working properly that afternoon and it might have been that Kellerville won. Scott Evans dumped a 2-

point field goal and the referee immediately said that the time had run out. Kellerville boys led our boys most of the game. Our boys are glad that we won the game, but are a little hesitant and unsure that they did.

Carnival Princesses

The princess from each class and their escort for the Halloween Carnival, beginning with the first grade, will be D'Ann Phillips and Stephen Smith; Lynn Foshee and Kelly Street; Jackie Pritchard and Mike Long; Stephanie Smith and Ricky Evans; Jane Bible and Floyd Woodrome; Nila Richards and Jimmy Bible; Linda Anderson and Gary Phillips, and Jeannie Harrison and J. Ben McMillan.

SEPTEMBER SONG

September, for many little ones in McLean, means the first day of school.

Which brings to mind a story I heard recently. Seems a young mother was patiently trying to teach her five-year-old daughter her home address in preparation for her coming kindergarten debut.

After her daughter repeatedly omitted or forgot some portion of the correct address, the mother asked, "But what will you do when the teacher asks you where you live, Debbie?"

After a moment's hesitation, Debbie replied, "I'll let Michael answer first, then I'll tell my teacher that I live across the street from him."

By golly, I'll bet Debbie does all right in school.

THOUGHT ON TELSTAR

Recalling the millions of dollars the Bell System spent in developing and launching the highly-successful Telstar satellite, one of our engineers tells me it's a good thing the world is round.

"Just think," he says, "what a square satellite would have cost!"

COOK'S BEST FRIEND

What's the cook's best friend? Well, salt and pepper would rank high on the list, but for my money, a kitchen extension telephone would rate tops.

A kitchen phone lets you feed the baby... check the grocery list... or stir the stew—and keep right at it when the phone rings. A kitchen extension costs less than 3 1/2 pennies a day—mighty low cost when you consider all the step-saving convenience it gives.

We have colors and styles to suit your own good taste. Just call the business office or ask your telephone man.

SOMETHING TO THINK ABOUT

In Japan, there are two ways to get telephone service.

People who can wait three years for their phones apply to the Nippon Telegraph Corporation, a government-subsidized company. They must buy a \$450 bond, which cannot be redeemed for 10 years, and also pay a \$28 installation charge.

A quicker but more expensive way is to go to a telephone broker. This costs from \$500 to \$1,500, if the customer is really in a hurry.

There are an estimated one million people on the telephone waiting list in Japan—210,000 in Tokyo alone.

Like I said, it's something to think about.

Call by number. It's twice as fast.

 TEXAS A. & M. COLLEGE EXTENSION SERVICE

By FOSTER WHALEY

WEATHER

The rains have been fine on small grain that has recently been sown. They are of little value to the milo crop and probably work against our cotton crop.

COTTON

Each year about this time I have a lot of questions about defoliating cotton. Defoliating cotton in other areas of the state has become a very common practice. In this area very little of it has been done. It is a very technical procedure and the proper time and other considerations are extremely important.

Recently our agronomist stationed at Lubbock released what I think is a piece of excellent information on the subject. I hope every cotton grower will read the following under the heading:

"Using Defoliants and Desiccants on the High Plains"

As the High Plains cotton harvest gets into full swing many growers will be thinking about the use of defoliants and desiccants to prepare cotton for machine harvesting. Timing the use of these materials can make or lose money for cotton growers.

Older, mature cotton frequently can be prepared for machine stripping or picking before frost. Experience has shown that the proper use of harvest-aid chemicals permits earlier harvest of mature cotton before exposure to weather damage reduces the grade or actual fiber losses due to bad weather occur.

Late cotton (June planting) on the other hand still will need all the time for maturity it can get and defoliation by frost will be more profitable. Too early, trigger-happy defoliation reduces the yields and lowers the quality. This is where "waste" and low micronaire cottons can injure the reputation of a cotton producing area. Also green bolls at the gin present numerous problems. Green short fibers reduce the quality. Green wet fiber from green bolls clogs up and sticks to ginning saws, thus causing a chain reaction in reducing quality.

Plant conditions, weather conditions and other factors vary from one year to the next. Each grower will need to evaluate the situation and decide if defoliation will pay. Here are some guidelines that will be helpful:

1. Condition of the plant—best results are obtained with mature cotton with a heavy boll load, where the irrigation cut off date is followed, leaf moisture is normal and growth about stopped.

2. Timing—Research at Lubbock and throughout the cotton belt has shown that 60% of the cotton bolls should be open before a true defoliant is applied and more than 80% (preferably 80%) open before a desiccant is applied. Harvest-aid materials thus applied have not been observed to reduce yields or lower fiber quality. Top bolls that are expected to mature should be 30 to 35 days old, at least, at time of application, full size, firm when pressed between thumb and forefinger and can't be sliced with a knife.

3. Weather conditions—cool weather slows up defoliation. When

night temperatures are constantly below 50 degrees Fahrenheit and day temperatures under 70 degrees Fahrenheit.

4. Is maturity speeded up by defoliants? No. For all practical purposes maturity of the cotton fiber stops when defoliants or desiccants are applied. The degree depends on coverage obtained. Bolls have been observed to open sooner in treated cotton than in untreated fields but fiber from the treated cotton was not more mature. Some growers have found that if frost has not occurred by Oct. 20 and if plant and weather conditions are normal, that defoliation or desiccation about two weeks before the average first frost date, usually the first week in November, can be considered.

This places the cotton in a dehydrated condition at time of the first frost and permits earlier stripping after frost.

A copy of L-145, Cotton Defoliation Guide for Texas, is available at the county agricultural agent's office.

COMING FRIDAY, SEPTEMBER 28 THE NEW 1963 FORDS

MOST SERVICE FREE STANDARD-SIZE AMERICAN CAR EVER OFFERED

HIGH ECONOMY V 8 ENGINE 36,000 MILES BETWEEN MAJOR LUBRICATIONS

Providing fun for the whole family, and individuality for Mom and Dad, the top offering in Ford's 1963 station wagon line, the Country Squire, will have optional bucket seats. A nine-passenger car, the Squire has the only forward-facing third seat in the low-priced car field, and one of the widest tailgate openings in the industry—more than 50 inches.

Described as "the most service free standard-size American car ever produced," the 1963 Ford Galaxie features complete re-styling, a new 260-cubic-inch Challenger V-8 engine, 36,000-mile major lubrication intervals and 6,000-mile minor lubrication intervals, and "cushion link" suspension. Through use of improved lubricants, a complete "run-in" of each engine while it is being electronically analyzed, and an engine flush procedure, Ford has been able to eliminate the historic 1,000-mile inspection on all of its 1963 cars, except the three van-type vehicles in the Falcon line.

The 4-door hardtop (bottom), is one of the 14 models in the 1963 Galaxie line that will be introduced in dealer showrooms on Friday, September 28.
