If all of this mud-slinging in the United States senatorial race is confusing you . . . you're not alone!

It is entirely possible that we will never know whether Billie Sol Estes did or did not give \$50,000 to Sen. Ralph Yarborough, as the Dallas Morning News has reported. Frankly, we had never intended to cast our vote for Sen. Yarborough, so the new Billie Sol headline will sway our thinking neither way.

We don't like liberalism, period. And to our way of thinking the senator personifies liberalism.

What a candidate stands for, after all, is what counts in any political campaign. His party affiliation and his private life, to a certain extent, should be secondary.

-ibu-

We were raised a Democrat, and this is still our party. But this doesn't mean we will put our party above our country, and vote a straight Democratic ticket in a general election.

In our opinion, what this country DOESN'T NEED is six more years of Ralph Yarborough.

-ibu-

The more another Yarborough appears on television, the more convinced we are that he also is far too liberal to suit us.

If Don Yarborough did defeat Gov. John Connally and persuaded the Texas Legislature to enact all the programs he desires—the state's taxpayers would be bankrupt before two years passed.

Virtually every part of his projected program would be costly. We have yet to hear him explain where all the money he plans to spend would come from.

There's only one source, really—directly out of the taxpayers' pockets. This, after all, is the only place the tax revenue ever comes from, isn't it?

We like the way Gov. Connally has run the governor's office during his first term. Oh, we haven't agreed with everything he has done.

But Gov. Connally has said "no" with a veto of certain bills rammed through the Legislature to benefit particular pressure groups—or blocks of voters.

Under his guidance, we believe Texas can soon set its financial house in order, without the additional burden of more taxes.

A couple of former residents of McLean were back for a visit early this week, and real pleased to be here.

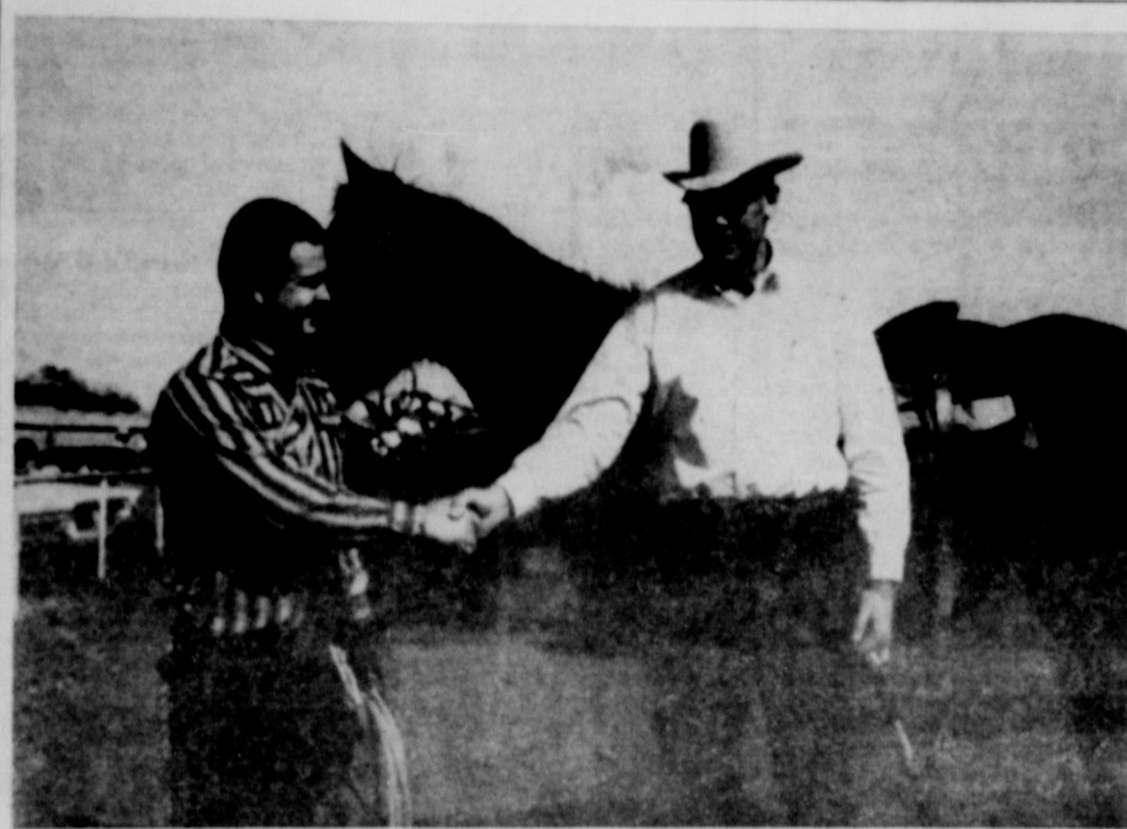

Mr. and Mrs. Rudolph Bush left these parts in 1937, moved around some and then 18 years ago settled in California.

Now he has retired and they are traveling.

They were in Pampa visiting Mrs. Bush's sister, Mrs. Eunice Hunt, so they came on over to McLean to see some friends and relatives.

Mr. Bush had kept up with the happenings here pretty well through The McLean News. When he left the office Monday he planned to chase down Boyd Reeves, Boyd Meador and some of the other long-time residents.

BIKE SAFETY DRIVE SLATED BY JAYCEES

Plans are being made by the Junior Chamber of Commerce for a bicycle safety drive in McLean.

Bob Stubblefield, Jaycee president, said this week that all bicycle owners are invited to bring their bikes to the Southwestern Public Service Co. building between 2 and 5 p.m. on Saturday, May 16.

Members of the Junior Chamber will be there to place Scotchlite tape—the kind that glows in the dark—on the front and rear fenders of the bikes.

There will be no charge to the bicycle owners.

Stubblefield said that the Jaycees merely want to make the bicycles safe for riding at night and in the early evening.

Smith is Chairman

Casper Smith is chairman of the committee making arrangements for the project. Other members are Kenny Willingham, Tony Smithman and Carl Henley.

Any one desiring further information was invited to contact either of these three Jaycees.

Stubblefield reported to the Junior Chamber Tuesday night on the Texas Jaycee convention held in Corpus Christi the past week.

The Jaycee president, his wife and Donald Cunningham represented the McLean chapter. They returned Monday.

Dems, Republicans Scheduled to Vote

Two running state-wide political battles are expected to draw a major share of the interest when voters in McLean, Gray County and all across Texas trek to the polls Saturday for the Democratic and Republican primary elections.

McLean Democrats will cast their ballots at the grade school cafeteria, while Republicans are to vote in city hall.

This is an exchange of voting places since the last election. Democratic precinct workers felt that more space was needed, and decided to hold the election in the cafeteria.

The polls will be open from 8 a.m. to 7 p.m.

Voting places will be set up for both Democrats and Republicans in Alameda, too. Democrats will vote in the school building and Republicans in the school gymnasium.

O. G. Stokely is in charge of the Republican primary in McLean and Leonard Glass is making arrangements for holding the election in Alameda.

Sheriff Draws Opponent

Sheriff R. H. (Rufe) Jordan is the only incumbent county officer with an opponent in the Democratic primary.

Seeking to unseat Jordan from the office he has held for 11 years is L. J. Flaherty, Pampa.

The mud-slinging campaign has been between United States Senator Ralph Yarborough, who is seeking a new six-year term, and Gordon McLendon, radio executive from Dallas.

Much of the word battle between the two has centered on whether Yarborough did or did not receive \$50,000 in cash from Billie Sol Estes.

Another heated race has developed between Gov. John Connally and the candidate attempting to defeat him, Don Yarborough of Dallas.

Others Quiet

The other campaigns have been comparatively quiet.

Precinct 5 Constable J. D. Fish is the only local candidate asking re-election this year. He is unopposed.

Gray County voters also will elect a county assessor-collector and county attorney and help elect (See ELECTION, Page 2)

JOYCE BEASLEY WINS 2ND

Joyce Beasley, daughter of Mr. and Mrs. Guy Beasley, qualified last weekend for the state Interscholastic League competition.

Miss Beasley placed second in ready-writing at the regional Interscholastic League contests held in Lubbock.

She will enter the state finals on May 8.

Two other entries from McLean also placed in the regional contests held on the Texas Tech campus.

Play Also Second

The McLean play, "Slave With Two Faces," directed by Mrs. Carl Dwyer, won second, and Harry Tate became the only McLean McLean athlete to win points when he placed second in the 880-yard run.

The play had earlier been chosen as the best in District 2-A at the contest held in Canadian.

Members of the cast are Larry Williams, Linda Tindall, Jackie Groves, George Green, Janice Barker and Jim McCarty.

Blazing Fence Only Fire During Week

Only one fire alarm was sounded in McLean the past week.

Volunteer firemen were called out Saturday afternoon to extinguish a blazing fence at the Joe Burroughs residence.

The board fence had ignited from fire in a trash barrel.

RISH PHILLIPS RITES TO BE HELD FRIDAY

John Rish Phillips, 417 North Commerce, died at 10:15 a.m. Wednesday in Highland General Hospital at Pampa after a long illness.

He was a resident of this area for some 60 years.

Funeral services will be at 2 p.m. Friday in the McLean Church of Christ. Jay Channell, local minister, and David Fultz of Quanah, formerly of McLean, will officiate at the rites.

Interment will be in Hillcrest Cemetery under the direction of Lamb Funeral Home.

Donations to Hospital

The family has asked that in lieu of flowers memorials be in the form of contributions to furnish a room in the McLean Hospital.

Mr. Phillips had shown much interest in the hospital, which is due to be built here.

Money for the memorial fund may be sent to John C. Haynes, Truitt Johnson or left at The McLean News office.

Mr. Phillips had been in ill health for sometime. He was 80.

He was born on June 18, 1883, in Parker County, Texas, and moved to this area from Parker County in 1904.

Married in 1909

He was married to Miss Effie Cash on Jan. 24, 1909, in McLean.

A retired farmer, Mr. Phillips was a member of the McLean Church of Christ.

Surviving are his wife; one daughter, Mrs. Leta Mae Hess, McLean; three brothers, Floyd Phillips, Dumas, Tom Phillips, Pampa, and Marcus Phillips, Kingsville; two sisters, Mrs. Lavada Cash, McLean, and Mrs. T. A. Bodine, Sattanta, Kan.; and two grandchildren.

One son, William Clayborn, preceded Mr. Phillips in death on Dec. 1, 1920.

Jaycees Offering Free Rides to Polls

Members of the McLean Junior Chamber of Commerce will provide free transportation to the polls for Saturday's primary elections.

President Bob Stubblefield invited persons desiring rides to the voting places—for the Democratic balloting at the grade school cafeteria or Republican polling place at city hall—to telephone GR 9-8886 or GR 9-2250.

Stubblefield said he hoped many residents will take advantage of this service offered by the Jaycees.

JUBILEE HERE ON SATURDAY

Many Performers From Out of Town

Many out-of-town entertainers will appear on the regular Derby Town Jubilee scheduled Saturday night in the McLean High School auditorium.

The show starts at 8 p.m., and will feature two hours of musical entertainment.

Sponsored by the McLean Junior Chamber of Commerce the Jubilees attract hundreds of local and area residents every other Saturday night.

Proceeds from the show have been designated by the Jaycees to furnish a room in the new McLean Hospital expected to be constructed this year.

Door Prize Offered

Donald Cunningham, manager of the Jubilee, said a door prize will be given away at Saturday night's performance. Casper Smith's Deep Rock Station is donating 10 gallons of gas and an oil change for the door prize.

Booked for appearances by Wednesday night were:

The Blue Ridge Ramblers from Pampa; Tackett Family gospel singers, Skellytown; Dr. Corbin and his Dixieland Band, Miami; the Chevilles, McLean; Perkel and Dunn, Skellytown; Becky Durnig, Skellytown.

Cunningham said several other possibilities are being lined up, and some of the regulars also are expected back.

Factory Open House In Pampa Tonight

Formal opening of the Marie Foundations factory in Pampa is set for 7 p.m. today, and hundreds of persons are expected to attend the barbecue being held in connection with the open house.

On hand to greet the visitors will be Cal Fraser, owner of the Marie Foundations factories in McLean and Pampa.

Dale Greenhouse, production superintendent of the local factory, will serve in the same capacity at the Pampa plant.

Greenhouse said his week that production at the new Pampa factory will begin early in May with some 43 women making up the starting work force.

Hiring of women for the McLean factory is continuing. Greenhouse reported, and a total of 236 persons now are employed here.

Expert Children's Photographer Coming To McLean May 12

Winston B. Lucas of Irving, an expert children's photographer, will be in McLean Tuesday, May 12, to make pictures of all local and area youngsters.

Lucas is due to begin taking the pictures at the McLean News office at 10 a.m. Appointments are being made up to 6 p.m.

Mrs. Charlie Vineyard is making appointments for the photographer. Parents interested in having their children's pictures made on May 12 may contact Mrs. Vineyard (telephone GR 9-2529) or The McLean News (GR 9-2447).

Select Best Pose

The pictures of all children photographed by Lucas will be published in The McLean News. Lucas or a representative of his studio will return to McLean again to permit parents to choose from the proofs the picture of their children they wish published.

There is no charge to the parents. Parents do not have to be subscribers to The McLean News nor even readers of this newspaper to take advantage of this feature.

Neither are they obligated to purchase pictures after they are taken. Those who want some additional prints may obtain a limited number by arrangement when they choose the pose they want to appear in the paper.

Winners' Names Omitted by News

A typographical error in last week's McLean News omitted the names of two local grade school winners in the District 2-A literary events held here the week before.

Burtch Davis and Steve Fuller, first and second place winners, respectively, in number sense, were not listed in the article.

Also due to the error—Judy Watson, Leslie Beck, Martha Beasley, Jennifer Haynes and Becky Orrick were listed as second place winners in number sense.

Actually, these five girls placed second in picture memory.

The officers were elected at the regular P-TA meeting earlier this month.

At the same meeting, the organization voted to withdraw its membership from the state and national Parent-Teacher Association.

2 Important Dates Are Coming Up For All Wheat Producers

In connection with recent legislative action relating to the 1964 wheat program there are two very important dates for wheat producers, according to County Agent Foster Whaley.

Wheat producers who wish to participate in the program must sign an agreement at the county ASCS office before the close of the day May 15.

This agreement must be signed if the producer is to be eligible for price support loans and is to qualify for marketing certificates.

The second important date is May 1. If a producer wishes to divert more than the minimum acreage, the wheat must be destroyed by this date.

If the producer wishes to divert only the minimum acreage and is now overplanted, he will be given 15 days to destroy the excess wheat following measurement of his land and receipt of official notice from the ASCS office, even though this might be after May 1.

Measurement and official notice may come after the May 1 deadline, but the 15-day period for destroying the excess still holds, the county agent said.

CROP Program Is Started in County; Donations Requested

A progress report on the Christian Rural Overseas Program (CROP) was presented last week at a meeting in the Gray County courthouse annex in Pampa.

Tom J. Veale, county CROP chairman, presided at the meeting.

The local CROP committee launched its annual campaign in January. This year farmers in Gray and Roberts Counties will be asked to designate acreage of wheat or milo for contribution to CROP as "Friendship Acres."

Signs will be posted by the participants.

Several to Participate

Already indicating they will participate in the drive to aid overseas families are Paul Bowers, Ollie Hommel, T. J. Veale, Stan Friend, Hubert Keahey, Amos Harris, W. F. Shepherd, J. M. McCracken and Edwin Nelson.

Dickenson Offered New Year Contract By Alanreed Board

In a special meeting Tuesday night, the Alanreed board of education reversed its earlier action and gave another year's contract to Teacher Eugene C. Dickenson.

The board had voted 3-2 on April 17 not to offer Dickenson a contract for next school term, even though all agreed that the veteran teacher had been doing a commendable job.

Supt. George Smith said Wednesday that several families had urged the board to re-consider its action, and Tuesday's special meeting was called for this purpose.

The vote to re-hire Dickenson was unanimous.

'Wonderful Group'

Smith said he is pleased with the board's decision, adding: "I feel we have a wonderful group of teachers. There have been no problems, and we would like to keep the situation that way."

The new Alanreed School building is rapidly taking shape, as the contractor progresses toward his goal of having the structure ready in time for the 1964-65 term.

Smith said that the building should be ready to move into long before the next school year begins, unless some unforeseen difficulties develop.

The Alanreed seventh and eighth grade play, "Sidney," is scheduled for presentation in the school auditorium at 7:30 p.m. today.

Rally Big Success

The play is being directed by Dickenson. Admission will be 35 cents for adults and 20 cents for students.

Last Friday's box supper and candidate rally sponsored by the Alanreed P-T-O was described as a "tremendous success."

Several candidates were on hand for the event, and the P-T-O raised \$120 from the box supper—twice as much as the total raised at last year's rally.

Entertainment was by Billy Tidwell, Mrs. Dixie McCracken, a trio composed of Stephanie Smith, LeAnn McCracken and Sue Anderson and several other students.

The Kingsmen Trio of Dallas will appear at the Lela School at 7:30 p.m. Saturday, it was announced this week.

One of a series of reports by this newspaper and the Print Advertising Association on the advantages of print media.

Don't you read before you buy?

Most people generally do. Not only do they read; they cut out and show ads to their family and friends; they clip coupons for information and samples.

When people see an advertisement in print, they can compare designs... features... and prices of nationally known products and services. (And people do compare before they buy.)

Advertising in print is a handy thing. You

can always check back; the message is still there even if your attention is distracted.

When you add it up, print advertising—the kind you read in this newspaper—makes sense. And because it measures up to the buying habits of most consumers, print makes sense.

NEWS

COUNTY AGRICULTURAL AGENCY
MEMBER A & S. COLLEGE EXTENSION SERVICE

By FOSTER WHALEY MEETING ON COTTON AND WHEAT PROGRAM

A meeting has been scheduled to explain the new 1964 wheat and cotton program. It will be held in the basement of the Methodist Church this Friday, May 1, at 2 p.m.

Evelyn Mason, manager of the ASCS office, will be on hand to explain the new programs. For some time I have had a specialist scheduled to be in the county on that date. He is Robert Berry, plant pathologist from Lubbock. If at all possible I will try to attend the meeting. It depends on the time of arrival and departure of Mr. Berry.

BIG NEWS TO FOLLOW

We hope to have a news release of paramount importance concerning proposed activities of certain 4-H Club members in the county. Watch this column and a special feature.

4-H LIVESTOCK PROJECTS

Jerry Harland, assistant county agent, has been working night and day assisting 4-H boys and girls in getting 4-H calf projects going for the 1965 show.

There are now 19 calves on feed. All of the calves are doing fine, with the exception of one or two that have had some sickness.

VALUE OF RANGELAND

Quite often we are asked the question, "How much can you afford to pay for rangeland in this area?"

Van Mills, range conservationist, Soil Conservation Service, compiled some interesting figures that could serve to give a specific answer to the above question.

Van totaled up the pounds of beef per acre produced on the Milton Carpenter Ranch in the McLean vicinity. In 1963 a total of 28 pounds of beef per acre was produced.

On the Noel Ranch nearby the figure was almost exactly the same—28 pounds per acre.

These ranches are in the sandier areas of the county.

On the Roland Dauer Ranch in Carson County, north of White Deer, an average of 37 pounds of beef was produced annually for a three-year average—1961-63 inclusive. This average included a few cull cows each year, about the number you would expect to cull each year.

Now if you could get someone to tell you what the price of calves will be for the next 10 years and you could do a good job of estimating your expenses, you will have the answer.

Before you do too much figuring, I will venture a conclusion—it won't pay out. Inflation might pull you out on top if you can pay a substantial amount on the place.

ROUNDUP TIME

On Tuesday last week we spent a part of the day on the Isabel Huntley Place, where cattle work is in progress. Paris Hess has the place leased. We were

impressed at the beauty of the headquarters site. This is a dream of a ranch.

Working cattle hasn't changed much in the past 100 years in handling methods. We still drag the calves after a skilled roper and horse make contact with a calf. You still pull one hind leg back while pushing the other forward with your boot heel hung on the hock. A partner assists on the front end.

We still brand as we have always done. We castrate and ear notch as always.

We use nylon ropes instead of manila. We use newer and better vaccines. We use better and newer and better smeers. Otherwise things are pretty well done the same way.

With plenty of help there still isn't a way to beat handling cattle by dragging them.

Note to the young ladies: if your boy friend drives with one hand on the steering wheel it could mean that he is heading for the church—either for a wedding or a funeral.

It is said that two tears were floating down the river and became engaged in the following conversation: Said the first, "I am the tear of a sad woman who lost her man to another." Replied the second, "I am the even sadder tear of the one who got him."

We are told that there are nearly 18 million people in the United States who are over 65 years of age. Here are just a few facts gleaned from a report of the council appointed by the President to study the situation: one and a half million live on farms, almost two million work full-time, and many more part time. Two and one-third million are veterans, 12 1/2 million get social security benefits, more than three million came from other countries, and more than 10 thousand are over 100 years old. This is a great tribute to good doctors, modern medicines and our wonderful standard of living here in America.

If we put our best food forward it will mean that our worst one is farther behind.

CARD OF THANKS

We would like to thank every person in McLean who sent food, flowers and gifts and presented books at the library to mother during her illness. If we wrote a 10-page paper we still couldn't express our appreciation to all who made her last days brighter and happier. We will always cherish and remember the people of McLean who expressed their love and devotion so often and for such a long duration. Some only inquired about her, but your concern has gladdened our hearts and made us feel you loved her as we did. Again we say thank you and God bless each and everyone of you.

All the students made high ratings, but since this is not a contest, the ratings are not published.

Spence Sitter will play seven numbers in the elementary B at a later date for Mrs. Yoder, the Pampa Center chairman.

Accompanying the students to Pampa were Mesdames Bernard McClellan, J. O. Coleman, J. L. Hess, Ear Tarbet, H. D. Banks, R. D. Back, L. F. Giesler, O. L. Tibbets, Dale Wells, Finis Dalton, Carl Baker, John Cutlers, Frank Simpson, John Dwyer, Dusan Pakan, Robert Green and Ernest Watson.

Bridal Shower Is Held Monday Night For Mrs. Billingsley

Mrs. Doyal Billingsley, the former Miss Nancy Meacham, was honored with a miscellaneous bridal shower Monday evening in the Miro Pakan home.

Assisting Mrs. Pakan with the hostess duties were Mesdames Wheeler Carter, Bill Wyatt, H. C. McCurley, Earnest Beck and Bennie Woods and Misses Mary Ann Carter, Judy Wyatt and Ruth Pakan.

The guests were registered by Miss Carter at the registry table which held a white bride's book and a turquoise floral arrangement.

The focal point of the serving table, which was laid with an ecru colored cloth with handmade cutwork, was an arrangement of white mums and snapdragons interspersed with fluffs of turquoise mulline.

A large wedding band and engagement ring were nestled in the center of the arrangement.

Wedding cake and golden punch were served from opposite ends of the table by Miss Pakan and Mrs. Woods.

The mirror over the mantle reflects a fan-shaped arrangement of gold and white iris flanked by votive-type candelabra. Across the top of the mirror was a garland of stephanotis centered with a pair of white wedding bells.

The guest of honor, her mother, Mrs. J. W. Meacham, and the mother of the bridegroom, Mrs. Roy Billingsley, were presented corsages of white carnations.

The many gifts received by the honoree were on display.

Roy Petty of Borger had dinner Friday in the home of his uncle, Luther Petty, and wife.

TWO MINUTES WITH THE BIBLE

BY CORNELIUS B. STAM, PRES. BERSEAN BIBLE SOCIETY CHICAGO 32, ILLINOIS

PRAYER

Prayer, in Old Testament times, was based upon a covenant relationship with God, or it was an appeal to His revealed nature as merciful, gracious, etc. Today it is based upon the redemptive work of Christ, whose death opened the way for us into the Father's presence. This is why acceptable prayer today is offered "in the name of Christ." With our Lord's departure from this world in view, He said to His disciples:

"I am the way, the truth, and the life; NO MAN COMETH UNTO THE FATHER BUT BY ME" (John 14:6).

"Hitherto have ye asked nothing in My name . . . At that day ye shall ask IN MY NAME; and I say not unto you that I will pray the Father for you, for the Father Himself loveth you, because ye have loved Me . . ." (John 16:24-27). Thus today we pray directly to the Father, in the name of the Son.

Our prayers, however, are often faltering and sometimes the way is so dark before us that we do not even know what to ask for. Thus Paul declared: "We know not what we should pray for as we ought" (Rom. 8:26). But he was quick to follow this with the declaration that we know that . . .

"ALL THINGS WORK TOGETHER FOR GOOD TO THEM THAT LOVE GOD, TO THEM WHO ARE THE CALLED ACCORDING TO HIS PURPOSE" (Rom. 8:28).

This is why he encourages God's people in Phil. 4:6, 7:

"BE ANXIOUS FOR NOTHING BUT IN EVERYTHING BY PRAYER AND SUPPLICATION WITH THANKSGIVING LET YOUR REQUESTS BE MADE KNOWN UNTO GOD: AND THE PEACE OF GOD, WHICH PASSETH ALL UNDERSTANDING, SHALL KEEP YOUR HEARTS AND MINDS THROUGH CHRIST JESUS."

"LET US THEREFORE COME BOLDLY UNTO THE THRONE OF GRACE, THAT WE MAY OBTAIN MERCY AND FIND GRACE TO HELP IN TIME OF NEED" (Heb. 4:16).

Pioneer Study Club Entertains With Annual Senior Tea

The Pioneer Study Club honored the senior girls, their mothers, the mothers of the senior boys and other guests with a tea Thursday, April 18, in the parlor of the McLean Methodist Church.

The senior girls were favored with a rosebud name card. Mrs. Jim Boyd, seated at a linen-covered table centered with yellow jonquils, registered the guests.

The silver appointed tea table was covered with an imported linen cutwork cloth, centered with an arrangement of white mums.

Mrs. Evan Sitter presided at the silver coffee service, and Mrs. Leslie Webb and Mrs. June Woods alternated at the crystal punch bowl. They served the guests dainty tea, sandwiches, rosebud mints, cookies, nuts, coffee and/or punch.

During the serving hour, music was provided at the piano by Mrs. Harold Fabian. Mrs. Jim Hathaway welcomed the guests, after which Mrs. Jim Back introduced the speaker.

For her program, Mrs. Dolly Lynch, a prominent Amarillo woman, gave an entertaining review of the book, *Convention*, by Knebel and Bailey.

Those in the receiving line and assisting with other hostess duties were Mrs. Creed Lamb, Mrs. Jim Hathaway, Mrs. Morris Brown, Mrs. Guy Hester, Mrs. Forrest Hupp and Mrs. Bob Ayres.

Howard Circle Has Meeting on Tuesday

The Howard Circle of the WMS of the First Baptist Church met in the home of Mrs. E. L. Price Tuesday.

Following a brief business session, a program was given on the subject "Our Baptist Heritage." Those participating were Mesdames Price, Frank Howard, O. L. Tibbets and H. D. Banks.

Others attending were Mesdames Vivian Short, Leo Gibson, H. W. Finley, Lloyd Hunt, George Colebank and Miss Margaret Glass.

The next circle meeting will be May 12 in the home of Mrs. Finley.

Mr. and Mrs. John Cooper of Tucumcari, N. M., visited in the George Colebank home Wednesday and Thursday and attended funeral services for Mrs. Nina Carpenter.

Mr. and Mrs. Bob Stubblefield returned home Monday from Corpus Christi, where they attended the Junior Chamber of Commerce convention last week.

WALTER ROGERS REPORTS

PANHANDLE OPINIONS
 The response was heavy to the questionnaire I distributed recently as part of this weekly newsletter. More than 1,300 Panhandle area residents gave me their views on the issues I presented by returning newsletter copies they had marked or by sending me marked clippings from the several area newspapers whose editors were kind enough to reprint the newsletter questions.
 In addition, many persons wrote letters to me explaining in detail the policies they believe the government should follow. Having received all these expressions is indeed helpful.
 To all who took the time to send me their opinions in these matters, my sincere thanks.
 The tabulated results of the questionnaire are as follows:

WASHINGTON AND

History as it may be written.
 * * *
 And so it came to pass that in the great land there came into being a great priesthood known as Potomac Poohbahs, who while riding tax furnished limousines, brooded wondrously over many problems.
 * * *
 And they worshipped an all powerful god who could solve all problems. That god was known as the Golden Calf until much of the gold was gone, and was then known as the United States Treasury.
 * * *
 And it came to pass that the meat growers of the nation were sorely beset because of all the nations of the world, only this great land permitted dumping of foreign meat on its shores.
 * * *
 And there sprang up some heretics such as Rep. E. Y. Berry of the province known as South Dakota, and Sen. Roman Hruska of the province known as Nebraska, who clamored for protection against foreign dumping into the land.
 * * *
 And this caused great consternation among the Poohbahs of Agriculture and State who forthwith gathered at the temple of the mighty god, U.S. Treasury, and consulted long. And forthwith there went forth a decree that from now on the great god, U.S. Treasury, would buy up some of the meat produced in the great land, to permit domestic producers to survive, and still permit those from other lands to dump their meat into the land.
 * * *
 And as the housewives of the land sallied forth to market and paid higher prices, and as the U.S. Treasury paid out more and more housewives all chanted "Praise be to the Poohbahs who are all wise. Now we pay double, both at the counter and at tax time."
 * * *
 And there also came to pass a problem about jobs for the young people. A mighty host, known as AFL-CIO had decreed that apprentices shall not be trained.
 * * *
 And so the Potomac Poohbah known as Labor Secretary pondered and pondered.
 * * *
 And he thenceforth said that the solution of the problem was to decree young people be kept in school two years longer with U.S. Treasury footing the bill, and voila, there would be less unemployment. In times that followed this was extended until all peoples of the land were compelled to stay in school until old enough to receive pensions from Social Security and there was no more unemployment in the land.
 * * *
 And everybody rejoiced in the wisdom of the Potomac Poohbahs and the omnipotence of the great god, U.S. Treasury.
 * * *
 All this is found in archeological diggings along the Potomac. But there is still to be learned what happened to the great god of the ancient great land, the U.S. Treasury. It seems to have disappeared without a trace.

Status Changes For Social Security Are Explained by Geldon

Hal Geldon, district manager of social security in Amarillo today reminded people receiving social security benefits that certain events may affect the payment of those benefits.
 When these events occur, they should be reported to the Social Security Administration.
 The death of a beneficiary should be reported promptly, Geldon stated.
 He also mentioned that the marriage of a beneficiary unless the beneficiary is receiving benefits as a retired worker, will usually stop payments. Divorce may affect the right to get benefits.
 People who are receiving benefits on behalf of a child or an incapable older person, may have those rights altered if there has been a change in custody of the beneficiary.
 The most common event that affects the right to receive payment is earnings from any type of work. If the beneficiary is under the age of 72 and expects to earn over \$1,200 during the calendar year, some of his benefits for the year will be held back.

 The SCD supervisors listed five points to remember during "Soil Stewardship Week," as well as at all other times:
 1. Eroded lands and polluted streams are displeasing to God.
 2. Erosion begins with raindrops; its destructiveness is magnified by man's abuse of the land.
 3. Soil and water are gifts of God.
 4. Man is responsible to God for the wise use of His gifts—soil, water, plants and creatures of the earth.
 5. He who contributes to the destruction of the soil sins against God.

Services Held For Mrs. Richard Hall

Funeral services for Mrs. Rowena Keeter Hall, 34, were held Sunday afternoon in the Turkey Church of Christ.
 Interment was in Dreamland Cemetery at Turkey.
 Mrs. Hall died at 3:40 p.m. last Thursday in Groom Memorial Hospital after undergoing surgery earlier in the week.
 She was the wife of Dr. Richard Hall brother of the late Charles Hall of McLean.
 Dr. and Mrs. Hall, well known to McLean residents, moved to Turkey last year after he had completed training to become a doctor of osteopathy.

Moisture in Air, But None Falls Here

Rain seemed to hang in the air over McLean most of the day Wednesday but none came to the ground.
 And unless some comes today, April will end up with only .02 inch of moisture for the entire month, even though for the year the city remains ahead of this date in 1963.
 A total of 3.64 inches of moisture had been recorded in McLean by Wednesday night compared to 2.34 inches by the end of April, 1963.
 There were few April showers here last year, too. Only 10 inch fell.
 Temperatures cooled down considerably during the past week. The low was 45 degrees on Sunday and again on Wednesday. The high was 88 degrees, also recorded on two days—Thursday and Friday.
