## Tigers Eager As Rehearsals Begin

McLean's ambitious Tigers are off and running toward another football season, after opening training sessions this week with an unusually large squad of 45. Boasting 13 returning lettermen and a fine nucleus of regulars from the 1962 season—when they posted an even 5-5 record—Coach Derral Davis' Bengals have themselves a share of the District 2-A favorites' label. The locals were picked by district coaches as favorites along with the Lefors Pirates.

Just  
Between  
Us

We were just reading the Virginia Commission on Constitutional Government's urgent warning about President Kennedy's omnibus civil rights bill which has been introduced in Congress.

Entitled "Civil Rights and Legal Wrongs," this commentary "is an attempt to present the other side," since many Americans have heard only a case for the bill up to now. We probably would never have read the booklet through, if the opening paragraph had not been this bit of "logic":

"All decent Americans should support good things. All decent Americans should oppose bad things. Racial discrimination is a bad thing. Bills to prohibit racial discrimination are good things. The President's pending civil rights bill is intended to prohibit racial discrimination. Therefore his bill is a good thing and all decent Americans should support it."

From this paragraph on the entire commentary makes sense, in that it points out how the civil rights bill, if passed into law, would actually give the President and the federal government powers that the United States Constitution so carefully keeps away from them.

The bill would in effect change the Constitution by legislation rather than by amendment.

The Virginia Commission on Constitutional Government points out these obvious violations of the Constitution:

1. It would tend to destroy the states' control of their own voting requirements.
2. It would stretch the Commerce Clause beyond recognition.
3. It wrongly would invoke the 14th Amendment.
4. It would undermine the most precious rights of property.
5. It would raise grave questions of a citizen's right to jury trial.
6. It would open new doors to the forces of government regimentation.

As a result of all this—"because of the violence that would be done to fundamental law," as the commission puts it—Americans of every race would suffer equal harm.

It approved by the President, the bill would indeed guarantee certain rights for one group of American citizens. But it would take away

## Tumbleweed Goes On Sale Monday

The 1964 McLean High School yearbook, The Tumbleweed, will go on sale Monday, according to Jim Boyd.

Many students have already paid the \$2 deposit on the yearbooks, and Boyd said he hopes the remainder will pay their deposits by Monday.

Students will have an opportunity to purchase a yearbook until Sept. 13.

With three days of workouts behind the Tigers, Coach Davis wasn't reaching for any crying towels Wednesday night.

"Our boys have a good attitude, a lot of enthusiasm and plenty of interest," said Davis who is starting his fourth year as head coach at McLean High.

The 45 who had suited up by Wednesday bettered by 12 the number of players who came out for the major sport here last year.

Heading the list of returning starters are Bob Patton, 210-pound senior tackle who was All-District the past two years; Dickie Crockett, junior halfback who weighs in at 181, and also an All-District selection in 1962, and Jim McCarty, senior halfback, two-year All-District performer who tips the scales at 165.

Patton and McCarty are three-year lettermen. They are serving as tri-captains with senior halfback Gary Graham, 158 pounds.

Other regular returnees include: Mike Johnson, 160, senior guard; Kenny Smith, 150, senior end; Mike McCall, 135, senior center.

Fuller the "Key" Making up the list of remaining lettermen are Eddy Windom, 166, junior end and All-District defensive player last year; Ronnie Hunt, 155, junior guard; Johnny Fuller, 145, junior who has been switched from end to quarterback; Harlon Pool Jr., 145, junior end; David Seaney, 170, senior tackle, and Dwight Hathaway, 179, sophomore center.

Davis said the "key to whether we really go or not is Johnny Fuller," the outstanding defender from last year who has added 26 pounds.

A newcomer to the squad whose aggressiveness and desire have already made him a big candidate for a starting position is George Green, solid 175-pound sophomore.

Others "we're expecting a lot of," according to Davis, are Jim Stevens, 202, sophomore tackle; Val Sharp, 150, sophomore defense man; sophomore Halfbacks Jimmy Keen, 150, and Robert McCabe, 140.

Roster Not Ready The coach said that there "are a lot of other young kids who look good," but the roster hasn't been completed. Many will see action on the B team, for which a schedule is now being prepared. (See TIGERS, Page 2)

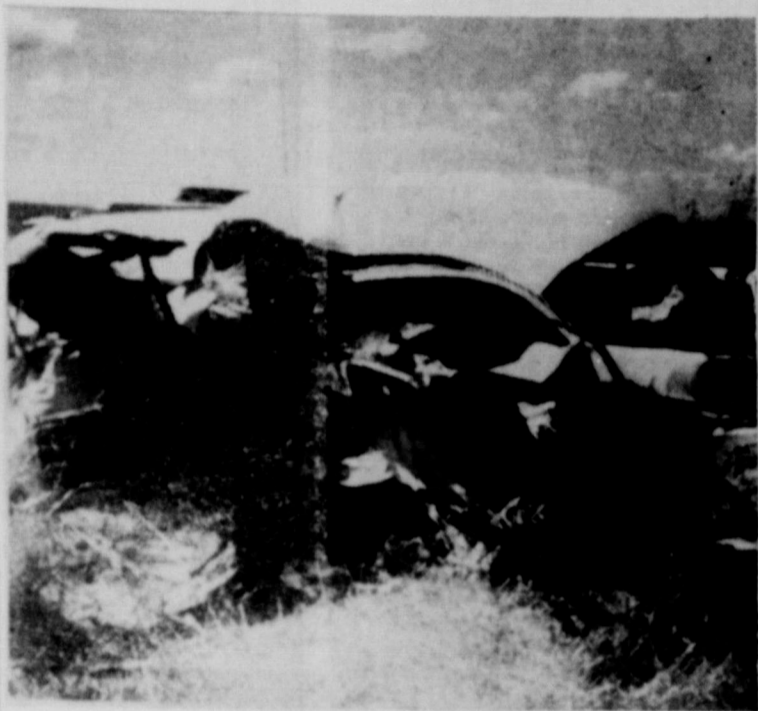

## Foreign Group To Visit Next Week

A group of foreign young people on a tour sponsored by the Association for World Travel Exchange of New York will arrive in McLean Monday afternoon for a brief visit.

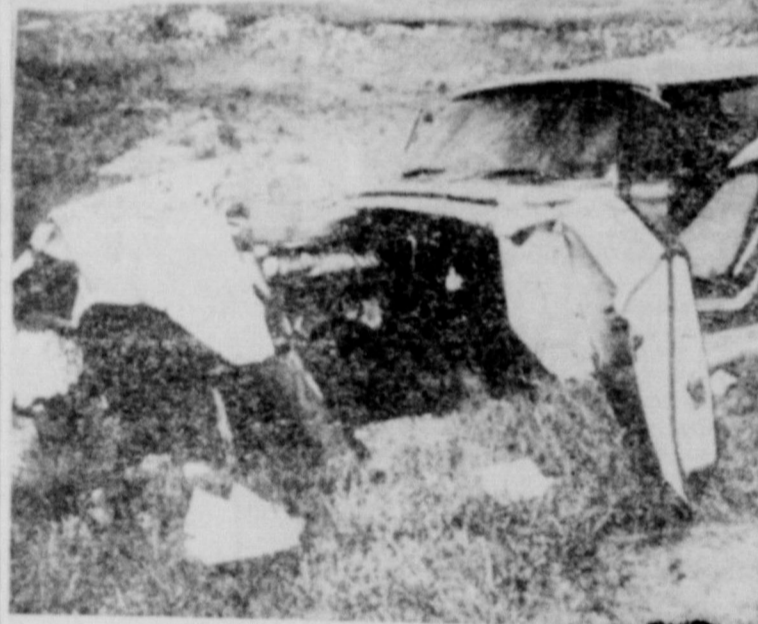

The group of six tourists and a tour leader is due here at 5:30 p.m. Monday and will leave at 9 a.m. on Wednesday for Albuquerque, N. M., according to Patricia Lyman, U.S.A. hospitality chairman.

The Association for World Travel Exchange is a non-profit educational organization for international travel and hospitality exchange. Association-sponsored groups have visited McLean in previous years, with the last stop here in 1961.

Arrangements for accommodations in McLean are being made by the Lions Club. Members of the group will spend the two nights in local residences.

**HIGHWAY 66 CRASH:** The near head-on collision that left these two cars (above and below) looking like scrap metal injured five persons last week west of Alanreed on Highway 66. Andrew Thomas Allen and his 13-year-old daughter, Debbie, of Amarillo were critically hurt in the crash. They were occupants of the 1949 Dodge shown above. Below is the 1963 Mercury in which two others were injured—Mrs. Florence Mae Wonnacott and Marie Genest, both of San Bernadino, Calif. The fifth injured person was Florence Hilburn of Anadarko, Okla., a passenger in Allen's car. All five were reported this week to be recovering at Goom Memorial Hospital. (McLean News Photos)

## MASONS WILL FURNISH ROOM

The McLean Masonic Lodge has voted to furnish one of the rooms in the new hospital to be constructed here.

Members of the lodge in a meeting earlier this month decided to join the McLean Methodist Church in furnishing rooms of the hospital.

Sale of the \$150,000 worth of bonds to construct the hospital is planned in Gray County commissioners court next Monday.

Interest bids are to be opened by the court in a special meeting Monday afternoon.

Meanwhile, the county hospital board is in the process of interviewing architects before recommending one architect to prepare final plans and specifications for the 24-bed hospital.

## Sale of Barbecue Tickets Underway

Tickets for the McLean Ex-Students Association barbecue on Sept. 7 are now on sale in three locations, Woody Wilkerson, president, said Wednesday.

Tickets have been placed at city hall, Jane Simpson Agency and S. A. Cousins Agency, and are priced at \$1.50 for adults and \$1 for children 10 years of age and under.

The barbecue meal will be served by Satchens of Phillips at noon Sept. 7 in City Park.

Wilkerson urged local residents planning to attend the barbecue to purchase their tickets early. This will enable planners of the event to determine how many plates to order.

Ex-students were asked to watch next week's McLean News for the time and place for an important meeting of the association.

## Consolidation Story Erred; Students Can Enter Other Schools

Consolidation of the Kellerville and Shamrock school districts would not prevent Kellerville students from attending school elsewhere, it was pointed out this week.

Gene Pike, Kellerville School superintendent, told The McLean News "that an article appearing in the paper last week made an erroneous statement, and asked that it be corrected.

The article stated that if consolidation is approved students in the Kellerville district will attend classes in the Shamrock public school system.

Pike said students still may transfer to other schools in adjoining districts, as they do now, even if consolidation is voted.

The issue of consolidation will (See KELLERVILLE, Page 2)

## Twirlers at School

Three McLean Tiger Band twirlers attended the annual twirlers school last week at Southern Methodist University in Dallas.

Enrolling for here were Toni Mertel, Sharon Sitter and Jan Bailey.

## Vacation's Ending; School Soon to Open

### REGISTRATION FRIDAY FOR GRADE SCHOOL

Registration of McLean Grade School students Friday afternoon will complete preparations for the opening next Monday of the 1963-64 school term here.

High school students finished two days of registration Wednesday afternoon, and the younger group of residents take their turn in line beginning at 1 p.m. Friday.

Grade School Principal Jack Riley said Wednesday that because of their size, the first, second and fourth grades will be divided into two classes each for the coming term.

Miss Lydia Whitaker and Mrs. Marguerite Green will teach the first grade; Mrs. Bata Boyd and Mrs. Sinclair Armstrong, the second grade, and Mrs. Irene Norman and Mrs. Virginia Hoiwick, the fourth grade.

Check Lists Students entering these three grades should check the lists on the doors of these teachers' rooms to determine where they are to register, Riley said.

All new students, except the first graders included in the school census, were advised to report to the principal's office for assignment.

Riley pointed out that all first grade students are required to have birth certificates and physical examination records with them at the time of registration.

Other teachers in the grade school are: Miss Leona Forbes, third grade; Mrs. Lucille Gething, fifth; Mrs. Catherine Weaver, sixth; Mrs. Ruth Morris, seventh, and Mrs. Vera Back, eighth.

Bob Schneider is the new junior high coach.

Teachers Named Final assignments have not been given to all high school teachers, according to Principal Robert L. (See SCHOOL, Page 2)

## Company Accepts Phone Rate Hike

Telephone rate increases approved last week by the McLean city commission have been accepted by Southwestern Bell Telephone Co., it was learned this morning.

George Newberry, manager for Southwestern Bell here, notified The McLean News that the new rates will go into effect with the Sept. 1 bills.

Residential rates now will be \$5.25 for private lines and \$4.25 for two party, an increase of 25 cents. Business telephones will cost \$9, up 50 cents.

Newberry said engineers are already at work on the Alanreed telephone system, preparing it for a changeover to dial operation in about 18 months.

The Alanreed system will be operated through the McLean exchange.

## McLean Man Saves Baby Boy's Life

Quick action by a McLean man last week saved the life of an Air Force sergeant's year-old son.

Leo Gibson, retired member of the McLean volunteer fire department—who learned first aid and life-saving methods—applied mouth-to-mouth respiration to the baby for almost 15 minutes before restoring normal breathing.

## MERCURY IS DIPPING HERE Rainfall Pushing Nearer '62 Mark

Temperatures were showing a marked decline the past week, making August not such a hot month after all.

High mercury reading for the week was 94 degrees, recorded on two days—Saturday and Wednesday. The low was 60 on Tuesday. Thunderstorms Saturday and Sunday brought more refreshing moisture to McLean—2.22 inch coming on Saturday and .76 the following day.

This increases to 12.17 inches the amount the city has received in 1963, just slightly below the 13.09 to date a year ago.

3.41 This Month So far 3.41 inches of rain have fallen this month, compared to .66 for all of August, 1962.

Lightning Saturday killed a 3-year-old registered Hereford bull owned by Bill Kingston.

Kingston said he found the animal Monday, lying in a pasture near the city.

Lightning the week before had killed seven steers on the Kid McCoy place near here.

## Different Kind Of Grid Game Ahead

Something different for the people of McLean will be staged Friday, Aug. 30, at Duncan Field.

That's the date for a flag football game between the freshman girls and girls of the upper classes.

The game will climax a week of freshman initiation activities.

Tickets go on sale Monday at \$1 for adults and 50 cents for students. They may be purchased from any freshman or annual staff member.

Half-time will include such interesting activities as a shoe mixer.

Girls should sign up for the two teams Monday during class meetings.

The infant is the son of S-Sgt. and Mrs. Michael J. Smandra, who had stopped at the West Wind Motel here to spend last Wednesday night.

Moving to Arizona The sergeant and his family were en route to Tucson, Ariz., where he was being transferred from Omaha, Neb.

Soon after arriving at the motel, the mother was giving the child a bath in the bathtub. She left the room for a moment, and when she returned the baby was lying face down in the water.

Sgt. and Mrs. Smandra rushed the baby to the living quarters of Mr. and Mrs. E. J. Windom Sr., owners of the motel, where Gibson and his wife were visiting.

Every effort was made to get the baby to catch his breath, including putting ice on his back. But these were unsuccessful.

10 to 15 Minutes Then while Mrs. Windom held the child Gibson began to breathe into his mouth. After 10 to 15 minutes the baby responded and began to breathe.

He was examined later by a McLean physician and found to be all right.

"I guess we saved his life," Gibson said later. "He had already turned blue and there wasn't a sign of life."

Gibson said the incident didn't bother him at all while it was going on.

"But I was scared to death after it was all over," he added.

## Certificates Are Presented at End Of Story Hours

The last story hour of the summer reading program at the library was held last Thursday morning. Only 16 children were present, due to so many being gone on vacations.

Mrs. Willie Harris told the stories, "The Ugly Duckling," "Never Mind the Watermelons," "The Friendly Ghost" and "The Sugar Plum Tree."

Certificates for completing the requirements of the summer reading program were presented to Alton Hulsey, Frank Hulsey, Ken Parker, Michele Parker, Gail Terry, Susan Shelton, Mary Ann Dwyer, Carla Dwyer, Jeri Bible, June Bible, Janet Bible, Jane Bible, Diann Miller, Delynn Miller, Kurt Gilbert, Elizabeth Davis, Kelly Davis, Carrie Evans, Regina Lamb, Denise Lamb, Brenda Massey, Keith Gipson, Bob Longino, Kathy Blackwell, Sherri Jones, Toni Bohler, Cheryl Holmes, Betty Holmes, Connie Bohler, Shauna White, Tommy Gipson, Rhonda Davis, Bobby Cockerham, Christy Cockerham, Martha Ann Beasley, Becky Shelton, Darla Rogers, John Holt, Carolyn Holt, James Reeves, Norman Jones, David Street and Kelly Street.

## Pat Windom Wins Grade School Meet

Pat Windom posted the low score last week in the tournament for grade school boys held at the McLean Golf Course.

Winning first in the partnership handicap competition were Jimmy Baker and Dick Back.

Young Back also teamed up with Jimmy Hester to place second.

many rights of an even larger group of other citizens.

Because of our location geography, the racial problem hasn't really affected McLean to any great extent—yet. But it still should be of grave concern to us, for the type of legislation proposed by the "impatient ones" would be another step toward eliminating some of our basic freedoms.

We read a newsletter from Washington a couple of months ago, concerning various legislation pending before Congress.

While we aren't at liberty to quote directly from the newsletter (it was copyrighted and publication was prohibited), it did explain the dilemma facing our congressmen.

There was a general feeling then, and perhaps it still persists, that the elected representatives of the people—congressmen and senators—were becoming frustrated.

This frustration was traced directly to the lack of word from their constituents on the various issues facing Congress. In the opinion of the newsletter writer, these men who make the laws weren't being informed how the voters back home felt about these issues.

Take the time to write them occasionally. They need your opinions.

Our representative, Walter Rogers, apparently is groping for our ideas everytime he writes his weekly newsletter. And we are enjoying these regular messages from him more everytime we get one.

In the past, it has been such a chore to get Rep. Rogers' newsletters set up in type, we didn't feel the effort was worth it. Now, however, they are on such vital subjects every effort will be made to publish the column weekly.

We've heard of some gas wells, but Mobil Oil Co. has brought in a producer in western Oklahoma that's one of the biggest we know of.

The No. 1 Jones in Custer County's North Custer City Field had a calculated open flow of 160 million cubic feet per day for the offset.

The gas is coming from the Hunton level, perforated from 14,490 to 14,930 feet. Shut-in tubing pressure was 4,689 pounds.

George Newberry, manager for Southwestern Bell Telephone Co., had some encouraging news for McLean last week.

Newberry reported at the city commission meeting that McLean had gained 21 telephones in July—one of two towns in the Panhandle recording increases. The other was Shamrock, which showed a gain of only one.

Rent houses appear to be filling up as school days come nearer, and there's still talk by some residents about constructing new homes.

Remodeling of the McLean Variety Store also is still in the mill, but the 50-foot-front plans apparently are being abandoned. The store likely will remain 25 feet wide, with a complete new interior and exterior.

## SCHOOL

(Continued from Page 1)

The assignments Wednesday were awaiting the completion of registration.

High school teachers include: Jim Boyd, Lloyd Hunt, Mrs. Jon Ann Dwyer, Carl Dwyer, Derral Davis, Mrs. Mary Tom Riley, Mrs. Dorothy George, Mrs. Linda Raines, Nelson Christie and Miss Jane Etheredge.

A full day of classes will be held on Monday, with the cafeteria serving lunch.

Registration for the McLean Kindergarten also will be held on Friday, Mrs. Thomas D'Spain, teacher, said.

Students will register in the kindergarten classroom at the grade school from 1 to 3 p.m.

All children planning to enter kindergarten must be 5 years of age by Sept. 1.

Mrs. Frank Neely of Wichita, Kan., visited Mrs. Bob James over the weekend.

Mr. and Mrs. George Orrick are the proud parents of twins, a boy and a girl, born Aug. 12. The boy weighed 4 pounds, 12 1/2 ounces, and the girl weighed 5 pounds, 9 ounces. They have been named Billy Mark and Rebecca Jean. The grandparents are Mr. and Mrs. A. B. Word of Alanreed and Mrs. Bill Orrick of Shamrock.

Marriage vows for Texetta McCurley, daughter of Mr. and Mrs. C. H. McCurley, and Vernon Tarbet, son of Mr. and Mrs. Valta Tarbet of Shamrock, were read Saturday evening, Aug. 8, at 7 o'clock in the McLean Methodist Church.

Rev. D. L. Hunt, pastor of the Kellerville Baptist Church, read the double-ring ceremony against a background of palm leaf fern, a basket of gladioli and cathedral candelabra.

Miss Christine Hunt of Kellerville was maid-of-honor.

The best man was C. T. Master-son of Texola, Okla.

Martha Jo McCurley, sister of the bride, and Gaston Tarbet, brother of the groom, served as candlelighters. Ushers were Eddie Tarbet, brother of the groom, and Bert Gamble of Texola.

After a wedding trip to Colorado, New Mexico and other points west, the couple will be at home in Shamrock.

The Nina Hankins circle of the Baptist W.M.U. met Tuesday in the home of Marjorie Fowler.

Mrs. Biell Wells taught the lesson on "The West Is Big."

A special thank you goes to Dorothy Beasley and Teresa Mertel, who so efficiently assisted her each Thursday morning during the story hour.

Three new children's books were received by the library this week. They are: One Dozen Brownies by Anne Guye, True Book of Indians by Teri Martini and True Book of Reptiles by Lois Ballard.

All those who have overdue books and owe fines are urged to take care of them before school starts.

(Continued from Page 1)

The Shamrock school district will be determined in an election on Saturday, Aug. 31.

**Voting in Both Districts**

The election was called after a petition requesting the consolidation vote was filed with the Wheeler County judge.

All qualified voters in both the Kellerville and Shamrock districts will be eligible to vote in the Aug. 31 election.

Balloting will be at the Kellerville School building and in the Shamrock school district business office.

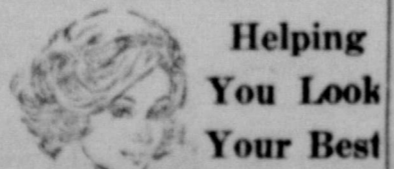

A majority of voters in each district must approve before the consolidation can become effective. Approval in one district and not the other would prevent the consolidation.

Classes are scheduled to start at the Kellerville School on Tuesday, Sep. 3, if the consolidation is not approved.

Mr. and Mrs. Jerry Gilbert and children returned Sunday night from a two-weeks vacation in Seminole, Texas, and Albuquerque, N. M.

Mrs. Jack Grigsby and children left Tuesday to return to their home in Fort Worth after visiting relatives here.

## PEACE CORPS TESTS SLATED

A new round of Peace Corps placement tests will be given at more than 800 Post Offices and college campuses—including Pampa and Amarillo—starting at 8:30 a.m. on Saturday.

The tests will be at Room 322 in the Amarillo Post Office and also in the main Post Office in Pampa.

The non-competitive test enables the Peace Corps to place prospective volunteers in an appropriate overseas situation. Everyone interested in becoming a Peace Corps volunteer must take the test—in addition to filling out a questionnaire.

Those selected for training will spend from 10 to 12 weeks on a college campus, which may include four weeks at a Peace Corps camp in Puerto Rico.

**Serve 2 Years**  
The training programs include an intensive study of the language of the host country, its history, customs and culture American affairs, world political problems, health problems in tropical conditions, etc.

Volunteers agree to serve two years, including training time. The minimum age for volunteer service is 18, with no upper age limit. Married couples may serve if they have no dependents and if both husband and wife qualify for the same project.

The Peace Corps pays all of a volunteer's expenses and furnishes administrative help to him abroad. The volunteer receives, at the completion of his service, a readjustment allowance of \$75 for each month of satisfactory service.

The placement test consists of a half-hour section on general aptitude and another of the same length on modern language aptitude.

New grade school coach and assistant high school coach is Bob Schneider, who comes to McLean from Clayton, N. M. There he was an assistant for one year and served the past three years as head coach.

Schneider is a 1958 graduate of West Texas State College at Canyon, and was graduated from Darrrouzett High School in 1954.

Lloyd Hunt is back as an assistant and working basically with the linemen, while Schneider runs the backs through their paces.

Davis invited the public out to the stadium to watch the youths practice each day.

## By FOSTER WHALEY CREEP FEEDING CALVES

Will it pay? This is a very common question we are asked very often. It is difficult to give a yes or no answer. However, we can give you some guidelines based on research work done at the experiment stations.

According to research work, it takes about 6.5 pounds of total digestible nutrients to put one extra pound on a calf. This would be about 8.5 pounds of a concentrate feed.

So, to answer the above question, if your prepared calf supplement costs \$3.50 per 100 pounds of feed, an additional pound of gain would cost you about 30 cents.

This would be the break-even price for putting on the extra pound. So you could say if the creep feed costs \$3.50 per 100 pounds, you must sell your calves above 30 cents per pound to make any money.

Another way to say this—if you have your calves sold at 30 cents and you can buy creep feed for less than \$3.50 per 100, it will make some money. According to Dick Everett, it isn't worth the trouble.

Based on the average conditions, I tend to agree with him. Truitt Johnson says it will pay, but agrees you can't make anything if you pay \$3.50 for your creep feed.

He used milo and, I believe, oats when they can be bought worth the money.

## SEEDING ALFALFA

Wilbur Wilson plans to seed some alfalfa on his place southwest of town. We were visiting with him on Tuesday about the value of alfalfa hay as compared to cotton seed cake as a winter protein supplement for beef cows.

A test was run several years ago at the experiment station at Stillwater, Okla. The test compared 2.5 pounds of cotton seed cake against 8.5 pounds of alfalfa hay.

Each is supposed to have about the same amount of digestible protein. Calves from the group of cows fed 8.5 pounds of alfalfa hay weighed about 50 pounds more the following fall after the cows had been wintered on the 8.5 pounds of cotton seed cake.

## DANGER FROM PRUSSIC ACID POISONING ON TEMPORARY PASTURES

We have a lot of questions on the above subject. Here is some information sent me by our extension veterinarian:

Prussic acid results from the hydrolysis of a glucoside which is normally present in actively growing plants of the sorghum family. The splitting of the glucoside into prussic acid only occurs in dangerous amounts when the plant's growth is interrupted by inadequate moisture or frosting. There are several factors that influence the production of prussic acid in the

plants. The following factors should be considered in controlling losses from this poison:

1. **The type of plant to be grazed**—All members of the sorghum family, including Johnson grass, sudan, milo, forage sorghums and all the hybrids of this group of plants are potentially hazardous under certain circumstances. Young plants, or second growth suckers, are more likely to cause trouble than older plants nearing maturity.

2. **The fertility and tith of the soil**—The more luxuriant the plants are growing, the higher the level of the precursor glucoside they will contain, and the more likely they are to be dangerous if their growth is interrupted.

3. **Weather conditions**—Interruption of growth by moisture stress may be due to depleted soil moisture, or due to the plant losing moisture through evaporation faster than it can transport from roots to leaves. This situation frequently occurs when the temperature and wind velocity are high and relative humidity of the air is low.

## 4-H FFA PIG SALE

On Oct. 12 at the Top o' Texas Junior Sale Barn the first pig sale of this type will be held. The sale will be for the primary purpose of providing good feeder pigs for 4-H and FFA boys.

They will feed the pigs and exhibit them at the spring shows. The Tolbert and McLaughlin Brothers will be the hosts and they are inviting other reputable breeders to consign some of their top-quality pigs.

Bernard McClellan is one of those who have been invited to consign some top-notch individuals from his herd.

This will be an all-breed sale. It will be the best way for 4-H Club boys and girls from this area to purchase their pigs for the Top o' Texas Junior Livestock Show.

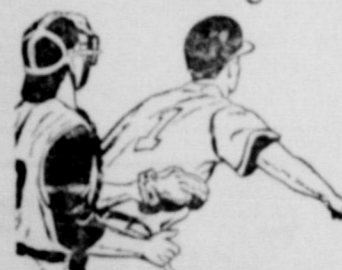

The date of Oct. 12 has been set with the Top o' Texas and other spring sales in mind. The pigs coming to the sale will be the proper age for these shows.

We hope 4-H boys and girls in this area who plan to feed pigs will get in touch with Bernard McClellan, swine subject matter leader, or me soon and let us get an early start.

# BLOWIN' Out the CORNERS

By Uncle Zeb

We act very foolish when we waste valuable time trying to get even with those who may have wronged us, when we could wisely spend that time trying to get ahead of those who have done good things for us.

One farmer remarked as he went out to vote: "This wheat referendum is a heck of a note, I get good advice to be sure and vote 'No.' But my pocketbook tells me, 'Nay, it isn't so.'"

A schoolboy remarked as he ambled leisurely down the street thinking of the summer vacation ahead: "I ain't aimin' to learn nothin' all summer long."

Sign on a laundry window: "Don't tear your clothes up by hand when we can do it with machinery."

Recently, we had the joy of taking part in a prayer service at Faith City Mission. As the different ones took part in the service they were given the opportunity to leave their prayer requests in a special box so that others might join them in their request. In another box the prayers that were answered would later be placed. As we thoughtfully and earnestly as best we knew how read the requests one tugged at our heartstrings in a special way. It was dated the first day of the four day round the clock service and read: "Please pray with me that my mother who lives in Trenton, N. J., and who is an alcoholic will be saved, and she will be cured from this habit." It was signed—Jimmy.

**READY TO RIDE:** Dean Warren, 15-year-old Liberal, Kan., youth, is ready to ride in the 19th annual Boys Ranch Rodeo. Named junior all-around cowboy of last year's rodeo, Dean will be one of the senior contestants this time, riding the Brahma bulls and bucking broncs. The rodeo will be at Boys Ranch over the Labor Day weekend, Sept. 1 and 2.

## ANNUAL BOYS RANCH RODEO IS SCHEDULED FOR SEPT. 1, 2

Two coveted titles will be at stake when the young contestants at Cal Farley's Boys Ranch hold their 19th annual Boys Ranch Rodeo over the Labor Day weekend, Sept. 1 and 2.

The top rider among the older boys will be named "Senior All-Around Cowboy," while the "Junior All-Around Cowboy" will be selected from among the younger boys.

Dean Warren, a former Liberal, Kan., boy, was named "Junior All-Around Cowboy" of the 1962 rodeo.

## PERSONALS

Clate Peabody, Mrs. J. B. Pettit and Mrs. Wheeler Carter, accompanied by Mrs. Harve Smith of Clarendon, attended funeral services for their sister-in-law and aunt, Mrs. Oscar Bowers, in Dunn Sunday. Mrs. Bowers was a former resident of the Liberty community.

Guests in the Wheeler Carter home Friday were Don Winton of Downey, Calif., G. E. Winton of Wheeler, Mrs. Don Trew and children and Mary Ann Carter of Perryton and Marsha Koller of Owensboro, Ky.

Mr. and Mrs. Bill Simpson and Pat and Mr. and Mrs. Jack Shelton and Becky and Susan spent Saturday night and Sunday at Foss Lake in Oklahoma.

and will be riding for the senior title this year. He compiled a perfect score of 100 points last year.

Boys entered in the senior division of the rodeo will ride Brahma bulls and bucking broncs, while the smaller steers and calves are reserved for the younger riders.

The contestants ride under RCA rules on professional rodeo stock that is taken to the ranch.

In addition to the color and excitement of the rodeo, an enlarged arena is expected to attract a record number of visitors.

For the first time, reserved box seats will be available in addition to the elevated bleachers.

The box seats are \$2.50, which includes the general admission charge, and are being sold at the ranch headquarters in Amarillo. General admission tickets are \$1.75 for adults and 75 cents for children and service-men in uniform.

At the present time, 312 boys from all over the nation are being cared for at the ranch, and those who do not ride as contestants will have some part in the rodeo. Proceeds will be used for the ranch's expansion.

## CARD OF THANKS

We wish to express our sincere thanks to those people who were so helpful in fighting the grass fire on our ranch last Sunday. Our thanks go to the men and boys who helped fight the fire, as well as the fire departments from McLean, Shamrock and Wheeler.

## NEWS OF CONSERVATION

George Jackson recently completed a 200-rod cross fence on his farm northeast of McLean.

R. W. Adams also completed a pond on his farm west of Keller-ville. These conservation practices will improve grazing distribution.

Mrs. Addie Lea Hopkins is planning to drill a well on her ranch south of Pampa. She constructed a pond earlier this summer. Since

the rainfall is below normal, livestock water has become a serious problem on many farms and ranches.

**Bermudagrass Tour:** Plans have been made to tour the Spearman area to see the results of Midland Bermudagrass under irrigation. Reports have indicated that Midland Bermudagrass has done well in that area. Plots to be seen range from one to three years of age.

**Soil Conservation District Picnic:** The Gray County CSD supervisors plan to have their annual picnic in the Lions Club Park in Pampa the second Saturday in September. The picnic will start at 6 o'clock p.m.

Everyone interested in soil and water conservation is invited. People planning to attend should bring enough food for their families.

## Elk City's Annual Rodeo of Champions Begins on Labor Day

ELK CITY, Okla.—Special—The 25th annual Elk City Rodeo of Champions will shift into high gear Labor Day, Sept. 2, and speed away with nightly performances through Sept. 4.

Beuter Bros. of Elk City, the nations foremost rodeo producers and livestock contractors, will have some 300 head of their wild-est bucking broncs and bulls on hand to test the ability of top cowboys from throughout the United States.

Contesting under the rules of the Rodeo Cowboys Ass'n, waddies will vie for \$3,800 in prize money plus entry fees. There will also be special saddle prizes offered by the Triangle Rodeo Association to the top competitors at Pampa's Top o' Texas show, Woodward's Elks Rodeo and Elk City's Rodeo of Champions.

A top added feature of the local event will be a giant street parade Labor Day, the first day of the rodeo, Sept. 2, at 4 p.m. Roundup clubs from throughout Oklahoma and Texas will be here to make it one of the most colorful rodeo parades in the Southwest.

Miss Rodeo America, Joyce Shelley of Silver City, N. M., will lend glamor to this year's parade. Also, there will be floats and marching bands from southwestern Oklahoma.

**WALTER ROGERS REPORTS**

**MOMENTOUS DECISIONS TO COME**

History will remember this first session of the 88th Congress for decisions it will make in the weeks to come. Up to now, Congress has not acted on any legislation of an unprecedented nature. Measures enacted so far have, in the main, providing for the continuation (or abandonment) of programs established in past sessions, met the financial obligations of the government, taken care of the government's housekeeping responsibilities.

That pattern is changing. Now the focus of congressional activity is on legislation of a momentous nature—legislation of such scope that decisions made will have a bearing on the nation's very security and its economic well-being and on the future course of federal-state relations and personal liberty.

The three most important pending legislative matters—and certainly there are many other vital matters of national importance—are the nuclear test ban treaty, tax code revision and a tax cut and civil rights.

The test ban hearings are making daily headlines. The Senate, which constitutionally is the only body of Congress empowered to act in ratifying treaties, will explore the treaty provisions thoroughly.

Tax legislation has been the subject of prolonged hearings by the House Ways and Means Committee; a bill is likely to be submitted to the full House in a matter of days. Then the Senate will begin its work on the tax bill. Meanwhile, both houses of Congress are in the committee stage of considering civil rights legislation.

The Senate will dominate the coming congressional drama. It alone holds the power of "yea" or "nay" over the test ban treaty. It will be in the spotlight also because Senate rules permit unlimited debate on measures reaching the floor. The debate may continue until each Senator has had his say. It can be cut off only by exercise of that rarely invoked Senate procedure called "cloture," by which two-thirds of the Senate must concur in a motion to end debate.

By contrast debate is limited on the floor of the House. A major bill coming before the House is presented along with a "rule" adopted by the Rules Committee—a resolution (which the full House may either adopt or reject) establishing in part the number of hours during which debate is to be permitted and whether or not amendments to the bill may be submitted during debate. There can be no filibusters in the House; once a bill has reached the floor a decision on it cannot long be delayed.

The Senate on the other hand, can devote weeks to debating the provisions of a bill. Oratory is more common to the Senate, once called "the world's most exclusive debating society" since its rules permit prolonged discussion. Now, it's anyone's guess as to what will happen in the Senate on the nuclear test ban treaty, the tax bill or civil rights.

But with the shadow of a bitter civil rights showdown looming over every Senate action, I would say that the country is assured of a very thorough airing of all measures coming before it. Senate opponents of civil rights legislation, with an eye on the calendar, may attempt to forestall action on civil rights by prolonging debate on all controversial issues presented to the floor.

Those who expect Congress to be in session until the snow flies aren't going to be far wrong, I'd guess. It may happen that the first session won't end until the second session is ready to begin

**TEXAS HIGHWAY PATROLMEN NEEDED; APPLICATIONS INVITED**

Sgt. J. W. Wilson of the Texas Highway Patrol today invited men in the McLean area who feel they are "just a little better than the average" to meet him at the court house in Pampa between 8 p.m. and 9 p.m. on Aug. 26 to try out for a job in the Patrol Service of the Texas Department of Public Safety.

"There are good jobs open for young men between 21 and 35 who can qualify," said Wilson, "and while we want men who are much better than average to fill them we will go along with those who are just a little bit better."

These are career positions which offer much in the way of security in benefits but they are gained only after a period of 16 weeks of rugged training at one of the outstanding police academies in the nation. Upon completion of this training men will be assigned whenever possible within 100 miles of their home town at a basic salary of \$353 per month.

### Legion Tries Again To Hold Election

A call meeting of the McLean American Legion post is scheduled for next Tuesday night. Cmdr. Harlon Pool Sr. said Wednesday. Pool said the meeting, set for 7:30 p.m., is to elect new officers for the post.

An election was scheduled for the past Tuesday, but could not be held because only two members attended.

### Hess Is Judge At Louisiana Show

F. Jake Hess of McLean served as one of three official judges at a recent field day staged by the Louisiana Hereford Association at the J. M. Gilfoil's Omega Plantation near Tallulah, La.

Hess, owner of the Doctor Hereford Ranch here, was a judge at the event along with Jim DeMuth of Mississippi State University and Herb Carrier, American Hereford Association field representative.

The McLean rancher also was on the afternoon program when informative talks and demonstrations were presented.

Mr. and Mrs. Tom Bogard and granddaughter, Becky Gaston, of Bula visited with Mrs. Lurah Rhodes Tuesday and Wednesday.

Mrs. Linnie Cunningham fell recently at her home and pulled ligaments in her foot. She is confined to her home but gets around on crutches.

### Fees Due Monday For Band Students

All McLean band students should bring their uniform and instrument fees to school Monday, Director Jim Boyd said Wednesday.

Boyd said it is hoped that all these fees can be paid before the first week of school is over.

Instruments and the remaining uniforms will be issued to the students at the Monday rehearsal. The uniform fee is \$2.50 and the instrument fee \$5 for the year.

"We are looking for one of the finest bands that we have ever had in McLean," Boyd said. "We have fine equipment and hope that all our students will return and be members of the Tiger Band to help us cheer our fine football team on to victory."

### Former Wrestler To Speak Sunday

Tommy Phelps, former professional wrestler from Amarillo, will speak Sunday morning at the First Baptist Church worship service.

Phelps, a wrestler for 16 1/2 years, currently attends Southwestern Baptist Theological Seminary in Fort Worth.

Mrs. Richard Hager and Rhonda and Roy Mac returned to their home at Hereford Saturday after visiting with their parents and grandparents, Mr. and Mrs. Jimmy Shelton, and Jimmy.

### Lions Ladies Night Slated in September

The McLean Lions Club will hold a Ladies Night on Sept. 17, President John M. Haynes announced Tuesday.

During the Lions' regular luncheon meeting Tuesday in the Methodist Church Fellowship Hall, McLean High School Head Coach Derral Davis discussed the upcoming football season.

He reported that more than 40 boys had reported for workout and were showing "a lot of enthusiasm."

Guests were Harold Perry of Norman, Okla., Bob Schneider and Milton Carpenter of McLean.

Mr. and Mrs. Noah Cunningham of Corpus Christi returned home Monday after visiting a few days with his mother, Mrs. Linnie Cunningham, and his brother, Conald, and family.

### Pentecostal Church Pastor Moves Here

Rev. Glen Roachelle has recently moved to McLean to serve as pastor of the McAlan Pentecostal Holiness Church.

Rev. and Mrs. Roachelle are residing in the church parsonage.

### Father of McLean Man Badly Burned

J. N. Jones, father of Everett Jones of McLean, was burned severely recently in a butane explosion at his home in Jones City, N. M.

Jones was attempting to re-light the fire under a water heater when the explosion occurred.

He was treated for second and third-degree burns in a Eunice hospital, but has now returned to his home.

Everett Jones went to New Mexico to be with his father, but returned to McLean this week.

The son of a former pastor of the local church, Rev. Roachelle moved here from Amarillo, where his parents, Rev. and Mrs. G. W. Roachelle, now reside.

He attended Holmes Theological Seminary in Greenville, S. C., after graduating from high school in Roseda, Calif. in 1961.

Rev. Roachelle served as supply pastor of the McLean church from April until his appointment as pastor in July.

His father pastored the McLean church from 1930 to 1935 and returned here in 1958 to serve as pastor for another year. The elder Rev. Roachelle is now retired from the active ministry.

Mrs. Marvin Hindman, former McLean resident, underwent surgery Monday in a Houston hospital.
