NEW LANDMARK: The Triangle Ranch Feed and Cattle Co. building west of McLean adds a new look to the skyline never before visible in this area. The big metal bins shown here will contain the ingredients for mixing feeds for cattle in the comp-

any's lots. Custom mixing also is to be available for farmers and ranchers desiring feeds prepared to their specifications. Full-scale operation of the feed plant and feed lots is expected in the near future. (McLean News Photo)

39 INCH OF RAIN FALLS

Mercury Records 27-Degree Low

There was only 39 inch of it, but rain came Tuesday in a slow drizzle that soaked into the ground with virtually no runoff.

The moisture brought at least a breather from the dry spell, but in the process clamped a lid on the cotton harvest for a couple of days.

McLean's moisture total for the year climbed to 14.69 inches, with 6 of this coming in November.

A year ago on this date the city had received 18.58 inches. November, 1962, saw a total of 18 inches of moisture—some in the form of snow.

Fog Tuesday Night
A thick, soupy fog blanketed the McLean area Tuesday night, and brought another trace of moisture. The skies cleared by Wednesday morning, however.

For the first time this fall, the temperature dipped into the 20's during the past week. The low for the seven-day period ending Wednesday was 27 degrees, recorded on Monday.

There was a warm, too. Last Thursday the mercury edged up to 47 degrees for the week's high.

Child Reported In Serious Condition

Lafayette Sue Baker, 3-year-old daughter of Mrs. Edna Baker of McLean, was rushed to Highland General Hospital in Pampa late Monday evening after becoming ill. The child is a niece of Mrs. Lufkin Pool of McLean. Lafayette Sue was reported still in a very serious condition Wednesday.

Muscular Dystrophy Fund Drive Today

Members of the McLean volunteer fire department will conduct their annual Muscular Dystrophy Fund drive throughout the city beginning at about 5:30 p.m. today, according to Chief Boyd Meador.

Meador said Wednesday that this will be the final year the firemen will devote their efforts to the Muscular Dystrophy fund.

Funeral Services For Mrs. Heasley Held Here Sunday

Funeral services for Mrs. Hattie Ophelia Heasley were held Sunday afternoon in the McLean Methodist Church.

Rev. J. B. Stewart, pastor, officiated and was assisted by Rev. David Thomas, pastor of the McLean First Presbyterian Church.

Interment was in Hillcrest Cemetery under the direction of Lamb Funeral Home.

Mrs. Heasley, a resident of McLean for 60 years, died Friday in Highland General Hospital, Pampa.

Born in 1874
She was born on Sept. 11, 1874, in Caldwell County, Texas, and moved to McLean from Jack County in 1903. She was a member of the Methodist Church.

Survivors include four daughters, Mrs. Vita Cooke and Mrs. Vergie Everett, both of McLean, Mrs. Vivian Patty, San Diego, Calif., and Mrs. Vesta Williams, Andrews; four sons, Reo and Theo of McLean, Leo of Tucuman, N. M., and Cleo of Amarillo; one brother, C. J. Guthrie, Bloomington, Calif.; 22 grandchildren, 41 great grandchildren and four great great grandchildren.

Mrs. Heasley's grandsons served as pallbearers.

In the future, firemen will participate in the Cancer Crusade, he said.

Members of the department decided to change to the Cancer Crusade, Meador explained, because of the ever-increasing number of cancer cases in this area and throughout the nation.

More Cancer Patients
"We feel that more effort should be devoted to fight the battle against cancer," Meador said.

"There are so few cases of muscular dystrophy in this area, compared to the number of cancer victims, we firemen decided we could be of more help in the Cancer Crusade."

Firemen will be divided into teams and call on every house in the city.

In the past, several hundred dollars have been contributed by residents each year to the fund drive conducted by the firemen.

Sales Best Ever

The Band Booster Club-sponsored fruit cake and bake sales held this fall were the biggest ever.

Jim Boyd, Tiger Band director, said Wednesday.

Proceeds from the sales will be used to pay part of the band's expenses at the Tri-State Band Festival in End, Okla., next spring.

On behalf of the band and the Booster Club, Boyd said he wished to thank all who supported the sales.

Games Saturday

The McLean Junior High basketball team saw action again Saturday, when they entertain the Alanreed boys and girls at 9 a.m. in the local gymnasium.

The Cubs, led by Butch Davis with 12 points, defeated Alanreed 37-7 last Saturday, but were downed by Shamrock 36-16 there Monday.

McLean's girls team lost in both its two outings being whipped 23-9 by Shamrock and 17-13 by Alanreed.

Tigers Close Out Season By Dropping Bucs 20-12

PATTON GETS ALL POINTS FOR McLEAN

Bob Patton, playing his final game in a Tiger uniform, refused to let a broken arm bother him last Friday night, as he led McLean to a rousing 20-12 triumph over the arch-rival Pirates in Lefors.

The big bruising tackle who switched to fullback for the last two contests of the season, counted every point the Tigers scored during the evening, and in addition personally carried for 236 of the locals' 332 net yardage gain.

Though plagued with injuries—Coach Derral Davis said "there wasn't a boy in the game physically able to play"—the Tigers carried the fight to the highly respected Pirates.

For his shining performance, Patton was selected the Class A "Player of the Week" by the Amarillo Daily News sports staff.

Going to Specialist
The youth was to go to a bone specialist in Amarillo today for possible surgery on his injured right arm.

Coach Davis said that every player seeing action in the game "gave 110 per cent effort."

On the more seriously injured list with Patton were Dickie Crockett, with a broken hand, David Seaney, broken thumb, and George Green, broken finger.

By winning, the Tigers wound up the season with a record of six wins and four defeats.

Wellington took the District 2-A title and will meet 1-A Champ Stratford in Pampa at 7:30 p.m. Friday in the bi-district contest.

86-Yard Jaunt
Patton sent the Tigers out in front almost immediately after kickoff, when he burst through the middle of the line on the first play from scrimmage, and galloped 86 yards to score.

It was just 1½ minutes deep into the first quarter when the touchdown came. Patton then kicked true through the uprights for the extra point.

Despite his size, the hefty senior outran all the Lefors defenders en route to the end zone. Running a step or two behind him was End Eddy Jay Windom, ready to throw that final block if needed.

At 7-0 the score stood until just one minute before the halftime rest, when the Pirates mustered their first TD drive.

It began on the Lefors 48, where the hosts recovered a McLean fumble.

Cub Grid Banquet Set for Tonight

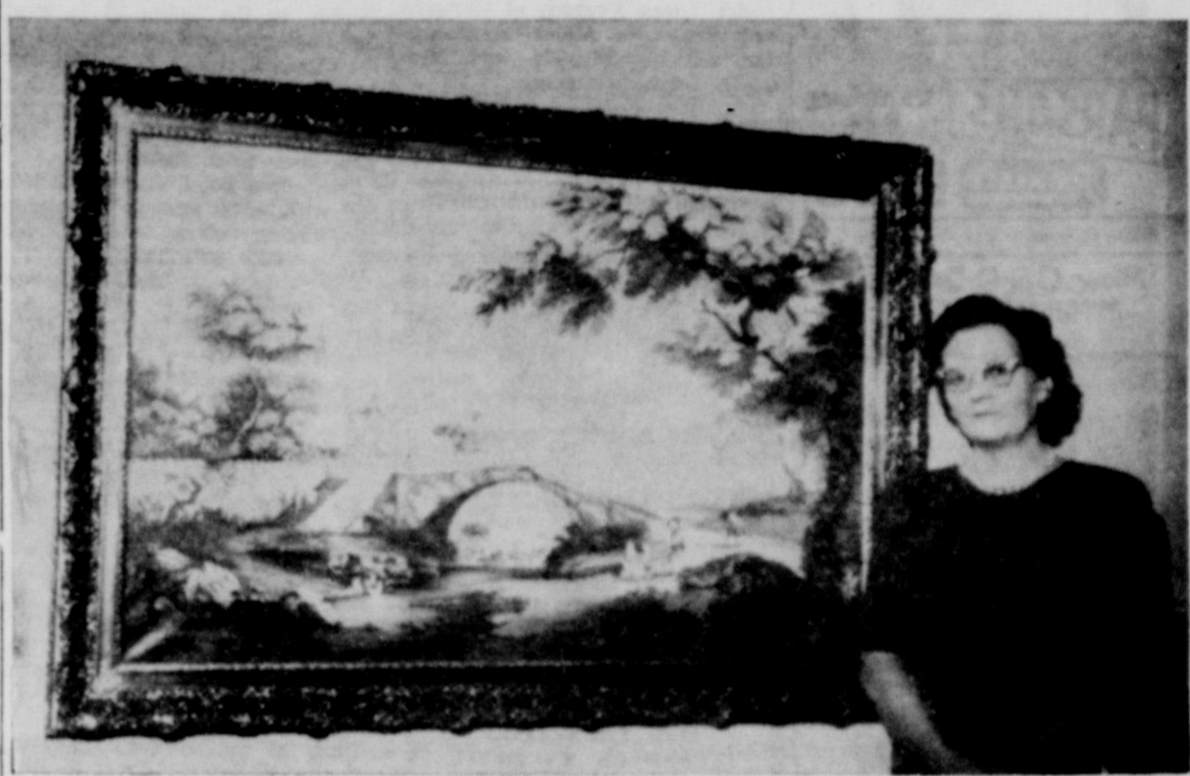

The District Champion McLean Junior High Cubs will be honored, along with their dads, at the annual banquet at 7 p.m. today in the Methodist Church Fellowship Hall.

All arrangements for the affair are being made by the Cubs' mothers.

Guest speaker will be Lloyd Hunt, assistant coach at McLean High School.

Cub Coach Bob Schneider will introduce the players, and High School Principal Robert L. Green is to make "half-time" remarks.

Jack Riley, grade school principal, will be master of ceremonies, with the invocation by Supt. Lee Welch and benediction by Head Coach Derral Davis.

McLEAN ARTIST: Mrs. Dick Dickinson stands beside an oil painting she recently completed after working on it for several months. The painting is a revised version of an old master's work. Mrs. Dickinson used a small

copy of the original work to paint this much larger size. Interested in painting for several years, the McLean woman has a number of her works in her home, and she has sold many others. (McLean News Photo)

REGION BAND TRYOUTS SET

Eighteen members of the McLean High School Tiger Band will enter tryouts for the Regional Band Saturday at Caprock High School in Amarillo.

Jim Boyd, local band director, said Wednesday that the trials are scheduled to begin at 9 a.m.

Several of the McLean students have already been selected for the Regional Band in past years.

Sharon Sitter was a candidate for the All-State Band last school term, and Joyce Beasley was eligible to go to the state solo and ensemble competition.

The Tiger Band only recently re-

Small Appliances To Be Demonstrated

McLean 4-H Club members are invited to bring their mothers to the small appliance demonstration next Tuesday at the Southwestern Public Service Co. building here.

Jay Thompson, manager of the company, said the demonstration will be another class in the electrical course being offered to 4-H members at 4 p.m. each Tuesday.

Thompson said that a representative of Southwestern Public Service Co. will actually cook a meal during the demonstration.

All mothers of 4-H'ers are invited.

Tigers, Tigerettes in Shamrock Basketball Season Opens on Friday

Action on the hardwoods kicks off Friday night in Shamrock for both the McLean High School Tigers and Tigerettes.

The girls will start the evening at 7 o'clock, followed by the Tiger-Irish tilt. Sanford-Fritch comes calling in McLean next Tuesday evening for a pair of games, also starting at 7.

With football just out of the way, Coach Derral Davis' cagers now turn to the job of defending their District 2-A basketball title.

The Bengals have won the crown two straight years.

Twenty-three youths reported for basketball workouts Monday, led by seven returning lettermen—Derrith Welch, Eddy Jay Windom, Glenn Swift, George Green, Jim McCarty, Ronnie Hunt and Ronnie McCracken.

Other returnees are Gene Bench, E. B. Durham, Robert McCabe, Clovis Bible, Gary Hester, Bob Bruce and Noble Fish.

Some Newcomers
Joining them this week were squad newcomers Johnny Carpenter, Drew Fuller, Raymond Baker, Gary Phillips, Eddy Finley, Larry

DAVIS PRAISES GRID SQUAD

The McLean Tigers' record of six wins and four defeats in the past season is "not indicative" of the type of football they played, Coach Derral Davis told the Lions Club Tuesday.

Davis discussed the grid season and the upcoming basketball season during the club's luncheon in the Methodist Church.

He reported that the Tigers suffered more injuries the past season than ever before since he has been head coach here.

Davis said the Bengals "gave their very best."

In the basketball play starting Friday, the coach said he expects the "same type of boys and season" as experienced last season, when the Tigers won the District

School Bids Too High at Alanreed

Bids on construction of the new Alanreed School building were opened Wednesday night—but all were far above the amount of money available.

Supt. George Smith said this morning that John Jones of Clearman submitted the low bid of \$120,600.

However, the bond issue voted by patrons of the school district is for only \$100,000.

Jones, who constructed the new addition to the Marie Foundations Factory in McLean, is to meet with the school architects, Rittenberry and Associates of Amarillo, to determine if changes can be made to reduce the figure.

Smith said the contractor and

architects are "looking for possible ways to reduce the cost without reducing the quality of construction."

If this cannot be accomplished, then changes will have to be made in the plans and new bids requested.

Seven bids were opened Wednesday night by the Alanreed board of education.

Trout Construction Co. of Borger had the second low offer of \$129,216.

All other bidders were from Amarillo:

Doyle Construction Co., \$130,900; Timmons Construction Co., \$131,741; Neill Singleton, \$134,935; Ramsey Construction Co., \$134,980; Tom Badrow, \$136,223.

Junior Class Play Tickets on Sale

"In Case of Murder" is the title of the McLean High School junior class play to be presented Monday night.

Certain time in the school auditorium will be 7:30 p.m.

Reserve seat tickets are now being sold at \$1.25. General admission tickets are \$1 for adults and 75 cents for students.

Directing the unusual type of play are the class sponsors, Jim Boyd and Mrs. Ted Raines.

Members of the cast are: Sharon Sitter, E. B. Durham, Eddy Jay Windom, Linda Tindall, Johnny Fuller, Mary Belle Gibson, Elaine Baker, Sandy McDowell, Judith Going, Johnny Carpenter, Harry Tate and Ronnie Hunt.

2-A championship for the second straight year.

Terry MOD Chairman
 During the luncheon, Club President Johnny Haynes appointed George Terry as chairman of the March of Dimes campaign to be held soon.

Three new members of the club were installed by Boyd Meador. They are Leslie Webb, Jerry Gilbert and Carey Don Smith.

Haynes appointed a committee to start making preparations for the annual Tiger football banquet. Committee members are Joe Burroughs, Bill Reeves, R. D. Back, E. J. Windom Jr. and Jack Shelton.

Windom presented Haynes with a "trophy"—a fur-cushioned pot—as an award for his play in the "Toothless Lions" and "Upstarters" football game held recently.

It was announced that the next regular meeting of the club will be on Monday, Dec. 2. The Lions' district governor will attend the luncheon.

ed in the biggest game of the drive, racing from the McLean 40 to the 16. Halfback Neal Cates carried over from the one a short time later, but the try for the extra points failed.

The Bucs went ahead as the second half began, when Bromlow took the kickoff on his 20 and zipped through the host of Tigers all the way. Mike McCall blocked the conversion kick, but the Pirates had a 12-7 lead.

With four minutes and 40 seconds remaining in the third period, Patton got McLean's second score.

The Tigers were on their own 46 following a punt. Once again on the first play from scrimmage, Patton threaded his way to the left side and broke into the clear.

Pirate Pushed Aside
 Bromlow was the lone Pirate barring his path to the end zone, and Patton took care of him with a stiff arm. Again Patton kicked the point after, giving McLean a narrow 14-12 advantage.

The Tigers recovered a Pirate fumble on the Lefors 16 to start the final goalward march.

Patton got to the 14 on the first try, then to the four for a first down. On the next carry he smacked through to the three, and went over from there.

The extra point attempt failed, and with three minutes remaining the scoring ended.

Lingerie Shower Held for Miss Lee

Miss Ardine Lee, bride-elect of Chris Carroll, was honored at a lingerie shower on Nov. 7 in the home of Mrs. Paul McCurley.

Hostesses for the occasion were Misses Sandra Van Huss, Sandy McDowell, Barbara McCurley and Patti McIlroy and Mrs. McCurley. Also among the pre-nuptial court-essies was a miscellaneous shower held on Nov. 12 in the home of Mrs. Guy Hester.

Hostesses were Mesdames Lloyd Burnett, Vestal Bailey, Forrest Hupp, J. B. Brown, Buddie Gray, Ernie Fry, Ray Gossett, Verl Williams, Ollie McPherson and Hester.

Refreshments of meringue and pressed cookies, green and white flower mints and coffee were served from a round table covered with a white net cloth over white linen. Gold sequin-covered medallions decorated the net cloth.

Main attraction of the table was a green and white floral arrangement entwined with gold beads surrounding a green long-stemmed glass vase holding a large white candle.

Crystal appointments and white napkins completed the table arrangement.

The bride-elect was presented a corsage of white split chrysanthemums. Her mother, her fiancé's mother and her aunt were presented corsages of white carnations.

Approximately 120 persons attended or sent gifts.

Mr. and Mrs. Luther Pitty attended homecoming of Old Fellow and Rebekah Lodges at Shamrock Monday night.

COTTON HARVEST
 The McLean Gin had received about 400 bales up to Tuesday, Nov. 19, when the rain shut things down. On Monday of this week the gin ran 45 bales and would have been in full swing had it not been for the rain.

B. F. Holland reports yields of one bale to the acre, or close to this figure. This is much better than expected. Holland expects to gin 1,600 to 1,700 bales.

I told him he has his sights too high. Let's hope he hasn't. Have you ever stopped to think of how many dollars 1,600 bales of cotton would bring to a trade territory? I hadn't until I sat down and figured it out.

It comes to \$240,000 for the lint alone. Add the seed and you will have one quarter of a million dollars.

I believe McLean has a full appreciation of their farming and ranching industry. Sometimes I think other small cities become so industry conscious they overlook their most important one—that of farming and ranching.

They will be here with us long after our oil and gas has been depleted. As the oil patches around Pampa are being depleted this is being realized more and more.

INCOME TAX SCHOOL
 We had another good representation from McLean. About 50 people attended.

Just before I left Pampa today (Tuesday) a fellow was by the office to discuss an income tax problem. He was concerned about the matter of contributing farm products in lieu of cash.

When this is done you can save two ways. First, you can avoid paying income tax by giving the product. In other words, if you give a calf worth \$100 to your church, you have reduced your income by this amount and therefore saved paying the tax.

If you are in a 30 per cent bracket, you would save \$30. Secondly, you can get a \$100 deduction (less the cost of production on the calf) on the long form of your income tax report. A double savings, if you please.

To go a step farther, for grain raised in 1963 and given in 1964 there is no reduction to be made for expense of producing the product.

Think this over. Your church will be as well off and as an individual you will be better off. I saw a brochure one church put out on this subject entitled "Profit by Giving."

Note to the preachers: You can buy me coffee next time I'm in McLean.

Pearl Harbor Day Survivors to Meet Dec. 7 in Dallas

Pacific survivors of Pearl Harbor Day, Inc., of Texas will hold its second annual convention in Dallas on Saturday, Dec. 7.

The one-day convention will begin with a ceremony at 11:55 a.m. (7:55 a.m. Hawaiian time) at the Pearl Harbor Memorial in Laurel Land Memorial Park, Dallas.

Beginning at 1:00 p.m. a business meeting will be held at VFW Post 1837 in downtown Dallas. A dinner-dance will be held that night at the Officers' Club, Dallas Naval Air Station.

A Texas state charter was issued to this newly formed non-profit group on May 1, 1963, following its constitution on Dec. 7, 1962. Membership is extended to all members of the armed forces who were outside the continental limits of the United States in the Pacific Theatre on Dec. 7, 1941.

This includes all men of any of the armed forces on any ship or island in the Pacific and those on Asiatic land duty on that date.

To date, 240 such veterans representing every branch of the service have been contacted in addition to five other organizations of similar nature.

A complete roster will be compiled and issued to all paid members after the 1963 convention has been held. It will show current addresses, rank/rate and ship/station on Dec. 7, 1941. It will be a handy guide for renewing old friendships. Dues for 1964 will be \$2.

For further information all such Pacific veterans are requested to send their name and address to Pacific Survivors of Pearl Harbor Day, Inc., P. O. Box 3891, Station A, Dallas 8.

PLOWIN' Out the CORNERS
 by Uncle Zeb

A Communist is a fellow who is always yearning
 For equal division, and unequal earning
 He is always ready to jump up
 To divide up his penny and also your dollar

Back in the days when Eugene V. Debs was going strong with his socialist theories, one of the main selling points for government ownership was the beautiful way in which the post office system had worked. They would show how much you could get in the way of service in that you could send a letter all over the country for two cents and a postal card for only a penny. . . . Some say that even Mr. Debs would be shocked if he knew just far beyond his theory we have gone today. . . . And he would really be surprised that today one has to squander a whole nickel to mail a letter.

Once we had a little nest egg—it was our hope and stay. . . . And we never knew exactly when it hatched and flew away.

All of a sudden I started having all manner of trouble with my feet. Just barely could last out the day. . . . Anyhow, I asked everyone I knew about a good doctor for such ails and seemingly I came up with a good one. . . . In his diagnosis he went into great detail and used very pleasing words to give me the whys and how-comes of my problem. . . . He was very complimentary, kind and used very doctorish words to explain the cause of my trouble. . . . I tried to relate it to the person who recommended him in the first place. . . . Finally, I gave up and said, "Oh, he just said I was too fat."

WALTER ROGERS REPORTS

As the first session of the 88th Congress draws nearer to an end, I think it is appropriate to repeat a portion of a newsletter that I wrote some time back. I take the liberty of repeating this because I think it is most important that all Americans realize constantly the threats posed against our form of government.

Well-meaning but misled individuals or groups can very easily do as much damage to our philosophy of government as a sinister force bent on destroying us. It is for this reason that I repeat this newsletter with the hope that it will further alert all Americans as to the basic bedrock upon which this government was built and upon which it must be preserved.

Our U. S. Constitution separates the power of government among its three great branches—the legislative, the executive, the judicial. Behind the very sound "separation of powers" doctrine is the theory that by keeping the three branches independent of one another, and by keeping their authority in balance, a concentration of tyrannous power is made impossible.

Man has yet to devise a better system of government than that by which we are governed. A keystone of our system is this "separation of powers." And, despite some stir recently over a "Fund for the Republic" pamphlet entitled "The Elite and the Electorate," there is not the slightest consideration being given in the Congress to changing the Constitutional balance of power.

The pamphlet is not a governmental publication. The "Fund for the Republic" has no connection with government. The pamphlet argues that some authority now vested in the Congress should be transferred to the President in order that the United States might act more swiftly to meet sudden challenges at home and abroad.

I'm strongly opposed to any such change—to any move to reduce the power of the Congress, the people's most direct voice in their government. I'm certain the great majority of congressmen and senators shares my conviction, as does the great majority of the American people.

From time to time in our history, one branch or another has been dominant in the exercise of power granted under the Constitution's broad outlines. In some periods, the Congress has acted most forcefully.

Occasionally the U. S. Supreme Court has acted so strongly as to be accused (and I have raised the point) of exercising powers properly resting with the legislative

branch, the Congress. We have had strong-willed Presidents who wielded their powers so vigorously that they were accused in their day of being near-dictators.

Of all our Presidents, Abraham Lincoln (whom we now all revere but who was a bitterly controversial President in his own time) cornered more power for the executive than any other.

Consider these actions of Lincoln: Under the war power he proclaimed the slaves of those in rebellion emancipated. He devised and put into execution his own plan of reconstruction. He increased the Army and Navy beyond the limit set by statute. The privilege of the writ of habeas corpus was suspended wholesale and martial law declared.

Public money in the sum of millions was spent without congressional appropriation. Lincoln knew his constitution. He did none of these things innocently. He knew how far he could go in taking for his office the powers of a divided, weak Congress.

Thus, through history, one branch or another of our government has been in a position somewhat more powerful than the other branches. Today, in my view, Congress must be extremely wary about extending any further delegations of authority to departments in the executive branch.

Because Congress has sometimes not been specific enough in its delegations of statutory authority to executive departments, or too generous in the powers it has passed along, the departments (constituting the government bureaucracy) have assumed larger responsibilities than legislators envisioned. Occasionally the Congress seeks to return to itself grants of authority.

Generally, it can be shown that this "separation of powers" doctrine has been respected, that fluctuations in the exercise of power have through history been contained within the broad confines established by our Founding Fathers in the Constitution.

A sweeping, drastic change in the balance of legislative, executive and judicial powers could not be made without the adoption of a Constitutional amendment. So fundamental to the entire constitutional framework is the separation doctrine that, in my firm view, no major change could be made short of the outright repeal of the Constitution—and such a step is beyond any possibility.

Worker Security Program Theme At Meeting of DKG

"Worker Security in Our Changing Economy" was the program theme for the recent regular meeting of Delta Kappa Gamma held at the City Club Room in Pampa.

Mrs. W. M. Karr of Canadian was chairman of the panel. Panel members were Mmes. Gracie Harris and Alfred S. Jackson, also of Canadian.

Job security in the changing world is actually the problem of automation—a new word which means radical innovation. The panel depicted ways in which automation contributes to human welfare and a higher standard of living.

Its influence has made jobs either dead end, status quo or bright future jobs. Educators have a definite role in meeting the problems of automation, it was pointed out.

Mrs. Louis Hill of Shamrock led a discussion of the Kelta Kappa Gamma constitution.

Miss Mary Reeve, the president, presided at the business meeting.

Mrs. Paul Bowers, chairman of the personal growth and services committee, reminded members to donate gifts to the Hospital for Retarded Children in Abilene. The gifts are to be taken to the home of Mrs. Robert Sanford for shipment.

Hostesses were Mmes. J. R. Hogge, Claud Zevely, Genie Murray and Miss Marjorie Ewing of Panhandle; Mmes. J. B. White of Pampa, L. C. Bledsoe, Clarence Wood, Jerome Adkins, Shamrock.

The next meeting will be a Christmas luncheon at the Coronado Inn, Pampa, on Dec. 14.

Timmie Lee Johnston of Clarendon visited several days last week with his grandparents, Mr. and Mrs. Elton Johnston.
