Just Between Us

They're a week late, but we are publishing pictures made at the Panhandle area Texas Junior Hereford Association Field Day here last week.

The pictures, snapped at the last annual event at Faris Hess' Hereford Ranch on Saturday, Aug. 15, arrived too late for last week's McLean News.

Faris and Leta Mae were gracious hosts for the occasion, which was run off so smoothly one would hardly realize how hard they worked getting ready.

We couldn't miss out on the opportunity to get some of Flip Brodow's delicious barbecue at the event, and the temptation was too much, also, for many other townspeople.

Actually, Cliff Day rounded up a bunch of Lions to work in the serving line at the noontime barbecue. But when we arrived on the scene, the big feed had already started. So we all picked up plates and were served instead.

Vocational agriculture teachers and county agents from all across the Panhandle joined in to dish out the food.

That Flip is the best barbecuer (if there is such a word?) you'll find, and he's always ready to come up from Donley County, which he serves as agricultural agent, to help us Gray Countians out.

We sat across the table from Flip and his wife at the Hereford Brothers banquet in Pampa earlier this month. After the meal he was as nervous as a cat.

The reason: He had quit smoking a week before!

Jesse and Mrs. Roberts are proudly showing three gifts they received the other day from their son, Jesse Wayne.

All hand-carved out of ivory, they include a complete set of chessmen, a TV lamp shade and a jewelry box.

Jesse Wayne sent the gifts from Nigeria, where he is employed as captain of a ship by an American company.

How anyone could have the patience to whittle on a piece of ivory the amount of time it would require to make just one of the intricately carved chessmen is beyond us.

Jesse said his son didn't tell him how much the articles cost, but the price would probably be fantastic if purchased in this country. And high priced they should be.

The younger Roberts has been in Nigeria for about 16 months, and expects to return to the United States late next spring or early summer. He telephoned his parents while on vacation in England on July 1, and Jesse said his voice was so clear one would have thought the call was placed from right here in McLean.

The News carried an article last week about a family picnic at Elk Grove, Calif., honoring W. S. Kunkel of McLean.

Mrs. G. S. Kunkel sent the item to us with this notation: "All enjoyed a basket lunch and a forty-two game was in progress all afternoon. Who won? Well, guess who, Mr. W. S. Kunkel and his partner, of course."

"Will miss our father and grand-father when he returns home. Just pray he can return next year and bring us one of those choice water-melons Mr. Ross Collie raises. WOP!"

Mrs. Raymond Smith's eggs have hatched.

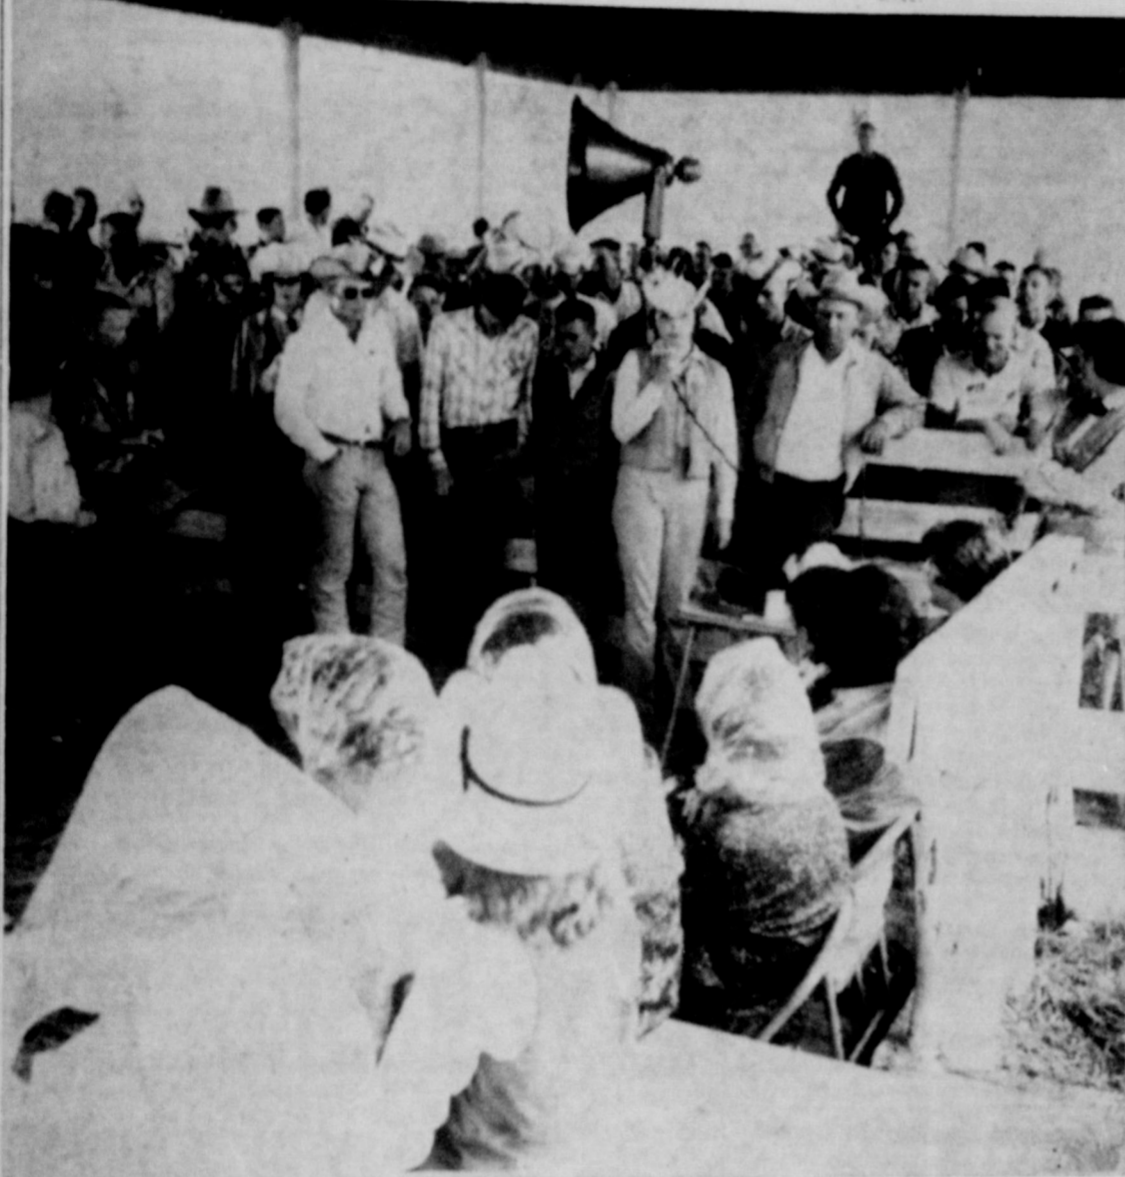

A few weeks back we reported about a dozen eggs Mrs. Smith had received. They had been laid by a hen from Japan, and were of various pastel colors.

The chickens hatched from the eggs were supposed to be black. Only four eggs hatched, and Mrs. Smith reports the chicks look like brown leghorns.

Degree From UT

Letter Dewey Sitter, son of Mr. and Mrs. Spencer Sitter, received his bachelor of arts degree from the University of Texas at College of Arts and Sciences last Thursday.

No public exercises were held to mark the awarding of degrees.

FIELD DAY SCENE: Many of the some 600 persons attending the Panhandle area Junior Hereford Association Field Day here Aug. 15 prepared to begin the afternoon session. The youths participated in judging contests during the morning, then visited eight demonstration stations in the afternoon. Hosis for the third annual Field Day were Mr. and Mrs. Faris Hess. BECKY DURNING MAKES RECORD; THEY'RE ON SALE

Another regular performer on the Derby Town Jubilee has made a record, it was announced at Saturday night's show.

Becky Durning, who has appeared on nearly every Jubilee since the show was started early this year, recently recorded two selections—"Poolish Boys" and "Jimmy Boone."

Miss Durning, who lives in Skellytown, was back again for the every-other-week Jubilee last Saturday night. It was reported that her record has already sold more than 400 copies in Memphis, Tenn., and is gaining in popularity elsewhere.

In McLean, the records may be purchased at The McLean News and from George Terry.

Many other regular and new performers were on hand for the program last Saturday.

Attracting much applause were the Martin Family from Pampa; Alice and Shirley West, Groom; the Rhythm Makers, Erick, Okla.; Western Melody Boys, Tonja and Dalton, Stewart; Dick Burkhardt, the Blue Ridge Ramblers and Eddie and Keith Reimer, all of Pampa.

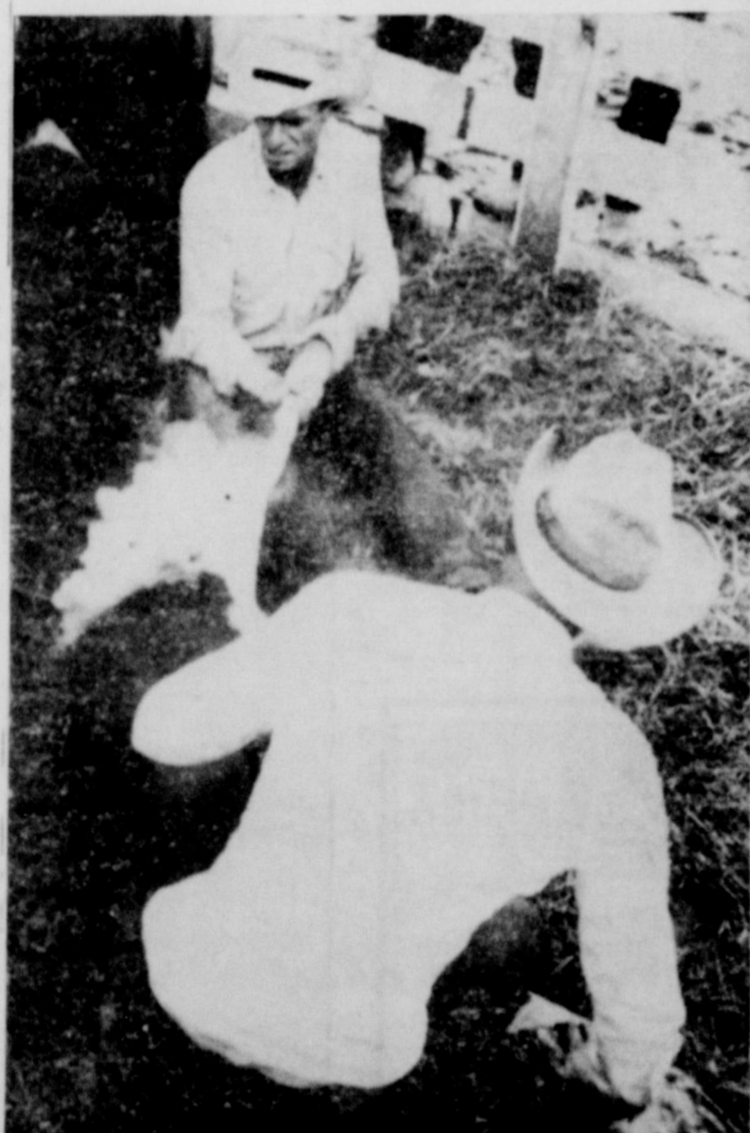

Also proving popular were all the others on the show—Tommy Jackson of Grandview; Robert West of Groom; Buck Henley, M. K. Marshall, Ann Terry, George Terry, the Chevilles, Donald Cunningham, Gail Terry and Martha Farris, all of McLean.

Homer Goldston of McLean won the Zenith transistor radio offered as a door prize by the Junior Chamber of Commerce.

Local Jubilee performers will go to Groom Friday night to assist in the staging of a Hootenanny being presented to raise money to purchase a heart machine for Groom Memorial Hospital.

Saturday night, they will go to Erick to help with a Jubilee-type show sponsored by the Lions Club there.

Proceeds from the Erick event will be used to help pay for a youth center.

DEMONSTRATORS: A pair of cowboys hold a steer during a branding demonstration at the Panhandle area Junior Hereford Association Field Day at the Doctor Hereford Ranch here. This was one of eight demonstration stations the some 600 guests visited during the afternoon Field Day session. (McLean News Photo)

Hess Attends OSU Orientation Clinic

Jakey Hess, son of Mr. and Mrs. Faris Hess of McLean, was among 377 high school graduates attending one of four two-day summer advisement and orientation clinics at Oklahoma State University, Stillwater, this month.

A 1964 graduate of McLean High School, young Hess has enrolled for the fall semester at OSU.

To date 2,540 potential OSU freshmen have attended the clinics this summer, 90 more than attended all clinics last summer.

Lincycumb's Ship Returns to States

USS BENNINGTON — (Special) — David K. Lincycumb, Navy cadet apprentice, son of Mr. and Mrs. G. E. Lincycumb of McLean, recently returned to Long Beach, Calif., aboard the anti-submarine warfare aircraft carrier USS Bennington, completing a tour of duty with the Seventh Fleet in the Far East.

Bennington normally is the hub of an anti-submarine "Hunter-Killer" group composed of surface, air and sub-surface units designed to find and destroy enemy submarines.

1964-65 School Term Begins Next Monday

School bells ring out at 8:30 a. m. next Monday, signaling the start of the 1964-65 term.

But students will be kept busy during the remainder of this week registering for classes.

Seniors enrolled this morning, and juniors were to register this afternoon.

On Friday sophomores will register from 9 a. m. to 12 noon and freshmen from 1 to 4 p. m.

Saturday afternoon will see the registration of grade school and junior high students, from 1 to 4 p. m. in the various school rooms.

All first graders are required to have their birth certificates at the time of registration. They must also have been vaccinated and have had their physical examinations.

Forms to be completed by the examining doctors were mailed to

parents of the new first graders in the spring. However, parents of first graders who have not received the forms should see Carl Dwyer, grade school principal.

All students entering the McLean Grade School for the first time, except first graders, must contact Dwyer for assignment.

Registration places for grade school and junior high school students are:

First graders—Mrs. Cloyce Biles' room; second—Mrs. Sinclair Armstrong; third—Miss Leona Forbes; fourth—Mrs. Virginia Holwick; fifth—Mrs. Lucille Gething and Mrs. Norma Jones; sixth—Phil Biles and Mrs. Marguerite Green; seventh—Mrs. Vera Back and Mrs. Catherine Weaver; eighth—Mrs. Ruth Morris and Jim Gosk.

Lists will be posted on the doors for fifth, sixth, seventh and eighth

graders showing the proper rooms where they are to register.

Robert L. Green is high school principal, and teachers are:

Nelson Christie, vocational agriculture; Mrs. Virginia Christie, science; Mrs. Jon Ann Dwyer, English, speech and Spanish; Herbert Germer, social studies and band; Fred Hedgecock, social studies and head coach; Lloyd Hunt, math; Mrs. Linda Raines, English and library; Mrs. Mary Tom Riley, commercial; Bob Schneider, social studies, speech and athletics; Mrs. Aleta Thompson, home economics.

Jack Riley is beginning his first year as superintendent of schools in McLean. Riley has been associated with the local school system for several years, serving first as high school coach and then as grade school principal.

SCHOOL CALENDAR IS ANNOUNCED; 177 CLASS DAYS

McLean's school calendar for the 1964-65 term calls for a total of 177 days of instruction between next Monday and May 26, the date the second semester ends.

Supt. Jack Riley, who prepared the calendar for approval by the board of education, acted that the calendar can be changed if necessary.

The first holiday comes a week after classes begin. School will not be in session on Monday, Sept. 7, as the city and nation observe Labor Day.

Graduation exercises for grade school are scheduled on Thursday, May 27, and high school commencement will be the following evening.

 - April 12-May 26—Third six weeks.
 - April 16 and 19—Easter vacation.

Farmers Reminded To Get Permission Before Using Land

Farmers and ranchers interested in grazing or haying some of their soil bank or diverted acres under Gray County's emergency drought area designation must make application at the Agricultural Stabilization and Conservation Service office in Pampa.

Miss Evelyn Mason, office manager, cautioned that "you must first make application at the ASCS office and obtain approval before you begin grazing or haying."

Any acreage grazed or hayed without prior approval by the county committee will be a violation of the landowner's soil bank and diverted acres contract.

A reduction in payment will be made for that acreage authorized to be grazed or hayed.

The U. S. Department of Agriculture last week approved the county application to be named a drought disaster area.

WE'RE SORRY

Mechanical difficulties with the Linotype of The McLean News is the cause of the late arrival of this week's newspaper.

While the Linotype motor is being repaired today (Thursday) in Pampa, The Shamrock Texan graciously permitted the setting of much of this edition on its machines.

Hard Work Ahead For McLean Tigers

A "lot of hard work" remains to be done before the McLean Tigers are ready for their opening game

of the season little more than a week away. Coach Fred Hedgecock said Wednesday afternoon.

Tiger Band Due To Perform Sept. 4 At Shamrock Tilt

The McLean Tiger Band will travel to Shamrock for the opening football game on Friday, Sept. 4. Director Herb Germer said this week.

Band students are now holding daily rehearsals, with junior high students from 9 to 10 a. m. and senior high from 6:30 to 9 p. m. Monday through Friday.

Germer encourages all interested band students to attend the rehearsals. Twenty-five to 30 students have been attending the evening practice sessions.

For the first three days this week, Wells Teague, Texas Tech drum major, conducted a clinic for junior and senior high school drum majors.

Teague also has the position of first chair French horn in the Tech Concert Band, and he has been working with local French horn players.

New Equipment
Much new equipment has been purchased for the Tiger Band, Germer reported.

Included are uniforms for the drum major and twirlers, two Sousaphones, six French horns, a bell lyre, baritone horn and bass clarinet.

Germer said the twirlers will be featured at the Shamrock-McLean game in a special performance, "Hey Look Me Over."

A new system of marching, used by the Tech Band and most large bands in the Panhandle region, is being introduced by Germer.

The new director also said that work on contest selections for members of the Tiger Band will begin late in September.

Weaver Attending Indiana Workshop

Bob Weaver left Tuesday morning for Muncie, Ind., to attend a workshop for Sigma Chi fraternities at Ball State College.

Weaver, son of Mr. and Mrs. Charles Weaver, spent the weekend here with his parents.

He has been attending summer school at San Houston Stat College in Huntsville.

High Winds Bring Moisture to City

High winds blew a .08-inch rain shower into McLean in the early morning hours Wednesday, giving the thirsty soil in this area another welcome drink.

The shower pushed McLean's total moisture to date to 13.05 inches, still above the 12.22 received by Aug. 27, 1963.

This August had been considerably dryer than the same month in 1963, with only 1.17 inches falling through Wednesday night.

August, 1963, saw 3.81 inches recorded in McLean.

Night-time temperatures are indicating the approach of fall and the football season.

The low reading was 58 degrees on Sunday. High was 95 on Monday.

MRS. CHARLES EDWIN JONES

MISS RUTH PAKAN MARRIES CHARLES JONES IN SHAMROCK

The Trinity Lutheran Church in Shamrock was the setting for the marriage of Miss Ruth Pakan of Pampa and Charles Edwin Jones of McLean on Saturday evening, Aug. 22, at 7 o'clock.

Parents of the bride are Mr. and Mrs. Miro Pakan of McLean and the groom's parents are Mr. and Mrs. Edwin Jones, also of McLean.

The double-ring ceremony was read by Rev. John Obedia of Shamrock.

Mrs. John Callers of Shamrock, cousin of the bride, presented a program of traditional nuptial selections on the organ. She accompanied Bob Stubbiefield of McLean, who sang "O Perfect Love" and "The Lord's Prayer."

The bride was given in marriage by her father.

She wore a formal gown of white embroidered silk organza over white satin which she designed and made herself. It featured a round neckline with a fitted bodice and long tapered sleeves which came to petal points accented with embroidered rose appliques and seed pearls over her wrists. Tiny satin covered buttons extended down the back of the gown and also covered the sleeves at the wrists. The controlled skirt was enhanced by embroidered rose appliques and had a single box pleat at the side. Back fullness swept into a chapel train.

A forehead crown of seed pearls and crystals secured her double-tiered fingertip length veil of illusion.

She carried a white satin covered Bible topped by an orchid.

Mrs. Don H. Brinson of Pampa served her sister as matron-of-honor. Miss Margie Pakan, also a

sister of the bride, was the bridesmaid. They wore identical yellow street-length dresses and headpieces of yellow tulle with scalloped edges accented with rhinestones and held in place by halos of material which matched their dresses.

Flower girl was Linda Reid of Shamrock. Claude Blackshear of Grants, N. M., nephew of the groom, was ring bearer.

Ushers were Phillip Flowers and Jackie Mercer of McLean.

Following the ceremony, a reception was given by the bride's parents in the home of her aunt and uncle, Mr. and Mrs. John Hrncliar Jr., in Shamrock.

The serving table was laid with a white lace cloth over yellow and held a centerpiece of large and small yellow chrysanthemums. The four-tiered wedding cake, which was made by Mrs. Hrncliar, was decorated in white and yellow. Crystal candle holders with yellow candles, crystal and silver appointments and white napkins inscribed in gold completed the table setting.

Martha Hrncliar of Shamrock, cousin of the bride, served the cake and Charlotte Ann Pakan, also of Shamrock and a cousin of the bride, poured the punch.

The newlyweds left following the reception for a honeymoon trip in New Mexico.

Out of town guests for the wedding were Rudy Cadra of Borger, Mr. and Mrs. Edgar Brinson of De Leon, Mr. and Mrs. Bill Phillips of Lubbock and Mr. and Mrs. Edward Pakan of Highland, Ind.

Albert Einstein once said: "Things are progressing so rapidly these days that I wouldn't want to predict what weapons would be used in World War III, but that rocks will be used in World War IV." We could do well to ponder long and pray fervently over this prediction.

One very alarming thing about our modern day society is that anyone who acts and speaks out as an individual is almost sure to be dubbed as an odd-ball. This fact is far too tragically true for the local church congregation to the top political halls in our nation's capital. A natural tendency seems to be that of joining in the parade and going along with the masses. We should remember that some of the greatest tragedies to befall God's people came after warnings from lone prophets. Many of our treasured freedoms came from the dedicated hearts of a few patriotic and inspired political leaders.

Turn in your Bible to Isaiah and read the 22nd verse of the second chapter. Then, if you have Phillips translation to modern English read the same verse from it. It reads: "Put no further trust in man who only lives while he breathes, for of what account is he?" As my wife and I read this verse again last week it seemed to hold even a greater truth for our hearts.

J. Edgar Hoover put it this way: "Faith, Individualism, Courage, Integrity, Discipline and Vision are the keys to Freedom."

Bey Scouts Take Outing on Friday

By CLIFFORD McPHERSON
Troop 25 Reporter

The Scouts left the city hall at 1 o'clock Friday, Aug. 1, for an overnight hike.

We set up camp on James Foster's place, accompanied by Mr. Boothe, scoutmaster. Each camp site had a project.

Tim Banks and Clifford McPherson lashed a table. Tom Gipsen and Roy King lashed a table fire, which soon went up in smoke. Neal Middleton and Boyd Thompson lashed a tripod and also a table fire, which lasted longer than Tom and Boyd's.

Tim and Clifford caught a bullfrog that was over a foot long. The eight boys attending were Tim Banks, Clifford McPherson, Neal Middleton, Boyd Thompson, Tom Gipsen, Roy King, Henry Boothe and Dennis Curry from Ballinger, Texas.

Band Boosters In Their First Meet

All parents of band students are invited to a meeting of the Band Boosters Club at 8 p.m. today in the band hall.

It will be the first meeting of the club, and plans will be made for the coming year.

AUSTIN—(Special)—Texas Democrats and Republicans are gearing for their big clash in the November general election.

Democratic leaders are in Atlantic City, N. J., at their party's national convention.

Gov. John Connally indicated both national and state campaign organizations will be put together in Texas soon after the convention.

Meanwhile, Republicans report they already have built an organization far stronger than any they have fielded to date. They plan to do vigorous battle in local races, as well as national and state campaigns.

GOP assembled its candidates and campaign leaders here last weekend for a special training school in practical organization, vote-getting tactics and fund-raising activities.

OIL RISE—Texas Railroad Commission ordered a substantial increase in oil production for September.

Wells which are under proration will be allowed to produce 28 per cent of their capacity during September, compared with 26.5 per cent this month.

New production quota amounts to 2,831,583 barrels daily, compared to 2,734,312 for August.

Commission also took under advisement conflicting testimony on the proposed \$5,000 bond requirement for drilling or reworking wells in the interest of pollution control. Fifteen days were allowed interested parties for filing for additional briefs.

WATER CONSERVATION DROPS—Water conservation storage in major Texas reservoirs dropped at the end of last month to the lowest point since March, 1957. The 6,400,000-acre feet stored was a decrease of 700,000-acre feet from the previous month.

Texas Water Commission said dryland crops and pastures are suffering heavily, and municipal water supply of many small towns has "reached the critical stage."

Pat Windom Wins Medalist Honors

Young Pat Windom's score of 73 was good for medalist honors Saturday afternoon in a tournament at the McLean Golf Course.

Chester Bohlar finished with a 75 for second place.

In the handicap competition, J. B. Rouch was first and Gene Bench second.

Levern Back was top golfer in the women's division, with Dorris Windom the runner-up.

E. J. Windom Jr., tournament chairman, said a Ladder Tournament is planned at the local golf course starting on Sept. 1 and ending the last week in October.

A drawing will determine the position of players on the ladder.

Mr. and Mrs. Creed Hogan underwent surgery last week at the Mayo Clinic in Rochester, Minn. Both are recuperating nicely.

Registration Set At Clarendon College

Registration for fall classes in the evening school at Clarendon Junior College will begin at 7 p. m. on Sept. 8, and continue through Sept. 23.

All classes will meet one night per week from 7 to 9:40 p. m. with a 15-minute intermission. A minimum of 10 students will be required for each class. Tuition cost is \$22.50 per course per semester.

A tentative evening class schedule is as follows:

Monday—Bible 137, life and teachings of Jesus; history 213, American history; psychology 113, general psychology.

Tuesday—English 113, composition and reading.

Wednesday—Spanish 113, beginning Spanish.

Thursday—Government 213, American government; English 213, survey of English literature.

Further information may be obtained from the office of the dean, Clarendon Junior College, telephone 874-3552.

Down Memory Lane

10 Years Ago

The McLean public schools got off to a good start Monday morning with an assembly program at the Municipal Building attracting the largest crowd in history. The assembly program is the third annual such program.

A record number of students have enrolled in McLean High School. By Wednesday morning, a total of 135 students had enrolled in the four upper grades; 293 enrolled in the elementary school, lower than the number in 1953.

By grades, the enrollment is as follows: 1st, 35; 2nd, 44; 3rd, 40; 4th, 25; 5th, 49; 6th, 36; 7th, 25; 8th, 29; 9th, 52; 10th, 53; 11th, 8; 12th, 42.

Although the coaches have not yet decided who will start in the opener with Shamrock next weekend, the general line-up of likely players has been announced.

Tiger backs will be chosen from the following: Ricky Mantooth, James Smith, Rodney Gunn, Rex Inmel, Troy Smith, Paul Garvin, Freddie Smith, Norman Gilbreath and Gerald Tate.

Opening at the end positions, in addition to Smith and Gunn, will be Charley Vineyard, Jimmy Farren, Bob Stubbs and Tracy Cooper.

Tackles will be Don Trew, Wayne Woods, Gayle Mullanax and Pat Miller. At guards will be the two all-district players, James Jolly and Arthur Vineyard, and helping them out will be E. W. Riley, Don Broome, Eugene Worsham and Micky Allen.

Centers will include Tate, Bob Boyd and Charley Vineyard.

20 Years Ago

Miss Jo Ann Grigsby and her grandmother, Mrs. T. A. Landers, were hostesses Tuesday afternoon at the latter's home, honoring Miss Kathleen Huber on her birthday.

A large birthday cake topped with 11 candles was served with home made ice cream.

A number of nice gifts were presented the honoree, with several sending gifts.

Among those present were Betty Stille, Laveta Jo Gunn, Marsalee Winkler, Dorothy Ruth Grigsby, Wynette Caldwell, Jan Black, Peggy Allen, LaWanda and Darlene Shadil, Jackie Bentley, Charles Wendell Bailey and Mrs. I. W. Huber.

A group of friends and neighbors met at the home of Mrs. Boyd Reeves August 18 to quilt for Mrs. A. B. McPherson, whose home recently burned. A pot luck dinner was served at noon.

The following attended: Mrs. Johnnie Biggers and baby, Mrs. Harry Butcher and children, Mrs. Everett Watson and children, Mrs. Clyde Brown and mother, Mrs. Grogan, Mrs. Bill Boyd, Mrs. Homer Abbott, Mrs. R. N. McMahon, Mrs. J. R. Phillips, Mrs. McPherson and children, Mrs. F. E. Stewart and mother, Mrs. McPherson of Hedley, Mrs. Murray Boston, Mrs. Leo Gibson and Mrs. Claude Simmons.

Two quilts were finished.

Mrs. Ruel Smith was hostess last Thursday at a bridal shower honoring Mrs. C. B. Lee Jr. Co-hostesses for the occasion were Mesdames A. L. Rippey, H. W. Finley, J. T. McCarty and Murray Boston.

Mrs. W. E. Bogan had charge of the entertainment, carrying out the navy idea in presentation of gifts.

Miss Mary Lee Abbott sang "I Threw a Kiss to the Ocean." Miss Ruth Strandberg presided at the bride's book.

Sending gifts were Mesdames Stone, Noel, D'Spain, Reagor, Gray, Wharton, Upham, Lochridge, Wilson, Bob Black and Murray Boston.

Refreshments of punch and cookies were served by the hostess.

Mrs. John Haynes entertained at bridge last Wednesday afternoon.

Those playing were Mesdames W. L. Campbell, Sammie Cubine, Floyd Phillips, Roy Campbell, Hansel Christian, Virgil Reagor, Gray, Wharton, Upham, Lochridge, Wilson, Bob Black and Murray Boston.

Refreshments of punch and cookies were served by the hostess.

40 Years Ago

Miss Gladys Holloway entertained a number of friends with a dinner Sunday. Those present were Misses Opal Davis, Vivian, Mildred and Floye Landers, Leora Kinard, Wilma Grigsby, Ila Abbott and Bobby Hodges; Messrs. Herman Lee, LeRoy Landers, H. P. Garrett, Arlie and Merle Grigsby, Clyde and Cliff Crump of Amarillo.

Refreshments of punch and cookies were served by the hostess.

Miss Erin Cook of Dallas was complimented last Tuesday afternoon with a Bunco party at the home of Miss Martha Stokely. High score was made by Miss Sallie Campbell and low by Miss Lolene Coffey.

Refreshments were served to the following: Misses Erin Cook, Fern Upham, Verna Rice, Minnie Morse, Juanita Cathey and Chrystal Risinger of Norman, Okla., Thelma Gatlin, Sallie Campbell, Lolene Coffey, Juanita Massey and Martha Stokely.

The News is in new quarters, having moved into the building recently vacated by the McLean Auto Company on Main Street. This building was bought by The News two years ago, but on account of an unexpired lease, was unable to get possession until the first of this month.

Two quilts were finished.

Mrs. Ruel Smith was hostess last Thursday at a bridal shower honoring Mrs. C. B. Lee Jr. Co-hostesses for the occasion were Mesdames A. L. Rippey, H. W. Finley, J. T. McCarty and Murray Boston.

Mrs. W. E. Bogan had charge of the entertainment, carrying out the navy idea in presentation of gifts.

Miss Mary Lee Abbott sang "I Threw a Kiss to the Ocean." Miss Ruth Strandberg presided at the bride's book.

MEAT IMPORTS

Legislation was finally passed that would drastically curtail meat imports to this country. No sooner than it was announced the legislation had passed did Robert Menfies, prime minister of Australia, tell his house of representatives that he had sent a letter of protest to President Johnson warning him that a trade war could break out if the U. S. takes action to further cut Australian beef imports to the U. S.

Menfies' letter of protest stated flatly that the Australian government would place embargoes on 70 million dollars worth of United States imports to Australia. Items to be suspended were such things as American made tractors and other goods.

The true facts are that we have had an excellent balance of trade with Australia for many years. To our advantage, in fact.

In 1962 we exported over 399 million dollars worth of goods to Australia in the form of automotive parts, tractors, industrial machinery and what have you. In 1962 we imported from them only 288 million dollars worth of imports. 152 million of this was meat imports.

World trade is a two-way street. We trade them industrial machinery and tractors because we can produce them cheaper than they can in Australia. We trade this for meat because they can produce meat somewhat cheaper than we do.

There has been enough publicity given the other side of the story. Therefore I have collected the above information so that you might see how an Australian might look at the situation.

Both Republicans and Democrats have been strong advocates of freer world trade for the past two decades. It looks like we might have made a major change in

Remember that whenever you are at war, the churchmen, the women, the children and the poor are not your enemies.

policy with the new legislation. For several years small oil operators have done everything possible to stop oil imports, to no avail. The cattlemen appear to be better organized. Time will tell who is right.

DROUGHT DISASTER
You're on the ball, editor. Jack Shelton had last week's news story only a few minutes before final press time concerning our being approved for grazing and haying of soil bank and diverted acre land. I didn't get the word until Thursday a.m. that we had been given official approval. I called Jack about 10 a.m. and I noticed he had a good feature story on the front page. I will admit that Jack was worried as he left a spot.

Jack and Mrs. Shelton are doing a real service to their community. Why not tell them about it?
The county committee had to set a varied rate on the reduction in payment on the soil bank land. The highest was set at \$1.10 per acre. Fair grazing set at \$1.05 and \$1.00 on the poorest. This was the least they were allowed to set the rate.

If you have diverted acres on the wheat and milo program you may also graze this land. Check with Evelyn Mason at the ASC office in Pampa for details.

USDA BUYS MEAT
The U. S. Department of Agriculture reported on August 13, 1964, that they had purchased since March 2, 1964, almost 174 million pounds of beef valued at 98 million dollars.

SCREW-WORMS
No screwworms were reported in Texas last week while Arizona reported eight cases. A few cases were reported in Mexico, where work is underway to eradicate this costly pest to the livestock industry.

The Senate Appropriations Committee last week denied the request for five million dollars to carry the program through the present fiscal year and instead approved 2.75 million. Most of this is on a matching fund basis.

Cattlemen are asking the federal government not to require states to put up a matching fund.

THE PIRACY PRINCIPLE

The colorful pirate of old captured your imagination but not that of the shipowners or the governments that lost their cargoes and treasures.

Pirates were "enemies of mankind." Their acts became crimes against that government as well as against the "law of nations." A government would try to catch and to punish them no matter how and where the piracy took place.

From these early days, a rule of international law called "the piracy principle" came into being, as to crimes against mankind. Any nation might seize and punish such a person. He did not need to be one of its citizens. The crimes could be committed inside or outside its territory. Jurisdiction is worldwide.

Nations often punish their own people for crimes beyond their borders. Nations can punish aliens for crimes within their borders. They can punish aliens for crimes committed against that country when they later come into that country. A nation can also punish an alien for piracy under international law.

What about war crimes done on orders of superiors? The World War II allies have declared that certain Nazi leaders committed punishable crimes against nations.

Now and then some nations may allow a court to try a person "in absentia." Such trials without the accused present were once popular, but little comes from such trials, and they are not as highly regarded as trials in which a person has a fair chance to defend himself.

(This newsfeature, prepared by the State Bar of Texas, is written to inform—not to advise. No person should ever apply or interpret any law without the aid of an attorney who is fully advised concerning the facts involved, because a slight variance in facts may change the application of the law.)

Shower Held Here For Ruth Pakan

Pre-nuptial courtesies extended to the former Miss Ruth Pakan, recent bride of Charles Edwin Jones, included a bridal shower at the home of Mrs. R. L. Wright.

Hostesses along with Mrs. Wright were Mesdames Wheeler Carter, Jewel Meacham, Charlie Vineyard, Buddy Hill, Carey Don Smith, Wallace Grimsley, Arnold Sharp, Gary Gordin, Jimmy Shelton and Bill Wyatt.

Refreshments of golden punch and wedding cookies were served from a table covered by a white lace cloth over yellow and holding a yellow and white floral centerpiece.

Also a shower held at the Fellowship Hall of the Trinity Lutheran Church in Shamrock, with Mesdames Ed Pakan, Connie Knorr, Nelda Reid, Christine Hneciar, Willie Kaale and Helen Callers as hostesses.

A white cutwork table cloth covered the serving table. The centerpiece was of large and miniature yellow mums.

The rehearsal dinner was held at the Wrangler Restaurant in Shamrock on the evening of Aug. 21. Mr. and Mrs. Milo Pakan were hosts.

Mr. and Mrs. Raymond Smith returned Monday night from a 10-day vacation to Red River and Farmington, N. M., and over most of Colorado.

NEWS OF CONSERVATION

W. H. Ollinger developed irrigation on the Walter Ollinger farm northeast of Groom. He plans to do some land leveling to improve application of irrigation water. W. H. has produced a good milo crop this year due to efficient use of his irrigation system. Presently 200 acres are being irrigated.

Eakin Brothers laid out an irrigation system on the Rex McKay farm southwest of Pampa. Rex plans to install 1620 feet of irrigation pipeline on his farm west of Pampa.

Lawrence Kurtz plans to do some land leveling on the Earnest McKnight farm southwest of Pampa. Irrigation pipeline and leveling will aid in distribution of irrigation water.

Mrs. Stewart Hosts Baptist WMS Circle

Circle I of the WMS of the First Baptist Church met Tuesday morning with Mrs. F. E. Stewart as hostess at her country home.

In the absence of the chairman, Mrs. Frank Howard, the meeting was presided over by Mrs. George Colebank. She gave a review of the life of Peter, assisted by Mrs. E. L. Price.

Mrs. H. D. Banks read the call of prayer and led in prayer. Refreshments were served by the hostesses to Mesdames Price, Banks, Colebank, Luther Petty, Paul Miller, Bill Boyd, Lona Jones and James Thacker.

The next meeting will be Tuesday, Sept. 1, in the morning at the church. It will be a joint meeting of both circles for a business session and a mission lesson.

Mr. and Mrs. Gerald Beltz of Oklahoma City visited during the weekend with his parents and sister, Rev. and Mrs. Dan Beltz and Ellen.

You can do almost anything automatically these days—even save money

If you want to wash clothes or dishes, nowadays, you just put them in a machine . . . set it . . . and forget it.

If you want to save money you just join the Payroll Savings Plan. It's just as automatic. And there's no machine to buy.

To start, ask your employer to set aside a small amount from your check each payday and put it towards the purchase of a U. S. Savings Bond. Then forget it.

As paydays roll by, your savings build up. No effort. Since you don't even see the money you're saving, you hardly miss it. No pain.

Millions of Americans save money this way so you know it works. As well as providing for their own future, their Bond dollars help safeguard America by giving Uncle Sam financial strength to stand up to the enemies of freedom.

You like the things money buys. Why not use this automatic way to get them? Join Payroll Savings—or sign up for a Bond a month at your bank. Soon.

Quick facts about Series E Savings Bonds

- You get \$4 for every \$3 at maturity
- You can get your money when you need it
- Your Bonds are replaced free if lost, destroyed or stolen
- You can buy Bonds where you bank, or on the Payroll Savings Plan where you work

Keep freedom in your future with **U.S. SAVINGS BONDS**

WALTER ROGERS REPORTS

Another milestone has been passed in the history of the great Canadian River project. The Senate has passed and sent to the President the bill I had introduced to authorize an expenditure of up to \$1,100,000 for planning and development of public recreation facilities at the Sanford Reservoir. The bill was passed by the House last November.

With construction of the dam, reservoir and pipeline progressing so rapidly (indeed ahead of schedule in some phases), I felt it was vital that the proper steps be taken this year to insure that adequate recreation facilities be provided at the reservoir.

For persons within a radius of several hundred miles, for residents of five states (Texas, Oklahoma, Kansas, Colorado and New Mexico), the Sanford Reservoir will be the major recreation area within driving range. Thousands upon thousands of visitors may be expected to come each year to enjoy boating, fishing and camping and swimming at the huge lake.

As one of the steps in planning, three officials of the National Park Service will be in Amarillo on Aug. 27 to meet with former Amarillo Mayor A. F. (Judge) Madison and members of the recreation committee of the Canadian River Municipal Water Authority board of directors.

The provision for recreational facilities will not affect the basic purpose of the project, which is to supply municipal and industrial water to the 11 Panhandle and South Plains cities of the Canadian River Municipal Water Authority, Amarillo, Pampa, Borger, Plainview, Lubbock, Brownfield, Lamesa, Levelland, O'Donnell, Slaton and Tahoka.

The Canadian River project has a larger repayment allocation than any other Bureau of Reclamation project. The project will repay approximately 94 per cent of its cost over a 50-year period, with interest.

The Canadian River project is scheduled for completion in 1967. The dam near Sanford is expected to be "closed" this winter and the flow of the river will begin to be impounded in the reservoir. It will be some months before other work, primarily on pipelines and operating facilities, is completed.

In the public appropriations bill cleared by the House and Senate and sent to the President on Aug. 14, an appropriation of \$22,100,000 was made to continue work on the Canadian River project in the 1965 fiscal year ending next June.

Adra and Reta Lamons of Amarillo spent the weekend with their sisters, Mrs. Irven Alderson and Mrs. Maggie McPherson.
