Texas Press Women Plan Organizational Meeting October 12

Women communicators in the 26-county area surrounding Amarillo are invited to Texas Press Women District organizational meeting in Amarillo on October 12. All women employed by newspapers, radio stations, television stations and those advertising and public relations firms who write, take photographs or compose ad copy are prospective members of TPW, as are book authors and freelance writers who are publishing regularly.

The meeting is planned for noon on Saturday, Oct. 12, in the Ember Room of the Travelodge West of Amarillo, 1855 Paramount. Pioneer Natural Gas Co. will serve as host for the luncheon and will provide a speaker for the noon session.

Ann Faragher, managing editor of the Herald Banner in Greenville and first vice president of Texas Press Women, will be present at the meeting to explain the aims and objectives of the professional organization, as well as to answer questions about membership eligibility and professional activities and professional meetings.

TPW, an 81-year-old affiliate of the National Federation of Press Women, not only aims at improving the professional skills of its members but also at advancing their professional standards and ideals through the exchange of ideas and experiences.

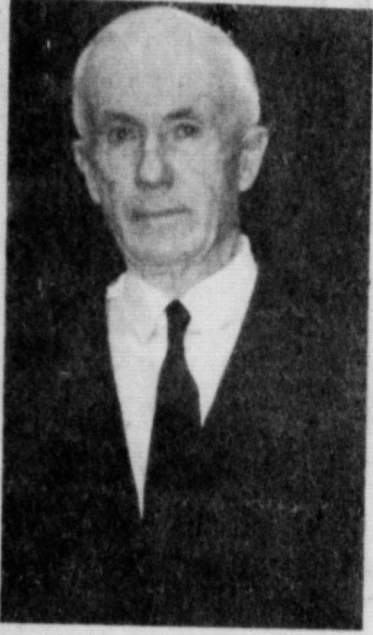

Information about membership requirements, participation, dues or any other points of interest should be directed to either Mrs. Dana Davis, 1414 Sunrise, #8, Amarillo 79104. Planning to attend the meeting if possible is Mrs. Vera Back, a member of TPW.

Jerry Bowermon Wins Scholarship

Jerry Bowermon of Lubbock, grandson of Mr. and Mrs. R.E. Matthews and son-in-law of Mr. and Mrs. George Orrick, has received a scholarship to continue studying for Master's degree in anthropology and Spanish. He will be doing research and assistant teaching. Jerry received his B.S. degree in anthropology and Spanish in August with a 3.5 grade point average.

GUY BEASLEY

Guy Beasley, 80 Long Time Resident Buried Saturday

Mr. Guy Beasley, who spent a large portion of his 80 years of life in and around McLean, died Thursday at the McLean Hospital and Clinic.

Funeral services were at the McLean First United Methodist Church with burial at Hillcrest Cemetery. Rev. Elton Wyatt of Olton and Rev. Herman Meixner, pastor of the church, officiated.

Mr. Beasley is no stranger to the readers of this newspaper, for he has long been a driving force in this city and this area. In the late 1940s and early '50s, Mr. Beasley served on McLean's city council. He served on the board of the McLean Independent School District for a number of years, never fearing to speak out for what he believed to be the best for the school children.

The first spadeful of dirt for the McLean Elementary School was shoveled by Mr. Beasley. And, even after he left the elected position of the board, Mr. Beasley continued to work with many of the children of this area.

His business was farming and ranching, and he was good at it. In 1938, Progressive Farmer Magazine named Mr. Beasley Master Farmer of Texas. In 1952 the Lions International named Mr. Beasley the outstanding soil conservationist of the Gray County District. These are but a few of the awards he received.

But coupled with those awards as his prized possessions were items like birthday cards and notes from some of the children he worked with. One handmade birthday card, given Mr. Beasley when he was librarian at the Lovett Memorial Library, simply said "I hope you had a wonderful birthday. I'm sure you did. I Love You, Love, Gina."

On the wall of his home is the plaque given Mr. Beasley when he retired from his job as librarian of McLean. The plaque speaks (Continued on Page 5)

PROCLAMATION

As October 8, 1974 is recognized as World Lions Service Day, and as the McLean Lions Club will honor this day by observing their annual broom sale, I hereby proclaim Tuesday, October 8 as Caravan Sales for the Blind Day in McLean, and ask the observance by and cooperation of the citizens of McLean in this worthwhile endeavor.

Sam Haynes
Mayor
City of McLean

Lions To Observe World Service Day

The McLean Lions Club will observe WORLD SERVICE DAY October 8th by holding their annual "Broom Sale" on that date.

The Lions Club on October 8th will give all residents of McLean a chance to buy products made by members of the Lighthouse for Blind of Texas. Hopefully all members of the Lions Club will participate in this house to house sale. Of course, all of the profit from this sale will be spent for community services in this trade territory.

As above stated, this activity will be performed in recognition of World Lions Service Day, proclaimed by Mayor Sam A. Haynes. On this day, Lions Clubs in 149 countries and geographical areas of the world will meet with the same purpose: to consider

to render aid to the communities. With more than one million members, Lions International is the largest humanitarian service organization in the world.

John C. White To Speak To Cowbells

The Top of Texas Cowbells are having as their special guest speaker, Commissioner of Agriculture, John C. White at their October meeting. This is to be a night meeting and everyone is invited, including husbands and friends of the beef industry.

Panhandle is hostess and the meeting will be in Panhandle October 7 at 7:00 p.m. in the Country Agriculture Barn. Tickets and reservations should be sent to: Mrs. Bill Surratt, P.O. Box 35, Panhandle, Texas 79068, by October 3. If you receive this notice too late for the mail, please call Mrs. Surratt for reservations.

Commissioner White is an excellent speaker, well informed, and this should be a most enjoyable evening. We urge everyone possible to attend.

Food is America's biggest business. The average American eats 1,500 pounds of food every year, according to the U.S. Department of Agriculture. Over 12 million people from retailers to wholesalers to shippers and farmers help us prepare our evening meals.

Farm Bureau To Have Convention

The annual County Convention for the Gray County Farm Bureau will be Saturday, Oct. 5th at 7:00 p.m. in the First Christian Church Fellowship Hall, 18th and Nelson Street, Pampa.

The Pampa Shrine Club will serve a barbecue supper. Tickets can be obtained at the Farm Bureau Office, 1122 S. Hobard, Pampa, or from a Farm Bureau Director, Farm Bureau Directors in the McLean area are Delbert Trew and Tony Smitherman. Tickets will also be on sale at the door. Bring mom and all the kids, as this is a family affair with drawings for door prizes.

You county Farm Bureau is no better than you make it. This is your opportunity to take an active part in forming Farm Bureau policies. Propose a solution to the problems that are affecting our farm families and present it to the resolutions committee. Please have in writing any resolutions that you wish to present at the convention.

Texas Water Rights Commission adopted a new policy requiring water district developers to contribute up to 30 per cent of cost of water, sewer and drainage facilities.

B-Team Loses To Shamrock 14-6

The B-team version of the McLean Tigers experienced a 14-6 loss as they played host to the Shamrock Irish last Thursday night in their secondhome game of the season.

Tiger running back, Sammy Don Haynes, plunged for a single touch down in the 3rd period of play. A pass attempt for the extra points failed. Haynes was also recognized offensively as leading the Tigers in rushing yards. He totaled 107 yards in 30 carries making a 3.5 average.

Steve Langley headed the Tiger defense with 4 unassisted tackles and 5 assists.

The two Shamrock scores came in the first and third quarters of play with the extra points on the latter six pointer.

The B-team hosts Silverton this Thursday evening in the fourth game of the season, while the varsity team is on the road playing at Silverton.

City To Have Budget Hearing

The City of McLean will hold a public hearing meeting of the city budget for the 1974-75 year. It will be held Tuesday, October 8 at 7 p.m. at the city hall.

Nurses Aid Class To Begin Oct. 7

A new Nurses Aide class will begin Monday, October 7, at 9:00 a.m. in the McLean Hospital.

Anyone interested should contact Mrs. T Winegeart, R.N., Director of Nurses, McLean Hospital.

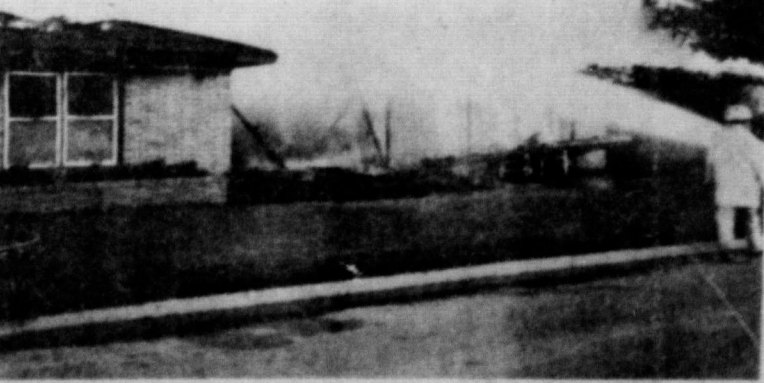

Donna Cochran On U.T. Honor Roll

The College of Natural Sciences at the University of Texas named 739 students to the spring semester honor roll.

To be eligible for the natural sciences honor roll, students must earn at least 52 grade points on classwork in one semester, passing all work undertaken.

The honor roll list included from McLean Donna Beth Cochran.

Those from McLean First Baptist Church attending the Sunday school conference at Amarillo were Rev. and Mrs. Herman Bell, Mrs. Luther Petty, A.C. Wood, Frank Simpson, and Jerry Rollison.

McLEAN residents were awakened early Wednesday morning to the sound of fire sirens as firemen answered the call to the home of Mrs. Maudie Cooke, which took the life of her son, Bill Cooke. The home which was one of the finest in McLean was completely destroyed by the blaze.

SHOULD I CHANGE MY RELIGION?

If you discovered from a study of God's revealed will (the Bible) that the religion you are following is not consistent with that religion which God has ordained in the Bible, and is therefore not pleasing to Him, what would you do? If you realized you had not done all that Christ said you must do to be saved, WHAT WOULD YOU DO? Would you change your religion?
All the different churches cannot be right in their teaching and practice. Nowhere did Jesus say He would build more than one church. What shall the honest soul do when he (or she) discovers that he (or she) cannot give a "thus saith the Lord" (2 Tim. 3:16-17; 2 Peter 1:3) for everything said or done in the name of religion and discovers that he (or she) is wrong religiously? Multiplied thousands face this decision everytime they read their Bible!
GOD WANTS YOU TO CHANGE YOUR RELIGION, if it is wrong!
Paul changed. He was a zealous religious person (Gal. 1:14). His conscience was clear (Acts 23:1), yet he was wrong! His confrontation with the truth of God proved he must change his religion (Acts 9, 22, 26). In changing he found salvation and peace with God. He went on to become a great apostle of the Lamb.
Apollos changed. He was deeply religious, an eloquent preacher, yet MISTAKEN! He was taught the "way of the Lord more perfectly" and became a great worker for Christ, (Acts 13:24-28).
In Ephesus, a whole church changed (Acts 19:1-6). They learned from the apostle Paul that their way of religion was in error. Upon learning of that error, they IMMEDIATELY changed their religion.
If you truly wish to be saved, you will make the changes necessary to bring your life and religious practice into complete harmony with God's Will. Remember, the ONLY traditions that avail are those that come from God (2 Thess. 3:6)! Traditions of man lead only to eternal damnation! (Matt. 15:1-9)
Compare the church of which you are a part with the one revealed in the Bible. Compare what you did to be saved with the examples of conversion in the Books of Acts. Compare your worship and service to God with that of the early Christians. If yours is not identical with theirs, YOU NEED TO CHANGE YOU RELIGION!

Mrs. Luther Petty returned home Friday after an absence of twelve days in the home of her daughter, Mrs. Milton Billingsley and her husband, in Amarillo, while there she attended a Sunday school conference at Trinity Baptist Church, the fair and visited in homes of friends and attended a birthday celebration for Mrs. H. H. Billingsley and great granddaughter Tina Kennedy.

MR. GUY BEASLEY

Many people believe that when man dies and goes to heaven for his final judgment, God will have but one question for him to answer: "What did you do with your life?" Guy Beasley will have quite an answer.
While cattle ranching was his primary occupation, Guy Beasley also enjoyed careers in farming and in teaching public school. And upon his retirement from active participation in the cattle business, he became the first male librarian of McLean, probably his most favorite job of all, because he so enjoyed helping children learn.
Guy Beasley also served on the McLean City Council and on the school board, and throughout his life was an active member in the American Legion, having served in World War I with the 36th Division which fought in the Argonne Forest in Northern France. Guy Beasley was also very active in the McLean United Methodist Church. A life-long Methodist, he worked in every aspect for the betterment of his church and his community.
But perhaps more important than anything else, Guy Beasley was a loving and devoted husband and father. His life centered around "his girls!" His loving wife Georgie, and the daughters he loved so much, Joyce, Dorothy and Martha. He was proud of his girls and of his little grandson Guy, and he didn't mind telling you so.
-We all feel a great void today, a great emptiness within us, for "Mr. Guy," as many of us knew him, will not soon be replaced. Another "Mr. Guy" will not soon be duplicated this side of heaven.
Yes, Guy Beasley will have quite an answer when he is asked, "What did you do with your life?"
(This eulogy read at Mr. Beasley's funeral was written by Tom Weiser, one of Beasley's son-in-laws.)

Market Report

Meat outlook for coming weeks--"unpredictable", especially for beef.
Mrs. Gwendolyn Clyatt, consumer marketing information specialist with the Texas Agricultural Extension Service, The Texas A&M University System, this week forecast a gloomy picture for beef eaters during the winter.
As we get farther into the winter, less choice meat will be in markets, and we'll be dealing with a lower grade beef that has a slightly different flavor and is less tender.
Pork values this week

include picnics, shoulder roasts and steaks, end-cut loin roasts and chops, and pork liver.
At fruit counters, Bartlett pears are available, and higher-priced prunes reflect this year's smaller crop. Golden Delicious apples are a versatile fruit choice, and Texas oranges are on the market.
Peach and nectarine prices are moderate, while bananas, grapes, oranges, grapefruit, plums, pineapples, honeydew and cantaloupe feature various price levels. Buy them according to budget limits, the specialist said.

STATE CAPITAL
Highlights
AND Sidelights
 by Bill Boykin
 TEXAS PRESS ASSOCIATION

AUSTIN—Texas governmental units need to spend \$852 million over the next five years to improve transportation systems, according to a Texas Mass Transportation Commission staff estimate.

A TMTCC preliminary development plan proposes \$566 million worth of rail system improvements and construction and \$286 million for bus systems.

The state, the report concluded, must come up with ideas for moving an increasing number of travelers among major cities by rail, new expressways paralleling existing ones or other means.

If travel increases as fast as expected, according to one authority, traffic on Interstate 35 between San Antonio and Dallas may be as congested by the year 2,000 as it is on the Gulf Freeway in the Houston area.

Cost of developing mail passenger facilities presents a generally unhappy picture. Railroads, according to TMTCC Director Russell Cummings, are not enthusiastic about starting up new passenger service or turning their tracks over to any agency for passenger hauling in conflict with their freight business.

Only 18 cities in the state still maintain transit systems, as compared with 37 such systems 20 years ago, TMTCC was informed. But use of transit systems is expected to increase three-fold by 1990. Buses are projected to handle 75 per cent of the future load, rail systems 18 per cent and "specialized systems" seven per cent.

LEASES TAKE UP—Cash bonus payments totalling more than \$7.8 million reached the state Permanent University Fund from a recent oil and gas lease auction on University of Texas-owned lands.

More than 123,540 acres were leased for oil and gas exploration. With deposits of the cash bonus payments the Permanent University Fund increased to \$678,332,143.

Biggest areas of interest were Loving and Ward counties.

Superior Oil Company paid

the largest cash bonus—\$810,000 for a 640-acre tract in Ward County. Chalfant, Magee and Hansen were successful bidders on a 320-acre tract in Ward and Loving counties with a \$435,000 cash bonus.

Land Commissioner Bob Armstrong, chairman of the Board for Lease of University Lands, said increased demands for energy are being reflected in all public land lease sales.

INDUSTRIES INCREASE—Thirty-one new industries with a combined annual output of over \$8 million located in Texas during August.

Total economic impact of the 31 firms was estimated by Texas Industrial Commission and the University of Texas Bureau of Business Research at more than \$129 million a year.

The 31 new industries are expected to generate \$7.7 million a year in federal taxes, \$550,943 in local taxes and \$502,943 in state taxes, and to create 1,743 new jobs with a spinoff of another 2,243.

The industries located in Alice, Amarillo, Athens, Austin, Port Arthur, Brownsville, Center, Coeto Creek, Channelview, Del Rio, Diboll, Freeport, Houston, La Porte, Laredo, Longview, Lufkin, Madisonville, Mineral Wells, Mount Pleasant, Rocksprings, Texarkana, Wharton, Weatherford and Wichita Falls.

DPS LOOKED OVER—A Senate sub-committee began its hearings on rights to personal privacy and Department of Public Safety surveillance activities involving private citizens.

DPS Chief Col. Wilson Speir agreed the legislature should furnish guidelines, but he warned against restraints so strict as to interfere with law enforcement efforts.

ENROLLMENT UP—State-wide enrollment at Texas colleges and universities is up about five and a half per cent above 1973, far above the national projection of a 1.3 per cent nationwide increase.

Preliminary tabulation shows total enrollment of

NONE MORE VALUABLE

549,830 students at Texas public, private, junior and senior institutions. This is 28,300 more than the fall semester of 1973. Two hundred and seventy five thousand of the students are attending public senior colleges, 201,400 at public community colleges.

Even the private institutions in Texas are growing. Their total enrollment of 70,800 represents a 1.4 per cent increase over the 1973 headcount. About 10 of the 37 may experience some decline in enrollments.

AG OPINIONS—Voters who participate in party primary elections are not eligible to sign applications of independent candidates where nominations for the office sought are made in primaries, Atty. Gen. John Hill held.

In other recent opinions, Hill concluded: State employees who leave their jobs before completing six months' service are eligible for no accrued vacation time.

State licensing of private child care facilities does not sufficiently implicate the state in the policies of the institutions to make their discriminatory practices a "state action" for constitutional protection purposes.

Receipt of guaranteed annual wage payments does not render an individual out of work ineligible for state unemployment compensation.

When a merit pay raise is promoted, funds become available for merit raises to others in the agency.

Director of the Division of Parole Supervision is not the executive head of a state agency, and the Board of Pardons and Paroles is legally responsible for his conduct.

County clerks have no authority to issue certified copies of letters testamentary.

APPOINTMENTS—Dr. Lorene Rogers was named acting president of The University of Texas, Austin, after Dr. Stephen Spurr was fired.

COURTS SPEAK — Texas Court of Criminal Appeals unanimously upheld 1972 convictions of former House Speaker Gus Mutscher, former State Rep. Tommy Shannon and Rush McGinty for conspiring to accept a bribe in the famous Sharpstown case. All received five-year probated sentences.

C. C. Rodeo Team Go To Roswell!

With two rodeos behind them this fall, the Clarendon College Rodeo Team is in Roswell, N.M., this weekend participating in the New Mexico Military Institute Rodeo. The rodeo started Tuesday and will end with the competition on Saturday night.

In last week's competition at Portales, N.M. in the ENMU Rodeo, Ken Henry of Happy placed 5th in bullriding. Henry is in his second year of competition at Clarendon College.

Members of the Bulldog team competing at Roswell are David Boykin, of Northfield, Jerome Jennings of Snyder, Okla. Ken Henry of Happy, Buster Haning of Panhandle, Kenneth Sims of Childress, and Smitty Smith of Childress.

Lawrence Watson is visiting in California this week with his sisters, Imogene, Artie, Ruby and Madge and families. He went with his brothers, Ector, Bela and George.

MR. GUY BEASLEY

of his, "Loyal and Dedicated Service to the Library and Community."

When World War I was raging in Europe and the clouds of war started heading for the United States, Mr. Beasley and 40 other students at the University of Texas at Austin sent a telegram to then U.S. Rep. Marvin Jones, now a retired judge of the U.S. Court of Claims, volunteering to fight.

He was one of the first to sign up to fight in World War I. He served in the 38th Division of the U.S. Army in the Argonne Forest in Northern France.

Mr. Beasley was a school teacher, too. He taught school in Plymouth and at Dozier. While teaching at Dozier, he organized the first Interscholastic League meet in Collingsworth County.

A straight talker, Mr. Beasley was often trusted by families in the area to settle arguments. More than once two families trying to agree on a selling price for some land would come to Mr. Beasley, agreeing that whatever he considered a fair price would be the price.

Pallbearers at the funeral were Cecil Amerson, J.L. Andrews, W.W. Boyd, Peb Everett, J.W. Meacham, John B. Rice, George Terry, and Cicero Turpen.

Survivors include his widow, Georgie Beasley of McLean; three daughters, Mrs. Joyce Carpenter of Austin; Mrs. Dorothy Weiser of Lake Charles, La., and Mrs. Martha Skelton of Denton, and one grandson, Guy Wesley Skelton of Denton.

MOISTURE
 The rain was very wel-
 come by most area farmers
 and ranchers. Slightly
 more than three inches were
 received in Pampa out of
 the last series of rains.
 There was little or no runoff
 We estimate wheat planting
 was 65 percent complete on
 dryland when the rain set
 in. This will make wheat
 pasture out of a most of
 the wheat that was up.
 There is an abundant supply
 of moisture for getting up
 the rest of the wheat. Most
 of the irrigated wheat is
 yet to be sowed. Dryland
 milo was helped by the
 rains. From here out most
 farmers would love to see
 thirty days or longer of dry
 weather. A later frost is
 also desired because of the
 late planted milo.
GRAIN PRICES
 As each bit of bad weath-
 er new comes in the price
 jumps. The limit on most
 grains everything milo
 goes up fifty cents.
 Stocker cattle fall back
 another five dollars. One
 fellow was heard to say a
 few days back that stocker
 calves would turn around in
 another five days. His rea-
 son the market was going
 down at the rate of \$5.00
 per day and the cattle would
 hit zero in five days. No
 one has ever seen as chaotic
 a condition as we are seeing
 today in the cattle situation.
 Last year at this time fini-
 shed cattle had fallen back
 in the forties. Stocker cal-
 ves were bringing up to
 seventy five cents. Yearling
 steers were bringing up
 to fifty four cents.
 Today fat cattle is in the
 upper thirty dollar bracket.
 Gain costs are expected to
 be in the mid fifties. Light
 weight calves are bring-
 ing thirty five cents. Yearling
 steers from 28 to \$30.00.
 The heavier they get the
 more they bring.
 The drought, early freeze
 and bad weather has been
 the main culprits. The
 failure of chain stores to
 drop their prices has slowed

Local Chevrolet Dealer is Elected District Officer

G. Ted Simmons, Ted
 Simmons Chevrolet, Mc-
 Lean, has been elected to
 a key office for his area in
 a nationwide organization
 of Chevrolet dealers.

Chosen as representative
 from his district to the Chev-
 rolet Dealer Council, he
 will serve as spokesman for
 16 Chevrolet dealers in the
 District at an October meet-
 ing of the organization to
 be held at the zone head-
 quarters in Oklahoma City.

The Chevrolet Dealer
 Council program was pion-
 eered by Chevrolet in 1937.
 Operating at local and
 national levels, the organi-
 zation helps Chevrolet's
 6,000 dealers plan toward
 mutual progress in discuss-
 ions among themselves and
 with Chevrolet executives.
 Among matters discussed
 are market conditions, bus-
 iness concepts and customer
 services.

District, regional and
 national Dealer Council
 members are elected to a
 two-year term.

By Cherrie Billingsley
September 27 at the unbelievable hour of 8:00 a.m., the first meeting of McLean High School Journalism Club was held. Every bleary eyed, yawning person who attended the first meeting were very excited about the new club and each felt that the new organization will be very educational as well as fun.

At the first meeting, editors were elected, and reporters were assigned to different categories of our news staff. Our new club means business, so, people of McLean watchout! No one is safe from the inquiring eyes and tattling pens of the McLean High School Journalism Club.

FHA Meeting

By Beth Hambright
The officers of the Future Homemakers of America of the McLean chapter will meet in Shamrock, Thursday, Oct. 3, 1974 with Shamrock's officers.

There will be an Area officer there to talk with them.

This meeting will not only be enjoyable but it will help to better the McLean Chapter.

All officers are urged to attend.

New Teacher

By Toni Wynn
Mrs. Jan Johnson, originally from McLean, is now teaching at McLean High School. She teaches Typing I and II, Shorthand, Bookkeeping, and General Business. She is also the FBLA sponsor.

She graduated from Southwestern State. She has taught for two years. Mrs. Johnson has two children, Darren and David. Her hobby is tennis.

Mrs. Johnson said, "I love working with kids and I like being back home."

HERO Officers To Attend Meeting

The HERO Club of McLean High School met Monday the 30th, to elect a new Vice-President and Sgt. at Arms and to decide on a project to make money for our Employee-Employer Banquet at the end of the school year. The new vice-president elected was Connie Bohlar and Sgt. at Arms was Roger Bowling.

Thursday the 3rd, four members of the HERO organization will attend a Area I FHA officer meeting in Shamrock from 4:30 to 7:30 p.m. Those attending will be Denise Lamb, Monica Hathaway, Connie Bohlar, Patsy Bailey and Mrs. Martha Mears, sponsor.

CORRECTION

In the story that appeared on the front page of last week's paper in the list of firemen names that received certificates it had the name of Lloyd Best. It should have read Loyd Bybee. Our apologies to Loyd.

Students Have Six-week Tests

By Gail Terry

This past week was a little on the hectic side, but of course it was only because of the fact that Six weeks tests were this week.

Everyone talked about their different tests. Each class argued that their tests would be the hardest of all.

I think that the Seniors were the most concerned. All of them were dreading, Mrs. Haynes' deadly English test. When asked if the test was hard, Mrs. Haynes replied, "Just looking at it myself--I say it is hard. I even had to look some of the answers up in my key." Well, you can imagine what a state of shock the Seniors were in.

When the tests were being handed out, all Seniors were said to have been repeating the Lord's Prayer. I think that this is really just a piece of gossip, but one can get an idea of what the Seniors went through fourth period, Friday.

Everything got back to normal after the tests were over. I guess it will probably stay that way until next six weeks. Who knows what kind of tests Mrs. Haynes will conjure up next time.

76' Seniors Order Class Rings

By Natalie Morris

The Seniors of "76" ordered their class rings on the 23rd of September. The rings should arrive in eight weeks. This year's ring will be different from the previous ones. They will have Tiger on one side and the Spirit of "73" on the other. The inside of the rings will vary from person to person, as far as the color and design goes. Some will have a tiger head and some without stones.

Students Turn In Bug Collections

By Maridale Glass

On Thursday, September 26, good old MHS was crawling with excitement. Over 1000 bugs found their way into the Biology room for inspection.

Actually every biology student was required to have 25 insects in his collection.

After grading the menagerie, Mrs. Jefferson was bug eyed, but is expected to recover soon.

H. S. Rodeo Club Places At Pampa

By Jerry Rollison

The McLean High School Rodeo Club attended the Pampa Tri State show this weekend. This outstanding rodeo was produced by James Martin, Spearman. The seven members participating from McLean were Cindy Sherrod, running the barrels and poles. Cindy is fifth in Tri State competition. Delinda Howard-steer riding, Delinda is fourth in Tri state, Van Horn- Barebacks; Todd Darsey- bareback; Greg Henley and Dale Steel-team roping, Dale and Greg hold 13th and 14th in Tri State. These two are also the only ones who placed in Pampa. They got 2nd. Gregg Tollison- bull riding. Greg met with a mishap during the show. His bull stepped on him and he had to stay over night in the Pampa hospital.

The sponsor representing the club was J.F. Howard. The next rodeo will be in Borger where there will be other rodeo members participating.

Boyd, Leisa Gabel, Cathy Estes, Robbie Turpen, and Toni Wynn. Coach Nelson emphasizes that all four teams are subject to change.

Arm Press Bought

By Morse Haynes

The McLean Booster Club recently acquired an arm press for the physical training program. The machine was purchased from Buck Sporting Goods at a cost of \$318.

The booster club is now working to raise money for a leg press, which will enable the school to afford complete weight training program for the students. A garage sale will be held in the near future and all funds raised will be used to help purchase this machine. There is a coke machine in the field house all profits will also be used for the weight machine. Any donations to aid this course will be appreciated.

Harvest Carnival Is Planned

By Jerce Boyd

It is Harvest Carnival time again and all the classes in McLean High School are busy trying to raise money for their harvest queen and king candidates. The seniors have been selling popcorn balls and other goodies at the two breaks at school and are having a pizza party that day night. The juniors are having a bake sale October 9 at both grocery stores.

The sophomores have two bake sales and are having a chili supper Oct. 11. The freshmen have will sponsor a car wash in the near future.
