Lions Who Strayed In Breeze Meet, Decided On Postponing Points

By Staff Dept

The Ozona Lions rolled up 67 1/2 points in the preliminaries of the 1954 Invitational meet last Saturday to gain second place in the eleven-team track and field meet. Rain washed out the finals, which were scheduled for Saturday night, and points were given on the preliminary events to determine the team standings.

The favored Junction Eagles took first place with a total of 100 1/2 points with the San Angelo B team placing third in the events.

Ozonsa's Jake Young set a new meet record with a shot toss of 49' 3/4" for the only record in the meet set by an Ozona performer.

The Lions star hurdler, Jerry Jacobs, disqualified in the 120 high hurdles after missing the final hurdle with a wide lead. Not to be daunted, Jacobs cleared the low hurdles and defeated Junction's ace in the field to qualify for the finals which were washed out.

The Ozona 880 relay team placed third but in running different heats did not compete with the two placed ahead of it on time.

Mark White placed second in the high hurdles and Billy Bob Holden captured third place in the low hurdles. Ronnie Paulk placed second and David Sikes tied for third and fourth in the pole vault while Bobby Vargas placed in the broad jump and the high jump even though far off the form shown here a week ago.

Five Lions and coach Chick Womack will travel to the Texas relays Saturday and Coach Sonny Cloers will take the balance of the squad to the Eldorado relays which were rained out early in March.

Week-End Rains Bring Additional Inch Of Moisture

Three-Days Slow Fall Soaks Already Well Watered Soil

An already well soaked West Texas ranch country got another thorough soaking the past week-end when slow-falling rains again visited the area to further brighten an already bright Spring and Summer prospect for the livestock industry.

Moderately heavy showers were triggered off here Saturday on arrival of a cold front. Further rains added to the moisture store over Sunday and Monday night clouds again thickened and for most of the night a slow falling rain continued without interruption. The Monday night fall amounted to a half inch and the week-end's previous rain had totaled 1/2 of an inch, for a total of 1.00 inches for the week-end.

Veterinarian Coming Here To Test Cows And Vaccinate Dogs

Arrangements have been completed with a San Angelo veterinarian to come to Ozona next week to test milk cows of Crockett county ranch families for tuberculosis and Bang's disease and to vaccinate dogs against rabies. County Agent Pete Jacoby announced.

The veterinarian will be here Monday, March 31, to test cows for Tb and Bang's disease and will return Thursday, April 3, to check the results of the cow tests and to vaccinate dogs.

The vet will go to the ranches in the county where owners desire the tests of milk cows. Those who want this service must notify the county agent in advance so that an estimate can be made of places to be visited.

Vaccination of dogs will begin at 2 p. m. Thursday, April 3, at the vocational agriculture building. It will not be necessary for dog owners to give advance notice of intention to have dogs vaccinated. All that will be necessary is to have the dog at the vaccination place at the time.

4-H Achievement Awards Program Set Monday Night

Group Concludes Successful Seasons At Annual Dinner

The Fourth Annual 4-H Achievement and Awards Program will be held Monday night in the high school cafeteria to conclude a very successful 4-H club year for Crockett County 4-H Members. Highlights of the awards program will be the presentation of the Mother Davidson Memorial Trophy to the outstanding 4-H member of the year, the Gold Star Award, and other awards to 4-H members who made outstanding achievements during the year in their 4-H work.

4-H members had a very successful show season, winning three champions and five reserve champions at five major livestock shows in the state. They also brought home \$8,000.00 in prize money and sales of their livestock. Those winning champions were Jay Miller, Mark Baggett, and Bill Jacoby. Showing reserve champions were Bob Childress, Penn Baggett, Pam Jones, and Larry Williams.

4-H judging teams made a good record last summer, winning four places, nine second places, two thirds, and a fourth, in contests ranging from District to National level.

Ozonsa FFA Livestock Judging Team Wins 3rd At SAC Contests

Ozonsa FFA livestock judging team, coached by Vocational Ag Instructor M. A. Barber, won third place among the 28 teams entered in the San Angelo College livestock judging contest at the college last Saturday.

Teams from neighboring towns around San Angelo were entered in the contests, judging and grading classes at the SAC farm.

Kenneth Deland, a member of the Ozona team, was high point individual in sheep judging and second high overall in swine judging.

Robert Lee's judging team won first place with 1773 points; Ozonsa was second with 1709; Ozonsa was third with 1653; Big Lake fourth with 1644, and Mason fifth with 1627.

Members of the Ozona team were Kenneth Deland, Pierce Miller, Jim Williams and Leslie Deland.

Absentee Voting For School Board Candidates Starts

Voters May Cast Absentee Ballots Thru April First

A sprinkling of absentee voters had already been registered at the county clerk early this week in the April 3 election to choose four members of the district school board and three members of the county board.

Voters who expect to be absent from the city on election day have until April 1 to cast absentee ballots. Absentee balloting is permitted until three full days before the election. April 1, then, is the final day for registering a vote by absentee ballot.

Names of seven candidates will appear on the ballot for the district trustees. From this list the four receiving the largest number of votes will be elected.

The candidates, in the order in which their names appear on the ballot are Earl Deland, B. W. Stuart, J. B. Miller, Ray G. Pearson, James B. Childress, M. A. Lemmons and Carl Appel.

Candidates for places on the county board, an almost inactive body, are Charlie Black from Precinct 2, Jack Owens, precinct 3 and Marshall Henderson, precinct 4.

Name Hale-Aikin Committee Here For School Study

Part Of Statewide Survey Provided By Legislative Action

A local committee to make a survey of school facilities under the Hale-Aikin Committee of Twenty-four, provided for in a legislative resolution passed in 1947, has been appointed and will meet to complete organization on Wednesday, April 2.

The committee includes Supt. L. E. T. Sikes, general chairman, Charles Ratliff, P. O. Hatley, Mrs. Martin Harvick, Mrs. T. J. Bailey, Frank James, L. D. Kirby, Quebe Alford, Judge Houston Smith and Mrs. James Baggett.

The Hale-Aikin committee study will be divided into four topics, construction and finance. For the purpose of the survey, the local committee has been divided into three sub-committees, with the construction and finance combined into one committee. The sub-committees are: School program, P. O. Hatley, Charles Ratliff and Mrs. James Baggett; teacher supply, Mrs. Martin Harvick, Frank James and Mrs. T. J. Bailey; school construction and finance, Judge Houston Smith, L. D. Kirby and Quebe Alford.

The statewide committee of twenty-four, provided for in the legislative resolution, was appointed, six each by the governor, the lieutenant governor, speaker of the House and the state Board of Education. The purpose of the move is to provide citizens with an opportunity to study their schools and make recommendations, if needed, for their betterment.

Fact sheets on which information is to be recorded for the report to the state committee have been prepared. A factual report on the status of school housing, pupil enrollment and classrooms teachers has already been prepared and submitted by the school administration. The fact sheets, which are to be placed in the hands of each sub-committee chairman, will be a record of enrollment, subjects offered, professional personnel and other facts of the school operation.

Mrs. Jim Moore, Former Ozonan, Dies

Funeral services were held last Thursday in Kerrville for Mrs. Jim Moore, 65, a former Ozona resident and widow of a former Crockett county sheriff and Texas Ranger.

Mrs. Moore, a music teacher and private nurse in Alpine for many years, died Sunday, March 16, in Brewster County Memorial Hospital, Alpine.

She was a member of St. James Episcopal Church in Alpine. Survivors include one brother, Sid Ross of San Antonio.

Ozonsa To Host 6th Dist. P.T.A. In 1959 Session

Big Delegation From Ozonsa Attend Meeting In Sonora

Ozonsa was chosen site of the 1959 Sixth District P. T. A. Conference at the conclusion of the annual conference held last week in Sonora. Sessions of the conference were held in the high school auditorium.

The 1959 conference theme was "Education is Life in the Making," and "Together We Build."

Ozonsa P. T. A. unit received a "very good" grading on its scrap book and evaluation sheet. An "excellent" grade was given the local unit's yearbook.

Those attending from Ozonsa were the incoming president, Mrs. Martin Harvick, the retiring president, Mrs. James Childress, Supt. L. E. T. Sikes, Ray Killingsworth, Mrs. Jennie Baggett, and Carl Appel.

Shearing School Is Launched With Eleven Student Shearers

An experimental shearing school, the first in Texas sponsored by the Texas Sheep & Goat Raisers Assn. and the Texas Education Agency, with cooperation of the local school system, got under way on the Troy Williams ranch north of Ozonsa Wednesday morning and is scheduled to continue through the next five days, or until the students have had a minimum of 40 hours of training as shearers.

Eleven students are enrolled in the school, which is being taught by Juan Sanchez, veteran shearer. Pupils enrolled include Manuel Borrego, Augustine Luna, Efrain Vargas, Albino Sanchez, Jesus Hernandez, Manuel Longoria, Candelario Landin, Eloy Martinez, Luis Zapata, Americo Vargas and Andres Borrego.

Mr. Williams has made about 300 head of yearling mutton sheep available for the shearing school. The boys are being taught the best method of shearing and of wool preparation. It is the hope of sponsors that the school will serve as a model for similar undertakings over the sheep country in the hope that the dwindling supply of experienced sheep shearers may be augmented.

Garden Club Sets April 15 As Date For Flower Show

Committees Named To Plan 2nd Show In Methodist Church

Ozonsa Garden Club members are making preparations for the second annual Spring Flower Show to be held this year on April 15 in the fellowship hall of the Methodist Church. The theme of this year's show will be "Spring Enchantment."

Mrs. Bailey Post, club president, has named committees to plan and supervise the show. General chairman of this year's show will be Mrs. Stephen Perner. On the schedule committee are Mrs. Evart White and Mrs. Paul Perner.

Staging chairman is Mrs. L. B. Cox, Jr., and committee members are Mrs. Ralph Jones, Mrs. D. B. Pettit, Mrs. Richard Flowers and Mrs. Hillery Phillips.

The committee on entries will be Mrs. Lloyd Sherrill, Mrs. V. I. Pierce and Mrs. Sherman Taylor for arrangements and Mrs. Gene Lilly, Mrs. Dempster Jones and Mrs. Cecil Hubbard for horticulture. The committee on classifications will be Mrs. Ira Carson on arrangements and Mrs. George Montgomery on horticulture.

The hospitality committee will be composed of Mrs. Joe Pierce, Jr., Mrs. Max Schaeffer, Mrs. Tom Clegg, Mrs. Bert Couch, Mrs. T. A. Kincaid, Jr., Mrs. Charles Williams Jr., Mrs. B. B. Ingham, Sr., Mrs. O. D. West, Mrs. Floyd Henderson, Mrs. Neal Hannah and Mrs. Jack Wilkins.

Mrs. Lindsey Hicks is publicly chairman; Mrs. J. B. Miller, Mrs. John Childress, Mrs. Clay Adams and Mrs. Lindsey Hicks, the clerk and awards committee; Mrs. S. M. Harvick, educational committee; Mrs. Joe Clayton, the junior division; and Mrs. Stephen Perner, table settings. For table setting reservations, call Mrs. Perner, phone 132.

Mrs. Bailey Post is show consultant and chairman of judges.

The show is open to the public. Everyone is invited to exhibit flowers grown here and to visit the exhibit. In the junior division, children in the Junior Garden Club and children of Garden Club members are eligible to exhibit.

S. A. Contractor Submits Low Bid On Dam Contract

Strain Construction Co., San Angelo, To Get Contract

Hunter Strain Construction Co. of San Angelo was the low bidder of four contractors who submitted bids for the contract for construction of Johnson Draw flood control dam No. 6 when the Crockett County Commissioners Court opened bids here Monday.

Strain's low bid was \$134,000.12. Other bidders and the amount of their bids were Crownover Construction Co. of Corsicana, \$146,469.78; Merrill & Baker Construction Co. of Hurst, \$148,143.70; and Swope Bros. of San Antonio, \$156,143.10.

The SCS engineers' estimate on the No 6 site project was \$122,526.49. Because of the difference in the engineers estimate and the actual contract bid, the matter must be submitted to the Washington office of the Soil Conservation Service for final approval, and this is expected to cause a delay of about ten days in signing the contract. The contractor will have ten days to start the job after the formal contract signing. The contractor will have 310 calendar days in which to complete the dam.

The site No. 6 dam will be one of the largest in the series north of Ozonsa to control Johnson draw. It will be on Newton draw, about a mile and half north of Ozonsa and just left of the Big Lake highway on the W. R. Baggett ranch. It will be the fifth in the series to be started since the project was approved, three of them completed, or near complete. Plans are being shaped up on the final two dams in the series; one on main Johnson draw north of Ozonsa and the last at Site No. 7, east of Ozonsa on Gurley draw on the W. E. Friend, Jr. Ranch.

TS&GRA Asks Public Hearing Bracero Problem

Congress Asked To Aid In Finding Remedy For Situation

An urgent request for a public hearing at Eagle Pass on the Mexican National labor program has been made by the Texas Sheep & Goat Raisers Association.

A telegram from T. A. Kincaid, Ozonsa, TS&GRA president, to Senator Lyndon B. Johnson and Congressman W. R. Poage (D-Texas), Vice Chairman of the House Agriculture Committee, pointed out that "the livestock industry of Texas is placed in jeopardy because of recent action by certain officials of the Mexican Government in refusing to permit the contracting of braceros for ranch work."

Kincaid said that the purpose of the hearing he was requesting was for determining the cause and effecting a remedy for this most serious situation.

"Braceros are practically the only source of labor in this area," he added "and a shortage of ranch labor is certified to by local offices of the Texas Employment Commission. Lambing and shearing season which is a critical time is here and the extra labor is essential."

Kincaid stated that Association officials had received definite assurances on February 12 from Robert C. Goodwin, Director, Bureau of Employment Security that nothing would interfere with processing the special. For a short time processing did go on but stopped abruptly on March 18. There have been no specials since that date nor any action from the Department of Labor, he said. Kincaid added that Mexico was not permitting the passage of any braceros to Eagle Pass, as special did for those (braceros) had asked for the Congressional hearing.

Massie West Receives Conservation Award For Work At Alpine

ALPINE — The Massie West 100 Ranch is recipient of this year's Highland Herd Breeders Assn. conservation ranchman award. This despite the fact that a lot of Angus Cattle can be seen there when the place is stocked.
West lives in San Angelo but operates a 20,600-acre ranch about midway between Alpine and Marble. His place is predominantly made up of steep upland, stony hills and overflow country.
His conservation accomplishments are many. During the summer of 1957 he harvested about 2,800 pounds of native grass seed from his overflow draws. This seed included blue grama, ranchbluestem and adenula grama.
He built narrow dike roads to spread water out over larger areas and break up great concentrations of land-eroding runoff. He fenced a wash to protect it. The wash is just about healed over.
The 100 Ranch is fenced into nine pastures, including traps. Each pasture is so watered that the average traveling distance to water from any point is about three-quarters of a mile. This helps make for more uniform grazing, right up into the corners.

West drilled four new wells and installed about a mile of pipeline with storage and water troughs.
West realizes the value of good grass cover on native range. Most of the rains he receives are of the 1 and 3 inch variety. Unless there is already some turf on the ground, such light rains are almost wasted.
West keeps a close watch on his pastures. When one shows signs that it needs a rest, he moves his cattle off of it and onto another which he has rested. This method leaves a pasture in best condition to utilize moisture.

He completely vacated the range last fall to give the grass a chance to make good growth. Fall rains came late and grass did not make much visible headway through the winter. But with warm weather, their present good moisture and the winter of rest, they are expected to make good progress this spring.

Optimism For Sheep Industry Voiced At Producer Council Meet

Optimism for the future of the sheep industry in America was prevalent at the annual meeting of delegates to the American Sheep Producers Council in mid-March at Denver.
Delegates, representing every major sheep producing area of the United States, attended the meeting to hear of past accomplishments and plans for the future in the self-help program of promotion and advertising conducted by the council for sheepmen.

With sheep numbers on the increase, the director of the council boosted the budget for lamb and wool advertising and promotion for the fiscal year beginning July 1, as set at \$800,000, compared to \$600,000 for the current fiscal year. The lamb budget was increased from the present \$1,150,000 to \$1,350,000, and includes the addition of four promotion areas to the present — Toledo, Mississippi-St. Paul, New York City and expansion of the Southern California promotion to include the San Diego marketing area.

G. N. Winder of Denver and Craig Coit, was re-elected president of the American Sheep Producers Council, and chairman of the board. Other officers are J. E. Boardman of Salt Lake City, vice-president; Farrell Shultz of DeGraff, Okla., treasurer; J. M. (Casey) Jones of Denver, executive secretary and Mrs. Eunice L. Gray, assistant treasurer.

Representatives of the Ozona Women's Club attending the Santa District convention, Texas Federation of Women's Clubs, held in Sweetwater last week were Mrs. L. B. Cox, Jr., Mrs. Eldred Boach, Mrs. Stephen Ferner, Mrs. Victor Pierce and Mrs. Max Schneemann.

Eldorado Woman Tells Of Visit To Cuba In Talk To Woman's Club

Annals of Cuba was the program theme for the meeting of the Ozona Women's Club Tuesday.
Guest speaker was Mrs. J. L. Seall of Eldorado. She told of her visit to Cuba. She landed in Havana and went by bus the 700 miles to the other end of the island, at the U. S. Naval station in Guantanamo Bay where she visited her son and family. She told of the national industrial, foods and people of the island. The program was directed by Mrs. Joe Pierce.

Mrs. Farnie told of the two federated clubs in Havana which belong to the World Federation of Women's Clubs.
Mrs. P. T. Robinson gave the invocation. Annals from Cuba were on display. Recordings of Harry Heald's waltz music were heard. Business were Mrs. Stephen Ferner and Mrs. John Bailey. The club voted to send a contribution to the orphan children's home in Dallas.

Those attending were Mrs. J. E. Ed, Mrs. Marie Parker and Mrs. Leonard Covert, all of Eldorado, and club members were Mrs. Ira Carson, Mrs. Tom Clegg, Mrs. W. E. Buggen, Mrs. L. E. Cox, Jr., Mrs. N. W. Graham, Mrs. J. A. Fossil, Mrs. S. M. Harcock, Mrs. Ben Edgworthy, Mrs. Ben Lemmon, Mrs. J. J. Pierce, Mrs. P. T. Robinson, Mrs. Ewart White, Mrs. Louise Fox, Mrs. Ted White, Mrs. Max Schneemann, Mrs. Eldred Boach, Mrs. Joe Pierce, Jr., Mrs. Jane Baker, Mrs. Stephen Ferner and Mrs. Lou Mae Daniel.

Dorothy Mrs. Loretta Sherrill left early this week for Dallas where they are attending the 1958 national convention of the American Academy of General Practice. They are expected to return Monday.

HIGHLIGHTS AND SIDELIGHTS From State Capitol

By Vera Sanford
Texas Press Association

AUSTIN, Texas. — New names, new faces. But same old problems plague the state insurance liquidation division.

Next Legislature undoubtedly will step in and try to assign the bill step in and try to assign authority — possibly overhaul the whole system.

Latest chapter in the division's history of crisis-crossed efforts is the appointment of a new general counsel to the liquidator. He is C. Botch, former assistant attorney general.

Significant aspect of this is that Botch was appointed by Insurance Commissioner William A. Harrison. Whether the State Insurance Board, which Harrison represents, or judges of the receivership courts have the right to appoint attorneys for liquidation has been at issue for some years.

US Trust Payments — one of the most celebrated bankruptcy cases in recent years has begun to unwind.

Dist. Judge Charles O. Betts has ordered the state liquidator to pay out \$2,161,464 recovered from the assets of US Trust and Guaranty Co. This represents some 31 per cent of the \$7,300,000 in claims made by creditors, mostly holders of US Trust "investment certificates."

Action was made possible after the Supreme Court made final its ruling that certificate holders had no priority in claims.

Down Again — No miracle is yet in sight for the ailing Texas oil industry.

Railroad Commission cut the statewide allowable for April to 2,444,571 barrels a day. It's 120,203 barrels a day less than March. Eight producing days will be allowed, one less than March.

Commission set this lowest-in-history producing schedule after hearing most major oil buyers say they could foresee no substantial increase in demand for oil this year. Commission operates on the philosophy that oil should not be produced unless someone is willing to buy it.

Meanwhile, Texas officials seeking action to reduce importing of foreign oil, received some hope of help in Washington. Prospects is for reduction of import quotas in line with lessened U. S. demand.

More Growth Seen — Recession or no, Texas' rate of industrial expansion exceeds the national average and possibly will gain steam and set a new record in 1959.

So says the University of Texas Bureau of Business Research in a survey of the state's major industries.

Cited as areas of expansion were chemicals, plastics, aircraft and missiles, electronics, construction materials, metal fabrication, apparel, food processing and furniture.

Note New Businesses — In the same vein the Texas Employment Commission reported an increase in new firms launched in Texas during February.

Begun last month were 103 new businesses employing 1,373 persons. In January, 82 new firms employing 910 persons.

Landing Fields Urged — There will be 100 more landing strips in the Lone Star State if the Texas Aeronautics Commission has its way.

At a joint meeting of the commission and the State Aviation Advisory Council — representing all phases of aviation from glider pilots to aviation directors — a program for stimulating statewide enthusiasm for the construction of 100 additional landing strips was outlined by Chairman Paul M. Fulks of Wolfe City.

"Business in any town in Texas can be improved by the simple addition of an inexpensive landing field for airplanes," Fulks advised. "It's the commission's plan to advise and assist any town that's interested."

The spiraling increase of interest in flying, particularly on the part of businessmen, has centered attention on more access methods to smaller towns. Even a 2,000 foot grass strip alongside a highway will help, said a number of the aviators.

At present 80 county seat towns in Texas have no airports of any kind.

Also cited by the new commission chairman was the fact that there are 36 towns in the 3,000 and above population bracket; and 27 between 2,000 and 3,000, that

Bud Schauer, Former Ozonian, Makes Music Pay-Off in Colorado

Musical ability is paying off for Charles E. (Bud) Schauer, Jr., in Lakewood, near Denver, Colorado. Bud is the son of Mr. and Mrs. C. E. Schauer of Del Rio. The Schauer family moved to Del Rio when Bud was a youngster from Ozona.

Since he was 10, he made music a part of life and before he left Del Rio 13 years ago for Colorado he became well known for his singing and playing, particularly the electric guitar.

Now he is a week-end, professional musician and is a recognized entertainer in and around Denver.

In addition to singing and playing guitar, Bud plays clarinet, tenor sax and French harp. He has led a number of small combos with success, the groups playing at various clubs.

Bud is married and has two children, Mary Ann, almost 2, and Charles E. Schauer III, five months old. — Del Rio News

The News Reel
A re-run of "The Ozona Story" as gleaned from the files of The Ozona Stockman

From The Stockman, Mar. 28, 1959

An attempt to break the cross-country automobile non-stop endurance record and for the first time to traverse the Old Spanish Trail from one end of the other as a test of this character will be made at an early date by two Ozonans, Taylor Word, proprietor of the Crockett Cafe, and Leonard Hensley of the Ozona Stockman staff. Plans for the run of approximately 2,750 miles are now being formulated and if the weather permits, will be started early in April.

The following students have made a grade average of B or better for March and are on the school honor rolls. First grade: Doris Burger, Posey Baggett, Crystelle Carson, Ora Louise Cox, Irene Devannan, Leona Pimery, Janice Watts, Jeff Russell. Second grade: Jack Baggett, Wilton Burger, Charles Coates, Christine Curry, Adela Willis. Third grade: Mary Williams, Elizabeth Coose, Elie Bright Baggett, Joe Thomas Davidson. Fourth grade: Florence Adams, Imogene Baker, Ora Ruth Currie, Taylor Deaton, Margaret Ella Drake, Lloyd Ray Gant, Irene Green, John Henderson, Lavene Locke, Jack Williams, Louise Williams, Geraldine Young, Jeanetta Willis. Fifth grade: Lavene Schauer, Grace Butler, Helen Adams, Vicky Pierce, Esther Kate Pierce. Sixth grade: Anas Mae Brock, Billy Childress, Dorothy Henderson, Inez Rogers, Pauline Williams, Meriba Wilson. Seventh grade: Margaret Butler, Eugene Montgomery.

General rains falling at intervals throughout Tuesday night and all day Wednesday again soaked most of West Texas and added considerably to the already bright prospects for stockmen of this area.

Daily average flow of petroleum in Texas increased from 761,000 barrels in January to 789,000 in February, compared to 855,000 in

February, 1958.

Formal opening of the Ozona Specialty Shoppe, formerly the Bluebonnet Shoppe, owned by Mrs. L. J. Kittle, has been announced for Saturday in the new quarters for the concern in the Flowers Grocery building. The shop was formerly located in the Hotel Ozona.

C. C. Montgomery and George Harrell returned last week from Beaumont where they attended the I. O. O. F. Grand Lodge sessions. They also stopped over for a program at the Cattlemen's Convention in Houston.

Cam Douglas, Jr., returned Monday from Chicago where he has been for the past several months studying in an aviation school.

Mr. and Mrs. Joe Pierce, Jr., have returned to Temple to be with Mr. Pierce's father, J. S. Pierce, Sr., who is seriously ill in a Temple hospital.

The United States is again free from foot and mouth disease and an official order of the U. S. Department of Agriculture, effective on March 18, removes the quarantine placed on limited affected areas in California. The outbreak was of the shortest duration and involved the smallest number of premises and animals of any of the outbreaks that have occurred. A close watch is being kept on the area.

Happy Birthday Mary!

Who gave her the party?

Her parents, of course. And they had the help of hundreds of other people — men and women that Mary's parents don't even know.

These people helped Mother bake the cake and cook the party food. They helped freeze the ice cream, sew Mary's dress, and wash and iron it. They helped heat, light and clean the house for the party.

These busy people are the men and women who supply electric service for Mary's house. It's hard to imagine life without the electricity they provide — for everyone depends on electricity for dozens of jobs all over the house.

If you stop to count all the ways you put electricity to work, you'll be surprised. Can you think of anything else that gives so much value, day in and day out, for so little cost?

Becky and Anne enjoyed the weekend in Menard. They got to see all of the one-act plays given for the district play-offs. They had had luck when Becky's Car broke down Saturday afternoon. It's still in Menard being repaired. In case your wondering how they got home I must tell you. Some of Becky's and Anne's friends took them to Eldorado. There they were brought on home by Mrs. Davidson. Outside of car trouble and many round-about trips, they had an exciting three days of fun.

LITERARY EVENTS

This year the literary events are being held in Eldorado and several from Ozona are going out. One of the main events is Extemporaneous Speaking, and we are expecting great things from Joe C. and Genelle went to state last year and her chances are very good for going all the way.

Another event which manages to catch a lot of interest is Ready Writing. Entered in this is Jim Burton along with Joe Clayton. Joe went to state in Ready Writing last year and we are expecting him to go to the top this year again.

A newcomer to these events is Sally Baggett. She is out for declamation and we are wishing her good luck in it.

Another sophomore, Camille Adams, is entered in Poetry Read-

ing. She is doing the "Creation". Two more seniors are Mary Jo Ward and Jackie Young who are entered in spelling. Mary Jo only missed three words last year and is sure to be even better this year.

Dorthea Dee Melton and Delma McMullan, Roy Neil Killingsworth, and Johnny Jones are entered in Number Sense and Gwynel Walker and Golda Goodman are signed up for Typing.

These events take place Tuesday April 1. Watch the Lion's Roar for the outcome.

STUDENT COUNCIL CONVENTION

Four members of the Ozona High School Student Council and their sponsor have just returned from the Annual Convention of the Texas Association of Student Councils in Abilene. The group, Mary Jo Ward, Gwynel Walker, Johnny Cooper, Bobby Sutton, and Miss Jean Powers, report a most educational and entertaining trip.

In Abilene the local delegation

attended many problem clinics and discussion groups where they shared ideas pertaining to student from other Texas schools. In addition, the Ozonans were privileged to hear several inspirational speakers, among whom were Rev. Gary Demarest and Mr. Melvin T. Munn.

The student council members who attended the convention think that their attendance will be reflected in better service to Ozona High School in coming years.

"SENIORS"

The winner of the Betty Crocker Homemaker award is our topic of discussion this week. Wanda McCaleb not only won this award but is an excellent homemaker herself. Some of the beautiful dresses she wears prove what I said. She is a very busy girl, as most Seniors are. Wanda makes excellent grades and makes the best in homemaking since it is her favorite subject. As editor of our annual staff, she is doing a wonderful job. This is a very, very big task for anyone!

Doing an excellent job acting, she was in the Junior play her Junior year, the Senior and one-act play this year. Wanda, being secretary of her class, keeps posted on past meetings and does all their correspondence. The Seniors have a great deal of "corresponding" to do, so I heard. She is in the band, has been in the choral club, speech club, and on the annual staff while in O. H. S.

Wanda was born in Ozona on September 19, 1928, daughter of Mr. and Mrs. L. A. McCaleb of Ozona. She has attended school here all her life. When graduation is over, Wanda thinks she might go to North Texas and hasn't decided on a major.

A brief description of Wanda would be a girl with blond hair, blue eyes, and 5 feet 8 inches tall. She has a personality plus! Not having to worry about her figure, Wanda loves Mexican food and pecan pie as the last course of a meal or as an in between meal snack.

DECLARES NEW NATION OF ENERI — Angeline Cliett stands on the gate to the new nation of Eneri, located near Waller, Texas. Angeline is the daughter of Eneri President, Mrs. Irene Cliett. Efforts of the U. S. Deputy Marshal's office to enter the fenced area which has been declared independent of the U. S. A. have been rebuffed. Further legal action is now pending.

lambings have been slower in fattening than had been expected in view of the good range this winter. In fact, it has been something of a shock that so few of the milk fat lambs are really choice or prime. Best thing the livestock folks have is two fold: (1) Range condition and moisture prospects have seldom, if ever, been better. (2) Apparently the working people who buy meat are still financially able to take care of the supply, else the packers would not be out in the alleys at Fort Worth every day competing for the livestock to such an extent that prices have gotten higher and higher. In view of these things it is a little bit difficult to convince the livestock producers in the Southwest on the recession idea. In fact the driving optimism in livestock

ranks is a direct contrast to any feeling of depression in the national economy.

Most Cattle Stronger, Fed Steers Hit \$30.00

The cattle trade at Fort Worth Monday was strong and active. Exception was fat cows which were weak to 50 cents lower. Some stockers and some fed cattle and bulls were 25 cents or more higher. Good and choice fed steers and yearlings drew \$25 to \$30, lower grades \$16 to \$24. Fat cows \$18 to \$22, canners and cutters \$12 to \$18. Bulls \$16 to \$22.25. Good and choice slaughter calves \$25 to \$29, and medium to good stocker steer and heifer calves \$25 to \$30, some mixed calves at \$30. Stocker yearlings \$28 down. Fleshy feeders \$25 down, feeder yearlings \$26.50 down.

Lambs 50 Cents to \$1.00 Off; Higher Grades Scarce

The offering of 12,000 sheep and lambs at Fort Worth Monday was featured by a relatively small per-

centage of strictly choice lambs. Trade was slow and feeder and stocker lambs closed 50 cents to \$1 lower. Sheep and goats sold steady.

Good and choice milk fat lambs drew \$22 to \$24, and good and choice old crop lambs drew \$20 to \$21.50, those at the higher figure with No. 1 pelts. Recently shorn kinds sold at \$20, \$20.50 and \$21. Cull to medium lambs drew \$16 to \$20. Shorn medium to good feeders drew \$17 to \$20. Slaughter canner ewes \$9 to \$11. Old bucks \$8 to \$9.50. Aged wethers \$16 down. Few slaughter goats \$6.50 to \$7.

Mrs. Miller Hostess To Garden Club Meet Wednesday, April 2

Mrs. J. B. Miller will be hostess to members of the Ozona Garden Club at its regular meeting Wednesday, April 2. Mrs. Sherman Taylor will be assisting hostess.

Preparatory to the annual flower show, sponsored by the organization, a flower show workshop will be held. Each member is requested to bring an arrangement for discussion.

Mrs. Bailey Post, president, attended a flower show school in Abilene, sponsored by the Abilene Garden Club this week. Mrs. John K. Salais and Miss Irene Haddock of Dallas were instructors for the

show. Mrs. Post is second vice governor of District VIII, Garden Clubs. She won the District VIII and State Horticulture award in 1953. She is a national judge.

AMERICA'S FAVORITE FAMILY WAGON...PLYMOUTH

Plymouth carries more... does more... provides more family fun than any other wagon in the low-price 3 because it's BIGGEST IN THE LOW-PRICE 3. You can't buy bigger at any price!

Maybe you're a station wagon family right now. More Americans are each day! But do you know all the really astonishing facts about the Plymouth wagon... how much more it gives you than other wagons, at a low budget price?

Size alone is only part of it! The Plymouth wagon is big as wagons in the high-price field that cost \$5500 and more... but, in addition to extra size, this glamorous beauty offers a wagonload of other features that are exclusively Plymouth in the low-price 3!

You simply can't get 'em anywhere else in the field. And once you try them... learn how little the year-ahead Plymouth wagon costs... you'll never settle for less! Why should you? Your Plymouth dealer has the money-saving story, and he's waiting for your visit.

5 big reasons why your wagon should be a Plymouth:

- BIGGEST OF THE LOW-PRICE THREE:** Big as wagons costing thousands of dollars more. You can't buy bigger at any price! 122" wheelbase.
- HOLDS SO MUCH MORE THAN THE "OTHER TWO":** Over 7 cu. ft. more passenger and cargo space. Extra "secret luggage" compartment in 6-passenger models.
- REAR-FACING 3rd SEAT:** Folds flush into the floor; you don't have to store it outside when it's not in use. Easy to enter.
- DISAPPEARING REAR WINDOW:** Rolls down into tailgate. Doesn't get in the way. Only Plymouth has it in the low-price field.
- TURN-AND-RIDE—AT NO EXTRA COST:** Only on Plymouth in the low-price 3. Big-car luxury. No sideway on turns or nose-dive on stops.

They don't come any bigger... Plymouth station wagons

New FCC Testimony — H. Earl Barber, legal adviser of resigned FCC member Richard A. Mack, appeared before the House Subcommittee on Legislative Oversight in Washington, D. C. He testified that he owes Thurman A. Whiteside \$600 and held legal title to a Florida liquor license for Whiteside while working for Mack. Barber resigned from the FCC after Mack quit under fire.

GIRL SCOUT TROOP 3

The Juliette Lowes Patrol elected officers this week. Patrol chairman is Marilyn Millsbaugh; patrol secretary, Mary Jo Walker and games chairman, Melissa Harvick. Present were Mary Jo Walker, Suzanna Lewis, Harriett Hayes, Helen Hayes, Barbara Kirby, Marilyn Millsbaugh, Fannie Beth Everett, Jan Thomas, Melissa Harvick and Deborah Check.

CARD OF THANKS

We wish to express our heartfelt thanks to all for their many acts of kindness and expressions of sympathy and for the floral offerings on the occasion of our recent bereavement. By your thoughtfulness and helpfulness you have made our burden of grief much easier to bear and we shall always be grateful.

Original Toll Tickets Now Attached to Phone Bills At End of Month

A new service for all users of long distance has been inaugurated this month by General Telephone Company of the Southwest. Starting with the March telephone bills, customers will receive the original record, or toll ticket, for each long distance call charged to their telephone number.

These original toll tickets, which are made up by the operator at the time the long distance call is placed, will be enclosed with the regular statement. The total charges for telephone service, including federal tax, will appear on the face of the bill, and the toll tickets will replace the itemized statement of long distance calls. This new service will permit subscribers to check details about each call charged to their number. Adjustments for incorrect charges will still be handled, in person or by telephone, at the local telephone company business office, but the tick-

et in question must either be mailed or brought to the local office. Before mailing the original toll ticket to subscribers, the telephone company will have recorded each ticket on modern micro-film, which will give the telephone company a permanent record of all long distance toll tickets.

The local district manager has asked the subscribers bear in mind that the operators are instructed to spell names, that will appear on toll tickets, as they sound, rather than delaying the call to verify correct spelling. He emphasized that calls are charged against the telephone number, and not necessarily the name appearing on the toll ticket.

GIRL SCOUT TROOP 1

Girl Scout Troop No. 1 met at the Scout house Wednesday afternoon after school. Games were played and pictures were made by Carmen Childress. Refreshments were served by Sharon German and Carol Harrison. Present were Linda Leath, Jan Paulk, Ann Long,

Linda Miller, Linda Huff, Janis Walker, Joleen Butterfield, Carmen Childress, Vicki Applewhite, Mary Jane Dunlap, Sharon German, Carol Harrison, Sheryl Lyles, Annie Ruth Wallace, Mary Frances Goolsby, Diana Couch, and a visitor Johnnie Rae Johnigan. Leaders are Mrs. Billy Mills and Mrs. Bruce Mayfield.

HALYDIER IN GERMANY

Baumholder, Germany. — Army Pvt. Bobby L. Halydier, son of Mr. and Mrs. Rex Halydier, Ozona, Texas, recently participated in a field training exercise with the 8th Division in Germany. Halydier, a rifleman in Company B of the division's 13th Infantry,

arrived in Europe. He entered the Army and completed his training at Fort Riley, Kan.

The 23-year-old soldier at the Ozona before entering the Army graduated from Ozona in 1951.

A Tribute

To Our Flag!

"Three cheers for the Red, White and Blue." When we sing those stirring words at home, at school, as a parade passes, or whatever, the occasion, let's pay more than merely lip service to the Grand Old Flag! Poems have been written for Old Glory. Statesmen have eulogized its immortality. Soldiers on battlefields throughout the world have died for it. It flies majestically night and day over the White House. It is the blessed Flag of Freedom and stands for all the things we hold dearest. Honor the Flag that is the signature of our country and fly it proudly in your heart!
