District Track and Field Meet Scheduled Here Sat.

Junction Eagles Favored But Lions May Be Biggest Threat

By Ernie Boyd

Ozona High School will play host to the district 8-A track and field meet Saturday with Junction ones in rated as a clear favorite to the overall team title.

This year marks the first time in number of years that the meet has been held in Ozona and work has been going on all week in that the local track will be held.

For the first time in recent years Ozona Lions will be considered a threat to Junction's chances at the title but the Lions' lack of length in the distance events will probably be enough to keep them from upsetting the Eagles.

The district meet will not be a reprint of the previous meetings of the teams, however, since out-of-schools who topped points in previous meets and stronger teams in some of the district schools will shift points and could result in the Lions gaining or losing points in the meet.

Eldorado has steadily improved and surprised the Eagles in their meet by winning the mile race. An event Junction had been expected to win easily, Eldorado will score in the 440 and might dash points away from the Bell County crew.

Since the 880 relay is not included in the district program the team will enter Jerry Jacobs and Bobby Sutton in the 220 in an effort to pick up new points. Jacobs will also enter the low hurdles where he will be favored to win and in the high hurdles where he is the district's best by a wide margin.

Mark White, a rapidly improving hurdler, will be favored to copy and place in the high hurdles and Billy Bob Holden will be a threat in the low hurdles. Joe McEllan has shown clearly that he will win points in the hurdles if he can get off two races one day.

In the field, Jake Young will be heavy favorite in the shot and the home field for a change may help the 50 feet he has hit a number of times in practice. Jake will try his hand at the discus as will Jim Williams who has steadily improved.

Favorite in the discus is Cico Cervantes who has placed third in the event for two years and with one of the ones who have beaten him in the past gone Cervantes could come into his own this year. The Lion 440 team of Jim Darr, Tony Parker, Bobby Sutton and Jim Williams.

Pioneer Natural Gas to Purchase Gas From Schleicher Co. Field

Pioneer Gathering System, Inc., Amarillo, Texas, has announced, according to Burton P. Smith, President, the signing of a gas purchase contract between Pioneer Gathering System, Inc. and Atlantic Refining Company covering the purchase of gas from Atlantic wells in the Buckhorn Field in Schleicher County, Texas.

The gas purchased by Pioneer Gathering System, Inc. is to be produced from wells which have heretofore shut-in for lack of an available market.

Pioneer Gathering System, Inc., a subsidiary of Pioneer Natural Gas Company, is already buying gas in this area and delivering it to the Basin Pipeline Company, Schleicher County.

To tie in Atlantic's wells to its existing gathering system, Pioneer Gathering has made application to the Federal Power Commission for construction of 6.5 miles of pipeline, purchase meter stations and a dehydration plant.

Construction is expected to begin as soon as a Certificate of Public Convenience and Necessity is issued by the FPC.

Horace Busby Coming Sun. For 32nd Year of Gospel Sermons Here

After a lapse of a few years, breaking a string of annual visits which stretched over a period of more than thirty years, Horace W. Busby, Fort Worth evangelist, will return to Ozona for a series of gospel meetings at the Ozona Church of Christ beginning Sunday, April 13, and continuing thru April 20.

This will be the thirty-second year of the annual Busby meetings at the Ozona church. Services will be held each evening starting at 7:30 p. m. at the beautiful new Church of Christ in west Ozona. A cordial invitation is extended by the congregation to all Ozonans to attend the services.

Miller, Lemmons, Childress, Stuart To School Board

Record 345 Votes Registered in Election Here Saturday

Crockett county voters went to the polls in record numbers here Saturday to name four members to two-year terms on the district school board.

With seven candidates to choose from, voters selected Byron Stuart, M. A. Lemmons, J. B. Miller and James Childress to the new board. Hold-over members of the seven man board, to serve for another year, are Quebe Alford, Glenn Sutton and Bill Carson.

Stuart, now a member of the board and re-elected for another term, and Lemmons led the ticket with 209 votes each. Miller received 255 and Childress 253. Roy Pearson 169 votes and Earl Deland, present member of the board and seeking re-election, received 68 votes and Carl Appel received 64. L. D. Kirby received one write-in vote for a place on the board.

At the same time voters were choosing four men for the district board, three members were re-elected to the county board, a board which exercises only limited functions. County board members re-elected were Charlie Black in Precinct 2 with 39 votes; Jeff Owens in Precinct 3 with 27 votes and Marshall Montgomery in Precinct 4 with 29 votes.

Vandals Wreck Boy Scout Hut Interior in Week-End Foray

Vandals broke into the Boy Scout Hut on Tandy Hill over the week-end and destroyed Scouting equipment in a malicious display.

A small amount of material was stolen including eight flashlights and two compasses.

The storeroom was broken into and paint poured over camping equipment. Holes were punched in cushions and cups and the tires cut off of a bicycle left in the building by one of the Scouts.

Pictures were torn off the walls and destroyed and the whole interior of the building messed up in order to destroy as much as possible.

Deputies are investigating the robbery which occurred Sunday and was not discovered until Monday.

County Officers Announce Intent Seek New Terms

Judge Smith, Leta Powell, Jim Dudley Are 1958 Candidates

County Judge Houston Smith, Miss Leta Powell, county and district clerk, and Jim Dudley, county treasurer, all this week announced as candidates for re-election to their respective posts in the coming Democratic primaries this summer. All are so far unopposed.

Under a constitutional amendment adopted a few years ago, Texas county officials are set up on a staggered term basis much the same as district school boards and other administrative boards. About half the county officialdom is elected every two years but all hold office for four-year terms. This year's county officers to be elected are the county judge, county and district clerks, county treasurer, and county commissioners for precinct 2 and 4. All others serve for another two years when they will be up for re-election.

Judge Smith, Miss Powell and Mr. Dudley are all veterans in county service. Judge Smith is the third man to serve as county judge of Crockett county, having succeeded the late Judge Chas. E. Davidson, who had served, except for one term, as judge since the county's organization in 1891.

Miss Powell has been associated with the clerk's office for many years, having served as chief deputy clerk under the late George Russell until his death in 1954 when she succeeded to the office, first by appointment and then elected to the office without opposition.

Mr. Dudley, too, has served without opposition in the treasurer's office since the death of the late Tom Casbeer, a veteran of many years in the office.

The first Democratic primary will be held July 26, with the runoff primary a month later. All local candidates are seeking office through nomination in the Democratic primaries.

Booster Club For W. T. Boys' Ranch Is Formed Here

Steering Committee to Head Organization of Booster Group

Initial steps in establishing a Booster Club for the West Texas Boys Ranch of Tankersly, Texas, were taken here with a meeting of the steering committee Thursday night April 3.

The steering committee consisting of Wayne West, Lowell Littleton, and Charles Ratliff met with Morris H. Craig, executive director of Boys Ranch, who explained the program and outlined the need for help from Booster Clubs in West Texas. Mr. West and Mr. Littleton are directors of the Ranch.

Boys Ranch of West Texas was founded in December of 1947 to serve dependent neglected and homeless boys in the West Texas Territory. From one boy and virtually no facilities, it has grown into a multi-building layout serving 39 boys. The youngsters are given home influences and go through normal experience of living and working on a ranch in addition to going to school.

At the present time sixteen counties in West Texas have boys on the Ranch. Crockett County has used the facilities in the past and is at present eligible to take advantage of the facilities if needed. The Ranch serves forty-four counties in West Texas and the Ranch depends on these counties for support.

Mr. and Mrs. Bill Cloan and son, William Stephen, were Easter week-end guests of Mrs. Sloan's parents, Mr. and Mrs. Stephen Perner.

'Spring Enchantment' Is Theme Of Second Annual Ozona Garden Club Flower Show To Be Held Tuesday In Methodist Church Hall

Despite a late Spring and a possibility flowers will not be at their peak in Ozona gardens, the Ozona Garden Club is looking forward to a colorful show nevertheless next Tuesday afternoon at the club's second annual Spring Flower Show, "Spring Enchantment."

The show will be held in the fellowship hall of the Methodist church from 4 to 7 p. m. The show is open to the public as exhibitors or visitors and everybody is invited to participate.

All exhibits must be entered between 8 a. m. and 10:30 a. m. the day of the show. However, potted plants should be taken to the church Monday afternoon before the show.

Mrs. Stephen Perner is general chairman. The show will be judged in four divisions, horticulture, artistic, junior division and educational.

Mrs. George Montgomery is consultant in the horticulture division, which includes annuals and biennials, perennials, bulbs, corms, tubers and rhizomes, roses, shrubs, trees, vines, house plants, dish gardens and planters.

The artistic division will feature decorative arrangements and composition classes. Mrs. Ira Carson is consultant in this division. Classes in this division are designated in keeping with the show theme, "Spring Jaunts" being interpretive compositions of weather, wood, driftwood or native material; "Breath of Spring," all green material arrangements; "The Garden Queen — The Rose," "Spring Loveliness," massed arrangements; "Spring Enchantment," "A Wee Bit of Spring," for the miniatures; "Gardeners' Delight," basket arrangements, and "Springtime Hospitality," for the table arrangements.

Ribbon awards will be given for first, second and third places and for honorable mention. Sweetstakes awards will be in the Artistic and Horticulture divisions, awards of distinction in composition classes, awards of merit in horticulture division, tri-color awards in table arrangements and some of the artistic arrangements and junior achievements awards.

Mrs. Bailey Post is club president and accredited judge; Mrs. Stephen Perner is flower show chairman; Mrs. Evert White, schedule committee chairman; Mrs. L. B. Cox, Jr., staging committee; Mrs. Gene Lilly, entries chairman; Mrs. Ira Carson and Mrs. George Montgomery classification and placement; Mrs. Post, judges; Mrs. Joe Pierce, Jr., hospitality; Mrs. Lindsey Hicks, publicity; Mrs. J. B. Miller, clerks and awards chairman; Mrs. S. M. Harvick, educational chairman; and Mrs. Joe Clayton, junior division.

Application For Wool Incentive Pay Must Be Signed By April 30th

April 30 is the deadline for signing applications for incentive payment under the national wool act for wool sold between April 1, 1957, and March 31, 1958. Claude Russell, office manager for the Crockett County A. S. C., reminded the wool growers of this deadline.

Many ranchmen think they have completed all requirements for their incentive payments when they submit wool and lamb sale documents, Mr. Russell said, but the final requirement is the signing of the application for payment and unless such application is signed within the specified time, the rancher runs a risk of having his payment withheld.

Russell urges all ranchers who have not already done so to call at the A. S. C. office in the courthouse annex and sign the application for payment.

WEDDING ANNOUNCED

Announcement was made last week of the March 28 wedding of Miss Carol Crews, daughter of Mr. and Mrs. J. P. Crews of Mertzon, and Benny Lee Friend, son of Mr. and Mrs. Batts Friend of Ozona.

The wedding took place at the Methodist Church in Durant, Okla.

Annual Art Festival And Crafts Show Of Woman's Club April 29

The annual Art Festival, sponsored by the Ozona Woman's Club, will be held in the High School auditorium Tuesday, April 29, at 7:30 p. m. Mrs. Charles Williams, Sr., will be the program coordinator.

Following the auditorium program, a community crafts show will be held in the school cafeteria. The entire community is invited to take part in the Festival, Mrs. Williams said.

11 Ozona Track Men To Finals In Big Spring Relays

Jacobs Wins 3rd Place In 120 High Hurdles In ABC Meet

By Ernie Boyd

Eleven of Ozona's track men worked their way into the final events in the ABC relays in Big Springs last week but only Jerry Jacobs managed to come home with a medal for his efforts on the wind swept field.

A hail of blowing dust failed to dampen the interest of some 7,000 fans in the Bobby Morrow vs Dave Sime hundred yard dash duel but by the end of the day most fans appeared somewhat the worse for wear, with smarting eyes and sand filled hair testifying to the intensity of the wind.

Jacobs picked up third place in the 120 high hurdles by finishing close behind the state's two top hurdlers, Wilson and Morgan of Snyder.

In the prelims Mark White won his heat and Jacobs finished second behind Wilson as both qualified for the final run.

David Sikes qualified for the pole vault by clearing 11' 3" on Friday but could not match his performance Saturday.

Ozona's 880 relay team ran far below its usual speed but did reach the finals by placing in the event Friday.

Poor officiating in the special mile relay event knocked the Lions out of a place in the event. The Lion eight man team had pulled into second place and was in position to really challenge the leader who had only a three-yard lead when the officials misplaced the Ozona relay thereby knocking them out of the race even though they did get back to fifth place before the last lap ended.

Despite the weather, the Lions saw some of the top track performers in the country in Joe Villagral, and Eddie Southern, ACC's Bobby Morrow and Bill Woodhouse, S. M. U.'s Bert Holmanson and Duke's Dave Sime.

THREE YEARS OF SALK VACCINE

Just three years ago this April the Salk vaccine was officially pronounced safe and effective and licensed for use by the U. S. Government.

Since then, the polio picture in this country has undergone a radical change. Before the Salk vaccine we struggled with an erratic but mounting series of polio epidemics that reached their peak in 1952 with 57,879 cases.

What, in the meantime, has happened to vaccination?

The first year it was given mainly to grade school children — some 10 million of them. The second year it was made available to young persons up to 20 and expectant mothers, and some 35 million were injected.

A big job done in a remarkably short time.

But not good enough. For Basil O'Connor, president of the National Foundation for Infantile Paralysis, warns us that, with 46 million Americans still unvaccinated, we may still have polio epidemics next summer.

The answer? There is enough vaccine for everybody now, regardless of age. It's painless. It's

OUTDOORS IN TEXAS

It seems like more people worry about having a hunting or fishing accident than they do any other type of accident. Probably because more people hunt and fish.

Twice each year — during hunting and fishing season, that is — wives and mothers begin their worrying program about the accidental death of some loved one in a field or water accident.

Despite all warnings, by the time the year is over, there are some terrible vital statistics.

These statistics stand to be higher in 1958 than for any previous year. The reason is simple. We are entering a boating and fishing season with more water, more boats and more people involved than ever before.

Perhaps a statewide meeting to be held in Austin on May 5, will help save a few lives. At least it will be the beginning of an organized campaign to reduce gun and water accidents in Texas.

At a planning session with top-level outdoorsmen Gov. Price Daniel told of his desire to bring about a safety program to cut to a minimum accidental deaths in outdoor pursuits. Governor Daniel called the meeting with the support of the Sportsmen's Club of Texas.

George Whittington of Amarillo, president of the National Rifle Association, was made chairman of the program for the May 5 meeting.

NRA has been keeping records on shooting accidents for many years and has some very interesting figures. For instance 46 per cent of the shooting accidents are caused by persons under 20 years of age. The group from 20 to 50, however, run a close second with 44 per cent.

More than half of these shooting accidents resulted from unintentional discharges — the "empty" gun. Stumbling while carrying a gun tops the list. Triggers caught

on brush are responsible for 6 per cent of these unintentional accidents.

Another interesting statistics is that 58 per cent of the cases were from shotgun shooting, at small game and land birds.

Few Americans will Disagree with President Eisenhower's opinion that the Red's demand for an end to nuclear testing (now that they've ended their series) is "a gimmick" and not "to be taken seriously." But, at the same time, the President expressed hope for "a constructive summit meeting" — a device that increasing numbers of his fellow citizens consider a gimmick that must not be taken seriously.

WORTH — Fed beefs gain in very small supply. Worth, and prices were 30 cents higher on grain. Cows were also strong, spots above the low class. Bulls were steady. Calf calves were strong to 50 higher. Stockers were very strong prices, some yearlings scaling \$48 getting to \$30. Low choice fed steers and

yearlings drew \$25 to \$29.50, lower grades sold from \$17 to \$25. Fat cows drew \$17 to \$20.50. Cannons and cutters sold from \$13 to \$17. Bulls were reported at \$15 to \$20.

Good and choice fat calves drew \$28 to \$28.50, while plain and medium grades sold from \$17.50 to \$25. Rannies sold from \$14 to \$17. Stocker steer calves of good grades sold from \$25 to \$30, and choice kinds were scarce. Good and choice yearlings sold from \$25 to \$30.

Lambs Find Strong Market, Springers Scarce

Old crop yearlings lambs made up more than three-quarters of the receipts at Fort Worth Monday and Spring lambs were a scant 20% of the run. Trade was active and prices strong from the start. The run again contained sizable numbers of medium and lower grades, which continued to sell exceptionally well.

Good and choice Spring lambs

sold at \$23.50, and some cull to medium kinds sold from \$18 to \$23. Good and choice old crop shorn lambs with No. 1 or Fall shorn pelts cashed at \$21 to \$21.50, and more recently shorn kinds sold from \$20 to \$21. A few lots of medium to fair stocker old crops sold from \$18 to \$19.

Slaughter ewes ranged from \$10 to \$11. Aged wethers were listed at \$15 to \$16, and two-year-old muttons at \$17 to \$18. Aged bucks sold from \$9 to \$9.50. A few slaughter goats sold from \$7 to \$7.50.

Livestock Trend In Texas Is Reversed; Decrease Is Halted

College Station—Adequate rainfall along with more favorable prices has halted the downward trend in livestock numbers in Texas, according to Alvin Wooten, extension economist.

All livestock and poultry on farms and ranches were valued at \$983 million at the beginning of the year, or 58 percent above the \$623 million inventory value a year earlier, points out Wooten. This sharp increase in value is a reflection of both the increased prices and numbers.

The total number of cattle and calves on Texas farms and ranches January 1, 1958, was estimated at 7.7 million head, says the economist. This is the same as a year earlier but 9 percent below the 1947-56 average of 8.5 million head.

The number of sheep on the same date was estimated at 4.7 million head — a five percent increase over a year earlier. This is the first significant increase in inventory in a number of years. In spite of a much smaller lamb crop, the number of ewe lambs held was 30 percent above a year earlier.

There was an estimated 908,000 hogs on Texas farms on January 1, 1958, says Wooten. This was four

percent below last year and 75 percent below the 1947-56 average. The higher prices for beef at retail should give some strength to hog prices in the fall of 1958 and keep them from falling to an abnormally low level, he adds.

Goat numbers have been increasing steadily. This year's inventory showed an estimated 2.8 million head — a two percent increase over 1957.

On a nationwide basis, cattle numbers showed a decrease of one percent, sheep increased three percent, and hogs were about the same though the number of sows and gilts on farms were up about five five percent.

The News Reel

A re-run of "The Ozona Story" as gleaned from the files of The Ozona Stockman

From the Stockman, April 11, 1929

The two main streets of Ozona will be paved from one edge of town to the other if a plan suggested this week by Scott Peters is carried out. Mr. Peters placed his ideas before the Commissioners Court and received that body's endorsement. Mr. Peters suggested state aid be sought on the Old Spanish Trail and that property owners and the county share cost of paving the north and south street.

Sam Horton, nightwatchman for Smith Bros. Construction Co. pipeline camp west of Ozona was released under \$1,000 bond Tuesday in connection with the shooting Monday night of John Darnell, pipeline worker at the camp. The shooting followed an alleged disturbance in the camp in which Darnell and a group of men and women are said to have been taking part.

Mrs. Paul Hallcomb underwent an operation for appendicitis in a San Angelo hospital Saturday.

John R. Bailey and W. W. West were re-elected to membership on the school board in a quiet election here Saturday. Mr. Bailey is president of the board.

Seventeen Ozona Boy Scouts, members of Troop 53, will go to Sonora Friday night to participate in a district Scout meet. Entered in the various Scout contests are the following Ozona Scouts: Knot

tying, B. B. Ingham, Phillip Childress, Joe Sellar Pierce; first aid, Billy Baggett, Roger Serafin and John Whitley; Morse code, Joe Friend, Massie Ray Smith and Batts Friend; semaphore, P. L. Childress, Jr., Woodrow Wilson, Miller Robison and Morris Miller; Bugling, Joe Friend and George Victor Montgomery; harmonica, Raymond Swinney and Dennis Coates.

The Merry Madcaps will be in Ozona all next week with a stock company of thirty people.

Miss Kathryn Baggett of Ozona is a member of the Girls Debate Team of Southwestern University Georgetown.

Mr. and Mrs. P. L. Childress and children left Friday for San Antonio to witness the Passion Play.

Thelma Louise Turner, month old daughter of Mr. and Mrs. W. A. Turner of Ozona died last Thursday following an attack of whooping cough pneumonia.

J. R. Yarborough, who was arrested in San Angelo the first of the week in connection with the theft of a 500-barrel tank from the World Oil Co. well on the Shannon ranch, was placed in Crockett county jail by Sheriff W. S. Willis.

Early Baggett of Ozona became a director of the Guaranty State Bank and the Texas Wool & Mohair Co. this week by action of directors of the two concerns. He assumes the place made vacant by the recent death of R. C. Ferguson.

Cadillac

When Distance Is Always Tempting!

Take a new Cadillac—point its hood toward some distant destination—and watch what happens!

We would be willing to wager that day's end would find you far closer to journey's end than you could ever have imagined!

We say this because we know how wonderful the miles are when they pass beneath the wheels of a new Cadillac—and how tempting distance is when seen through the windshield of the "car of cars".

First of all, imagine how comfortable and rested you would be! The seat-cushions are soft and deep and perfectly contoured. The steering wheel is ideally positioned . . . and the car is wonderfully spacious.

Then consider how easy the car is to handle! It is incredibly agile and responsive—and wonderfully smooth and level of ride. In fact, if you have selected the extra-cost option of Cadillac's air suspension, you can scarcely detect the presence of the road.

And think of your pride and contentment! The very knowledge that your motor car is so highly admired and so widely respected adds its own reward to each and every mile.

You ought to try it soon. Your dealer will be happy to explain the virtues of Fleetwood coachcrafting—and to give you the facts on every model, including the exclusive Eldorado Brougham.

QUESTION OF THE WEEK

By Alma Ingham

Do you think too much emphasis is placed on extra curricular activities?

Mr. Harlan — absolutely and without reservation!
 Mary Jo — definitely, and positively yes.
 Johnny J. — I wouldn't know. I'm only a dumb athlete out for all sports.

Genelle C. — After being a rah! rah! girl, I should stand on the 5th amendment, but the answer is "yes".

Diane P. — Yes, but I don't want to see anything done about it.

Anne D. — No, we need extra activities, because sports events always bring out of town boys to Ozona.

Rod F. — There is too much emphasis placed on outside activities. The day isn't long enough to go to school and keep up with outside activities.

Jake Y. — No, nobody is extra busy. Jake Y. — No, nobody is forced to take part in extra curricular activities. They can go only to school if they want to.

Miss North — I'm all for them. The more you tire the students out — the more books they want to read.

Weldon D. — I refuse to comment myself.

Mr. Peltz — No, but not for the obvious reason — I desire to go on record as being diametrically opposed to our English department's theories as expressed by Vernon (sports nauseate me) Harlan, B. S., M. A. and B. I. T. E. (Besides, I tire easily)!

Linda M. — We need more activities for boys.

Ronald — Yes, too much!

Sally B. — Extra activities are good because we know if the boys are not at the gym or track field they're bound to be at the pool hall.

Dickie F. — Yes, entirely too much emphasis is placed on extra curricular activities.

Allene Y. — Definitely yes! But I hope they don't do away

with them.

Mr. Moody — Possibly so in some places.

Camille A. — Too much is placed on the fact that it is over-emphasized.

MOUSIE NEWS

Well, this week is six weeks test week and everyone is studying hard. I don't know what I'm gonna write cause people are just runnin' around griping and never doin' anything writable. Kids think they are so busy and yet, they aren't doin' a thing! So until there is somethin' to write about — be sure and buy a annual!

THOUGHT FOR THE WEEK

Do I treat my friends better than I do myself?

"COMIN' 'N' GOIN' "

By Barbara Barbee

Our Easter Holidays were the last for this year. They were a lot of fun, though, even if we do have six weeks exams this week.

Alleane and Rod, Roy Neil and Sandra W., Camille and Joe C., Alma and Bill B, were all seen at the show Thursday night.

Friday night was the dance honoring the Seniors. They had a very large crowd and quite a few of the kids were from out of town. Some of the dates that night were B. B. I. and Judy Dorsey, Alleane and Royal Caswell, Joe Mc and Susan Cave, Bill M., and Glenda F., Joe and Janet M., Pierce M. and Nonie C., Roy Neil and Susan Brown, Alma I. and Tommy Owens, Rod and Mary J. David Garver and Molly Sue R., and Curtis Letgett and Becky D. They all had a wonderful time. A lot of the ranch boys came back to town Monday afternoon with blood all over their clothes. They had been marking lambs and working sheep. Of course their fathers

were glad we had the four days for Easter.

This week is the district volleyball tourney and the district track meet. Everyone is invited to attend.

SENIORS!

Who shall we preview this week? Looking around, I found Minnie Delgado and asked her a few questions. She was born in Ozona, Texas, April 24, 1940. Of course she has attended all of her school here. Minnie is the daughter of Mr. and Mrs. Juan Delgado, has dark brown hair, brown eyes, and is 5 feet 8 inches tall.

Fried chicken and lemon creme pie are her favorites when it comes to eating. I must say she has good taste!

Minnie does not plan to go to college but is planning to work. We are sure she will probably remain as a very capable hand at the Silver Spur Motel.

Being a very busy girl, her activities include two years in the choral club, 4 years of volleyball, and F. H. A. Minnie likes all sports

but likes to watch football and play volleyball.

Her favorite subjects are short-hand and English. She makes good grades in all her subjects. Good luck, Minnie!!

Dartha Dee Melton was born in Olney, Illinois, February 27, 1940. She moved from Illinois to Snyder in 1949 and then moved to Ozona in 1953. Although she didn't attend all of school here, she has attended all of high school here. Our little "northern gal" seems to like people from the South!!

Dartha has blue eyes, blonde hair, and is 5 feet 4 inches tall. She is the daughter of Mr. and Mrs. J. B. Melton.

Dartha is also quite busy. She was in the Junior play, Senior play, One Act play, F. H. A. for three years, annual staff, choral club 4 years, volleyball 2 years, speech club, press club, and Junior class reporter. As you can see she doesn't have very much spare time.

When it comes to sports, she likes them all and doesn't have a favorite. Dartha's favorite subjects are (Continued On Page 6)

also, shorthand and English. Speaking of shorthand, she is very good in it.

After graduation and summer, Dertha is going to McMurry and major in English. Look out, Mr. Harlan!

Food — her specials are Mexican food and pecan pie.

Bobby Vargas is our male subject this week. He is quite an athlete and likes sports "extra" well. Having played on the basketball team four years, he made all-district this year and was placed on the all-tournament team at our tournament. Also Bobby does very well in track. Bobby was individual high point man at our own track meet. He usually places in all the meets he takes part in. As you can see, basketball and track are his favorites.

Subjects — his specials are book-keeping and typing. Since these are his favorite subjects, Bobby plans to go to A. C. C. and major in business.

Born November 14, 1939, in Ozona, Bobby has attended most of his school here. He is 5 feet 8 1/2 inches tall, has black hair, and light brown eyes. His parents are Mr. and Mrs. Felipe Vargas of Ozona.

Like all boys, Bobby likes to eat. Fried chicken and lemon or cherry pie are always tops on his list.

INTERSCHOLASTIC LEAGUE

By Camille Adams

Last Tuesday a group of high students went to Eldorado for the Interscholastic League meet.

Genelle won first in extemporaneous speakin'. She is a very good speaker, and we are all proud of her. Joe Clayton was placed second in boy's extemp.

In typing and shorthand two people placed. Golda Goodman was fifth place in typing, and Delma Martinez was third in shorthand. Those are both hard events and they did well.

We haven't heard about ready writing yet. The papers had to be sent to San Angelo to be judged. There are great hopes for Joe C. and Jim B.

There are two smart boys in school, and that's for sure. Roy

Neil Killingsworth and Johnny Jones won first and second respectively in number sense.

Even if everyone didn't win, we came home happy. It was a good trip and everyone enjoyed it.

STUDENT COUNCIL NOMINATIONS

Nominations have been made for the Student Council officers and representatives for the school year of 1958-1959. A rally will be held Friday, April 11, at 9:25. Candidates will give speeches. Campaign managers are the seniors.

Nominated from all the classes are: Junior — Marilee Dale, Diane Phillips, Johnny Cooper, and Bobby Sutton; Sophomores — Sally Baggett, June Bunger, Johnny Jones and Pierce Miller; Freshmen — Sandra Ratliff, Anne Davidson, Art Kyle, and Buddy Anderson; Eight grade — Janet North, Dee Woodall Billy Jacoby, and Johnny Childress.

Annual Ram Progeny Test Field Day April 16 At Experiment Station

SONORA, Texas — Some of the sheep industry's top authorities will participate in the annual Ram Progeny Performance Field Day of the Texas Agricultural Experiment Station at Sonora Wednesday, April 16.

A tour of the ram performance pens will begin the program at 9 a. m., said Dr. W. T. Hardy, station superintendent, with the main program beginning at 10:30. The speakers will make short and informative talks which will include many phases of sheep management and production.

Miles Pierce, a widely known sheep breeder at Alpine will discuss the "Rambouillet Registry of Merit"; T. A. Kincaid of Ozona and president of the Texas Sheep and Goat Raisers Association, will tell of the association's program; J. A. Gray of San Angelo will present the Sheep Selection Program of the Texas Agricultural Extension Service; and R. L. Holland of the Texas A. and M. College's Department of Agricultural Economics and Sociology will discuss the "Revolutionary Changes in Wool Marketing".

Dr. T. D. Watkins, who heads up sheep and wool research for the Texas Agricultural Experiment Station, will outline "Considerations of New Factors in Selection of Sheep"; Leo B. Merrill of the Sonora station will describe "Combination of Livestock in Sheep Production"; Dr. C. W. Livingston, a veterinarian at the Sonora station will discuss "Urinary Calculi in Sheep"; Fred Campbell, in charge of ram performance at the station will discuss records of the current ram test and Stanley P. Davis who operates the wool laboratory at Texas A. and M. College will discuss and demonstrate the New Mexico fleece - squeeze machine.

Dr. O. D. Butler, head of Texas A. and M.'s Department of Animal Husbandry will be master of ceremonies and Dr. Hardy will welcome the guests and introduce cooperators in the ram performance test. Lunch will be served by the Sutton County 4-H Club.

and another sprinter yet to be named will be expected to rate second place.

Bobby Vargas, who copped high point honors here in the Lions invitational meet early in the season, will carry the Lions hopes in the high jump and the broad jump. Vargas got 21' 6" here at the invitational meet but has not approached that since.

David Sikes and Ronnie Paulk will be favored to cop two places in the Pole vault as Sikes in particular has shown rapid improvement this year. David cleared 11 feet 3 inches last week in Big Springs and such a leap this week might get a first place even though in Smith the Junction crew has one of the area's best pole vaulters.

If points in the 440, and 880 and mile relay can be divided among other teams and the Lions can get a point or two in the mile and mile relay and all the Lion favorites come through then there could be an upset but it is doubtful indeed.
