LET THE FULL CONGRESS DECIDE

The House Ways and Means Committee has a rare opportunity for public service of great magnitude. It can achieve this distinction by making it possible for the Congress to vote on the most critical domestic problem facing America today — the need for income tax rate reform.

The legislative instrument that could very well bring the cry of economic well-being — the Sadlak-Herlong identical bills — has been before the Committee for 13 months. The measure needs only to be sent to the floor of the House and thence to Senate to enable the members of both to register their views as the representatives of their constituencies.

These bills deserve this consideration because their merit has already been fully documented in the month-long Ways and Means Committee hearings. The highlight of this searching public probe of our tax laws was the enthusiastic endorsement given the bills by a large majority of witnesses who testified on general tax reduction.

This popularity is easy to understand when you consider that the bills' supporters demonstrated that

prompt enactment would provide a sure means of stimulating recovery and bringing solid, non-inflationary economic growth.

In view of the irrevocable hearing record attesting to the sound and realistic nature of these bills, it seems to us that official attitudes on tax cuts should be adjusted to encourage a full Congressional vote on this vital income tax rate reform legislation which might well be called the "Job-Creation Act of 1958."

There cannot be an acceptably conclusive decision until the people, through their legislative representatives, have had a chance to be heard.

Certainly, this is not too much to expect.

SENATOR JOHN KENNEDY— fair-haired sophomore Senator from Massachusetts and hostage of Labor's Walter Reuther, is upset. He thinks his effort to broaden the \$3.7 billion foreign aid bill so we can give handouts to Red satellite countries as well as our friends is being sabotaged by the President. On the other hand, the President has said he is all for the idea, but wants separate legislation for the purpose. Best out is to kill foreign aid completely, save nearly \$4 billion needed to beef up defense.

GEN. CHARLES DE GAULLE, a devil incarnate or a Joan of Arc in a high collar, depending on your viewpoint, will take over France, it seems, because there's no one else who can. But the West fears for the fate of NATO — which is just as well if it causes a reappraisal. Brig. Gen. Bonner Fellers, national director of For America, says the Reds can overrun and destroy Europe despite NATO that "world peace today rests entirely on the American Strategic Air Force." We quote from his latest booklet "Survival," which has been sent to your Congressman. Ask him to read it.

Summer Season Gets Cattle Sales To Normal

FORT WORTH — The livestock business all across the United States swung into a normal marketing pattern for the first time this year, with the opening of the summer marketing season and the start of June.

In the previous five months of 1958 below normal numbers of cattle and calves have been sold, and this has resulted in some warnings from government statisticians. These experts feared the buildup in cattle numbers was being too rapid, and warned that the light selling was kitting prices which might later result in an unduly sharp downward adjustment.

However, with the summer sun hastening the harvest all over the southern parts of the Great Plains, and field work advancing in the Cornbelt, cattle numbers at the markets soared to surpass the previous week and also the same interval a year earlier.

Cows were still in small numbers at all markets, however, yearling steers and feeder heifers were numerous in stocker cattle centers. Cornbelt markets reported movement of finished cattle was heavy, indicating the heaviest out-movement of fat steers and heifers of the season.

Prices wavered at all points, but downward adjustments were no more than a normal seasonal dip in prices, according to most observers at Fort Worth. The likelihood of serious price impairment was considered still remote.

Talk of "high" cattle prices found little agreement among Fort Worth marketmen, who pointed out that livestock prices have been just "catching up with" the rest of the economy following the low prices during the late drought.

Trade Monday Generally Steady, Stockers Numerous

About 65% of the cattle and calves at Fort Worth Monday were stockers and feeders, and all cattle and calves changed hands at pri-

ces in line with the previous week's close.

Good and choice fed steers and yearlings cashed at \$23 to \$27.50, with young cattle at the higher figures, and fed steers largely from \$26.25 downward. Medium to good butcher kinds sold from \$18 to \$22, and commoner sorts ranged down to \$15.

Fat cows cashed at \$16.50 to \$20.50, while canners and cutters drew \$12 to \$16.50. Bulls sold from \$15.50 to \$21.50.

Good and choice slaughter calves bulked at \$23 to \$27, with odd head to \$27.50. Common and medium butcher calves drew \$16.50 to \$22, and culls sold from \$13 to \$16.50.

Medium to good stocker steer calves sold from \$22 to \$28, a few lightweights to \$30. Stocker steer yearlings of medium and good kinds sold from \$21 to \$26, and heifer calves sold from \$25 down, with heifer yearlings from \$22 downward. Medium and good stocker cows cashed at \$16.50 to \$19.50.

Sheep, Lambs Firm, But Hot Weather Hurts Quality
The recent high temperatures which have turned much of the sheep country pastures brown is

taking its toll of the bloom in the present crop of sheep and lambs. This development has been quite noticeable in the quality of the offerings in the several days at Fort Worth.

On Monday the trade was active and prices strong, compared to the previous week's close.

Good and choice slaughter spring lambs cashed at \$21 to \$22.50, and cull to medium springers sold from \$12 to \$20. Stocker and feeder spring lambs cashed at \$18 to \$20. Good and choice old crop lambs sold from \$17 to \$17.50, and some heaves sold around \$16. Cull to medium yearlings sold from \$12 to \$15. Yearlings ewes drew \$17 to \$19.

Ag'd wethers were reported from \$12.50 downward, and two-year-old wethers sold from \$14 downward. Slaughter ewes cashed

at \$6.50 to \$7.50. Ag'd ewes \$6 to \$6.50. A few milk ewes sold at \$13 to \$14, with open mouths on down to \$10. Canner goats sold around \$7, and some stocker goats back to pasture at \$6.

Frontier News Flashes

Department of Journalism & Graphic Arts
University of Texas

June 14, 1858 — Clipping of Texas newspapers of 1858.

— A court house is about being built at Belton, which will cost about thirteen thousand dollars.

— A man Herald, of the 19th ward of Wood county is in good health.

— The paper also says, for there has hardly been a home in Texas.

— From the Bonham Independent that the rust is doing damage to the oat crop in sections of Washington

— Person Gazette of the 29th ward the discovery of the upper portion of Cassich has created considerable interest in that region.

— Numbers of sheep are being raised in Northern Texas and to the New Orleans where they are sold ready for four to five dollars a head.

— From the Pioneer that in Freestone county are growing to the excessive heat and rye look tolerable but the oat crop it is an entire failure.

— Persons, it is stated have been killed by the Indians

about twenty five miles from Weatherford, Parker county. On Keeche Creek in that county, the people are building forts for protection.

— A large drove of sheep, numbering 1200, passed through town yesterday. They were purchased in Mexico, at one dollar per head, we were told; we did not learn their destination.

— In a letter received by Geo. W. Glascock, Esq., from the Assessor of Williamson county, we find the following interesting statistics:

— Number of acres planted in corn, 10,908; number of acres planted in Wheat, 10,278; number of acres planted in Cotton, 1,208; number of acres planted in Other things, 983.

— Seems there is no fear of starvation. All we now need is capital to build railroads, which a large emigration will certainly furnish.

— LOCKJAW — It is well known that this is one of the most dreadful and painful complaints that flesh is heir to, and frequently baffles the power of medical men to cure. It may be produced in various ways, but most frequently by running nails into the feet.

— ADVERTISING — Baylor University Law Department Professors: Hon. R. T. Wheeler, Hon. R. E. B. Baylor, Hon. W. P.

Rogers, Hon. John Sayles.

The exercises in this department will be resumed on the 3rd Monday in June. The course of instruction is designed to give a thorough and practical legal education, and especially, by means of daily Moot Courts, to qualify the student for the practice of his profession in the courts of this state.

The students are required to furnish themselves with the following books: Blackstone's Commentaries, Kent's Commentaries, Stephens on Pleading, Greenleaf on evidence, Vol. 1st, Farson's Story or Chitty on Contracts. No previous professional reading or proficiency in classical literature is required for admission.

The tuition fee is forty two dollars for a session of three months, one half in advance.

Board in private families can be obtained at twelve dollars per month.

Independence, Texas May 3, 1858.

For further particulars address Hon. R. T. Wheeler, or President R. C. Burkson, Independence, Texas.

— Ronnie Smith, son of Mr. and Mrs. J. Neil Smith of Kansas City, is here for a visit with Mr. and Mrs. Pleas Childress and family. He will visit here until Mr. and Mrs. Childress and children go to Kansas City for the June 20 debut of Mr. Childress' niece, Miss Melissa Childress Smith. Melissa, often an Ozona visitor, is one of sixteen Kansas City young ladies who will be presented at the debutantes' Jewel Ball on June 20.

— Miss Sarah Lee Chandler of San Angelo is here for a visit with her cousin, Miss Suzy Chandler.

— Mr. and Mrs. R. L. Bland, Sr., of Abilene were here last week to visit Dr. and Mrs. H. B. Tandy and Mr. and Mrs. R. L. Bland, Jr. Miss Frances Sayles of Abilene, who accompanied the Blands, remained for a further visit in the Tandy home and on the Wayne E. West ranch.

TO OUR FRIENDS AND CUSTOMERS

It is with a feeling of regret that we leave the business life of Ozona after ten years in the service of our friends and customers here. We have enjoyed growing with Ozona.

The Wesley Sawyer Jewelry becomes the Caruthers Jewelry this week with sale of the business to Mrs. Abe Caruthers.

As we turn over the business to Mrs. Caruthers, we wish to express our deepest appreciation to the good people of Ozona and surrounding territory for the splendid business you have given us and for the many pleasant relations we have had.

We feel confident that the new management will serve your needs in every way and it is our hope that you will accord Mrs. Caruthers the same fine cooperation and patronage we have enjoyed.

Sincerely,
WESLEY SAWYER

Let me tell you what I saved when I drove a new Plymouth...then bought one!

Just like a lot of other people, I was putting off buying a new car... even though we sure needed one. Then I found out what my Plymouth dealer was offering in the way of low prices and really big trades.

Mister, when I saw what I saved I knew there was no use putting off any longer! Got more for my old car than I believed possible. (Plymouth dealers need used cars and can sell all they get!) Got a terrifically low price on the new Plymouth... and choice of models besides... hardtops, sedans, convertibles, wagons.

And I saved a cool \$140 on the ride alone! Plymouth's top-luxury ride, Torcion-Aire Ride, is standard at no extra

cost, while you have to pay up to \$140 for the top ride of competing "low-price 3" cars.

What's more, I got the car that proved it can save me gasoline, by winning the 1958 Mobilgas Economy Run. A car with Silver Dart Styling that is so far ahead right now it will still be worth more when I trade. With the kind of easy handling that makes every minute of driving a downright thrill! The stamina to stand up without nagging adjustments and big repairs... a car as much better built as it is better looking!

Any wonder I quit waiting? Take my tip... get your Plymouth bargain right now.

Today's best buy...tomorrow's best trade...

The News Reel

A re-run of "The Ozona Story" as gleaned from the files of The Ozona Stockman

From The Stockman, June 13, 1929

The University Land Leasing Board, created by the 41st legislature was in session in Austin Friday discussing plans for the surveying of approximately 2,000,000 acres of University lands in West Texas.

Frank F. Friend of Ozona was employed as surveyor. He was selected out of a group of 17 applicants. A geologist is also to be employed by the board.

Royce O. Smith, son of Mr. and Mrs. O. W. Smith, of Ozona, and Miss Lula Mae Evans, daughter of Mr. and Mrs. R. A. Evans of Eldorado, a teacher in the Ozona schools last year, were married at 10:30 Saturday morning at the Baptist Church in Eldorado.

West Texas largest individual wool clip, held over from the 1928 season, has been sold for 33 1/2 cents a pound by W. A. (Bill) Miers to Joe Blakeney of San Angelo, representing Hollowell, Jones & Donald of Boston. The clip aggregated 195,000 pounds. Miers refused 45 cents a pound for the clip last year.

Miss Ena Meinecke is home for the summer holidays after attending Abilene Christian College last year.

Mr. and Mrs. S. E. Couch returned Sunday from their first cross-country flight in the new Ryan Brougham monoplane. They had spent the week in Los Angeles, Calif., where they attended the convention of Shriners. The trip from here to Los Angeles, a distance of 1200 miles, was made in 10 hours and 15 minutes, the return trip taking 20 minutes longer.

Preparations are being made here to entertain more than 10,000 visitors during the three-day 4th annual Crockett County Rodeo, Race Meet and Stock show July 3, 4, and 5.

Mrs. Ethel Lee Hurd of Dublin is the guest of Mr. and Mrs. T. A. Kincaid, Jr.

A deal involving a two-year lease on 8,000 acres of land in Crockett county and approximately 3,600 head of sheep was closed here this week when Sherman Taylor purchased the lease on the Shannon land in the northwest part of the county and all of the sheep

on the place from Chas. Schauer. Total consideration in the deal was \$34,000. Included in the sale were 1,900 head of ewes, 1,700 head of lambs and 49 bucks.

Miss Pauline Perner returned Wednesday from St. Charles, Mo., where she attended Lindenwood College last year.

Mr. and Mrs. B. B. Ingham have returned from a visit in Fort Worth and Cisco. Misses Eleanor and Lucille Ingham came home with them from S. M. U. and T. C. U. respectively.

Scott Peters returned Friday from Los Angeles, Calif., where he attended the Shrine convention.

The Westex Service and Repair Station, established by Allen McKinney and Bruce Galyon, will open for business next Monday morning.

Cal Word and daughter, Miss Ada Word, left Saturday for San SF.

Marcos where Miss Ada will attend summer school at San Marcos Academy.

Mrs. A. W. Clayton and son, Joe, have returned to San Angelo after a visit here with Mr. and Mrs. J. W. Henderson, Sr., and other relatives.

Miss Helen Montgomery has returned from San Antonio where she attended Westmoreland College.

Mrs. Charles Williams and children and Miss Elizabeth Fussell have returned from a visit in Corpus Christi and San Antonio.

TEST ABANDONED AS DRY Gulf Oil Corp. No. 1 Minnie Henderson, et al, outpost to Clayton Ranch gas field, 10 miles east-southeast of Ozona has been plugged and abandoned at 9,200 feet, on elevation of 2,471 feet.

Location is 660 feet from the north and east lines of 17-IJ-GC& Ada Word, left Saturday for San SF.

SON TO MONTGOMERYS

Mr. and Mrs. Tom Ed Montgomery are the parents of a son born Saturday night in the Crockett County Hospital. The baby named Jim Larkin Montgomery, weighed 6 1/2 pounds at birth. The Montgomerys have one other child, a son, Clay. Grandparents are Mr. and Mrs. George Montgomery of Ozona and Mr. and Mrs. Cotton Griffin of Anna, Texas.

MOSS-McDONALD RITES

Announcement has been made of the marriage plans of Miss Sandra Lee Moss, daughter of Mr. and Mrs. Richard Lee Moss of Refugio, Texas, and Donald Bryan McDonald, son of Mr. and Mrs. Bryan McDonald of Canyon, Texas, former Ozonans.

The wedding will be Friday evening, June 27, in Our Lady of Es-

trance Church in Refugio. The ceremony will follow the usual custom in the club room of the hotel. Dr. and Mrs. Max... here from Dallas last... visit with Dr. Word's... and Mrs. Taylor West... Mr. and Mrs. Johnny... returned from a vacation... Buldoso, N. M.

COMPARE AND YOU'LL GO GAS EVERY TIME

In Performance... In Economy
A Built-in Gas Range Offers You So Much More for So Much Less

No matter how great the skill at connecting recipes, finished results won't be better than the cooking appliance used. That's why you owe it to your family to find out all the facts on how a built-in GAS range with completely automatic controls takes over the mechanics of cooking, leaving you free to enjoy the imaginative part of your cooking job! You'll find Gas the FAST fuel... the CLEAN fuel... the FLEXIBLE fuel... the DEPENDABLE fuel! And we think you'll be delighted to discover that your Gas range costs less to buy, install, and operate. We have all the facts for you... or you can get them from your gas appliance dealer.

The burner-with-A-brain makes GAS range-top cooking completely care-free. Eliminates hot-overs, turns every pan into an automatic steamer.

The most accurate thermostat yet devised assures perfect baking results in a self-starting, self-stopping automatic GAS oven.

The exact thermometer in an automatic GAS oven lets you cook turkey, ham, roasts to tender perfection... with less discharge, more flavor.

Closed-door broiling is available only when cooking with GAS—because only the flame can burn through cooking vapors which cause odor.

Mrs. James Cameron Urquhart
... nee Patricia Ann Austin

Miss Patricia Ann Austin Becomes Bride Of James Cameron Urquhart In Fort Worth Rites

The sanctuary of the First Methodist Church of Fort Worth was the scene of the wedding of Miss Patricia Ann Austin and James Cameron Urquhart Tuesday night, June 10, at 8:30 o'clock.

The bride is the daughter of Mr. and Mrs. Robert Edward Austin of Fort Worth and is a granddaughter of Mrs. J. R. Kersey of Ozona. The groom is the son of Mr. and Mrs. Donald C. Urquhart of Tela, Honduras.

The ceremony was performed by the Rev. Gaston Foote, pastor. Mrs. Robert E. Austin, Jr., of Fort Worth, sister-in-law of the bride, attended as matron of honor. Bridesmaids were Mrs. Forrest Green, Jr., of Galveston, cousin of the bride, and Mrs. Arthur Frank Click of Houston.

James Leslie Spencer of Arlington attended the groom as best man. Groomsmen were Roy McDermott of Fort Worth and Robert E. Austin, Jr., brother of the bride, also of Fort Worth. Ushers were Grant Dove of Arlington, John Fortune of Fort Worth, Lt. James Willis Austin, USN, brother of the bride, and lighting the candles was Harry Thomas Austin of Ft. Worth, brother of the bride. Flower girl was Catherine Lou Austin, Ft. Worth, niece of the bride, and ring bearer was Gary Lynn Austin, Ft. Worth, her nephew.

The bride's gown was of white gossamer hand-clipped chantilly lace over taffeta. The self-scalloped lace formed the Sabrina neckline that was enlaced with tracings of seed pearls. The long

tapered sleeves were scalloped at the points over the hands. Seed pearls were repeated at the hipline. The very bouffant skirt was scalloped at the hemline, falling into a deep shirred back flounce that formed the cathedral length peacock train.

The four-tiered veil of French illusion fell from a shell cap of matching lace edged in taffeta and repeated the pearls embroidery of the dress.

Her attendants wore identical frocks of maize silk chiffon. The shirred bodices were accented by an Empire satin fold ending in a back bow with floating ends. The very bouffant skirts were carpet length. They wore maize flowered halo headdresses with standing circular veils. Their bouquets were of large white majestic daisies.

The father of the bride gave her in marriage at the double ring ceremony.

The reception immediately following the ceremony was held at the Colonial Country Club.

The couple left by air for Las Vegas, Nevada. They will return to live at 2336 Edwin Street in Fort Worth.

The bride attended T. S. C. W. and is a graduate of Ward-Belmont in Nashville, Tennessee, and Southern Methodist University in Dallas. She is a member of Chi Omega Sorority.

The groom is a graduate of Sewanee Military Academy, Sewanee, Tennessee, and Rice Institute in Houston. He is a member of the Steeplechase and Colonial Country Club.

Among the out-of-town guests were: Mr. and Mrs. Thomas Albert Bailey, San Angelo; Mr. and Mrs. James Robert Bailey, San Angelo; Mrs. J. Conn Cunningham, Fort Stockton; Lt. James Willis Austin (USN), San Diego, Calif., brother of the bride and John Forrest Green III, Galveston, Texas, cousin of the bride.

MAN OR WOMAN — to take over route of established customers in Ozona. Weekly profits of \$50.00 or more at start possible. No car or other investment necessary. Will help you get started. Write C. R. Ruble, Dept. 6-2, The J. R. Watkins Company, Memphis 2, Tenn.

Realignment Of GOC Made Possible by Radar Detection Expansions

Ground Observer Corps activities within the geographical area of the 33rd Air Defense Division were consolidated on June 3, 1958, according to an announcement made by Colonel John T. Fitzwater, Commander of the 33rd Air Division.

Colonel Fitzwater, who has his Division Command Post at Oklahoma City, is responsible for the active air defense of Texas, Oklahoma and part of Arkansas and Louisiana.

"As a direct result of advancement in our radar detection capability, it is now operationally and economically desirable to consolidate our Ground Observer Corps activities under four Filter Centers," Colonel Fitzwater said.

The Filter Centers at Houston and Corpus Christi will close while the Filter Centers at Shreveport, San Antonio, Dallas and Oklahoma City will continue to operate. All Ground Observer Corps Posts will continue to operate as in the past, except that Posts in certain areas will report to a different Filter Center than the one they are presently reporting to.

Ground Observer Corps Posts in the present Corpus Christi Filter Center area and the western one-third of the Houston Filter Center area will report to the Shreveport Filter Center.

Minor portions of the Dallas and Oklahoma City Filter Center areas will be realigned to further improve the flow of information from the Posts to the Filter Centers.

The closing of the Houston and Corpus Christi Filter Centers and the change in the geographical areas of others is an economical move on the part of the Air Force, Colonel Fitzwater said. It is made possible by the changes and advancements in our radar detection capability.

A direct result of the consolidation will be that fewer Air Force personnel will be needed to support the Ground Observer program. However, there will be no reduction in the need for Ground Observer Posts or volunteers in the four remaining Filter Center areas. Some additional Posts as well as some additional volunteer Filter Center personnel will be needed in the enlarged San Antonio and Shreveport Filter Center areas.

CARD OF THANKS

We would like to express our sincere "Thanks" to all who were so kind to us in our great loss of our beloved Husband and Father. Especially do we thank Father Howard for his comforting words, each and everybody for the lovely flowers and food. May you have such friends in your hour of sorrow. This is our prayer.
Mrs. Ed Vitale & Family

William Pierce, son of Mr. and Mrs. J. S. Pierce, III, is attending Camp Rio Vista at Ingram for the next five weeks.

INSTALL THE *All Electric* YEAR 'ROUND AIR CONDITIONER

Scientists have known for years that enough natural heat exists in outdoor air, even in the coldest weather, to heat every home in the world. If this heat could be extracted . . . concentrated . . . and brought indoors — what a solution to everyone's heating problem!

But that's just what a summer air conditioner does . . . in reverse. It extracts and concentrates indoor heat and moves it outdoors.

The All Electric Heat Pump Air Conditioner is an air conditioner that can reverse itself automatically to cool or heat as needed to maintain indoor comfort at an even level. An improved reverse-cycle valve, sensitive to indoor temperature changes of even a few degrees, switches from cooling to heating and back again automatically . . . to maintain the comfort level at which you set the thermostat.

COMPLETELY AUTOMATIC
The Electric Heat Pump is completely automatic. During changeable weather, even if it is within the hour, the Heat Pump will switch from heating to cooling and vice versa as the temperature changes require.

You do not need to change the temperature dial, you just set the thermostat for the temperature you desire and forget it. The Electric Heat Pump is the ONLY completely automatic Air Conditioner.

THE OZONA STOCKMAN PRESENTS OUR TEXAS DR SALE

Reading the Family Features Science Monitor, 15, 1958. Newspaper for the time send me my check of 1 year \$18 1/2 3 months \$4.50

ELEVENTH OF FAMILY TO GET SUL ROSS DEGREE Pictured above is Miss Terrelene Oliver, receiving her Bachelor's degree from President Bryan Wildenthal, Sul Ross State College. Eleven degrees have been earned by members of her family, including three Master's and eight Bachelor's degrees. The daughter of Mr. and Mrs. Horace Oliver San Angelo, Texas, Terrelene has perhaps received more academic and institutional honors for high Scholarship and popularity with students and faculty than any other graduate of Sul Ross. All members of the Oliver family have taught in Texas, at one time or another, except Terrelene who has not yet had time to start.

HIGHLIGHTS AND SIDELIGHTS From State Capitol

By Vern Sanford Texas Press Association AUSTIN, Texas — Texas Board for State Hospitals and Special Schools is working toward getting a gold star when an economy-minded Legislature hits Austin next year. Launching a new tight-purse policy, the Board voted to prohibit superintendents of individual state institutions from (1) using leftover funds without Board permission and (2) making any expenditure of more than \$1,000 without Board approval. Sometimes individual hospitals develop surplus funds resulting from smaller patient loads than had been expected, or other reduced costs. New rule puts an end to no-strings-attached spending of such surpluses. These lapsed funds could amount to as much as one million

dollars, according to Board Member W. G. Kirklind of Odessa. Chill Wind — Hospital Board's move pinpointed the spot where the state's money shortage is expected to pinch hardest — administration of state's services. A revenue shortage in excess of \$100,000,000 by next year has been freely predicted by various authorities for months. A survey of the platforms of legislative candidates over the state shows a fairly consistent approach by those making statements on the revenue dilemma. General pattern of promises to voters: (1) Continuation or, often, increase in state obligations for education, welfare payments, road building, soil and water conservation, etc. (2) Opposition to certain new taxes or sometimes new taxes in general. (3) Cuts in state spending by "elimination of waste, duplication and needless services by state agencies." Actual achievement or near-achievement of this fiscal magic will put a real squeeze on every state department. Diesel Tax Change — Proposed

revisions in the diesel fuel tax law are being planned by the State Comptroller's Department.

Next Legislature will be asked to change the law so diesel fuel taxes would be collected from the wholesale distributor rather than the user, said a Department official. This is expected to make it easier for tax agents to keep track of consumption and purchases.

Comptroller's Department staffers admit that there are some evasions of the state motor fuels tax, but contend that Texas collects more per vehicle than any other major state. They discount as too large Sen. Charles Herring's guess that some \$25,000,000 in fuel taxes went uncollected.

Over The Hump — Texas' general revenue fund is back in the black, according to State Comptroller Robert Calvert.

During the spring, state expenditures got ahead of tax receipts. A month ago the fund was in the red by some \$1,250,000. But collection of corporation franchise taxes and insurance company occupation taxes during the month put finances back on schedule.

Now there's more than \$12,000,000 in the fund, said Calvert.

Thinning Ranks — Withdrawal

of Joe Booker of Orange reduced to four the number in the governor's race.

Alvis Vandygriff, Austin attorney, dropped out earlier. Still opposing Gov. Price Daniel are W. Lee O'Daniel, State Sen. Henry B. Gonzalez and Joe Irwin of Dallas.

ROACHES, Moths and other inside pests exterminated. Reasonable prices. Call EX 2-2074.

TAKE A TIME OUT FOR ACID-UPSET STOMACHS. Blomo-Box Popped 3-Times More Effective. Recent laboratory tests show that Blomo-Box, a true antacid, is 3 times more effective for relief of acid-upset stomach than three of the leading brands usually taken. Blomo-Box neutralizes 3 times as much stomach acid as its closest tested competitor — and its action lasts for hours longer! Here again is proof that the exclusive 4-way relay action of Blomo-Box makes it the thing to buy for acid-upset stomach. 89c. OZONA DRUG Gordon Aikman, Pharmacist

Best timesaver ever — the long distance call — it's quicker, easier — and means so much more than writing. How many times have you told yourself that you really should sit down and write a letter to your family? And by the time you actually do, days have gone by! A long distance phone call is easier than writing. It's quicker than writing. And it means so much more than writing. Best of all, long distance calls cost a lot less than you think. Why not put in your call tonight. GENERAL TELEPHONE One of the World's Great Communications Systems CALL LONG DISTANCE TONIGHT — It costs a lot less than you think.

Patrons of the WESLEY SAWYER JEWELRY

ALL ACCOUNTS due the Wesley Saw-ewelry will be payable at the store.

THE BUSINESS is now under the own- and management of Mrs. Abe Car-ers, effective Saturday, June 7.

REMITTANCES mailed or handed in store will be properly credited. We will appreciate your prompt settlement of out-nding accounts so that we may close our. Thank you.

Second Gas Producer Completed In Ingham Gas Field In Crockett

The Ingham (Devonian) gas field of Crockett County gained its second producer and a 3/4-mile east extension with completion of J. E. Jones Drilling Co. of Midland and Blanco Oil Co. of San Antonio No. 1 Jim Scott, 10 miles east of Sheffield.

It was finalized for a calculated absolute open flowing potential of 6,550,000 cubic feet of gas daily through perforations between 7,006-23 feet, 7,028-34 feet and 7,048-56 feet. Gas-liquid ratio was 143,000-1. Gravity of the liquid was 60 degrees.

Location is 2,310 feet from the north line and 1,980 feet from the west line of 2-FFF-TCRR.

The discovery, Jones Drilling Co. No. 1 Ingham, was finalized in November, 1957, for a calculated absolute open flowing potential of 15,000,000 cubic feet of gas daily through perforations between 7,488-548 feet. Gas-liquid ratio was 119,300-1.

SWEET SHOP OPENING

I will open my Sweet Shop in the Williams building, next to the News Mart next Wednesday, June 18.

Home baked sweets, pies, cakes, cookies, pastries, doughnuts, cream puffs, etc., will be available. Special orders executed on advance notice. Owned and operated by Mrs. Bruce Mayfield.

Bracero Problem, Wool Act Extension May Be Topics At TSGRA Meet

The third quarterly meeting of the Texas Sheep & Goat Raisers Association will be held in Del Rio, Saturday, June 14. T. A. Kincaid, Jr., Ozona, TS&GRA president has announced.

Headquarters will be the Roswell Hotel. The Del Rio Chamber of Commerce is handling room reservations, he added. The morning committee meetings will be held at the Del Rio High School building close to the Roswell Hotel. The general session after lunch will be in the Val Verde County Court House.

"The Del Rio meetings are always well attended," Kincaid stated, "and I expect this one to be no exception. Good range conditions and an improving wool and mohair market should be a good combination for getting a large crowd out."

"Report will be made on progress of the wool act extension as well as other legislation," Kincaid added. It is expected that Association officers will want an expression from the directors regarding the course to follow in their efforts to get a worable Mexican National labor program.

Del Rio members have arranged for entertainment on Friday night and a barbecue lunch on Saturday.

Roy Harrell, son of Mr. and Mrs. R. A. Harrell, has returned from

Duke University, in Durham, N. C. where he was a student in the graduate school last year, majoring in romance languages and gov-

ernment. He plans to attend the American University in Washington, D. C., a Methodist Church sponsored University specializing

in the training of youths for the American diplomatic service next year.

Above, new Fleetside pickup. At right, Series 60 medium-duty tractor.

More models with more ways to save!

Chevrolet's got a specialist for every job, starting with the lowest priced popular pickup you can buy and including the new Fleetside, with the biggest capacity of any comparable pickup. There are Step-Van delivery models com-

plete with walk-in bodies. New medium-duty models—some with a new 72-in. cab-to-axle dimension that's tailor-made for tractor-trailer use; others with a new extra-long wheelbase that's ideal for big van bodies. If your job

calls for trucks that are big and tough, consider Chevy's hefty-hauling tandems, the most advanced heavyweights out. A quick call to your Chevrolet dealer can start a Chevy saving on your job right away.
