Board May Contract For Water

Draft To Be Presented At Conference Tonight

of negotiations and red tape may come in the near future the Ozona AF station will get a water supply at the long way for full base.

Attorney Carl Runge, active in preparing a draft for the Air Force water district, will meet with members of County Water Conservation district here tonight to present the final draft whereby the local will drill and equip Chas. E. Davidson pipeline to the radar two miles away and to the base at a station, the cost of which and installation financed by the government over a period of high deductions from charges.

fully negotiated by district and the Air Force to be satisfactory will be presented with explanations by board after signing by Air Force for final approval.

ings having been contract details, it at final approval by will come soon, after instruction will get un-

Two Ozona Students Attend A&M Adjunct Summer Field Course

COLLEGE STATION, Texas — Texas A. and M. College students attending a summer field in civil engineering during the second term of the A. and M. Adjunct include Elden Earl Deland, Jr. and Roberto Ortiz Martinez of Ozona.

A. and M. Adjunct is the site of a summer educational program of A. and M. College and is situated along the Llano River near Junction.

Midnight Fire Destroys Perdue Grocery Store

Stock and Building In North Ozona a Complete Loss

Fire which had gained such headway by the time it was discovered that firemen were powerless to control it, completely gutted the Perdue Grocery store in north Ozona shortly after midnight, last night. The building, too, was almost a total loss.

The fire was discovered by Nightwatchman Elmo Wallace who turned in the alarm. When firemen arrived the interior of the building was an inferno, ablaze throughout the interior.

Mr. and Mrs. Doyle Perdue had purchased the building, fixtures and stock of the former Hughes Grocery just a few months ago and had added several thousands dollars worth of new stock. Loss was estimated at approximately \$18,000 with the loss only partly covered by insurance.

Miss Yvonne Knox To Wed Murray McCain Jr In Ceremony August 30

Mr. and Mrs. Clarence J. Knox announce the engagement and approaching marriage of their daughter, Yvonne, to Murray McCain, Jr., of Crane. He is the son of Mr. and Mrs. Murray McCain, Sr., of Rankin.

The wedding has been set for August 30. Miss Knox is a 1957 graduate of Ozona High School. The bridegroom-to-be is a graduate of Rankin High School. The couple will live in Crane where Mr. McCain is employed with an oil firm.

Phillips Petroleum Seismograph Crew Headquarters Here

Phillips Petroleum Company's Seismograph Party No. 1 is now headquartered in Ozona. Members of the crew have been moving in for the past several weeks and the office was officially transferred here on July 21. The crew is no stranger to Crockett county and Ozona as they have been located in Big Lake for the past four years, and for several months have been driving through Ozona twice a day. The crew's 19 men have, with their families, added a total of 60 people to Ozona's population.

Crew members under the supervision of Party Chief C. W. Conley are: R. M. Williams, C. F. Hinrichs, J. Merrick, J. O. Rice, J. H. Banks, T. S. Etheridge, P. F. Cochran, W. L. Matthews, S. V. McCloskey, D. R. Miller, J. Tucci, and R. R. Corderman. The drilling crew under F. Hulse's supervision are: D. B. Martin, E. E. Wise, G. H. Thompson, O. Mabry, J. Glass, and F. Walden. Also with the crew are C. Clay and W. Korth of the West Texas Drilling Co.

"The crew members wish to thank the people of Ozona for their help in getting located and settled and we hope our stay here will be a long and pleasant one," a spokesman said.

Mrs. W. E. Friend Laid To Rest In Services Here Fri.

Pioneer Resident Died Thursday Morning In Angelo Hospital

Funeral services for Mrs. W. E. Friend, 82, a long time resident of Crockett county until recent years when she made her home in San Angelo, were held at 4 o'clock Friday afternoon from the Ozona Methodist church.

Mrs. Friend died at 9:40 o'clock Thursday morning at the Shannon Hospital in San Angelo.

Services were conducted by the Rev. Morris Bratton, pastor. Burial followed in Cedar Hill Cemetery. Pallbearers were Horace Rees, Alton Holland and P. H. Coates, all of Big Lake; Frank McMullan, Max Schneemann and Houston Smith of Ozona; and Bart Westfall and Bode Owens of Barnhart.

Mrs. Friend, the former Miss Minnie Victoria Wilson, daughter of the late Mr. and Mrs. J. H. Wilson, pioneer Big Lake area ranching couple, was married to the late Mr. Friend on Sept. 27, 1896. They made their home on the ranch between Ozona and Big Lake and in Ozona for many years before moving to San Angelo a few years ago. Mr. Friend died in December of last year and was buried in Cedar Hill Cemetery here.

Mrs. Friend was born Dec. 30, 1875. She was a member of and past Worthy Matron of the Order of the Eastern Star.

Survivors include three sons, J. W. Friend of Fort Davis, W. E. Friend, Jr., of Ozona, and Bill A. Friend of Big Lake; three daughters, Mrs. Hudson Mayes of Ozona, Mrs. Eddie Arnold of San Angelo, and Mrs. W. S. Wood of Fort Stockton; one sister, Mrs. John Young of Ozona; 10 grandchildren and 10 great-grandchildren.

Absentee Voting Begins In Demo Run-Off Primary

One Statewide, One Local Race To Be Decided August 23

Absentee voting has begun in the Democratic run-off primary which will be held August 23.

Crockett county voters will decide the nominee for the post of County Commissioner of Precinct No. 2 and will vote in the one statewide race which was not decided in the July primary. Judge Robert W. Hamilton of Midland, who led in the three-sided race in the first primary, and J. Edwin Smith of Houston will be battling for nomination to the post of associate justice of the Supreme Court, Place 1, on the state level. Judge Hamilton is expected to be favored in the West Texas area as he was in the first primary but lack of interest in the coming run-off and the expected light vote make the odds shorter on either candidate in the statewide race.

Voters in Precinct 2 of this county will decide the run-off race for Commissioner from that precinct between C. O. (Lefty) Walker and Ben Williams. These two emerged in leading positions for the run-off while W. T. (Bill) Miller, incumbent commissioner, was eliminated from the running.

In the first primary, Walker led with a total of 103 votes. Williams was in second place with 86 votes and Miller trailed with 66. Local interest in this race is expected to bring out a full vote in that precinct.

As a matter of economy, there will be fewer voting places in the county except in Precinct 2 where the local Commissioner race will be of paramount interest. County Chairman A. O. Fields announced. In that precinct, ballots will be available in all the usual voting places, but the other three precincts will vote at the courthouse box in Ozona, except in cases where voters request elections be held in boxes so distant from Ozona as to make a hardship on voters to cast their ballots.

Ozona CAP Cadets To Attend Air Force Summer Encampment

Next Friday Morning, at 10:30 a. m. at Goodfellow Air Force Base San Angelo, two Ozona Civil Air Patrol Cadets will board a U. S. Air Force C-47 type aircraft, together with other CAP Group 3 Cadets, for a flight to Sheppard Air Force Base, Wichita Falls, Texas. The local teenagers are to participate in the 1958 Summer Encampment, one of many encampments being held at 38 Air Force Bases this summer.

Lt. J. M. Coker, local CAP Cadet Commandant, said that at Sheppard Air Force Base the cadets will live as airmen for their 15-day stay. They will receive Air Force academic and vocational training and will be given orientation flights in Air Force aircraft, where possible.

Attending the encampment are: C-Sgt. Buddy Anderson and C-B Tommy Fields.

As junior members of the CAP, the civilian auxiliary of the U. S. Air Force, the cadets subscribe voluntarily to a three-year aviation education program, designed to familiarize them with the military and commercial aspects of modern aviation and to point out vocational opportunities in the aviation and related fields.

Only costs to the Cadets, who range in age from 14 to 18, is a nominal charge for meals. All facilities are made available by the Air Force. Recreational activities are planned in addition to the academic schedule.

The Ozona cadets will return to Goodfellow AFB via C-47 about 5:30 p. m. Saturday, August 23.

Ozona Teachers Attend SR Reading Conference

Alpine — Persons from Ozona attending the 10th Annual Sul Ross Reading Conference are: Mrs. Fred Hagelstein, and Mrs. W. T. Stokes, both teachers in the Ozona North Elementary School.

In the daily 6-hour workshop session, they will hear addresses by nationally known experts in the teaching of reading: Dr. George Spache of the University of Florida and Dr. Angela Broening of the Baltimore Public Schools. A Consultant to speak is Mrs. Theresa Carrell of the Texas Education Agency.

Co. B Reserve Unit Called To Active Duty

Company B, 830th Engineering Battalion, heavy construction, has received notice to report to Fort Polk, Louisiana, for annual summer training from Aug. 16 to 30. Company B is composed of men from the Sonora, Eldorado, and Ozona areas and all the members of the unit will be required to attend this encampment unless they have been especially excused.

There will be 10 to 12 members of the organization from Ozona attending the training this year. They will complete a project similar to that which they completed last year, the installation of an airstrip of 5,000 feet for the use of light aircraft.

CROCKETT HOSPITAL NEWS

Patients admitted to hospital since July 29th: Mrs. Carlton Phillips, Big Lake, medical; Mrs. Harry Friend, Ozona, medical; J. D. Pike, Ozona, surgical; Raymundo Yanez, Ozona, medical; Mrs. Clarence J. Knox, Ozona, medical; Mrs. Leon Brock, Ozona, medical; Frank Tijerina, Ozona, medical; Mrs. J. C. Mankin, Ozona, surgical; Francisca Constanco, Ozona, medical; J. D. Bishop, Ozona, surgical; and Mrs. Rudy Vargas, Ozona, obstetrical.

Patients dismissed: Mrs. Meclivio Fierro, David Jacoby, Mrs. Wallace Dimery and infant daughter, Mrs. Carlton Phillips, Mrs. Harry Friend, Raymundo Yanez, Mrs. Clarence J. Knox and Mrs. Leon Brock.

Thundershower Dumps .81 Inch of Rain On Ozona, Nearby Areas

A local thundershower, accompanied by gusty winds and small hail stones, dumped .81 of an inch of rain on Ozona Sunday night.

The shower extended only a few miles into surrounding ranch lands but brought welcome relief for a time from the searing August heat and for gardeners who were hard pressed to keep yards from wilting in the dry heat.

The cloud, which rolled in from the northwest, produced some gusty winds which twisted small branches from some of the town pecan trees and small hail peppered down during early stages of the fall, but no damage resulted. Rain gauges in the west side of town registered moisture up to 1.25 inches.

Texas Co. Completes Sixth Well In Weger Field Of Crockett Co.

The Weger North field of Crockett County gained its sixth well and a location east extension with completion of The Texas Co. No. 1-CQ State, 28 miles northwest of Ozona.

It was finaled for a daily flowing potential of 108.63 barrels of 29.2 gravity oil through a 28-64-inch choke and perforations between 2,221-240 feet and 2,260-270 feet. Pay section was acidized with 500 gallons.

The project is 2,310 feet from the south and 330 feet from the west lines of 15-49-University.

CAP Plans Meeting At Airport Tuesday Night

There will be a meeting of the Ozona Squadron, Civil Air Patrol, next Tuesday night at 8:00 p. m. at the airport.

There will be two Air Force films shown that should be of particular interest to the members, as well as business concerning the Air Show to be discussed.

All members are urged to be present at the meeting.

ACC Track Coach To Speak At Grid Kickoff Banquet

C. O. (Lefty) Walker, President of the Ozona Booster Club, announced this week that Oliver Jackson, outstanding ACC track coach, had been secured as speaker for the football kickoff barbecue set for September 2.

Jackson attended North Texas and ACC during his college days and took the job as track assistant football coach at the Abilene school while Tonto Coleman was head of the Athletic program.

Jackson's success as a track coach has become nationally known with Bobby Morrow capturing three gold medals in the last world Olympics.

A drive to collect membership dues for the new year is expected to get under way in a few days with all members urged to get their dues in as soon as possible.

Those wishing to pay their dues can contact Oscar Kost, Ernie Boyd or Walker himself. Annual membership dues are \$2.00.

Walker said that he thought something should be done for the boys who take part in other sports and pointed out that if the club can take in a number of new members and retain about the number enrolled last year it would be able to expand its activities to include basketball and maybe track.

Men interested in becoming members are urged to contact the above named people since it is impossible to contact everyone and membership is not restricted.

Mrs. J. A. Fulwell is in Cisco to be with her aunt who is very ill.

Lions Booster Club To Open Season Sept. 2; Members Fees Due

Company B, 830th Engineering Battalion, heavy construction, has received notice to report to Fort Polk, Louisiana, for annual summer training from Aug. 16 to 30. Company B is composed of men from the Sonora, Eldorado, and Ozona areas and all the members of the unit will be required to attend this encampment unless they have been especially excused.

There will be 10 to 12 members of the organization from Ozona attending the training this year. They will complete a project similar to that which they completed last year, the installation of an airstrip of 5,000 feet for the use of light aircraft.

Aug. 18 Deadline To Get Choice In Football Ducats

Football fans who held reserve seats in Lions Stadium last season have been mailed notices of the sale of reserve seats for the 1958 season, offering them an option to buy the same seats they held last year until August 18.

Fans are reminded that all seats not sold by that date will go on sale to the general public. Those fans who wish to buy the same seats they held last year must notify Mrs. Frank McMullan at the high school before August 18.

Reserve seats for the five home games of the Lions will be sold at \$5 each, the same amount you would pay in single admission tickets to all five games, with the advantage that you will have a seat even if you go late to the games.

The Lions will open their 1958 football season at home against McCamey on September 5, and the following week will meet Coahoma here. After three games away from home, at Fort Stockton on Sept. 19, Stanton on Sept. 25 and Rankin on Oct. 3, the Lions will return to home ground for their last practice or pre-district schedule of games, against the Sanderson Eagles on October 10.

The final home games will also be the season's finals, against Junction on November 7 and against Menard on Nov. 14. District games against Sonora and Big Lake will be played away from home, in Sonora on October 17 and in Big Lake October 24.

Graveside Rites For George Bean At 5 p. m. Friday

Burial To Follow 2 p. m. Services At Massie Chapel, San Angelo

Funeral services will be held at the Robert Massie Funeral chapel in San Angelo at 2 o'clock Friday afternoon and at the graveside in Cedar Hill cemetery here at 5 p. m. for George James Bean, 67, Crockett county rancher, who died suddenly of a heart ailment at about 9:30 o'clock Wednesday morning at his ranch home near Ozona.

Mr. Bean had been in apparent good health until Tuesday night when he complained of not feeling well. His condition seemed to worsen in the early morning and death came suddenly from a heart attack in mid morning.

Son of the late Mr. and Mrs. George James Bean, natives of Scotland, Mr. Bean was born in Hanford, California, on January 21, 1891. He returned with his parents to Scotland as a child but returned to America at the age of 17. A nephew of the late Robert Massie, who had accumulated extensive ranch holdings, mostly in Crockett county at the turn of the century, Mr. Bean learned the ranching business as a boy in this county and was active in the industry until his death.

Mr. and Mrs. Bean moved to San Angelo a few years ago but had recently sold their home there and moved back to the ranch west of Ozona. They had planned later to build a new home in Ozona. He was a member of the Ozona Masonic Lodge.

Mr. Bean married Miss Vada Jenkins in Hillsboro, Texas, on June 15, 1923.

Surviving are the widow; one son, Joe Bean of Ozona; three daughters, Mrs. Boyd Baker and Mrs. Carl L. Appel of Ozona, and Mrs. John C. Johnson of Dallas; a brother, Archie Bean of San Angelo; two sisters Mrs. R. L. Vaughn and Miss Mary Bean, both of San Angelo, and 10 grandchildren.

Pallbearers will be Chester Kenley of San Angelo, Massie West, Ira Carson, Lowell Littleton, Max Schneemann and Chas. E. Davidson, Jr., all of Ozona.

THURSDAY, AUG. 7, 1958

HOLD THAT CAMEL!

TVA, the socialistic camel that got its nose in the free enterprise tent awhile back, is doing some more shoving. Senate Bill 1868, passed by that body last year, and recently approved by the House Public Works Committee, proposes to expand the service area of this tax-built, tax-consuming (but not tax producing) power octopus by 25,000 square miles — so that it might logically be called the "Mississippi Valley Authority". Further, and perhaps more devastatingly, it proposes for the first time in the sad history of Government-operated businesses to sell bonds (\$750 million worth) to the investing public and incidentally bypass Congressional control.

With the passage of this bill, Uncle Sam would be giving the taxpayers the back of his hand, since it would wipe out the present requirement that TVA repay to the Treasury in 40 years the \$1.2 billion of tax money now owed. Repayment would only be made after the bondholders claims are paid, and TVA could use its power revenues (which should go to the

Political Announcements

The Stockman is authorized to announce the candidacy of the following for the offices indicated, subject to action of the Democrats primaries this summer:

For County Commissioner, Precinct 2: C. O. (LEFTY) WALKER BEN WILLIAMS

ONLY THE BEGINNING!

Treasurer, or build still more production capacity without Congressional approval.

It does not take much imagination to see this camel (which we might as well start calling the Mississippi Power Authority) kicking the whole private tax-paying electric power industry out of the tent. With the continuance of such unbridled expansion there can be no other outcome. And yet, that is but the beginning of the end, with electric power generation completely in Federal hands, the "nationalization" (a nice word for seizure) of all industry and all business would logically follow. The planners doubtless have the details worked out now — a progression of control so gradual we would never be quite sure at what point, or on what day, we finally became slaves.

Congress, to save its own waning prestige and to check the erosion of its powers by the williwaws from the White House and the snows from the Supreme Court, should arise in whatever might it still possesses and reject legislation degrading to that body. But the Senate has already passed this bill. And unless there are cries of outrage from home, the House, stricken with adjournment fever, will pass it — and quickly.

But Americans who cherish any hopes for capitalism, to say nothing of ever getting the Govern-

ment out of business, must not let this happen.

HERE'S WHAT HAPPENED TO THE 'HIRED GIRL'

The nation's "help", a total of eight million workers at the Federal, state and local level are costing us in the neighborhood of \$30 billion a year, says the Tax Foundation, Inc. If we add our uniformed defenders, the ticket is approximately \$40 billion!

The most rapid increase has been in the state and local payroll which has multiplied four times in the past 18 years and now totals \$19 billion a year.

No wonder people can't have any "hired help" at home any more!

IN DENOUNCING THE BUTCHERS OF MOSCOW for the execution of Imre Nagy, heroic leader of Hungary's 1956 almost successful revolt, American should feel shame as well as anger. Our failure to help when so little was needed was a sorry sequel to our years of propaganda encouragement and our brave words. Yet, even in death, Nagy may be helping us, in steering our leaders to finally reject that summit conference.

DID GEORGE DO IT?

When Senator Knowland panicked labor's congressional supporters by introducing a labor bill with some teeth in it, their first reaction was to sit down with George Meany, president of the AFL-CIO.

They thought any labor bill should be one the unions would "accept" and, of course, Meany was glad to oblige by offering a 16-point outline for the kind of bill the unions wanted.

Knowland's proposals, which really got to the heart of the abuses revealed by the McClellan Committee, were shunted aside, and the result was the Kennedy-Ives bill — so weak that even Secretary of Labor Mitchell was alarmed. Mitchell, a friend of labor, said that this bill would strip from labor union members some of the few scanty protections they now have against the unbridled greed and ambitions of their leaders.

The bill bears a suspicious similarity to Mr. Meany's original proposals. In fact, it looks a lot like George did it. Or maybe it was Lyndon.

Mr. and Mrs. Dempster Jones and daughters, Pam and Robin, are spending this week in Greeley, Colorado, with Mrs. Jones' cousin and family, Mr. and Mrs. G. A. Morgan. They will spend a few days in Estes Park at the Morgan summer home.

A total of sixty-five Ozonans attended the annual Baptist Encampment at Paisano which closed last Sunday after a full week of services. Preaching was done by the Rev. Perry F. Webb of San Antonio and Dr. Thorn of Wichita, Kans.

Mrs. Garland Children, Joan, Colleen of Dayton, Texas, are days visiting her sister Marley, Mr. Marley at the ranch last week.

Devils River Feed Co. OZONA, TEXAS — PHONE EX 2-3022

What sort of world for them?

With mingled pride and wonder you watch them — absorbed in their play. How sure the young builder's touch... how graceful the deft girl's gestures! You treasure each promise for the future that shows in their choice of toys and activities.

And always in your heart is the prayer that they will grow up to a world as happy as the one you've made for them. A world full of opportunity, where each may choose the life work most satisfying and fulfilling.

There's one way to help make your dreams for them come true! Be on the watch for ideas that could deprive them of their right to free and independent action.

The idea, for instance, that "government should run such and such — a business, an institution, a service." Yet experience has shown that the more things government controls, the less freedom there is for the individual.

Use your "woman-power" to refute this idea that "government should run things." Remind those who are for such a theory that the loss of anybody's independence is a threat to everybody's freedom.

Very much aware of this danger are the independent electric light and power companies, because government already runs part of the electric business. And powerful people are pressing to take over more.

Starting costs so little — you can afford to use lots of it!

to be a good year for incumbents. Out of a membership of 150, 101 own out in the first primary or had no opponents.

Nineteen new members were elected to the House in July, and winners of seats are yet to be decided. Twelve incumbent representatives are involved in these run-offs.

SPEAKER RACE: Hanging in the balance of the 30 House of Representatives runoff races is the outcome of months of persistent campaigning for one of the key posts in state government—Speaker of the House.

Speaker is elected by fellow House members. Candidates are Rep. Waggoner Carr of Lubbock, seeking a second term, and Rep. Joe Burkett, Jr. of Kerrville.

After the July primary, each claimed to have 45 per cent of House members pledged to his side. This is not literally possible since only 80 percent of the total membership has been elected.

But it illustrates the nip-n tuck nature of the contest that probably won't be over until the last chip is down.

STATE DEMOCRATIC Convention: Climax to the precinct and county conventions — and all the struggle that preceded them — will be the state meeting in San Antonio Sept. 9.

It's known traditionally as the "governor's convention" with the nominee for governor and his supporters taking the lead in deciding on officials, committees and policies for the next two years.

Gov. Price Daniel, who worked harder at rallying moderate-conservative Democrats to precinct conventions than at his own race for renomination, predicts a comfortable margin of supporters at the state meeting.

BETTER DAYS — More students, more prosperous pros are in prospect on the campuses of Texas state colleges and universities this fall.

Commission on Higher Education predicts a total enrollment of more than 81,000 at the 18 tax-supported colleges, up from last year's 77,913. Beginning this year, a growing flood of college students is expected as the high schools turn out the "war babies" of the 1940's.

Pay raises up to 20 per cent will begin in September for the state college teachers. It will put the "average" professor's annual salary between \$5,000 and \$7,000.

The Ozona Stockman

WE HAVE A WATCHMAN at our store—though guarding us is not his job. Mostly, he's on the watch to keep your watch on the go.

He's our watch service expert—the man who knows "what makes it tick." And what makes it keep ticking—almost half a million times a day. Your watch does that, you know, year in and year out.

That's why he so often reminds us how important it is to have any watch inspected periodically. The little time it takes can save big money later on.

And that's why we're urging you to stop by for a watch checkup today. We'll be watching for you!

Why did daddy have to die?

That morning he kissed her good-bye as usual. "Be a good girl," he said, "and I'll bring you a surprise." But he didn't come home that night — nor ever again. How can you explain a thing like that to a tearful child?

Death comes suddenly on the highway. No one expects to meet it, much less to cause it. Yet last year, 40,000 men, women and children died in traffic accidents throughout the country. Most of them didn't have to happen.

Remember this heartbroken little girl the next time you are tempted to take a chance—pass a stop sign—overstep the speed limit. Only you can put an end to such tragedies.

Now, during the peak driving season, accident hazards are highest—so be especially careful!

Here's how you can help stop traffic tragedies:

- 1 Drive safely and courteously yourself. Observe speed limits and warning signs. Where traffic laws are obeyed, deaths go DOWN!
- 2 Insist on strict enforcement of all traffic laws. Traffic regulations work for you, not against you. Where traffic laws are strictly enforced, deaths go DOWN!

HONORARY PALLBEARERS AT COLLINS COATES FUNERAL

Named as honorary pallbearers at the funeral here last Thursday afternoon for Collins Coates, 72, former Ozonan who died Wednesday afternoon in a Fort Stockton hospital, were the following:

Clyde Griffith, Clyde Higgins, Buck Pyle, Jim Kerr, Sr., and Henry Scruggs, all of Sanderson; Bill Mitchell, H. Q. Lyles, Clayton Puckett, Gerald Porter, Buck Underwood and Drs. Oswald, Hundley and Lancaster, all of Fort Stockton; Houston Smith and Max Schneemann of Ozona; Drs. George Schlenker and W. W. Schuessler, both of El Paso; Chase Traweek of Springerville, Arizona. Bill Odom of San Diego, Calif., and Verne Davis of Big Lake.

—oO—

Cattle Runs Again Big In North, Prices Sag

Fort Worth — Predictions made last week by observers at Fort Worth that the current break in cattle prices would carry over into this week, came about in the trade at major terminals of the nation Monday.

Cornbelt and Western States feeders sent nearly 120,000 cattle and calves in to the twelve major terminals, one of the largest runs of the year. Early estimates of 25,000 at Chicago Monday were surpassed before the day was over. Some 18,000 cattle appeared at

Omaha. Most of the offerings were fed steers and heifers and prices reeled downward again at all markets.

At Fort Worth shorted steers and heifers predominated, and many of the cattle were shortfeds or supplementally fed grassers. Declines of 50 cents to \$1 per hundred were common through the list. Canner and cutter cows bore up a little better than some other classes and were not appreciably lower. Many sales of shortfed cattle, either packer or feeder kinds, were fully \$3 under ten days ago.

High Grade Sheep And Lambs Continue Scarc

Good to low choice fat Spring lambs cashed at \$21 to \$22.50 and similar grades of yearlings sold from \$17 to \$18, and strictly choice kinds were quotable above range at Fort Worth Monday. Cull to medium lambs cashed at \$14 to \$20. Stocker and feeder lambs sold from \$18 to \$20.50.

Old wethers cashed at \$13 down and a few two's sold from \$14 down. Slaughter ewes cashed at

\$7.50 to \$8.50. Goats cashed at \$7. Old bucks drew \$6 to \$6.50.

CITATION

THE STATE OF TEXAS TO ANY SHERIFF OR CONSTABLE WITHIN THE STATE OF TEXAS.

GREETING:

You are hereby COMMANDED to cause to be published once each week for four consecutive weeks, the first publication to be at least twenty-eight (28) days before the return date thereof, in a newspaper printed in Crockett County, Texas, the accompanying citation of which the hereinbelow following is a true copy:

CITATION BY PUBLICATION

THE STATE OF TEXAS

To Oliver A. Eylar and all persons claiming any title or interest in the land hereinafter described under the land scrip certificate heretofore assigned to Oliver A. Eylar, dated March 22, 1881, and bearing certificate No. 431, and, if the defendant hereinbefore named is now deceased, then also included herein as defendants are the unknown heirs of said named defendant and the legal representatives of said named defendants, and, if any of the unknown heirs of the said named defendant are now deceased, then included herein as defendants are the unknown heirs of the unknown heirs of the defendant hereinabove named and the legal representatives of the unknown heirs of the unknown heirs of the defendant herein named, all defendants in the hereinafter styled and numbered cause, GREETING:

You are hereby COMMANDED to appear before the Honorable District Court, 112th Judicial District of Crockett County, Texas, at the Court House thereof in Ozona, Texas, by filing a written answer at or before 10:00 o'clock a. m. of the first Monday next after the expiration of forty-two (42) days from the date of the issuance of this citation, the same being the 15th day of September, 1958, to Plaintiff's petition filed in said Court on the 8th day of May, 1958, in this cause, numbered 3049 on the docket of said Court, and styled Paul Perner, Plaintiff, vs. Oliver A. Eylar, et al, Defendants.

A brief statement of the nature of this suit is as follows, to-wit:

I'VE GOT JURISDICTION!

A trespass to try title suit in which Plaintiff, for cause of action, would respectfully show that on or about the first day of January, 1958, he was lawfully seized and possessed of the following described land and premises situated in Crockett County, Texas, holding and claiming the same in fee simple, to-wit:

Survey No. 47, Certificate No. 431, Block ST. M.K. & T.R.R. Co., in Crockett County, Texas, situated on the divide between the Howard

and Pecos Rivers, about 23 miles S. 80 degrees West of Ozona, and BEGINNING at a stake and mound, the N. W. corner of Survey No. 40, Certificate No. 4710, Block 2, 1 and G. N. Ry. Co. for the S. W. corner of this tract.

THENCE E. 1002 varas to a stake and mound for the S. E. corner of this tract.

THENCE N. 977 varas to a stake and mound for the N. E. corner of this tract.

THENCE W. 1002 varas to a

stake and mound for the N. W. corner of this tract:
THENCE S. 977 varas to the place of beginning, and containing 173.5 acres of land, more or less.

That thereafter Defendant unlawfully entered upon said premises and ejected Plaintiff therefrom and unlawfully withholds from him the possession hereof, to his damage. Plaintiff prays for judgment for title and possession of said land and other and further relief to which he is entitled, as is more fully shown by Plaintiff's petition on file in this suit.

If this citation is not served within ninety (90) days from the date of its issuance, it shall be returned unserved.

The officer executing his return shall promptly serve the same according to the requirements of law and the mandates hereof, and make due return as the law directs.

Issued and given under my hand and seal of said Court, in Ozona, Texas, this 30th day of July, 1958.
Leta Powell, District Clerk,
112th Judicial District of Crockett County, Texas.

and received permission to raise the debt limit from \$270 to \$275 billion. The President has, in fact, asked for several other increases in the national debt ceiling since he has been in the White House.

The rundown:

July, 1953: Requested permission to raise permanent debt ceiling by \$15 billion, from \$275 to \$290 billion. Congress refused this request.

August, 1954: Asked to raise the ceiling by \$5 billion on a permanent basis, and another \$5 billion temporarily. Congress refused the permanent plea, granted \$6 billion increase on a temporary basis for one year.

June, 1956: asked to continue the \$6 billion temporary increase for one year, and received Congressional approval.

August, 1956: Came back again to request another \$3 billion temporarily, to June 30, 1957, and re-

ceived permission. Then, of course, came the two requests made this year as cited above.

IF THE DEBT Ceiling is raised again as the President requests, Washington economists are pretty solidly agreed your dollar will shrink more in value. It will be the same physical size it is now, but will have less purchasing power in buying biscuits, butter, beans and anything else on the market.

Going on the basis that the dollar was worth 100 cents in 1939, it has shrunk to less than half its purchasing value. The big year was 1942 when inflation caused by war shrank the value of the dollar by 9. cents. The year 1947 saw it shrink 9 cents and 1948, 4.4 cents. As it now stands, the dollar is worth 48.1 cents compared to its 1939 purchasing power and a \$10 bill presently buys less than a \$5 bill bought 19 years ago.

If you made \$5,000 in 1939, taxes

and inflation at present make it necessary for you to earn \$12,050 to have the same purchasing power. If your 1939 salary was \$3,000 you must now earn \$6,986 to have equal purchasing power.

Economists say the raising of the national debt limit again cannot help but decrease the value of your greenbacks once more.

ALMOST EVERYONE in Washington is playing an annual summer guessing game, the object of which is to speculate on the date Congress will adjourn.

Shortly after the recent Middle East flare-up and was scare, there was speculation the Congress might not adjourn until very late in the year or until tensions in the trou-

bled Middle East eased. But lately many members, newspapermen and others have started to guess Congress will adjourn anywhere from August 9th to August 23rd.

The significant factor is that those persons in a position to have some control over the adjournment are not doing very much talking on the subject.

Honey, What a bargain I drove today!

The gasoline I buy gives me "more for my money." For only pennies I spend a busy day in my car taking good care of my husband, children and home.

Higher taxes now add 8.8¢ cents to the price of every gallon of gasoline. The price of gasoline itself has gone up only 17% in the last decade. Yet today's regular gasoline is the same as premium was 5 years ago. Today's premium is as powerful as aviation gasoline of the last war.

COMPLETELY AUTOMATIC CONTROL

and you'll go GAS EVERY TIME

Discover the FUN of meal preparation when your new Gas range takes over all the mechanics of cooking.

The two dials on an automatic Gas range — one for the oven and one for the top Burner-with-a-Brain — take care of practically every cooking chore! Instead of hovering near while your meal cooks, you simply set the dials for time and temperature... and that's it! You needn't even be at home when it's time to start the vegetables simmering, or to take the roast out of the oven. And only GAS offers such flexibility of heat... only GAS can maintain a temperature to such a close tolerance. And a Gas range costs less to buy, less to install, less to operate. See us for the complete story, then visit your gas appliance dealer soon.

Perfect baking results are assured in a Gas oven where heat fluctuation is at a minimum.

The Burner-with-A-Brain, robot pot watcher, puts on and forever to scorching and boil-overs.

Close-door broiling is achievable only with GAS, where the flame automatically cooling vapors.
