Cold Front Sweeps Through To Halt Rain; Temperature Dips to 48

The first feel of winter came to Ozonia this week as a cold front dropped temperatures to the chilly level of 48 degrees Tuesday night. Passage of the front brought light rain early Wednesday morning but skies began clearing during the morning and at least a temporary end to the bountiful rains which have been falling the past two months seemed at hand while the front lingers.

Junior High Cubs Trim Menard 30-20; In Del Rio Tonight

By Roy Killingsworth

The Ozona Junior High Cubs won another game in Menard last Thursday night with the final outcome never in doubt tho the final score was 30 to 20 in favor of Ozona.

The first team of boys ran up the score to 30 to nothing in the second quarter and turned the game over to the seventh grade boys. They were unable to stop the larger boys of Menard but before the game was over they had them slowed to a walk.

Ozona kicked to open the game and Menard failed to gain, kicked to Carl Montgomery who returned the ball from the 50 to Menard's 15. After two penalties of 15 yards each Bill Semmler broke over right guard and went untouched for a score from 45 yards out, but another penalty set the ball back 15 yards more. After an exchange of punts Ozona again found themselves with the ball on the 40 and Bill Semmler took the ball on the identical play that he used before to score from 40 yards out. The play this time stood up and the Cubs were on their way.

To open the second quarter Floyd Danley scored from 2 yards out after the ball had been moved down field by runs by Phillip Carnes and Carl Montgomery, with a pass or two mixed in. Following this touchdown Carl Montgomery kicked to the 10 with no return. After failing to gain even one yard a punt was taken by Phillip Carnes on his 30 and returned for a score. The next time the Cubs had the ball Carnes passed to end Rudy Martinez for another TD good for 40 yards.

This ended the scoring for the night for the Cubs with five boys from Ozona scoring 6 points each. Carnes, Semmler, Danley and end Martinez on touchdowns and Montgomery, on three extra point conversions. The other end, Van Miller, almost had a touchdown carrying the ball to the two yard line on a pass reception good for 20 yards. Penalties killed this scoring opportunity.

At this point Coach Womack inserted his seventh grade boys who gave a good account of themselves after the second time Menard had the ball. It took Menard 6 1/2 minutes to score their final touchdown against 7th graders.

Here are a few figures that might interest you in regard to the Cub offense in the game with Junction. The boys from Junction ran 21 plays against the Cubs gaining 31 yards from the line of scrimmage and losing 58 with one first down. The boys from Menard ran only 20 plays against the first string boys and gained 20 yards while losing 79 yards and not a first down. So against the first team that has scored 62 points Menard and Junction ran 51 plays and gained 51 yards and lost 87 yards for a net loss of 36 yards and only one first down.

Thursday night of this week, Oct. 2, the Cubs will be in Del Rio for their game with the junior high there. We will then be able to tell whether the Cubs are pretty good or whether the opposition has been weak. See you there.

Mr. and Mrs. T. L. Nelson, Sr., of Elabe, Ariz., and daughter, Mrs. Joe Duffie of Douglas, Ariz., were in Ozona recently. Mr. Nelson brought his mohair clip to the Ozona Wool & Mohair Co. They were on their way to Eldorado, Texas, to visit their son and daughter-in-law, Mr. and Mrs. Lee Nelson and boys. They also visited Mr. and Mrs. Jake Nelson in Uvalde and other friends in Reagan Wells.

Stanton —

(Continued from Page One)

Holden, Freeman and Sutton battered the ball to the one and Sikes sneaked over on the first play from the TD. Counting the penalties the drive had covered 109 yards, 74 by the record.

The Lions lost little time getting things set for the next score as they took over on their own forty following a Stanton kick late in the first period.

Freeman, Sikes, and Holden, picked up good yardage as the Lions moved down field, but another fifteen yard setback seemingly had set the drive back for good, when Sutton exploded up the middle and went 29 yards to set the ball on the Stanton 10.

From the ten it took just one play as Holden crashed over guard spun off of a couple of would-be tacklers and went into the end zone.

The Lions had one more score coming before the half and in order to get this one set up, the Lions secondary grabbed off its second interception of the night and one of three the Lions managed in the game.

Dwane Thompson faded back to pass, was rushed hard by Joe McMullan and threw into his own left flat. Bobby Sutton captured the ball and ran it back to the Buffalo 35 before getting pulled down.

Holden got seven, Freeman got three and the first down, and Sikes sent Sutton for five more, picked up five on a sweep himself and called Holden for four more to the 11. Here, everybody, including the officials, got mixed up. Sikes swung wide and could have gone all the way but apparently thought the five yard line was the goal and cut back only to be dropped on the marker. One official signaled a touchdown and after some consultation it was noted that the ball was on the five rather than the goal. Sutton solved this difficulty by going over on the next play just as the half ended.

Following the half the Lions lost little time getting set for the next score as Stanton, finding itself unable to move, kicked to the Lions with the ball rolling dead about the Lion 37. Holden picked up 8 and Freeman added 2 and the first down before Sikes faked to Holden and ranged wide to his left and went 53 yards for the score.

The Lions were penalized on the extra point try and failed to score two on a pass.

One of the strangest plays of the year got the Lions in position for their second score in the third quarter. Stanton got a good run back on the kickoff following the score and then attempted to go into the air on a running pass. Sutton deflected the ball toward the middle of the field and Williams came up with the loose pig hide and returned it to the Stanton 30.

One first down later, Bobby Sutton found a huge hole, poured on the speed and scored standing up. That wound up the Lions scoring activities and just about ended their possession of the ball as the home team got under way and put its only marker on the scoreboard.

The Lions had almost let the Buffaloes get away on the kickoff before but on the last try the Stanton's fleet back, Buzzy Brewer, broke loose and raced to the Lion 35 before Sutton overtook him from behind.

Grinding out short yardage the Buffaloes finally scored with Thompson going over on a keeper. The Buffaloes rapidly regained control of the ball on were hammering away at Ozona reserves as the contest ended.

The Lions chalked up 14 first downs to 8 for the Buffaloes. Five of the Stanton first downs came in the final period.

For Ozona the Lion backfield showed very well under its new plan to attack. Sutton was the leading ground gainer for the night, picking up 126 yards on less than half of his usual number of carries. Holden was next with 96 and Sikes added 49. The big difference, however, was at right halfback where Jim Freeman and Tony Parker managed to pick up 80 yards.

The Lions went into the air on six occasions and failed to complete one, while Stanton went aloft 4 times, completed one for 16 yards and had the other three intercepted.

Buzzy Brewer, the workhorse of the Buffalo attack picked up 58 yards to lead the Stanton attack which netted 103 yards rushing and 16 passing for a total of 124 yards. Stanton kicked five times for an average of 29 1/2 yards per try while Ozona kicked just once and that one went 35 yards.

Cities Service Spots Outpost In Crockett

Cities Service Production Co. filed application to drill the No. 1-M Shannon 1/2-mile northwest of a recently completed 1 1/4-mile southeast extension to the West World (Strawn) field of Crockett County, 25 miles southwest of Big Lake.

Scheduled depth is 8,500 feet. Ground elevation is 2,820 feet. Location, on a 325.19-acre lease, is 1,980 feet from the north and west lines of 38-BB-TCRR.

The extender, F. W. Holbrook of Midland No. 1 Shannon, was finished May 20 for a daily flowing potential of 182 barrels of 46.4 gravity oil, plus 21 per cent water, through a 1/2-inch choke and perforations between 8,117-121 feet and 8,125-131 feet, which had been washed through with 250 gallons of mud acid. The project was staked as a wildcat, but production was assigned to the West World field.

FRIDAY BRIDGE CLUB

Mrs. Hillery Phillips was hostess for the Friday Bridge club in her home last Friday. High score went to Mrs. Sherman Taylor, second high to Mrs. Sidney Millsap, Jr., and cut to Mrs. Joe Pierce, Jr.

Others attending were Mrs. Evart White, Mrs. Early Baggett, Mrs. Lindsey Hicks, Mrs. Eldred Roach, Mrs. Bill Adams, Mrs. Stephen Perner, Mrs. Lee Childress, Mrs. Tom Harris and Mrs. Lovella Dudley.

Projects And Programs Discussed At Initial Meeting of Garden Club

Projects for the coming club year and highlights of the programs planned for the year were discussed at the initial meeting of the Ozona Garden Club's new club Wednesday afternoon in the home of the club president, Mrs. Stephen Perner. Assisting Mrs. Perner as hostess was Mrs. Richard Flowers.

In the business meeting, Mrs. Perner outlined projects for the year, including an exchange of plants among members, flower arrangement classes, education in gardening through exchange of garden and plant books and providing one flower arrangement each month for the Crockett County Hospital. Mrs. Perner also gave some "do's and don'ts" on "How to Kill a Garden Club."

Mrs. J. B. Miller, program chairman, announced the theme of the club year as "gardening for better and more beautiful homes and communities," and gave a forecast of programs to come. Mrs. Miller announced that the October meeting will be a Golden Age Tea for senior citizens of Ozona at the home of Mrs. Max Schneemann.

Mrs. Bailey Post read an invitation from the Senisa Garden Club of San Angelo to the District VIII Fall Festival meeting at the San Angelo Country Club on October 22. All members were urged to attend. Announcement was also made of a workshop to be held by the Big Lake Garden Club on October 7.

Mrs. N. W. Graham gave some pointers and suggestions on soil preparation and compost heaps. A round table discussion followed on conservation of water in the garden and yard.

Three new members were presented, Mrs. A. S. Lock, Mrs. Jess Mayley and Mrs. Hudson Mayes. The president appointed Mrs. L. B. Cox, Jr. as flower show chairman and Mrs. Lloyd Sherrill as staging chairman. The show will be held sometime in April.

Members present were Mmes. O. D. West, Victor Pierce, Jess Mayley, Lloyd Sherrill, D. B. Pettit, B. B. Ingham, Sr., Floyd Henderson, N. W. Graham, Ralph Jones, Bert Couch, Gene Lilly, J. B. Miller, Paul Perner, Tom Clegg, Ira Carson, Evart White, A. S. Lock, Bailey Post, Charles Williams, Sr., Joe Pierce, Jr., Cecil Hubbard, John Childress and the hostesses.

Mr. and Mrs. Bill Melton were here this week from Glorieta, N. M. visiting Mrs. Melton's mother, Mrs. Coralie Meinecke.

Ozona Radar Station Commander Surprised At Birthday Party

The dining hall at the Ozona Air Force Station was the scene of a surprise birthday party honoring the Base Commander, Major Frank J. Radzwickas, Saturday night.

Personnel at the Base got the Commander out of the dining hall around 5 o'clock in the afternoon with a false emergency call. When he arrived at the dining hall he was greeted by some 40 Airmen and their wives and daughters singing "Happy Birthday."

The party had all the festive trimmings, featured by a large cake, sufficient to serve 80, inscribed with "Happy Birthday Major, From the 782nd AC&W Squadron." In addition to the cake there were charcoal broiled hamburgers, hot dogs and all the extras, including soft drinks.

Music for dancing following the supper was supplied by the Base hi-fi phonograph machine. A highlight of the entertainment was a "hula hoop" contest. The winning hula-hooper was A-1C Richard LeSage, his prize, a drinking glass properly inscribed.

Attending the party were Major and Mrs. Frank J. Radzwickas, 2nd Lt. Elbert M. Leach, 2nd Lt. Stanley B. Crockett and date, T-Sgt. and Mrs. Benjamin J. Fleagle and children, Barbara and Cynthia, S-Sgt. and Mrs. Eugene T. Smith and daughter, Cathy, S-Sgt. and Mrs. Louis M. Stringer, S-Sgt. and Mrs. Winfred O. Baker and child-

A re-run of "The Ozona Story" as gleaned from the files of The Ozona Stockman

From The Stockman, Oct. 3, 1929

W. F. Whitley, field representative of the Southwest Sewer Co. of Dallas, is here this week to start the work of signing up the necessary number of patrons of the local sewer system to insure its installation. At least 100 pre-construction signups must be secured.

Superior generalship displayed by Quarterback Woodrow Wilson, a line that held like a brick wall against onslaught of superior weight and a bunch of hard hitting and fast running backs accounted for the closely contested victory of the Ozona High School Lions over a team from Rankin on the local grid Friday afternoon. It was a one-touchdown triumph for the Lions.

Growing sentiment on the part of Crockett county people for good roads found expression here this week when two petitions appeared on the street, one asking a bond issue to pave the Ozona-Sonora road to the county line and the other for paving the Barnhart road to the county line. Both petitions were withdrawn, however, on the advise of State Highway Department engineers pending a survey of the proposed routes by department engineers and the outcome of efforts to get the north-south route designed.

tinued crowded with Crockett county lambs on their way to the shipping pens. Approximately 25,000 more lambs were moved to the shipping point during the past week.

Mrs. E. R. Kinser suffered a broken leg Tuesday when she fell from her horse while riding on the ranch some sixty miles from Ozona. She was brought here and taken immediately to San Angelo for further treatment.

Registered Hereford cattle owned by Joe T. Davidson of Ozona and fresh from Crockett county ranges, swept the cattle show at Abilene last week, taking seven first places, three seconds, two thirds and a junior and grand championship.

The old Roger Dudley home is in process of being torn down to make way for construction of a new home on the same site.

Setting an average price of 46 cents for adult hair and 56 cents

for kid hair, three Boston buyers acquired six million pounds of Texas mohair during the week, while producers over the southwest protested the inadequacy of the price.

Ozona is to have another recreation club soon. Buzzy Stokes of Sonora, operator of a club there, and Jack Sharp of Ozona have leased the Adams building, until recently occupied by the Ozona Laundry, and will establish a club in these quarters.

Mr. and Mrs. Marbury Morrison and Mr. and Mrs. T. A. Kincaid, Jr., moved into their new duplex, rebuilt from the old Kincaid apartments.

Miss Beth Davidson left Sunday to enroll at Draughon's Business College in Abilene.

"All seats are full and all rooms are full of seats." This was the laconic statement this week of John L. Bishop, superintendent of schools, describing the crowded

conditions existing in Ozona school as a result of the sharp increase in enrollment this year. A total of 455 pupils have been enrolled in the schools of the county to date, the superintendent announced.

LADIES GOLF ASSOCIATION

The weekly play of golf and bridge was held last Thursday at the country club. Mrs. Larry Albers was hostess for bridge. High in bridge went to Mrs. W. E. Friend Jr., second high Mrs. Ashby McMullan and cut to Mrs. V. I. Pierce. In golf play low putts were won by Mrs. Dempster Jones and Mrs. Joe Pierce, Jr.

Those attending were Mrs. Sherman Taylor, Mrs. J. M. Baggett, Mrs. Pat Patterson, Mrs. J. S. Pierce, III, Mrs. Early Baggett, Mrs. Byron Stuart, Mrs. W. E. Friend, Jr., Mrs. Dempster Jones, Mrs. V. I. Pierce, Mrs. Jess Marley, Mrs. Joe Pierce, Jr., Mrs. Ashby McMullan, and Mrs. Darrell Brawley.

HIGHLIGHTS AND SIDELIGHTS From State Capitol

By Vern Sanford

Texas Press Association

AUSTIN, Texas — Through the summer campaigns "economy in government" were words that rustled about harmlessly as an evening breeze.

But with the approach of winter and down-to-the-lick-log budget-making time, the same words have the cutting edge of a blue norther.

Gov. Price Daniel stuck a pin in any last rosy hopes that "things might not be too bad." He sent back the money requests made by heads of state departments for 1959-61, saying they were "wholly unrealistic."

Governor Daniel had been the last major hold-out against predictions of a major money crisis. Other state officials had been crying doom and foreseeing a shortage of up to \$140,000,000 for months.

Governor Daniel took note of these predictions in asking department heads to re-examine their budgets, eliminating any non-essential items. A deadline of Oct. 8 was set for the new requests.

As originally submitted, the requests would require a \$272,000,000 increase in spending.

"I think and hope this decline in state revenues is a temporary condition," said the governor, "but a realistic approach . . . requires that 1960-61 requests should not exceed the 1958-59 level unless absolutely essential."

Deficit Soon — A further gloom note was the state comptroller's forecast that the general revenue fund would run dry in October. And it probably won't be a

temporary thing, according to Comptroller Robert S. Calvert. Almost every spring the state has a seasonal shortage just before the April deadline for franchise tax paying.

Calvert said this deficit may continue until September, 1959, and bring a return of some of the squeezes of the 1930's. During those years state employees had to pay a discount of from one to five percent to cash their pay checks since the banks that cashed them had to hold them for some time waiting for the state to get the money to make them good.

Calvert said the general revenue fund began the state fiscal in September with a \$13,000,000 balance. This is not a very big kitty for the government's billion-dollar-a-year operation.

Hard Decision — Education Commissioner J. W. Edgar is the man in the middle on the controversy over accepting federal aid for Texas schools.

Dr. Edgar has until the end of this week to decide whether to recommend to the State Board of Education that Texas participate in a new federal school aid plan. This program, prompted by national defense concerns, is designed to help step up training of mathematicians, scientists and teachers.

Edgar's decision must be made in the light of the recent recommendation by the Hale-Aikin Committee, a group of influential citizens and lawmakers, that the state stop taking some federal funds it is already getting — for school lunches and vocational training.

On the other hand, Sen. Ralph Yarborough, a Congressional sponsor of the new aid plan, is strongly urging that Texas take advantage of it. Others who agree declare that to stay out would mean Texas school would lose millions—some of it paid in by Texas tax-

payors. Short Smarts — Two good-paying state jobs are standing vacant. They are for an \$11,500 program examiner and a \$10,000 finance examiner for the Commission on Higher Education. But the Commission director says the salaries are less than terrific for the type men needed. . . . Not since 1889 have there been so many cotton rats and mice loose in Texas, says the State Health Department. What's worse, the upcoming cold weather may cause many to enter homes in search of food. . . . Texas Employment Commission reports that 8,817 Texans were involved in work stoppages over the state as of Sept. 1. Most of the strikes involved construction work.

Cattle Open Fully Steady To Strong

Cattle and calves were generally steady to strong at Fort Worth as stocker buyers were numerous and aggressive packers also set a fast pace. There was some ineffective lower bids offered on the early rounds but these bidders were quick to surrender or go empty-handed.

Good and choice slaughter steers and yearlings sold from \$25 to \$27 and medium and lower grades

scaled from \$19 to \$24. Fat cows drew \$19 to \$22.50 and canners and cutters sold for \$19 to \$19. Bulls brought \$12 to \$22.50.

Good to choice slaughter calves ranged from \$24.50 to \$27.50 and common and medium sorts drew \$19 to \$24. Culls sold from \$15 to \$19. Medium and good stocker steer calves cashed at \$27 to \$33 and light weight stocker yearlings scaled from \$21 downward. Feeder steers sold from \$22 to \$24, a load of strictly good feeder weighing 803 pounds from the range of Gordon at the \$24 top. Heifer calves sold mostly from \$20 downward, a few lightweights above that range.

Sheep and Lambs Steady Goats Fully Steady

Sheep and lambs sold steady at Fort Worth Monday and several lots of goats also commanded firm prices. Good and choice fat lambs cashed at \$20 to \$22, some woolskins at \$21. Top prices were paid

for No. 1 pelleted medium lambs sold at \$20. Stocker and feeder mostly from \$18 to \$28. Aged slaughter for \$6 to \$10. Good fat wethers.

the Speaker of the House, and their respective families, is highly undesirable as to practice, as well as procedure. There is no more compelling reason for furnishings elaborately equipped, and expensively decorated, residence apartments in the Capitol building for these two officials, and their families, than for any number of others. The Capitol building was dedicated by Temple Houston to be "the habitation of the Government of Texas." Obviously, this did not include bedroom and kitchen privileges. Since its provisions may not be voted upon separately, however desirable one or more features might be, which is rather doubtful, the amendment should be rejected.

Ozona Couple Receive Master Degrees At UT

The University of Texas recently awarded Master's degrees to Mr. and Mrs. R. H. Carden of Ozona. Mrs. Carden is the former Miss Ann Hooper, daughter of Mr. and Mrs. Paul W. Hooper of Wausau, Wisconsin. Mr. Carden is the son of Col. and Mrs. H. H. Carden of San Antonio, Texas.

Before her marriage, Mrs. Carden, a graduate of Wausau Senior High School, received her bachelor of science degree in occupational therapy from the University of Minnesota. Majoring in clinical psychology at the University of Texas, she served as a teaching assistant in the department the past year. She is a member of Psi Chi, honorary psychology fraternity. Both she and her husband maintained straight A grades in their graduate study.

Mr. Carden, a graduate of Ozona High School, received his bachelor of business administration degree from the University of Texas. His Major for the master's degree was market research and statistics. He is a member of the American Marketing Association and of the American Statistical Association. He is a member of Beta Gamma Sigma, scholarship honor society and Delta Sigma Pi, professional business administration fraternity.

After receiving his B. B. A., he served as a first lieutenant in the Air Force. A grandson of Mr. and Mrs. Ralph Watson of Ozona, he has spent the last month assisting in marketing lambs and fall shearing on his grandparents Crockett County ranch. He is to report to work in his chosen field in the near future.

MURDER
... is no picnic

These sandwiches will never be eaten. A happy family—off on an outing—is now in a ditch, crumbed, their car a smoking heap of metal.
Why did it happen? Because some driver was watching the scenery, instead of the road ahead? Because someone was speeding?

Often, that's all it takes to bring death on the highway. And it can come to anyone... suddenly and brutally. It came to 40,000 Americans last year alone!
This summer, drive as though your family's lives depended on it. They do!

BACK THE ATTACK ON TRAFFIC ACCIDENTS

Here's how you can help stop traffic tragedies:

- Drive safely and courteously yourself. Observe speed limits and warning signs. Where traffic laws are obeyed, deaths go DOWN
- Insist on strict enforcement of all traffic laws. Traffic regulations work for you, not against you. Where traffic laws are strictly enforced, deaths go DOWN

Lions To Rankin —

(Continued from page one)

consumed 109 yards including penalty yardage and included a four barreled running game that kept the defense off balance all the way.

The left halfback slot contributed 126 yards on by far its least number of carries this year, while the fullback had 96, the quarterback 64 (on running plays) and the right halfback slot 80.

Two Lions, Bobby Sutton and Billy Bob Holden, were in shorts during Monday's scrimmage but both are expected to be ready in a few days.

Jerry Jacobs took part in the Monday drill, catching several long gainers and barring further injury to his hand should be ready for a near all-out effort this weekend.

The Lion defense last week appeared solid throughout the early stages of the contest allowing Stanton only three first downs until the final quarter.

A very encouraging note was that the Lions intercepted three Stanton passes and allowed only one completion. B. B. Ingham and Diz Reeves did particularly well on defense but all down the line the Lions cracked with authority until the game was clinched.

Johnny Jones, the Lions injured quarterback, returned to action last week and even though not sharp gave promise of being ready in the very near future to get into action.

GIRLS SCOUT TROOP 1

Girl Scout Troop No. 1 met last Wednesday at the Scout house to roost marshmallows on the new outdoor fireplace, built by Bill Cooper and his water works crew. The girls made bean bags and sewed on dish towels for the hospital. Taking part in the day's activities were Vicki Applewhite, Joleen Butterfield, Carman Childress, Diana Couch, Shearon German, Ann Long, Linda Leath, Cheryl Lyles, Linda Miller, Johnney Johnigan, Janice Parker, Jan Paulk, Janis Walker, Annie Wallace, Barbara Clay and Judy Ingham.

Hillery Phillipps Find Ozona Less Exciting After Month's Tour Of 14 European Countries

Back from a month's tour of Europe, highlighted by visits to the World's Fair in Brussels, Vatican City, Monaco and the French Riviera and visits to ancient cities of the Old World, Mr. and Mrs. Hillery Phillipps are finding life back home a little more restful perhaps but much less exciting than their month of fabulous sight-seeing.

Mr. and Mrs. Phillipps and their son-in-law and daughter, Mr. and Mrs. John D. Hunnicutt, left Ozona in late June for a leisurely auto trip up the east coast to New York from where the Phillipps sailed July 2 on the Queen Mary bound for London, England. On the auto trip they visited such spots of historic interest as old Jamestown, Williamsburg, Mount Vernon and Washington, D. C. Mr. and Mrs. Hunnicutt returned to Ozona after seeing her parents off.

Arriving in London on July 7, the party on the tour visited fourteen different countries including England and Scotland, Norway, Sweden, Denmark, Holland, Belgium, Luxembourg, Switzerland, Germany, Austria, Italy and France, the latter country including a two day stay in the famous resort town of Cannes, and four days in Paris.

The Scandinavian countries were most interesting and beautiful, the Phillipps report, but were rather cold for a Texas just a few days out from Texas July weather. The Brussels fair they described as a fabulous array of exhibits and much too big to fully explore in the two days allotted. From there the tour went south through Luxembourg, Switzerland (the latter a most beautiful country with the most interesting houses, Mrs. Phillipps described it) to Germany, Austria, Italy and to France.

The party sailed for home from Scheibourgh, France, on Sept. 4 aboard the Queen Elizabeth for New York and from New York home by plane.

William Mitschke

New Pastor Of Hope Lutheran Church, Sonora, Ordained Sun.

Candidate William Mitschke of Houston, is to be installed and ordained in the 7:00 p. m. worship service of Hope Lutheran Church, this Sunday, in St. John Episcopal Church, Sonora.

The Rev. Dr. Oliver R. Harms, Pastor of Mr. Mitschke's home congregation, Trinity Lutheran Church, Houston, will preach the sermon and perform the Rite of Ordination and Installation. Dr. Harms also serves as one of the Vice-Presidents of the two million member Lutheran Church — Missouri Synod. From 1926-1928 he served as Pastor of Trinity Lutheran Church, Eden, Texas, the congregation which was very instrumental in seeing that Hope Lutheran Church was organized and begun. Other pastors who will participate in this special service are: Luther Roehrs of Eden who began the congregation, Virgil Schuelein of Brady, and Arthur Pape of Eola.

Candidate William Mitschke graduated from Concordia Seminary in St. Louis, Missouri, this past summer, where he completed the necessary education to enter the ministry of the Lutheran Church. In the Spring of 1953 he graduated from Concordia College in Austin,

Texas, and in the Fall of that year he entered the Seminary. In June of 1955 he received his B. A. degree from the Seminary.

Immediately after the Rite of Installation, Mr. Mitschke will assume the full duties as Pastor of Hope Lutheran Church and become its first full-time pastor. The public is invited to attend this Service at 7:00 p. m., Sunday, October 5, at St. John's Episcopal Church in Sonora.

Mrs. James Maness and daughter are here from Farmington, N. M. to visit her parents, Mr. and Mrs. V. O. Earnest.
