## Bishop Of West Texas Will Visit Episcopal Church Here Next Sun.

The Rt. Rev. Everett H. Jones,  
of San Antonio, Bishop of West  
Texas, will visit the Chapel of the  
Good Shepherd (Episcopal) here to  
administer the Apostolic Rite of  
Confirmation Sun., evening, Novem-  
ber 9, at 8:00 p. m. The public is  
welcome. The service will be held  
in the Chapel at Third St. and  
Ave. E.

The Chapel of the Good Shep-  
herd was established through the  
efforts of St. John's Episcopal  
Church, Sonora, Texas, because of  
the needs of Episcopalians of Oz-  
ona and due to the steady growth  
of the community. The Church  
feels a responsibility to its own  
members and to others who might  
be interested in the practice of the  
Christian Faith according to the  
use of the Episcopal Church, the  
vicar, Rev. Alanson Brown, said.

## E.S.A. Girl Scout Fund Drive Set For Saturday

Saturday, November 8, starting  
at 9:00 a. m. members of Epsilon  
Sigma Alpha Sorority will conduct  
the annual Girls Scout fund drive.  
When members of this group call  
at your door, you are asked to give  
liberally to this worthy cause.  
Money secured through this drive  
will be used to meet the annual  
\$670 Girl Scout assessment for this  
city, and any other needs the troops  
may have for the year.

## Kids Were Nice On Halloween, Sheriff Says

Ozona kids were especially well  
behaved this Halloween, Sheriff  
Billy Mills reports, and he and his  
staff want proper credit to be given  
them.  
"We had very little damage to  
property, and the kids were espe-  
cially nice in not cluttering up  
the streets with the usual debris,"  
the sheriff said. "And I think they  
had just as good times as in o-  
ther years."

## Indoor PTA Carnival Chalked As Success In Spite Of Bad Weather

The first indoor carnival staged  
by the Ozona Parent-Teachers  
Assn., held in the North Elemen-  
tary school building last Friday  
night because of wet weather,  
proved a financial success in spite  
of the handicaps, officers report-  
ed this week.

The carnival grossed approxi-  
mately \$1,225 and the net profit  
will be about the same as the car-  
nival of two years ago, the car-  
nival committee reported. Last year's  
carnival netted more, it being the  
first Halloween carnival in the  
park.

PTA officials were especially  
gratified with the crowd of patrons  
in view of the cramped quarters,  
the bad weather and the numbers  
of Ozona people who were out of  
town attending balls games and  
other attractions.

## SON TO MILES PIERCES

Mr. and Mrs. Miles Pierce of Al-  
pine are the parents of a son born  
Oct. 29 in a San Angelo hospital.

ounces. He is a grandson of Mr.  
and Mrs. V. I. Pierce of Ozona and  
Mr. and Mrs. T. Theis of Midland.

## Crockett Roads Included In 1959 FM Construction

### New Segments Of Pan- dale, Iraan Road Up For Construction

The Texas Highway Commission  
has taken the first step in inau-  
gurating a new two-year Farm-to-  
Market Road Program for Texas.  
Marshall Formby, Chairman of the  
Highway Commission, stated that  
the funds for this 1959 and 1960  
program are derived from federal-  
aid highway funds, matched with  
state highway funds on a dollar-  
for-dollar basis.

J. A. Snell, District Engineer  
of the Texas Highway Department  
at San Angelo, Texas, has stated  
that the following farm-to-market  
roads in Crockett County are sched-  
uled for work under this program:  
From end of R. M. Road 2083,  
24.4 miles Southwest of U. S. High-  
way 290, Southwest a distance of  
approximately 4.0 miles.

From 9.8 miles west of R. M.  
Road 33, West a distance of ap-  
proximately 6.5 miles.

The first named project for  
Crockett county is a further ex-  
tension of the Pandale road from  
a point four miles west of Ozona.  
More than twenty miles of this  
road is already complete, with  
small segments added as funds be-  
come available.

The second project is a further  
extension of the road to Iraan from  
RM 33 northwest of Ozona. Con-  
tract will be awarded Nov 12 for  
construction of the first 9.8 miles  
of this road.

Mr. Snell stated that the Com-  
mission has authorized the develop-  
ment of some area roads which  
will serve the dual purpose of  
providing service to the adjacent  
land as well as aiding in the de-  
velopment of the entire state.

It was announced that work will  
begin on these projects as soon as  
final planning is completed and  
necessary right of way secured.  
Resident Engineer R. A. McCul-  
loch will be in charge of the work  
in this County.

age and \$3 for those under 17.  
Plans are to have both an indoor  
and outdoor range and later trap  
shooting. The club also plans to  
join the National Rifle Association.

## Extension To Half Field Good For Daily Potential of 60 Bbls.

Hoffman Bros., San Angelo Com-  
pleted an extension to the Half  
field of Crockett County, 10 miles  
northeast of Sheffield, and sched-  
uled location for another project.

The No. 1-C C. W. Meadows,  
3 1/2-mile northwest, was finalized for  
a daily flowing potential of 60  
barrels of 33 gravity oil, no water,  
with gas-oil ratio of 200-1.

Production was natural through  
a 1/2-inch choke and perforations  
between 2,028-066 feet. Tubing  
pressure was 75 pounds; casing  
pressure, 450 pounds.

south and east lines of 33-GG-  
HE&TW.

cation northwest, will be drilled to

for the day will be on Education.

tory picking up aliens who have

function is to apprehend transient  
aliens who mostly are headed to  
the northern part of the United  
States and who have eluded patrol-  
men stationed on the U. S.-Mexi-  
can border.

weighing of all lambs by county

made by Penn Baggett with 36  
pounds of gain on two finewool

## Crockett Voters Swat 5 Of Changes In Constitution

### 358 Voters Cast Bal- lots In Tuesday's General Election

Crockett county voted about one-  
third strength Tuesday in the gen-  
eral election, a total of 358 casting  
ballots in the election, the number  
surpassing the estimate of most  
observers in view of the lack of  
local contests.

Voters in this county followed  
about the pattern of that in o-  
ther parts of the state, giving heav-  
y majorities to Democratic candi-  
dates and registering approval  
and disapproval of amendments ac-  
cording to the general trend.

Voters in this county disap-  
proved decisively amend No. 1,  
proposing annual sessions and pay  
raises for legislators, 231 against  
and 92 in favor. They also disap-  
proved amendments No. 2, provid-  
ing county pension, No. 5, on  
city elections, No. 6, on ranger  
pensions and the No. 9 proposal  
providing for creation of hospital  
districts in the larger counties. The  
closely contested state advertising  
proposal, No. 7 on the ballot, was  
approved 170 to 156.

Governor Price Daniel polled 279  
votes to 66 for Edwin Mayer of  
Sonora and Senator Ralph Yar-  
borough received 277 votes to 59  
for Whittenburg and 2 for the  
Constitution party candidate, Lo-  
gan.

## Ozona Favored In Junction Contest Here Friday Night

### Injuries, However, Pave Way For Possible Upset By Eagles

By Ernie Boyd

The Ozona Lions will face the  
Junction Eagles at Lion Stadium  
Friday night at 7:30 as they take  
up their defense of the district  
8-A title.

The Lions will be heavily favored  
to down the Eagles but in the past  
Junction has always had enough  
left to give the Lions a real fit  
and the chance of an upset must  
be considered.

This year's edition of the Eagle  
team has been rather unsuccess-  
ful but not much more so than last  
year's team which gave the Lions  
their hardest district contest.

The Lions will be without the  
services of quarterback David Sikes  
and end Jerry Jacobs both of whom  
are out with wrenched knees. The  
loss to the Lions in offensive power  
will be great but the loss on de-  
fense is far greater.

Among the more pressing jobs  
facing Coaches Fred Hickman and  
Sonny Cleere this week will be  
that of moulding a pass defense  
out of untried defensive backs,  
and polishing up the Lion offense  
with Johnny Jones taking over the  
quarterback duties.

Jones was the pre-season choice  
to play the vital role as T opera-  
tor but a broken foot in August,  
shelved the little junior and still  
has him slowed down a good bit.

Tony Parker, the Lion reserve  
halfback who showed to such ad-  
vantage in Big Lake, is expected to  
see a good bit of action Friday  
night as are a number of reserve  
linemen who have been showing  
much promise of late.

Joe McMullan has been very  
impressive recently and really  
showed to good advantage against  
Big Lake.

In the district west of us Fabens,  
the pre-season choice, had unex-  
pected trouble in their district o-  
pener against a very weak Marfa  
team. With only four teams in  
the district only two more games  
will be needed to clinch the title.  
Iraan does not seem strong en-  
ough to do anything, even though  
they may be as strong as Marfa,  
and Sanderson is the co-favorite  
with the Sanderson-Fabens game  
expected to decide the winner.

If they should, it can only prove we have walked into their trap. It stands to reason if they can stop us from developing our "equalizer", we are at the mercy of their manpower.

Washington Observers, shocked at the steady expansion of the ranks of "public servants" at Federal, state and local levels, tell us that one person out of every eight in the US gets his pay in tax money! the total is estimated at eight million, the annual payroll at \$30 billion.

Tax reform provides the only means of reversing this trend. It is simply a case of "easy come, easy go." It will prevail as long as the taxpayers feel the same way.

## P. T. A. CARNIVAL

By Jerris Coupe

On Friday, October 31, we had our annual P. T. A. Carnival. The Carnival was held at the North Elementary. Among the many stands were the Country Store, the Side Show, The Cake Walk, and Bingo. The Student Council sponsored the famous crazy hats. There were many other booths sponsored by the North Elementary classes.

Mr. Hopkins and Mr. Pelto must have enjoyed the confetti. They had lots of it!

One of our citizens said it was unusually different because it was held inside. He said that his heart went out in compassion to the janitors.

Everyone seemed to have had gobs of fun. The response was great, and an unofficial report set proceeds at \$1200.

The classes wish to thank everyone who helped with their booths. Without sponsors and parents the carnival could not be a success.

## SMILE A WHILE

One of Mr. Harlan's students asked him if he was familiar with War and Peace. "As a matter of fact, I married her," he answered.

"Look, Jerry, I've told you eight times already — we don't have any rooms left! We're full up!" "If President Eisenhower came in, would you have a room for him?" "Why of course!" exclaimed the clerk. "Well", said Jerry, "let me have his room — he's not coming."

"I was shot in my left leg during the war," said Tug. "Have a scar," said Tug. "No, thanks, I don't smoke."

Usher: "How far down do you wish to sit, Madam?" Sweet Little Old Lady: "All the way. I'm tired."

## THE FAREWELL ADDRESS OF HERMAN S. FLEA

I guess everybody took a Friday night off so that they could have a carnival. (even the football boys) It look as if they did a pretty good job, too.

Kids are running around the halls screamin' and hollerin'. Mostly they are saying that we're gonna' beat Junction.

I was having the best time runnin' down the hall the other day and all of a sudden a bell rang and here came a stampede. The only way I could escape was to jump on Miss Tuggle's shoe. Guess where I am now! Yes, I'm in her wild short hand and typing room. (I didn't know she had a short hand.) When I dismounted, that's where I was and I surely can't open that door. This is a noisy room with all those machines going click clack. Miss Tuggle is fixin' to make a trip up stairs — so I guess I'll jump on.

I think this will be my farewell cause I'm fixing to mount the first dog west. I'm kinda a "rovin' gambler" anyhow. So long, Lions!

### The News Reel

A re-run of "The Ozona Story" as gleaned from the files of The Ozona Stockman

From The Stockman, Nov. 7, 1929

A petition signed by more than 100 taxpayers of Crockett county, some of them the largest taxpayers in the county, will be presented to the Commissioners Court Monday asking that body to call election for the purpose of voting on bonds in the amount of \$375,000 to pave U. S. 290 from the Sutton county line to the Pecos River and the Ozona-Barnhart road from the intersection with 290 to the Irion county line.

Limited time alone held the score at 45-0 at Kerrville Saturday when the Tivy High Antlers, a powerful team that could give any Class A team in the state a stiff battle, blasted the Ozona Lions' district championship hopes in decisive manner.

The two best wool fleeces in the state of Texas, an 8-months clip and a 12-months clip, were grown on Crockett county registered sheep. The clips were from Crockett county ranches of V. I. Pierce

and each won first place in its class at the State Fair in Dallas.

Growing pains. — "That serious consideration be given the need for more room for the high school departments," is the opening recommendation in the report of Miss Margaret Cotham, high school supervisor for the State Department of Education, based on her recent inspection of the Ozona High and grade schools.

Amistice Day, the eleventh anniversary of that great event when at the eleventh hour on the eleventh day, the cannon and rifle were stilled and the greatest conflagration the world has ever witnessed came to an end, will be fittingly celebrated Monday at the luncheon meeting of the Ozona Lions Club.

Alvin Harrell plans to attend the Texas-Baylor game in Memorial stadium at Austin Saturday. Ross Hufstader has accepted a position with the Ozona Tailor Shop, Jake Young, proprietor, announces.

More than 4,000 Crockett county lambs were loaded out of the shipping pens at Barnhart recently. Among shippers were the S. E. Couch, estate, George Bean, Fayette Schwalbe, J. Willoughby, Dick Baker, George Montgomery, Judge Montgomery, C. C. Montgomery.

Ozona's barbecue of beef, mutton and goat to the Old Spanish Trail motorcaders and the "wild west" stunts have been the subject of a number of newsletters back home, according to Harrell Ayres, director of the motorcade.

Mr. and Mrs. Judge Montgomery, Mr. and Mrs. Vic Pierce and Mr. and Mrs. J. M. Baggett were among Ozonans attending the wool sales in San Angelo last week.

Among Ozonans attending the Texas-SMU game in Austin last week were Mr. and Mrs. W. E. Friend, Jr., Mr. and Mrs. Dempster Jones, Mr. and Mrs. R. A. Harrell and Mr. and Mrs. Jim Dudley.

### Epsilon Sigma Alpha Sorority Tacky Party

Members of Epsilon Sigma Alpha sorority were entertained last week with a tacky party in the home of Mrs. Dick Webster. Hostesses for the evening were Mrs. Roy Coates, Mrs. Ray Collins, and Miss Pillie Chandler.

Hearts was played by those attending with Mrs. Homer Hopkins winning high score and Mrs. Sonny Henderson low score. Each guest modeled her costume, and Mrs. J. A. Peltto, wearing a lovely black and white, old fashioned swim suit, bonnet, and black gym shoes was voted the tackiest.

Refreshments were served to the following guests: Mrs. Homer Hopkins, Mrs. Ernie Boyd, Mrs. Gerald Dingus, Mrs. Sonny Henderson, Mrs. James Chapman, Mrs. Bill Lewis, Mrs. M. E. Dobbs, Mrs. Pete Hickman, Mrs. James Scott, Mrs. Mildred Webb, Mrs. Jesse Knox, Mrs. Jake Mullin, Mrs. Frank Jones and Mrs. Charles Womack.

You are Welcome

What are the Doctrines of the Episcopal Church?

The main doctrines of the Episcopal Church contained in the Apostle's and Nicene Creeds. The Creeds were drawn up in the days of the early Church, and the Nicene Creed has been the Confession of catholic Faith ever since. But beliefs expressed in the Creeds, the Episcopal Church holds to other catholic beliefs and practices, and these are embodied in the Book of Common Prayer. It is the Book of Common Prayer, in fact, that gives the authoritative doctrinal standards of the Episcopal Church.

The Episcopal Church holds that there are two sacraments only that are generally necessary for salvation, that is: Holy Baptism and Holy Communion.

### Family Entertainment

**Recommended Film Fare For Ozona Families**  
Based on studies by the Ozona Woman's Forum

In order to promote its theme of the year's study, "Families, Inc.," the Woman's Forum plans to publish this column from time to time. In it will appear suggestions of movies and TV programs we think families as a whole will particularly enjoy. These suggestions will be based on a study of recommendations in several family magazines and material from the Texas Federation of Women's Clubs.

"Froud Rebel": Alan Ladd, his 11-year-old son, David, and a dog are the stars of this friendly story, set in the days following the Civil War.

"No Time For Sergeants": Andy Griffith is a Georgia hillbilly drafted into the Air Force. Single handedly, by his innate good humor and naive helpfulness, he turns the carefully fitted routine of military regulations into a farce.

"The Light in the Forest": A first-rate film for the family audience. This is a story of pre-Revolutionary days when a white boy, James MacArthur, is captured by the Delaware Indians and reared as the chief's son. The film is exciting but does not contain the usual violence. The audience is given a knowledge and appreciation of Indian culture.

Special TV Programs to look for:

Lions in our guess: Phillip Carnes, Bill Semmler, Floyd Danley, L. D. Long, Darrell Rasberry, John Childress, Bobby Herrerra, Gary Lee Stewart and Carl Montgomery. I will go one step farther and say that if the others will put on a little weight to go with their desire and ability they too will be among those listed as Lions.

# Esso Extra

## Out-performs many gasolines selling for 1¢ more!

Esso Extra sells for premium—not super-premium—price, but it out-performs many gasolines selling for 1c to 2c more.

Out-performs them in clean-burning characteristics: it burns so clean that spark-plugs last up to 50% longer.

Out-performs them in anti-knock operation: its octane rating is high—higher, in fact, than the octane rating of many gasolines for which motorists pay a super-premium price.

Out-performs them in quick starting . . . in smooth, safe acceleration . . . in mileage.

Esso Extra is the No. 1 premium in Texas . . . first in premium sales . . . first in premium performance.

Use this great gasoline in your car. You'll prefer its performance, you'll like its mileage, and most of all, you'll be pleased with its economy.

Fill up under the Humble sign in your neighborhood. Every time!

HUMBLE OIL & REFINING CO.

**Golden Esso Extra**  
In a quality class by itself

This superior gasoline stands out as the best gasoline to use in any car in any price class. It is the only gasoline that will give you all the performance you paid for when you bought your modern car. It has highest octane rating; it eliminates engine "bucking" as you start, engine "rumble" as you drive, and engine knock as you accelerate. A must for cars with air-conditioning, power brakes and power steering. It's the gasoline for the 1955 models.

**Dependable Quality**  
at Regular Price

If your car performs well on regular gasoline, Humble Motor Fuel is your gasoline. Every gallon is made to exacting quality specifications.

You get three distinct advantages: (1) continuous improvement; (2) uniform quality wherever you fill up; and (3) a patented solvent oil that keeps engines clean.

Among the regulars, Humble Motor Fuel is second to none.

### Ozona Favored—

(Continued from page one)

The Lions have a wonderful chance to advance into regional play and maybe beyond, this season if they continue to work and improve.

The Lions became sole occupants of first place Friday when Sonora just edged Menard 20 to 14, indicating that if the Lions do not play well for the next two weeks the district could yet be lost to them.

On offense the Lions will probably start Jim Doran and Jim Williams at ends, Johnny Cooper and Dick Flannigan at tackles, Tommy Porter and Kenneth DeLand at guards and B. B. Ingham at center. In the backfield Johnny Jones will be at quarter, Bobby Sutton and Jim Freeman at halves and Billy Bob Holden at fullback.

The defense has not as yet been decided upon but will see a number of changes in position, and some in personnel due to injuries.

Rev. J. H. Meredith, pastor of the Ozona Methodist Church from 1928 to 1935, now retired, is a visitor here this week. Rev. Meredith spoke at the church family night supper Sunday evening.
