Radar Station Water Problem Near Solution With Well, Pipeline

Water problems which have beset the U. S. Air Force's radar installation east of Ozona since its completion and delayed the final complete manning of the station were near final solution this week.

On approval of contract recently, the Crockett County Water Control and Improvement District let contracts for drilling a water well on the nearby C. E. Davidson ranch where water rights had been secured, and for a pipeline from the well site to the radar station. Both have been completed. The water well, after acid treatment, yielding more than the minimum 80 gallons per minute on bailer tests.

Electric lines are being run and pumping equipment ordered to equip the new well ready to fill the storage tank at the base. The new water well was drilled about 200 feet west of an existing well on the Davidson ranch, about two miles east of the base, and a second well, as a standby, is to be drilled half way between the two wells. Both of the new wells will be equipped with pumps and tied into the pipeline.

H. B. Cox Estate Field In Crockett County Designated

The Texas Railroad Commission, Oil & Gas Division, has announced new field designation and allowable for a new field in Crockett County.

It is the B&H (Queen) field, opened Oct. 24 with completion of J. H. Buchanan of San Angelo No. 1 H. B. Cox Estate, six miles north-east of Sheffield, for a daily flowing potential of 52 barrels of 34 gravity oil, no water, with gas-oil ratio of 400-1. Production was through a 1/4-inch choke and perforations between 1,752-768 feet.

Location is 2,310 feet from the north and west lines of 36-GG&H-E&WT.

CROCKETT HOSPITAL NEWS

Mrs. Allie Armentrout, Ozona, medical; Mrs. Jesus N. Perez, Ozona, obstetrical; Dick Henderson, Ozona, medical; Mrs. Juan Sanchez, Ozona, medical; Mike Porras, Ozona, accident; Ernest Wells, Houston, Texas accident; Mrs. Dennis Van Cleave, Ozona, surgical; Mrs. R. C. Pitts, Ozona, medical; Ivy Smith, Ozona, surgical; Mrs. F. M. Cooper, Ozona, surgical; Shane Forsan, Ozona, surgical.

Patients dismissed: Mrs. Louis Jordan, Mrs. Billy E. Conn and infant daughter, Terrianna Berry, Mrs. Earl Berry, Sr., Mrs. J. K. Sparks, Mrs. Lonye Cain and infant daughter, Vivian Holland, Gregory Goolsby, Mrs. Carl North, Peggy Hayes, Carl Montgomery, Jr., Claude Montya, Mrs. Allie Armentrout, Mrs. Jesus N. Perez, and Mrs. Dennis Van Cleave.

Shelly Jones, daughter of Mr. and Mrs. Dempster Jones, was under treatment in a San Angelo hospital several days last week for an attack of pneumonia.

Kent Chapman

K. Chapman of Ozona Named to 'Who's Who' Of College Students

DENTON — L. Kent V. Chapman of Ozona is one of 35 students named from North Texas State College for inclusion in the 1958-59 edition of "Who's Who Among Students in American Universities and Colleges."

Nominations for Who's Who came from members of the faculty and the student senate. Final selection was made by a committee of faculty members and students. The 35 to be honored were chosen on the basis of scholastic achievement and participation in campus activities.

"This is considered one of the highest honors that can come to a student on this campus," NTSC Vice President A. M. Sampley said in announcing the names.

Chapman, the son of Mr. and Mrs. Joe G. Chapman, is a senior education major. He is president of the College Players, student drama group, and was named the best actor for an NTSC radio production in 1957-58. He has appeared in a number of plays at NTSC. Some plays in which he had a lead role are "My Three Angels," "Great God Brown," "The Glass Menagerie," and "Pygmalion."

E. L. Galyean Of TSTA To Speak at Meeting Of Local Unit Tuesday

E. L. Galyean, director of Research and Records of the Texas State Teachers Association, will be the guest speaker at a meeting of the local unit of TSTA next Tuesday night, November 18, in the school cafeteria.

The meeting will begin at 7 p. m. with supper in the cafeteria. Mr. Galyean's subject will be "The TSTA Legislative Program for 1959." A former teacher in elementary and high school grades, a former superintendent of schools and for a time deputy State Superintendent, Mr. Galyean now devotes full time to his work with the state association of teachers.

List of donors to the Hospital Memorial Fund since October 8, 1958:

Mr. and Mrs. Dixon Mahon in memory of Dorothy May Cate, daughter of Mr. Reynolds Cate, San Antonio, Texas.

Girls Basketball In OHS This Year First In 8 Years

Miss Barbara Tuggle To Coach Squad Of Twenty Girls

By Ernie Boyd

Ozona High School will take up girls' basketball this winter for the first time in eight years, with fall practice now in its second week.

A squad of some twenty girls reported to Miss Barbara Ann Tuggle last week with the first game still some one month away.

Ozona will, of course, have no lettermen or squadmen and will have but few girls who have seen more than one game in their lives. There are no tall girls on the squad, the majority of whom are freshmen, Miss Tuggle said.

Miss Tuggle is a graduate of North Texas College and now teaching typing and shorthand at Ozona High. She played basketball in High School while attending Gainsville High School.

Most of the drills to date have been concerned mainly with conditioning. Each phase of the game will have to be taken up before the remaining sessions are completed and the first game played.

Miss Tuggle gave the following girls as being members of the squad at present:

Molly Sue Richardson, Glenda Friend, Diane Phillips, Judy Black, Pam Perner, Gail Rowe, Becky Cullins, Frances Childress, Pam Jones, Barbara Hatcher, Charlotte Johnson, Kay Pitts, Jo Good, Jerrie Coupe, Janet Mason, Beverly Alford, Dee Woodall, Don Nell Carnes, Janice Lara and Camille Adams.

Sheepmen Promote Products In Nationwide Advertising Campaign

Sheepmen in this area, as well as throughout the United States, have an interest in a self-help program of promotion and advertising on lamb and wool that is presently being conducted by the American Sheep Producers Council, headquartered in Denver, Colorado.

This unique program on the part of sheep owners is an attempt to expand markets for their products — lamb and wool — and provide a more stable income. As one sheepman said: "It is time that the sheep industry builds on the solid foundation of good markets just as any other business attempts to do. No one will do it for us," he said.

The program is financed by a deduction from payments made to sheepmen and sheep feeders under the National Wool Act of 1954. Dedications for promotion and advertising made by local ASC offices amount to one cent per pound of wool marketed and five cents per cwt of lamb marketed. This adds up to approximately \$2½ million annually for the promotion program.

The lamb program is concentrated in 19 major metropolitan areas across the nation and includes advertising in newspapers, radio and television, plus a merchandising program designed to increase interest in lamb among packers and retailers. Wool, unlike lamb, is used nationwide and advertising on wool is conducted in national consumer magazines.

That the program of the American Sheep Producers Council is effective is evidenced by a definite stabilizing of average prices for lambs in the last two years. In addition, the figures on sheep population released by the USDA indicated a 3% increase in stock sheep numbers from 1957 to 1958 indicating a renewed interest in sheep raising.

OZONAN WITH 7TH FLEET

FORMOSA — Donald E. Taylor, electronics technician seaman, USN, son of Mr. and Mrs. B. L. Taylor of Ozona, Tex., is serving aboard the destroyer USS Jarvis, operating with the U. S. Seventh Fleet off the coast of Formosa.

Charter Memberships Still Open In Newly Organized Gun Club

The Ozona Gun Club met in the courthouse Monday evening. The newly organized group discussed plans to set up shooting ranges and also plans holding a turkey shoot sometime before Christmas.

Charter memberships in the club are still open and will be for the next two weeks, Chuck Hinrichs, president, announced. Any person interested in shooting is urged to join as a charter member. Membership dues are \$5 a year with an additional \$4 per year for membership in the National Rifle Association if desired. Associate memberships are available to boys from 15 to 18 years of age at \$3 per year.

Those interested in joining the club are asked to contact Tom Allen at the old Perdue Grocery building or Chuck Hinrichs at the Phillips Petroleum Co. office across from the high school. The next meeting will be at the courthouse on Nov. 24 at 7:30 p. m.

Community Service Planned By Churches Thanksgiving Morning

A community Thanksgiving service will be held Thanksgiving morning at 10 o'clock in the First Methodist Church under the sponsorship of the First Baptist Church, the Methodist Church and the Chapel of the Good Shepherd (Episcopal) Church in Ozona.

Rev. Alanson Brown, rector of the Chapel of the Good Shepherd, will be the speaker. A community choir will provide music. The entire community is invited to take part in the service.

Moore Finals Well In Crockett County

The Shannon (San Andres) field of Crockett County gained a producer with completion of John I. Moore, San Angelo, No. 2 Moore, 22 miles southwest of Big Lake.

It was completed for a daily flowing potential of 102 barrels of 29 gravity oil, gas-oil ratio of 50-1. Operator set 5/8-inch casing at 2,160 feet on total depth of 2,273 feet. Top of pay was picked at 2,160 feet.

Location is 2,450 feet from the north, 330 feet from the west line of 11-Q-E. W. Ingram.

Lions Slop Thru 27 to 6 Win Over Junction Eagles

Idle Week-End After Big Lake Run-Away Show Effects

By Ernie Boyd

Bobby Sutton sprinted 48 yards on a punt return and 63 yards on a trap up the middle last Friday night to lead the Ozona Lions to a 27 to 6 win over the Junction Eagles.

Soph Jim Freeman, running from an orthodox T for the first time this season, counted two more Lion scores on a five-yard trip over night guard and the recovery of a blocked punt behind the Eagle goal line.

The Lions showed the effects of the run-away win over Big Lake and the off weekend last week as they played a good bit off the form that led them past Rankin, Sonora, Sanderson, and Big Lake before last week's game.

The Lions ran up 278 yards rushing to a mere 30 for the Eagles but once again the Lion pass defense showed the effect of the loss of David Sikes and Jerry Jacobs as the Eagles completed eleven passes out of 21 for 125 yards.

Coach Pete Hickman substituted freely throughout the contest and doubtless could have had at least three more scores had he really needed them.

Ozona took the kickoff and with Sutton, and Freeman sparking the drive, carried to the Junction eight before giving up the ball on downs (Continued on Page Two)

Final Game Poses Greatest Threat For Lions Friday

Menard, Last Big Hurdles For Dist. Title Here At 7:30 p. m.

By Ernie Boyd

The Ozona Lions began serious work Monday afternoon in preparation for what Coach Fred Hickman believes may be one of the Lions' stiffest tests of the season.

The Lions will entertain the Menard Yellowjackets at Lion Stadium Friday night in a game that will decide the 1958 district title.

Menard, with a two won and one lost record, could pull into a first place tie with the Lions by virtue of a win Friday night as the Lions, sporting a 3 won and 0 lost record, currently lead the pack.

Menard has improved rapidly in recent weeks and with a number of boys back who missed some of their early games due to injuries, the Yellowjackets pose a real threat to the Lions.

Curtis Leggett, the Yellowjacket quarterback and deep man on their spread, is one of the district's better backs and runs and passes with considerable skill. The second man the Lion will have to be concerned with is a fleet wing back named Ellis, who is described as a pass receiver of unequalled ability in the district.

In addition to the above named assets, the Yellowjackets boast a big line that has lent itself well to giving its passers time in finding a target.

The Yellowjackets, after a dismal start, downed Junction in their district opener and then dropped a hard fought 20 to 14 game to Sonora. The Broncos had to come from behind twice to pull the game out of the fire.

Last week the Yellowjackets whammed Big Lake 42 to 22 and now a win over Ozona would throw them into a tie for first place a-long with Ozona and Sonora.

In the district west of us Fabens clinched a tie for the title last week by downing Sanderson 20 to 14 in Fabens. The Wildcats have only the hapless Iraan Braves left on their schedule so are as good as in, as far as reality goes.

The Lions received some encouragement Monday as Jerry Jacobs took limited part in the workout and David Sikes seemed to be greatly improved. It is not likely that either will get much service this week but Jacobs might be available for some pass defense if his knee continues to improve.

The Lions went through a long drill on air defense that gradually expanded to a full contact drill against the spread and T offense.

The Lion offense, which left a great deal to be desired last week, will receive attention the biggest part of the remaining drills.

Program On Education For Woman's Club

Education was the program topic when the Ozona Woman's Club met Tuesday afternoon in the home of Mrs. Max Schneemann. Mrs. Roy Killingsworth was program coordinator. Trends in education were discussed by Mrs. S. M. Harvick, whose topic was the Rockefeller Report; Mrs. Joe Pierce, Jr., on the subject, "Do Men Need College Degrees More than Women"; Mrs. Max Schneemann on Parent Education and Mrs. Ted White on career day for high school students. A vocal solo by Sally Baggett, accompanied by Mrs. Brock Jones completed the program.

Mrs. L. B. Cox, Jr., presided at a business meeting. Mrs. R. H. Knox was admitted to membership. Members of the club plan to go to San Angelo Saturday for a tour of the new San Angelo Central High School. The group will leave from the Ozona High School at 8 a. m.

The next meeting of the club will be on Nov. 25 in the home of Mrs. Hillery Phillips.

Present were Mmes. L. B. Cox, (Continued on Last Page)

Football -

(Continued from Page One)

for the first of a number of times during the night.

Junction put a quick scare into Lion followers as they went into the air and drove to the Lion thirty-five before a bad snap brought about Jim Freeman's recovery of the football for Ozona.

The Lions seized on the break and moved forty-five yards for the score as Jim Freeman slipped over the middle for five and the score. Sutton converted and the score at the end of the first quarter was 7 to 0.

The Lion defense, which leaked badly in the first quarter, got down to business in the second period and hammered the Eagles so effectively that the next two Lion scores had to be attributed largely to the defense.

Bob Meinecke got things started by intercepting a Junction pass and running it back to the Junction 35. Meinecke stayed in at quarterback and the Lions pushed down to the Junction 4 before running out of gas.

Junction quickly found that getting the ball was not all that was needed and could not gain. Spencer McDonough got off a good kick but Sutton took the ball and ran it back 48 yards for the second Lion score. This time the extra point try was blocked so the score remained 13 to 0.

Firm Prices Prevail For All Classes Cattle

Fort Worth - Cattle and calf supplies were about normal at this market for the Mon. trade. The trade responded with good activity and sales on all classes were generally steady to strong as compared with the previous week's close.

Most of the fed steers and heifers brought \$24 to \$25, a few short yearlings on the calf order on up to \$27 and higher. Four loads of fed heifers in the 900-pound bracket cashed at \$25. Fat cows brought \$18 to \$20.50 with canners and cutters ranging from \$12 to \$18, a few outside that spread. Bulls sold from \$18 to \$23 including two loads of range bulls at \$22.

Good and choice fat calves sold at \$25 to \$27.25, medium kind around \$21 to \$24, culls down to \$17 sparingly. Stocker steer calves drew \$23 to \$32.50, stocker heifer calves \$30 down. Stocker yearling steers sold at \$22 to \$27. Demand for stocker cows was broad and several loads sold at \$18.50 to \$21, one small lot at \$22.

Slaughter Lambs Lower Feeders Near Steady

Fat lambs were 25 to 50 cents lower while feeder offerings held nearly steady. Other sheep were scarce. Good and choice shorn and wooled slaughter lambs sold at \$20 to \$22. Medium and good feeder lambs turned from \$18 to \$21. Slaughter goats cashed at \$7.50 to \$8.

LADIES BIBLE CLASS

The Church of Christ Ladies Bible Class met at the church Wednesday morning at 9:45 for the study, "Unity Lost in Apostasy."

Darrell Brawley teaching the class. Present were Meses. H. W. Baker, C. L. Sims, Calvin Hodge, John Earbee, W. T. Goodson, Paul Hallcomb, Pat Lee, Bill Johnigan, Glenn Sutton, Buck Williams, Lilly Smith, Paul Ballard, J. D. Alexander, P. T. Robison, Fred Hickman, B. E. Cleere, J. W. Owens, Peery Holmsley, Rob Miller, Bud Loudamy, Darrell Brawley, Rusty Williams, J. D. Nairn, Ed Cranfill, T. C. Goodman, Charles Annette, O. D. Paulk, Roy Miller, Ham Thompson and J. B. Miller.

OZONA LODGE NO. 767 A. F. O. E. Regular meeting on 1st

ROBT. NASSIE FUNERAL CHAPEL Ambulance Service Day or Night Phone 6151 San Angelo, Texas ROBT. NASSIE FURNITURE CO. San Angelo, Texas Phone 6721

The Lions kicked off and Junction quickly found themselves in real trouble as John Aagan was nailed for an 8-yard loss by Larry Albers after getting set back two more by Dick Flannigan and Diz Reeves on the first play. McDonough went back to kick out the Lion forward wall threw the Junction backs back into the kick and Jim Freeman fell on the ball in the end zone for the score.

The Lions seemed to have found themselves and it took but two plays in the third quarter to produce the final Lion tally. Billy Bob Holden got nine on a quick opener and then Bobby Sutton found a gaping hole where a Junction linebacker had crashed and streaked 63 yards for the score. Holden bucked over the two points and the reserves took over for the night.

The Lions provided the visitors with their only chance to score late in the third period when a pitchout went wild and Junction recovered on the Lion 24.

The Eagles sent McDonough off tackle for four and then a pass from McDonough to Aagan got six more and the first down another pass from McDonough to Larry Goodall went for 16 and the score. The try for two was no good and the score stood 27 to 6.

Ozona's reserves gradually gained the upper hand in the final period but two costly fumbles ended reserve drives that looked as though they were going to set up scores.

The Junction team came to Ozona with high hopes of an upset and played with dogged determination in an effort to upset the Lions but simply did not have the manpower to effect such an event even though the Lions played rather sloppily through out the contest.

Bobby Sutton was the game's chief ground gainer with 113 yards on 12 carries. Holden had 57 on 10 carries and Freeman had 40 on seven efforts.

In first downs the Lions had 13 to Junction's 9 and the game was remarkably free of penalties with the Lions getting 2 for 20 yards and Junction getting one for 5.

NOTICE TO TAX PAYERS 1958 TAXES Are Now Payable Earn 2% Discount On State and County Taxes By Paying In November

County, State and School Taxes are due and payable beginning October 1. As in previous years, a scale of discounts for early payment will be in effect this year. Discounts will be allowed only on state and county taxes, none on school taxes. Discount schedule is as follows:

GIRL SCOUT TROOP 1

Girl Scout Troop 1 met Wednesday afternoon for the election of officers for November and December. Elected were Linda Leath, president; Carmen Childress, vice president; Sharon German, secretary; Vicki Applewhite, treasurer; Joleen Butterfield, sergeant at arms; Cheryl Lyles, nurse, and Linda Miller, reporter. The afternoon was spent working on aprons. Leaders are Mrs. James Childress and Mrs. C. O. Walker.

GLEANERS CIRCLE

The Gleaners Circle of the Woman's Society of Christian Service met Wednesday morning in the home of Mrs. Tom Harris. Mrs. R. A. Harrell gave the devotional. Mrs. Lindsey Hicks, leader of the program on human rights, spoke on the United Nations declaration of human rights. Mrs. Bud Cox spoke on UNESCO and UNICEF. Mrs. P. C. Perner of the UN world health organization and Mrs. John Childress on the UN food and agriculture organization. Others present were Mrs. Stephen Perner, Mrs. S. M. Harvick and Mrs. Joe Pierce, Jr.

The next meeting of the Circle will be at the home of Mrs. V. I. Pierce on Dec. 10.

LADIES GOLF ASSN.

The Ladies Golf Assn. was entertained with bridge last Thursday at the country club by Mrs. J. M. Baggett. High score award went to Mrs. Marshall Montgomery, low to Mrs. Sidney Millsbaugh, Jr., and cut to Mrs. Hillery Phillips. Members attending were Mrs. Lloyd Sherrill, Mrs. Larry Albers, Mrs. Byron Stuart, Mrs. C. O. Walker, Mrs. Lindsey Hicks, Mrs. J. S. Pierce, III, Mrs. Early Baggett, Mrs. Joe Pierce, Mrs. Sherman Taylor and Mrs. J. M. Baggett. Guests included Mrs. Evert White, Mrs. Tommy Harris and Mrs. R. L. Flowers.

GA AUXILIARY MEET

The Commie Jay GA's of the First Baptist Church met for their regular weekly meeting Monday. The program was in Chinese style. The girls sat on the floor with a table holding tea dishes. Present were Celia Houston, Gloria Loadomy, Nancy Deland, Patricia Allen, Landa Goolsby, Lana Alford, Annie Ruth Wallace and Mrs. Elmo Wallace.

Cadillac

Motordom's New Measurement of Greatness!

The American motorist has long since adopted his own personal technique for judging the year's automotive offerings.

He simply looks to the new Cadillac car to discover motordom's fullest measure of all that is new and good and wonderful.

And never before has Cadillac placed such a high standard of excellence on the world's motor cars as it has for 1959.

For the new "car of cars" has introduced a whole new concept of what an automobile can do and be... and how it should look and act.

To the eye alone, it is a revelation. Elegant, majestic, substantial, poised—it has brought a new magic and splendor to the world of motion.

Its Fleetwood interiors are miracles of advanced design. Appoint-

ments... fabrics... and leathers are beautiful beyond imagination.

The 1959 Cadillac is equally inspiring from behind the wheel. Its spectacular new engine, its advanced transmission and its new ease of ride and handling make a journey at its wheel the most glorious distance between any two points.

These Cadillac advancements have been interpreted in thirteen distinctive body styles—including a new Eldorado Brougham.

So if you contemplate the purchase of any motor car in the coming year, you owe yourself an early visit with this newest of Cadillacs.

Sixty minutes in the showroom and on the highway will give you a full understanding of the new way to measure greatness in a motor car.

The majestic new Cadillac for 1959 is now on display—inspect and drive it today!

There's no time like Old Stove Round-up time for takin' action on yer cookin' problems. Be you good cook or bad... there's no better way to up-grade yer meals than with a new, completely automatic Gas Range. Outside of openin' cans and prepared-food packages, there's hardly anything to do 'cept throw it on and fergit it. The range does all the thinkin', watchin' and timin', and you'll be pleased as punch at the results. And say... these new Gas Ranges shore are purty as a picture. Ma'am... I just know you'd be proud as a peacock to own one. Better mosey down to yer dealer's and look 'em over.

While there, be sure to see the many special values on new Gas Clothes Dryers, too, and ask about the big Bonus Offer available to every new appliance purchaser.

than any group in America. And when we buyers find ourselves in a tight spot we usually pick out from amongst our salesmen friends one of several in whom we repose complete confidence for counsel and advice, and get it clean and straight.

THINGS 'N STUFF

My, my! How the time does fly! There's only one more week until six week tests are here again. Thanksgiving will be here before we know it. Just think of all the juicy gossip we can pick up during those few precious holidays.

We had some visitors in Ozona this week. They were Calene Fussell from Jal, John Bennett from Midland, and Monty Montgomery who came down from T. C. U. with Bill Black. We hope they enjoyed their stay.

Friday night seemed to be especially surprising for Nonie. Just what did happen to shock you so, anyway?

At the dance after the game a new pair of "steadies" was announced, Duff and Margo. Congratulations, kids!!

We've been seeing some new faces together lately. Linda and Don, and Diane and Mike. Wonder what's going to become of this?

The twosome seen around town Saturday night were Susie and Bill, Frances and Monty, Joe and Nonie, Don and Linda, Bob and Molly Sue, and Tony and Janet Perry from Barnhart.

A dance was given for the junior high football boys Saturday night, but a few certain high school couples seemed to enjoy it, too.

Sunday afternoon Judy and Susie decided to leave our fair city. They went to Angelo with Bill to see a steer roping. Couples together Sunday night were Becky and Diz, Joe and Molly Sue, June and Tommy, Diane and Mike, and Anne and Bill.

Now as I close I have but a few more words to say:

SWAT 'EM LIONS !!

THOUGHT FOR THE WEEK

Reading without thinking gives one a disorderly mind, and thinking without reading makes one unbalanced.

JUNIOR PLAY

By Linda Millspaugh

This year during the month of December, the Juniors take great pleasure in presenting to you, "Maudie and the Opposite Sex!" They feel very honored in having Mr. Leath to direct them. His very helpful assistant directors will be Anne Davidson and Douglas Stuart.

Maudie, played by Camille Adams, is a teenager who has the many problems that teenagers have. Her biggest problem is her mother and father, Mr. and Mrs. Mason, played by Tommy Stokes and Linda Millspaugh. They seem to think a separation from Davy, her steady boyfriend Roy Neil Killingsworth, would do her good.

So off they go to a summer resort near the beach, taking Sylvia, Maudie's sister played by Susie Chandler; and Lynn, Sylvia's best

friend (June Bunger) along with them.

There is the suspense of thinking Maudie has eloped with Davy. Did she? Come see the play!

Other characters are Maudie's unsophisticated friends Marge (Nonie Conklin), Ber (Margo Pogue), Sandy (Bama Burton), Pat (Sally Baggett), and Terry (Golda Goodman). Mr. Endicott, a handsome writer, is played by Pierce Miller. Last but not least are the two best looking lifeguards, who are . . . Well, I'll let you find out who they are in addition to the many thrills and laughs you will have when you see the Junior Play of 1958!!!

HOMEMAKING

Homemaking classes are what the high school students might call "wild". Everyone runs over to the H. E. building and grabs their box, runs for a machine and then puts her name on the "help" list. This is a bad day; everyone wants help. You could read your guide sheet, but you were trying out your new electric scissors and cut it up in

little pieces last week. Then you remember Mrs. Hull's last words yesterday. "Pin piece three to the sleeve." You start throwing pattern piece, pins, and whatever else is in your box. It's not there. You run around looking in all the drawers. Now you remember seeing

that yesterday, because you didn't know what it was "Has anybody seen it?" Somebody over in the corner chokes and say, "was it little, and . . . ? I thought it was a scrap and . . ." That's the way it goes.

The News Reel

A re-run of "The Ozona Story" as gleaned from the files of The Ozona Stockman

From The Stockman, Nov. 14, 1929

The Junction Eagles, strong contenders for District 12 championship honors, trampled the Ozona Lions 31 to 0 on the Eagle field Saturday afternoon. Although playing their best game of the season, the Lions were so far outclassed in weight and wealth of material that their chances were nil from the start.

Saturday, Dec. 21, is the date fixed by the Commissioners Court, in session late Wednesday, when the property taxpaying voters of Crockett County will decide at the polls whether or not the county will issue bonds in the amount of \$375,000 for the purpose of matching state and federal funds for the construction of \$1,500,000 worth of good roads through the county. The election call was made by the court in response to a petition bearing the names of 110 qualified voters.

The Model Laundry, successor to the Ozona Steam Laundry, is now open for business in the new building recently erected for the firm by Dr. J. A. Fussell. The new laundry, owned by a group of local stockholders, is under the management of H. B. Clark.

Mr. and Mrs. H. B. Cox and Mrs. S. E. Couch are visiting relatives in Waco.

Claude Denham and Elbert Sadler, teachers in the local schools, visited the Carlsbad Caverns the past week-end.

While stock "faw down and go boom" and a multitude of speculators find themselves the victims, our national prosperity continues on an even keel. During the height of the Wall Street slump, public officials as well as business leaders have come forth to reassure the public that the slump in the market should have no great effect on our national prosperity. (Ed. Note: That was whistling in the graveyard before the great depression of the thirties.)

The Tom Smith home is being razed this week in preparation for the construction of a new one on the same site.

Ele Hagelstein and Miss Louise Coates attended the SMU - A&M football game in College Station Saturday.

Mrs. Arthur Hoover is in Mineral Wells attending the state convention of the Federated Women's Clubs.

A boy weighing thirteen pounds was born to Mr. and Mrs. W. J. Grimmer last Thursday afternoon.

Mrs. P. L. Childress and Pleas Childress, Jr., were in San Angelo Friday where Pleas, Jr., is receiving treatment for a broken arm.

Miss Beth Davidson, who is attending business college in Abilene, spent the week-end here visiting her parents, Judge and Mrs. Chas. E. Davidson.

Mrs. T. A. Kincaid, Jr., spent the week-end in Dublin at the bedside of her grandmother who is seriously ill.

GIRL SCOUT TROOP 3

There were 16 Girl Scouts present Nov. 11 for Troop 3 meeting. First aid requirements toward second class badges were finished. Present were Lucille Childress, Marsha Parker, Marilyn Lawrence, Fannie Beth Everett, Vicki Lynn Montgomery, Mary Jo Walker, Linda Woolam, Celia Houston, Marilyn Millsbaugh, Donna Moore, Melissa Harvick, Linda Collins, Suzanne Lewis, Kay Patterson, Helen Jayes, Barbara Kirby, Lynn Cox and Lana Kay Alford.

KATHERINE WALKER CIRCLE

The Katherine Walker Circle of the First Baptist church met in the home of Mrs. Huey Ingram Wednesday morning to continue the study of the mission book, "Into a New World" started last month by Mrs. George Bean. Others present were Meses Harold Shaw, Wesley Lyles, Ivy Mayfield, Herman Cornelius, Huey Ingram, Buster Loudamy, Clarence Farmer, Wayland Jordan, Dwayne Vinson, Dudley McCary, Glenn Webb, George Glynn, Rex Halydier, Bob Sonnevelt and Marcus Fenner.

Miss Dorothy Price Is Guest Speaker At ESA Sorority Meeting

The home of Mrs. Alma Roach was the scene of the monthly meeting of Epsilon Sigma Alpha Sorority on Monday night of this week. Hostesses for the evening were Mrs. Homer Hopkins, Mrs. James Chapman, and Mrs. Bill Lewis.

The educational program was presented by guest speaker, Miss Dorothy Price. Miss Price's topic was "Distilled Emotions." Under this subject she dealt with the better understanding of such emotions as worry, jealousy and envy, hate and revenge, grief and finally humor.

The business meeting which followed was in the form of a model meeting to acquaint prospective new members with the procedures of the sorority. It was announced that the Girl Scout drive begun last Saturday was still short of meeting the assessment for this city.

Coffee and cake were served to the following members and guests present: Mrs. Ernie Boyd, Mrs. Jerry Hayes, Mrs. Fred Hickman, Mrs. J. A. Pelto, Mrs. Charles Ratliff, Mrs. Dick Webster, Mrs. R. L. Bland, Jr., Mrs. Charles Womack, Mrs. James Scott, Mrs. Ray Collins, Mrs. Coralie Meinecke, Mrs. Huey Ingram, Mrs. M. E. Dobbs, Mrs. Vernon Harlan, Mrs. Brooks Dozier, Mrs. Mildred Webb, Mrs. Weldon Maness, Mrs. Sonny Henderson, Mrs. H. C. Hoover, and Mrs. Jake Mullins.

Miss Alma Ingham, a student at Southwest Texas State College at San Marcos, spent the week-end here visiting her parents, Mr. and Mrs. B. B. Ingham, Jr.

YOU'RE SAFER when we make your car SOUND!

Keeping your car supplied with high-quality gasoline and oil is only part of our job.

We also consider it our job to make sure your car is a pleasure to drive. That's why, whenever you bring your car to us for servicing, we also check your battery, lights, horn, windshield wipers, brakes and scores of other accessories and parts that must be kept trouble-free.

Providing special service like this is our way of getting and keeping your business. It's another example of how you benefit from the healthy competition throughout the entire oil industry—from the oil well to the gasoline pump.

So drive in to our station today. And when you drive out you can be sure your car will be sound—and safer.

Electric COOKING

COSTS LESS THAN 3¢ A MEAL

YOU COOK BETTER... LIVE BETTER...

Electrically

You'll feel like singing in your kitchen... when you cook with a new automatic Frigidaire electric range.

There's more leisure time for you because your automatic timer and temperature control takes the guess work out of cooking... starts and stops oven and surface units so that you don't even have to watch food cook. And so inexpensive... to cook the modern, clean, electric way costs the average family served by WTU about \$2.34 a month.

Why put it off? Cook and Live Better Electrically.

COME IN SEE THE FRIGIDAIRE SHEER LOOK PLUS a score of exciting new Features • Four Glamorous Sheer Look Colors — Frosty Turquoise, Sunny Yellow, Mayfair Pink and Charcoal Gray — sold at the same price as white.

Electrically COSTS SO LITTLE— YOU CAN USE LOTS OF IT!

By Priscilla Stewart

Of interest to every high school junior is the National Merit Scholarship Qualification Test.

All high school students who will be in their second semester of the junior year at the time of the examination are eligible to take the test.

The charge for taking the test is \$1.00 per student, payable this year by the public schools of Ozona on the examination day, April 28, 1959. The three-hour test will be from 9:00 to 12:00 noon

at the Ozona High School. In the 1959-60 academic year, the National Merit Scholarship Corporation will provide more than \$5,000,000 worth of four-year scholarships. The amount of the scholarships is determined by financial need, and they are renewable annually without further competitive examination.

Although the primary purpose of N. M. S. Q. T. is to select National Merit Scholars, the test results will tell students a great deal about their educational strengths and weaknesses. As a result, students will be able to approach decisions about their senior year in high school more intelligently, plan for future education and training, and make a sound vocational choice with greater knowledge and confidence.

From the test results, both the students and teachers can see how well he is progressing and how his test performance compares with other high school students across the nation. Completing the worksheet provided will enable him to compare his abilities and educational aptitudes with the requirements of the vocational or college training he is considering. This information will also assist him in selecting college courses

of study in which he is most likely to succeed. For these reasons, students may want to take the test even if they are not seeking a scholarship award. All participating will receive a detailed six-page Students Interpretive Folder with instructions for charting their over-all performance, as well as their scores on the various sub-tests.

Ten thousand semi-finalist are selected from these first tests and are invited to take a second examination during the fall of that year.

The finalists selected from these will not all receive scholarships. Two-thirds of the students not receiving a National Merit Scholarship may receive other types of scholarships.

Science Research Associates of Chicago has again been selected to construct, administer, and score this widely used scholarship qualifying test sent to Chicago by each participating school in August. Last year almost one-half million high school juniors took the test for scholarship or guidance.

We wish our students determined to do their best, all the luck in the world, and we hope some of them are among the winners.

STUDENT TEACHERS IN OHS

By Camille Adams

There has been an addition to the Vocational Agriculture department of Ozona High School. Tom Haby, Jr., and Tommy Hefferman will be doing student teaching here until Christmas.

Both are seniors at Texas Tech. Mr. Haby is a graduate of Uvalde High School. His specialty is sheep ranching. Mr. Hefferman is a graduate of Junction High School. By the way, he played in the Junc-

tion — Ozona district game a few years ago when Junction beat Ozona in the last 17 seconds of the game. When Mr. Hefferman was asked where he would like to teach when he received his degree, he said, "Somewhere in the ranching country; I couldn't take that farming."

So, we can gather from this that we have a couple of pretty good old boys — they like ranching.

On behalf of the student of Ozona High School, we welcome them to our school.

Gordon G. Aikman, Owner & Pharmacist

This 4-door Hardtop Cruiser is the luxurious Park Lane by Mercury. Also available in the distinctive Montclair and the popular Monterey series.

The brand NEW '59 MERCURY shows you what NEW really means

Americans are looking at the new cars with a new look in their eyes. They're searching for the best combination of all the things that count in a car. The answer in 1959 comes from this completely new 20th Anniversary Mercury.

SEE NEW CLEAN-DYNAMIC STYLING

Distinctive...Mercury has exclusive body design; it is the only car in its class that does not use a body shared by a low-priced car.

RELAX IN A NEW KIND OF COMFORT

No car in its class has more usable room. For easier entrance, doors are wider than those of costliest cars. Up front...9 inches more knee room! The tunnel-hump in the floor HAS BEEN CUT IN HALF! The man in the middle doesn't

sit with his chin on his knees. And that lower hump makes room for thicker seat cushions.

FEEL LIVELY NEW PERFORMANCE

Not just high horsepower...although Mercury offers up to 345...but a new kind of response, quiet, obedient, effortless.

ENJOY NEW ECONOMIES

2 out of 3 new-car buyers can afford Mercury. The big special is the Monterey with its new Economy Engine. You get top performance on regular (not premium) gas...it's like "riding free" 10 miles out of every 100.

Add it up and you get everything you want on wheels...the '59 Mercury. We invite you to try this great car...at our showroom.

NEW COMFORT UP FRONT That tunnel-hump you'll find on other '59 cars is 50% smaller in Mercury. 3 full-size riders can stretch out (including the man in the middle).

MERCURY'S COUNTRY CRUISER...Unique hardtop styling. Retractable rear window. Fold-away 2nd seat that faces front. Consoled package compartment.

MERCURY'S FEET WITH SUB-TO-ONE WIPERS...They clear a 45% larger area...a 5-foot swath...including the center section. Only Mercury has this aid to safer driving.

Everything you want on wheels

- NEW STYLING
- NEW COMFORT
- NEW PERFORMANCE
- NEW ECONOMY

All beautifully combined in the 20th Anniversary

MERCURY BUILT TO LEAD...BUILT TO LAST

ON DISPLAY TOMORROW AT YOUR DEALER'S...TOTALLY NEW FROM ROAD TO ROOF!
