The News Reel

A re-run of "The Ozona Story" as gleaned from the files of The Ozona Stockman

From The Stockman, Feb. 20, 1930

Ozona theatre - goers will have an opportunity to enjoy the modern form of motion picture entertainment, the "talkies", in their own theatre soon. Announcement was made this week by J. R. Kersey, manager of the Ozona Theatre, of the purchase of modern sound equipment for installation in the local theatre. The show house is now being readied for the inauguration of the "talkies."

On Monday evening, Feb. 17, L. A. Greer, barber in the Ideal Barber Shop and Miss Alma Potteet were married by the Rev. M. M. Fulmer at the Baptist parsonage. The young couple will continue to make their home here.

Miss Callie McKinney, daughter of Mr. and Mrs. Ralph McKinney, is valedictorian of the 1930 senior class, Supt. John L. Bishop announced this week. Miss McKinney's average grade for her four years of high school was 87.44. Miss Dorothy Miller will be salutatorian with an average of 83.40. Carl North is the highest ranking boy in the class with an average of 81.96.

A third request for submission to the voters of the question of whether or not a \$375,000 bond issue shall be approved for paving highway in Crockett county, will be placed before the Commissioners Court at its next session.

Viewing it as a community project of vital importance, the Ozona Lions Club unanimously endorsed the proposal of the Southwest Sewer Co. of Dallas to install a modern sanitary sewer system in Ozona.

Fayette Schwalbe and Mrs. Elmo Taylor were in San Angelo over the week-end at the bedside of Mr. Taylor who is recovering from a recent attack of pneumonia.

Ben Lemmons is in St. Louis

to attend the funeral of his mother who died there last week.

LADIES GOLF AND BRIDGE ASSOCIATION

Weekly play of golf and bridge was held last week at the Country Club. Bridge hostess was Mrs. Sidney Millsbaugh, Jr. High score went to Mrs. Ashby McMullan, low to Mrs. Eldred Roach, second high to Mrs. Sherman Taylor and cut to Mrs. Byron Williams. Golf was played Monday afternoon. In golf play, low putts went to Mrs. Dempster Jones, and blind bogey to Mrs. Jess Marley. Other golfers were Mrs. Ashby McMullan, Mrs. J. S. Pierce, III, Mrs. Joe Williams, Mrs. Marshall Montgomery, Mrs. Byron Williams and Mrs. Joe Pierce. Those attending the bridge play were Mrs. C. O. Walker, Mrs. Early Baggett, Mrs. John Childress, Mrs. V. I. Pierce, Mrs. Byron Stuart, Mrs. J. M. Baggett, Mrs. Dempster Jones, Mrs. J. S. Pierce, III, Mrs. Joe Bean and Mrs. Joe Pierce.

FRIDAY BRIDGE CLUB

The Friday Bridge Club was entertained last Friday by Mrs. Hudson Mayes in the home of Mrs. Dick Henderson. The Valentine theme was carried out in all table appointments.

High score went to Mrs. Ben Robertson, low to Mrs. J. W. Henderson and cut to Mrs. Stephen Perner. High guest went to Mrs. Eddie Arnold of Ft. Stockton. Others attending were Mrs. Bailey Post, Mrs. Eldred Roach, Mrs. Bill Adams, Mrs. V. I. Pierce, Mrs. Lovella Dudley, Mrs. Sidney Millsbaugh, Jr., Mrs. Early Baggett, Mrs. Dick Henderson, Mrs. J. M. Baggett, Mrs. Joe Pierce, Mrs. Woodrow Mills and Mrs. Pat Wood of Fort Stockton.

SON TO COATNEYS

Mr. and Mrs. Richard Wayne Coatney are the parents of a son, named Richard Wayne, Jr., born Feb. 10 in the Crockett County hospital. Airman Coatney is stationed at the Ozona Radar Base.

ation.
I cannot, of course, say if this sentiment prevails in the Districts represented by the other 533 Members of Congress and, if so, to what degree. It has been my experience however that most Congressmen respond to the will of the people they represent and that almost all domestic Government expenditures are brought about at the insistence of individuals, organizations or groups "back home."

I know it is not uncommon for Congressmen to get many letters simultaneously advocating reduced Federal spending and more funds for a local project. While many people are sincere in wanting all unnecessary spending stopped, others pay lip service to budget reductions for everyone else, but ask Federal aid in the form of subsidies, loans or grants for their particular occupation. You can read a newspaper editorial blasting "spenders" in Washington and see an editorial in the same paper the next day boosting local projects financed in whole or in part by Federal funds. It is not unusual for civic, service and community clubs to pass resolutions condemning Federal aid — and then sending individual or organized requests for some sort of Government aid for their area to Congress.

If people everywhere in the nation exhibited the same concern over spending that West Texans do, I believe it would be reflected in Congress by their Representatives. Obviously, the Executive, Legislative Departments and people all over the U. S. must understand that Statesmanship, like charity, should begin at home.

Budget Manpower oddity: At the beginning of the year, the Marines had Congressional authorization for 300,000 men but only had 187,000 in uniform. President Eisenhower has issued an order to reduce this figure down to 175,000 in uniform by June 30, 1959. He also issued an order to reduce army troop strength from 900,000 to 860,000 in the same period. Yet, in his new budget, the President requested money for 43,000 new civilian employees of Government for fiscal year 1960 — even though Government civilian employment is at an all-time high.

Inspection of Motor Vehicles Lagging In Texas; Deadline Apr 15

Captain R. M. Hammett of the Motor Vehicle Inspection Service, Texas Department of Public Safety, advised motorists today that only 28% of the 469,911 vehicles registered in the 49 county Midland Region have been inspected and approved for the 1959 inspection period. Deadline for securing the new inspection stickers is April 15, 1959. As in previous years, it appears many drivers will be in for a long wait to get their vehicles checked. At the present time, most inspections stations are busy, but not rushed.

Of the 1721 vehicles registered in Crockett County, only 472 have been inspected, and issued an approval sticker for the 1959 inspection period by the 4 inspection stations in the county. Captain Hammett reminded motorists that the law prohibits inspections during inclement weather, thereby reducing the time for inspections. There will be no extension of time to have a vehicle inspected.

Passenger cars are inspected for headlights, taillamps, stop lamps, reflectors, horn, and windshield wipers. Commercial vehicles are inspected for the above plus other requirements as provided by law. Anyone operating a motor vehicle after April 15, 1959 without displaying a 1959 inspection sticker will be operating in violation of the law and subject to a fine not to exceed \$200.00.

GIRL SCOUT TROOP 1

Ann Long, Reporter
Girls Scout Troop 1 met Tuesday for a Valentine party. We made small Valentines to take to school to decorate our rooms. We made up poems to go with the Valentines.

We played hearts and enjoyed refreshments of cokes and ice cream bars served by Mrs. B. B. Ingham, Jr., Mrs. C. O. Walker and Mrs. James Childress, leaders, who also passed out heart lollipops. Present were Judy Ingham, Mary Jane Dunlap, Cheryl Lyles, Jan Paulk, Janice Walker, Janice Parker, Joleen Butterfield, Annie Ruth Wallace, Linda Clayton, Linda Miller, Linda Leath, Barbara Clay, Diana Faye Couch, Vicki Applewhite and Sharon German.

The Man
who Appreciates
the Finest...

BOYS HIS WIFE GAS APPLIANCES

Brahms and Brubeck... an unlikely combination? Not to the man who recognizes the "best of its kind," he it arpeggio or appliances. That's why he insisted on a new GAS Clothes Dryer for his wife. He sees the advantages of instant heat (turn it on and it's on), and no heat hang-over (gas off, heat's gone!). He's observed how gentle Gas heat blows moisture away instead of baking it out. Clothes come out fluffier, more wrinkle-free and easier to iron! They last longer, too. Yes, in every way—economy included—GAS gives you more. And where the finest is truly appreciated... Gas belongs!

Get for a growing engine Pioneer Natural Gas Company

Morning—Chevy panel hustles over causeway to St. Petersburg.

Chevy panel steps lively in Florida...runs day and night, delivers 19.3 miles per gallon!

This '59 Chevy panel is on the go, morning, noon and night; it covers as much as 800 miles a day... runs so constantly that its engine never cools off completely. Yet Mr. Clark Fisher, the Tampa Tribune's circulation manager, reports that the truck is delivering 19.3 miles per gallon!

Take the panel pictured above, for example. Powered by the '59 Thriftmaster 6 with new economy-contoured camshaft, it's building a sensational economy record, despite the sizzling pace of its work. That's typical of the way Chevies of all sizes are turning-to on the most challenging jobs in America. The way they're made, with tough-built truck components, they make the hardest hauls look easy! If you have a job that puts a truck on its mottle, see your Chevrolet dealer!

No job's too tough for a Chevrolet truck!

See your local authorized Chevrolet dealer

ments secured. An impressive case can be made for the local projects in all of these fields and Bob F. Scott, work unit conservationist with the Soil Conservation Service, and members of the SCD board are preparing substantiating data for submission to the State Board, which will in turn submit the data to the National Congress.

Bids are to be received here on March 9 for the channel improvement work through the town of Ozona, the last in the series of construction projects which make up the watershed control. The record speed with which the project was planned and executed was attained largely through participation and cooperation of the local people. At least a year's time was gained when the county put up \$25,000 to finance the preliminary surveys. Additional time was conserved in pushing through the 84th Congress for approval of the project on the last day of the session, necessitating an amendment of the law re-

Cox, Lou Cox, Peggy Hagelstein, Jardice Harvick, Sara Ann Millsbaugh, Striet Millsbaugh and Fred Van Schoubrouek.

Woman's Forum models include Mmes. Charles Black, W. A. Childress, L. B. Cox, III, Beecher Montgomery, Marshall Montgomery, Vic Montgomery, Charles Williams, Jr., Tommy Harris, W. H. Whitaker, Boyd Baker, Fred Hagelstein, Jess Marley and Austin Millsbaugh.

ducing the specified waiting period from 45 to 15 days so that Congress could approve the project before adjournment. Congressman J. T. adjournment. Congressman J. T. phase of the plan. Crockett county voters approved almost unanimously a \$300,000 bond issue to pay the local part of the proposed construction, although later changes in the law made this fund not needed. Landowners in the watershed area have cooperated 100 percent in the necessary land treatment work. Five of the flood control structures are complete and the last two are in the final stages of construction.

Basketball —

(Continued From Page One)

Jerry Jacobs got 13 points to lead the Lion attack with David Sikes connecting for 11 and Johnny Jones 10 even though all three spent a good part of the last half on the bench.

The Lions got their second win Tuesday as they turned in a strong last quarter to win from Eldorado 50 to 37.

Bobby Sutton returned to the Lion lineup to lead the attack with 18 points but Johnny Jones missed the contest due to illness and Diz Reeves who started for Jones had to be pulled in the first half when he became ill.

Muggins Good finished out the game and did a good job of hustling the ball off the backboards as the Lions rallied and then won going away.

The Lions jumped into a quick lead but saw that melt away and the Eagles pull into a lead which at times was as much as 8 points before the Lions started to rally and cut the margin to 2 at 20 to 22 at the half.

The Lions continued to rally in the third period and showed vast improvement in defense as they finally took the lead and then began to pull away sharply on the goaling of David Sikes, who slammed in 12 points in the last half, 8 of which came in the final quarter.

Dan Mittle scored 10 point for Eldorado as did Vanousen but no one else got in double figures and only five boys got in the scoring column whereas the Lions had five players scoring but three were in double figures all exceeding ten.

Mr. and Mrs. R. A. Harrell have returned from Washington, D. C., where they recently attended a national convention of Rural Electrification Administrators. In Washington they visited their son, Roy Harrell, a student at the American University in Washington.

59 MERCURY

Mercury's new beauty is planned for people... makes room for 6, not just 4!

Here's proof you needn't sacrifice comfort for beauty. Unlike most '59 cars, Mercury is beautifully built for roominess. For instance: the hump on the floor has been cut in half, giving the middle rider more leg room... and a thicker, softer cushion. Mercury has the roomiest passenger compartment of all. Has the widest doors. Has the most visibility. Yes, you're comfortably fixed... in a Mercury.

1959 MERCURY V-8
200-hp Mercury V-8... most advanced engine in America.
225-hp Mercury V-8
240-hp Mercury V-8, biggest of all '59 engines.

NEW KIND OF RESPONSE FROM A GREAT ENGINE
