## Ozona AF Radar Installation Participates In North American Defense Exercise Simulating Enemy Bomber Attacks On Key Centers In U. S.

"Exercise Desk Top II," designed to train personnel of the North American Air Defense Command in Canada, the U. S. and along the seaward approaches to the continent, finished a 27-hour duration period at 2 p. m. today. (Thursday, June 11.)

Radar squadrons in the 33rd Air Defense Division, which has its headquarters at Oklahoma City Air Force Station, participated in the exercise. The Ozona Air Force installation is a part of this system. Commanded by Colonel John T. Fitzwater, the 33rd Air Division is responsible for the aerial defense of Oklahoma, Texas, Louisiana and Arkansas.

General Earle E. Partridge, the NORAD Commander - in - Chief, said no weapons or aircraft were involved as "Desk Top II" was framed to call only for decisions and actions of some 2,000 officers and 8000 enlisted men of the U. S. Army, Navy, Air Force, and Marine Corps, and the Royal Canadian Air Force during each shift.

The exercise did not involve the actual launching of fighter aircraft or firing of defense missiles. Rather, a situation was simulated wherein enemy bombers attacked a number of key centers in the United States. Follow-up mass raids against most North American centers of population and Strategic Air Command bases were then simulated.

## Six Ozona Students Enrolled In McMurry Band School July 12-25

Abilene — A total of Six students from Ozona High School have enrolled for the annual Summer Band and Twirling School, to be held at McMurry College, July 12-25.

The 6 students are among more than 150 who have pre-registered. The director of the summer band and twirling school will be Raymond T. (Prof) Bynum, director of the McMurry Band. Bynum is a veteran musician and has molded the college band into one of the top musical groups in the Southwest.

He will be assisted by a staff of 16 instructors, plus additional help from the "McMurry Maidens," petite twirling artists of the college band.

The Band and Twirling School is one of the largest held in the state and annually draws over 400 high school students from Texas, plus occasionally others from out-of-state.

The Ozona students include Art Kyle, Nonie Conklin, Don Nell Carnes, Glenda Friend, Peggy Harvick, and Sandra Whitaker.

## Dist. Attorney Ashley Weds San Saba Girl

From Ft. Stockton Pioneer:  
In a quiet ceremony Saturday afternoon in the home of the bride groom's parents in San Saba, Miss Janet Ann Reeves, daughter of Mr. and Mrs. C. L. Reeves of Plainview, became the bride of Connell Ashley, son of Mr. and Mrs. Reuben Ashley.

The bride, graduate of Texas Tech, taught during the past school year in Seminole.

Ashley, graduate of University of Texas School of Law, is district attorney of the 112th Judicial District.

The couple is expected home today or Friday from a wedding trip to Las Vegas, Nev.

## CROCKETT COUNTY HOSPITAL MEMORIAL FUND

List of donors to the Hospital Memorial Fund since May 26th:  
Mr. and Mrs. Roy Thompson in memory of Mrs. Lillian Schneemann Sikes, and in memory of Mr. E. B. Carson, and in memory of Mr. Fred Montgomery.

Mrs. Henry Patrick and son, Donny, were here for a week-end visit with Mr. Patrick, who is working with a Gulf crew south of Ozona and who is staying with his parents, Mr. and Mrs. Joe Patrick, while on assignment here.

North American Air Defense Command worked with System Development Corporation of Santa Monica, California, in preparation of the exercises materials. These included scrips, machine calculations, films to run through radar duplicating the appearance of blips and tracks such as radar would pick up from real flights, and great numbers of maps.

In order to tie together the widely separated 253 locations and 354 sites involved in both the sneak and saturation attacks, the exercise required: 6,250,000 square miles of area involved in the live play of the exercise; 33,600 feet (6-1/2 miles) of computer tape to effect the necessary simulations; 28,193 (5-1/2 miles) of simulation film to run through radar scopes; 6,340,365 esquare feet of maps, machine-produced, so each participant could view the exercise in detail.

A total of 3,073,290 miles would have had to be flown by real aircraft to duplicate the effects, had hardware been used rather than System Development Corporation simulations.

Since this was a Command Post exercise, involving only staffs and key headquarters individuals, the use of this simulation method accomplished the same training for a small percent of the cost that would have resulted had actual missiles and aircraft been used.

## Miss Darla Williams Honored At Gift Tea

Miss Darla Williams, bride-elect of Roy Glenn Sutton, was honored at a gift tea Monday afternoon from 3:30 to 5:30 in the home of Mrs. J. B. Miller. Hostesses were Mrs. Miller, Mrs. Herman Knox, Mrs. Jake Mullins, Mrs. Byron Patterson, Mrs. Lester Allen, Mrs. Fred Hickman, Mrs. Bud Loudamy, Mrs. C. O. Walker, Mrs. J. W. Johnigan, Mrs. Armond Hoover, Jr., Mrs. A. E. Gilliams and Mrs. John Barbee.

The serving table, laid with a white Madeira cloth, was centered with an arrangement of shasta daisies. Carcations and Snapdragons were grouped throughout the rooms.

Mrs. W. T. Goodson, aunt of the bride-to-be, poured punch and Mrs. A. E. Gilliams and Mrs. Darrell Brawley served the cake.

Miss Tommye Spurgers was at the guest book. Music was furnished by Misses Roberta Johnigan and Donna Gail Johnigan.

Miss Williams is the daughter of Mr. and Mrs. J. J. Williams of Iraan. The future bridegroom is the son of Mr. and Mrs. Glenn Sutton.

## Miss Roxie Joy Hill, Former Ozonan to Wed

Mr. and Mrs. R. W. Hill of San Antonio, announce the engagement of their daughter, Roxie Joy, to Eddie Logan, son of Mrs. Mae Logan of Carrizo Springs, Texas.

Miss Hill a former student in Ozona schools and a granddaughter of the late Mr. and Mrs. J. T. Patrick of Ozona, is a graduate of the University of Corpus Christi. Mr. Logan will graduate from the same University this summer. The couple will be married in August at the Dellview Baptist Church in San Antonio.

Miss Hill received her B. A. degree from the University of Corpus Christi at exercises May 21. She majored in religious education with a minor in speech. She was active in the BSU, was president of the Dorm Council and was a member of the University Players Club. She was class favorite for two years and a nominee for homecoming queen the past year.

## OZONA GOLFERS WIN

Three Ozona golfers emerged winners in their flights at the second annual Crane county country club tournament last week-end. A contingent of nine Ozona golfers participated in the meet. Chalking up wins were Arthur Kyle, Jim Dudley and Floyd Hokit.

## 4-H Judging Teams Compete In State Meet At SAC Sat.

### Wool & Mohair Judg- ing Contests Slated; Sonora Show Next

Two Crockett county 4-H wool and mohair judging teams will compete in the State Wool & Mohair Judging Contest at San Angelo College Saturday, June 13.

Senior team members are P. L. Childress, Jay Miller, Frank Childress and Bill Jacoby. Junior team members are Larry Mills, Larry Williams, Rex Bland and Jack Applegate.

Last year's senior team placed sixth in the state contest and the junior team of David Jacoby, Bryan Montgomery and Jimmy Baggett were state champions and ineligible to compete this year.

Two judging teams, senior and junior, will compete in the Sonora Wool Show judging contests on June 17-18. Teams will judge wool mohair, sheep, goats, grass and range management.

Senior team members are Bill Jacoby, Frank Childress, Jay Miller and Billy Troy Williams. The senior team of Pierce Miller, P. L. Childress and Bob Childress were over-all champions last year in the judging events. These members are ineligible to participate this year.

The junior team members are David Jacoby, Bryan Montgomery, Larry Mills and Larry Williams. Team awards in the junior division will be given this year for the first time. The Crockett County 4-H junior team would have won the junior contest also last year had junior team awards been made.

## HIGH SCHOOL BASEBALL —

### Big Lake Withdrawal Leaves Only Ozona and Iraan For Summer Play

The Ozona High School baseball team encountered further difficulty over the week as rain and further withdrawals left Ozona and Iraan alone in the summer league.

Big Lake announced that it would not field a team this summer following the announcement by Rankin that they would not play and that left only Iraan and Ozona of the original four teams.

Both Ozona and Iraan expressed willingness to continue play but Coach Brooks Dozier of Ozona expressed hope that the Ozona team would be able to match some games elsewhere.

The Lions seemed to be well on their way to their first win last Thursday night when they jumped on the Iraan starter for three runs in the first inning, only to see the game rained out in the top of the second frame after Dizzy Reeves had retired the first four Iraan batters on strikes.

The Lions will travel to Iraan Friday night for a game with the Braves before returning home Tuesday to face the Radar Station.

Van Miller and Carl Montgomery, two promising young hurlers, have been promoted to fill in the vacancy left by the departure of Bobby Sutton. Both Miller and Montgomery were successful little league pitchers a few years ago but neither have as yet had any other experience.

## Hoffman Finals Well Extending Halff Field

Hoffman Bros., San Angelo, No. 8C Meadows, 3/8-mile northwest extension to the Halff field of Crockett county, 10 miles northeast of Sheffield, was finalized for daily flowing potential of 61 barrels of 34 gravity oil, no water, with gas oil ratio of 200-1.

Production was natural through a 1/4-inch choke and perforations between 2,055-084 feet. Tubing pressure was 60 pounds; casing pressure, 200 pounds.

Location is 330 feet from the north and west lines of the southeast quarter of 33-GG-HE&WT.

## Ozona Couple Injured When Blow-Out Causes Wreck Near Barnhart

Mr. and Mrs. Vic Montgomery were injured shortly after noon Tuesday in a single car accident about three miles east of Barnhart.

Mr. Montgomery suffered a broken nose and cuts about the head and was reported in good condition at Shannon Hospital in San Angelo. Mrs. Montgomery suffered cuts and bruises but was released after treatment at the hospital.

Mr. and Mrs. Montgomery were on their way to San Angelo where he was to undergo medical treatment. A tire blowout on the Montgomery car caused it to leave the highway, jump a culvert and crash into an embankment. The car did not overturn but was badly damaged.

The Montgomerys' year old son, Jud, did not accompany them.

## Quarterly Meeting Of TS&GRA To Be Held at Ft. Clark Guest Ranch

SAN ANGELO, The summer meeting of the Texas Sheep and Goat Raisers' Association will be held in Brackettville, Saturday, June 13, Lance Sears, TS&GRA President, has announced.

The meetings will be held on the grounds of old Fort Clark, now Fort Clark Guest Ranch, he added. Committee meetings will be held in Las Moras Hall starting at 8:30 a.m. and the general meeting will be held in the theatre at 10:30 a.m.

"We expect considerable discussion on a proposed plan to rid the state of screw worm flies," President Sears said. "Methods of financing this work which will affect all ranchmen will be a big problem. State and national legislation will also receive attention."

All ranchmen in Kinney and adjoining counties are invited and urged to attend the meeting, he stated.

## San Angelo Registered Rambouillet Ram Sale Is Set For June 25th

The 23rd Annual Registered Rambouillet Ram Sale will be held June 23 through 25 at the San Angelo Fairgrounds. Approximately 300 top quality stud and range rams are expected from several states. The sale is sponsored by the American Rambouillet Sheep Breeders Association.

All rams must be in the barns by 8:00 a.m. Tuesday, June 23, when a committee of five breeders will begin selecting the studs from the best two rams of each consignor. The committee also will pass on pens of A-B-C where the buyer has the privilege of taking all or any part of the pen at the winning bid.

All sifting and studding will be completed on Tuesday so the consignors will be free to talk sheep and show their rams to interested sheepmen on Wednesday, June 24.

The sale proper starts Thursday at 10:00 a.m., June 25, with Lem Jones as auctioneer.

## Garden Club Installs Officers At Final Meet

The Ozona Garden Club held its last meeting of the year last week with a luncheon at El Sombrero Cafe. Eighteen members were present.

The club voted to honor the three who have served as presidents, Mrs. Ewart White, and Mrs. Bailey Post, past presidents and the incumbent president, Mrs. Stephen Perner, with contributions to the President's Fund for the new garden club building in Fort Worth.

Mrs. Stephen Perner presided. She presented books to outgoing officers in appreciation of their work during the year and to the new officers she gave symbols of their work for the coming year in the installation ceremonies. The program theme was embodied in the quotation, "Gardening can be such fun, like a game that's never done."

## Early Entries Herald Interest In Horse Show

### Annual Event Offers Morning, Afternoon, Evening Programs

The Seventh Annual Ozona Horse Show will be held at the Ozona Fair Grounds Saturday, with morning, afternoon and night time contests slated in all day events.

Interest among area horse raisers seemed to be strong as entries came in during the week.

Trophies to be presented to the winners in the different classes and to the champion stallion and mares as well as to contest winners were on exhibition at the Ozona Boot Shop during the week.

Children entering the Children's Western Class will register at the Boot Shop Friday with Misses Pam Perner and Judy Black handling the registration.

A parade Saturday afternoon at 5 p.m. will advertise the night performance which will begin at 8 p.m. and feature the performance classes both in the children's and adults' divisions.

The show will get under way Saturday morning at 9 a.m. when halter classes in 9 divisions will be shown and judged. All first place winners and the grand champion and reserve champion stallion and mare, will be presented awards with the first through fifth place entries receiving ribbons.

The registered cutting horse contest will be held Saturday afternoon beginning at 2 p.m. with a junior and senior division contest included and a belt buckle to the winner of each class.

Entry fees in the contest events are set at \$10.00 with a 40, 30, 20, 10% cut of the money going to the winners.

The Saturday night show will include a barrel race contest, reining contest, and a roping horse contest, all in junior and senior divisions, and a junior open reining contest and the children's western class.

In the children's competition in the western class the junior division will include children through seven years of age and the senior division will be from 8 through 11.

In the junior open reining contest any youth 12 through 14 may enter with no fee. A belt buckle will be presented to the winner.

Admission to the night time performance will be \$1.00 for adults and 50c for children.

The show is being sponsored by the Ozona Quarter Horse Association which has as its chairman this year Charlie Black with Pete Jacoby as secretary.

## E.S.A. To Operate Concession Stand At Horse Show Saturday

Members of Epilison Sigma Alpha sorority met yesterday in a called meeting in the home of Mrs. Fred Hickman to make plans for operating the concession stand at the fair grounds during the horse show Saturday.

For the convenience of those attending the show, the sorority plans to have on sale cakes, sandwiches, candy, snow cones and potato chips. Also there will be pillows for spectators at 50 cents each. Proceeds will be used by the group for various civic and philanthropic projects.

More car than this Impala Sport Coupe is hard to find at any price.

**clings to curves like a cat on a carpet!**  
**the travel-lovin' Chevrolet**

Nothing else but a dyed-in-the-wool sports car like the Corvette can take a turn with such solid assurance!  
It's easy to see where Chevrolet gets its road sense. With big coil springs at every wheel, a firm, wider stance and all of its pounds distributed with painstaking care, Chevy's born with it.  
The only thing that may be hard to understand is how it can offer the ride it does, along with so many other luxury-car virtues, and still compete in the low-price field.  
We use the word compete only in the sense of price. For with a ride as special as Chevy's, real competitors are hard to come by. There's a world of difference between Chevrolet's coil springs at all four wheels and the leaf springs that most other cars still use. Take a Chevy down a snaky back road and you'll feel the difference in the sure way it holds through curves and shoots over rough spots with hardly a ripple.  
This one's really made to travel and love every minute of it.

Stop by your local authorized Chevrolet dealer's and sample Chevy's road sense!

**h) Powell, Ozonan, Named FFA Honors**

h) Powell, subject of below clipped from Stockton Pioneer, is a son of Mrs. R. R. Powell, county and brother of Mrs. Pinkina.

Stockton man has received highest honorary award Farmers of America has been revealed by high school vocational department head sponsor.

h) Powell, longtime assistant and currently a member, was named Lone Star Farmer Two FFA convention Saturday.

been nominated by White convention here earlier and received the backing of chapters in district.

is the biggest in the including El Paso, Abilene, and Del Rio. White and Jerry Whitfield and offered his name at convention.

along with School Supt. Huckaby, had been e-

lected an honorary Future Farmer by the Fort Stockton chapter earlier, this year, said White.

Among things for which Powell was cited were:

1. Giving the chapter a stove for its traveling van, then replacing it with a newer one this year.
2. Giving a refrigerator for the van.
3. Giving a heater for the van.
4. Equipping the van with a butane tank.
5. Plumbing all equipment on the van.
6. Furnishing butane for the chapter, free of charge, for any use in chapter projects.
7. Pulled the FFA van to and from both the El Paso and San Angelo stock shows this spring.
8. Along with his wife, helped prepare food for chapter members while in El Paso, then bought a restaurant dinner for all members on the trip.
9. Helped trim and block lambs preparatory to showing them at both San Angelo and El Paso.
10. Has donated various sums of money to chapter funds over a period of years.
11. Has never allowed the ag department to pay for anything that was purchased at his butane and appliance store.

Powell is scheduled to receive a plaque at an FFA banquet next year, but the exact date has not been decided, said White.

**Miss Jeanette Trotter, George B. Gunter Wed In San Angelo Ceremony**

A garden reception at the home of the bridegroom's parents followed the Saturday wedding of Miss Jeanette Trotter and George Robert Gunter in San Angelo.

He is the son of Mr. and Mrs. R. C. Gunter, 1309 Shafter.

The bride, formerly of Ozona, is a daughter of Mr. and Mrs. C. E. Trotter of Barnhart and Ozona and the grand daughter of Mrs. Tom Gilbert of Ozona.

She was given in marriage by her father. The Rev. Ennis Hill performed the ceremony in First Methodist Church after music by Duwain Hughes.

The bride's gown, made by her aunt, Mrs. Bill McSwaine, was of white peau de soie, appliqued around the bodice and down the center front with lace and seed pearls. Sleeves were pointed, and the stand-away neckline was V-shaped in front and back. A Cathedral length train extended from a bustle low in back.

A tiara made of matching lace embroidered with pearls held her fingertip length veil of silk illusion. She carried orchids with lilies of the valley.

Mrs. Ronald McMullan of Ozona was matron of honor for her sister, and the bridegroom's sister, Carolyn Gunter, was junior bridesmaid. Other attendants were Mrs. Jimmie Reed of Houston, Mrs. John Rae Powell of Eldorado and Miss Elizabeth Varnadore.

Jimmie Reed of Houston was best man.

Groomsmen were Penny Jackson of Midland, Dr. J. G. Polhemus, Kenneth Gunter and Lou Vest, while Karlos Kothmann of Mason, Delner Poss of Menard, John Gill, Bob Workman and Jackie White ushered.

The couple will live at 326 W. Twohig in San Angelo.

Rehearsal dinner was given by the bridegroom's parents Friday night at San Angelo Country Club.

The bride and her attendants were entertained with a luncheon Saturday at the country club. Other guests were wives of male members of the wedding party.

Hostesses were Mrs. Clair L. Johnson, Mrs. Shell Barth and Mrs. Thomas Poteet.

services for Louis L.  
men, ranchman

and civic leader of San Angelo, were held at 10 o'clock Wednesday morning from the First Christian Church in San Angelo. Mr. Farr died Tuesday morning in a Temple hospital after a brief illness.

Another amusement feature comes to Ozona this week. It is a skating rink under construction on a lot just south of the Forehand Tire Co. It will be operated by Joe Forehand.

Mrs. Clark Barton and Miss Dorothy Barton of Galveston are visiting Mrs. Barton's mother, Mrs. W. F. Coates, and other relatives here.

Mrs. Tom Smith and Miss Tommy Smith are back from San Angelo where Tommy has been under treatment for an infection in her ears.

A fund which Ozona baseball players and fans are attempting to raise to build a grandstand at Powell Field for the comfort of fans for years to come, is still far short of its goal. Less than \$100 has been donated to date.

Mrs. Fleet Coates underwent major surgery in a San Angelo hospital last Friday.

GARDEN HINTS

This is the time of year when bugs and plant pests are at their busiest. Recommendations for encouraging birds have become so frequent as to be trite, yet if we could get enough birds and enough predators we would have no insect problem. Wrens are especially useful and are among the easiest birds to attract.

Regular feeding with complete and balanced plant food will make plants better able to resist insect attack. This is why experienced gardeners, who feed regularly, usually need to do less spraying.

You can damage plants with too much fertilizer, too much water or too little water. All these mistakes cause conditions which may resemble insect damage.

Esequiel Longoria Cervantes, son of Mr. and Mrs. Santos Cervantes of Ozona, has enrolled in summer school at the University of Corpus Christi.

Mrs. R. T. Newton of Dallas, Oregon, is here for a visit with her son-in-law and daughter, Mr. and Mrs. W. J. McAnally.

Mr. and Mrs. M. E. Boyd were here last week from Sulphur Springs for a visit with their son, Ernie Boyd, and family.

Miss Genelle Childress, daughter of Mr. and Mrs. P. L. Childress of Ozona, who has just completed her first year at Pine Manor Junior College at Wellesley, Mass., is a member of the staff of the Ridgecrest Baptist Assembly this sum-

mer at Ridgecrest, N. C. She will be employed at Ridgecrest until mid July when she will return to

Ozono for a vacation the balance of the summer. Mr. and Mrs. Childress flew to Wellesley at the

school term end for a brief visit with their daughter and for a tour of the area.

Fall in love with  
your car again

Remember how proud you were of your new car when you saw it in the showroom? We'd like to do all we can to keep that car as close to new as possible. We know that next to your home, it's your biggest investment and therefore deserves the best care in the world. To us this means more than just keeping it supplied with top-quality gasoline and oil. It means extra service—the

kind of service that makes your car a pleasure to drive while you own it, makes it worth more when you trade it in. Making friends with your car is our business. And making that friendship pay off for you is our job in America's competitive and progress drive oil industry. So why don't you bring your car in today—and find out for yourself that we mean all we say!

### Straight To The Point

A Summary of Vacation News From The Teenage Set

By Sally Baggett

Well, here we go again. Camille Adams has taken a powder to Odessa to visit sister Jane and her new family.

Barbara Barbee has two babies. No, they aren't hers, but belong to a friend of the family who is visiting them.

I say, there, Deeney Holden, couldn't you find something smaller than a cow to run over?

A&M is privileged this week by having our 4-H boys. Pierce Miller, Frank Childress, Jimmy Baggett, Billy Troy Williams, Billy Jacoby, Pleas Childress, Jay Miller went to A&M to grass judging. They'll be back Thursday and we hope with honors.

Buddy Ingham, Linda Millsbaugh, George & Wanda Bunger, Janice Spencer and Jesse Marley, Susie Chandler and Bill Black, Erby Chandler, Clayton Friend and Joanie Williams, Carol Friend and Kent Babb, Carl Conklin went out to Pie and Liz Pierce's Saturday night.

Dates Sat. night were Sandra Whitaker and David Sikes, Barbara Barbee and Jim Doran, Nancy Friend and Bill Meinecke.

Diane Phillips, Carolyn Mayfield, Shirley Adams, Wanda McCaleb and Frances Childress went to San Angelo Saturday. They met Gwynell Walker there.

Susie went roping with Bill and Erby Sunday. They went out to Brock Jones's Catch anything, Susie?

Barbara Barbee and her family and some friends went out to the Ingham's Sunday afternoon. Alma Ingham and Barbara Barbee went fishing and got sunburned. Bob Childress and his parents came out later. From what I hear they had a lot of fun. Seems Bob's Daddy found something and last something else. Barbara you and Alma ought to be ashamed!

Johnny Childress has been seeing some pretty small things re-

cently. In fact he had to get it in his eye before he could see. If you have seen Johnny you know he got a splinter in his eye.

In case you don't already know, Nancy Friend has come back. Welcome home Nancy it's nice to have you back.

Joe McMullan has really had a lot of girls here this week. Were they the three in your Impala? It seems Joe and Jim Freeman didn't

believe three strange girls in a pretty car would attract anyone. The girls proved them wrong. If you wanted to find anyone Sun-

day nite they were well, stay on the and I'll see you see

The standard of the world in

# Dignity

Whether a man finally decides on Cadillac for its dignity and elegance—or for its thrift and practicality—he will get all four! He can travel to any corner of the land and he and his Cadillac will receive instant recognition and respect. And he will also discover that his Cadillac is unusually frugal with gasoline and consistently reliable. Very likely you have been tempted by Cadillac, so why not visit your dealer and be persuaded by its economy.

### HIGHLIGHTS AND SIDELIGHTS From State Capitol

By Vera Sanford Texas Press Association

AUSTIN. — First called session of the 56th Legislature will end automatically June 16.

It would be hard to find anyone around the Capitol who would bet on the state's money problems being wrapped up by that date.

Senators began their work on the tax bills sent them by the House with an air of deliberate calm. They even waited 48 hours before beginning hearings to give everybody time to ready his presentation. (This is the "tag" rule whereby if one senator "tags" a bill, it cannot be heard except with 48 hours notice.)

Main issue was a bill to raise new revenue for 1960-61 spending needs. Gov. Price Daniel appeared personally before the Senate State Affairs Committee in behalf of H. B. 7. This is the House-passed bill to tax natural gas, interstate corporation franchises, utilities, liquor, cigarettes, autos, etc.

Governor Daniel stoutly defended the bill on all counts, but said he would not "feel hurt" if the Senate wanted to make some changes.

Industry spokesmen and chamber of commerce representatives told the committee the bill would drive business away from Texas. "Our customers," said one company man, "will not pay a premium for a 'made in Texas' label."

Others complained that H. B. 7

not only would tax the same groups that have been hit before, but would hit some from several directions at once.

Governor Daniel's reply to those arguments is that business should bear a portion of the tax burden to keep from dumping it all "on the family budget," as in a general sales tax.

HARD GOING—Governor Daniel's abandoned property bill, killed during the regular session, made it back to the House floor, but only after a committee had attached crippling amendments.

As introduced, the bill would have allowed the state to take over property or bank accounts unclaimed for seven years. Committee changed the waiting period to 15 years. This cut the estimated first-year take from \$20,000,000 to \$3,000,000.

This is one of the bills recommended by the governor to pay off the \$65,000,000 deficit that accumulated during the 1958-59 biennium.

House taxation committee killing outright Rep. Jerry Sadler's proposal to levy a one percent gross receipts tax on manufactured goods.

ONE SOLUTION — Many observers believe that much of the current legislative trouble—the slow start, delays, bickering between members and last-minute do or die legislation — would not happen if the office of Speaker of the House were an elective post.

Certainly this would eliminate the factions that exist in the lower house.

Evidence of the desirability of such a plan is found in the office of the lieutenant governor, who performs identical functions in the senate. Both officers have apartments in the capitol building, but only the lieutenant governor is elected by the people.

Selection of the house speaker is made by the house members themselves. This delays the start of nearly every session. Furthermore it provokes many bitter battles, divides the house, and creates deep wounds that never heal. Also, much time is wasted during sessions by various groups campaigning for the speakership for the session that still is two years away.

The real loser in the battle is the public and they have no choice in the matter as things stand now.

Demands for making the post an elective one would have to come from the people, as there is

considerable feeling among public officials against the idea of elective offices.

1959's "best buy" is even better now during your Ford Dealer's Dividend Days! You can have the car with the biggest dividends on a better-than-ever dividend deal. That's because Ford sales are sizzling along out front!

Ford's Thunderbird-inspired styling was awarded the Gold Medal at Brussels for its elegant lines. Ford is the car that's built for people... with wider doors for easier coming and going... with seats that are deep and soft all the way across so that even the man in the middle has full comfort. And, of course, Ford is the car that's famous for savings... big savings on regular gas and full-filtered oil... double-life mufflers... no-wax finish... plus other economy features.

No matter what kind of a car you're driving, bring it in. Once you see the 59 Ford (and find out the wonderful buy it really is) you'll be Ford's biggest booster!

Stop in at your Ford Dealer's soon and sample his stock. Get the trade-in dividend of the year. Better hurry!

### Notes From The County Agent's Office

By Pete W. Jacoby

Crockett County 4-H Club members participating in the 4-H judging work have a busy month ahead. Two senior teams, grass and range, participate in the state contests at Texas A&M College, June 9-11. On June 13, two wool and mohair judging teams, junior and senior, take part in the state wool and mohair judging contest at San Angelo College.

The Sonora Wool Show is June 17-18, and two teams, junior and senior, along with a number of alternates will judge in that contest. The contests consist of wool and mohair, sheep and goats, range management and grass judging.

June 23-26 is the date set for the district 4-H Leadership Camp at Fort Clarke, Brackettville. Four 4-H members will attend this camp and will be selected on their all-round judging ability. 4-H boys and girls from this district attending the camp will receive training in leadership, record book preparation, citizenship, 4-H council work, and a number of other activities related to 4-H club work including recreation. Swimming and fishing will be the main free time activities at the camp.

Sprays and dusts for the control of agricultural pests are a must if today's farm operations are to be successful. However, like other modern tools, these must be used with care to insure safety of the operator.

Here are some simple suggestions from entomologists at Texas A&M College for safe use of insecticides:

1. Always read the label before using sprays or dusts and follow warnings on the label.
2. Always store sprays and dusts in original containers. All sprays or dusts should be stored outside the home and out of reach of children.
3. Never smoke while spraying or dusting. Avoid inhaling sprays or dusts. Wear protective clothing or masks where indicated by labels.
4. Wash hands and face and change clothing after spraying or dusting. Avoid spilling sprays or dusts on skin or clothing. If they are spilled, remove contaminated clothing and wash thoroughly.
5. If symptoms of illness occur during or shortly after spraying or dusting, call a doctor or get the patient to a hospital immediately.

A recent report of the USDA

on living expenditures of farm-operator families shows that in Arkansas, Louisiana, Oklahoma and Texas the average farm family pays more for food than any other single item for family living. The farm family today spends about the same proportion of its family dollar on food as does the nonfarm family.

Out of every dollar spent for family living, 26 cents go for food; 21.2 cents for housing including shelter, furnishings, equipment and household operation; 13.9 cents for clothing; and 13 cents for transportation.

Out of every dollar spent for family living, the lesser items are: medical care, 7.6 cents; personal care, 2.6 cents; tobacco and alcoholic beverages, 1.9; recreation, 3.6 cents; reading and education, 1.3 cents; personal insurance, 2.8 cents; gifts and contributions, 4.0 cents; and other goods and services, 2.1 cents.

The relationship of the education acquired by a farmer to his level of living was brought out in a study conducted in 1956 by the USDA.

In this study, three educational levels — less than 9 grades, 9 to 12 grades and more than 12 grades — were related to possession by the farm family of electricity, me-

chanical refrigerator, automobile, power washer, running water, flush toilet, television, telephone and home freezer.

Where the farm operator had at least a high school education, 90

percent or more of the families reported ownership of five of the nine facilities studied. Where the farm operator had 9 to 12 grades of schooling, 90 percent or more of the families reported owner-

ship of only three of the nine items. In farm families with less than 9 years of schooling, only 75 percent or more indicated they had three of the nine items inventoried.
