NUMBER 13

Nominees To Compete Rodeo Queen

Ready To Reign At Annual Rodeo

and 25th have been nominees for the second annual Rodeo Club Junior Rodeo 1959 show offering improved program and spectators.

President Corbett Smith and committee members are preparing to begin work on the show, while rodeo

Montgomery and Kost are already far preparations for the new

from last year's promotion the bronze riding award as the most handsome events, and added will be the crowning of a

petition will be in two divisions to 14 years of age, and division including who would have been interscholastic lea-

ents will be goat and steer riding, with including hair pulling, and barrel racing in both divisions.

at 5 p. m. Friday afternoon, will open the two-day show which last year drew paid admissions.

of six candidates for queen, were named with the girl selected named until the final of the girls named are High School Students and will extend until the of the 1960 rodeo.

girls named were Camille, daughter of Mrs. Clay Conklin, daughter of Mrs. Bill Conklin; Pam daughter of Mr. and Mrs. J. R. Black, Jr.; Judy Black, of Mr. and Mrs. Charlie Alford, daughter of Mrs. O. Q. Alford and daughter of Mr. E. H. Chandler.

anks for prospective rodeos are available at the Hot and Saddlery or by Junior Rodeo, Box 596, Ozona.

Decisions Are Little In Game Contests

's Play Finds B-B Firm Hold On Place

By Ernie Boyd

B & B Grocers took a firm first place in the 2nd half Ozona Little League play week as they posted two wins while both of their near-

of the week's four games were run decisions and one into extra innings before edged Ozona Oil 4 to 3. Oil won a 7 to 6 upset over Mason last Thursday when Manuel Villareal home the winning run as Bobby Amthor was intentionally

LESLIE DELAND, member of the first place winning Ozona FFA team in range judging at the Sonora Wool Show last week, was high individual over all in the Sonora contests. The Ozona FFA team also won second in wool and livestock judging. Deland is a son of Mr. and Mrs. Ray Deland.

T. J. Bailey Champion Ft. Stockton Tourney

T. J. Bailey, Ozona golfer, swept the huge field of players in the annual Fort Stockton golf tournament reeled off in the Pecos city last week-end.

Bailey was a three-way winner in the tourney, his team won the pro-am event, he won medalist honors and went on to win the tournament championship in medalist play. In the final round, Bailey was pitted against Ed Handley of San Angelo, Bob Huddleston of Fort Stockton, and H. O. Allen of Big Lake. Bailey fired a par 36, two up on H. C. Allen of Big Lake who scored a 39. Bailey's total score for the 27 holes was a two-under-par 106.

Another Ozona entry in the Stockton tournament missed play in the championship flight by a flip of the coin. Beecher Montgomery carded a fine qualifying score of 75, tying two others with the same score. The issue was settled by the coin toss and Montgomery lost.

Nation's Sheep Men To Vote In September On Promotion Program

Sheepmen throughout the country will have an opportunity to decide in September whether or not to continue their program of promotion and advertising of lamb and wool. This self-help program is presently being conducted by the American Sheep Producers Council, headquartered in Denver.

Don Clyde of Heber City, Utah, president of the council, said that it appears that the Secretary of Agriculture will conduct a national referendum during the month of September to determine whether the sheepmen want to continue their self-help program of advertising and promotion.

Ballots will be mailed out from each county ASC office to every sheepman who received a wool incentive payment in the 1959 marketing year.

"The advertising and promoting of the sheepmen's products," Clyde said, "is conducted through their own organization, the American Sheep Producers Council. It is the same type of an operation that other businesses in America have been conducting successfully for years.

"In the three years the council has been promoting lamb and wool, the program has been successful," Clyde said. "It would be a tragic blow to the industry to halt this worthwhile program which is reaching its full stature as a recognized promotion force for the sheep industry."

The sheep industry self-help program definitely shows that the sheep producer himself is willing to devote his time and money to help himself and his industry by finding markets for his products.

"A 'yes' vote in the referendum," Clyde said, "means an investment in the sheepman's future — and the future of a prosperous wool growing industry."

Ozona 4-H & FFA Teams Are Heavy Winners At Sonora

Club & Chapter Teams Win 5 First, 4 Seconds In Wool Show

The Crockett County 4-H Senior and Junior teams and the Ozona FFA Senior Team made a wonderful showing in the judging contests held at the Sonora Wool Show last week. The senior 4-H team won two first places in wool and livestock judging, a third in range judging, fifth in mohair and were second over-all high team of the contest. The junior 4-H team won two first places in wool and range judging and two fourth places in mohair and livestock, and were second over-all high junior team in the contest. Sutton County 4-H won first over-all high in both senior and junior team contests.

The Ozona FFA Team won first in range judging, two second's in wool and livestock judging, sixth in mohair and were third over-all high team of the contest.

In individual honors, Leslie Deland of the Ozona FFA team was high individual over-all in the contest, and second in the range management contest. Other members of the Ozona FFA team were Bob Cooke, first in wool judging; Muggie Good, second in livestock judging; and Herbie Noelke, third in range management. Tommy Everett, an Ozona FFA member judging as an alternate, was third high individual in mohair judging.

Bill Jacoby, was third over-all high individual and Frank Childress was fourth over-all high individual. Billy Williams was second in wool judging and third in livestock. Jay Miller was the other member of the Crockett County 4-H Senior Team.

In the junior division, David Jacoby was first in wool, second in mohair, and second over-all high individual of the contest. Larry Mills was first in range management and Bryan Montgomery was second in wool judging. Larry Williams was the other member of the Crockett County Junior 4-H judging team.

Other 4-H members judging as alternates were Jimmy Baggett, Milton Colquitt, Jack Applewhite and Rex Bland. Other Ozona FFA members judging as alternates were Reid Holmsley, Jimmy Doran, Bill Semmler and Weldon Day.

Pierce Miller won first place in the junior division with his bag of eight months wool. Pierce also won second place with his sheep and wool record book. The Crockett County 4-H Club received the third place plaque as best all-around club and the Ozona FFA received the fourth place plaque in this competition. Both club and chapter received beautiful plaques for their second and third over-all high team awards. The junior 4-H team received a banner for its second over-all high team award. Over-all high individuals in the senior division received medals while all other high individuals received individual ribbons.

Third Gas Production Level Assured In Test At Cosden Hunt Well

Cosden Petroleum Corp., Big Spring, No. 1 E. H. Hunt, in 2-1-GC&SF, Crockett County Strawn gas discovery nine miles southwest of Ozona, has assured gas production through a new and improved set of perforations with the flowing of gas for six hours at the daily rate of 1,500,000 cubic feet daily, plus two to three barrels of water per hour.

Flow was through a 1/4-inch choke and perforations between 9,006-069 feet. Testing continued. Strawn gas production was assured earlier with the flowing of 1,320,000 cubic feet of daily, plus an unreported amount of water, through an 18-64-inch choke and perforations between 9,117-137 feet. Still earlier it flowed gas at the daily rate of 300,000 cubic feet, plus 25 barrels of water, through perforations between 9,680-694 feet.

OHS Baseball Team Wins Two In Week In Spite Of Area Rains

By Ernie Boyd

The Ozona High School baseball team ran into its old friend rain again this week but still managed to win two ball games, downing Iraan 14 to 0 here last Friday night, and then popping an Odessa teen age team 6 to 1 in Odessa Wednesday night.

Diz Reeves went the distance for the Lions against the Odessa crew and gave up but 2 hits while fanning 15 in the seven inning tilt.

Bobby Sutton returned to the Lion lineup for the Odessa game and contributed two triples to the Lion cause, while Roy Neal Killingsworth collected two hits to account for four of the Lions eight safeties.

Iraan was just no match for the Lions last Friday as young Van Miller whiffed 12 and went the route for the Lions, shutting out the invaders.

Diz Reeves had a perfect night getting a single, double, triple, and home run, in four trips to the plate to pace the Lions who found the way to home plate with considerable regularity in the six trips to the plate the club made during the night.

A game scheduled with the Radar base fell victim to the rain Tuesday night and will be reset for next week.

The two wins for the Lions brought their season record to 3 wins and 1 loss with three games rained out so far.

The showing of Van Miller in the Iraan game gave the Ozona team a real pick up, and it had been planned that Miller and Carl Montgomery would face the radar base with Reeves being saved for Odessa. However, rain took care of the AFB game, and Miller will have to wait a while longer before facing a good but sterner competition than Iraan offered.

Ozona Girls Attend Paisano Encampment

In the cool heights near Alpine this week, five Ozona girls have been enjoying Paisano Baptist Encampment. They have been attending in the Intermediate G. A. Camp sponsored by District 7 Baptists.

A program of Mission Study concerning Southern Baptist work in Nigeria, Africa, has been the week's activities. The girls have also been working on their Forward Steps toward the throne of Queen Regnant, in their auxiliary. To reach the throne of Queen Regnant, certain scriptures must be memorized and each girl must go before the reviewing council for final approval of her work.

The girls attending camp this week were: Carolyn Kay Pitts, Jo Good, Ora Mae Sparks, Shirley German, Carlita Hedrick and their Counselor, Mrs. Sam Ligon.

Miss Wool of America To Be Crowned At San Angelo Pageant Aug 28

On the evening of August 28th in San Angelo, Texas, some lovely, talented — and very fortunate — young lady will be crowned "Miss Wool of America" of 1960.

She will be chosen from a bevy of twenty beauties, representing as many Sheep Council Areas, and will reign as the second annually selected Queen of the "Wool World".

Each aspirant to the crown will, in fact, be a Queen for five days. Contestants will arrive in San Angelo on August 23rd by plane, and will immediately be swept into a gala whirl of social and recreational activities which are to include the spectacular Miss Wool Parade, and the fabulous Miss Wool Ball. Water sports, breakfasts, luncheons, dinners, television and radio appearances will all be a part of the busy schedule of the "Wool Royalty". Escorts for the finalists will be officers of the United States Air Force.

All this at no expense to the contestants whatsoever, except the cost of photographs submitted for pre-pageant publicity purposes — (Continued on Last Page)

Leadership Training For Four Crockett 4-H Members at Fort Clark

Four Crockett County 4-H Club members have been selected to attend the District 6 Leadership Camp at Fort Clark, Brackettville, Texas June 23-26. Members selected on their over-all achievements in 4-H judging work were Billy Williams, P. L. Childress, Bill Jacoby and Frank Childress.

4-H members attending this camp will be given leadership training in 4-H council work, citizenship, night programs and ceremonies, photography, 4-H records, junior leadership and 4-H result demonstrations. Supervised recreation will include swimming, fishing, and night programs and parties, and a number of other recreational activities.

Some two hundred 4-H boys and girls are expected to attend the camp from this district which embraces a 25 county area in West Texas. The group will leave for the camp on Tuesday and return home Friday. They will be accompanied by County Agent Pete Jacoby.

Heavy Rains Fall Over Wide Sector Of Crockett Co.

Falls Measure Up To 3 Inches; Ozona 3-Day Total Is .78

To the accompaniment of booming thunder claps and lightning flashes, thundershowers that ranged from light sprinkles to more than 3 inches of moisture danced about over a wide area of Crockett county Monday and Tuesday of this week.

While Ozona received .4 of an inch in a gentle rain Tuesday night, with an electrical display that threatened a more typical summertime West Texas rain. The violence turned into gully washing rains in some parts of the county, particularly to the north of Ozona where rains of more than 3 inches were reported in some spots.

A rain which for a time gave promise of trying out the newly completed flood control dams on Johnson Draw fell at the Martin Harvick ranch six miles north of Ozona, with high winds and severe lightning accompanying the disturbance. In a 40-minute period, Harvick's rain gauge showed 1.7 inches of rain. After a brief let-up the rain started again, this time a little less copiously, and the night's total at the Harvick place registered 2.6 inches.

Good rains were reported all the way to Barnhart to the north but west of this area the falls were lighter, ranches in the northwest section of the county measuring about a half inch. The rain was lighter at Big Lake.

In the far western part of the county and to the south of Ozona, rains from an inch to more than two inches were reported.

Rainfall in Ozona proper has reached a total of .78 of an inch so far this week, including an additional .28 in a third night of slow, light rain which fell last night. The total so far for the month of June has been 2.65 inches here.

CROCKETT HOSPITAL NEWS

Patients admitted to hospital since June 16th: Mrs. Willis Ralph Shelton, Ozona, medical; Mrs. Ray Collins, Ozona, surgical; W. L. Harrell, Houston, Texas, accident; Mrs. W. L. Harrell, Houston, Texas, accident; Mrs. Levoyd Parker, Ozona, medical; Willard Snow, Ozona, accident; J. E. Sigman, Iraan, Texas, medical; Bettina Martinez, Ozona, surgical; and Jose L. Martinez, Ozona, surgical.

Patients dismissed: Elpedio Martinez, Mrs. J. D. Forshey, Mrs. Douglas Sawyer, Mrs. Willis R. Shelton, W. L. Harrell, Mrs. W. L. Harrell, Willard Snow and J. E. Sigman.

Miss Margo Pogue, daughter of Mr. and Mrs. J. P. Pogue, has as her guest this week Miss Vonnie Loooper of Abilene.

Wool Incentive Payment Scale Set At 70.3 Percent

Drafts To Be Issued To Growers By ASC Office After July 1

Wool growers will receive incentive payment from the United States government on the basis of 70.3 percent of the sale price received for their 1958 wool crop, the U. S. Department of Agriculture announced yesterday in a communication received here by the local office of the Agricultural Stabilization and Conservation Administration.

The incentive pay, provided for in the National Wool Act as a means of encouraging domestic wool production, is based on a minimum of 62 cents per pound support level. The national average price for the 1958 wool clip was 36.4 cents and the 70.3 percent incentive payment is the difference necessary to bring the price to the 62 cent floor set by the USDA under the wool act.

A deduction of 1 cent per pound for shorn wool and 5 cents per hundredweight of unshorn lambs sold will be made from incentive pay checks to go into the grower approved National Wool Council promotion fund to popularize wool and lambs. The incentive pay level on unshorn lambs sold in the 1958 period will be \$1.02 per 100 pounds of lambs sold.

A support price is also provided for mohair at 70 cents per pound but the national average price for mohair was again above the floor and hence no incentive payment will be made this year for mohair. No such payment for mohair has ever been made since the program became effective in 1954.

Drafts for payment of the incentive will be issued by the local office of the ASC sometime early in July. USDA rules provide that such drafts may not be issued before July 1 and Claude Russell, office manager, said this week that announcement will be made in next week's Stockman of the date on which checks will be issued. Ranchmen who reside in the county will be required to call at the ASC office to receive their checks. Out-of-town residents will receive checks by mail.

Crockett county wool growers will receive in the neighborhood of \$850,000 additional for their 1958 wool clips, the local ASC office estimated. The payment rate will be 70.3 percent of the total dollar amounts received for wool sold from April 1, 1958, through March 31, 1959, less the deduction for the wool and lamb promotion fund.

Mark White Named To Dean's Honor List At New Mexico State U.

University Park, N. M. — T. Mark White, Jr., of Ozona is among 35 students at New Mexico State University in the College of Agriculture and Home Economics appointed to the Dean's Honor List for the spring semester 1959.

To achieve the honor list, a student must be registered for twelve hours or more and earn a grade point average of 3.2 or better out of a possible four grade point for the semester.

White is the son of Mr. and Mrs. Ted M. White of Ozona. A 1958 graduate of Ozona High School, White participated in football, track, and tennis and was a member of the band and choral club. He was active in Future Farmers of America.

A freshman at New Mexico State, White served as president of his freshman class, is an Alpha Gamma Rho fraternity pledge, member of Student Senate, committee chairman for student union council, and a member of Inter-Religious Council.

DON'T LAUGH — THESE "LIBERALS" ARE SERIOUS

We agree with Ohio's Rep. Frank T. Bow when he says of the \$4.4 billion Murray-Mitchell bill for Federal aid to education: "Whether one favors Federal aid to education or not, it seems to me that the pending measure falls far short of accomplishing any purpose other than the general distribution of funds we do not have."

For instance, this bill proposes to money out of the US Treasury to every child of 6 to 17 years to equalize educational funds provided by the state and community. "New York now spends \$535 per year for each child enrolled in public schools," says Congressman Bow. "Georgia spends \$208." Under this wacky proposal, New York could spend \$560 and Georgia \$233 per pupil.

"Where," asks Mr. Bow, "is the equalization in that proposal?"

But we needn't stop there. Senator Hubert Humphrey, who would like to change his address from Minneapolis to the White House, has introduced a bill to revive the redolent Civilian Conservation Corps of New Deal Days. The excuse this time, is not depression, but juvenile delinquency, to take 150,000 young men off the streets

and give them joyful and health-building work in the great outdoors. Besides he would call it the Youth Conservational Corps this time.

Proposal of this typically Russian concept of mobilizing youth and molding them into faceless minions of the State is the best tipoff anyone could want as to what kind of President the bumptious, fast-talking senior Senator from Minnesota would make.

It is time to think through the proposals of these "Liberals" who would have us buy our chains with our own tax money.

WHERE'S THAT DEFENSE WE PAID FOR?

Once, long ago, when the enemy had him in a tight spot and demanded surrender, our first admiral replied: "I have just begun to fight!"

These words, along with some other salty remarks such as: "Don't give up the ship," "Damn the torpedoes, full speed ahead," "You may fire when you are ready, Gridley," "Sighted sub, sank same", have seeped into Naval history. They have had an inspira-

ELUSIVE!

tional quality for able, dedicated seafaring (and latterly skyfaring) Americans. It seems a shame that they must be rewritten.

Since the miraculous escape of the patrol bomber and its crew of 14 who were attacked by two Red MIGs over the Sea of Japan and were unable to shoot back, the Pentagon (or the State Department) has rewritten the words of John Paul Jones. The 1959 version reads: "We have just begun to explain."

At his press conference some hours after the incident, President Eisenhower expressed great concern "particularly . . . because I have been a military man through my life" and said the Navy would explain.

Next day, reports from Congressional sources were that the Navy was now escorting reconnaissance flights in this area with jet fighters armed with Sidewinder missiles. Later a Navy spokesman said: "We are not escorting patrol planes; we are not escorting commercial airliners or surface ships operating through free air or sea spaces of the world." He described the attack on the defenseless reconnaissance plane as "lawless banditry."

As a sample of military buck-passing doubletalk, the Defense Department announced that the

Far East Command had not been ordered to provide jet escort for patrol planes, but that "under existing orders commanders may or may not provide escort at their own discretion."

That "lawless banditry" charge is particularly interesting. We suppose, since we have been on the receiving end of so many of these incidents that just one more doesn't really make much difference. This is of a piece with the State Department's inability to even write a nasty note because the red star blazoned on the attacking MIGs marks North Korean, Red Chinese and Soviet planes alike.

In case the State Department doesn't know, they all belong to the same lodge, and the headquarters is the Kremlin, Moscow, USSR.

LAST NIGHT I attended — along with President Eisenhower and hundreds of others — a birthday party in Washington.

The object of this affection was not an individual but a Government agency — The Federal Housing Administration, which celebrated its 25th birthday.

There were those who, when the FHA came into being under the guiding hand of President Franklin D. Roosevelt in 1934, met it with cries of "Socialism" and dire predictions that it would come to no good end. These words were quite in contrast to those spoken by President Eisenhower in reviewing the FHA record last night. The President told some 1,250 persons at Washington's Sheraton-Park Hotel that FHA has achieved a "miraculous financial record — one in which it wasn't the taxpayers that had to carry the bill."

Earlier, Raymond J. Saulnier, chairman of the President's Council of Economic Advisers, had pointed out that in its first quarter century FHA has insured five million home purchases, and 22 million home improvement loans. Of \$67 billion loaned, FHA failed to collect only from 3-10ths of 1% Saulnier said. And, he added, the FHA operations have been conducted so well that the agency

Chevy Gives You Smarter Style Today...

Don't take it from us—take it from independent experts and from facts and figures that are now a matter of record. POPULAR SCIENCE sums up Chevy's unmistakably modern style this way: "The fact is, in its price class Chevy establishes a new high in daring styling. . . . This is one more reason your new Chevrolet will bring a higher allowance at trade-in time, as Chevy has over the years. A look at last year's used car prices* shows Chevrolet averaged up to \$128 more than comparable models of the other leading low-priced two.

PLUS 5 MORE BIG BESTS OVER ANY OTHER CAR IN CHEVROLET'S FIELD!

Best Brakes. Chevy showed the best brakes of the leading low-priced three in repeated highway speed stopping tests conducted by NASCAR. No wonder. Chevy's brakes, built for up to two-thirds longer lining life, are the biggest in its field.

Best Engine. Every motor magazine has given Chevy's passenger car and Corvette V8's unstinted praise. As SPORTS CARS ILLUSTRATED puts it: "Indeed, this device is surely the most wonderfully responsive engine available today at any price."

Best Economy. No doubt about this: a pair of Chevrolet sizes came in first and second in their class in this year's Mobilgas Economy Run—getting the best mileage of any full-size car.

Best Room. Dimensions reported to the Automobile Manufacturers Association make it clear. Chevy's front seat hip room is up to 5.9 inches wider than comparable cars.

Best Ride. No doubt about this. MOTOR TREND magazine sums it up this way: "... the smoothest, most quiet, softest riding car in its price class."

NO WONDER MORE PEOPLE ARE BUYING CHEVROLETS IN '59 THAN ANY OTHER CAR!

See your local authorized Chevrolet dealer for the best buy on the best seller!

are appearing in and can be controlled following insecticides; DDT, Toxaphene, Heptachlor, and Dieldrin are the most effective. Most are poisonous to animals and should be used only on animals after a period of two weeks after spraying.

ing notes are from the Assistant Extension and pertain to additional recommendations for the external parasites of several phosphorous compounds, ronnel and CO-Ral are recommended for control on

the accepted common and Korlan. It emphasized that the Trolene refers to the use of ronnel and may be used as a bolus or cattle grub control and same Korlan refers to grade (not purified) and may be used as a control of certain ex-

ites and must not be used on animals. Ronnel and Korlan (Korlan formulated as wettable) in mixing these chemicals the concentration figured on a weight

in using ronnel (Korlan) follow the directions on the manufacturer's not treat sick animals. Residues in meat, do not within 5 weeks, cattle weeks, sheep and goats weeks of slaughter. Do

not spray oftener than every 2 weeks. Do not apply screw worm smear within 21 days of slaughter. Do not spray dairy animals. Do not give internally nor contaminate water, food or feed.

For those of you who are using ground equipment to spray brush with chemicals, here is a good "rule of thumb" to keep in mind. Always treat the herbicide spraying equipment as if it were contaminated.

Dr. Won Huss, professor of range and forestry at Texas A&M College tells this story to illustrate. "When the department of range and forestry first started using chemicals to control brush and weeds, a piece of spraying equipment was used to spray a test plot. The sprayer was washed and stored. Several months later the same sprayer was used to spray insects on a plot of plants under a special test, and the plants were nearly all killed. The department knew that the insecticide was not the cause of the plants dying so a study was made to find out what killed them."

"It turned out that the herbicide was still active in the sprayer after it had been washed and stored for a long time," Huss said.

Always treat brush control equipment as if it were contaminated. You may destroy a whole crop if you don't, because herbicides can not be removed completely from equipment.

Straight To The Point

A Summary of Vacation News From The Teenage Set

By Sally Baggett

The weather is being very considerate and cooling us off with a rain.

The twine bug has really taken a hold on kids around here. It seems Sunday night they chased calves until twelve mid-night.

Mills Tandy is exercising his brain at Texas. Some people are so ambitious.

Allene Young and Tooter Malone were in Del Rio Saturday for a wedding. No, it wasn't theirs, but some friends.

Camille Adams and Mark White seem to be hitting it off rather well.

Say Peggy, what's the secret for keeping a boy jumping all the time. He must have missed you.

Susie Chandler! Where are you hiding yourself?

Nonie Conklin will be back from Albuquerque, N. M., Saturday.

Glenda and Joe Friend are really eating this ranch life up. They never come to town anymore.

Muggins Good and Glenda Scrivner are still a steady twosome. Pierce Miller is in Bracketville for a 4-H Camp.

Hey, Bill Meinecke! You better be careful or you'll have Bob and Janet after you.

Jim Freemann, Davy Crockett said, "Be sure you're right, then go ahead!"

Barbara Barbee and Janet Mason have been taking off to Big Lake a lot lately. Relatives?

Judy Black is getting a scheming mind — on how to get in from the ranch more often!

Has anyone noticed how nice and attentive the fish are. If you have one for a brother or sister, now is the time to get a little work out of them.

Sunday night a lot of kids were at the drive-in. Camille Adams and Anne Davidson, Joe McMullan, Jimmy Freeman, Muggins Good and Glenda Scrivner, Janet Mason and Bob Meinecke, Johnny Childress, Darrell Rasberry, Margo Pogue, Tommy and Priscilla Spurgers and Lynda a friend of theirs from Abilene. Needless to

say more visiting went on then watching the show.

Until next week.

Sealed Proposals Addressed To:
**HOUSTON. S SMITH
COUNTY JUDGE
OZONA, TEXAS**

for the purchase of the following described road construction and maintenance equipment for Crockett County, Texas:

2 (Two) New Motor Scrapers, Diesel Engines, not less than 200 Horsepower, Dirt Capacity (Water Level) Not less than 13 Cubic Yards, and not more than 15 Cubic Yards, and Rock Grip Tires not less than 20 Ply.

Trade in on the two above scrapers:
2 (Two) DW 10 Caterpillar Motor Scrapers, 120 Horse Power Diesel Motors, 10 Cubic Yard Capacity, 20 Ply Rockgrip Tires.

PURCHASE:

1 (1) Crawler Type Tractor, (New), Diesel Motor, not less than 202 Flywheel Horsepower, Not less than 114 inch Track on Ground, Equipped with 22 inch Grouse shoes, Crankcase Guard, Standard Clutch or Torque Converter, Hydraulic Control for Dozer Blade and straight dozer Blade with push plate.

Trade in on the above Tractor:

1 (One) D-7 Caterpillar Crawler type Tractor, Diesel Motor, 100 Horsepower, equipped with hydraulic dozer and push plate.

PURCHASE:

1 (One) Crawler Type Front End Loader (New), with not less than 2 1/4 Cubic Yard Hydraulic Control Bucket with teeth, diesel motor not less than 100 Flywheel Horsepower, equipped with ripper on rear with not less than three teeth.

Trade in on above Loader:

1 (One) Crawler Type Front End Loader, Diesel Motor, 75 Horsepower, will be received by the Commissioners Court at the County Court House, District Court Room, Ozona, Texas, until 2 o'clock, p. m., on the 13th day of July, 1959. Bids will then be publicly opened and read aloud, after which the bids will be considered by the Commissioners Court and award of contract made as soon thereafter as practicable. Any bid received after the closing time will be returned unopened.

Each item may be bid separately and bids on optional equipment will be considered.

In case of ambiguity or lack of clearness in stating prices in the Proposal, the County reserves the right to adopt the prices written in words, or to reject the Proposal. The County reserves the right to reject any or all bids and to waive any or all formalities.

No bid may be withdrawn, after the scheduled closing for receipt of bids, for at least thirty (30) days.

NOTICE is also given that it is the intention of the Commissioners Court of Crockett County, Texas, to pay all or a part of the contract price in interest bearing time warrants, and it is the intention

of the Commissioner Court to pass an order on the 13th day of July 1959, authorizing the issuance of interest bearing time warrants against the Farm to Market Road Fund of said County in an amount not to exceed \$140,000.00, bearing interest at a rate not to exceed 3% per annum, and maturing at such times as may be fixed by the Commissioners Court, serially or otherwise, with maximum maturity not to exceed five (5) years from their date, for the purpose of evidencing the indebtedness of Crockett County to be incurred in purchasing the above described road construction and maintenance equipment for said County.

The County will make arrangements for the contractor to dispose of the warrants herein mentioned at not less than par, and the contractor must agree to deliver the warrants at such price to the party with whom the County has made such arrangements.

THIS NOTICE is given pursuant to a resolution of the Commissioners Court of Crockett County, Texas, adopted on the 8th day of June, 1959.

/s/ Houston S. Smith
County Judge, Crockett County,
Texas. 13-2c

**WOMAN'S CLUB MEETS IN
CALLED SESSION TUESDAY**

Members of the Ozona Woman's Club will meet in called session Tuesday morning at 9 o'clock at a coffee in the home of Mrs. Ewart White, president. Plans for the next club year will be discussed and matters of club interest disclosed at a brief business session.

**Soil Conservation
Commemorative Stamp
To Be Issued Aug. 26**

A 4-cent postage stamp saluting progress in soil conservation in the United States will be issued Aug. 26 by the Post Office Department the U. S. Department of Agriculture announced today.

The Nation's first soil conservation stamp will be formally released at the annual meeting of the Soil Conservation Society of America at Rapid City, S. D., Aug. 26. It will go on sale the following day at post offices throughout the country.

The stamp, which was developed in cooperation with the U. S. Department of Agriculture, portrays a modern farmland setting signifying that conservation farming brings beauty as well as bounty to rural living. Soil conservation practices portrayed include contour strip cropping, terracing, pasture improvement, tree planting, and a farm pond. In addition, the silhouette of a city in the background symbolizes that urban as well as rural people are highly dependent upon the care and wise use of land as a principal source of food, water, shelter and clothing. The stamp will be printed in three colors, yellow, green and blue.

A total of 120 million stamps has been ordered. The artist is Walter Hortens of New York, a native of Vienna.

Issuance of the stamp, officials of the Department of Agriculture said, is a tribute to farmers and ranchers, their local soil conserva-

tion districts and to the professional conservationists and other agricultural workers who have helped make the United States a world leader in soil conservation.

**A Special Message to the Hard of Hearing
Enter a New World of Sound
In Just 15 Minutes with the
OTARION LISTENER**

Mrs. Eleanor Roosevelt relies heavily on her Otarion Listener to maintain her busy schedule of civic and philanthropic endeavors. Otarion Listeners come in a wide variety of the latest, most flattering styles and popular colors. No one sees the miraculous "Target Hearing" invention.

- Free Consultation
- Absolutely No Obligation

Now—you can hear wanted sounds—clearly and distinctly—without the annoying, depressing, half-heard "background" sounds usually associated with ordinary hearing aids. Now—through the Otarion Listener—you can have the world's truly secret hearing aid... without messy, bothersome cords, wires, bands in hair or clothes, or blobs in or behind your ear. A tiny, almost invisible tube leads to the ear.

These are the reasons that many have called the new Otarion Listener a modern electronics miracle. These are the reasons that the Otarion Listener is the newest advancement of its kind in the hearing field fully protected by United States patent. And these are the reasons why you can enter a new world of sound in just 15 minutes by stopping in for a FREE audiometric measurement. You will be under no obligation. You have nothing to lose and a new world of sound to gain.

Non-payment of interest due to Nov. 1, 1929, on school lands in Texas will not result in forfeiture of the lands according to a notice received this week by the Ozona National Bank from Land Commissioner J. H. Walker. "After making a careful study of conditions over the country, I have reached the conclusion that it will be to the best interests of the state not to forfeit the school lands on account of non-payment of interest to Nov. 1, 1929," the commissioner wrote.

HIGHLIGHTS AND SIDELIGHTS From State Capitol

By Vern Sanford
Texas Press Association

Austin, Texas. — At it again, for the third time this year, Legislators go into the second special session wearier, but wiser.

Midnight wind-up of the second session brought show-down votes indicating what each house will and will not accept in the way of a tax program. Next conference committee on taxes will know that the line of compromise must be more finely drawn between Senate and House thinking.

In addressing the new session, Gov. Price Daniel reminded lawmakers of the "up against it" state of things. "Every function of state government depends on enactment of an appropriation bill before Sept. 1 with a tax bill to support it," said the governor.

State's fiscal year and present appropriations run out on Aug. 31. Unless a new appropriation bill can go into effect the next day, the whole state operation — including hospitals, schools, employe salaries and pensions — will stop.

This is unthinkable, of course. No lawmaker could go home and face the voters with things in such a state.

But there's another pinching factor which the governor emphasized. Cost of deficit financing plus loss of potential tax income means that each day's delay costs the state an estimated \$200,000. Despite this, the House took a four-day weekend and the Senate, 3 1/2

NO SURRENDER — Legislature was thrown into another session when the House rejected, 117-to-23, a conference committee tax bill that was largely based on Senate thinking.

Senate approved, 19-to-12. Some House members were indignant that three of the five House appointees signed the conference committee report which House opponents called a "complete surrender" to Senate wishes.

House passed a tax bill that was divided about 50-50 between taxes on business and selective sales taxes. Senate pared back the business taxes to about 18 per cent, added new or heavier sales taxes to make up the difference.

Conference committee proposed a bill that would have raised \$177-

066,000 with essentially the same levies approved by the Senate plus a temporary hike from \$1 to \$2 in drivers licenses.

Appropriations conference committee was reportedly deadlocked and never made a report.

After the new session opened, most of the same taxing and spending bills were introduced again, including the twice-killed abandoned property bill.

House quickly re-passed the same appropriation bill it had passed before. Most bills are expected to follow the same pattern they did in the last special session — up to the point where the conference committees start working out differences.

ARRANGED CONTRACTS HIT — Atty. Gen. Will Wilson has filed an anti-trust suit against certain Houston electrical contractors and an electrical workers union.

Wilson said his office had gathered evidence indicating the Southeast Texas Chapter of the National Electrical Contractors Assn. was deciding in advance which member of the group should be allowed to make the low bid on a job. Then others, said Wilson, would put in higher bids.

Suit also charges that members of Local 716 of the International

Brotherhood of Electrical Workers aided the contractors' association by not sending enough workers to jobs on non-members.

Price-fixing conspiracies, Wilson declared, cut away the foundation of a competitive free enterprise economy.

GAIN IN HEALTH

When purchasing a drug, the public purchases far more than the drug itself. Tremendous expense involved in drug distribution, and production, as well as vast expenditures, both reflect themselves in the price of the drug. Yet, it is a bargain.

During the gigantic strides made in medical science, with an accompanying boost from new drugs, we can appreciate the extra years of life that have been gained by many of us. Diseases once considered fatal have now become ailments that can be lost most of their threat.

Each year, the pharmaceutical industry poured \$170,-000,000 into research alone. Budgets for 1959 call for \$190,-000,000. Percentagewise, this figures finds no equal in any other industry in the United States. Loss of investment is not as readily incurred as gain on investment.

For all these reasons, or loss, the fact remains that only by research, development, in production, and employment of high caliber scientists can the industry continue to strive to provide effective drugs and place them at physicians' disposal as soon as possible.

WANTED — Sewing and alterations, Phone 2-3047.

Tea In Eldorado Announces Wedding Plans of Miss Ann Ratliff and Dr. James Ashby McMullan

Wedding plans of Miss Ann Ratliff and Dr. James Ashby McMullan were announced at a tea Saturday afternoon in the home of Mrs. Tom Ratliff in Eldorado. Hostesses were Mrs. Tom Ratliff, Mrs. Carroll Ratliff, Mrs. J. L. Ratliff, all of Eldorado, Mrs. Charles Ratliff of Ozona and Mrs. Glenn Ratliff of Monahans, all aunts of the bride-elect.

Miss Ratliff, daughter of Mr. and Mrs. Vernon H. Ratliff of Modesto, California, is a graduate of Ozona High School and attended the University of Texas where she was a member of Zeta Tau Alpha sorority and the Ashbel Literary Society. The groom-to-be is a son of Mrs. Ashby McMullan and the late Mr. McMullan of Ozona. He is also a graduate of Ozona High School and was graduated from the Texas A&M School of Veterinary Medicine this spring.

The couple will be married July 11 in Eldorado at the home of Mr. and Mrs. Tom Ratliff.

At the announcement tea in Eldorado, guests were greeted at the door by Mrs. Coralie Meinecke of Ozona. In the receiving line were the hostesses, the honoree and Mrs. Ashby McMullan of Ozona. Mrs. John Rae Powell of Eldorado was at the bride's book. Serving the cake was Mrs. Winston Whitaker of Ozona and at the punch bowl was Mrs. Dick Kirby of Ozona.

Others in the house party were Miss Sally Sandlin of Big Springs, Miss Sara Keys of Big Spring, Miss Sue and Kay Smith of San Angelo, cousins of the bride, and Miss Rebecca Ratliff of Ozona, another cousin.

The serving table was centered with an old fashioned Spring bouquet and punch was served from a white milk glass punch bowl and cups. Daisies and bells of Ireland in an epergne formed the decoration for the buffet. Spring flowers were used throughout the house.

"It is when we forget ourselves that we do things that are remembered." — E. P. Bertin.

LADIES GOLF ASSN.

The monthly luncheon of the Ladies Golf Association was held last Thursday at the country club. Mrs. Jess Marley acted as hostess. Following the luncheon, a short business session was presided over by Mrs. Dempster Jones, president. The club will participate in both golf and bridge at the annual Ozona Country Club golf tournament July 4 and 5.

In golf play, low putts went to Mrs. Dempster Jones and low net on trophy play was won by Mrs. Frank McMullan. Bridge hostess was Mrs. Early Baggett. High score

in bridge went to Mrs. Sid Millsbaugh, Jr., second high to Mrs. Sherman Taylor and cut to Mrs. Hillery Phillips. Others attending were Mrs. Lloyd Sherrill, Mrs. J. M. Baggett, Mrs. George Bunker, Sr., Mrs. Boyd Clayton, Mrs. Joe Pierce, Mrs. John R. Hunicutt, Mrs. Massie West, and Mrs. T. J. Bailey.

Carmen Childress, daughter of Mr. and Mrs. James Childress of Ozona, is attending the first session of Heart o' the Hills Camp for junior girls at Hunt, Tex. The camp is located 16 miles west of Kerrville in the beautiful Guadalupe river country.

Outdoor Living is More Fun with GAS LIGHTS

AND CONVENIENT TERMS MAKE THEM SO EASY TO BUY!

Family frolic... backyard barbecues... or just plain neighborly "get togethers"... all are more enjoyable under the relaxing, mellow glow of Gas Light. Graciously inviting with their last-century charm, Gas Lights cast a soft, unobtrusive light that does not annoy your neighbors yet acts as a deterrent to trespassers. They're the ideal illumination for the walk or driveway, by the steps, around the patio or swimming pool. Call Pioneer tomorrow about an installation for your property.

* UP TO 50 FEET OF GAS LINE INCLUDED IN NORMAL INSTALLATION. WORKS UNDER CONCRETE IS REQUIRED. THE COST IS \$1.00 PER FOOT. TUBING REQUIREMENTS IN EXCESS OF 50 FEET... \$2.00 PER FOOT.
