Annual Ozona Rodeo Set For Saturday

Second annual Ozona Rodeo will be staged at the town fair grounds and Saturday night with a parade scheduled for Friday afternoon to precede the festivities.

Entries for the title of Herd Queen will be Misses Camille Black, Judy Black, Nonie Conkley, Beverly Alford, Susie Chandler and Pam Ferner. The winner will be announced after the grand finale Saturday night and will hold the title for a year until the successor is crowned at the second night of the show next summer.

Events include goat roping, steer roping, hair pulling, pole bending, boot scrambling will be among the events seen at both shows Friday and Saturday.

Officials revealed that a large number of candidates have entered the rodeo which will be staged in two divisions. In the junior division boys and girls 14 and under complete while those 15 through 17 years of age will compete in the senior division.

Girls will also take part in the rodeo in two divisions with Hair Pulling and barrel racing being the events to enter.

An added feature of the show will be a two-calf average roping Saturday afternoon, open to all boys who have completed the events in either the Junior or Senior divisions. There will be no admission charge for spectators.

With the girls pictures on hand have been placed around the arena with a penny each. Money derived from the voting will be used to purchase the girls' gifts.

This year's show drew about 1,000 paid admissions and with the week, large crowds are expected this year.

Ozona Woman Finds Highway Most Dangerous In South

Cecil Hubbard, who has returned from a vacation trip with his family, in which they traveled through a half dozen or more states, has a scathing indictment of Texas litterbugs.

Hubbard, being interested in the anti-litterbug campaign being waged by women's groups in Texas, reports that highways in Oklahoma states they visited are spotless compared to those in Texas, particularly from Sweetwater, Arizona, and to some lesser extent on to Ozona.

The highways from Sweetwater to San Angelo and to Mertzon are the most littered they saw anywhere. Mrs. Hubbard reports, cans, whiskey bottles and beer cans lining the bar ditches on both sides almost the entire distance.

"It's a disgrace to Texas," Mrs. Hubbard concluded. "We in Ozona are doing our part toward a reformation by keeping our highways all directions clean of such litter."

Names of two hostesses were omitted in last week's account of the gift tea honoring Miss Ann White, bride of Dr. James McMillan. Hostesses at the tea, given in the fellowship hall of the Methodist Church Saturday were Mrs. Byron Stuart, Mrs. Richard Brown, Mrs. Robert Cox, Mrs. O. Fields, Mrs. Winston Whitman, Mrs. Sherman Taylor, Mrs. Marshall Montgomery, Mrs. Max McMillan and Mrs. Coralie McMillan.

New Road Machinery Purchased By County Placed In Operation

Four new pieces of road machinery, purchased last week by the Crockett County Commissioners Court, have been placed in operation in county road maintenance work by the county road engineer, D. C. Ratliff.

Both International Harvester and Caterpillar equipment was purchased in the final selection by the court. Bids were received July 13 for purchase of two motor scrapers, a crawler type tractor and crawler type front end loader to replace worn out road machinery in use here several years.

The court purchased through Plains Machinery Co. of Odessa two International Harvester motor scrapers at a total cost of \$62,000 and the two crawler tractors through Holt Machinery Co. of San Antonio, Caterpillar agents, at a total cost of \$44,843. The decision on the purchases was made only after the court had spent a week investigating heavy machinery in use in the area.

Washed Out Golf Meet Rescheduled For Next Week-End

Rains Force Postponement Of Invitational One Week

The third annual Ozona Invitational Golf tourney will be staged Saturday and Sunday of this week following last week's deluge of rain which caused postponement of the meet until this week.

While the postponement was a disappointment to players last week and may result in some players previously scheduled to play dropping out this week, it was freely predicted that the field this weekend would be bigger due to some conflicts existing last week now being out of the way.

Delegations are expected from Del Rio, Alpine, Ft. Stockton, Iraan, Big Lake and San Angelo along with some other neighboring towns and among the delegations are expected to be some of the best of West Texas talent.

Some of the outstanding golfers expected are Arnold Chambers of McCamey, Troy White and H. O. Allen of Big Lake, Ed Handley and others from San Angelo and Jerry Scott, one of West Texas' longest ball hitters from Big Springs.

Add to the group listed above last year's champ Arch Pardue, and some of Ozona's best talent in T. J. Bailey, Beecher Montgomery, Lonnie Taylor, Allie Lock, Arthur Kyle and others and you get a fine field for the coming meet.

Last week the Stockman listed Arch Ward as the defending champ but as everyone knows, Arch Ward was the late outstanding sports editor of the Chicago Tribune and originator of the all-star baseball game among other things but not defending champ of the Ozona meet.

The chicken barbecue supper scheduled for the players and their families last Saturday night will be held this Saturday night following qualifying play.

Bill Fernan of Dallas will still be the starter and Mrs. Frank McMullan of Ozona will be assistant.

Tennessee Gas Spots Wildcat West of Ozona

Tennessee Gas Transmission Co., Odessa, filed application to drill the No. 1-B University of Texas, a 2,800-foot wildcat in Crockett County, 31 miles west of Ozona.

Location, on a 320-acre lease, is 1,000 feet from the north and 1,905 feet from the east lines of 5-29-University.

The prospector is 2½ miles northwest of Phillips 1-L University, recently completed Devonian drilled gas discovery in the Lancaster Hill field.

Friends Gather From All Over West Tex. To Honor J. M. Baggetts On Fiftieth Wedding Anniversary Sunday Afternoon

Mr. and Mrs. J. M. Baggett were honored on the occasion of their Golden Wedding Anniversary with a tea in the Methodist Fellowship Hall on Sunday afternoon, July 19th. Hosts were their children, Mr. and Mrs. James Baggett of Ozona, Mr. and Mrs. J. B. Pace and Mr. and Mrs. Hiram Brown of Austin, and Mr. and Mrs. N. E. Smith, Lamar, Colorado. Receiving with the honorees were their brothers and sisters, Mr. and Mrs. E. P. Nelson of Floydada, Mr. and Mrs. Fred Boerner of Huntington Park, Calif., Mr. and Mrs. Frank Boerner of Phoenix, Ariz., and Mr. and Mrs. Will Baggett of Ozona.

The hall was decorated with floor baskets of yellow gladioli, chrysanthemum and carnations. The tea table was covered in a white cutwork cloth over yellow, with crystal and gold appointments. The centerpiece was an epergne filled with yellow roses and maidenhair fern. The golden double wedding ring cake was served by Mrs. N. W. Graham, Mrs. W. R. Baggett, Mrs. Joe Pierce Jr., and Mrs. Steve Coose. Punch was served by Mrs. Evert White, Mrs. Early Baggett, Mrs. Hillery Phillips and Mrs. Elton Smith of Van Horn. Assisting in serving were Pamela Flowers of Amarillo, Robin Boerner of Downey, Calif., Candy Cauthorn of Del Rio, Nancy Nesista of San Angelo, Delia Jean Gibbs of Austin, Nancy Hunt of Sonora and Barbara Barbee.

Assisting in the registration of the more than two hundred and fifty who called during the afternoon to congratulate the honored couple were Ann and Sally Baggett, Sue and Baggett Pace of Austin, Phyllis Boerner of Downey, Calif., Susan Brown of Austin, Tommy Cauthorn of Del Rio, Lynn Glass of Sterling City, and Jake Young, Jr.

Guests enjoyed a musical program consisting of piano and organ numbers by Mrs. Morris Bratton, Misses Ann Baggett and Anice Nesista of San Angelo and vocal selections by Mr. and Mrs. Malcolm Gregory of Austin and Miss Sally Baggett. Susan Brown of Austin was dressed in the wedding gown by both her grandmother, Mrs. Baggett, and her mother, Mrs. Hiram Brown.

Perner Brother And Sister Combination Is Winner At Crane

Two Ozona youngsters, Paul and Pam Perner, children of Mr. and Mrs. P. C. Perner, were first place winners in the Crane Junior Rodeo, sponsored last week at Crane by the Crane County 4-H Club.

Paul won the Junior division calf roping contest with a time of 17.8 seconds and Pam won the barrel race in the Senior division, her time not available.

Both Paul and Pam won handsome silver belt buckles as prizes for their feats.

Geriatrics Hospital Subject Of Talk To Be Made At Baptist Church

Thursday evening at 8:00 p. m. the public is invited to hear Dr. C. G. Sewell in the Fellowship Hall of First Baptist Church.

The Brotherhood of First Baptist Church is sponsoring the program in the interest of the Baptist Geriatrics Hospital in San Angelo. This hospital is the only one of its kind in the state of Texas.

Dr. Sewell is the public relations man for the Baptist hospital and will present some interesting facts and worthwhile information concerning the necessity for a hospital such as the Texas Baptists are supporting.

FROM STOCKMAN READERS — Old Timer Likes Col. From 30-year-Ago Files

In a note attached to a recent remittance for his subscription renewal to the Stockman, J. M. Hefner, Dallas insurance and real estate man, expressed appreciation for the weekly column in the Stockman devoted to gleanings from the newspaper's files of 30 years ago, titled "The News Reel—A Re-Run of the Ozona Story."

Mr. Hefner will be remembered by Ozona old timers as manager for many years of the E. M. Powell estate in Dallas. The name E. M. Powell appears on all abstracts of Ozona town property since it was Mr. Powell, former large Crockett county landowner, who gave the townsite section on which Ozona was established.

Subscribers to Ozona newspapers since early days, the Hefner office in Dallas held the only near complete file of back issues of The Stockman and its predecessors. These back files are now in the hands of the Crockett County Historical Society, thanks to Mr. Hefner's generosity. Here's a paragraph from his letter, concerning the files and the long-ago column:

"I thought your appreciation good of the files of old issues of The Ozona Stockman which I gave my good friend Mr. W. R. Baggett when he was in my office several years ago with the understanding that he would turn same over to you for the exact purpose that you are using them; that is, running a column in your paper which you call 'The News Reel.' I personally enjoy reading said column for the reason my mind is refreshed with the news that happened many years ago in your fairest of all cities of our great America.

"Thanking you and with kindest personal regards and very best wishes for you and your splendid publication." J. M. Hefner.

Another note from a former Ozonan, also with a subscription remittance, is from Bob Hodges, former golf pro at the Ozona Country Club, now living in Houston.

"Say hello to all our friends: Wilma, Batts, The Childresses, and all the club members." Bob wrote.

Fred Bonn, Former Ozonan, Hurt in Tractor Accident Near Houston

Fred Bonn, former Ozonan, now living on a farm he purchased near Houston, suffered a crushed foot and injured knee recently when a tractor he was riding overturned down a 15-foot embankment, landing on top of him.

Mr. Bonn is under treatment in St. Joseph's Hospital, 1910 Crawford street, in Houston, where doctors are hopeful of saving the badly mangled foot.

Young People Attend Paisano Encampment

Several Ozona young people and their sponsors are making ready to attend Paisano Baptist Encampment near Alpine.

The group will leave Monday morning at 9:30, arriving in Ft. Stockton around lunch time for relaxation and lunch. Then they will proceed on to Paisano where they will spend the week.

While at the encampment, the group will engage in Bible study, preaching services, study courses, and recreational activities. These are among the many facets of activities to be found at Paisano.

The sponsors for the group are Mr. and Mrs. Sam Ligon and Mr. and Mrs. Troy Williams.

Airman Member Ozona Fire Dept. Attends A&M Training Course

Ozona property owners will realize a 3 percent saving in insurance premium costs next year thanks to the fact that Sgt. Raymond E. Connelly, attached to the Air Force radar base here, is attending the annual Firemen's Training School at A&M College as a member of the Ozona Volunteer Fire Department.

Sgt. Connelly is fire chief at the base and also a member of the Ozona Volunteer Department. Attendance at the annual training course entitles the town to a 3 percent key rate credit. Ozona enjoyed this rate credit for several years but lost it two years ago when it was impossible for any member of the department to attend the training school.

Sinclair To Drill Deep Wildcat On UT North of Elkhorn

Sinclair Oil & Gas Co., Midland, will drill a 9,500-foot Ellenburger wildcat in Crockett County, 16 miles northwest of Ozona and 3½ miles north of the Elkhorn (Ellenburger) field, as the No. 1-154 University-Crockett.

Location, on a 369.75-acre lease, is 1,980 feet from the south and 660 feet from the west lines of 8-46-X University. Estimated elevation is 2,602 feet.

It is two miles northeast of Humble 1-U University, 10,271-foot failure, abandoned Dec. 8, 1953. The following tops were picked on elevation of 2,575 feet; Wolfcamp, 6,067 feet; Strawn, 8,210 feet; Hunton, 9,035 feet; Simpson, 9,300 feet; and Ellenburger, 9,388 feet.

LL All Stars To Sonora Today In Play-Off Opener

Locals Try For 4th Win Over Sonora In All-Star Play

By Ernie Boyd

The Ozona Little League all-stars will travel to Sonora today, weather permitting, to engage in the first round of area playoffs with the Sonora all-stars.

The Ozonans will be a bit shy on practice recently as rain has hampered workouts and left diamonds too wet to play on.

The game in Sonora today will mark the fourth year in which the two all-star teams have met, with Ozona having come out on the long end of the series so far by winning all three of the previous games.

Last year's game, however, was a very close one and the home advantage held by the Ozonans doubtless played some part in tilting the game in Ozona's favor.

The Sonora team, under the direction of John Bell, will be primed for a supreme effort to upset the Ozona team which will boast a good bit of power but may be shy on good pitching.

Ted Lewis and Rosie Seahorn are the managers of the Ozona team with Lewis carrying out the duties in the absence of Seahorn who was called out of town due to illness in the family.

Robert Flores or Vennie Sanchez will probably get the call to start for the Ozona team with Gary Stewart, another able pitcher, playing short where he displays a great deal of ability. Bob Amthor and Arron Shackelford will both be available to catch but the one not used behind the plate may be used elsewhere due to hitting strength.

While the Ozona team is in Sonora a playoff will be in progress in San Angelo between the four league teams of that city. Del Rio and Bracketville will tangle in Del Rio and teams in the district west will meet in Big Lake.

Mr. and Mrs. Lindsey Hicks and Mr. and Mrs. Boyd Clayton have returned from a trip to Ruidoso, N. M. and Las Vegas, Nev.

Record July Rain Soaks West Texas In Week-Long Fall

Crockett Ranch Lands Soak Up To 8 Inches Of Moisture

One of the wettest Julys on record sent Ozona's 1959 rainfall record soaring and caused Johnson draw to run in Ozona last week for the first time since the completion of the dams as 4.43 inches of rain fell in Ozona. The week's rains brought the total for the month to a whopping 5.10 inches.

Ozona rainfall records dating back to 1931 show that the present year has already pulled into third place with about two weeks to go. The record year came in 1945 when Ozona recorded 5.56 inches of rain in July. In 1939 Ozona had 5.13 inches but in no year since 1945 has as much as three inches fallen in Ozona in July.

The bumper rainfall pulled the Ozona 1959 total ahead of the 1958 mark by boosting the total for the first seven months to 12.56 as compared to an even 11.00 inches last year.

The 5.10 inches so far this month makes July, of all months, the leading-rain producer of the year with June's 2.82 being a poor second.

Taking into consideration the fact that no rain fell in January it is easy to see that as far as the growing season goes, 1959 has been a better year than 1958, which had some critical months like April which produced only .7 as compared to a not too much better 1.12 this year.

While rainfall in Ozona was not the heaviest in the county it was some bit heavier than a few scattered readings reaching town early this week. However, the vast majority of the county, if not all of it, had heavy soaking rains ranging in places of 8 inches or better. The southern southwestern part of the county and beyond the Pecos were the areas getting the heaviest rains but rainfall measures of 4 inches or better were common all over the county, regardless of direction.

Johnson draw ran from bank to bank Saturday at a depth of some one or two feet. While the dams guarding the city caught some water there was really little run off in comparison to the rainfall, as heavy grass and weed growth held up the much appreciated water.

Bud Coxes and 'Wheels' On Rodeo and Vacation Tour To Utah and Colo.

Mr. and Mrs. Bud Cox and children, Lynn, George and Lou, left last week for Phoenix, Arizona, the Grand Canyon and Salt Lake City, Utah. The Ozonans plan to attend the rodeos at Salt Lake City and Ogden, Utah, and also at Boulder and Monte Vista, Colorado, with sightseeing along the way. Bud took his roping horse, "Wheels" and plans to enter the rodeos in the roping competition. They plan to return about August 1 through western Colorado and New Mexico.

The Coxes will be met at Grand Canyon by Mr. and Mrs. Ed Reynolds, Jr., and children, Ned and Judy, of Dallas who are returning from a vacation trip to California. Mrs. Reynolds is Mr. Cox's sister.

Revival Planned At Calvary Baptist July 26 Thru Aug. 2

Revival services will be held at the Calvary Baptist Church, July 26 through August 2. Services will be held nightly at 8:00 p. m. The Rev. Calvin Beach of Seagraves will be the evangelist. Tommy Adams will be in charge of the song service.

Special services will be held during the revival which include a Young Peoples night and a "Sow a Row" night in which various members will try to fill the pews. The church extends a special invitation to everyone to attend the revival services.

THURSDAY, JULY 23, 1959

UNGUIDED MISSILE

As United Steelworkers President David J. McDonald finally tossed that unguided missile, a national steel strike, into the economic pond, the ripples began to widen in successive circles.

Immediately, half a million steelworkers were out of jobs. Ore miners and Great Lakes sailors were next. Railroad layoffs, which may run to 100,000 or more, began. Coal mines prepared to curtail production or shut down with prospective layoffs in the thousands.

Fabricators of iron and steel who, according to the Iron and Steel Institute, employ nine men for one in the mills, were bracing themselves for the inevitable curtailments or worse that a strike of more than a few weeks duration

will bring. Within hours, merchants in steel towns across the nation were reporting reduced buying that must continue to shrink with the sudden evaporation of the steel-makers' \$60 million weekly payroll, and storekeepers everywhere were facing up to new buying resistance bred of spreading public alarm.

Meanwhile, Federal Mediator Joseph F. Finnegan, called into the impasse by the President, had met with both union and management leaders. The strike, he reported, was not susceptible of easy or early solution.

We are assured by the union leaders that the workers are 100

percent in support of the strike. Just how, under the circumstances, even a majority could be is difficult to see. According to the US Bureau of Labor Statistics, steel wages have risen from \$1.18 an hour in 1945 to \$3.10 an hour as compared with an increase in average manufacturing wages from \$1.02 to \$2.23 over the same period. This is an increase of 163 percent for steelworkers against 119 percent for others.

The union estimates its package increase demand at 15 cents an hour, while the industry claims it comes nearer to 25 cents. Which is right is relatively unimportant. The two things that are important are that capitulation to the demand would have increased steel prices (just as wage increase always have) and detonated a new inflation spiral; and that a few months idleness will take the workers years to make up.

The steelmakers did not start this strike. But we think they will end it — when they realize what their union leaders have done to them.

ANOTHER SOAKING?

The News Reel

A re-run of "The Ozona Story" as gleaned from the files of The Ozona Stockman

From The Stockman, July 24, 1939

Two carloads of mixed lambs, nearly 600 head, were sold on the Fort Worth market this week by Joe T. Davidson at 9 cents a pound. The lambs averaged 70 pounds. The price was the highest reported in this area for the season and local ranchmen see in it an encouraging sign of a rise in lamb prices.

F. A. Gray, water well driller here for many years, will join the ranks of sheep raisers on Sept. 1 when he takes over a 16-section ranch in Upton county leased from Jim O'Harrow of Eldorado. Mr. Gray has purchased 1200 head of yearling ewes from John Fogarty to stock the place.

Mr. and Mrs. Strick Harvick were in Kerrville Saturday to visit their son, Martin, who is attending boys camp there.

Mrs. N. W. Graham and Mrs. Leta Hawkins entertained with a miscellaneous shower Wednesday morning in the Graham home honoring Miss Kathryn Flowers, whose marriage to Richard Flowers will take place August 12.

Interest in local races and the growing interest in the race for governor are expected to be influences which will produce a record vote in the Democratic primary next Saturday. The total voting strength of Crockett county is nearly 700.

An enthusiastic report of the work of Lionism all over the world was brought to the Ozona Lions Club Monday by Lee Wilson, official delegate to the Lions International Convention held in Denver, Colo.

"Hot Curves" was the title of a comedy drama of baseball given at the Ozona Theatre Wednesday night as a benefit for the fund being raised here to build a grandstand at Powell Field for the use of town and school athletic events.

Mrs. V. I. Pierce and son, Miles visited Vicky Lenore Pierce, who is attending a girls camp near Kerrville.

Mr. and Mrs. A. A. Perry, Jr., are the parents of a son born last Saturday. The youngster has been named Joseph Allison Perry.

Mrs. J. W. Henderson, Jr., and children, John and Dorothy, have returned from Camp Waldemar where Dorothy has been a camper for the past six weeks.

Mrs. L. E. Adams is in San Angelo with her daughter, Florene, who recently underwent an operation for removal of her tonsils.

Andy Nelson escaped injury Monday night when his car turned over about 20 miles east of Ozona. A blowout in a front tire is believed to have caused the accident.

C. H. Moore and W. A. Moore of Bay City, brothers of Mrs. Joe Pierce, arrived today for a few days visit with Mr. and Mrs. Pierce and family.

You've Had Your Last Flat Tire!

HERE'S WHY!

GOOD YEAR GUARANTEES

If a Goodyear Tire with Captive-Air Steel-Cord Safety Shield ever goes flat from any cause, Goodyear will ...

1. Give you full allowance for unused tread-wear if tire is damaged!
2. Pay for your road service
3. Replace the Shield at no cost!

Here's How Captive-Air Works ...

Only air in outer chamber escapes. Reserve air, trapped in nylon-and-steel "inner spare" supports your car safely!

BLUE CIRCLE OF SAFETY

This means the new Double Eagle can be fitted with the Captive-Air Steel-Cord SAFETY SHIELD, the "inner spare" that fully supports your car after a puncture or blowout.

The world's best Safety Team!

NYLON DOUBLE EAGLE with Captive-Air Steel-Cord Safety Shield

The strength and reliability of the beautiful white sidewall Double Eagle and the "inner spare" protection of the Captive-Air Steel-Cord Safety Shield make an unbeatable combination. You can't afford to be without them!

SPECIAL TRADE-IN ALLOWANCES

KNOX MOTOR COMPANY

AVL. & 5TH ST.

OZONA, TEXAS

BEST ENGINES!

One of 7 Big Beets Chevy gives you over any car in its field

Open invitation to excitement, the Impala Convertible ... and America's only authentic sports car, the Corvette.

You've got more to go on than our say-so: Every motor magazine has given Chevy's standard passenger car and Corvette V8's unstinted praise. SPORTS CARS ILLUSTRATED says it this way: "... surely the most wonderfully responsive engine available today at any price." And if you want the thrill of a six, you still get the best of it in a Chevy.

BEST ECONOMY No doubt about this: a pair of Chevy sizes with Powerglide came in first and second in their class in this year's Mobilgas Economy Run—getting the best mileage of any full-size car, 22.26 miles per gallon.

BEST BRAKES Not only bigger, but built with bonded linings for up to 66% longer life. Just to prove what's what, Chevy out-stopped both of the "other two" in a NASCAR*-conducted test of repeated stops from highway speeds. *National Association for Stock Car Advancement and Research

BEST RIDE A few minutes behind the wheel will leave no doubt about this. MOTOR TREND magazine sums it up this way: "... the smoothest, most quiet, softest riding car in its price class."

BEST TRADE-IN Check the figures in any N.A.D.A.* Guide Book. You'll find that Chevy used car prices last year averaged up to \$128 higher than comparable models of the "other two." *National Automobile Dealers Association

BEST ROOM Official dimensions reported to the Automobile Manufacturers Association make it clear. Chevy's front seat hip room, for example, is up to 5.9 inches wider than comparable cars.

BEST STYLE It's the only car of the leading low-priced 3 that's unmistakably modern in every line. "In its price class," says POPULAR SCIENCE magazine, "a new high in daring styling."

NO WONDER MORE PEOPLE ARE BUYING CHEVROLETS IN '59 THAN ANY OTHER CAR!

Try the hot one—visit your local authorized Chevrolet dealer!

**Notes From The
County Agent's Office**

By Pete W. Jacoby

Annual Beef Cattle Short
at Texas A&M College will
August 10, 11, 12. This short
is presented annually for
by the Department of
Husbandry at Texas A&M
Several out-of-State au-
on beef cattle will present
and challenging subjects.
tion to these, college staff
ers and leaders in the Texas
attle industry will discuss
breeding, carcass evalua-
ndies and other subjects of

program looks interesting
ormative. Wives are cord-
vited. If you plan to attend,
ations probably should be
in advance. The county a-
as a list of accommodations
re available around the col-

Texas Crop Report in its
st release show some crop-
ptions up from last year
others are lower. Wheat,
arley, rye, and sorghums are
han last year's record pro-
but most are ahead of the
ar average. Cotton average
18% and an excellent corn
in prospect. The expected

yield of 26.0 bushels per acre is the
highest on record.

About one-half of Texas farms
had telephone service in 1958, ac-
cording to the Texas Crop and
Livestock Reporting Service. A-
round 146 thousand of the state's
292 thousand farms had telephone
service. This was 9 percent above
the estimate for 1957; 20 percent
above 1956; and 78 percent above
1950.

One cold morning in early Feb-
ruary, a young farmer, busy with
outside chores on his place in an
East Texas County, was startled to
hear a terrified scream from some-
where in the house. He raced the
distance separating the house from
the barn, and as he burst into the
kitchen his knees grew watery at
the sight of his wife backed into a
corner shielding her two children
from a slaving, trembling fox.
He brained the crazy animal with
a piece of stove wood.

Later, when his wife regained
her composure and a coherent
voice, she told him how she had
gone to the refrigerator on the
porch for some eggs. Probably the
fox had slipped into the porch
through a screen door held open
by the wind. At any rate, she met
him face to face and was forced
back into the kitchen to protect
the youngsters.

There wasn't the slightest doubt
that the animal was rabid, driven
to a maniacal recklessness by a
fire in its brain. Only a mad animal

would be brazen and fearless en-
ough to go voluntarily into a farm
yard around human beings.

One child was bitten during this
particular incident. Hundreds of
variations of this same thing could
be related, all truthful, all tragic,
all preventable.

This story along with many
other interesting facts about RA-
BIES is found in pamphlet titled
"Facts About Rabies," prepared by
the Division of Public Health E-
ducation, Texas State Department
of Health, in cooperation with the
Bureau of Laboratories. It is a-
vailable for free distribution from
the Division of Public Health E-
ducation. Bill Cooper has a num-
ber of these pamphlets at his wa-
ter department office. Why not go by
and get one of these pamphlets to
read and then you will probably
want to get your dog vaccinated
against rabies to prevent such an
incident happening in Ozona and
Crockett County.

Mrs. Ollie Whitley and daughter
Elizabeth, are here from Beaumont
visiting her parents, Mr. and Mrs.
Hilton North.

**Crockett Gains Oil
Discovery, Location

ris, Crockett County Clearfork dis-
covery 10 miles east-northeast of
Iran, was finaled for a daily
pumping potential of 117 barrels
of 31.6 gravity oil, plus four-tenths
of 1 per cent basic sediments and
water.

Production was through perfora-
tions between 3,960 - 4,020 feet,
which had been washed with 500
gallons of mud acid and acidized
with 5,000 gallons. Gas-oil ratio
was 62-1.

An Ellenburger failure, it was
drilled to 8,060 feet and plugged
back to 4,048 feet.

Location is 1,980 feet from the
south and west lines of 40-1-GC&
SF.

Southland Royalty Co., Midland,
will drill the No. 1 Cox Estate,
an 8,000-foot wildcat in Crockett
County, nine miles east of Shef-
field.

Location, on a 736-acre lease,
is 4,000 feet from the south and

1,600 feet from the east lines of
5-FFF-John Turner.

The prospector is 1/2-mile west-
northwest of the opener of the
two-well Ingham (Devonian) gas
field.

Mr. and Mrs. Elie Baggett and
children, Alice Ann and Richard,
are here from Lufkin; guests of
his parents, Mr. and Mrs. E. B.
Baggett, Jr.

Mrs. Dave Schweitzer and
daughter, Jana, of Farmington, N.
M., left Sunday after a visit here
with Mrs. Schweitzer's parents, Mr.
and Mrs. Walter Augustine.

REACHING OUT!

Volunteer Fire Dept. Names New Officers

Ozona Volunteer Fire Department recently elected new officers for the coming year and has initiated a training program for new members of the department.

Oscar Kost was named president of the department; Claude Montya, vice president; A. O. Fields, secretary; Byron Stuart, fire marshal, and Rev. Harry Trulove, chaplain.

Bill Cooper was named the new fire chief with Gene Williams and Arthur Kyle as assistant chiefs.

Membership in the Volunteer Fire Department is open to anyone interested in serving the community. Members receive no pay for their services in guarding the community against fire loss and the Ozona department, by virtue of having in its membership a loyal group of men, dedicated to serving the public, many times at great personal sacrifice in time and ruined clothing, and to maintaining maximum fire fighting ability, is one of the outstanding departments of any town Ozona's size in the state.

Besides occasionally being called on to fight fires, the department holds regular meetings for practice and training, to keep up to date on fire fighting methods and to train new members in techniques.

EARL BERRY JR.

NEXT YEAR Being 1960, Uncle Sam will stop again to take inventory of his people, to gain information about them every decade, as required by law.

Thousands upon thousands of complex forms are already printed and are being readied for distribution around the nation by the Bureau of Census for the head-counting of what is anticipated to be approximately 180 million Americans.

One might stop to ask if the information to be derived from the

GUESS WHO PAYS!

GET IT GOING!

Census is actually worth the cost and effort. Will it be used to any good purpose and, if so, by whom?

Or, is the census-taking merely another instance of a prying Government snooping around to ask personal questions of its citizens for no good purpose.

In this regard, Dr. Robert W. Burgess, Director of the Bureau of Census, recently listed for a Congressional Committee some of the uses to which information gathered in the 1960 Census will be put.

by the Federal Government in Washington.

Said Burgess, after describing new factories, shopping centers and housing developments springing up all over the nation where there were formerly farms, pastures and idle land, "Not everyone stops to realize that these buildings are being erected and almost countless millions of other decisions made and actions taken only because there are reliable facts concerning the country's population upon which to base them — facts which stem from the Bureau of Census' ceaseless activities. Like oxygen in the air, such facts are universally used, but very little thought is given to whence they come. What every firm must know, in order to plan its operations, is how ra-

pidly population is increasing or decreasing, and where and what its characteristics are in respect to such things as age, sex, marital status, race, national origins and types of occupations."

EVERY HOUSEHOLD in the U. S. will receive through the mail prior to April 1, 1960, an initial census form. The householder will be asked to complete the form and hold it until a door-to-door enumerator calls on him later to re-claim it. When the enumerators make their rounds, they will leave at every fourth house another form containing additional inquiries in more detail. These one-of-four sample householders will be asked to complete the more detailed form, and mail it to the local census office in a postage-free envelope.

Follow-up crews will then telephone and call on persons who do not return this second form, or who did not furnish the complete information requested in it.

The final population figures must, by law, be completed and furnished to the President by December 1, 1960 but census officials say they expect to beat that deadline "by at least a month." The many statistical reports that will follow, giving specialized information of such great use to business, industry and local government are expected to be out 12 to 18 months ahead of corresponding reports of 10 years ago. SOME 170,000 persons will be employed on a temporary basis to assist the Census Bureau officials in this staggering project,

with about 10,000 acting in supervisory positions, and 160,000 door-to-door enumerators.

Incidentally, although information is available to citizens and firms, Uncle Sam you can be assured the information you give the census takers will not be given out as indiscreet facts about you. This is the eyes of Census officials who learn from the government that you might not want her to know.

Mr. and Mrs. Cecil Hubbard have returned from a trip which took them to Tennessee, Missouri and Oklahoma. In Bartlesville, Okla., they met their son, Joe Hubbard, and

HIGHLIGHTS AND DELIGHTS State Capitol

Vern Sanford
Press Association

Texas — Texas' 86th session and 18th day with job — providing money — still undone. Speaker Daniel called a fourth session just hours after the session ended.

Members repeatedly voted tax bills presented by conference committees of Senate representatives. Senate probably each time.

House rejection was by a 11-10-64. This was on a tax tobacco, natural gas, corporation franchise, motor vehicles, liquor, boats, motors, airplanes, radios, phonographs, cameras by the drink in private.

Wagoner Carr named House conference group of members who had voted the bill. They met with Senate conferees that day twice before.

Change in the new report of the private club tax was increased.

Rejected it again, this time-66.

More conferences and more votes followed in the final frantic hours. All futile! None made any apparent progress toward compromising the basic bone of contention, whether to tax gas pipelines. House favors this "severance beneficiary tax" by a narrow margin. Senate is flatly against.

Along with his new call, Governor Daniel issued a sober warning. Unless a tax bill is passed and effective (requiring a two-thirds favorable vote) by Aug. 15, there won't be time or money to get Sept. 1 checks to 225,000 old age pensioners.

Car Fees Back Down — During the tense, short-tempered days in the wind-up of the last session, Speaker wagoner Carr was, for a time, the target for pent-up frustrations and pressure.

Carr had worked to get the tax bill passed but when the House turned the bill down, Carr said that "obstructionists" had defeated it.

This was a red flag to members already sensitive to public criticism of a "do-nothing" Legislature. For several days they simmered. They accused Carr of trying to thwart the will of a House majority, talked of voting him out of the speakership.

In a dramatic showdown, Carr stepped down from the rostrum and challenged his critics to remove him if they thought it would make things any better.

Nobody accepted his dare. A few minutes later, on motion of Rep. Joe Burkett, the man Carr defeated for the speakership, Carr was

escorted back to the speaker's chair.

And the weary legislative battle began again.

Wait, Young Lovers — Governor Daniel's expected signature on a newly passed bill will put a damper on the elopement plans of Texas teen-agers.

It will require boys under 21 and girls under 18 to wait three days after obtaining a license to get married. Also, to get the license the youngsters must be accompanied by parents or guardians.

Some lawmakers said it would mean more running across the state line to marry. However, Oklahoma recently passed a similar law.

Need Money First — Amid the legislative tax deadlock, the Commission on Higher Education decided to stop studying new money-spending programs until there's money to spend.

Commission's job is to determine needs of the state's colleges and universities and make recommendations to the Legislature. Expanded programs and new degrees are being sought by many schools. But when the Commission met, there was no money in sight even to open the schools next fall, let alone expand them.

Commission resolved to "approve no programs which entail additional expenditures until such time as monies are provided for the programs and offerings already in existence."

Fall in love with your car again.

Remember how proud you were of your new car when you saw it in the showroom? We'd like to do all we can to keep that car as close to new as possible.

We know that next to your home, it's your biggest investment and therefore deserves the best care in the world. To us this means more than just keeping it supplied with top-quality gasoline and oil. It means extra service—the kind of service that makes your car a pleasure to drive while you own it, makes it worth more when you trade it in.

Making friends with your car is our business. And making that friendship pay off for you is our job in America's competitive and progressive oil industry. So why don't you bring your car in today — and find out for yourself that we mean all we say!

Straight To The Point

A Summary of Vacation News From The Teenage Set
By Sally Baggett

I'll bet working in the postoffice is an interesting job. Especially if there are lots of post cards like the one Johnny Childress got from Bill Meinecke. Bill is in Houston enjoying the steam heat.

Delia Jean Gibbs of Austin was here Saturday and Sunday. She and Camille Adams had dates with Billy Bob Holden and Mark White. Jerry Jacobs was the lucky escort Sunday night.

Jack Young seemed to be enjoying himself over the weekend! Well, for that matter so was Phyllis Boerner of California.

Thursday night the Ozona Youth Club had a hamburger supper and dance at the Country Club. Everyone was apparently enjoying themselves.

Say Billy Bob! Who were the two girls you were with Sunday night! And whose baby (I don't mean the girls)?

Friday and Saturday are big days for all us kids! Bigger still for Susie Chandler, Nonie Conklin, Camille Adams, Judy Black, Beverly Alford, and Pam Perner who are nominees for the rodeo Queen! It's a shame all of them can't win!

It's good to see Joe McMullan back on his feet again. He has been playing puny on us.

Jim Williams is riding high in a new '59 Pontiac. Very pretty, Jim.

Judy Black is enjoying a few weeks in Sunny San Antonio!

From the letters that have been drifting in from the twirlers everything is swell. Nonie Conklin got 1st chair concert! Congrat!

That seems to be the extent of things this week.

READY BUILT HOUSES

Built according to your plans and specifications.

Also 2-bedroom homes with 864 square feet of floor space and choice of room colors as low as \$5,100, completely ready to live in, moved on your lot.

Baggett —

(Continued from Page One)

Other members of the house party were Mr. and Mrs. Charlie Applewhite, Mr. and Mrs. R. L. Flowers, Miss Mildred North, Jimmy Baggett, Early Baggett, Hilary Phillips, Evert White, Bill Baggett, Mr. and Mrs. Frederick Boerner, Downey, Calif., S. W. Ross, Floydada, Mrs. David Flowers, Amarillo, Mr. and Mrs. Virgil Cauthorn, Del Rio, Elton Smith, Van Horn, Mike Smith, Lamar, Colorado, and Hye and Steen Brown, Austin.

Among the out-of-town guests here for the reception were Mr. and Mrs. E. P. Nelson and S. W. Ross, all of Floydada, Texas; Mr. and Mrs. Fred Boerner, Huntington Park, Calif.; Mr. and Mrs. Frederick, Boerner and daughters, Phyllis and Salem, Downey, Calif.; Mr. and Mrs. Frank Boerner, Phoenix, Ariz.; Mr. and Mrs. Malcolm Gregory of Austin; Mr. and Mrs. Virgil Cauthorn and children, Candy and Tommy, Del Rio; Lynn Glass, Sterling City; Mr. and Mrs. Bryan Hunt and daughter, and Mr. and Mrs. Miers Savell, all of Sonora; Dr. and Mrs. G. L. Neersta and daughters, Anice and Nancy, Mr. and Mrs. John L. Bishop, Chester Kenley and Miss Ila Kenley, all of San Angelo; Mr. and Mrs. Chester Dugger of Bakersfield, Texas; Mr. and Mrs. Harold Gibbs and daughter, Delia Jean, of Austin.

Mr. and Mrs. Joe B. Keeton and daughter of Dallas are guests this week of Mr. Keeton's mother, Mrs. J. T. Keeton.

PLASTIC FLOWERS and Plants for sale. Molds, plastic and accessories for making flowers and plants also for sale. Mrs. J. W. Donham, 502 Ave. I, Phone 2-2145.

CRIME AND PUNISHMENT

Auction Charges Cut At San Antonio Yard

The San Antonio Livestock Market Institute has announced a reduction in the cattle auction charges at the Union Stock Yards San Antonio effective July 9, 1959. The auction charges in the future will be regular commission and yardage and 60c per head. This is a reduction from an average of \$1.34 to 60c per head or a reduction of 74c per head. This 55% reduction was made after six auction sales

were held at the Union Stock Yards San Antonio, because it is the policy of the Stock Yards Company and the commission companies to offer the most service for the least possible cost. Producers of cattle in South Texas asked for these special cattle auction sales. These farmers and ranchers have supported these sales so well that they are to be held every Thursday in the future. The cattle auction sales start at 10:00 a. m. and everyone is invited to buy, sell or just come and visit with their neighbors from all over South Texas.

Many hundreds of farmers and ranchers from all over South Texas have visited the special cattle auction sale every Thursday which is a real indication of the success of the sales, and they have shipped 19,235 head of cattle and calves to these sales. The gross value of these cattle sold was \$2,535,540.00.

"You only have to think of your family to know why we must peace. But it's a big job—everybody's job—and it can help strengthen America's Peace Power by invading the Kings Bands. Why not start today?"
1951 Robert Young appearing in "Talker"

LADIES BIBLE CLASS

The Ladies Bible Class of the Church of Christ met Wednesday morning at 9:45 to continue the study of the "Life of Christ" from the four Gospels. Darrell Brawley is the class teacher. Attending were Meses. Paul Hallcomb, J. W. Owens, Charley Fuller, Armond Hoover, Sr., P. T. Robison, T. C. Goodman, Rodger Davis, Ed Cranfill, Bud Loudamy, Darrell Brawley, Bill Johnigan, D. C. Ratliff, Neal Hannah, Herman Knox and O. D. Paulk.

LADIES GOLF ASSN.

Weekly play of golf and bridge was held last Thursday at the Country Club. Golf was played in the morning and bridge in the afternoon. Blind bogey in golf went to Mrs. Beecher Montgomery. Mrs. Jess Marley and Mrs. Beecher Montgomery tied for low net on the club trophy play. Bridge hostess was Mrs. Nip Blackstone. High score went to Mrs. T. J. Bailey, second high to

MISS CHILDRESS HOME

Miss Genelle Childress, attended Pine Manor College in North Carolina, last year and part of the summer vacation as a staff member at the Baptist Assembly in North Carolina. She spent the balance of the vacation at home. She joined parents, Mr. and Mrs. Piers Cress, in Dallas on their return from a recent business trip to Missouri. The Childress was accompanied on the trip by nephew, Duane Childress.
