Two Crockett 4-H Club Boys Win State Honors For Outstanding Records

Age Station, Tex. — The 4-H Club Office today announced two Crockett County 4-H boys as winners of state awards on their records of achievement in 4-H Club work.

Pierce Miller was declared the winner of the Texas Sheep and Goat and Mohair award and all-expense paid trip to the National 4-H meeting, the National 4-H Club Congress in Chicago from December 29 to December 31. Don Williams was the Texas Sheep and Goat Raisers' Association award winner in the program. Williams was named state champion in the Range Management Demonstration program. He received a scholarship to the Range Camp at Junction.

For the award is the Texas Sheep and Goat Raisers' Association and Goat Raisers' Association. They also provide a gold medal to county winners and an engraved belt buckle for each district.

Pierce Miller

Miller's first demonstration consisted of two registered Ramboullins. They started for him a record of 11 wins that has reached the major sheep and lamb shows in the State. All told he has now 100 ribbons, rosettes and banners including 25 grand and reserve champions and 24 first place winners. From the original two in 1953, his breeding flock grew to 61 head of ewes.

Through the training and experience gained as a 4-H Club member, he has learned to do his own culling of animals and the preparation of wool for market.

Bill Williams

He has also compiled an outstanding record as a judge and as a 4-H leader. He has been a member of state winning wool and

7 Scouts Advanced By Board Of Review

Seven Boy Scouts of Troop 153 were advanced in rank at a Board of Review last week.

Advanced to second class Scouts were Aaron Shackelford, Jimmy Smith, Scott Henderson and James Brock Hoover.

Advanced to second class Scouts were Moe Barbee, George Kyle and Rick Hagelstein.

Sitting on the board of review were John Hobaugh, Dorris Halre and Lonnie Cain.

Humble To Set Casing In Pecos River Test

Humble Oil & Refining Co. was preparing to set casing at the No. 1, Sutton State Lease, in 53-1-H&GN, for completion attempt as a second producer and a southwest extension to the Sutton (Queen) field of Crockett County, six miles southeast of Iraan.

Directionally drilled to 1,620 feet the project is in the center of the Pecos River.

The discovery, Sutton 1 Half Estate, was finished July 26 for 155.9 barrels of oil, no water, through a 23-64-inch choke and perforations between 1,350-1,381 feet.

Sister Of Ozonan Buried In Del Rio

Funeral services were held at 4 o'clock Monday afternoon in Del Rio for Mrs. Adelia Everett Louthian, 74, a sister of Rufe Everett of Ozona and an early day resident of Crockett county, who died Sunday in Del Rio.

Services were from Doran Funeral Chapel with Rev. Walter Guinn, pastor of the First Presbyterian Church, officiating.

Mrs. Louthian was born Oct. 28, 1884, in Maverick county, the daughter of Joseph E. and Adelia Everett, pioneer residents of Crockett county. She had resided in Del Rio 19 years.

Surviving are two brothers, Rufe Everett of Ozona and Joe Everett of Del Rio; two sisters, Mrs. Savannah Gurley and Miss Esther Everett, both of Del Rio, and a number of nieces and nephews.

Ranchmen To Meet Monday To Hear Of Brucellosis Plan

State Vets To Discuss County Control Program Here

All Crockett County cattle producers are urged to attend a meeting in the county court room next Monday at 2:00 p. m. for the purpose of discussing a county brucellosis program.

The meeting, arranged by county agent Pete Jacoby, will have two state veterinarians present to explain the brucellosis program. Dr. C. M. Patterson, Extension Veterinarian and Dr. James Henderson, State Veterinarian, will be present to explain the program and answer questions from ranchmen who want to know about the program.

Brucellosis, although not a problem in West Texas as a prevailing disease, does create problems to ranchmen shipping cattle out of the state at the present time. The Texas Legislature passed laws to make it possible for counties to set up brucellosis programs.

In order to get a testing program approved for the county, 75 percent of the cattle producers in the county with 51 percent of the cattle, as reflected on the current tax rolls, must sign petitions asking the State Animal Health Board for a brucellosis testing program.

Only three counties in the state, Brewster, Jeff Davis and Presidio, have a modified control brucellosis area. Four counties, Ward, Crane, Winkler and Ector, are scheduled to start a testing program in November.

Lions Meet Big Lake Friday In Last Home Game

Pass-Minded Owls Set For Determined Try For Vengeance

By Ernie Boyd

The Ozona Lions will entertain the pass-minded Big Lake Owls in Ozona Friday night with the kick-off slated at 7:30.

The game will be the district opener for the Owls with the Lions looking for their second successive league victory in their last home game of the current season.

Football fever has been high in the Owls nest this week as the Lions' traditional foe seeks to gain revenge for an 86-14 loss suffered at the hands of the Lions last year.

Thus far the Owls have not been able to post a win but have greatly improved the style of ball they exhibited last year and would like nothing better than to find the Lions resting Friday night.

The Owls have put together a potent passing attack this year and have been able to score on such teams as Stanton, Ft. Stockton and McCamey by way of the air lanes. The Owls passed the Lions dizzy in the second half of last year's contest but were not able to halt the Lions' running attack, a thing they feel they will be much better able to do this season.

The Lions emerged from last week's game with the Sonora Broncos in good shape and it is expected that Tommy Porter, out of service for some time with a broken finger, will be able to play this week.

In other league games played Friday night the Menard Yellow Jacket came from behind a 6 to 0 score at half to down a battling Junction team 21 to 14 as Big Lake was taking on Eldorado in a 7 to 6 losing effort in non-district play.

This week the Lions will entertain Big Lake and Sonora will be seeking to get into the win column with a win over Junction even though the Eagles will be slight favorites to down the Broncos.

Outstanding Church Leader And Lecturer To Be Heard In Five-Day Lecture Series Here Oct. 25 Through Oct. 29 At Methodist Church

First in the annual lecture series of the Ozona Methodist Church, made possible through a gift to the church, will be Sunday, October 25, through October 29, when the congregation and friends of the church will hear Dr. Eugene L. Smith of New York, chief executive of the overseas missionary program of the Methodist Church, minister, author, lecturer and world traveler.

Dr. Smith will conduct the morning worship service Sunday and will lecture Sunday evening and each evening through Thursday at 7:30 p. m. at the church. The community is cordially invited to hear him.

In 1957 Dr. Smith completed a term as vice-president of the National Council of Churches and chairman of the executive board of its Division of Foreign Missions. He also participated in 1957 in two international conferences considered significant for the future of Christian mission work: the East Asia Christian Conference at Prapat, Sumatra, and the Assembly of the Internationally Missionary Council in Ghana.

Other international and inter-church conferences in which Dr. Smith has participated in recent years include: the first and second Assemblies of the World Council of Churches (Amsterdam in 1948, Evanston in 1954) the International Missionary Council Assembly at Willingen, Germany, in 1952; conferences of the Joint Committee of the IMC and the WCC in 1952 and 1954, and General Assemblies of the National Council of Churches.

A native of Rockwell City, Iowa, Dr. Smith attended the East Waterloo High School, Willamette University, Salem, Ore., Drew Theological Seminary, Madison, N. J., and New York University. He holds the doctor of philosophy degree from N. Y. U., an honorary doctor of divinity degree from Willamette and an honorary doctor of letters degree from American University, Washington, D. C. Ordained an elder in the Newark Annual Conference in 1940, Dr. Smith was pastor of the Wesley Methodist Church, Roselle, N. J. (Continued from Page One)

FFA Grass & Range Judging Contests To Be Held Here Oct. 24

The annual FFA grass and range judging contest will be held in Ozona Saturday, October 24.

The contest is being sponsored this year by the Crockett Soil Conservation District. Teams are expected to compete in the event from Garden City, Robert Lee, Bronte, Wall, San Angelo, Lake View, Eldorado, Sterling City and Ozona. The Ozona FFA team is coached by M. A. Barber, vocational ag teacher in the Ozona schools.

Llano Minister Will Preach At Church Of Christ Gospel Series

Silas Howell of Llano, Texas, will do the preaching at the Ozona Church of Christ in a series of meetings which will begin Sunday morning October 25, and continue through the following Sunday, November 1.

There will be two services daily at 4:00 p. m. for the afternoon service, and 7:30 p. m. for the evening service.

Mr. Howell was born in Burnet, Texas, and began his preaching there in 1926. He received his formal education in the Thorp Spring Christian College, Abilene Christian College, and University of Texas. He has served as local minister for several churches of Christ in

League Re-Alignments Put Eldorado Back In District 8A Next Year

By Ernie Boyd

The Texas Interscholastic League office in Austin revealed a number of changes in classification for schools around Ozona last Friday, some of which will affect the Lion schedule and district play next season.

The Austin directive revealed that Eldorado, a long time member of the district in which Ozona has competed has regained Class A standing also squashed rumors that Menard would drop to class B next season.

The addition of Eldorado will be of great benefit to the district 8-A schedule since the league will now have six teams instead of the uneven five in the district when Eldorado went back to class B two years ago.

In the district to the west of us Marfa has advanced to 2A and Rankin, Wink, and Van Horn have all advanced to class A. The three teams advancing to class A have been class B powers for the past several years and will become strong threats to the 7-A title next season.

The Stanton Buffalos, who have been on the Lions schedule on one year contracts for the past two seasons, have advanced to class 2-A while to the west of us Denver City and Seminole have gone into 3-A. Both of these teams were in the district with McCamey and Ft. Stockton and they will be replaced by Marfa and Stanton.

Many Firsts Cited For Johnson Flood Project By Smith

State Conservationist Says Local Project First In Nation

Crockett county's Johnson Draw flood control project can boast a number of firsts, H. N. Smith, of Temple, head of the Soil Conservation Service in Texas, told a group of county and Soil Conservation District officials and their guests at a barbecue dinner Tuesday at flood dam No. 7 on the W. E. Friend, Jr., ranch three miles east of Ozona.

The Johnson draw project was the first in the nation as a flood control project to be completed under Public Law 566, the flood control law passed in 1954, Mr. Smith said.

The people of Crockett county set a pattern for the entire nation in initiating that project by putting up the necessary money as a trust to finance the preliminary surveys on the watershed, thus speeding up its completion by years.

And the Johnson draw watershed is unique in the nation in that 100 percent of landowners in the watershed area are cooperators in land treatment measures with the local Soil Conservation District, the state conservationist pointed out.

Mr. Smith was last in Ozona for the preliminary meeting on flood control measures early in 1955 following the disastrous flood of June, 1954.

"At that meeting I told you we had only one planning party and that with available funds, it might be years before we could get to you," Mr. Smith recalled. "You asked me what about it if you advanced the money. I told you that it was a new idea to me and probably would be to Washington but that I would find out."

"You told me to find out today and that I did and Washington (Continued on Last Page)

Lions Club To Host Air Force At Base Barbecue

Club And Ladies Honor Personnel With Event Oct. 30

Plans are nearing completion for a barbecue to be given by the Ozona Lions Club for the members of the Ozona Air Force Station and their families to be held on the base Oct. 30.

Lions Joe Logan and J. A. Pelto, are in charge of the two planning committees appointed by Lion President Corbett Smith to make arrangements for the social gathering, designed to welcome Station personnel, and enable Lion members and their wives to get better acquainted with this new and important group in Ozona's social and economic structure.

The Lions Club committees have been working with the Ozona AF Station Commander Major Charles Zunker and his staff in order that the affair would be properly arranged to suit all concerned.

The barbecue is to be held on the radar site where a goodly number of the base personnel live, but all base personnel regardless of where they live are encouraged to make plans to bring their families and be present for the get-together.

"Radar base personnel comprise an important part of Ozona's economic life, and we would like for them to take a greater part in its activities," Dr. Joe Logan stated following a meeting of the Lions club Board of Directors several weeks ago in which the first discussions of a proposed social were held.

"We feel that we would like to know them better and that we should be the ones to take the first step in this direction since they are newcomers in our community," Dr. Logan said.

Grind Up Sonora Defenses For 44-6 Victory

Opening Play TD Only Moment of Glory For Outplayed Broncos

By Ernie Boyd

Ozona Lions watched Sonora Ben Castillo run the kickoff 85 yards for a touchdown and proceeded to pound the Broncos pieces last Friday night as Lions opened their 1959 title with a 44 to 6 win over Sonora. Castillo's perfectly executed run the large Sonora delegation a frenzy of jubilation but joy was short lived and by the time the last gun sounded the early moments was all forgotten in the deluge of touchdowns that came in a fire succession.

The aroused Lions took the second kickoff and four deep in the first quarter the tying touchdown when Parker dived over from the following a 46 yard drive from spot where the kick-off had returned.

The crowd was still rejoicing the Lions' first score when the Ozona linemen cracked through the Sonora line to block Ozona kick with Dick Flannigan on the pigskin on the twenty line.

Lions wasted no time going as Parker rolled over from three. The score was the second five touchdowns the Lions' left halfback posted as he around and through the beated Sonora defense.

Sonora took the ensuing kickoff Alford Sykes picked up four off to Sykes on an attempted punt and Dick Flannigan once came up with the loose ball. Lions quickly converted the into their third TD as

THURSDAY, OCT. 22, 1959

WCS STUDY PROGRAM

Members of the Methodist Woman's Society of Christian Service met Wednesday morning in the home of Mrs. Evert White with Mrs. W. O. Reeves as assisting hostess. The program was "The Plight of Modern Man," Will Herberg, given by Rev. Morris Bratton, with a round table discussion following.

Others present were Mmes. P. C. Perner, Charles Zunker, Ralph Jones, F. Vaughn, C. W. Conley, M. J. Read, Morris Bratton, J. W. Henderson, Lindsey Hicks, John Childress, J. S. Pierce, III, L. B. Cox, Jr., Floyd Henderson, B. B. Ingham, Sr., Charlie Coates, S. M. Harvick, Chas. Williams, Sr., R. A. Harrell, Joe Tom Davidson, L. B. Cox, III, N. W. Graham, J. A. Fussell, George Bunker, James Kirby, K. R. Stanton, R. K. Wimberly, Joe Pierce, Jr., Paul Perner and the hostesses.

WEEK OF PRAYER

The annual Week of Prayer and Self Denial will be observed all over the world by Methodism from October 25 to 31, 1959. A special program will be held at the Ozona Methodist Church on October 30 at 9 a. m. Directors of the program will be Mrs. Stephen Perner, Mrs. Joe Tom Davidson and Mrs. Paul Perner. The theme will be "O Send Us Forth to Make All Lands Thine Own."

Captain George Ward, U. S. Air Force, and family spent the week-end here visiting Captain Ward's parents, Mr. and Mrs. Rufus Ward at the ranch. Captain Ward, a seven-year veteran in the Air Force, has just returned from a tour of duty with the Strategic Air Command in Spain. He is navigator, radio operator and bombardier on a jet bomber. He will be stationed at Dyess AFB in Abilene.

FRIDAY BRIDGE CLUB

Mrs. S. M. Harvick entertained the Friday Bridge Club in her home last week. High score award went to Mrs. W. W. West, low to Mrs. Bill Adams and cut prizes to Mrs. Stephen Perner and Mrs. J. W. Henderson. Others attending were Mrs. Evert White, Mrs. Lovella Dudley, Mrs. Early Baggett, Mrs. Hillery Phillips, Mrs. Max Schneemann, Mrs. Joe Pierce, Jr., Mrs. O. D. West and Mrs. Tom Harris.

Vitamins For Needy Children Provided In Donation By Forum

The Ozona Woman's Forum voted Tuesday to donate \$100 to be used for the purchase of vitamins for distribution among local underprivileged children in need of such dietary supplement. Administration of the program is to be under the advisement of the public school nurse.

Mrs. James Childress was in charge of the day's program on "Eminent Women of Today's World." She spoke on the influence various women have had on world affairs since the beginning of history. Mrs. Dempster Jones discussed "Sir Winston's Great Lady" Mrs. C. O. Walker, "The Duchesse of Kent", and Mrs. Jack Williams, "Erika and the King of Nepal."

The meeting was held at the country club with Mrs. Charlie Black and Mrs. Marshall Montgomery as hostesses.

Other members present were Mrs. J. A. Harvick, Mrs. T. J. Bailey, Mrs. John Coates, Mrs. Nip Blackstone, Mrs. Ele Hagelstein, Mrs. Hugh Childress, Jr., Mrs. Paul Tucker, Mrs. W. A. Childress, Mrs. Ralph Jones, Mrs. Charles Williams, Jr., Mrs. Joe S. Pierce, III, Mrs. L. B. Cox, III and Mrs. Joe Clayton.

LADIES GOLF ASSN.

The monthly luncheon of the Ladies Golf Association was held last Thursday at the country club. In golf play, balls were won by Mrs. Marshall Montgomery and two guests from Del Rio, Mrs. Ruth Beasley and Mrs. Elsie Nicholson.

Luncheon hostess was Mrs. Dempster Jones and bridge hostess was Mrs. C. O. Walker. High score in bridge went to Mrs. John Lee Henderson, second high to Mrs. Marshall Montgomery and cut to Mrs. John Childress.

Others attending were Mmes. Early Baggett, R. L. Bland, Jr., Hugh Childress, Jr., Joe Clayton, Jess Marley, Boyd Clayton, Ashby McMullan, Hillery Phillips, J. S. Pierce, III, Lloyd Sherrill, Joe Pierce, Jr., Sherman Taylor, Byron Williams, Lindsey Hicks, Jack Williams, George Bunker, and guests were Mrs. Buddy Phillips, Mrs. L. D. Kirby and Mrs. Gene Williams.

Mrs. B. B. Ingham, Sr., spent last week in Abilene where she visited her son-in-law and daughter, Mr. and Mrs. Bill Littleton.

Ministers Panel In Discussion At P. T. A. Meeting Monday Night

A panel of ministers discussed and answered questions on the relation of the church and schools under the topic, "Redemption and Education," at the Ozona PTA meeting Monday night in the school cafeteria. Mrs. Martin Harvick, president, presided.

Rev. Charles Petet, pastor of the United Presbyterian church of San Angelo, was moderator. Composing the panel were Jay Thompson, lay minister of the Episcopal Church of the Good Shepherd; Rev. Al Brown, rector of St. John's Episcopal Church, Sonora; Rev. Conzel P. Lynch, O. F. M. Our Lady of Perpetual Help church; Rev. Morris Bratton, pastor Ozona Methodist Church; and Darrell Brawley, minister of the Ozona Church to Christ.

The third grade class of Miss Lawrence won the attendance award. Hosts for the evening were Mr. and Mrs. Joe Couch and Mrs. Mahlon Robertson.

Mrs. W. T. Goodson and Mrs. Jimmy Barbee, members, flew to Midland Sunday to attend a meeting of the Midland chapter of the Ninety-Nines, an organization of women pilots. Accompanying the Ozona pair were two local student pilots, Mrs. Harold Morgan and Mrs. Albert Posey. The meeting was at the Midland airport.

Lions Bop Sonora— (Continued from Page One)

Parker raced around left end for the final 18 yards and the score. This time Bob Meinecke converted the extra point and the Lions led at the end of the first quarter 19 to 6.

After the wild flurry of scoring in the first quarter the game settled down considerably with Ozona posting only one score and Sonora finally making a first down highlighting the play.

The Ozona score came when Bob Meinecke weaved 27 yards through the middle of the Sonora defense to end a 60 yard march following a Sonora punt. Meinecke added the extra point and the score moved to 26 to 6 at half time.

Following a nice halftime show by both Sonora's and Ozona's bands, the Lions renewed their attack by posting two third quarter scores.

Ozona took the half time kickoff and marched 70 yards for the first third-period score, being aided along the way by a fifteen yard penalty for a personal foul against

the Broncos.

Parker once again tallied as he covered the last 22 yards for the score. The try for extra point was once again no good.

The longest play from scrimmage of the night occurred when the Lions got hold of the ball again. Jim Doran, in the game at fullback, found a brief gap at the right tackle slot and away he went 71 yards for the score. Once again the try for extra point failed.

The game's final marker came in the fourth period when the Broncos, after throwing the Lions for two successive losses, began to point to the goal the Lions were

defending and yell "go, go." The

Lions went but not in that direction as they moved 34 yards for the score with Parker once again going over from the three.

Sonora found the Lions just too tough after the first play and wound up the night with a meager 38 yards for their rushing efforts with three more passing. The longest gainer of the night for the Broncos was a reverse to Ben Castillo that carried for 12 yards and set up one of the six Sonora first downs.

The Lions ground up the Sonora defense as they ran up 385 yards rushing and a puny three more

passing.

Tony Parker led the Lions tack with 121 yards on 23 carries. Johnny Jones had 101 on 18 tries and Bob Meinecke had 88 on 8 tries despite two losses on passing attempts.

On defense the Lions got the jobs from B. B. Ingham, Bob Meinecke, and Jim Williams at the back and corner back posts. Strong play from Dick Flannery and Ray Moxley at the tackle. Ronnie Beal and Deeny Holden tackled on plays that strayed the middle of the line.

GIRL SCOUT DRIVE SUCCESSFUL IN OZONA

The Epsilon Sigma Alpha Sorority wishes to thank the people of Ozona for their generosity in the Girl Scout drive. Because of your generosity, Ozona girls may continue Scouting for another year. As most of you know, the assessment fee for Girl Scouts and Brownies for Crockett county is \$596, paid to the Girl Scout National Council. For this fee we have a field representative who visits our troops once a month for counselling and guidance. She also provides a training course for Girl Scout leaders. We are also entitled to use any ground or equipment available to the San Angelo District of which we are a member. There are approximately 196 Girl Scouts and Brownies in Ozona with 35 leaders and committee members.

Garden Reminders

From Garden Club Reporter

The Ozona Garden Club is invited to attend the fall flower show of the Mildred Parker Garden Club at Iraan Saturday, Oct. 24, from 2 to 8 p. m. at the Community Center.

Do you know why red spider has become such a menace? Because some of the harsh materials we have been using to spray on gardens have destroyed the beneficial predators, the insects that have helped keep mites and spiders under control.

There is a comparatively new product on the market that does not destroy these beneficial predators, but kills red spiders and mites in all cycles by breaking down fertility of the eggs. Doesn't harm the plant, foliage or soil. It is Spider-sMite.

Have you noticed the pretty new plant called candelabra or candle stick in several yards. There are

some especially nice ones in the side yard of the Evert Whites.

Thanks to the keepers of the cemetery for having it all in such nice condition. Now if the highway from town to the cemetery could just look as nice. Please don't be a litterbug and throw your trash and cans along the way. It only adds to the heartbreak of those who travel that way.

Our appreciation to those cleaning their vacant lots of weeds and trash.

Zeal for the public good is characteristic of the man of honor.

CARD OF THANKS

We take this means of expressing our sincere appreciation to all our friends of Ozona for their many acts of kindness and expressions of sympathy on the occasion of our recent bereavement. Your helpfulness and attentive kindness were strong supports for us in our hour of greatest need and we shall always be grateful to you. May God reward you richly.
Mrs. M. C. Couch and children

EDITORIAL

By Priscilla Stewart

AUTUMN

How do we know this beautiful season is here without looking at the calendar? When the sun gets hazy and there is a sharpness in the air, why do we always feel a little different within ourselves?

Could the change be from seeing leaves turn to so many beautiful colors of red, gold and brown? As we watch and enjoy this scenery day by day, the leaves start falling as the wind whispers through the trees.

Do we ever stop long enough to wonder what it would be like to have our hearts and minds so bare that our very thoughts could be read by passer-bys? Would we be as strong and proud as the tree?

Are we a wee-bit sad because of this beauty that is fading, or have we failed to store enough good deeds to keep our hearts warm and happy through the bleak cold, and dreary months of winters?

What does Autumn mean to each of us, and how may we benefit from this beautiful season of harvest, or should we let it pass by without a thought of "why"?

APTITUDE TESTS

Tuesday morning aptitude tests were given to the Juniors and Seniors in the Ozona High School Cafeteria. These tests began at 9:30 a. m., under the direction of Principal, "Swede" Peltó and lasted until 11:30 a. m.

A few of the Juniors were unable to participate in the tests because there were only thirty tests ordered. The price of the tests was \$1.00 per student.

ABOUT 1859 . . .

Nineteen fifty-nine marks the one hundredth year since John Brown made his famous raid on Harper's Ferry. Here is an "actual" account of that raid and the Civil War in a nutshell.

John Brown was a brave but foolhardy man, who tried to seize arms from Northerners and give them to the slaves. The Northerners were willing to give him a hand but thought this was going too far. So they manged poor John Brown and left his badly on Harper's Ferry where it lay mouldering until the passengers complained.

War was in the air. War finally broke out when some at the Southern States decided to secede. It was their firm belief that nothing succeeds like secession. They named Jeff Davis, their president and raised their own flag, it being possible to raise almost anything in the fertile soil of the South.

Lincoln, who was a kindly man, insisted that if there were to be a war it should at least be fought as decently as possible. It was therefore called the Civil War. It was fought between the boys in blue (who wore Union suits) and the boys in gray, although most of the boys were old enough to have whiskers and did.

The battle cries of the two forces were "On to Washington" and "On to Richmond." Each was after the others capital, and the North being industrial, had more capital than the South. If the North had permitted the South to take Washington and the South had permitted the North to take Richmond, the war might have been won by both sides and everyone would have been happy. Apparently the opposing generals did not take this under serious consideration.

LIONS STOMP SONORA!

District football was the word Friday night when the Ozona Lions coasted to a 44-6 victory over the hapless Sonora Broncos.

The victory marked the third win in a row over the once-feared Broncos and set the Lions up as favorites to win the District 8-A crown.

The Lions will encounter the Big Lake Owls on the home field Friday, October 23, at 7:30 p. m.

Let's all come out to support the Lions in a big way. Remember—**RUN OVER THE OWLS**

BONFIRE AND CAR PARADE

Last Thursday night at 7:45, students gathered in front of the high school for the car parade to the football field and the ensuing bonfire.

Immediately after arriving at the bonfire, the winner of the annual box-collecting contest was announced. This year the Freshmen were the lucky ones as usual. They received five dollars.

Next, the bonfire was lighted by the Seniors. A cheer arose from the crowd as the cardboard Broncs caught fire.

After this there was a fifteen-minute pep rally, with speeches from the seniors on the team, who were presented with cardboard Lions as Souvenirs.

MISFORTUNES OF THE MUM SALE

If you ordered a mum from the Juniors, but didn't get one, contact Mr. Moody or Mr. Leath before Monday, October 26.

We didn't intend to overlook anyone, but in our rush to deliver the mums Friday afternoon some mistakes were made.

ANNUAL STAFF MEETING

The Annual Staff met to elect new members and to discuss the Ayer of 1959-60. Work for the staff continues throughout the year, drawing pages, selling ads, and writing copy. According to their sponsor, Miss Mildred North, the staff will meet the first Monday of each month. Members are:

Editor — Susie Chandler

Assistant Editor — Barbara Barbee.

Margo Pogue, June Bunger, Sally Baggett, Camille Adams, Linda Millsbaugh, Nonie Conklin, Anne Davidson, Saurara Whitaker, Pam Jones, Judy Black, Janet North, Glenda Friend, Don Nell Carnes, Peggy Harvick and Pam Perner.

JUNIOR PLAY CHOSEN

"Fog Island", a mystery in three acts, is to be presented by the Junior class.

The first try outs were held Monday and practice is to start soon.

In the cast there are to be seven girls and four boys. Mr. Leath will be the director, and the assistant director is Anne Davidson.

HALLOWEEN DANCE

After the game Friday night the Halloween Dance was held at the North Elementary, given by the student council. Music was by the "Esquires" and decorations were orange and black streamers hanging from the ceiling and lights. Black cats and skeletons were pasted along the walls.

Blending in with the colors were the many mums, some with boys numbers on them.

Seen at the dance were not only

students, but many exes, home for the weekend. Among them were Joe Clayton, Alleane Young, Rod Franklin, Gwynel Walker, Bill Black, Jerry Jacobs, Becky Davidson, Diz Reeves, and Erby Chandler.

Yes, it was old home week for awhile but now things are back to normal. The next school dance scheduled is the Thanksgiving dance, which could be on October 31!

"You'll want this
MEDALLION

for your
new
home"

Make yours a MEDALLION HOME

...hallmark of Electric Living

It doesn't have to be a palace... but you'll live like a queen! You don't have to be wealthy to build one... but you'll certainly be the envy of your neighbors! They'll identify your house by the handsome MEDALLION which is set in the everlasting masonry... to remind you and them that here is a home built for complete Electric Living.

How do you go about getting the MEDALLION on your home? Before you build ask your builder, your electrical contractor, or WTU for a checklist of MEDALLION HOME requirements. We'll be glad to explain in detail the many ways in which your MEDALLION HOME will become — and remain — the most valuable investment you ever made.

LOOK FOR THIS SIGN ON YOUR NEW HOME

For less than 3¢ the average family served by WTU can make a complete modern electric way... and enjoy the cleanliness and conveniences of Electric Living.

RAILROAD FEATHERBEDDING:

\$500,000,000 LOSS

TO THE NATION—INCLUDING YOU—EVERY YEAR

Featherbedding on the railroads — pay for work not done or not needed — is costing the American people the shocking total of more than \$500,000,000 a year.

You pay for it every time you shop, because featherbedding costs are hidden in the price of everything you buy.

Obsolete union work rules, involving the railroad operating employees, are responsible for this gigantic burden. Right now, for instance, these rules require every diesel locomotive to carry a fireman — even though diesels have no fires to stoke, no boilers to tend.

The forthcoming negotiations between the railroads and the unions are urgently important to the whole nation.

In asking the unions to drop these featherbedding rules, all the railroads ask for is a fair day's work for a fair day's pay.

AMERICAN RAILROADS

The News Reel

re-run of "The Ozona Story" gleaned from the files of The Ozona Stockman

In The Stockman, Oct. 23, 1930

rocket county taxpayers will a total of \$2.77 on the \$100 tax in state, county and school taxes for this year. This represents an increase of 60 cents on the \$100. Of this increase, the state is responsible for 2 cents the county and schools. The

hike was made necessary because of the voting of \$545,000 in new bonds, \$375,000 for roads and \$170,000 for a new high school building.

Eugene Montgomery was admitted to membership in the Ozona Lions Club at the club's luncheon Monday noon. Gene was the winner of the membership prize offered by the Club to the high school boy with the highest scholastic ranking at the end of the first six weeks term. He will be a full fledged member of the Lions Club for the next six weeks.

The Ozona Lions snaked over a lone touchdown to beat the Eldorado Eagles in Eldorado Saturday afternoon 6 to 0.

The regular week-end rain came on schedule early Sunday morning, again treating most of West Texas to a drenching downpour. The fall amounted to an average of about one inch throughout the territory, bringing the total for the past ten-day period to approximately six inches here.

David Anderson was lodged in the county jail Monday following his arrest by Sheriff W. S. Willis

on a charge of burglary in connection with an alleged unlawful entry into the home of Mrs. W. E. Smith.

Mr. and Mrs. J. C. Montgomery and Mrs. L. J. Kittle attended the wedding of Miss Louise Montgomery in Fort Stockton Sunday.

Mr. and Mrs. George Bean and infant son have returned from Stamford.

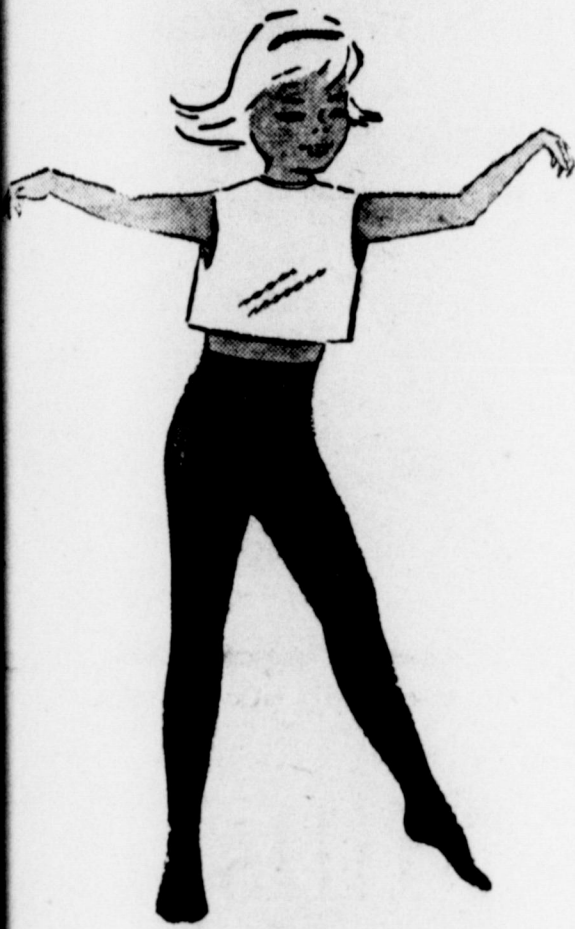

Marbury Morrison and A. A. Perry have secured leases on ranches near Rankin and are moving their livestock to the new hold-

ings this week. Mr. and Mrs. Hillery Phillips are the parents of an eight-pound boy born Sunday in a San Angelo hospital. The youngster has been named Hillery Marshall Phillips, Jr.

In vicinity, like new beautiful maple spinet. Will sacrifice if sold here. Kimball spinet about wholesale. Demonstrator electric organ at cost. Small upright \$250.00. Write P. O. Box 745, San Angelo, Texas to see. Terms arranged.

LADIES BIBLE CLASS

Notes From The County Agent's Office

By Pete W. Jacoby

You are a cattle producer and don't forget to attend the crucial meeting at the court house on Monday at 2:00 p. m. Find out about this program and determine whether you want such a program for Crockett County.

George Miller and Bill Williams are to be congratulated for state winners in being named state winners in 4-H record books on their achievements. The honors of the two boys are fine examples of the 4-H members to follow. The work has many programs for boys and girls can be named winners as well as in livestock. The real winner is, of course, the fine citizen that most 4-H members turn out to be. Any boy or girl can be a winner in 4-H if they have the desire to do better and apply the training received in their 4-H work.

If you have trouble with fall fly worms, two insecticides are recommended. Heptachlor and DDT will do the job of controlling them. Livestock must be moved from the area for at least 48 hours after treating. A new insecticide, DIAZINON, has been approved for the control of fleas and chiggers infesting lawns and other outdoor areas. Do not use this drug on animals. Do not allow small children to play in areas treated with Diazinon.

TO ALSTONS

Richard Lanning Alston is the son given the new son of Mr. and Mrs. Arthur Alston born last week in the Crockett County hospital. The baby is a grandson of Mr. and Mrs. R. L. Flowers and great grandson of Mr. and Mrs. R. Baggett and Mrs. M. E. Jones of Ozona.

MINISTERS IN SERVICE

Harrell Brawley, minister of the Church of Christ, assisted by Morris Bratton, pastor of the Methodist Church, at funeral services for M. C. (Mike) Couch, last Tuesday afternoon at the Methodist Church.

BY BAPTIST WMU

The Ona Jones Circle of the Baptist WMU met Wednesday evening in the home of Mrs. Ivy Mayfield for a mission study. Members present were Mrs. R. H. Homan, W. C. Smith, R. C. Pitts, Mrs. Loudamy, Doyle Perdue, Mrs. Mayfield, G. E. Glynn, Les-Carnes and Roy Thompson.

Fire Prevention Poster Contest Winners Named

Winners of the annual Fire Prevention Poster contest, sponsored by the Ozona Lions Club, were chosen in the North Elementary school this week. First, second and third place winners were named in both the intermediate and primary groups, these winners to be guests of the Lions Club at its luncheon today.

Winners in the intermediate contest were Dean Eversole, first; Peggy Hagelstein, second, and Jan Jacobs, third. Winning honorable mention were Phillip Perner, Chris Lackey, Diane Henderson, Mike Williams, Edwin Owens, Cynthia Harrell, Susan Sonflieth, Joanne Lewis and Ray Brotherton.

In the primary division, first place went to John Bland, second to Ned Henry and third to Becky Bland. Honorable mention went to Danny Maness, Buddy Harrell, Alton Everett and Connie Williams.

In the South Elementary contests, intermediate winners, in order, were Jesusita Tobar, Mary Rodriguez and Jessie Reina, with honorable mention for Anna Tobar and Tom Chipman. In the primary division winners were Simplicia Garza, Patsy Ramos and Thelma Lara. Honorable mention went to Alfredo Ramirez, Emenecia Diaz, Elano Moran and Rebecca Cervantez.

AFTER-GAME FELLOWSHIP

Friday, October 16th, after the football game with Sonora, the Y. M. A.'s sponsored a fellowship at the First Baptist Church. Games were played by all those attending. Janie Everett was in charge of the game. Beverly Alford, president, was in charge of decorations. Doughnuts and hot chocolate were served to Billy Williams, Dude Melton, Robert Doyle Cox, Freddie Dobbs, Billy Cornelius, Bobby Tabb, Jim Williams, Olen Galyen, Gary Stewart, Ronald Carnes, Mike Stiles, Wayne Scrivner, Golda Goodman, Kathy Scrivner, Helen McCaleb, Glenda Scrivner, Vicki Carroll, Pat Womack, Don Nell Carnes, Jan Pridemore, Roberta Johnson, Priscilla Ste-

wart, Bama Burton, Janie Everett, Beverly Alford, Mrs. Clovis Womack, Mr. and Mrs. Harold Shaw. There will be another party next Friday night after the Big Lake game. Everyone is invited.

Mr. and Mrs. Ivy Mayfield and Mr. and Mrs. Bruce Mayfield attended the Texas Tech - Baylor football game at Waco and then went to Huntsville to see the Sunday show of the prison rodeo.

BUYS BUSINESS BUILDING

Oscar Kost, owner of the Ozona Boot & Saddlery, has purchased the building in which the business is located from Miss Dollye Coates and is engaged in renovating the interior this week. Mr. Kost plans to extend the building to the rear some 20 feet for additional space and later plans to remodel the front.

Fall in love with your car again

Remember how proud you were of your new car when you saw it in the showroom? We'd like to do all we can to keep that car as close to new as possible? We know that next to your home, it's your biggest investment and therefore deserves the best care in the world. To us this means more than just keeping it supplied with top-quality gasoline and oil. It means extra service—the

kind of service that makes your car a pleasure to drive while you own it, makes it worth more when you trade it in. Making friends with your car is our business. And making that friendship pay off for you is our job in America's competitive and progressive oil industry. So why don't you bring your car in today—and find out for yourself that we mean all we say!

Win 4-H Honors —

(Continued from Page One)

mohair, grass and range judging teams. The range judging team placed fourth in the national contest held at Oklahoma City. He has also won many individual awards in livestock as well as in the contests in which state team honors were won.

For excellence in achievement and leadership, he holds other honors. He is a Gold Star boy; a winner of the Mother Davidson Memorial Trophy which goes to the county's most outstanding 4-H boy each year; won the Silver Shears Trophy at San Antonio and the Wallace Dameron Trophy at San Angelo in 1959 as the premier exhibitor of the Junior Rambouillet Show. Pierce is a junior leader and is helping train younger boys in judging and livestock feeding and showmanship.

Pierce is also active in church, school and community affairs. He plays the trumpet in the high school band and participates in athletics and dramatics. His chief interest is ranching and favorite hobbies are hunting and fishing. After college he plans to follow ranching as a career.

Pierce says he has always had the backing of his parents, Mr. and Mrs. Eugene Miller, Ozona, in all his 4-H work and is most appreciative for their help and for the assistance and guidance given by County Agent Pete Jacoby.

Bill is the son of Mr. and Mrs. Troy Williams of Ozona, and is completing his fifth year of 4-H demonstration work. His ability as a feeder and exhibitor of top livestock, including fat lambs, steers and registered Herefords, is reflected in his winnings at local, district and state shows.

The scholarship winner was stricken with polio in 1951 which left his right arm useless. This physical handicap, however, has not proved a hindrance to 4-H Club activities and demonstrations. He says, "I have found I can compete on the same level with other boys and girls and by hard work can come out on top in 4-H".

And come out on top, he has. He started working out for judging teams in 1956 and the next year

was the second ranking individual in the district contest for juniors. His range judging team placed second in the district and fifth in the state in 1958 and in 1959 he was second individual and his team was second in the state contest. At the Sonora Wool Show judging contests, he won several individual awards and his team ranked second in the over-all competition.

He is now a junior leader and assists County Agent Jacoby with the training of younger boys in showmanship and judging activities. He attended the District Leadership Camp in 1957 and 1959 and has put his training to good use in Crockett county.

He enrolled in range management because he wanted to learn more about this phase of ranching. He has gained a fine working knowledge of range plants from his judging team experiences. In addition to his plant collections, he maintains two grass plots on the ranch for observation purposes. He has cleared about 20 acres of mesquite and has done some re-seeding. He plans to continue his range management demonstration along with his livestock work and figures by the time he is ready for college, he will have money saved to see him on his way.

Lecturer —

(Continued from Page One)

the Emory Methodist Church, Jersey City, and St. Mark's Methodist Church, the largest Methodist Church in Brooklyn. He was serving at St. Mark's when elected to his present position in 1949.

Dr. Smith is also a teacher, author, and lecturer. For several years, he was on the faculty of N. Y. U. In 1956 Dr. Smith was the Fondren Lecturer at Southern Methodist University, Dallas, Texas, and the Merrick Lecturer at Ohio Wesleyan University in Delaware.

Many Firsts —

(Continued from Page One)

okayed it. I also told you that under the then law you would have to share the cost to 25 percent. You asked me how much and we estimated the total at \$800,000 and your share at \$200,000. You promptly voted bonds in that amount. Mostly by efforts of the Texas delegation in Congress, including your own Congressman J. T. Rutherford, the law was amended so that the government bore the entire cost, which in this case, by reason of increases in some dam sizes and rising costs, exceeded our estimates by something over \$100,000."

Mr. Smith told the group that the Service in Texas has received 150 applications for assistance and that of this number 95 will be approved, a few are already under construction. He said that Crockett county was fortunate in its early bid because, by reason of the local cooperation, it was among the first to be ready and all funds available for the state of Texas were available to this project as it was needed, thus making it possible for its completion in record time.

Bob Scott, work unit conservation with the U. S. Soil Conservation Service here, was master of ceremonies. Judge Houston Smith introduced Mr. Smith. Judge Smith and members of the Commissioners Court were hosts at the barbecue dinner, which was followed by a tour of the now completed system of dams which control flood waters on Johnson draw watershed.

Cy Richmond of San Angelo, area conservationist and E. B. Keng work unit conservationist at Sonora were here for the meeting as were interested citizens from Sonora, Brackettville and Del Rio. Ralph White and Clarence Raspberry, project engineers on the Johnson draw project and now serving on a similar project on Dry Devil's River and Lowery draw above Sonora, were also special guests.

Troop 2 Brownies had their second meeting Monday Oct. 19. The girls made scrap books to keep their records for the coming year.

Plans were made for a hike and weiner roast for the next meeting Oct. 26, if the weather permits. Jerry Lynn Morrison and Ginger Womack joined the troop this week.

Peggy Hagelstein and Debra Mills were hostesses for the week.

Y. M. A.'s MEET

The Young Women's Auxiliary of the First Baptist Church met Wednesday night at the church. A Chinese theme was carried out with Chinese lanterns and decorations. The program was on mission work in Hong Kong. Bama Burton was in charge of decorations and refreshments. Hot tea and cookies were served to Beverly Alford, Jayne Cole, Bama Burton, Kay Pitts, Jo Good, Janie Everett and Mrs. Harold Shaw.

5 OZONANS IN SAC

San Angelo, Texas — Five students from Ozona are among the 993 currently enrolled at San Angelo College. This is the largest enrollment in the 23 years of the institution.

Included are Billy Bob Holden, Coline Duer, Owen Wayne Wagner, Kenneth Wayne Gideon and Rodney Franklin.

HERE'S WHAT MAKES THE CORVAIR REVOLUTIONARY

Short and sweet! Engine's in the rear—where it belongs in a compact car. With more weight on rear wheels, you get extra road-gripping traction for cornering and driving on ice, mud or snow. Also, by avoiding nose-heaviness of front-engine compact cars, Corvair handles easier, brakes better, rides smoother. Styling of both 4-door models is clean and uncluttered... as fresh and functional as modern architecture.

Unipack Power Team

Engine, transmission and drive gears are neatly wrapped in one lightweight package. Takes less space, leaves you more.

UNITRUST BODY BY FISHER

Body and frame are combined into a single rigidly constructed unit that reduces Corvair's weight, enlarges its passenger space.

Practically FLAT FLOOR

Corvair is America's only compact car with a virtually flat floor that gives you full 6-passenger comfort. For extra space, folding rear seat converts easily to make room for 17.6 cu. ft. of cargo.

THINK'S UP FRONT

Lots of baggage space under the hood, where it's convenient for groceries, packages.

NEARLY 3 FEET SHORTER

Corvair's almost 5 inches lower, 1,300 pounds lighter, too. Its compact size makes it a joy to jockey through traffic, a pleasure to park. No need for power assists.

AIR COOLED

You never have to fuss with antifreeze. Turbo-Air 6 warms up quicker, with less wear on parts. Airplane-type heater* goes to work almost instantly. *Optional at extra cost.

Revolutionary Rear Engine

works small miracles with mileage. It's the world's first production 6 with the ultra-smooth power of horizontally opposed pistons.

4-Wheel Independent Suspension

Springs at each wheel cushion bumps independently of each other for a ride that rivals much costlier cars.

...and the most practical thing of all is Corvair's

LOW PRICE!
