Lions Conquer Coahoma To Even Season's Record

Bulldogs Fall Victim To Lion Attack In 33-0 Decision

By Enrie Boyd

The Ozona Lions scored once in each of the first three quarters and then twice in the final stanza to dump the Coahoma Bulldogs to a 33-0 last Friday night in Coahoma.

The win evened the Lions' season record at one win and one loss. The home opener with the Stockton Panthers Friday night 7-0.

Some excellent kicking set up the Lions' first score. Bob Meininger's second kick of the night tied the Bulldogs two minutes into the game and the Lions were able to gain possession on the return kick on the Coahoma forty.

Johnny Parker, the night's leading ground gainer, found a brief opening left tackle for eight yards and then repeated the stunt for more yards, and a first down. Here Bob Meinecke found a big hole over the opposite tackle and carried the twenty-three yards for the game's first score. The point guard try failed and the Lions lead after the first quarter 6 to 0.

The Lions marked up their second counter early in the second quarter when a thirty-three yard punt by quarterback Johnny Jones put the Lions in business on the Coahoma seven. Parker picked two yards and then Jim Freeman slid over guard for five yards and the score. An attempt to run for the extra points failed.

Following the half the Lions again capitalized on the running of Johnny Jones who this time picked up 21 yards to wind up a sixty yard drive, and score third Lion T. D. Jones hit end Albers in the end zone for two extra points and brought the score to 20 to 0 early in the second quarter.

The Bulldogs made their only serious threat to the Lion goal following the Ozonan's third (Continued on Last Page)

Fourth Producer Completed In Ingham Gas Field

Southland Royalty's Cox Estate Rates 13,750,000 Ft.

The Ingham (Devonian gas) field of Crockett County gained its fourth producer and a 3/4-mile northwest extension with completion of Southland Royalty Co. Fort Worth, No. 1 Cox Estate, 1/2 miles east of Sheffield.

It was finalized for a calculated, absolute open flow of 13,750,000 cubic feet of gas daily through perforations between 7,490-534 feet 3/4-inch casing cemented at 1,000 feet. Pay section was washed with 500 gallons of mud acid and acidized with 7,500 gallons.

Location is 4,000 feet from the north and 1,600 feet from the east lines of 5-FFF-John Turner survey.

E. S. Sutton, Midland, will drill No. 2 H. M. Half Estate as a southeast offset to his No. 1 H. M. Half Estate opener and lone producer in the proposed Sutton (Devonian) field, 6 1/2 miles southeast of Ingham.

Location, is 1,120 feet from the north and 4,350 feet east lines of north half of 63-1-1&GN. Conduit depth is 1,800 feet with cable log.

The discovery was finalized July 15, 1959 barrels of 33.5 gravity through a 23-64-inch choke and perforations between 1,350 - 381 feet.

'Tots Through Teens' Style Show Set For Saturday Night At High School Auditorium Under Sponsorship Of Epsilon Sigma Alpha

The first "Tots thru Teens" style show will be held at the Ozona High School Auditorium Saturday night beginning at 8 p.m. with the Ozona Chapter of Epsilon Sigma Alpha sponsoring the event.

Mrs. H. O. Hoover is serving as chairman and director of the show which will feature fall and winter fashions as furnished by the Jack and Jill shop in the village in San Angelo.

Ozونا youngsters ranging from pre-school age through high school will serve as models in the show which is the first of this type offered in Ozona.

Members of the Ozona Sorority headed by Mrs. Hoover have worked with Mr. and Mrs. Charles Brown of the Jack and Jill Shop to make the "Tots through Teens" show one that will be pleasing to the whole family including the fathers.

Door prizes for the show have been donated by Ozona business establishments and will be drawn for at the close of the show Saturday night.

Commentator for the evening will be Mrs. Martha Henderson and Club President Betty Hickman will give the welcome and preside at (Continued on Last Page)

Woman's Club Honors Commissioners Court In Community Series

Opening its season's program theme, "The Community Is You," the Ozona Woman's Club honored County Judge Houston Smith and members of the Commissioners Court at a luncheon Saturday in the fellowship hall of the Methodist Church.

Mrs. Roy Killingsworth was program coordinator. Mrs. Ted White gave the invocation. Mrs. Evart White, club president, welcomed the guests and expressed the club's appreciation to the Commissioners Court for its cooperation with club projects for community betterment in the past and to the members for their services in promoting the community's welfare.

Judge Smith responded for the Court and expressed that body's appreciation to members of the club for their interest and backing in the court's work.

Mrs. L. B. Cox, Jr., program chairman, spoke on the club's program theme and outlined some of the new attainments in community development and betterment envisioned for Ozona's future.

The luncheon table was decorated in the club's colors of purple and white. An arrangement of datura and French mulberry was at the head of the table and down the center were streamers (Continued on Last Page)

Kent Babb Is Likely Starter At Half Back For Texas Western

El Paso, Texas — One of the newcomers to the Texas Western team who probably will break into the Miner's starting lineup is 175-pound transfer Kent Babb, a product of San Angelo Junior College who has been running in front at the right halfback position since spring.

Babb, from Ozona, Texas, has good power and speed, and his presence will give Coach Ben Collins and his crew additional depth at a position that looks strong.

Behind Babb is Larry Meeks, 166-pound sophomore who is one of the fastest men on the team. Meeks lettered last year, and started at times. His brother Jackie plays left halfback on the second unit.

Third man is big Gene Williams, 200-pound sophomore who has progressed rapidly in spring training and since. Williams, a powerful 6 foot 2 inch youngster from Kermit, has power, good speed, and has been impressive as a pass receiver.

Hustling Jerry Pratt, one of the twins from Odessa, also is in the race for the upper units. Pratt is a 160 pound sophomore from Odessa.

Grand Jury To Convene Monday For Fall Term

No Petit Jury Summoned For 112th Session

Judge Iart Johnson of Fort Stockton will convene the regular September term of the 112th district court here Monday morning at 10 a. m.

A grand jury panel has been summoned for the term but no order has come from the judge for a petit jury, court attaches here said. Most of the docket will be non-jury matters and if a jury case develops, a jury panel will be summoned.

On the grand jury panel from which a jury of 12 will be selected are H. W. Baker, Mrs. Clay Adams, Mrs. W. D. Cooper, Mrs. R. L. Flowers, Samuel Martinez, J. G. Hufstetler, Mrs. Jess J. Marley, Sam Perner, L. B. T. Sikes, C. W. Tallafarro, Claude Russell, Dean Phillips, Bill Clegg, Martin Harvick, James Baggett and J. B. Miller.

'Greet The Teachers' Night Marks Opening PTA Meet Mon. Night

"Greet the teachers" is the program theme for the opening meeting of the Ozona Parent-Teachers Association at 7:30 Monday night in the North Elementary school auditorium.

All parents and school patrons are cordially invited to attend. You will have opportunity to meet and talk with your child's teacher and see where and how your children spend their day at school.

The sixth, seventh and eighth and high school teachers will be in the auditorium. Members of the PTA executive committee will be hostesses.

Construction Work Under Way On 7 Miles Of Pandale Road

The Texas Highway Department has announced a new construction project in Crockett County from 21.4 miles Southwest of U. S. Highway 290, Southwest a distance of approximately 7.0 miles. The construction consists of grading, structures, base and surfacing. The Texas Highway Department and the contractor, McGuire-Glaser Co. of Fabens, Texas, stated that the construction on this project began August 26, 1959 and will be completed by May, 1960.

R. A. McCulloch, Senior Resident Engineer of the Texas Highway Department, explained that traffic will be routed through construction work in this project. McCulloch pointed out that adequate barricades and warning signs will be prominently displayed but the motorists should be extremely cautious when passing through the area as it will be heavily traveled by large construction equipment.

Cooperation of the public is requested in obeying all traffic signals and warning signs. McCulloch said.

John Held Jr. Named As Crockett Member Of 3-County Draft Board

Austin, Texas, Sept. 9 — John Held, Jr. of Ozona was informed today that he has been appointed a member of local draft board No. 110 at Sonora to represent Crockett County.

Mr. Held was appointed by President Eisenhower after being recommended by Governor Price Daniel. He was advised of his appointment by Colonel Morris S. Schwartz, state director of Selective Service.

"I am sure your membership on this board will reflect great credit to yourself and the Selective Service System of Texas," Colonel Schwartz wrote Mr. Held.

Local Board No. 110 has jurisdiction over Sutton, Schleicher, Edwards, Crockett and Kimble counties.

His parents, Mr. and Mrs. Homer Hardberger, operate a farm near O'Donnell, Texas.

Woman's Forum Votes Unanimous Approval Of County, School Form

Approaching the questions from a purely academic standpoint, members of the Ozona Woman's Forum, meeting Tuesday at the country club, listened to discussions of the question of changing from a common school district to an independent school district, and from an unincorporated town to incorporation for Ozona and then voted unanimously in favor of the present system in both cases.

The program was under the leadership of Mrs. J. S. Pierce, III. Mrs. John Coates discussed the question of incorporation for Ozona. She pointed out that Ozona, though practically unique in its status, can point with pride to its accomplishments under county government. She cited Ozona's paved streets, water and sewer systems, efficient and well equipped fire department, swimming pools, etc., all secured at a minimum cost to citizens.

Incorporation would merely duplicate our present officials and entail purchase of new equipment and probably new buildings with a consequent rise in taxation all to accomplish no more and probably less in the way of service to the citizenship than under the present system.

Mrs. Jess Marley introduced Judge Houston Smith who discussed the present system of school administration as a common school district and the changes that would follow a change to an independent district. A question and answer session followed.

A vote by secret ballot revealed the unanimous approval of both local systems as they now exist.

At a business session Mrs. Paul Tucker was invited to membership in the club.

Hostesses were Mrs. W. A. Childress and Mrs. T. J. Bailey. Other members present were Mrs. Dempster Jones, Mrs. Tommy Harris, Mrs. Boyd Baker, Mrs. Carl Appel, Mrs. Charles Williams, Jr., Mrs. Ralph Jones, Mrs. Marshall Montgomery, Mrs. Jim Ad Harvick, Mrs. Vic Montgomery, Mrs. W. T. Stokes, Mrs. Nip Blackstone, Mrs. James Childress, Mrs. C. O. Walker, Mrs. Brock Jones, Mrs. Jack Williams, Mrs. L. B. Cox, III, Mrs. P. C. Perner and Mrs. Beecher Montgomery. Mrs. Lowell Littleton and Judge Smith were guests.

Lions Face Stiff Test Here Friday Against Stockton

The class 2A Fort Stockton Panthers will rate a one-touchdown favorite over the 1A Ozona Lions Friday night when the two meet in the home opener for the Lions.

Kickoff time in the non-district tilt will be 8:00 p.m. with a large crowd expected to be on hand for the contest.

The game Friday night will be the third of the recent series between the two with Ft. Stockton having come off winner in both of the first two games. The Panthers won 20 to 0 in Ozona in 1957 and then even though badly outplayed came off with an 8 to 6 win in Ft. Stockton last year.

Reports from Ft. Stockton and from Ozona scouts who saw the Panthers whip Iraan 16 to 0 last Friday indicate that the Panthers are far bigger and faster than last year and that the Iraan score probably could have been much worse.

The Lions emerged from the Coahoma contest without sustaining any additional injuries and it is hoped that the ailing Tommy Porter will be able to play this week after being used very sparingly last week.

The Ft. Stockton defense boasts big size and will outweigh the Lions either on offense or defense by a good margin but the Panther offense is not nearly so large.

Coach Fred Hickman indicated Wednesday that he would start about the same offensive and defensive lineups as were used in the first two contests and with the defensive unit consisting of Albers and Doran at ends, Flannigan and Moxley at tackles, McMullan and Porter or Holden at guards, with Ingham backing the (Continued on Last Page)

ANOTHER "DAY OF INFAMY"

As nearly as we can understand it from the President's TV explanation, he invited Nikita Khrushchev here to be our guest with the idea that if Russia's top killer can only realize what awfully nice people we really are, he won't want to bury us.

But, at the same time, in the Presidential admonition for us to mind our manners, there was just a hint of uneasiness that we might not all of us be as nice as the French philosopher de Tocqueville had found us to be 100 years ago. The fact that M. de Tocqueville was a civilized gentleman and a most welcome guest seemed to have escaped the President.

Patriotic bodies who had sought to prevent the Visit were allying themselves with various other groups proposing the wearing of mourning bands, draping our cities in crepe, tolling the church bells

and holding memorial services for the millions of victims of the Red Terror. Other citizens sent white leathers to the White House and still others indulged a sardonic humor by sending the President right-hand rubber gloves with which to shape hands with the honored if unsanitary guest. The bereaved mother of an American soldier slain by the Reds announced in Glenwood Springs, Colo., that, on the day of the Arrival, she would fly the flag that covered her son's coffin upside-down, as the internationally recognized signal of distress. Millions, we are sure, will agree that this occasion is one of shame, distress and foreboding.

Meanwhile, official Washington, agog with preparations that were hourly growing more embarrassing but must be made, announced that only two hammer-and-sickle flags would fly in the Capital — one at Andrews Air Force Base where the President would meet the Khrushchev plane with an Army-Navy-Marine-Air Force guard of honor, the other at Blair House where the Soviet First Family will stay.

The welcoming routine will include a parade and the turnout of ten military bands. And while there had been opposition to the established idea of turning loose the thousands of Government workers to give the procession the appearance of being thronged, it just happens that the Khrushchev plane will touch down at 11:30 a. m. instead of 10 as originally planned, and the minions will happen to be on their lunch hour at that Moment in History when our thuggish guest makes his triumphal entry.

Whether or not earlier "Day of Infamy" in December 1941 was arranged in Washington is a matter of speculation. But this one represents careful and sub-rosa planning.

President Eisenhower's Letter to the leaders on both sides of the steel strike, urging them to get on with their bargaining, is faintly reminiscent of another letter by another President that declared: "A pox on both your houses."

It is not well enough known — especially in Washington and in the very circles that have been decaying inflation — that this is the first time since the Lords of Labor achieved out-size stature under FDR that management in any major industry has made a determined stand against the wage-price spiral.

O. L. PERPETUAL HELP NEWS

Weekly Confraternity of Christian Doctrine Classes (Bible School) began last Thursday. The classes are conducted under the direction of Sister Mary Isabel, assisted by Sisters Mary Gerard and Sister Gregory. The Sisters are members of the Victoryknoll Missionary Sisters and come to Ozona each week from San Angelo.

Perpetual Help Parish Federal Credit Union at the end of August already has helped members to save over a thousand dollars. Loans to date total over \$1300.

Mrs. Juan Delgado Sr. and Mrs. Napoleon Vitela left on Monday for Amarillo to attend the 23rd Annual Diocesan Council of Catholic Women. The theme of the convention: "Operation Church Unity — Spiritual Formation of the Lay Apostolate" features workshops including: Family Life and parent education and Home and School Association, Public Relations, Youth, Libraries and Literature, Legislation and Immigration Problems, Cooperating with Confraternity of Christian Doctrine, Rural Life and Catholic Charities. It is hoped that the two Ozona delegates representing the combined Ladies Societies of the Parish will benefit by the trip and return with many ideas as to how things here can better help everyone.

In a note accompanying their check for renewal of Stockman subscription, signed "M. B. Flippens, Sr.," the former Ozonians commented: "We feel much nearer to Ozona after we read the Stockman each week." Mr. and Mrs. Flippens make their home in Orange, Texas.

Imagine a truck ride so smooth and cushioned that fragile loads can travel the worst "wash-board" roads with ease. Imagine a truck ride that virtually eliminates shimmy and wheel fight, cuts side sway on curves, makes steering far steadier and easier, keeps drivers far fresher. Imagine a truck ride that permits higher safe cruising speeds, more trips per day with all kinds of cargo over every type of road surface. Imagine a ride that keeps up to 78% of all objectionable road shock and vibration from ever reaching the driver and cargo, a design that sharply reduces twisting and fatigue forces on chassis, cabs and bodies, that keeps trucks young for extra thousands of miles. / Soon you won't have to just imagine such a ride. You can try it for yourself in the trucks that do the next best thing to paving every road in America—new Chevrolet trucks for 1960. You'll see what happens when Chevy's truck engineers design a whole new line of trucks around a whole new kind of torsion-spring suspension. These trucks are new from the ride on up—with wonderfully roomier cabs, brawnier frames, style that's fresh as sixty and more! Don't decide on any new truck till you see the newest of all.

Also for the first time in 1900, county officials will face a new set of life. A constitutional amendment adopted last year bars them from running for another office while holding their present office, if it has more than one year run.

This means that district judges, district attorneys, county judges, all of whom have four-year terms, can't run for some state office in their "off year." They will have to resign first.

This rule does not apply to state officials holding four or six-year terms.

Battle Lines Forming — However lively state politics, they probably will be eclipsed in the coming months by the tremendous interest building up in national politics.

Focal point of most of the suspense and activity is U. S. Sen. Tom B. Johnson, first Texan to be re-elected since John Nance Garner to be re-

presidential nominee. Clubs to support Johnson are already being formed, and Democratic Executive Committee Chairman J. Ed Connally of Abilene has predicted strong unity behind the senator.

But complete unity is unlikely. Liberals are forming a Texas Democratic for Stevenson organization. It is regarded seriously as a potential rival.

First showdown will be at the precinct conventions. They'll be held May 7 since the new law moves the date from the first Saturday in May.

Report To Taxpayers — Texas government cost more last year than ever before and will cost even more in the fiscal year that began this month.

But there was a bright spot in State Comptroller Robert Calvert's report. Because of a new book-keeping system enacted by the Legislature, the General Revenue Fund deficit is only \$26,571,159 instead of the \$67,000,000 that was predicted.

Calvert reported the state spent \$1,163,883,080 in the year just ended. This is \$140,000,000 more than in the previous year. In the present year spending will be some \$50,000,000 higher than in the year just ended.

Biggest expenditures, in the order of their cost, were for high-

ways, schools, public welfare, state hospitals and penal institutions.

Study For Survival — A new adult education program, aimed at the person who wants to live to a ripe old age regardless of what happens, will be launched in Texas this fall.

Texas Education Agency, in conjunction with several other state and federal agencies, is setting up the civil defense study program. It will be offered initially through public schools and junior colleges.

TEA's team of civil defense consultants will begin by holding workshops in various Texas cities and towns to train teachers. Teachers in turn will set up free classes for the public.

A 12-hour course in six two-hour sessions is planned. It will cover the potential perils from both natural and man-made disasters, and how to survive them.

Texas is one of five pilot states which will pioneer this program this year. Next year 29 states will participate.

Beware of Bats — Leave bats alone, warns the State Health Department in its September bulletin.

Department officials have studied several cases in which rabies was apparently transmitted to people by bats. Two of the cases involved women who were trying to help bats that seemed to be hurt. Death resulted in each instance.

Bats serve a useful purpose, the bulletin points out, consuming as much as twice their weight in insects each night. A healthy bat, it continues, won't come near people. And if people exercise reasonable caution, says the article, there is little danger.

Also for the first time in 1900, county officials will face a new set of life. A constitutional amendment adopted last year bars them from running for another office while holding their present office, if it has more than one year run.

This means that district judges, district attorneys, county judges, all of whom have four-year terms, can't run for some state office in their "off year." They will have to resign first.

This rule does not apply to state officials holding four or six-year terms.

Battle Lines Forming — However lively state politics, they probably will be eclipsed in the coming months by the tremendous interest building up in national politics.

Focal point of most of the suspense and activity is U. S. Sen. Tom B. Johnson, first Texan to be re-elected since John Nance Garner to be re-

presidential nominee. Clubs to support Johnson are already being formed, and Democratic Executive Committee Chairman J. Ed Connally of Abilene has predicted strong unity behind the senator.

But complete unity is unlikely. Liberals are forming a Texas Democratic for Stevenson organization. It is regarded seriously as a potential rival.

First showdown will be at the precinct conventions. They'll be held May 7 since the new law moves the date from the first Saturday in May.

Report To Taxpayers — Texas government cost more last year than ever before and will cost even more in the fiscal year that began this month.

But there was a bright spot in State Comptroller Robert Calvert's report. Because of a new book-keeping system enacted by the Legislature, the General Revenue Fund deficit is only \$26,571,159 instead of the \$67,000,000 that was predicted.

Calvert reported the state spent \$1,163,883,080 in the year just ended. This is \$140,000,000 more than in the previous year. In the present year spending will be some \$50,000,000 higher than in the year just ended.

Biggest expenditures, in the order of their cost, were for high-

ways, schools, public welfare, state hospitals and penal institutions.

Study For Survival — A new adult education program, aimed at the person who wants to live to a ripe old age regardless of what happens, will be launched in Texas this fall.

Texas Education Agency, in conjunction with several other state and federal agencies, is setting up the civil defense study program. It will be offered initially through public schools and junior colleges.

TEA's team of civil defense consultants will begin by holding workshops in various Texas cities and towns to train teachers. Teachers in turn will set up free classes for the public.

A 12-hour course in six two-hour sessions is planned. It will cover the potential perils from both natural and man-made disasters, and how to survive them.

Texas is one of five pilot states which will pioneer this program this year. Next year 29 states will participate.

Beware of Bats — Leave bats alone, warns the State Health Department in its September bulletin.

Department officials have studied several cases in which rabies was apparently transmitted to people by bats. Two of the cases involved women who were trying to help bats that seemed to be hurt. Death resulted in each instance.

Bats serve a useful purpose, the bulletin points out, consuming as much as twice their weight in insects each night. A healthy bat, it continues, won't come near people. And if people exercise reasonable caution, says the article, there is little danger.

GIRL SCOUT TROOP 3

Troop 3 met Tuesday. We had watermelon and worked on our badges. We will have refreshments the second and fourth weeks. Barbara Kirby finished her swimming badge by discussing safety rules of swimming. We worked on our drawing and painting and dabber badges. Thirteen badges were completed the past week by members and reported in troop meeting. — Lana Kay Alford, reporter.

THINGS 'N STUFF

"So long it's been good to know ya" was the theme this week as the last of the "exes" left for college. There are some mighty blue girls around the halls these days. B. B. Ingham looks like a cross between a one-eyed pirate and Mr. Leath this week. A football cleat caught him across the eye during football practice Monday. Two of our Sophomores could hardly wait to go to Coahoma last Friday, or was it one of the neighboring cities and two certain boys that interested them more? If some teachers don't like "Rah Rah Girls", here's news for them, neither do the police. At least there was one in Big Spring that didn't. Next time, they'll turn on their lights.

There is a feud between two certain people over Buddy Anderson. Wonder who's gonna win?

Poor Jayne Cole never can get her locker open. Pleas and Bob Childress always seem to be around to do it for her! How come?

Pam Perner is the proud owner of an almost good-as-new green Chevrolet. It's contrary sometimes, though and won't start.

Guess I have nosed around in everybody's business for the time so til next week.

THE BAND RIDES AGAIN!

By Roy Neil Killingsworth

For those of you unfortunate people who have never had the privilege of undertaking a fine or-deal anything like that of a band trip, follow me. This is a typical journey with the horn-tooters.

The time is Friday afternoon before the big football game in Podunk, your school's biggest rival. You hear the bell ring and think, "How in the world am I going to get ready in 15 1/2 minutes? It can't be done!"

Somehow you arrive at the band-hall in time to find your prearranged partner of fate or simply the person who is going to sit with you. You step onto the bus, and usually have to kick an underclassman out of your seat. With this taken care of you can get under way to an unevenful trip — maybe.

One of the hazards of a trip like this is having the fortune of sitting in front of a self-appointed "Elvis Presley". The only comeback to this is to sing just a little bit louder than "Elvis".

One of the main pastimes on a band bus is to see who can get his or her suit the dirtiest, and there are usually a lot of winners.

If you survive all the seemingly unexhaustive efforts to exterminate you before you reach Podunk, you are classed as A-1 or TUFF. This takes more than brains or brawn. It takes age-learned skill and luck.

After arriving in Podunk, and executing your halftime show, you are ready to return home. It is just the same going back, except for the fact that it is sometimes harder to dodge flying projectiles in the dark.

If you arrive home in prime condition you are highly thought of and if you don't make it — ?

In the words of the immortal I. M. Maestro, "He who rideth ye old band bus taketh his life into his own hands."

P. S. Any similarity between this and the truth is purely coincidental!!!

INDUSTRIOUS SENIORS HOLD ELECTIONS

Now that school is under way, the time has come for class meetings.

At its first class meeting, the Senior Class selected as class officers Jim Williams, Roy Neil Killingsworth, and Susie Chandler. Jim was elected as President; Roy Neil, Vice-President; and Susie, Secretary-Treasurer. All three have had previous experience as class officers.

All the mothers were chosen as room mothers, with Mrs. Brock Jones selected as chairman, and Mrs. E. H. Chandler as vice-chairman.

This year at the annual PTA carnival, which is being held tonight, the Seniors will again have charge of bingo. Everyone is urged to come and play bingo with the Seniors.

LIONS COLLAR BULLDOGS

The Ozona Lions found their way to victory last Friday night on the Coahoma Bulldog field. The Lions had built their lead at the half-time, when they were ahead 12 to 0. The game ended with a score of 33 to 0.

They are looking forward to this week's game with the Ft. Stockton Panthers, which is the first home game of the season. Game time is 8 o'clock. Don't forget the Senior concession stand!

STUDENT COUNCIL PREPARES FOR FRESHMAN DAY

By Ronnie Beall

In preparation for Freshman Day Wednesday, Miss Jean Powers, Student Council sponsor, has announced that the Freshmen will go on sale Monday morning. Freshmen are to be sold for 25c.

The theme of this year's Freshman Day is to be a Hillbilly theme. All Freshmen are urged to report to school dressed in their respective costumes Wednesday morning at 8:00 a. m.

During the course of events there is to be a parade. The Freshmen are also expected to bring a lunch for their masters.

If any student plans to add to the color of his Freshman, the Student Council members are selling paint at 10c a hillbilly.

SOPHOMORES BEGIN YEAR

New officers, sponsors, and room mothers of the Sophomore class were elected Wednesday, September 9, during activity period in the High School auditorium.

Student officers to head and conduct the class this coming school year of 1959-60 are: Philip Carnes, president, son of Mr. and Mrs. Lesley Carnes; vice president, Carl Montgomery, son of Mr. and Mrs. Carl Montgomery; and Janet North, secretary-treasurer, daughter of Mr. and Mrs. Hilton North. We wish these students the best of luck they strive to fulfill these offices to the best of their ability in the forthcoming year.

Miss Jean Powers and Mr. Brooks Dozier, Jr., were elected class sponsors. Good luck, spon-

sors!

The students elected by acclamation, Mrs. Charles Applewhite, Mrs. P. C. Perner, Mrs. Lesley Carnes, Mrs. S. M. Harvick, Mrs. Paul Tucker, Mrs. Pete Jacoby, and Mrs. Quebe Alford for room mothers.

The Sophomore class has the side-show at the P. T. A. carnival tonight. They ask that you drop in and see what they think will be enjoyable entertainment for all ages. How long has it been since you have seen the old-fashioned Charleston or heard the story of the Three Bears? You will see these and many, many, more skits at the side-show tonight.

JIM DORAN LEADS JUNIORS

Plans for the coming year were made in a class meeting September 10.

The class elected Jim Doran as their president; vice-president is Tony Parker; and Nancy Friend will serve as secretary and treasurer.

For their sponsor the class elected Mr. Foy Moody and Mr. Hack Leath.

All mothers of the members of the Junior class were chosen to serve as a room mothers. Mrs. Bill Holden was elected chairman of the group. The vice-chairman is Mrs. James Childress.

The Juniors will sponsor the cake walk at the P. T. A. carnival which will be held tonight in the park starting at 5:30 p. m.

The Junior class urges each of you to save your pennies and buy a mum from them which they will be selling for the Ozona-Sonora football game to be held in Ozona.

WHERE DO YOU PARK?

EDITORIAL

By Bama Burton

Students who believe in the position that the fashionable individual should own or drive a car, hardly help the parking problem at our high school.

It is not normal to worry whether or not the person who parks after you do has a space or not. However, too many times we see this person. Then we wish somebody hadn't taken up a double space by parking crosswise.

Mr. Pelto has requested that student park in the areas painted red surrounding the school. These spaces are reserved for school owned vehicles. It is not advisable to park in the middle of the street as this is reserved for driving. We must also consider the driveway driveways in the area of the school and not block them.

High school students, don't feel compelled to walk to school, just drive and park with care.

FRESHMEN SQUARE OFF

The Freshmen Class met last Wednesday to elect class officers, sponsors, and room mothers. The President is Cheryl Clayton, Vice President is Adelina Paredes and Secretary is Brent Moore.

The chosen sponsors are Mrs. North "Cosh" Cleere.

Mrs. Joe Clayton, Mrs. Lewis Doran, and Mrs. James Baggett were elected room mothers.

Plans were made for the P. T. A. carnival, tonight. The "Fish" are to have the 'Country Store' which will be well stocked with everything to fill your needs.

Notes From The
County Agent's Office

By Pete W. Jacoby

...ing of range breeding ewes and during the breeding season by feeding, has proven successful many times. When range conditions are dry such as this fall, feeding of breeding ewes should result in larger lamb percentages.

fall in this area by the Texas Experiment Station at Sonora, cottonseed cake increased the lamb crop up to 20 percent when fed to range ewes three weeks before and two weeks after the start of the breeding season. Ewes were started on three-fourths of a pound of cottonseed cake daily and consumed about 25 pounds for the 5 weeks period.

Range conditions on the six ranches in West Texas were considered excellent. The average increase in lamb percentage was 10 percent running from zero on a ranch with abundant green feed to 20 percent increase where range conditions

were dry. Each range flock averaged about 400 ewes and was divided into two equal groups, one flushed and the other serving as a control group.

A virus that is one of the causative agents of shipping fever, a disease of cattle, has been isolated by USDA veterinarians, reports Dr. C. M. Patterson, extension veterinarian. This discovery, he adds, represents a breakthrough in the knowledge of this highly complex disease.

To date, scientists at USDA's Agricultural Research Center, Belts-

ville, Md., have isolated the Parainfluenza virus (designated SF-4 virus) from the nasal mucus of calves showing signs of shipping fever; produced mild cases of shipping fever by spraying this virus into the noses of healthy calves; and have grown virus in tissue culture, and produced anti-serum, he adds.

Also, the scientists isolated infectious bovine rhinotracheitis (IBR) virus from calves with shipping fever, but found that SF-4 anti-serum has no effect on the IBR virus. In some instances SF-4 and IBR viruses produce similar symptoms, and both appear to be

a part of the shipping fever complex. The scientists also isolated another virus, as yet unclassified, from cattle with shipping fever, Patterson notes.

Pasteurella (bacteria) were isolated from 65 percent of cattle in herds with shipping fever and from half the cattle herds without the disease. In some cases these bacteria cause a secondary infection that determines the severity of the shipping fever.

Patterson adds that the number of infectious agents isolated from cattle affected with shipping fever may some day be comparable with the number isolated from

humans affected with respiratory infections. He feels that much more will have to be learned about this disease complex before an effective shipping fever vaccine can be produced.

'APPLE-YAK' PARTY

All girls like apples and most girls like to "yak". So, on Friday afternoon, members of the Girls Auxiliary of the First Baptist Church and their moms, and all prospective members and their moms, were treated to an "Apple-Yak" party in fellowship hall.

Several games were played using the apple theme. Guests were then seated around a conference table while Mrs. Sam Ligon, GA director for Castle Gap Association, and Mrs. George Glynn, local director, discussed the history and purpose of Girls Auxiliary. Members joined in repeating the watch word, colors and Star Ideals.

When time came for "yaking," ladies of the WMS served candy apples on a stick. Guests included Candy Colquitt, Deborah Mills, Sue Easterwood, Bonnie Glynn, Dele Marie Dover and Mrs. Dover, Connie Hubbard and Mrs. Hubbard, Pamela Foster and Mrs. Foster, Mary Ann Pitts and Mrs. Pitts, Teresa Trulove and Mrs. Trulove and Mrs. Roy Thompson.

Garden Reminders

From Garden Club Reporter

Let everyone clean and "shine up" their places before the ladies of the Sixth District Music Clubs arrive in Ozona to hold the District convention, October 9 and 10. Many will be seeing our town for the first time so clean up vacant lots, business section, alleys, parking lots, etc. Let's be proud to show our town!

Thanks to the County for cleaning and leveling the Gurley draw area — also Joe Williams for cleaning and pruning the area around the Flying W Motel and all others who are cleaning and making sections attractive. Many other vacant lots need attention.

Divide phlox, hemerocallis, shasta daisies, both beared and beardless iris and other perennials this month or early in October. Share your surplus with someone, especially your new neighbors.

Use yuccas with hemerocallis in a watered garden for a nice combination of flowers and linear leaves.

Order evergreens shrubs soon, to be set out in the fall, the most opportune time of the year. Don't forget the bulbs — which can be chosen for year-round bloom.

Please let's clean and keep clean our town entrances.

GRANDSON OF OZONANS COMPLETES BOOT CAMP

San Diego, Calif. — Herbert L. Wehheim, grandson of Mr. and Mrs. H. P. Moore of Ozona Country Club, Ozona, graduated from recruit training Sept. 18 at the Naval Training Center, San Diego, Calif.

The graduation exercises, marking the end of nine weeks of "boot camp", included a full dress parade and review before military officials and civilian dignitaries.

In nine weeks of instruction, the "raw recruit" is developed into a Navy Bluejacket, ready for duty with the fleet.

score and moved all the way to the Lion ten yard line on a pass from Ronnie Lindsey to Paul Graves but from the ten the Bulldogs were pushed back to the twenty-five in the next four downs and with that loss the home team missed its only chance of the night.

The Lions tallied twice in the fourth period as the entire Ozona reserve group got into action.

Tony Parker capped the longest Lion drive of the night with a dive for six points from the one yard line. The Lions covered 65 yards on this drive with passes from Jones to Albers for nine yards, and a long tie ball heave from Bob Meinecke to Jim Freeman accounting for most of the yardage.

The Meinecke pass was grabbed by Freeman for Ozona and by Graves for Coahoma but the official ruling gives the offensive team possession and the Lions got the call.

The final marker came on the heels of a Coahoma fumble which Bill Semmler grabbed for the Lions. A pass from Jones to Albers moved the ball to the 20 and from there Jones rolled out and ran beautifully for the night's final score as Meinecke booted the extra point to bring the Lion tally to 33.

Dick Flannigan, Ray Moxley, and Jim Doran anchored a Lion defense which was more than ample to contain the Bulldog attack. On offense Jones and Parker along with Wayne Albers were the Lions' chief weapons.

The fired-up Coahoma team, trying hard to break a five game losing streak the Lions hold over them, displayed some good interior linemen on defense and some fine downfield blocking, but were unable to get their runners past the line of scrimmage on most occasions.

Statistics gave the Lions a wide edge over their opponents as the Lions racked up a total of 340

yards compared to a total of 155 yards for the losers.

The Lions gained 259 yards rushing and 81 passing on six completions out of sixteen tries. One Lion pass fell into Coahoma's hands. The Lions had 13 first downs.

The Bulldogs gained 110 yards rushing and 45 passing on one completion out of nine tries. Two Coahoma passes fell into Lion hands and the Bulldogs picked up six first downs.

The Lions were caught breaking the rules nine times and were penalized 75 yards while Coahoma boasted a much better mark with only five penalties for 21 and 1/2 yards.

Tony Parker led the Lion ground gainers on 97 yards picked up on nineteen carries, Bob Meinecke had 71 yards on ten efforts and Johnny Jones had the best average with 66 yards on four attempts. Jim Freeman carried the ball three times for 12 yards and Jim Doran had 13 yards on four tries.

line. In the secondary will be Meinecke, Jones, Williams and Freeman.

On offense, the Lions will have Albers and Williams at ends, Flannigan and Beall at tackles, McMullan and Porter at guards, Ingham at center with Jones, Freeman, Meinecke and Parker or Doran in the backfield.

The Lion football squad which has ten seniors now listed among its twenty-nine members picked up three new players this week, all of whom have a good deal of football talent and who could make a big difference in the Lions team next fall if they stay with it.

Sophs like Luis Martinez and Bobby Herrera, both of whom were junior high standouts and Hal Long an ineligible soph, who will have two years of eligibility remaining, joined the Lions this week bringing the squad number to 32.

The News Reel

A re-run of "The Ozona Story" as gleaned from the files of The Ozona Stockman

From The Stockman, June 19, 1936

A romance which had its inception while Miss Gussie Watson was student at Baylor College in Belton culminated in the wedding here Monday evening of Miss Watson and Henry Hugh Carden of Belton. The ceremony was at 8 o'clock in the Ozona Methodist Church, Rev. J. H. Meredith, pastor, presiding.

Again the Ozona Cemetery Assn. will profit from the sale of a registered Rambouillet sheep during the fifth annual Rodeo, Race Meet and Stock Show July 3-5. A yearling ram has been donated by John K. Madsen of Mt. Pleasant, Utah, for auction sale during the local event as a benefit to the Cemetery Assn.

D. E. Hughes, buyer for Studley & Emory of Boston, was given an option to purchase the six million pound wool of eight months wool of the Texas Wool & Mohair Assn. of San Angelo at a sealed bid offering. Price was not made public but the best price paid this year for short wool has been 25 cents a pound.

Driving a car supporting a huge sign advertising the fifth annual

Crockett Rodeo, Race Meet and Stock Show and laden with literature advertising the event, Taylor Word left Thursday morning on a tour of West Texas towns in the interest of the local celebration.

Mr. and Mrs. W. A. Kay and daughter, Alberta, are visiting Mr. Kay's father, T. M. Kay, at Irene, Texas.
