## Lions Combine Sizzling Ground And Air Attack With Stubborn Defense To Down Favored 2A Fort Stockton 24-8

**By Ernie Boyd**

The Ozona Lions coupled a sizzling ground game, some deadly range air shots, and a stubborn defense, last Friday night to down the favored Ft. Stockton Panthers 24 to 8 before a delighted and open crowd.

The Lion victory was the first for the Ozona club in the last decade posted over a 2A school, and the current series with Ft. Stockton standing at two games to one in favor of the bigger school. The Lions wasted little time in the large crowd know that they were out for their first win of the series when they took advantage of the first break in the game to score.

The Lions won the toss and went to kick, taking the rather south wind to their back. Meinecke got off a good kick, Jimmy Winterstein, the Panther's fleet quarterback, got back the Ft. Stockton 21 yard line before getting swarmed by a host of Lions.

Ronnie Conner and Sesario Rabe took two shots at the Ozona defense to pick up five yards, before Conner popped into the air and into the hands of Bob Meinecke on the yard line.

Tony Parker and Bob Meinecke kicked up nine yards on two tries and Johnny Jones got an easy first down before a 15 yard punting penalty set the Lions back to the thirty.

Parker and Meinecke got five yards between them, but the Lions had them down and ten to go situation, they went into the air with Meinecke rifling a beautiful shot to Conner on the two, from where the Lion halfback stepped over for the game's first score.

Following the second kickoff the Panthers made menacing gestures but Winterstein completed two tight-yard jump passes to Ken Thomas and Tom Hillin but the Ozona defense stiffened and Fort Stockton kicked over the goal in the end zone with the Lions lining up on their own twenty. The Lions rolled eighty uninterrupted yards for the game's second score as Parker and Meinecke mowed up the turf with quick passes at the middle and slashing into the outside.

Tony Parker, the game's leading ground gainer, who had a sensational night with 206 yards on carries, glided around right end to the marker from the three yard line.

The Lions failed to convert either of their first two extra point attempts and went into the second quarter with a 12 to 0 lead and the next twelve minutes the

## Llano Child Dies When Struck By Car Driven By Ozonan

Tragedy stalked the path of Dixon Mahon, Ozona attorney, last Thursday when, on his way back to Ozona, his car struck a 6-year-old Llano school girl when she darted from in front of a school bus, stopped at a street-highway intersection on the outskirts of Llano.

The little girl, Karen Lee Dahl, daughter of Mr. and Mrs. Otto Dahl, of Llano died a short time later in Llano Memorial Hospital from head injuries suffered when she was thrown to the pavement by force of the impact.

Mr. Mahon, Crockett county attorney said he did not see the child until a split second before the impact and jerked his wheel but was unable to avoid the accident. The car did not pass over the girl's body, her fatal injuries resulting from being thrown to the pavement.

The accident was investigated by Highway Patrolman Bill Shipp of Llano, who absolved the Ozonan of blame in the tragedy. The patrolman said the school bus, loaded with children from the Valley Spring community and West Llano, had stopped at the intersection of Highway 29 and Young street in Llano. Mahon's car, headed in the same direction as the school bus, was some distance behind. The little girl had gotten off the bus and darted from behind it directly into the path of the Mahon car, traveling a slow speed.

## Burglars Fail In Attempt To Gain Entry Into Store

**Effort Made To Force Back Door Of C. G. Morrison Co.**

An unsuccessful attempt was made to burglarize the C. G. Morrison Co. store here Sunday night but the intruders were either frightened away or gave up the attempt before they had gained entry through the back door of the store.

The would-be burglars attempted to cut through the door but failed to gain entry and nothing was stolen from the store.

The variety store back door is only a few feet from the back door of the HiWay Cafe whose safe was carted away recently by area, at Dryden, Sheffield, Ster-\$3,000.

Sheriff Billy Mills and officers from Terrell county, working on a lead that burglars who entered a store in Dryden recently might be the same gang as the cafe burglars here, arrested a suspect in San Antonio and took him to Austin for lie detector tests. The tests proved negative, however, and the man was released. Another lead developing in Odessa is being investigated, Sheriff Mills said.

No trace has been found of the missing safe from the local cafe. A rash of such burglaries in this area, at Dryden, Sheffield, Sterlling City and other places, has led officers to believe a gang is at work and area officers are cooperating in their investigations.

## M. C. Duer, Former Ozona Resident, Dies Of Heart Attack

M. C. Duer, a former Ozona resident, died of a heart attack at Post, Texas, Friday afternoon, according to word received by friends here.

Mr. Duer was tool pusher for the Hewgley Drilling Co., and was stationed here for more than a year while drilling operations were in progress south of Ozona. He was transferred recently to Post.

Funeral services are to be held in St. John, Kans., friends here were informed, but no further details were available.

Mr. Duer, a member of the Methodist Church, is survived by his widow, one daughter, Miss Coline Duer, a 1959 graduate of Ozona High School and now a student at San Angelo College, and one son, Wayne Duer.

## Baptist Church Plans \$115,000 Education Wing

Members of the First Baptist Church, meeting in regular conference Wednesday night, gave the final go-ahead signal in approving construction of a new education building wing to the present church plant, an addition estimated to cost approximately \$115,000.

The new wing, which will add approximately 10,000 square feet of floor space to the plant, will be located on the lot directly east of the present building, bordering on Water Works Drive. The second story of the new addition will bridge the alley behind the church, leave this passage open to cars and giving access to the present building on the second floor.

The new addition, the first floor of which will be 56 by 80 feet and the upper floor 56 by 100 feet, will house a modern elementary, junior and young people's department. The church offices will also be located in the new structure and space is provided for a church library. Space in the present building will be used for assemblies and classes for other departments, thus giving all groups space needed for better teaching programs, the pastor, Rev. Harry Trulove, said. The new education wing will make it possible for the church to accommodate an additional 300 persons in its youth and education programs, the pastor said.

Brasher, Spencer and Goyette, Lubbock architects, have prepared plans for the new structure and have estimated its cost at \$115,000. The building will be of masonry and steel construction.

A building and finance committee to handle details of construction and finance is composed of Ira Carson, Troy Williams, Lowell Littleton, Thad Tabb, Ernest Dunlap, Walter Dunlap, Mrs. P. L. Childress, A. C. Hoover, Mrs. Myrtle Mitchell, Carl Malone, Ben Williams, Doyle Perdue, Roy Thompson, Ted Lewis and Gordon Aikman.

## Ladies Meet Monday To Plan For Morning Bowling Program Here

With men's Winter League bowling in full swing, and ladies league play starting this week, plans for morning bowling for ladies will be discussed at a meeting of interested ladies at the Miller Bowling Center Monday morning, Sept. 28, at 10 o'clock. All ladies interested in morning bowling are invited to attend.

An instructor who will give free lessons to the ladies will be at the bowling alley on Wednesday, Sept. 30 for instruction sessions both in the morning and afternoon, J. B. Miller, owner, said. All ladies who want to improve their bowling are invited to take advantage of the free lessons.

## 31 Members 4-H Club Start 1959-60 Feeding Projects For Shows

Thirty-one Crockett County 4-H Club members have feeding projects underway for the 1959-60 feeding period, county Agent Pete Jacoby said this week. Livestock include 95 crossbred and 55 fine-wool lambs for the county show, six steers, eight registered Hereford heifers, 30 registered Rambouillet and 35 head of crossbred and fine-wool show lambs.

Lambs selected for the county show and restricted to Crockett County flocks came from the following flocks in the county: Boyd Baker, Joe T. Davidson, Joe Tom Davidson, Jim Ad Harvick, Joe Couch, Eugene Miller, Vic Montgomery, Cotton Brooks, P. L. Childress, John Coates, Troy Williams, John Childress, Bill Childress, Dick Henderson, and Charlie Davidson.

Feeding lambs for the county show are Fred Baker, Jimmy Baggett, Jack Applewhite, Bill Jacoby, James A. Harvick, Diana Couch, Penn Baggett, Bryan Montgomery, Joe Boy Chapman, Joe "Buddy" Couch, Dwain Vinson, Jr., Bob Caruthers, Rex Bland, Hughie Coates, Dwight Childress, Diana Faye Coates, Bob Childress, Larry Williams, David Jacoby, Eugene Vinson, Bill Williams, Judy Barber, Frank Childress, P. L. Childress, Larry Mills, Mark Baggett, and Bill Ross Childress.

Feeding registered Rambouillets are Pierce Miller, Jay Miller and Pam Jones. Scotty Henderson is feeding two Hereford steers.

Date for the county show has not been officially set but the tentative date is January 29, 1960.

## Woman's Club Honors 'Golden Age' Members

"Golden Age" members of the Ozona Woman's Club were honored at tea by the club Tuesday in the home of Mrs. Eldred Roach. Assisting hostesses were Mrs. Hubert Baker and Mrs. Evart White.

Mrs. W. R. Baggett was program coordinator. Invocation was by Mrs. Floyd Henderson. Mrs. O. L. Sims recited a group of poems on the "golden age" and Mrs. John R. Bailey gave an organ solo. Mrs. Charles Williams, Sr. gave a report on her smmer at Chautauqua, N. Y.

Presiding at the table were Mrs. N. W. Graham, Mrs. J. A. Fussell and Mrs. A. C. Hoover. Others present were Mrs. Ira Carson, Mrs. L. B. Cox, Jr., Mrs. N. B. Ingham, Sr., Miss Lola Mae Daniel, Mrs. Roy Killingsworth, Mrs. J. B. Miller, Mrs. W. E. West, Mrs. Bailey Post, Mrs. Floyd Henderson, Mrs. V. I. Pierce, Mrs. Ted White, Mrs. Taylor Word and Mrs. E. B. Baggett, Jr.

## Stiffest Test In Store For Lions In Stanton Game

**Bulldogs, Here Friday, May Be Toughest of Season Opponents**

**By Ernie Boyd**

The Ozona Lions will face the Stanton Bulldogs at Lion Stadium Friday night in their second home game with the kickoff slated at 8 p. m.

The big, fast invading Bulldogs are unbeaten this year and Ozona scouts have warned that Ozona rates no better than an even choice with the invaders.

In the first meeting between the two, last season, in Stanton the Lions won a 31 to 6 decision over the predominately soph and junior Bulldogs, but this year the addition of three players who were ineligible last year, plus another year of experience and size have formed the Stanton squad into a class A power, that has swept through its first three games without a defeat.

The Lions, after dropping their opener to McCamey, have taken games with Coahoma and Fort Stockton and will be seeking their third win of the season at the expense of the invaders.

Tommy Porter, one of the Lions' top rated performers, was lost to the team for several weeks last Friday when he suffered a broken bone in one hand.

Joe McMullen, who missed most of last week's contest with a sinus infection, is expected to be ready to reclaim his post this week with Deeny Holden, Buddy Anderson, and Darrell Rasberry being slated to fill in for the injured Porter.

The margin of last year's Lion victory was deceptive as two intercepted passes and a slickly carried out reverse by quarterback David Sikes accounted for three of the Lions' touchdowns.

The Bulldogs dominated play after the half and even though they were unable to count but once, made the Lion defenses look bad in trying to counter their power-riding offense.

Aside from the injury to Porter the Lions emerged from the Ft. Stockton contest in good spirits and greatly encouraged over the development of their offense.

Bob Meinecke's fine passing was encouraging and the fine blocking on the wide plays brought smiles of pleasure to the worried (Continued on Last Page)

## Second Polio Shots To Be Given Oct. 1

Second Salk Polio vaccine shots will be given October 1 to the group of persons who received their first shots in the mass inoculation here on Sept. 4. Mrs. Jack Wilkins, county Foundation chairman, reminded this week.

Because of a shortage of vaccine in the first day of the inoculation in August, some 125 to 130 persons had to wait until the second shots were given to the first group before receiving their first shots. This group will meet at the South Elementary school at 4 o'clock next Thursday, Oct. 1, to receive the second shot. The interim between the second and third shots is longer than one month, the interim between the first and second shots.

## Larry Williams Shows First Place Hereford Heifer In Abilene Show

Larry Williams, Crockett County 4-H Club member, recently won first place in the summer yearling Junior registered Hereford heifer class at the West Texas Fair at Abilene with his heifer Miss P. D. Zato 700. The heifer also placed 4th in the adult division of the show.

Larry showed this same heifer at the Brady Livestock Show in July and won grandchampion Hereford female of the show.

## CROCKETT HOSPITAL NEWS

Patients admitted to hospital since September 15th: Mrs. J. D. Rice, Ozona, obstetrical; Chris Clegg, Ozona, surgical; Jimmy Ramos, Ozona, medical; Mrs. Blazita Perez, medical; Gwene Loudamy, Ozona, surgical.

Patients dismissed: Gary Barker, Mrs. Geo. L. Worden and infant son, Mrs. Neldon Brown, Mrs. J. D. Rice and infant son, Chris Clegg and Jimmy Ramos.

## GIRL SCOUT DRIVE

The E. S. A. will make a door-to-door drive Thursday, Sept. 24, starting at 8:30 a. m. from the Hi-Way Cafe on behalf of the annual Girl Scout assessment fee. This year's quota as in previous years, will be \$596 as this county's part in support of Girl Scout and Brownie work. Your cooperation is solicited.

## Plymouth Runs Casing In West Crockett Test

Plymouth Oil Co., Midland, ran logs and was preparing to run casing, size and seat unreported, at the No. 2-C J. W. Owens, in 19-GG-GC&SF Crockett County wildcat one mile west of Grayburg-San Andres production in the Olso field 18 miles southeast of Iraan. A core cut between 2-134-183 feet recovered 49 feet of dense dolomite.

An earlier core cut between 2,083-134 feet recovered 51 feet of dolomite with scattered oil stains and scattered vugs.

## PTA Initial Meeting Greeting To Teachers; Carnival Nets \$1,100

Ozona P. T. A. met Monday night in the North Elementary auditorium for the first meeting of the new school year. Mrs. Martin Harvick, president, welcomed the teachers and parents.

Mrs. Kirby Moore, program chairman, gave an outline of the programs for the year. "The PTA Story, Vision and Venture."

Mrs. Taylor Deaton reported the annual PTA carnival last Thursday night in the city park netted \$1,100 for the PTA treasury. This money will cover the PTA budget for the year and provide some money for each class. The budget for the year, presented by Roy Killingsworth, was approved by the group.

After the formal session, members and guests met their own children's teachers in their home rooms and examined displays of student work. Miss Lawrence's third grade won the attendance award.

Refreshment were served to 175 persons present by the executive committee.

The 2S-C Tri-County Council, P. T. A., will meet in the High School auditorium here Oct. 8 at 9:30 a. m. A district workshop will be held in Sonora October 21.

## Health Dept. Awards Certificate To Cooper For Sewer Operation

State health authorities have awarded W. D. Cooper of Ozona a certificate of competency in recognition of his skill and knowledge of sewerage plant operation.

The certificate was awarded under Texas' general sanitation law and municipal sewerage plants be under the supervision of an operator who has proved his knowledge of the job and its public health implications in a written examination and has been certified by the Texas State Department of Health.

Cooper's newly won certificate will be valid for three years. After meeting certain requirements of experience and training he will be eligible to try for higher certification.

Grade C certification requires a minimum of one year of experience in sewerage plant operation, plus "credits" earned by attendance at annual district and state water works short schools sponsored by the Texas State Department of Health, the engineering extension service of Texas A and M College, and the Texas Water and Sewerage Association.

**THANKS, CONGRESS!**

At the beginning of the session of Congress that ended at six a. m. of the chilly dawn of the very day official Washington put on its welcome for global villian number one, few seasoned observers would have predicted passage of a labor bill — and certainly not a reform bill with teeth in it!

To all appearances, that vast area of banditry and hoodlumism revealed by the McClellan Committee would remain open as the happy hunting ground of gangster labor leaders. Congress, said the cynics, was too largely tied to the wheels of the Golden Juggernaut of Big Labor.

But it happened. In passing the Labor Union Reform Bill (essentially the Landrum - Griffin measure), Congress did rise to its duty. Congressmen did — in surprising numbers — face up to this vital issue and defy the lightning that sundry labor officials, such as James Carey of the International Union of Electrical Workers and headman George Meany of the AFL - CIO, have promised will strike them down.

Today, as these lawmakers fare forth among their constituents, we hope that the deserving ones receive a proper accolade for their courage and statesmanship. In giving the American people a law that will do what is needed most in protecting both the public at large and the rank and file of labor from the most dangerous and insidious abuses of corrupt union chieftains they have rendered distinguished service to the nation.

It should be remembered, however, that in this fight the solons had support and guidance such as they seldom enjoy. The world's greatest lobby — an aroused American public — rose up in its wrath and clobbered the union's special

interest lobby. Despite the fantastic authority of the union bosses over their minions and their practically unlimited funds their best efforts were swamped in one of those rare tidal waves of public resentment — an overwhelming flood of letters and telegrams and phone calls.

Here was a heart-warming demonstration that representative government really works after all — and a timely reminder that Congress is the instrument through which the force of public opinion is translated into effective, orderly, Constitutional action. This incident should also remind us that legislators are but human, as hungry for approval and as anxious for moral support as the rest of us. And this triumph over evil should be remembered by the home folks of every courageous congressman and congresswoman when he or she is up for re-election — and exposed to the promised revenge of the ruthless and power-hungry union bosses. Thanks again, Congress.

**HIGHLIGHTS AND SIDELIGHTS From State Capitol**

Austin, Texas — In previous presidential nominating years, Texas Democrats have had their hands full with in-the-family fights.

Who would control the Texas delegation to the national convention was often a hotter question than how the entire national convention would go.

But this year the focus is wider. Many Texas Democrats hope and believe that Texas Sen. Lyndon Johnson will be not only a front runner but the winner of the party presidential nomination.

This makes Texas strength in proportion to other states and the number of states going "with"

Texas a mater of greatest concern. In this respect, Texas won a sugar-coated defeat at the National Executive Committee meeting. Rules were changed so that Texas now gets 61 delegate votes out of a total of 1,511 instead of 56 out of 1,372 under the old formula.

Five extra votes sounds good, but actual effect is to change Texas' share of the total from approximately 4.3 percent to 4.1 per cent.

**GOP Fires Round** — Texas Republicans, too, are stirring themselves for the election year ahead.

Legislative committee of the GOP aimed a sweeping broadside at the activities of this year's legislature. There are no Republican members in what the GOP called "the worst Legislature in Texas history." It accused the "Democratic monopoly session" of spending \$3,000,000 for its salaries, staffs and expenses and enacting a heavy load of so-called "painless" taxes.

**LADIES BIBLE CLASS**

Bible study for the Church of Christ Ladies Bible Class was a short quiz over the chapters of Matthew, Mark, Luke and John on the "Life of Christ." A new study starting next Wednesday on the First Chapter of Acts will be taught by Darrell Brawley, minister. Carnes, Hoile Thompson, C. E. Dover, Dudley McCary, Scotty Houston, Bob Franklin, George Hester, Bruce Mayfield, R. V. Huff, Ottis Pridemore, Walter Sparks, Ralph Simon and Homer Good.

### Notes From The County Agent's Office

By Pete W. Jacoby

One of the biggest farmer-government cooperative undertakings of this decade will get underway in October and continue through November. It is the 17th nationwide census in which farmers and the United States government have participated during the past 120 years.

Information gained from this agricultural census will have a vital influence on future planning, says A. B. Wooten, extension economist. More than 30,000 census takers will visit farm families throughout the nation to get information in three general fields... farm resources, farm products sold in 1959 and selected farming activities for the year.

Two weeks before the census begins, questionnaires will be mailed to farmers by the Census Bureau. Farm operators should complete these forms and have

them ready for the census taker when he calls. Wooten points out that all information given by a farmer is confidential and figures for individual farms will not be revealed.

The big job gets underway on October 7 in far South Texas and a week later work will begin in 34 additional counties. On November 18 work will begin in all other counties of the State.

Farm records will be very important and Wooten suggests that farm families have their records available and as complete as possible when the census taker calls. By providing complete and accurate records, the time of the taker will be conserved and the Census Bureau will be able to process and publish their findings without delay, says Wooten.

Are you interested in a high protein, low calorie meat that will really help stretch your food budget? Delicious, wholesome servings of turkey meat will do just that. In addition to being good eating, it is a valuable source of high quality proteins which make for good body maintenance and steady

growth. Turkey meat is chock-full of B vitamins and important minerals — including iron, which is so necessary for our well-being, says Marshall Miller, extension poultry marketing specialist.

Turkey is now available for serving the year-round. Whole turkeys can be purchased in ready-to-cook weights ranging from 4 to 30 pounds. Turkey halves, turkey quarters and turkey parts are available at many markets. These should be especially attractive to the small family, Miller says.

Specialty items such as turkey steaks, turkey patties, turkey sausage and smoked turkey are delicious and economical. With the football season coming on, plan to serve a smoked turkey during those after-game festivities. Miller says you can serve it hot or cold. Either way it is delicious and good for you.

The outdoor cook will find the broiler turkey a delight and a treat. Barbecue, using your own special sauce and technique, and watch them come back for seconds. Be sure to purchase 3/4 to 1 pound ready-to-cook weight per serving.

## EDITORIAL

Pam Jones

Because of their agricultural study, the best activities for our teenagers to join are 4-H clubs and F. F. A. chapters.

Our country needs more young people to help solve our agricultural problems.

The clubs develop their minds and help them to develop better knowledge of the range and farm lands.

People seem to think that our only problem is keeping up with Russia and her "Moon Bound Rockets", but we do have worries other than that.

What we really need are more teachers to help keep the agricultural development growing and improving.

After all, what would happen if our country could not be clothed or fed?

After all has been considered, I think you will find that ranching and farming are most important!

Your opinion of others may be their opinion of you.

## ODE TO A TEACHER

By Roy Neil Killingsworth

Ozona high has very few preachers.

But one thing it has is plenty of teachers;

Here are a few for your enjoyment,

(After which I will probably seek new employment.)

Here comes one now, slinking down the hall,

Long of line, lean of hip, and oh, so tall;

"What is it?" says I, "is it a marlin?"

"No", says he, "it's just Mr. Harlan."

Mr. Harlan, the scourge of English Four,

Tough as nails, and hardened to the core;

Isn't it a pity that he should waste his brain,

Trying to teach the seniors English, for it's all in vain.

Now I see a set of weights down the way,

Deep in the shadows, dark and gray;

Hark! I can make it out now, never fear!

It's not a set of weights, it's Coach Cleere.

Walking behind him, but not too far,

Are his fellow cohorts, yes, by gar.

Dozier and Hickman, the men of the hour,

Figuring their plays, before they get sour.

All of a sudden, an explosion occurs,

And I hear a voice ring out, "Pardon me, sir!"

Mr. Dobb's chemistry class has had another spill.

Another like that and it'll take the hill.

During the tumult of this hectic

day, Peace and quiet does in the study hall stay;

This is because of the genial Miss North,

Who gives the brains a chance to come forth.

Down in the office at the head of the ship,

Sits Mr. Pelto, who can't make a slip;

Leading the pack with a sincere regard,

He sees that you get your red report card.

Certainly not least of this exclusive clan

Is the teacher of journalism, relaxed and deadpan;

Mr. Moody, who is responsible for this literature,

Will see it never happens again, you can be sure.

These are just a few, as I formerly explained, But I must go now, and I can't be detained;

If from this piece you use a quotation,

First look up the author and give a donation.

## NONIE CHOSEN BAND SWEETHEART

By Priscilla Stewart

Miss Nonie Conklin, daughter of Mr. and Mrs. W. P. Conklin, will be crowned band sweetheart tomorrow night during the half-time performance of the Ozona-Stanton football game.

Roy Neil Killingsworth, band president, will present Miss Conklin a crown and bouquet of roses.

Miss Conklin has participated in a number of school activities during her high school years. She is Lions Club Sweetheart, has been a

twirler for three years, and this year she is head twirler. Nonie has served on the Ayer Staff three years, the choral club one year and took part in the Junior

## REVIEW OF THE P. T. A. CARNIVAL

By Susie Chandler

Various booths were set up throughout the park, last Thursday night. The high school teachers helped the Student Council out by volunteering for the "sponge throw." This particular booth, for some reason, was popular with students from North Elementary through high school. Coach Hickman probably thinks that his little boy is an up-and-coming pitcher. Terry crowned him from three feet, with a wet sponge. This is more than likely a new sport in the Hickman household.

Another booth found along the way was the Bingo stand. Mr. Harlan found a job with his intelligent Senior Class. He seemed to be doing all the good, though. Linda Millspaugh, whom he has taught for the past four years, bought him a pack of ball point pens, in down payment on all of the ones she owes him.

The Sophomores held a side show in a vacant building across the street. Janet North portrayed a villain in one of the skits. In order to look the part, she decided she needed a cigar. Someone needs to give Janet some tips because she was sick in about three minutes. They just don't make villains like they used to.

Mothers were lost from their screaming children, children were quickly departing from their money, and time was slowly slipping by, but the carnival was considered a success by everyone except a few "early to bed" football boys.

Inscription on cigarette lighter: "To My Matchless Wife"

## JUNIORS HAVE MUMMY SALE

By Roberta Johnigan

Would you like to buy a mum? This is the question that the Juniors will be asking everyone in the near future! The Juniors have already started taking orders for the mums. The mums, will be delivered to your house the day of the Sonora-Ozona game.

In order that the Juniors can reach everyone in town, they will divide the towns into sections and each member of the Junior class will be assigned to one of these sections.

If by some oversight, you are not contacted, and you would like to buy a mum, you can get in touch with any member of the Junior class and they will take your order.

The purpose of selling the mums is to raise money for the Junior-Senior Banquet, given by the Junior class each year.

## BAND ELECTS OFFICERS

Band officers to help conduct and lead the band this coming school year were elected during class last week. Mr. Corbett Smith, conductor, and Mr. J. A. Pelto, band conductor, and Mr. J. A. Pelto, principal, presided over the election.

Roy Neil Killingsworth, son of Mr. and Mrs. Roy Killingsworth, was elected president. The vice-president office was given to Bill Meinecke, son of Mr. and Mrs. Hurst Meinecke, with the secretary office going to Sally Baggett, daughter of Mr. and Mrs. James Baggett.

Student conductor is Joe Friend, son of Mr. and Mrs. Joe Friend; librarian is Anne Davidson, daughter of Mr. and Mrs. Joe T. Davidson, with Don Nell Carnes, daughter of Mr. and Mrs. S. E. Carnes, assistant librarian; and crew-chairman, Bill Gibson, son of Mr. and Mrs. E. J. Gibson.

## ROACH'S VIEW OF SENIOR CONCESSION STAND

By Golda Goodman

Gather round fellow roaches, tragedy has occurred! Huge monsters have invaded our domain!

These creatures have brought huge machines and many kinds of goodies. One of the monsters of these goodies by very odd names. They trade the eatables for paper and little silver rocks.

They must all hate each other. They call one another such terrible names as Edna, Robert, Adolph, Alonzo, Mike, Jimmy, Douglas, Margo, and Golda! The bigger creatures are called Mr. Dobb, Mr. Hoover and Mr. Harlan. All the monsters wear hats which they put the silver rocks in.

I have heard by the grapevine that we had moved into the seniors concession stand while it was closed. What a terrible mistake made by choosing it for our home. We must leave until the creature evacuate. We must always remember this horrible experience and never make the same mistake again.

Be sure not to crawl through stale mustard or moulded cups on your way out. The remainder of the first night in the Senior Concession stand haven't been swept up yet!

## THINGS 'N STUFF

By Margo Poque

It seems that Nonie is in the market for get-well cards. According to Mr. Pelto, she is a very sick girl. And, speaking of Nonie, she is our newly-elected band sweetheart. Congratulations, Nonie!

Did you see Mr. Harlan Thursday night after the sponge throw? Someone told him that very sponges would be used, and he couldn't possibly be hit! Well, Sandra?

**FORMER NATL. HEAD  
To Approve  
Promotion Plan  
Doom Wool Act**

Norman Winder of Denver, Colo., one of the foremost sheepmen, is rallying cry for the sheepmen of the United States to the current national convention. Winder, who has held the major offices in the live-stock industry, urged all sheepmen to vote before Sept. 30 in referendum on the sheep promotion program.

"I am not voting in this referendum which most certainly will be the sheep in the balance," Winder said.

Former president of the National Growers, the American Producers Council and the Livestock and Meat Board told producers that the Wool Act itself is at stake and growers vote on whether or not to continue financing their promotion program under 708 of the act.

Sheep producers fail to carry their part of the program to raise wool and lamb production in this country, they might know they cannot expect progress to keep them in existence through incentive pay-ment asserted.

Sheep industry and almost all organizations have been behind the program, he added. To improve their sincerity to the sheep and the American public, the overwhelming approval of the promotion program, one of the worthwhile and farsighted agricultural programs ever developed, Winder said, sheepmen face up to the fact that they might very well lose the incentive payment plan.

Winder asked producers to vote at their county ASC. He was supported in this "cry" by the heads of some 90 sheep organizations.

Winder said that through the sheepman has been the old loan price support program on wool, eliminate marketing, and through pro-gram advertising to begin more stability to lamb production than the industry has known before. He added that producers themselves halt the industry will sink the industry and won't sink the industry and won't sink the industry and won't sink the industry.

**Garden Reminders  
From Garden Club Reporter**

Abraham Lincoln once said, "I like to see a man proud of the place in which he lives so that his place will be proud of him."

Let's make our place proud of us before the guests of the Sixth District convention, Federated Music Clubs, to be in Ozona October 9-10. Help clean up our town — by cleaning your own place and the surrounding area. Call the owners of vacant lots near you and explain our "Make Ozona Beautiful" drive.

September and early fall is the ideal time to feed your shade trees, as a good feeding this month will force rapid root growth all through the fall and early winter, enabling your trees to come forth in the spring strong and healthy. A tree stores up food in its root system for future growth, so now is a good time to feed them. Because of our alkaline soil, be sure to add soil sulphur and copers to the fertilizer.

For best results, apply food in 1-inch holes (made with an iron bar, 12 to 18 inches deep) spaced 2 to 3 feet apart around under the edge of the branch spread. Apply 2 to 3 pounds of fertilizer per inch of trunk diameter. After feeding, give area under branch spread a deep soaking. Remember, a tree in West Texas is a MOST IMPORTANT plant!

Our thanks to Johnny Hokit, the park caretaker, for keeping it so well. The trees are beautiful.

If you are interested in large blooms on your chrysanthemums, now is the time to disbud them, leaving only the healthiest buds.

Have you noticed the fall lilies in town, especially the Lycoris Radiata at the Monroe Baggett home?

**Top Entertainment In  
Sight For Spectators  
At Oct. Prison Rodeo**

Huntsville (Sp.) — Inmate contestants, plus a host of the nation's topflight television and recording stars will be the bill of fare for the 28th annual Texas Prison Rodeo here in the prison's \$1,600,000 stadium each Sunday in October.

Big name stars as James Arness, of the TV series, "Gunsmoke", along with Johnny Cash, popular country-style singer, open the 1959 series on Oct. 4. Dale Robertson of "Tales of Wells Fargo," and Tommy Sands, sensational singing idol of the teenage crowd, appear on Oct. 11, while Steve McQueen of "Wanted — Dead or Alive," teams with Singer Johnny Horton of "The Battle of New Orleans" fame on Oct. 18.

For the October 25 performance, prison rodeo officials say they will produce two additional nationally-known stars for the closing of the 1959 series.

In addition, there will be other outside acts, rodeo clowns, inmate entertainment groups and mounted quadrilles from Pasadena and Bellville. The Houston Range Riders also will appear and for the first time the rodeo will feature a girl's Larrel race event.

H. H. Coffield, Rockdale business- man, who serves as chairman of the Texas Board of Corrections and its rodeo committee, said, "We are doing everything possible to present the best entertainment feature found anywhere."

High teams one-game — Semmler Texaco, 938; Semmler Texaco 913; El Paso Natural 908.

High individuals three-games—(tie) F. Hokit, Semmler's 572; R. Williams, Phillips 572; J. Redden Esquire 543; J. Hufstetter, Semmler's 541.

High individuals one-game — F. Hokit, Semmler's 247; J. Redden, Esquire 219; J. Hufstetter, Semmler's 215.

Floyd Hokit's individual game of 247 is the highest rolled in league competition since the lanes were opened.

**SERVICE LEAGUE**

September 21  
Monday's results — Elmore's Golf 4, Sutton's Chevron 0; Skyriders 4, Evans Foodway 0; Leo's Station 3, Mason Motors 1; Ozona Sprayer 3, Ozona Butane 1.

Team Standings

Team	W	L	Pct.
Elmore Golf	4	0	1.000
Skyriders	4	0	1.000
Leo's Station	3	1	.750
Ozona Spvrs	3	1	.750
Mason Mtr.	1	3	.250
Butane	1	3	.250
Sutton's Chv.	0	4	.000
Evans Foodway	0	4	.000

High teams three-games — Sutton's Chevron 2433; Elmore's Golf 2359; Skyriders 2317.

High teams one-game — Sutton's Chevron 831; Sutton's Chevron 816; (tie) Elmore's Golf 798 and Skyriders 798.

High individuals three-games—Armond Hoover, Sutton's 576; (tie) Dick Harrison, Sutton's 507; Dick Harrison, Skyriders 507; Jimmy "Whitbank," Leo's 506.

High individuals one-game — Brooks Dicker, Sutton's 507; Armond Hoover, Sutton's 504; Vin Miller, Sprayer's 290.

Note: Armond Hoover's fine individual performance with his record of 576, however, did not meet the minimum game of 193; 204, 179 for his three game total.

**7,000 Ford Dealers  
Assemble In Detroit  
To View New Product**

W. W. Mason of Woody Mason Motor Company, Ozona, Texas, is visiting Ford Motor Company headquarters in Dearborn, Mich., this week to view the 1960 cars and trucks and discuss with Henry Ford II the outlook for the national economy and the automobile industry during the forthcoming decade.

The special preview marks the first time in a quarter century that all 7,000 Ford dealers have been invited to the company's home offices. During their stay there they will meet face-to-face with Ford Division management, including engineers and stylists who designed the new Ford line.

The new Fords will be unveiled in a Broadway-type show featuring Ray Bolger, Jane Powell and Blackstone the Magician. The dealers will also be entertained by Tennessee Ernie Ford and Rosemary Clooney.

FOR SALE — Choice Ozona city lot. Build your split-level dream home on this spacious lot — over 1/2 acre. Excellent location. No. 5 Hereford St., adjacent to Chandler Heights addition. Make reasonable offer — Contact W. J. Vance, 3319 W. Storey, Midland, Texas. 25-31c

SEWING WANTED — Mrs. Ray Griffin, 301 Hillcrest. Phone 2-3107. 1c

For general home repairs — Air conditioners reconditioned and furniture repairs — Call Ted Doggett. Phone 2-3063. 46-tfc

**Congress Adjourned,  
Rutherford Heads For  
Tour Of West Texas**

Washington, D. C. — Congressman J. T. Rutherford, his 100% voting-attendance record still intact, is en route back to the 16th Congressional District following the recent adjournment of Congress.

Rutherford will jump from a hectic, just-concluded Congressional schedule into a tour of the sprawling 19 counties he represents shortly after he arrives in West Texas.

"Naturally I would like to take a vacation," Rutherford said, "but the lateness of the Congressional adjournment has already crowded my schedule so I must forgo it." He said he would begin to fill various engagements to which he has already accepted invitations, almost immediately. Before he re-

turns to Washington in late December for the convening of the 2nd session of the 86th Congress early in January, Rutherford expects to visit all of the counties he represents and in addition will be on a brief tour of active duty with the U. S. Marine during November.

His Washington office will remain open during the adjournment period, as will his office in the Federal Building in El Paso. Members of Rutherford's staff will be on hand at both offices to help him in serving his constituents.

The Congressman said he would make an effort "to see and talk with as many West Texans as possible" during the adjournment period.

Tentative plans call for the Congressman to visit briefly in Ozona the morning of October 13th.

### Lions Win —

(Continued from page one)

at the crucial moment, to bat away a threatening pass, or pull down a threatening runner and blunt the Panther attack.

After three serious bids had gone astray, the Panthers moved to the Ozona two but after one effort gained nothing the clock ran out to stop the drive.

The Lions came back strong in the third period and quickly tacked up their third score on a 76 yard drive that was a thing of beauty to watch. Jim Freeman scampers over from the three to end the drive which had the Panthers reeling and unable to defend against the lightning Lion thrusts.

Ft. Stockton was unable to mount an offense against the Lions in the remainder of the third period and the Lions began their final scoring drive when a Panther aerial went astray, and was picked off by an alert Jim Freeman, who raced the intercepted pass back thirty yards to the Panther forty.

Tony Parker and Jim Doran turned in key runs in the next series which was interrupted by the quarter, before Parker dived over from the one to end the Lion scoring for the night.

Trailing 24 to 0 the Panthers finally mounted a scoring drive with Ramos going over from the one on a drive that was carried largely on the heels of Brandis and Holt. Brandis raced around end for the two extra points and the two teams were done for the night as it turned out, even though the Lions were well on their way to another score when the clock killed the drive with a first down on the six yard line in Panther territory.

The Lions had all the best of it in statistics as they ran up 18 first downs to 12 for the invaders, picked up 316 yards rushing to 174 for the Panthers.

Ozona's one dark side was five fumbles four of which they lost but Ft. Stockton lost two out of two to help ease the pain.

The Lions threw five passes, completed one for 25 yards and had one intercepted while the Panthers attempted 13, completed five for 45 yards and also had one intercepted.

The whole Lion backfield turned in a stellar performance as did the line but B. B. Ingham, Ray Moxley, Wayne Albers and Dick Flannigan along with Bob Meinecke were outstanding on defense while Parker's running and Meinecke's passing was outstanding.

The blocking throughout the night was exceptional but Jim Williams and Jim Doran along with Jim Freeman really had a good night.

### Stiffest Test —

(Continued from Page One)

faces of the Ozona coaching staff. Fine tackle and end play along with greatly improved line backing featured the defense that even though put under great strain by four lost fumbles, remained un-

scored on, until the final period, when the game was sewed up.

Couch Chick Womack, who has been scouting Stanton, told the Ozona staff that Stanton might be the best class A team the Lions will face this year, and that the Lions could not beat the Stanton crew unless they played on a much better plane than they did in their first two games.

The Ozona coaching staff, fearing overconfidence in view of the outcome of last year's game, and the lack of concern among Ozona fans, put the team through a stiff workout Tuesday and then met in the high school auditorium to see films of the Ft. Stockton contest.

On defense the Lions are expected to start with Wayne Albers and Jim Doran at ends, Ray Moxley and Dick Flannigan at tackles, and Deeny Holden and Mark Baggett or Joe McMullan at guards.

In the defensive secondary B. B. Ingham, Johnny Jones, Bob Meinecke, Jim Freeman and Williams will start.

On offense, the Lions will have Williams and Albers at end, Beall and Flannigan at tackles, Rasberry and McMullan or Holden at guards, Ingham at center, with Jones at quarter, Parker and Freeman at halves and Meinecke at fullback.
