Woman Killed As Volkswagen Leaves Highway

Mrs. Carla Marian Bank, 23, a native of New York City was killed instantly late Wednesday afternoon when the Volkswagen in which she and her husband, Bruce Bank, were riding overturned about five miles west of Ozona on U. S. Highway 290.

Mrs. Bank, who was driving, traveling west, lost control of the car when she pulled too far to the right to avoid impact of air from a Greyhound bus she was meeting. When the right front wheel of the Volkswagen went off the pavement, Mrs. Bank evidently pulled back too sharply and the car crossed the highway and jumped the right-of-way fence, south of the highway, landing on its top and bouncing back up on its wheels. Mrs. Bank's body was found in the pasture. She had suffered a broken neck and died almost instantly. Highway Patrolman Joe Brownlee, who investigated the accident, said Mrs. Bank apparently was thrown from the car as it sailed over the fence, and the car landed on top of her.

Mr. Bank was being treated for shock last night at the Crockett County Hospital. He suffered only minor cuts and bruises.

The body of Mrs. Bank was at Jane's Funeral Home where funeral arrangements were pending.

Mr. Bank is a student at the University of Texas in Austin. The couple had no children.

Mrs. Bank is survived by her husband; her parents, Mr. and Mrs. Milton Zeller, mayor of New York City, and one sister, Stephanie Zeller, also of New York.

5-Year-Old Dies, Parents Hurt In Hiway Accident

A five-year-old child was killed and his mother and father injured, the mother critically, Saturday morning at about 10 o'clock 7 miles south of Ozona when the 1956 Oldsmobile in which they were riding went out of control and overturned on rain-slick Highway 163.

Romaldo Tambunga, 5, was pronounced dead on arrival at the Crockett County Hospital. His mother, Mrs. Fortunato Tambunga, Jr., was rushed to San Angelo where she underwent bone surgery. She suffered a fractured leg, arm and clavical. Her condition is improving.

The father, Fortunato (Pepe) Tambunga, Jr., is in the Crockett County Hospital suffering from multiple bruises and abrasions. His condition is considered good.

School Property Up For Sale In Sealed Bidding

Ozona Public Schools will dispose of some surplus real estate, if bids are satisfactory, in a sealed bid sale scheduled for 10 a. m. Tuesday, Jan. 11.

Lot 1, Block 100, on Avenue G on the east bank of Johnson Draw, will be up for sale in the bidding. The lot and three small houses on it will be included. The houses, formerly used as teacher housing units, are somewhat dilapidated and present an eyesore. The houses were damaged in the 1953 flood and a fourth house, which occupied a spot on the lot, was swept away in the swirling waters.

The sale is being handled by the County Board of Trustees, which body is in charge of school property. W. W. West is president of the county board.

Ozona-Barnhart Juniors Split Twin Basketball Bill

Ozona and Barnhart junior high basketball squads split a pair of games in Barnhart last Thursday night with Ozona seventh graders winning the first game 37-23 and Barnhart taking the eighth grade tilt 36-32.

Jim Montgomery was high for Ozona with 17 points in the first game and David Ortega hit 15 for Barnhart in the second game.

FBI Enters Hunt For Man Wanted In Theatre Theft

Search for Bob Petrino, former Ozona Theatre usher, accused of theft of a pickup truck belonging to the Ranch Theatre, became nationwide during the past week when the Federal Bureau of Investigation was called into the case.

Petrino and his wife, were picked up as hitchhikers by Mrs. B. E. Adwell, theatre owner's wife, about two months ago and taken into her home. When the theatre burned, Petrino accepted a job in the clean-up and after its re-opening, became an usher.

While Mr. and Mrs. Adwell were in Dallas for medical attention, the Petrinos were caring for the Adwell children. It was during this time that the couple disappeared along with the pickup truck and an undetermined amount of cash.

No trace of the missing couple had been uncovered this week, local officers reported, but Sheriff Billy Mills said that descriptions of the pair had been broadcast through several states and he felt confident they will be picked up shortly.

Santa Passes Out Candy And Listens To Youthful Wants

Santa was mobbed as usual yesterday afternoon with hopeful youngsters and exhausted oldsters who waited in line to see the old gentleman.

Arriving by plane, Santa rode to town from the airport on the firetruck. The park was full as his plane flew over and youngsters waited anxiously for his arrival.

Seating himself in front of the courthouse, he visited with boys and girls one by one, listened to their wants and wishes and presented them with bags of candy.

Volunteer firemen held the lines in check and passed out bags of candy to older children. After about an hour and a half Old St. Nick rushed back to the airport and flew off to the North Pole to ready his sled and reindeer, load up with toys and begin his visits tomorrow night.

Woody Mason To Manage Ford Dealership Here

Woody Mason, for many years Ozona's Ford-Mercury dealer, cleared the air concerning the status of the dealership this week with an announcement found elsewhere in this issue of the Stockman.

Mr. Mason, who recently closed the dealership and disposed of his big accumulation of Ford parts and service equipment, has been in business in the Nettleton building at the highway intersection downtown, dealing in new and used cars while awaiting completion of a deal with A. R. Rutherford of Brady, who has arranged to become the local dealer.

Mr. Mason and Mr. Rutherford are expecting final approval of the dealership within the next few days. Meanwhile, new cars are arriving at the dealership here and it was scheduled to be open for business this week, with limited service facilities for the present pending full operation.

Five new car units have already been received and fifteen more are in production on order, Mr. Mason said. He invites all his former customers to visit the new dealership and to drive the new 1966 Ford and Mercury cars.

BEWARE THIS TRAP!

There's plenty of reason for self-respecting citizens to look with disgust upon the assorted beatniks and pseudo-intellectuals who've been so well publicized recently in their protests against the administration's Viet Nam policy. But is this any reason to blindly proclaim oneself to be for these policies in all respect? We don't think so. And we get the feeling that some persons have tricked themselves into publicly endorsing something they do not really understand. Supporting our men in Viet Nam, or our national commitment to the Vietnamese people, is proper enough. But blindly supporting administration policies could turn out to be against the best interests of those same people.

This fact can be well demonstrated by the expression of support given to the Johnson administration's policy recently by a group of New England college professors. Their statement said: "As we understand this policy, it is intended to achieve a negotiated settlement . . . It

does not involve any attempt to destroy the North Viet Nam regime." That's the way we understand the present policy, too; and, regardless of the opinion of the professors, we believe it needs to be changed. We're not opposed to a negotiated settlement provided it is negotiated after Communist forces have stopped killing people in South Viet Nam. But assuring the enemy high command in Hanoi that we mean them no harm is to continue to keep our own men at a great disadvantage and leave those enemy leaders with much to gain and nothing to lose by letting the fighting drag on.

Senator Stennis, of Mississippi, chairman of the Senate Armed Services Committee, recently called for an end to the "restrictive ground rules" which now handicap our own forces, and a blockade of ports in the north to cut off supplies to enemy forces. Congressman Laird, of Wisconsin, says he would favor a declaration of war against the Hanoi regime, to reduce the handicaps under which our men now fight there. A declaration of war would not expand the conflict (as some seem to think) but would shorten it, simply because the enemy would be risking its own destruction unless it withdraws its forces from the South.

Recipe of the Week
From
Kitty's Kitchen

Cherry Eagle Brand Pudding

1 can Eagle Brand Milk
1 can pie cherries (drained)
1 cup pecans (chopped)
½ pint whipped cream
Add lemon juice to milk, stir. Fold in cherries, pecans and whipped cream. Layer with vanilla wafers as with banana pudding.

This is a quick and easy desert that might come in handy during the rush of the holidays.

Mrs. Ray Henderson gave it to me and I'm happy to report it was an instant success with my family. By the way, the vanilla wafers do not get soggy in this recipe.

I'd like to pass on to you one of the candy recipes that Mrs. Croker made for The Woman's League meeting last week. She made it in record time and it turned out

just perfect.

Mexican Chocolate Fudge

2 cups sugar
3 tbs. butter
1 tsp. cinnamon
½ teas. salt
1 cup evaporated milk
½ cup miniature marshmallows:

1½ cups semi-sweet chocolate pieces:
¾ cup chopped pecans
1 teas. vanilla extract
Combine sugar, butter, cinnamon, salt and evaporated milk in a large size electric skillet. Set thermostat at 280 degrees. Bring mixture to a boil and boil 5 minutes, stirring constantly. Turn off skillet. Add marshmallows, chocolate pieces, pecans and vanilla. Stir until marshmallows and chocolate are melted and smoothly blended. Pour into a buttered 8-inch square pan. Cool before cutting into squares. Makes about 2 pounds.

'Twas the Night before Christmas...

"... And all through the house, not a creature was stirring" ... except these two little rascals! Christmas is their day ... dreams of toys, and sweets, and games, and lots of wonderful things!

Christmas is for children, yes. But, Christmas is for grownups, too. It's a time to give, a time to receive. But, sometimes the spiritual side is overlooked; not deliberately, of course, but lost in the delightful chaos of cheer and joy and fun.

Then remind yourself, to go to church—your choice! Pause there to pray, to give thanks for all you have received; especially, that wonderful gift, the gift of God Himself, in His infant Son. Christmas is Christ's day, His birthday!

THE CHURCH FOR ALL ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

CONFUSION!

There seems to be some confusion about the Ford and Mercury Dealership in Ozona.

HERE IT IS - STRAIGHT

On November 1, 1965, Woody Mason sold the parts and shop equipment of Woody Mason Motor Co. to Mr. A. R. Rutherford of Brady, Texas. They both are awaiting final approval by the Ford Motor Co. (It should be finalized any day now.) The new Ford-Mercury Dealership will be managed by Woody Mason.

IN THE MEANTIME

The new 1966 FORDS have started rolling into Ozona. We have received 5 units so far, with fifteen more being produced. They will be coming in every few days. The new and used car departments are now open. The Parts and Service Depts. will be open soon. We have one mechanic on duty now to service the new cars and take care of minor repairs. Complete parts and service department facilities will be available just as quickly as possible.

WHY NOT NOW?

Why not trade now? We have new cars and need good used cars. Your old car will never be worth more than now. Overhead is low now before we get into operation. You can get a better trade now.

STOP BY - BUY NOW

We want to deliver every new car received by Jan. 1, 1966. You can get a better deal now.

Miss Mary Lou Johnigan Bride Of Floyd T. King In Sun. Ceremony

Miss Mary Lou Johnigan, daughter of Mr. and Mrs. Hartley Johnigan, became the bride of Floyd T. King, Jr., son of Mr. and Mrs. Floyd T. King, Sr., of Grandfield, Okla. Sunday, December 19, at 3 p. m. in the First Baptist Church of Ozona, with Rev. Max Brown performing the double ring ceremony.

The bride, given in marriage by her father, wore a formal gown of white tulle de sole fashioned with an A-line skirt and petal point sleeves. A floor length train fell from the shoulders of the gown. Beading detail highlighted the gown and was repeated on the train.

The veil of shoulder length illusion was attached to a pearl tiara. Her bouquet was of white feathered mums.

Roberta Johnigan, the bride's sister, was matron of honor. Bridesmaids were Beverly Bryant of Dalhart, Kathryn King, the groom's sister, of Grandfield, and Patricia Boger of Abilene. The bride's attendants wore identical formal dresses of red satin brocade and carried a single long-stemmed feathered mum with a red center.

Gilda Johnigan, the bride's sister, and Karen Chapman, cousin of the bride, lighted the candles. They wore dresses of red velvet in empire design.

Wayne King, the groom's brother, served as best man. Ushers were James Ray Polk of Muenster, Dennis Richardson of Seminole and Don Harvey of San Angelo.

Baskets of white glads decorated the altar with candelabra and greenery behind the altar.

Max Brown sang "Because" and "The Lord's Prayer" accompanied on the organ by Mrs. Opal Oehler.

A reception was held in the fellowship hall immediately following the wedding. Marsha Moore, cousin of the bride, presided at the bride's book.

Mrs. W. H. Bunger and Mrs. J. W. Johnigan, aunts of the bride, and Mrs. Kirby Moore, cousin of the bride, were at the bride's and groom's table.

Mrs. Joe Boy Chapman, cousin of the bride, and Mrs. Frank James, aunt of the bride, poured punch and coffee.

The bride's going away attire was a rose suit in empire design.

After a brief trip, the couple will be at home in Irving, where they both teach in the public school system.

The bride is a graduate of Ozona High School and Hardin-Simmons University.

The groom is a graduate of Grandfield High School and Colorado College at Colorado Springs, Colorado.

Out-of-town guests included Mrs. Hal Lipe of Stanford, Mrs. James Ray Polk of Muenster, Mr. and Mrs. Jeff George and Katherine of Monahans, Mr. and Mrs. Floyd Boger of Abilene and Mr. and Mrs. Wayne Spradlin of Grandfield Okla.

HIGHLIGHTS AND SIDELIGHTS From Your State Capitol

Austin, Texas—Expansion of the brucellosis eradication program has touched almost every section of the state, as control moves from established West Texas to the Valley and Deep East Texas.

Area testing toward initial certification is underway in Atseosa, Brooks, Coryell, Falls Hamilton, Hood, Jack, Limestone, McLennan, Milam and Roberts Counties.

Armstrong, Bosque, Crane, Duval, Erath, Potter and Ward Counties have qualified for certification or recertification.

Twenty-one more counties petitioning for Brucellosis programs are Angelina, Cherokee, Hardin, Houston, Jasper, Jim Hogg, Nacogdoches, Newton, Orange, Panola, Polk, Sabine, San Augustine, San Jacinto, Shelby, Trinity, Tyler, Wichita and Zapata Counties.

Draft May Take 35-Year-Olds — Texas draft boards soon may take married men up to 35 years old who have no children in order to fill armed forces quotas. This will be done for the first time since World War II.

Col. Morris S. Schwartz, state selective service director, made the announcement to Texas college and university registrars. He urged the education officials to let Selective Service know as soon as draft-age young men drop out of school or lighten their work load — as "the nation can provide useful occupations for the perennial students who show no progress."

Mammoth Job Tackled — State and Federal livestock inspectors are going to inspect all the sheep in Texas, estimated at 6,000,000 head. This to remove the double-dipping requirements placed by other states on the sheep from Texas.

Dipping rules were imposed when two outbreaks of sheep scab were discovered in Texas earlier in the years.

Dr. S. B. Walker, executive director of the Texas Animal Health Commission, said the two agencies should complete the mammoth task by April 1.

Oil Exploration Encouraged — Texas now is encouraging oil exploration in the Gulf of Mexico on both state and federal leases by adopting a special offshore allowable yardstick giving offshore well bonus production allowances.

New Texas schedule, effective Jan. 1, matches the special offshore allowable Louisiana has been granting, at least in general.

California. They said you'd have to see some of the demonstrators and demonstrations in order to believe it. They refrained from calling them students because they were both of the opinion that not one of the motley group could get through high school, much less pass a college entrance exam.

All mothers who have children in Flo Darling's dancing classes are asked to pay the studio maintenance fee of \$1.25 if they have not already done so. This is to cover the cost of cleaning and getting the present studio ready for use. Mrs. Bob Bailey arranged for the use of the studio and had it cleaned.

Dilly Dockery, in spite of injuries suffered when she stepped off a concrete slab at the courthouse earlier in the week, entertained the local female coffee drinkers in true Christmas spirit last Tuesday morning. The house was decorated from one end to the other with Dilly's imaginative Christmas creations.

After purchasing Christmas cards last year and waiting too late to address them, I felt sure that I'd get around to it this year. However, I find myself in the same situation this year, so let me take this opportunity to say "Merry Christmas and Happy New Year" from everyone at my house (Tom, Shauna, Jim and me) to everyone at your house.

Lions Win Two To Push Season Record To 4-2

Wins over Eldorado and Sanderson last week gave the Lions a 4-2 record when they visited Mertzton this past Tuesday night.

Win Saunders and Billy Carson hit for 13 and 12 points as the Lions avenged a one point loss to the Eldorado team in the season opener. The 44-36 decision over the Eagles made it 3-2 when they met Sanderson Friday night in the first West Zone competition.

In the Sanderson game, Ozona jumped out to a 14-4 first quarter lead and held a 13 point advantage at half-time. In the 56-29 rout, Coach Brooks Dozier used all of his 11 man varsity squad and each man made it into the scoring column. George Cox with 12 points and Saunders with 11 points led the balanced attack.

In both the Eldorado and Mertzton games, the Ozona defense, getting tougher as the season progresses, paved the way for the evenly divided scoring attack. The defense allowed only 73 points in the two contests.

Following the Mertzton game this past Tuesday, Dozier's crew will rest until December 27 when they will enter the big Howard Payne Tournament at Brownwood. The three day affair will feature two divisions with Ozona competing in Division II. The Lions will play AA Jacksboro at 11 a. m. on Monday in its first tournament competition.

When school begins on January 3, Ozona will enter the Big Lake Tournament and then play the Owls in the second West Zone contest on the 14th of January.

Miss Brenda Brentz, a student at Texas Woman's University, was home for part of the holidays and visited New Orleans, the Mississippi gulf coast and Dallas. She had as house guest Miss Paulette Gochmour of Justin, Texas, for several days. Miss Brentz is the daughter of Mr and Mrs. Q. A. Brentz of Ozona.

3rd Grade Presents Christmas Operetta For P.T.A. Program

Ozona PTA met in the High School auditorium Tuesday night with Mrs. Vic Montgomery, president, presiding.

The program was presented by the third grade classes of Mrs. Arthur Kyle and Mrs. Pete Jacoby. It was the annual Christmas operetta directed by Miss Lucille Farmer and entitled "A Fairy Conspiracy". Miss Farmer was assisted in the production by Mrs. Kyle and Mrs. Beecher Montgomery doing the choreography.

Youths of the Month awards were presented to Vicki Lynn Montgomery and David Jacoby.

Frank T. James gave a report on the State PTA Convention that was held recently in Corpus Christi.

Lionettes Lose First Dist. Game To Sanderson

The Ozona Lionettes lost their first district ball game last Friday night to Sanderson 44-41.

The Ozona sextet led the Sanderson six throughout three and half quarters, but a last minute effort by the host team brought about the 3-point victory for Sanderson.

Lionettes Lynn Cox and Diltize Bland fouled out in the 4th quarter and the loss of the two starting guards handicapped the Ozona defense.

Sanderson forward Pam Stavelly led the attack with 20 points - the most of which came on free throws. The star forward had been

held to only 2 field goals in 3 quarters of play by freshman Bland.

Mary Payne with 22 points was the Lionettes' leading scorer.

This Tuesday night the Ozona girls were in Mertzton. The Mertzton clash was to be

the last competition for the Fems, who will rest until the first week in January when they will enter the Lakeview Tournament in San Angelo.
