VIENNA WALTZ?

With the White House and the State Department maintaining, at this writing, a formal silence on the subject of a Kennedy-Khrushchev meeting, the American people are advised via Moscow and Vienna that the President will arrive in the Austrian capital on June 3, depart on the 4th and that there will be a meeting or meetings between the world's top adversaries on one or both of these days.

Unofficially, the home team reveals that President Kennedy does not expect to do any negotiating or achieve any firm agreements with the Butcher of Budapest — which should provide at least a measure of comfort to his fellow citizens. But, perhaps FDR anticipated no firm agreements at Yalta, nor Harry Truman at Potsdam.

Rather, it seems, the President feels that personal contact and exchange of views at this time might help to accomplish something later on. Mr. Kennedy's message to Mr. Khrushchev, according to official circles, is that while he hopes for more cordial relations between the Communists and the Free World, the US will act to protect such areas as Southeast Asia from Red aggression.

It seems to us that something of the sort has been said from time to time before — also that Khrush might bemoan impressed if we were to do something about protecting ourselves from the Communist conquest of our nearest seaward neighbor and our nationals from the Kremlin puppet who has offered to exchange 1,000 of them at the rate of two U. S. citizens for one US bulldozer.

The last Democratic President to meet with a Soviet chief of state reported: "I like good old Joe," and that he a man he "could do business with." It is our earnest prayer that President Kennedy will prove to be more discriminating.

HOW TO WOO COMMUNISTS!

Adlai Stevenson, the U. S. Ambassador to the United Nations, has developed a simple formula to aid Communists and alienate allies. It goes like this:

First: Select a nation that is a staunch friend of the United States.
Second: Make sure it has not accepted more than a modest amount of the \$90 billion we have doled out in foreign aid at the expense of American taxpayers.

Third: See that has always cooperated with the Western allies.

Fourth: Be positive its leaders and citizens detest Communism; and

Fifth: Attack, using the Red party line.

Ambassador Stevenson revealed his new strategy in the U. N. Security Council recently when he castigated Portugal, a long and undeviating friend of this country, and then voted with the Communist-Asia-Africa bloc — in opposition to our allies — for an investigation of Angola, a Portuguese African province.

UNSOCIAL SECURITY!

His diatribe and vote against Portugal were in opposition to the common sense policy of supporting our friends and fighting our foes — the Communists. Our U. N. ambassador has destroyed much of the world-wide good will we have been working so desperately to attain since World War II.

He said later that it was in the American tradition to oppose what he termed "colonialism", and that this was "an effort to re-establish America's traditional position".

Liberal supporters of President Kennedy's administration apparently do not agree with the ambassador. For instance, Dean Acheson, Secretary of State in the Truman administration, is reported to have expressed dismay over Stevenson's Angola stand. And Robert Murphy, former Under Secretary of State and president of the United States council on NATO, is reported to view this action as calamitous.

They know that Dr. Antonio Salazar, Premier of Portugal, has always strongly supported the position of the Western allies, even to the point of turning over the Azores without cost to the United States Air Force during the war for refueling bases. He stands firmly with the American people in his hatred of Communism.

Loss of Angola very well could mean severance of Portugal's economic lifeline, because its dependence on its overseas provinces is literally a matter of life or death for its people. Moreover, loss of this outpost could mean the fall of Salazar and substitution of a Communist regime for Portugal. It

is a foregone conclusion that before this happens, Franco of Spain will come to his aid. This could lead to the loss of both nations to the Western bloc.

So Ambassador Stevenson has kicked a good friend in the teeth to appease our Red enemies. For what purpose?

"Let The Goldfine Case Be Remembered" is the pontifical advice of a Washington newspaper, once more excoriating Bernard Goldfine, "the perpetual Santa Claus type", on the occasion of his pleading guilty to income tax evasion. By the same token, no doubt, let the Adam Clayton Powell case be forgotten. At least Powell, whom it was discovered politically inexpedient to try, was never accused of generosity.

TEXAS WILL HAVE A NEW U. S. SENATOR because:

TEXANS WANT . . .
A VOICE AND A VOTE IN WASHINGTON. John Tower has demonstrated that he will stand up and speak up for the Texas viewpoint. He is absolutely free of political obligation to anyone. He has no influence whatsoever with "Lyndon and Mister Sam" . . . they have none with him either!!!

TEXANS DO NOT WANT . . .
A "RUBBER STAMP" FOR THE NEW FRONTIER. In 1957, Blakley voted with Lyndon Johnson 100% of the time and with Jack Kennedy 89% of the time. Last fall he endorsed the Kennedy-Johnson ticket and the socialistic platform of the New Frontier. He is clearly a captive of the administration without a voice or a vote of his own.

HOW TO INVEST TEN MILLION DOLLARS

These recent photographs show construction progress on the new generating station at Oak Creek Lake, and some of the massive equipment to be used in it. Huge size of the equipment can be seen by comparison with the truck which transported it.

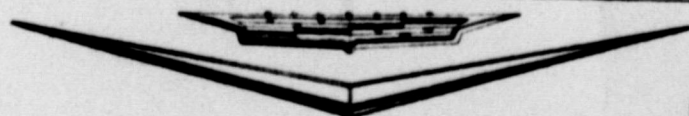

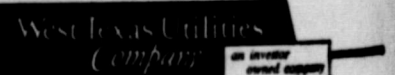

Symbol of the Future

Any way you look at it, an investment of \$10 million in new growth is evidence that we are convinced this growth is long.

The new generating station at Oak Creek Lake — coming in excess of that figure — is showing rapid construction progress.

But it is only one phase of WTU's long range expansion plan. Still another such station is on the drawing boards, as well as major additions to our transmission and distribution systems.

This is the way we are preparing for coming growth in our service area — from the Red River to the Rio Grande. It is SYMBOL OF THE FUTURE in the Center of the Southwest.

Investment

Cadillac's reputation as a sound investment is the envy of all motorists. Aside from the pleasure a Cadillac gives, it provides many economic rewards. For example, you can own a Cadillac at a price below many models of less eminent cars.

Cadillac craftsmanship and dependability hold maintenance expense to a surprising minimum. And its demand in the resale market is known and respected everywhere. Your dealer will be glad to explain the wisdom of Cadillac ownership.

Contemplate Drive To Provide Needed Funds For Boys Ranch of W.T.

"Don't Brand a Boy — Help Build A Man", the slogan of Boys Ranch of West Texas near San Angelo requires more than good intention if it is to be translated into practical reality. Ranch officials and District VI Directors and County Advisory Chairmen pondered this fact as they recently met in Eldorado to discuss ways and means of meeting normal and special financial demands of the Ranch.
District VI, one of the Ranch's 53-County service area includes Crockett, Edwards, Reagan, Sutton, Schleicher, Upton, and Val Verde.
Lowell Littleton and Wayne West are Directors from Crockett County. Mr. West is a County Advisory Chairman for this county during the year of 1961.
Ranch officials reported there are 55 boys now at the Ranch, including 37 under 12 years of age. It cost something like \$3.18 per

day for food, clothing, shelter, and personal supervision alone.
The Ranch is under financial pressure to give these youngsters an adequate home and education, but has managed to increase its occupancy and quality of its services through regular sources of revenue, meaning donations by generous West Texans. But the Ranch is also under pressure to extend its services to an even larger number of boys. And construction of Three Rivers Dam, whose lake will lie very close to the Ranch's southern boundary, now necessitates construction of new dormitories for the boys.

1910 - THE OZONA WOMAN'S CLUB - 1960 FIFTY YEARS OF COMMUNITY SERVICE

Past President

Mrs. W. J. Grimmer, after completing the last of the term of office of Mrs. P. L. Childress, who resigned because of ill health, became the sixteenth president of the Ozona Woman's Club. Other officers were Mrs. Ira Carson, first vice president; Mrs. Paul Perner, second vice president; Mrs. W. E. Smith, recording secretary; Mrs. A. C. Hoover, corresponding secretary; Mrs. Joe Oberkamp, treasurer; Miss Elizabeth Fussell, parliamentarian and critic.

Mrs. Paul Perner as program chairman and Mrs. N. W. Graham, the yearbook chairman, arranged an attractive yearbook with the course of study, "Our Texas". The year opened with a President's Day luncheon at the Hotel Ozona. Other programs were Early Texas history, Geography of Texas, Texas Resources, Texas Industries, Cowboy Program with a chuckwagon supper, Early Christmas in Texas, Texas Fauna and Flora.

Federation day was a supper at the Hotel Ozona. The program was a debate, "Do Clubwomen Make Good Wives," the affirmative side being taken by Evert White and the negative by Scott Peters. Other programs included Texas Shrines and Traditions, Texas Literature, Crockett County Day, Texas Writers, Texas Paintings and Texas Poet: Lexie Dean Robertson.

New members were Mrs. Vernon Cox, Mrs. W. A. Kay, Mrs. Bryan McDonald, Mrs. G. Miller, Mrs. Geo. Montgomery, Mrs. I. G. Rape and Mrs. George Bean.

The Ozona Woman's Club was one of five clubs of 114 federated to receive awards for maintaining a 100 percent record of regular parliamentary drills, Federation and Texas Day observances, civic and health work, as well as a very aesthetic study program, stressing arts and other definite requirements of the Federation.

The most outstanding achievement of the club for this year was assisting in the organization of the Junior Woman's Club on April 4, 1961, in the home of Mrs. Ira Carson at a social tea.

Mrs. A. C. Hoover told of the organization of the first woman's club in America, which started in Pennsylvania in 1838. She also told of the organization of the Texas Federation in Waco by Mrs. Rotan.

Mrs. N. W. Graham was appointed organizing chairman and Miss Hester Bunger as acting Junior chairman. The next meeting was in the home of Mrs. N. W. Graham and the following officers

Mrs. W. J. Grimmer
1931 - 1933

were elected: Mrs. Leta Hawkins, president; Mrs. Ted White, first vice president; Miss Lucille Williams, second vice president; Miss Hester Bunger, recording secretary; Mrs. W. E. Friend, Jr., corresponding secretary; Mrs. Lowell Littleton, treasurer, and Miss Ethel Childress, parliamentarian. The sunflower was the chosen flower, and the colors were gold and brown. Thus the beginning of the now Ozona Woman's Forum.

The club voted to aid local talent in dramatics rather than again sponsoring the Lyceum companies. Mrs. Grimmer was elected the director and several plays were given yearly, and much enjoyed by the community.

An award was given for the outstanding student that year and was won by Miss Bernice Bailey. At the time of the election of officers, it was decided to re-elect the same officers for a second term. Thus Mrs. Grimmer served as president in 1932-1933. Mrs. W. E. Smith resigned as recording secretary and Mrs. George Montgomery was elected to fill the office.

The course of study for the second year was History in the Making. The year opened with a colonial luncheon in the home of Mrs. J. W. Henderson, Jr. Other programs included International Relations, the World Court, Problems of U. S. Cities, the Mexican Situation, Youth and the Changing Church, Indian Rebellion against Great Britain, Asia and Japan the Ambitious, Russia — Her Propagandist Activities, England, France Germany — What Now?

Special days included the President's Day, Parliamentary pro-

gram, Health, Art Day, with an exhibit of pottery, and Texas Day. The Federation Day tea was in the home of Mrs. Ira Carson, honoring the Junior Woman's Club. Mrs. J. B. Smith and Mrs. Frank Friend of San Angelo were guest speakers, reporting on the state convention.

New members were Mrs. F. T. McIntire, and Mrs. G. D. Oldham. Mrs. L. B. Cox was the first club member in Memoriam.

Mrs. Grimmer and Mrs. A. C. Hoover attended the Sixth District convention in San Angelo.

Nan Grimmer was the daughter of Judge Charles E. Davidson and his wife, Dixie Rebecca Friend Davidson and was born in Ozona. Her father was the able judge of Crockett County from its organization until his death, a period of more than a half century. Her mother was the daughter of a pioneer family of Crockett County, Mr. and Mrs. J. W. Friend.

She attended local schools, graduating from High School and then going to Clarendon College at Clarendon, Texas. She later was graduated from the University of Texas and attended a business college in Waco. She taught in Ozona schools system for several years until her marriage to William J. Grimmer, who was the son of a local merchant, Edward Grimmer and his wife, Margaret Moseley Grimmer.

They were the parents of twins, Billy, now Dr. Billy Grimmer of Grinnell, Iowa, and Betty, now Mrs. Duane Rosenberger of Fort Sumner, New Mexico; another daughter, Mary Jeanette, now Mrs. Bob Bailey of San Angelo; and a son, Edward Davidson Grimmer of Winfield, Iowa.

When their children were still small, Mr. and Mrs. Grimmer moved to Winfield, Iowa, to take over the old Davidson Farm, where they have since made their home.

Mrs. Grimmer has been an active member of the Methodist Church, working in the Woman's Society of Christian Service, teaching and holding other offices. She has been very active in Club work in Iowa and while president again organized a Junior Club in Winfield.

While a member of the local Club, Mrs. Grimmer was chairman of Literature for the Sixth District, and attended many conventions. She belonged to the Ozona Music Club, being a musician herself. Since living in Iowa she has developed an interest in antiques, especially collecting satin

glass. Mrs. Grimmer writes — "I so regret missing the Golden Anniversary Tea, but the great distance prevents my having time to come. The Woman's Club of Ozona holds a special place in my heart and memory. Aunt Ollie Friend taught me the true value of Club work, that to be on a program and year-book committee was equal to a course in adult education; that the self-satisfaction and self-improvement gained from carrying out a program assignment outmeasures the time required in preparation; that the rule of the majority is final; that there is a "great common woman's heart in us all;" and finally there is no better way to find it than by being one of a group of women seeking self-im-

The News Reel

Re-run of "The Ozona Story" as gleaned from the files of The Ozona Stockman

from The Stockman, May 26, 1932

Hallie Hubert, Ozona Negro, suffered loss of his left arm last day night in an unusual accident on the Barnhart road about miles north of Ozona. Hubert, in company with another Negro, was driving with his left arm resting in the window of his car. Meeting a truck loaded with coal, either a protruding sack or part of the truck, struck Hubert's elbow, bending the arm back over the car handle and so crushing the bones that amputation was necessary. Hubert's companion took the wheel of the car and drove to Ozona where Dr. F. T. McIntime amputated the arm above the elbow.

Miss Tommy Smith, daughter of Mr. and Mrs. Tom Smith, a Junior Ozona High School, was adjudged the most deserving student of High School by a committee of faculty members and thereby won cash prize of \$10 offered by the Ozona Womens Club.

Sixty-two percent of members of the faculty of Ozona Schools will resume their studies in colleges this summer, a close of school surveys reveals.

TEXAS WILL HAVE A NEW U.S. SENATOR because:

HIGHLIGHTS AND SIDELIGHTS From State Capitol

Austin, Tex. — Legislature goes to the final stretch of the regular session with the possibility of a 90-day finish.

Individual lawmakers alternated between hope and despair about the prospect of getting all-around agreement on a tax plan by May 15.

Many expressed fear of home district criticism if matters are allowed to drag through the summer, as happened in 1959.

In the final, chips-down stage, looked like a Governor vs. Legislature battle. A majority of both houses has gone on record for tax measures which have a fairly general per cent sales tax as the major revenue source. Gov. Price Daniel, in effect, that he doesn't want to be hard to live with but isn't about to back down now on his 25-year anti-sales tax stand.

Senators re-worked the two major tax bills sent them by the House — the 2 percent sales tax and an all-purpose "loophole bill" into a combination package. In the package was a 2 per cent sales tax on items of 25 cents and more with exemptions on food, drugs, and an increase in the natural gas production tax from 7 per cent to 10 per cent, and a hike in the corporate franchise tax. They also added up the driver's license fee from \$2 to \$3.

Senate sponsors estimate that it would raise \$327,000,000 in the next two years.

Sen. A. M. Aikin Jr., of Paris made an effort to get the senate to substitute a bill favored by the governor that would limit new general sales taxes to items costing \$10 or more. It also would have had selective taxes on motor vehicles and appliances, building materials, stock sales, restaurant meals, etc.

Senate turned down the governor's substitute, 17-to-14, then the final passage to its own bill, 10-12.

Loan Bill Delayed — Tax matters delayed Senate progress on legislation to regulate the small loan industry.

A re-worked version of the loan bill passed by the House was presented by a special subcommittee of the Senate State Affairs Committee. In general, the Senate subcommittee's bill appears to allow higher charges on smaller loans and lower charges on larger loans. It sets a schedule of "service charges" that are not to be considered interest.

Whatever the outcome, hopes of passing a loan bill that will satisfy interested groups are nil. Charges are low, the bill will be criticized for "putting loan companies out of business so poor people can't borrow money." If

clubs serving liquor by the drink gained final House passage.

Rep. Tom James of Dallas, sponsor, declared it was a law enforcement measure needed by the Liquor Control Board in order to halt saloons operating in the guise of private clubs. Opponents declared it would legalize liquor by

rates are high, it "legalizes the sharks."

Driver Law Tightened — House passed on second reading a bill that would put more pressure on drivers who do not carry liability insurance or have the means to pay for an accident.

Reps. Ben Lewis of Dallas and Robert Frairechild of Center, sponsors, pointed out that only about 60 per cent of Texas drivers carry insurance.

Among provisions of the proposed bill is one that would cause a driver to lose his license if convicted of two moving traffic violations within a year and he did not carry insurance.

the drink.

Under the bill, clubs would pay annual license fees ranging from \$500 to \$10,000. James noted it would bring in some \$2,500,000 a year.

"Sits-Ins" Are Target — A bill aimed at outlawing "sit-ins" and "stand-ins" has received preliminary House approval.

Rep. Lloyd Martin of Norman is author of the bill. It would provide a fine of \$200 for persons who refuse to leave a business establishment after being asked to do so.
