3-Year-Old Child Is Attacked By Vicious Dog At Fort Stockton

Lisa Clayton, 3-year-old daughter of Mr. and Mrs. Mike Clayton of Fort Stockton and granddaughter of Mr. and Mrs. Boyd Clayton and Mr. and Mrs. B. W. Stuart of Ozona, suffered deep facial cuts and bruises when she was attacked by a dog in Fort Stockton Monday.

Mrs. Clayton and two daughters, Debra and Lisa, were visiting in the home of a friend and Mrs. Clayton was preparing to leave for the ranch when the two girls went outside the friend's home where some older children were playing with a big dog, a stray in the neighborhood.

Lisa was attacked by the dog almost immediately, and when Mrs. Clayton ran from the house on hearing her screams, found the dog on top of the little girl biting her in the face. The child suffered a deep gash on her lip and several cuts on one side of her face and a bruised eye and cheek. She was rushed to the Fort Stockton hospital where several stitches were required to close the wounds.

Police were notified and immediately took the dog into custody for confinement to observe for rabies and for ultimate destruction. The injured little girl was reported doing well at mid-week.

Boys Ranch Fall Round-Up Extended Through September

The second annual Boys Ranch of West Texas Roundup is being extended through September. Announcement was made by Fred Ball and Jack Drake, co-chairmen.

The program originally was to have lasted only through August. Because of good range conditions, many stockmen delayed marketings that normally would have been completed in August. Expecting large livestock runs during September, Ballard Drake advised that the program be extended through that month.

Under the Roundup plan, livestock owners send animals to participating livestock auctions, where they are sold without charge and proceeds forwarded to Boys Ranch. Contributions may range from several good cattle down to one old ewe.

Wagon boss for the Ozona are Joe Clayton. He is the local coordinator for the Roundup.

Boosters To Buy Water Cooler To Be Installed Outside Of Band Hall

Members of the Band Boosters Club met Wednesday night at the band hall with the band director, Allen Morgan attending. The club voted to buy a refrigerated water cooler to be installed outside the band hall.

The club also decided to give a Valentine banquet for band members in February. A scholarship in music was also discussed but no decision made. Mr. Morgan pointed to the need for a tape recorder.

Mrs. George Hester, chairman of the calendar committee, announced that detailed information about territories to be assigned members for distributing the calendars would be sent home by band students Wednesday.

Some years ago band members were provided with white coveralls. Director Morgan asked that if there are any of these coveralls still in closets of former band members, the present band would appreciate receiving them.

Mrs. Mahlon Robertson was elected reporter.

Attending were Mrs. Clovis Womack, Mrs. Bud Coates, Mrs. Bob Pitts, Mrs. Lowell McCaleb, Mrs. Joe Friend, Mrs. Homer Boyd, Mrs. Gordon Smith, Mr. and Mrs. Victor McAlister, Mrs. Joe Clayton, Mrs. Charles Gotcher, Mrs. H. McCamey's Badgers Knock Off Some Rough Edges For Green Ozona Lions In Winning Season's Grid Opener 23-6

By Ernie Boyd

The McCamey Badgers handed the green Ozona Lions their first 1961 defeat in McCamey last Friday night 23 to 6 in a game a bit more even than the score indicated.

The Lion defense never did solve the McCamey attack as they usually waited for the Badgers to make the decision rather than forcing the issue and thereby limiting the number of options the quarterback could make.

The Lions did much toward setting up their own downfall as mistakes in key places two of which set up two of the three Badgers scores just when it appeared the Lions were about to hold.

The first McCamey marker came in the first period following a fumble by the Lions, the only one lost by either side in the contest, which stopped a Lion drive that had carried forty yards to the Badger 27 yard line.

The Badgers, on gaining possession, got a gift five yards from the Lions who lined up off-sides and then still had to have three downs to make the five yards remaining plus only inches, but the Badgers were on their way and rolled nearby 70 yards to the first score with another penalty from the 14 yard line to the 7 and a pass from Billy Clary to Robert Hayes proving to be the big plays. Sam Coffee provided the extra point from placement.

In the second quarter, the Lions were forced to kick about midway of the period and the Badgers pulled a real razzle-dazzle reverse pichout to pick up their second score.

With the ball resting on the Lions 37 yard line, in possession of the Badgers who were facing a fourth down and ten yards to go situation, the Badgers pulled a double reverse with a pichout added to cover the last 37 yards and pick up the score. The play went from Clary the quarterback to Carroll to Hayes, who pitched out to Clary, who was trailing the play, to score. The Badgers then added two points as Carroll

Dick Ketchum of SCS Given Leave To Study For Masters At A&M

Richard V. Ketchum, of the Soil Conservation Service, stationed here for the past several years, has been granted a leave of absence to return to A&M College where he will work toward the Masters degree.

Mr. Ketchum and his family have moved to Bryan and he will enroll in the fall session at A&M.

No official assignment of a successor has been made by the SCS, but James Glynn, of the SCS office at Ballinger, has been briefed on the needs of the local office and will commute between Ozona and Ballinger to serve this office until definite arrangements are made. Ketchum announced before his departure.

S. C. S. technical assistance will be available to Crockett County Soil Conservation District members, if needed, by contacting the SCS area office in San Angelo.

Former Ozonan Hurt In Dynamite Blast

Jim James, former Ozonan and son-in-law of Mrs. Bert Couch of Ozona, suffered serious injuries on his farm near Mt. Vernon, Ark. recently when a charge of dynamite exploded near him while he was blasting to clear a site for a silo.

James and a nephew had set the dynamite charge and part of it exploded and part did not. When he approached the site, the second charge exploded, sending a shower of rocks and dirt in his face. A piece of rock was embedded in one of James' eyes but physicians at a Little Rock hospital believe that the eye can be saved. He also suffered cuts and bruises and an injury on one hip.

Dickie Butterfield, Former Ozonan, Dies In Accident near Barnhart

Richard E. (Dickie) Butterfield, 19, former Ozonan, son of Mr. and Mrs. C. E. Butterfield, now of Kermit, died Monday of injuries suffered in a car accident near Barnhart Sunday.

Young Butterfield was driving a car which went out of control four miles north of Barnhart and turned over twice. James Melver, 20, also of Kermit, a passenger in the car, was seriously injured.

Funeral services were held at Kermit Wednesday afternoon. Butterfield, a resident of Kermit the last four years, moving to that city with his family from Ozona, was born Jan. 23, 1942, in Durant, Okla. He was a graduate of Kermit High School. Surviving are the parents, one sister, Joleen Butterfield, of Kermit and one brother John Butterfield of Alpine.

Mrs. Louis Gayer To Speak Sunday Evening At 1st Baptist Church

Mrs. Louise Gayer, founder and present administrator of the Baptist Memorial Geriatrics Hospital in San Angelo, will be the guest speaker Sunday at the evening service of First Baptist Church.

Mrs. Buster Loudamy, W. M. U. President announced this week. Mr. and Mrs. Gayer will have complete charge of the evening service. Rev. Harry Trulove said. They will discuss the work of the hospital, using a recent movie taken on the hospital grounds.

The Gayers are here in connection with the yearly emphasis of state missions as observed by the Texas Baptist General Convention. The Hospital is one of the many needs that are met through the cooperative program of Texas Baptists.

Service will begin at 7:45 p. m. The public is cordially invited.

Dozier Coaches Squad Of 17 Freshmen, Sophs With 7-Game Schedule

By Ernie Boyd

Coach Brooks Dozier took over a squad of seventeen freshmen and sophomores Monday with a seven-game football schedule set for the season.

The subtraction of this group from the varsity squad left twenty-two men on the varsity squad, one or two of whom might be available for games this season.

In order to get ready for a game Coach Dozier is going to have his hands full since a number of his candidates did not take part in Junior High football and a few had never played the game before.

The main strength of his team will come from last year's Junior High squad but a few bright prospects have shown up among the balance of the squad which is without experience.

The first game scheduled for the group is to be the 14th, next Thursday against Rankin here. Any student who takes part in the game must have two years of high school eligibility remaining after the present year expires, thereby making overage sophs or freshmen who might or might not be eligible ineligible for competition.

The following boys are listed as members of the reserve squad: Jimmy Moore, Bryan Montgomery, Joe Chapman, Morgan Tolle, Bobby Amthor, Wayne Scribner, Don Groesbeck, George Kyle, Jesus Arredondo, Bernabe Villareal, Nino Tambunga, Alejos, Tambunga, Sammy Cervantez, Gustavo Campos, Rudy Ramirez, Dude Melton and Bill Bowman.

Mrs. Elmer Graves Laid To Rest In Services Saturday

Body Of Rancher's Wife Found Hanging From Windmill Tower

Funeral services were held at 10 o'clock Saturday morning from the First Baptist Church in Ozona for Mrs. Elmer D. Graves, 45, wife of a Crockett county ranchman, whose body was found hanging from a windmill tower near her ranch home 35 miles southwest of Ozona shortly before noon Thursday.

Services were conducted by the Rev. Harry Trulove, pastor, with burial following in Cedar Hill Cemetery under direction of Cody Funeral Home of Ozona. Pallbearers were Bill Seahorn, Ira Carson, W. T. Goodson, Bryan Stuart, James Childress, Earl Deland, Gordon Aikman, all of Ozona, and J. W. Tammin of San Angelo, and Jess Nance of Lampasas.

Mr. Graves awoke Thursday morning and found his wife missing. He brought his six-year-old daughter to town to school and accompanied by Hartley Johnigan, a friend, returned to the ranch to hunt for Mrs. Graves. The two found her body hanging from the windmill tower, a rope around her neck.

The body was removed from the tower by Deputy Von Parker and Deputy Rex Fenton. A note was found nearby.

The former Dorothy Thurman, she was born Jan. 12, 1916, in Sonora, the daughter of Mrs. Maude Thurman and the late J. M. Thurman. She had lived most of her life in Ozona, and since her marriage to Mr. Graves in 1944 had lived with her family on the ranch in southwest Crockett county. She was a long time member of the Baptist Church.

Survivors include the husband; one daughter, Gilda Gail Graves; her mother, Mrs. J. M. Thurman of Ozona; one brother, Carl Thurman of Phoenix, Ariz.; one half brother, Earl Salmon of Comanche, and one sister, Mrs. Don Cullins of Ozona.

Athletic Booster Club Plans Tues. Morning Sessions

Year-Long Program Outlined By Officers at Planning Session

By Ernie Boyd

A coffee and doughnut Booster Club session to be held from 7:30 to 8 a. m. on Tuesday mornings to boost team spirit and booster community backing has been planned for the Hi-Way cafe next Tuesday with guests and prospective new Booster Club members invited.

The plan for this meeting, along with other details to be decided on later, were worked out by the Booster Club board of directors at a meeting held in the High School auditorium Tuesday night.

Among the other projects discussed were the printing of Booster Club membership cards or tags to be worn on the day of ball games and the recruiting of both club members and boosters of the Lions to greet the boys on the field prior to the game.

A committee was also appointed to contact L. D. Kirby, local agent, about when the Humble Football Highlights film might be available, with a meeting planned to correspond with that date.

James Baggett, the newly elected President of the Booster Club, told the group Tuesday that in the past the club has sponsored the barbecue and then died until the next year but this year there is work to be done and men who will join now will not be joining an inactive organization.

Treasurer Woody Mason reported that several new members had joined the organization in the last

IT HAS "SOAKED IN"

President Kennedy is quite accurate in describing Khrushchev's sudden announcement that he will now test nuclear weapons in the open as "a form of atomic blackmail designed to substitute terror for reason."

But how anyone in our out of Washington or any other world capital could claim to feel the reported shock and surprise from this event is difficult to understand. In 44 years world leaders should've had time to discover that the Kremlin leopard — whoever he may be — does not change his spots. He lives only to prey on free men and to expand the malevolent system that, in his view, must one day contain all humanity in bondage and degradation.

Here, in the Moscow announcement that included the threat of super bombs with the destructive force to 20 to 100 million tons of TNT, is automatic release from our self-imposed three-year abstinence from nuclear testing — into which we had been inconceivably duped by the man who had promised to "bury" us. But, so far as is known at this writing, we are not to resume our perilously abandoned program — not yet — not until as Secretary of State Rusk has hinted, the Soviet duplicity has had a chance to "soak in hard — soak in hard everywhere."

The White House statement de-

clares that the Russian decision "presents a threat to the entire world by increasing the dangers of a thermo-nuclear holocaust."

President Kennedy is quoted as being "entirely confident" that our nuclear stockpile is "wholly adequate" to the defense of the free world. Yet Admiral Lewis L. Strauss, former chairman of the US Atomic Energy Commission, writing in the current issue of Reader's Digest which appeared only days ago, warns that this stockpile consists of untested bombs, some of them three or more years old. To make his point unmistakably clear, he cites our experience in World War II with torpedoes that had not been proof-tested in 20 years. Navy crews scored direct hits on enemy vessels — but the warheads failed to explode and little damage was done.

Plainly, no one can know what our nuclear strength is until testing is resumed. Furthermore we have given away three years of development time on improved weapons — as Russia evidently has not!

This latest Kremlin perfidy should, as Mr. Rusk has said, "soak in hard." But it already has, judging from Belgrade reports from the impending "summit" meeting of the 24 "neutral" nations considered largely in the Communist camp. "A brutal slap in the face" was the general reaction.

But we need every possible moment to prepare for worse.

of Pete and Carl Montgomery proved to be the one for the score. Five covered 75 yards key plunges for short by Carl Montgomery, and Montgomery kept the drive until the Lions reached the 25 yard line. One running ground and a pass from Gary Studdard who was third down and about 12 go, Carnes hit Pete Montgomery who was open in the second for the first down. Pete attempted the two on down. Two tries were needed, the first picking up down, and the second the down. A pass attempt for two was not good. Statistics, the Lions were not too badly as they racked 61 yard running and 19 to the Badgers 219 rushing passing. The Lions real-44 yards passing, since a penalty went instead of pass-gained. The matter of first downs the 12 to the Badgers 18 first downs were 12 until Badgers final possession after score. Lions remained on the most of the night but went times, completing three the Badgers passed 6 times, 3.

Clary, the Badger quarter-back, was the night's leading gainer with 112 yards on while Carl Montgomery to the Lions on 19 tries. Montgomery had 46 yards on and Phil Carnes had 12 runs.

few days and that more were expected.

Oscar Kost discussed with the group and the Coaches the procedure to be followed before the beginning of the games to be played in Ozona and that routine was worked out.

The loss of boys from athletics between the Junior High, and High School programs and the effect athletics in Ozona High has had on scholastic achievement were also discussed by the group.

Coach Brooks Dozier reported that he had 18 freshman and sophomores on a freshman, sophomore team who were not on the varsity squad and who needed encouragement if they were to remain out and in time move to the varsity squad.

Coahoma Next —
(Continued from Page One)

The Bulldogs won last week edging Hermeleigh 7 to 0 and indications are that they will be bigger than was the McCamey ball club. It would be reasonable to suppose that they would not be as sharp offensively as were the Badgers, who ran their offense with a great deal of smoothness for a first game effort.

The Lions will once again be counting on the running power provided by the two Montgomery boys, Carl and Pete, along with some occasional help from quarterback Phil Carnes.

The Lion attack would have been much sharper had it gone to the air more often last week and it is expected that this week it will depend more on what could become a very potent air arm.

The Lions really threw only six

passes as a part of their attack last week and completed two of them plus one in a desperation effort.

One Lion pass was completed to Brent Moore when the Lions were facing a fourth down and the other was thrown when there was time left for but one play in the game. It too was very nearly completed and might have gone for six points had it connected.

The Lions ran 45 offensive plays that were allowed to stand, excluding passes which brought the total to 53 plays plus one kick, or in other words the Lions passed only about 11 or 12% of the time.

A juggle in the lineup may be on hand for the start of this week's game but whatever change is made will be small in the overall lineup, since there are not many places the Coach could change even if he so desired and still make a showing.

Offensively the Lions will probably have Hal Long and Gary Studdard at ends, Penn Baggett and Darrel Rasberry at tackles, Charlie Bingham and Joel Huff at guards, with Robert Cox at center.

In the backfield there will be Phil Carnes at quarterback, Pete Montgomery and Brent Moore at halfback and Carl Montgomery at fullback.

On defense either Studdard or Jimmy Semmler at one end with Long at the other post, Penn Baggett will be at one tackle with Robert Cox at the other and Darrel Rasberry will move to the middle guard post with Huff, and Richard Vargas splitting time at the other guard post. Phil Carnes and Pete Montgomery will be outside linebackers and Carl Montgomery, Leroy Cooper and Brent Moore in the secondary with a chance of a change yet in the secondary defense.

M. E. Nicholas, manager of the Baker Jewelers of Ozona, left last week for Dallas to attend the annual showing of gift merchandise and to buy merchandise for the Ozona store. Mr. Nicholas was joined by M. S. Baker of Marfa, owner of the Baker stores, and by Eugene Blackburn, manager of the Baker store at Eagle Pass.

Joe Clayton, Jr., left last week for the start of his fourth year at Southern Methodist University in Dallas. He spent the week-end visiting his roommate near Marshall returning to Dallas Monday for week of Phi Delta Theta rush

activities. Sept. 12 he will enroll in the SMU School of Law. He has been on the Dean's List for scholastic achievement for the past three semesters.

NEW YEAR; NEW RESPONSIBILITIES

By Janet Mason

As we, the students of Ozona High School, start this year we should remember some of our responsibilities to our school, our classmates and ourselves.

The main obligation we owe to our school is loyalty. The students body owes it to O. H. S. to back all of its teams no matter how large or how small the team is. Our duty to ourselves is to get the best education out of the training our teachers are trying to give us.

Our responsibility to our classmates is to try to be helpful, courteous, and thoughtful.

The habits that we are forming today will determine what we are tomorrow. Let's all strive to make our habits the best possible.

THE LINES MAKE THE COLUMN

This column will appear each week in the Lions Roar. It is not intended as a source of gossip, but will be used for the purpose of letting our readers know the "goings on" of interest in OHS from week to week.

Several groups from Ozona High went to different clinics, workshops, and camps during the summer months.

The twirlers went to T. C. U. in Fort Worth, June 11-15.

The cheerleaders went to S. M. U. in Dallas, August 20-25.

Some of the Student Council members went to a workshop at Trinity University in San Antonio in early August. The members attending were Paul Perner, Johnny Childress, Bobby Tabb, and Vicki Carroll.

Frank Childress, Donn Dunlap, and Pleas Childress attended a range camp in Junction in early August.

The student body is happy to have the ole "broom-wielder" back. Welcome back, Mr. Pelt!

There was a record enrollment of 110 in homemaking this year. The previous record was 80. The civics class was divided as a result of a record enrollment of 35. The enrollment in shop may break a record for one reason or the another — Isn't that right, girls?

It looked as though Miss Hull was leading a revolt out of High School Tuesday as she marched several large groups of girls downtown. Actually she was only tak-

ing H. E. groups downtown to look at material.

The H. E. hall received two new Singer sewing machines for the coming year. The girls needed and appreciated them very much.

There was an annual signing party at the country club Saturday night at 8:00. Twenty or twenty-five were present.

VARIETY OF ACTIVITIES CLAIM STUDENTS SUMMERS

By Robin Jones

Another year has started off in O. H. S. and the halls are once again cluttered with rushing and noise as students return from a summer of many experiences.

Some left the local scene as Jann Smith went to Arkansas, Tennessee, and Oklahoma, Vicki Carroll went to Nebraska, Charlotte went to New Mexico, Peggy visited in Monterrey, Gary Studdard went to Missouri, Beverly stayed awhile in Florida, Penn went to Colorado, Hall went to Arizona and Huntsville, Carl went fishing, Cheryl visited Canada, and Arlene went to twirling school, while Marty planned a trip to California and Oklahoma, but didn't make it.

A few never made it out of town. Jayne Cole worked in the hospital, while Gracie chased boys. Judy Black stayed at the ranch, while Betty and Pam rodeoed as well as Rodeo Queen, Jan Pride-more. Bobby Tabb lived at the swimming pool as Douglas Moore did at the bowling alley. Phillip and Van worked while Patty Henry "goofed off." Freida Kay, being bored, broke her arm.

BAND OF 57; SMALLER THAN LAST YEAR'S

By Gail Johnigan

There are 57 students in the Ozona High School band this year under the direction of Allan Morgan. The band members worked on the show for the McCamey game for 2 weeks.

The performances this season will be divided between marching routines and shows.

Two snare drums and one brass drum were added to the stock during the summer.

Although this year's band is smaller than that of last year the addition of many talented freshmen have added to the quality of this year's aggregation.

NEW AYERS ARRIVE WEDNESDAY

It's annual time again at O. H. S. The new annuals came in Wednesday and went on sale Thursday. Since then students have either been dashing out of study hall trying to get their new Ayers signed or have been busily signing them between classes.

The 1961 Ayer can be purchased from any member of the annual staff.

LIONS ROAR STAFF ELECTS MASON

By Pam Perner

Last week the Journalism class elected the editor and assistant editor of the Lions Roar. Janet Mason was elected editor and Don Nell Carnes was elected assistant editor. There are eleven students in journalism class this year.

MRS. KNUDSON JOINS MRS. HULL IN HOMEMAKING

Assisting Mrs. Hull in the homemaking department this year is Mrs. Otto J. Knudson, Jr.

Mrs. Knudson attended Ozona High School, San Angelo College, Texas Woman's University and last summer she attended Sul Ross.

Her husband, Otto Knudson, Jr., is a teacher in Ozona Junior High.

HIGH SCHOOL ENROLLMENT REACHES ITS PEAK

By Leroy Drago

Students, students, everywhere, and all the boards did reach.

This certainly seems to be the case concerning the enrollment at O. H. S. this year, with over 200 students already enrolled and the probability of many new students entering Ozona High later in the year.

With the top enrollment this year is the freshman class, with 83 members.

Next are the sophomores, having an enrollment of 49 students.

Seniors this year will have to be content with third place in class population ratings with 42 Seniors presently enrolled.

The junior round out the enrollment figures with an even 30 student in this class, making a total of 204 students presently in O. H. S.

Commenting on the exceedingly large number of Freshmen this year, Superintendent L. B. T. Sikes said, "Perhaps the Freshmen will run the elections this year."

ANNOUNCEMENT

"The Lions Roar" will not be printing the sports news of OHS due to the fact that the sports stories appear in detail elsewhere in The Stockman and we do not wish to repeat news.

GARY FIFE JOINS OZONA HIGH STAFF

One of the new faces in OHS is that of G. D. Fife, the shop teacher.

Mr. Fife was born November 26, 1933, in Van, Texas, where he received his high school education. After graduation he attended East Texas State Teachers College where he received his B. S. and M. Ed. degrees.

He taught one year in Waco public schools and one year at East Texas State College.

His hobby is water skiing.

Mr. Fife had one comment about Ozona. He thinks that the people in Ozona are very friendly.

CLASS OF '61 INVADERS

By Leroy Drago

Look out! Here comes the class of '61 ready to make its mark on society! Now that these invaders have graduated, here is what they do during the coming year. Unfortunately, all ex-seniors could not be contacted for this article. Sandra Whitaker will be going to Southwestern University. Nancy Friend, Barbara Barber, and Betty Fields will be entering Sul Ross. Leon Drago is entering Sul Ross at Alpine.

To the University of Texas at Austin, Anne Davidson, Mary Lou Zander will study nurse's training at Brackenridge Hospital, and then attend college at Austin. Stiles will train to be a lab technician at Baylor Hospital. Sikes will attend college at Sul Ross at Alpine.

Tony Parker will be going to college at Fort Worth. Reid Hester is going to Abilene Christian College. Roberta Johnigan will attend college at Sul Ross.

He says that he enjoys his teaching, and that the students here conduct themselves well as a whole. Mr. Brentz is interested in sports, singling out tennis and fishing as his favorites.

STUDENTS NOTE VARIOUS SCHOOL IMPROVEMENTS

During the summer months, O. H. S. underwent several changes. With the science seeming to get the most improvements.

The tops of the lab desks were redone and their new gray finish is acid resistant. The cabinets were repainted and the chairs and tables revarnished.

All the clutter and racket made when a drawer was closed in Coach Hickman's room has been remedied by being made soundproof.

Also seen around O. H. S. are new charts and newly finished green "black boards".

NEW FACES DOT HALLS OF OHS

Among the new students in O. H. S. this year is Sherrie Oakley. She is a junior from Eldorado.

From Madrid, Spain we have Bill Bowman, a sophomore. Andy Elliott, a sophomore, comes to us from San Antonio.

Among the freshmen this year we have Brenda Brentz from Moss Point, Mississippi, and Margene Robinson, from Midland.

Notes From The County Agent's Office

By Pete W. Jacoby

Every few years a number of people with pecan trees in town have a large premature fall of pecans from their trees. In many cases the pecans show no insect damage or any apparent reason why they fell off the tree.

Recently, Coon Chandler sent off a sample of such pecans to Texas A&M College to determine if the reasons for their falling could be determined. Marlan E. Smith, Extension Plant Pathologist at Texas A&M, reported that the pecans showed no sign of any disease and listed the following factors that cause or may be responsible for the premature falling of pecans at this time of the year:

1. Later generation pecan nut case bearer (feeding in the shuck after the shell hardens);
2. Hickory shuck worm (injury to shuck);
3. Feeding injury of pecan weevil;
4. Inadequate supply of available moisture in the soil;
5. Lack of available soil nutrient elements;
6. Partial defoliation of the pecan tree by the black pecan aphid;
7. Heavy scab infection of leaves and shuck (as well as other leaf spot diseases);
8. Crown gall or nematodes damage on the roots.

Mr. Smith went on to state that any condition that reduces the normal activity of the pecan leaf and or shuck can cause the pecan to fall prematurely.

SUNDAY IS THE TENTH!

Sunday Is The Tenth! Be sure you keep your promise to take care of your bills on time. A community without credit would be as antiquated as

a one-horse shay. It is a valuable asset to encourage higher standards of living, that you may have more of the things you desire and need.

Daniel Webster once said, "Credit has done a thousand times more to enrich mankind than all the gold mines in the world. It has exalted labor, stimulated manufacture, and pushed commerce over every sea."

Without this sort of thing our country would come to a standstill and begin going backward. Did you know that in Russia no such thing as "credit" exists? There is no credit extended to any person, at any place, at any time.

We are a fortunate people, indeed, to have this privilege of credit purchasing — Let's be sure it is not abused; pay promptly. We would hate to be like Russia.

Remember — "you run down your credit when you run up your bills".

Series Of Parties Culminate Pre-Nuptial Affairs Honoring Miss Genelle Childress, Bride Of Ronald Berry In Rites August 26

Among the series of parties culminating the prenuptial affairs for Miss Genelle Childress bride of Ronald Lewis Berry of Grand Prairie, was a luncheon given by Mrs. Joe Davidson featuring the bride's chosen colors of yellow and white.

The bride's place was marked at the dining table with a handkerchief bride doll. An aisle of ribbon ran the length of the table, scattered with white and yellow corsages. Concluding the luncheon each guest took a corsage and made a wish for the bride. Mrs. Davidson presented Miss Childress with the bride doll and several beautiful aprons. Twelve guests attended.

Mrs. Boyd Clayton, Mrs. Lindsey Hicks and Mrs. Massie West complimented Miss Childress with a luncheon at the Clayton home Thursday. The guests were seated at two long tables which were adorned with arrangements of yellow roses in silver compotes and scattered nosegays of roses up and down the table. The honoree was presented with a set of blue satin and lace lingerie cases by the hostesses.

Mr. and Mrs. Alvin Harrell, Mrs. B. B. Ingham, and Mrs. S. M. Harvick were hosts with a supper Thursday evening at the Harrell Ranch, honoring Miss Genelle Childress and Ronald Berry. Tables were arranged on the terrace and lawn. After eating, each guest made out his favorite menu for the young couple. Awards were for the most unusual and the most delicious.

Genelle and Ron were given dual thermos bottles in a leather case. Present were Misses Cindy Cousins, Sandy Williams, Nonie Conklin, Frances Childress, Jan and Katrina Hardberger, Linda Millsbaugh, Laura Ann and Ginger Jeter, Louise Cummings and Cynthia Harrell.

Also Frank Childress, Chris Haggelstein, Pleas Childress, III, T. J. Jarrott, Joe McMullan, Joe Warren Friend, Pierce Miller, Joe Clayton, Charles Childress, Mr. and Mrs. Max Elliott, Charles Jeter, Pleas Childress, Lowell Littleton, Mrs. Bailey Collins, Mrs. R. E. Hardberger and Mrs. Walter Cousins.

The Dick Henderson ranch home was the scene of a breakfast Thursday morning on the terrace with Mrs. Henderson, Mrs. Carl Appel and Mrs. Ralph Simon as hostesses. Red checked cloths and plates were used in the colorful decorations. Pancakes were cooked and served by Mrs. Simon and Mrs. Appel while Mrs. Henderson presided over the barbecue where sausages were served.

After breakfast, each guest was given a tea towel to embroider her initials on it for the bride-elect.

The hostesses presented Miss Childress with a hibache. About twenty-five were present.

Mrs. Charlie Black, Mrs. Bill Black, Mrs. Brock Jones and Mrs. E. H. Chandler entertained Thursday with bridge at the Ozona Country Club, complimenting Miss Childress. The tallies and score pads were printed "Bride with Nellie" in gold and white. Plate flavors were white wedding bells tied with lillies-of-the-valley.

High score went to Mrs. George Bunker, second high to Mrs. John Childress and low to Mrs. Max Elliott. Miss Louise Cummings won the bingo award.

The honoree was presented with a covered cake plate. Thirty guests attended.

Mrs. T. J. Bailey, Mrs. John Lee Henderson and Mrs. Hugh Childress, Jr., were hostesses Friday at the Ozona Country Club for a luncheon. The guest list was composed of Miss Childress' bridal attendants, out of town guests, and those who had entertained for the bride-elect.

Seated with the honoree were the bride's eight attendants. The table was laid in all white, centered with a miniature white tree decorated with white butterflies, birds, and festooned with streamers of white ribbon. The bride's place was marked with a white Bible, inscribed in gold Genelle and Ron Aug. 26, 1961, which was a gift of the hostesses.

The main serving table was laid with a gold organdy cloth. The center piece was an arrangement of white ostrich feathers and white Fiji mums. Other appointments on the table were of brass.

Each foursome table was cent-

Gerry Mayfield Becomes Bride B. Ingham, III, Of Ozona Aug. 26 Pretty Church Wedding In Sonora

Texas — Miss Gerry Mayfield and B. B. Ingham III, were married in morning at the First Methodist Church, Saturday, August 26, with Reverend Doyle W. Morton officiating in the double-ring rites. The bride was the daughter of Mr. and Mrs. B. B. Ingham, Jr., of Ozona, and the groom is the son of Mr. and Mrs. B. B. Ingham, Jr., of Ozona. Katherine Linticum, organist, presented penupion music and additional wedding marches. The bride wore a gown of pure white Chantilly lace with a scooped neckline and white satin, and tableeaves. The waistline dipped with a clipped de-lace and a satin sash that back and extended to the hem. The skirt released full terminating in the hand-pattern of Chantilly. Her length veil of illusion was edged to a crown of seed pearls. She wore brief white kid gloves and carried a white Testament with white phalaenopsis and stephanotis shower. The bride's sister, Miss Neville Smart, Jr., of Rockport, was the sister of the groom, was

matron of honor. Bridesmaids were Miss Nina Jennings of Houston and Miss Judy Ingham of Ozona, sister of the groom.

Johnny Jones of Ozona was best man. Groomsman were Neville Smart, Jr., of Rocksprings and Bob Childress of Ozona.

A reception followed at the home of the bride's parents. The table was covered with a cloth of white dotted Swiss and lace over white satin. Nosegays of white asters and leatherleaf fern decorated the table which was centered with a three-tiered cake topped with a miniature bridal couple. Miss Deborah Hartgrove of Paint Rock served cake. Miss Charlotte White of Paint Rock ladeled punch and Miss Ann McKinney was at the coffee service.

Other members of the houseparty included Misses Barbara Barbee and Nonie Conklin of Ozona, Prissy Linticum and Margaret Bundy.

After a wedding trip to Nassau, Mr. and Mrs. Ingham will be at home in Alpine where they will attend Sul Ross State College. Mrs. Ingham is a graduate of Sonora High School and her husband is a graduate of Ozona schools.

Out of town guests attending the wedding included Mrs. Edna Wheat Beam of Bandera; Mrs. Willis Johnson of McCombs; Mrs. Wilson Hartgrove of Paint Rock; Mrs. Garland R. Dean of Wichita Falls; Mrs. H. E. McCullough of Hico; Mr. and Mrs. Brock Jones, Elizabeth and Brock, Jr.; Mrs. B. B. Ingham, Sr.; and Mr. and Mrs. R. A. You'd think it was our car!

We baby your car. We carefully check every little detail to make sure it's in tip-top, A-1 condition. Why, you'd almost think your car belonged to us! There's good reason for us to be so fussy and painstaking. We want to do a better job than the "other fellow" down the street—because it's a good way to compete for your business. It's the competition between independent businessmen like us—that benefits you—the motorist.
