**FINEST SCIENCE FACILITIES** are available in the Ozona High School this year, thanks to the addition of new laboratory equipment in renovated quarters on the top floor of the high school building. Above is the physics and chemistry lab with its shiny new equipment entering its second year of use. Preparing the class for an experiment is chemistry and physics instructor Franklin Reavis. The newly furnished Biology lab adjoins the above facility, on the west side of the high school building.

**NEWLY OUTFITTED LAB** of the physical science (general science) department. The most modern and complete equipment available has been installed in all the recon-ditioned rooms in the science department. Ned Fowler, biology teacher and High School Principal J. A. Peito survey the new laboratory.

## Football Double Header Here Won By Lion B&Cubs

In a double header at Lion Stadium Thursday night, the Cubs won their opening game of the season 40-14 over the Sonora Colts and the Lion B picked up its second win by shutting out the Sonora Broncos 26-0. The teams will host Rankin here tonight.

Coach Chick Womack's Cubs came on strong as usual. Holding the Colts on downs every time they got the ball, the Cubs scored four touchdowns, one nullified by a penalty, in the first half of the ballgame. Gerald Huff qb. recovered a Colt fumble in the first few seconds and Ruben Tambunga ran 26 yards for the td, which was wiped out by a penalty. The Cubs got on the scoreboard just minutes later when Tambunga threw to Huff for 36 yards and a touchdown. The conversion failed and it was 6-0 the Cubs.

Tambunga scored three more touchdowns for the Cubs. Huff passed to Ricky Crawford for 2 points and fb, Gary Whitley carried for two more, widening the Cub

## Library To Be Open Noon Hour For School Term

Miss Mildred North, high school librarian, announced yesterday that the library will remain open for book circulation during the noon hour for the remainder of the school term.

She said adult circulation had remained the same since school started and that more students were taken advantage of the library on Monday and Thursday nights.

A new archeology series has been placed on the shelves. "Library of Early Civilization." Miss North thinks the series of books will be of great interest to history buffs. Several new books have been added to the adult library shelves and there are many new memorial books, which will soon be placed for circulation.

The library is open to the public during school hours daily and from 5 until 9 p.m. Mondays and Thursdays.

## TAX INCREASED

The state sales tax on motor vehicles will be raised from 2 to 3 percent, effective October 8. The raise is in compliance with a bill passed July 3 by the Texas legislature.

## Ozona Schools Tops In Science Lab Facilities

Ozona High School now boasts a modern up-to-date science facility taking in the entire third floor of the school. Work was finished this summer with the installation of a new biology lab.

Before work began, a year ago this summer, the floor was cut up into small rooms, formerly accommodating the science department, home-making department and a museum room.

The chemistry and physics lab was completed the first summer and consists of a large room with a lecture area in front. A workroom opens off the lab giving teacher Franklin Reavis and students ample storage and working space.

A lecture room and a new lab for experiments makes up the physical science department. This course introduces the high school student to science. Formerly called general science, the course is taught by Charles Spieker.

The biology department is a combination lecture room and laboratory. Student desks are equipped for complete biology experiments. Ned Fowler is the teacher. Supt. L. B. T. Sikkes rates the new science facility as one of the finest in this area, with the best equipment and supplies available.

## County Receives Soaking Rain In Week-End Falls

Ozona recorded 31 of an inch of rain during intermittent showers which fell Saturday through Monday, bringing the total rainfall for the month to 1.65 in.

Other sections of the county reported up to 2 inches. Monday morning a heavy fall at Midway Lane, 15 miles north of town, resulted in 1 inch of moisture. Ranches on this side of the Pecos toward Sheffield reported up to 1.5 inches.

South and southeast of Ozona reports of from 1 up to 2 inches of rain were fairly general.

The recent rainfall brought the yearly total to 20.18 inches so far this year, at least 2 inches above the yearly average.

## Three Ozonans Hurt In Crash Friday Night

Three Ozona residents were injured Friday night in a near head-on crash 1.7 miles north of town and officers investigated four more accidents during the week.

The Friday night smash-up occurred around 11:15. Sherman Chappell was driving north on Hwy. 163 in a 1963 Chevrolet pick-up meeting a long line of traffic, when a 1966 Oldsmobile driven by Clinton Strother appeared in his lane directly in front of him. He veered sharply to the right and the front end of the Olds smashed into the left front of the pick-up. The impact caused the pickup to overturn and come to rest near a fence on the right side of the highway. The car careened several yards down the highway before coming to a stop. Chappell, Strother and Bill Taylor, a passenger in the Strother car, were rushed to Crockett County Hospital in a Janes ambulance. Chappell was hospitalized with bruises and lacerations and released Wednesday morning. Strother was treated and released and Taylor was transferred to San Angelo, where he was placed under the care of a bone specialist for treatment of a broken ankle. All three men are Ozona residents. Both vehicles were demolished in the crash. Investigating officer Orvil Perry estimated damage at \$2,000 to the Oldsmobile and \$1,000 to the pick-up.

Late Tuesday night, Marvin Armstrong of Lubbock was traveling toward Ozona on Hwy 163 south when he swerved to miss a deer and lost control of the 1963 Plymouth he was driving. He escaped injury but damage to the car was \$350, according to investigating officer Perry.

Del Copeland, DPS, investigated two accidents Sunday (Continued on Last Page)

## 46 New Cases Of Screwworms In Crockett Co.

Screwworm cases continue to increase in the county as forty-six additional cases have been reported since last week. While most of the cases have been found in the Southwestern portion of the county, a few were reported South and Southeast of Ozona during the past week. While most of the ranchmen have reported finding evidence of dropping of sterile flies, ideal conditions for screwworm cases exist and the infestation continues.

Ranchmen should discontinue any operations that will provide for screwworm cases to get started, otherwise the infestation will continue or get worse until frost, County Agent Pete Jacoby said.

To date, one hundred and thirty-six cases have been reported in the county this year - this compares to a total of 45 cases in 1967, 12 in 1966, no cases in 1965, and 7 cases in 1964 and 18 cases in 1963 when the program of eradication of the screwworm was first started in the state.

Reporting cases this past week were Sam Wills, Young & Williams, V. I. Pierce, J. S. Pierce, T. A. Kincaid, Jr., Joe Tom Davidson, Joe Couch, Mrs. Fred Hagelstein, Jess Marley, Earl Acton, Nat Read, and Peery Holmsley.

## Lions Edge Eldorado Host Coahoma Fri. Nite

It was too close for comfort for Coach Sam Mosley's Lions Friday night when they squeaked by the Eldorado Eagles 14-13 in Lion Stadium. The fired up Eagles battled the bigger and more experienced Lions all the way and to the surprise of the Lions and their fans, the

Eagles were ahead at the half.

Tomorrow night the Lions will host the Coahoma Bulldogs and will again have two speedy halfbacks, to hold, Dean Richters, 190 pound junior, and Percy Evans, 155 pound senior. Coahoma, Class A, trounced Class AA Winters 36-8 last Friday night.

Neither team scored in the first period Friday night. However, with only three minutes remaining in the first half, the Eagles hit pay dirt when go Bo Page hit speedy Keith Williams for the six points and the kick for extra point was good.

The Lions came roaring back with only seconds remaining and passed down to the Eagles six yard line. Fleet Coates ran in for the score, but the run for the extra two points was stopped and at the half it was the Eagles 7-6.

There was no scoring in the second half until the fourth quarter. Ozona took the ball and drove 76 yards to set up the score. David Huff passed to his twin brother Donald, who made a diving catch in the end zone for the score. Ozona faked a kick and Coates passed to Donald Huff for the extra two points, putting the Lions ahead 14-6.

Late in the period, Eldorado scored on a pass from Archie Nixon to speedy Wayne Doyle, who ran 75 yards for the six points. The Eagles decided to go for the win, but Doyle was dropped by Lion sophomore David Pagan before he could get the extra two points and that was the ballgame.

Both teams had 279 yards rushing. Ozona had 14 first downs to the Eagles 11, 129 yards passing to 113 for the Eagles, and both teams lost 2 fumbles.

Coates carried the ball 23 times for 104 yards and a 4.5 yards per carry average. R. Pagan carried 8 times for 22 yards, Clepper seven times for 12 yards and Sanchez 3 times for 8 yards.

## Child of Former Ozonan Killed In Houston Accident

Funeral services for Brewer Simon, 18-months-old son of Mr. and Mrs. Sam Simon, were held Monday morning at 10 o'clock from Memorial Chapel, Houston.

The little boy was killed instantly Saturday afternoon when he fell from a car door onto a Houston freeway and was run over by another car. The child's mother is the former Sandra Brewer of Ozona. He was the grandson of Mr. and Mrs. D. J. Brewer, former Ozonan.

Mrs. James Chapman and Mr. and Mrs. Jack Brewer, the child's aunts and uncle, returned to Ozona Tuesday after attending the service.

## Funeral Saturday For Galan Infant

Funeral services for Javier Galan, Jr., infant son of Mr. and Mrs. Javier Galan, were held here Saturday afternoon from the Catholic Church. Burial was in Lima Cemetery under the direction of James Funeral Home. The baby died Friday in Children's Hospital in Houston. He was 2 weeks old. He was born Sept. 4 in Crockett County Hospital.

## Adult Education Classes To Begin Monday Evening

Classes will begin Monday in the Ozona Woman's Forum's annual adult education program. Those wishing to participate are asked to register Monday evening at 7:00 o'clock at the following places:

Typing, high school typing room, instructor Mrs. C. A. North.

Beginner's welding, Ag. building, Jimmy Davee instructor.

Knitting, home economics building, Mrs. James Baggett.

Flower arranging, home economics building, Mrs. Chas. Williams.

Woodworking, shop room in band hall, Bob Wallace.

Classes will begin along with registration. Enrollment in the typing, wood-working and welding classes will be limited to the number of machines available. High school juniors and seniors, who cannot work a typing course into their regular curriculum, may enroll in this class with preference going to seniors. A small charge will be made for supplies in the welding class, but there are no enrollment fees for any of the classes.

A course in beginners bridge will begin Tuesday in the high school library with Mr. and Mrs. T. J. Bailey giving instruction.

Classes will be held in two-hour sessions and will continue for eight weeks. Those interested are urged to enroll at the first meeting.

The Woman's Forum offers the program annually as a public service and instructors offer their time and efforts without charge to further the building of a better community. Enrollment is open to all adults in Ozona and surrounding communities.

## Chandlers Plan New Addition For IS10 Home Losers

A new residential addition to Ozona, which should provide new home building sites for Ozonans whose homes must be moved to make way for the new Interstate 10 at the south edge of Ozona, is planned by Early and Erby Chandler.

The new addition is to join the Chandlerdale Addition, across the new Interstate route from the teacher residences, and will make a valuable substantial new home building area.

The addition has already been mapped and plotted, with streets and alleys and lots surveyed. Plans are under way for immediate start on the development of the addition, the Chandlers said. Inquiries about building sites and plans for the addition are invited.

#### GUILT IN CHICAGO

For years now the television and radio networks have been hung-up trying to decide whether they are entertainment media, or news media. The hang-up was never more clear than during the Chicago donnybrook. Indignant spokesmen for both media are demanding investigations. Devotees of the idiot-box are writing letters to the editor. The sight of unwashed agitators who have been so prominent on TV getting whacked by Chicago police has stirred up the fans.

Our own impression is similar to that voiced by Senator Muskie, he who was nominated for the Vice-President spot on the Democratic ticket. The Senator said he observed the troublemakers from his 7th floor window, and that they very care-

fully maneuvered innocent onlookers between themselves and the police before opening up with barrages of missiles. And the police had to pass through the innocents to get to the perpetrators.

Do peaceful demonstrators usually carry bottles, cans, rocks and assorted containers filled with excrement? Certainly these were not predominantly residents of Chicago. They were imported troublemakers who openly trained for the engagements with the police while TV cameras filmed the exercises. Good entertainment, that.

Probably before the typesetter can finish with this copy they'll be pulling that "collective guilt" business again. In anticipation of that drive we'll hoist a couple of culprits for the investigators to interrogate. First

there is President Lyndon Johnson who, on August 3, 1965, greeted some college students as "fellow revolutionaries," and who told Americans four years ago that he was going to take money "away from the 'haves' and give it to the 'have-nots' who need it so much." The law defines that procedure as stealing, and we presume the Chicago hoodlums felt it didn't make much difference in the Great Society which laws they broke.

Another culprit is Hubert Humphrey who orated in July, 1966, that if he lived in the slums, "I think you'd have more trouble than you have already, because I've got enough spark in me to lead a mighty good revolt."

We submit the following as the first question to be asked by the investigators who look into the Chicago happenings: "Would you have preferred that the police not be there?"

#### Washington News Letter

Congressman O. C. Fisher

The mudslingers and the muckrakers will be at work this election year — as they always are when they lack issues and a sense of integrity. Abraham Lincoln was once quoted as saying that the quality of candidates in political contests can always be determined by the type of campaign they conduct. He went on to say the political scavenger is the one who wallows in the mire of falsehoods and deceit.

Thus, this year while the nation beholds the appearance of the demonstrators, the hippies and yuppies, they witness the surfacing of that other breed, such as Abe Lincoln had in mind—the mudslingers and the muckrakers.

One additional writer reasons that since the "tedium of Miami and the agony of Chicago," the pendulum may swing back toward public demand for more responsibility among office seekers. It's an ill wind that blows no good!

And out of it may come a meaningful demand for more responsibility on the part of the news media. It is now generally admitted that the mob which assembled for the trouble in Chicago did not get the proper exposure for what they really were. Mayor Daley was right, and he has now proven his case, very much to the embarrassment of the news media — particularly the TV coverage.

In any event, the mood of the mob, the whims of the hippies, the violence of the demonstrators, all tend to go hand-in-hand with the political opportunists who try to ride the wave of restlessness. The glib peddlers of deceit are working overtime to cash in on the mood of the times.

This is a year when right-thinking people must be a-

ware of the phonies. Good government results in proportion to the ability of people to evaluate the tactics and appraise the quality of those who seek public office.

The ability of the public to judge the demagogues is the mark of strength in a democracy. Many are reminded of the old Chinese proverb which says:

"Those who sling mud lose ground."

Mr. and Mrs. E. F. Biggs of Rockport are here visiting their daughter, Mrs. Charles Davidson, III, and her family.

MUST PICK UP piano and Hammond Organ by Sept. 25th. Will allow responsible person to assume payment on either piano or organ or both. Call or Write American Music Co. 209 E 8th Odessa. Phone FE 2-2711. 24-5tc

at Calvary Baptist Church labor largely with their own hands to build a complete church plant adequate for instruction, fellowship, and worship. Their handsome building, when completed, will be an honor to Ozona and, we pray, an instrument of God. By the way, I would suspect that gifts from those of us who do not belong to their congregation would not be rejected. That reminds me I must take a check by and I believe the Lord is going to let me do that very thing this afternoon.

Most outstanding of all is, I suspect, the accomplishment of Delfino Pozos and his congregation at our Spanish-speaking Assembly of God Church, Templo Siloe, in the building of a beautiful masonry House of God on Highway 163 South. Their membership is not large but their new Church would ornament much larger town than Ozona. We are indebted to them for vision and labor in brick and stone that hearts and lives may be changed.

It seems that our friend Jim Hancock and our people at First Baptist Church started this trend to upgrading physical facilities for religious efforts in our community, which are — (Do you really believe it?) — the most important activities in Crockett County, when they installed the beautiful stained glass windows in their auditorium. This act of devotion was followed by chimes, made possible, I understand, by Mrs. Myrtle Mitchell. The sweet singing of heavenly tones from these chimes blesses our whole community as they call us at frequent intervals to stop a moment and forget the things of earth as in a reverent hush we listen for the voice of God.

And now it appears that the Ozona Methodists may stir themselves to complete the original design of their Church as planned in 1948. Plans then called for an Adult Annex. Some 40x50 feet, extending eastward from the ell on the south to match the ell on the north. Such an adult annex would be used daily in varied ways to serve a growing adult activity in the congregation. The Administrative Board plans to present the matter to the congregation for decision and support when 80% of the projected cost has been underwritten. Already more than 60% has been indicated. These Ozona Methodists are likely to find themselves standing in the need of the prayers of all their fellow Christians in this God-given task.

All these church improvements are but symptomatic of the progressive spirit of this community which has in recent years manifested itself in upgraded school buildings, our beautiful Civic Center, the Crockett County Hospital, and such commercial structures as the new bank building and the apartment building as well as many beautiful new homes in the community.

This spirit of looking and acting ahead makes Ozona the unique community she is and assures her continuing growth. While we have abundant natural resources which aid us greatly in our growth, in the long run the future of any community finally depends on the spirit of her citizens.

Think about Houston!

Garden of the Week

As Selected by Ozona Garden Club The Lonnie Dorris Home 202 Ave. M

Ozona Canyon Field Extended By Recompletion

The Ozona (Canyon gas) field was extended 1 1/2 miles southwest with recompletion of The Canyon Co. Ltd., Midland, No. 1-101 Crystelle Childress, former middle Clearfork producer in the V.I.P. (multipay Clearfork oil and gas) field, 23 miles southwest of Ozona.

It was finalized for a calculated absolute open flow

of 600,000 cubic feet of gas per day through perforations at 5,648-6,398 feet, which had been acidized with 3,000 gallons and factured with 47,000 gallons and 70,000 pounds of sand.

Originally drilled to 6,631 feet by B. W. Wiseman, Jr., Midland, it was taken over by The Canyon Co. and finalized June 20 for seven barrels of water, through perforations at 2,350-80 feet.

Location is 1,320 feet from the south and 1,600 feet from the west lines of 101-WC-A.

Vasquez.

Chambers & Kennedy, Midland, will drill the No. 1 C Amacker, a Crockett County project, 1,500 feet northwest of dual 5,500-foot Wolfcamp production in the Tippet, west multipay field and Hueco production in the Tippet multipay field, seven miles south of McCamey.

Contract depth is 6,000 feet to test the lower Leonard, 5,500-foot Wolfcamp, in the Tippet field and Hueco in the Tippet, West field.

Location is 660 feet from the northwest and southwest lines (Pecos River) of 35-12-H&TC. Contract depth is 6,000 feet.

Chevrolet introduces 1969.

Caprice. Match this, you other 69's! There is no joy in the land of our competitors today. But let us ask you this. Should we have made Caprice shorter instead of the longest Chevrolet ever built? Or adorned it with flashy nicknacks to make it look less expensive? Just because competition doesn't, should we not have offered you washers to clean your headlights,

new variable-ratio power steering, liquid tire chain you can apply to your rear wheels at the touch of a button? Should we have given you less power, instead of the largest standard V8 in its field? Some people think so. Our competitors.

'69 Caprice Coupe

'69 Camaro SS Sport Coupe, plus RS equipment

Camaro. Who needs to say "announcing" or "new". The Huger. And just look how it all hangs together. No gingerbread anywhere. We've improved the interior, too. Quieted the ride. Made the Astro Ventilation ventilate better. The power range is very impressive.

Standard V8 is 210 hp. SS engines available up to 325 hp. For added SS appeal: sport striping; power disc brakes; wide oval, road-hugging tires. Your Chevrolet dealer offers this advice: Go on, you other sportsters. Gnash your gears and look tough. Maybe it will help. Putting you first, keeps us first.

# PONTIAC ANNOUNCES THE GREAT BREAK AWAY

This is the year to say good-bye to humdrum driving!  
**'69 Wide-Track Pontiac Grand Prix.**

If you've never driven a car like this before, that's because there's never been a car like this Pontiac Grand Prix before. So new, it's got its own 118" wheelbase. So new, it's got its own aircraft-type interior. A new steering wheel with a "soft" material rim. With a Wide-Track on big tires. With a new hidden radio antenna we're daring everybody to find

Or maybe you'd like to break away with a brand-new Firebird. With typical Wide-Track handling and a range of available V-8 choices that'll make your head spin (including the fabulous 400 Ram Air option). Brand-new styling, too. Lean, clean, ready looks. Plus 13 exciting new colors... new anti-theft ignition, steering and transmission lock.

There's also The Great One. Our GTO, the one that started it all. Complete with baseball-bat-proof bumper, fully padded instrument panel, distinctive Redline tires, along with specially designed suspension. Plus an assortment of V-8's that'll make your break from dull driving just about as pleasing as any you've ever made.

And don't forget our luxurious Bonneville. Who needs more? 360-hp, 428-cubic-inch V-8, a long new upper-level ventilation system, absorbing bumper at both front and rear, plus the kind of interiors you'd like to see at home. Bonneville. Who needs more?

### Miss Sandra Martinez Is Bride Of David Garza In Austin Rites

Miss Sandra Ortiz Martinez, daughter of Mr. and Mrs. Samuel Martinez, became the bride of David A. Garza, son of Mr. and Mrs. P. C. Garza of Edinburg, in a Saturday evening ceremony at St. Mary's Cathedral in Austin.

The bride, given in marriage by her father, wore a formal gown of Ivory silk peau de soie, designed in a column silhouette. The Empress bodice of English net featured a wedding band neckline and brief sleeves. Appliqued with Alencon lace, the appliques cascaded down the front of the skirt. She wore a chapel length wateau train. She carried a bouquet of orchids and blue carnation.

Nuptial music was furnished by Mrs. Ervin Dolist, organist, and Neil Norquest, violinist.

Maid of honor was Yvonne Martinez, twin sister of the bride. Mrs. Arturo Torres served her sister as matron of honor. Bridesmaid was Miss Mary Tehma Williams of Falfurrias.

Flower girls were Norma Cynthia Martinez of Austin, Martha Bran of Lubbock and Yvonne Tereasa Martinez of Austin.

The attendants wore identical dresses of peacock blue crepe. The floor-length gowns were highlighted by satin trim and short trains.

Douglas Horbelt of Pasadena was best man. Ushers were Chris Ransom of San Antonio and James McFintosh of Quitman. Other attendants were Mr. and Mrs. Eddie Sosa, Jr., of San Angelo, Mr. and Mrs. Sam Martinez, Jr., of San Antonio, Arturo Torres and Mr. and Mrs. Lawrence Pewitt of Houston.

A reception followed the wedding at Maximilian Ball Room in the Driskill Hotel.

The bride is a graduate of Ozona High School and a senior at the University of Texas in Austin. The bridegroom is a graduate of Edinburg High School and is a fourth-year student at the College of Pharmacy at the University of Texas.

The couple will be at home at 707A West 21st St. in Austin.

Typewriter ribbons at the Stockman office.

### Community Center Girl Scout Troops Meet With Mothers

All Girl Scouts who belong to troops which are sponsored by the Ozona Community Center met Monday night with their mothers. This involved Brownie Girl Scout Troop 55, Junior Girl Scout Troop 60, Cadette Girl Scout Troop 19 and Senior Girl Scout Troop 221. A program was presented by members of the troops. A highlight of the program was when Miss Wolf and Miss Price showed pictures of the Juliette Low Birthplace in Savannah, Georgia, and told about their visit there this past summer.

Membership stars were awarded and refreshments were enjoyed by all.

Cadette Troop 19 announced the following officers have been elected: Patrol Leaders will be Elaine and

Elizabeth Zapata. Troop Scribe is Leticia Guerra and the Troop Treasurer is Alma Garza. Games leader is Joanne Garza and Diana Castro is Hospitality Chairman. Camping Activities Chairman is Betty Ann Martinez.

### FRIDAY BRIDGE CLUB

Mrs. W. H. Bunger entertained the Friday Bridge Club at the Civic Center last week. Winning high score was Mrs. Evert White; high guest, Mrs. George Bunger; low club, Mrs. Jake Short; low guest, Mrs. Mahlon Robertson and the bingos were won by Mrs. Sherman Taylor and Mrs. Lovella Dudley. Others attending were Mrs. Early Baggett, Mrs. V. I. Pierce, Mrs. Stephen Perner, Mrs. Joe Davidson, Mrs. Hiljery Phillips, Mrs. Bailey Post, Mrs. Joe Pierce, Mrs. Fred Chandler, Mrs. O. D. West.

Lanny Brentz, son of Mr. and Mrs. Q. A. Brentz, former Ozonans, recently received his Master of Education degree from Hardin-Simmons University in Abilene. He also obtained his B. S. degree from that institution. Lanny is married and the father of two sons. Teaching now is his fourth year at Colorado City. Brentz will begin work toward his Doctorate in Education at North Texas State University in Denton next fall.

### Recipe of the Week From Betty's Kitchen

#### Vegetable Chowder

Large potatoes, diced  
Medium onions, chopped  
Celery cut in 1/2 pieces  
Green pepper, chopped  
Chopped salted pea-

tomato soup  
cream-style corn  
green pea soup  
cans milk  
frozen cut green  
partly thawed  
dried basil  
minced parsley  
dried marjoram  
to taste  
is a wonderful solution  
simple but hearty  
especially since it requires  
attention in cooking.

mer about 30 minutes, or until the potatoes and celery are tender.  
Serve with warm garlic bread and tossed salad.

Gary Pagan, son of Mr. and Mrs. J. A. Pagan, who is serving a tour of duty in Viet Nam, called his parents from Hong Kong Friday night. He returned to his post yesterday after an R&R there. He left the States in January, but expects to be back home before Christmas.

### NOTICE OF REWARD

I am offering  
**\$500 Reward**  
for apprehension and conviction of guilty parties to every theft of livestock in Crockett County - except that no officer of Crockett County may claim the reward.

**Billy Mills**  
Sheriff, Crockett Co.

A reception followed the wedding at Maximilian Ball Room in the Driskill Hotel. The bride is a graduate of Ozona High School and a senior at the University of Texas in Austin. The bridegroom is a graduate of Edinburg High School and is a fourth-year student at the College of Pharmacy at the University of Texas. The couple will be at home at 707A West 21st St. in Austin.

# Atoms and Apple Cores

Mark will be fourteen years old this month. He is very thoughtful these days. Many an hour is spent on the back lawn with watercolors and pad, mostly thinking or dreaming.

Boundless curiosity is his, and "why," a certain response to every answer he receives. Besides painting, he likes to hunt, swim, golf, read, and putter in the basement with test tubes. Only recently, girls have been included with rifles and missile shots as a favored topic of conversation.

He talks about God, too. In his pursuit of answers to the universe, he instigates family discussions that range from ethics to eternity, from atoms to apple cores.

It's small wonder that I thank God daily for His Church and its teachings. Its truths help me answer with assurance the questions Mark asks in his search for understanding.

### THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

**THE PROWLER**

In Mrs. Hayes class, Perry Cavender was complaining because the assembly wasn't along enough. When she took him to the offices to complain, he didn't say anything until on the way back to the room is Perry afraid of Mr. Pelt?

Did Lou E really go to the hospital in study hall? Do all bugs effect you that way?

What new disease did Grace Ann suffer from last week? Could it be Grace-Annis?

Steve H do you always break your typewriter and then throw the keys out the window?

Marsha, Becca, and Debbie went to San Angelo last Saturday, and Debbie seemed to have forgotten her name I wonder why?

—OHS—

**BATTLE OF THE BANDS**

By Marsha Moore

Our two local bands entertained the student assembly Wednesday, September 18 in the auditorium. First on stage was The Eternal Inn, consisting of Cathy Williams and Betsy Sikes, playing guitars, and Vicky Walker, playing drums. They were dressed alike in Nehru jackets and played Hanky, Pariky, House of the Rising Sun, I Cry Just a Little, Hang on Sloopy, and Monctony in the Dark, which they wrote themselves.

The "Frantics" followed and played Cat Daddy and western songs. Their first one entitled Mexico, was dedicated to the Senior class of 69. The group members are Kirky Boyd, Rodney Pagan, and David Pagan, playing guitars, and Vernon Munson on drums. Among the songs played were Scar-

borough Fair, Wipe Out, Buckaroo, Psychedelic Guitars, and Louie, Louie.

**SERIOUS QUESTION**

By Doug Blanton

What do you think about the hippie revolution? Charlene S — I think they are a lot of insecure young people who think they are helping our society.

Randel C — I believe they have a point and every man to his own.

Pat W — I believe they are expressing their own society in the way it should be all over the world.

Will (Twiggy)C — I believe that no one can say anything good or bad unless they know some hippies personally.

Sharon L — I believe they are a bunch of insecure people who are not helping our society in any way.

Marlin F — Man, we just want to be free and ride our machines and not be hustled by the man.

Becky C — Same as Twiggy.

—OHS—

**FFA Officers Elected**

By Bobby Mayfield

A chapter F F A meeting was held Tuesday, September 17, at the Ag. building here in Ozona. The meeting was held to elect officers for the following school year.

The meeting was started with a program on the controlled breeding of ewes by the use of Secra-mate. This was given by Wesley Robinson from San Angelo.

After the program, the chapter officers were elected.

The officers elected for the following year were Fleet Coates, President; Bobby Mayfield, Vice - President; Dennis Douglas, Secretary; Marlin Farris, Treasurer; Reporter, Moose Coates; Sentinel, Charles Childress; and District Secretary Buddy Couch.

The Chapter elected Debbie Moore as Chapter Sweetheart for the following year. Mr. Jim Davee discussed the stock show with the chapter.

The meeting was adjourned and everyone went to the front of the Ag. building for refreshments.

**LIONS PASS EAGLES**

By David Hoover

The Lions won their game last Friday night by beating the Eldorado Eagles here with a score of 14-13. This moved the Lion's season standing to 2 wins and no losses.

Under a pleasant cloudy covering, the first quarter ended scoreless and uneventful. In the remaining portion of the first half the Eagles scored with less than three minutes left to bring the score to 7-0. This fired the Lions into scoring about one minute later, as Fleet Coates took the ball across the goal for the TD. The extra point attempt failed. The half ended thusly: Eldorado 7, Ozona 6.

The third quarter was uneventful but the first play of the fourth quarter showed why Ozona is called the "Fighting Lions". A pass

from David Huff to Donald Huff after a 76 yard drive and the extra point completed from Fleet Coates to Donald Huff brought the score to 14-6. The Eagles retaliated with a 75 yard TD pass but failed in the extra point try bringing the final score to 14-13 in favor of the Lions.

The Lions will have a tough game ahead with Coahoma next week but with the help of the student body the Lions will triumph.

—OHS—

**DUPLICATE BRIDGE**

Winners in Duplicate Bridge club play Saturday afternoon were Mrs. Boyd Clayton and Mrs. Joe Clayton, first; Mrs. Evert White and Mrs. Bob Bailey, second; Mrs. Robert Cox and Mrs. George Bunker, third.

Tuesday night winners were Mr. and Mrs. Evert White and Mrs. Jake Short and Mrs. Robert Cox, tie for first; Mrs. Jack Wilkins and Mrs. Henry Miller, third.

News Reel

Luncheon Launches Forum's Club Year

A luncheon at the Civic Center opened the club year for the Ozona Woman's Forum Saturday at noon. Hostesses were Mrs. P. L. Childress, Mrs. James Childress, Mrs. B. B. Ingham, Jr., and Mrs. J. B. Miller.

In observance of Federation Day, Mrs. Lowell Littleton, president, presented the program on federation.

The yearbook and program committee, made up of Mrs. Charles Black, chairman, Mrs. Joe Clayton, Mrs. Beecher Montgomery and Mrs. L. B. Cox, III, held a round table discussion of the year's study and presented the yearbooks. Mrs. John Coates, safety chairman, distributed pamphlets on Texas Motor Vehicle Laws.

The next meeting will be held at the Civic Center on October 8. It will be a joint meeting with the Ozona Woman's League in commemoration of Americanism Day. Special guests will be members of the disbanded Ozona Woman's Club.

Presenting Cadillac for nineteen sixty-nine

A masterpiece from the master craftsmen

Beautifully new, distinctively Cadillac

Even Cadillac has never built one like this!

The craftsmen who engineer and build Cadillacs are accustomed to creating the finest of motor cars, but they take special pride in these brilliant 1969 models.

A single glance at this automotive masterpiece reveals striking poise and beauty, dramatically new, yet unmistakably Cadillac. For 1969, Cadillac's traditional dignity is complemented by youthful styling unique in the luxury field.

New concepts in comfort and convenience.

The 1969 Cadillac is completely new inside, with major innovations in design, convenience and decor. A newly contoured "control center" instrument panel makes controls even more accessible, and virtually surrounds passengers with luxurious protection and convenience.

A smoother, more responsive engine.

Cadillac's great 472 V-8 engine—the largest V-8 ever to power a production passenger car—is smoother, quieter and more responsive. Never before has power been employed so efficiently in the operation of a car and its equipment. And for 1969 front disc brakes are provided.

Your judgment is invited.

There are eleven different models of the 1969 Cadillac, more than is offered by any other luxury car manufacturer. Each is truly a masterpiece from the master craftsmen.

Your authorized Cadillac dealer welcomes your personal inspection of this once-in-a-lifetime motor car. Stop by and drive one at your earliest opportunity. We think you'll agree that this is the greatest Cadillac ever built.

THE NEW 1969 CADILLACS ARE NOW ON DISPLAY AT YOUR AUTHORIZED CADILLAC DEALER'S

Neighbor too Small! ... or small, we're always ready to give you friendly, helpful service. Our real service begins after we fill your tank. To be your car's best friend and a good neighbor to you is our prime concern. Another reason to drive with today's gasoline is the real bargain.

day. At mid-morning on Ranch Road 915 in Schleicher county, Tommy Sessom of Ozona, driving a Lilly Welding truck, lost control after a blowout and veered into the oncoming lane, hitting a 1964 Pontiac driven by Miss Joe Dean Keione of Fredericksburg. Neither driver was hurt, but damage to the car was \$750 and to the truck \$400.

Sunday night around 9 o'clock, 10 miles west of Ozona on the Big Lake highway, Donald Radtke of Fort Worth was traveling west in a 1968 Mercury when he hit a black Angus calf in the road. Damage to the car was \$1,000. The driver was not injured, but the calf, belonging to R. L. Vaughn, was killed.

In almost the same spot Wednesday morning Kenneth L. Reeves of Midland swerved to miss a calf and wrecked his 1968 Plymouth, losing control and overturning after going through a fence. Damage to the car was \$600. Neither the driver nor the calf was injured.

RANCH RECORD BOOKS at The Ozona Stockman

**Double Header** —

led.

The Colt's Mark Russelot ran 61 yards from his qb. position to score the first Colt touchdown. He passed for the two points and the score was 28-8 Ozona. Late in the second quarter, Russelot passed to Richardson for a 30-yard pass and run for another td. The conversion failed and the score was 28-14 at the half.

Womack cleared the benches after the half and his second and third string saw action. Tambunga went in for a fourth-down play and scored again, running 34 yards for the td. The Cubs drove downfield with Huff directing a good passing and running attack and found themselves on the Colt 2. Fullback Gary Mitchell, seventh grader, powered over for the Cubs last score, and his first touchdown.

Sonora's Bruce Kerbow, seventh grader, ran 58 yards for the Colts last score, winding it up 40-20.

The Lion B made very few mistakes in cutting the Sonora B down. Coaches Fowler and Spieker have found themselves with a terrific defensive crew and the offense moved with precision to chalk up their second victory.

Gregory Stuart was the leading ground gainer, scoring two touchdowns for the Lions and kicking two extra points. Jim Montgomery picked up extra yardage in

the air, hitting his favorite receiver, Arturo Torres, five times, one for a touchdown and again for a touchdown brought back on a penalty against the Lions.

Stuart ran 40 yards to set up the first Lion score. Montgomery scored from the 4 on a keeper play. Stuart kicked the point and the Lions led 7-0.

The fierce Lion defense headed up by Cuatro Davidson, Robert Maldonado and Curtis Weant, took the Broncos for a loss almost every play from scrimmage. The Broncos were stymied in the air with Donald Olson on top of the receivers to knock down passes. Freshman Mike Jenkins intercepted one Bronco pass.

Ball control was the Lion strategy and the second Lion penalty had pushed them score came after a 15-yd. back to the Bronco 20. Montgomery hit Torres in the end zone for the score and Stuart kicked the extra point. It was 14-0 at the end of the first half.

The third quarter saw the Lions scoreless. A touchdown pass was nullified by a penalty and another intercepted by the Broncos. Coming alive early in the fourth quarter the Lions drove downfield for their third score. Deep in their own territory, Montgomery hit Torres for a 45 yard pass and run and he was downed on the Bronco 39-yd line. Stuart picked up a first, Torres a first and Stuart bounded in for the score. The kick was fumbled and it was Ozona

**Mrs. Baggett Is County Chairman Nixon Campaign**

Austin — Mrs. James Baggett of Ozona today was named to head Richard M. Nixon's Presidential campaign in Crockett County.

Appointment of Mrs. Baggett as county campaign chairman was announced by John Hurd of Laredo, chairman of the Texas Nixon for President Committee.

Mrs. Baggett has been active in civic and political affairs. She served two terms as president of Ozona PTA, was co-ordinator of Crockett County's 75th Anniversary Pageant, and is active in the Ozona Methodist Church.

She is also active in the Women's Auxiliary to the Texas Sheep and Goat Raisers Association, serving in various leadership capacities, including president.

Mr. and Mrs. Baggett, who live on a ranch 30 miles south of Ozona, have three children.

20-0. Maldonado recovered a Bronco fumble to set up the last Lion score. Stuart got the score from the Bronco 7-yd line and the kick was blocked.

Second-string Lions went in to finish the quarter and played superb ball, holding the Broncos and making some good yardage.
